Commissioners To Ask For County HD Agent

The Crockett County Commissioners Court met in regular monthly session Monday and spent the morning hearing various county reports and attending to county business.
In the hospital report, it was brought to the attention of the court that one of the air compressors in the cooling unit had gone out, leaving the building with insufficient cooling. The court allocated \$5,000 to repair the system.
The road department report confirmed that paving for the year has been completed in Precincts 3 and 2 and equipment has been moved to town where employees are in the process of paving several alleys.
Jess Marley, commissioner of precinct 1, will use the equipment to pave two miles on Taylor Box Road and Glenn Sutton, commissioner of precinct 4, will pave two miles on the Miller Road. This will complete the county paving plan for the year. The budget is set up annually for two miles of paving in each precinct per year.
Judge Troy Williams and the commissioners discussed the upcoming South Texas Judges and Commissioners Conference to be held in Del Rio June 23-25, and planned to attend some of the sessions.
Following lunch, a group of Home Demonstration Club members met with the court and asked their continued assistance in securing a full time home demonstration agent for the county.
Mrs. Hart Johnson, home demonstration agent at large from Fort Stockton, was at the meeting and stated that no additional funds had been approved by the state for new full time agents, and suggested that the court press officials with the request. Pete Jacoby, county agent, was also present with the group. The HD committee was made up of Mrs. Glenn Sutton, Mrs. M. C. Couch, Mrs. Troy Williams, Mrs. Jack Ellis and Mrs. Dwan Vinson.
The court passed a resolution to renew the request for a full time agent for the county and included the county's portion of the salary in the proposed budget.
The court discussed the preliminary budget for 1972 and made plans for the equalization meeting which will be held tomorrow, Friday, morning. At that time tax experts from the various oil

Ozونا Youth Elected Sheriff At Boys State
Bill Edgerton, son of Mr. and Mrs. Charles Edgerton and a senior this fall in Ozona High School, represented Ozona at the 31st annual American Legion Boys State held last week on the campus of the University of Texas at Austin.
Bill was sponsored by the local American Legion post, A total of 840 boys attended, all junior students in high school during the past school year. Each local post was eligible to submit one delegate for each four-year accredited high school in the general area. Bill was the first student to attend from Ozona, since the post was only organized last year.
Following registration each student was assigned to one of two political parties, the Nationalist or the Federalist parties. Bill was assigned to the Nationalist party.
Each citizen functions as a member of his party, attending precinct, county and state conventions. Bill was a citizen of the mythical Townes City, Dillworth County, he chose to run and campaign for the office of sheriff and was elected

to the post.
In Boys State, the American Legion provides the type of program where the young citizen has the opportunity to learn for himself that his government is just what he makes it. The boy "learns to do by doing."
Highlight of the program was a trip to the Capitol Friday morning where each elected Boys State Official was given an opportunity to serve in his respective office for a day, followed by the Governor's Ball Friday evening.
Coach Jim Williams was the classroom instructor this year and will be assisted by Walter Spiller in the driving instruction. The driving part

Ozona Gets .89 Inch Moisture In Weekend Falls

A three-day rainy period over the weekend dented the drought situation somewhat and left .89 of an inch of moisture on the city.
Some areas in the north part of the county reported up to 2 inches for the same period while south of Ozona up to an inch and a half was recorded.
The rain was by no means general and the western part of the county received hardly any or no rain at all over the weekend. Heavier rains fell east toward Sonora.
Friday night's rain shower amounted to .34 of an inch in a slow falling rain. Saturday showers amounting to .52 of an inch fell and early Sunday .03 was recorded before skies cleared.
The rainfall brought the monthly total to 1.07 inches and the yearly total to 6.38.

Ozona Woman's Death Cause Is Still Mystery

Mystery surrounds the death of 25-year-old Mrs. Luis Tijerina early Sunday morning in the bedroom of her home. Preliminary autopsy findings ruled out heart attack or brain hemorrhage, but cause of death cannot be determined until lab work has been completed.
Mrs. Tijerina apparently died of natural causes around 6:30 Sunday morning in the bedroom of her home here. Her husband, Luis Tijerina, was awakened by an alarm clock at 6:30 a.m. and at the same time noticed that his wife was making a choking, gasping sound. He tried to awaken her and when he failed to do so, he ran to a neighbor's home to call an ambulance. The ambulance attendant attempted to revive Mrs. Tijerina and failing to do so, rushed her to the Crockett County Hospital where she was dead on arrival.
Her family and friends said she was apparently in the best of health before her sudden collapse.
Funeral services were held Wednesday afternoon at 4 o'clock from Our Lady of Perpetual Help Catholic Church with burial in Lima Cemetery under the direction of Janes Funeral Home.
Mrs. Manuela Fierro Tijerina was born March 12, 1946 in Ozona and was married March 12, 1960, also in Ozona to Luis Tijerina.
Survivors include the husband, two daughters Marcella and Afeta Tijerina; a son, Adrian Tijerina, all of the home; eight brothers, three sisters, and her mother, Mrs. Urbano Fierro.

Ozona Scouts Earn 85 Badges In Camp Session

Ozona Boy Scout Troop 153 returned from Camp Fawcett Friday with over 80 merit badges earned during the week long camping session.
Another first and only honor for the Ozona scouts was the fact that they were the only troop in camp with 100 percent swimmers. Every boy in the troop swam the 100-yard requirement swim, including Scoutmaster Garland Young.
Four of the Ozona Scouts attained the rank of Scout Life Guard. They were David Bean, Wilson Hill, Billy Dixon, and Judd Montgomery. The boys spent a great deal of time on this one achievement and cut down time for other merit badges. However, Scoutmaster Young said it was well worthwhile.
Ricky Perry, Dean Scott, Jr., and Bobby Armistead completed the mile swim.
The entire troop put in two hours on the conservation project, giving the troop 500 points toward the Sol Myer Award.
Third year scouts earning from 1 to 3 merit badges were David Bean, Wilson Hill, Billy Dixon, Dean Scott Jr. and Judd Montgomery.
Second year scouts earning from 5 to 6 badges were Bobby Armistead, Ricky Perry, Jerry Weant, Tony Hoover, Tony Davee and Steve Scott. Tommy Hoover, also a second year scout, became ill and had to return home after earning 2 badges.
Douglas Bean topped the first year campers, earning 6 merit badges. The other first year campers earned 5 badges each. They were Gary Scott, Ray Hill, Randy Allen, Mike Pelt, Danny Weant, Trazell Hayes and Steve Pagan.
Thursday night was parents night. A program of skits was

REV. JOHN BERKLEY has been reappointed for another year as pastor of the Ozona United Methodist Church. His appointment was announced at the Methodist conference recently at San Antonio. Rev. Berkley has been pastor of the local church two years.

Ozona Oilers Take Over Lead In League Race

Resuming Little League play Monday, Ozona Oil took over the second half lead and has won two straight since the beginning of the second half of play, although one game was called due to rain.
The Oilers have a 2-0 record. B & B Grocers are 2-1, first half champs, Ozona National Bankers are 1-1 and Moore Oil is in the cellar with 0-3.
Although the Moore Oilers seem to be out of the picture, it's anybody's ball game as far as the other three teams are concerned.
Tonight's double-header will feature Ozona Oil and B & B Grocers in the first game, which could very well see the Grocers taking over the lead as they have come on strong since the beginning of the season. The second game will be Ozona National and Moore Oil.
The Grocers beat the Bankers 9-5 in the first game Monday night with the Grocer's pitcher, Vaden Aldridge, allowing only four hits. However, one was a home run by Blake Moody. John Galvan was the big hitter for the Grocers, having a home run to his credit. Cruz Garza was the losing pitcher.
In the second game Ozona Oil downed Moore Oil 6-2. Clyde Bailey was the winning pitcher and Rojelio Longoria the loser. Ronald Koerth had the hot bat for the winners, collecting a single and a triple.
Mrs. Huey Ingram returned to her home here Friday after recuperating from surgery performed last week in a San Angelo hospital.

Five Auto Accidents On Rain Slick Hiways

Ozona highway patrolmen investigated five accidents in the county over the past week with heavy property damage and at least one serious injury and another hospitalized.
Late last Wednesday night a 1967 Volkswagen driven by Reggie Kerby was totaled when he hit a parked car in front of the Wheeler residence on Ave. I. There were no injuries.
Rain-slick highways were the contributing factor in two wrecks Friday night and two again Sunday.
Around 7:45 Friday night 16 miles north of Ozona on Hwy. 137, Jose Ontiveras of Odessa, driving a 1970 Chevrolet pickup, rounded a curve and lost control, overturning twice and coming to rest on its top. Jose Sanchez, a passenger, also of Odessa, was injured and

taken to Crockett County Hospital in a Janes ambulance.
At 11:40 the same night, Joe Crain of Phoenix, Ariz. was driving a wrecker and pulling a tank truck when he lost control on Lancaster Hill about 35 miles west of Ozona on Hwy 290. He ran into the rock wall and both vehicles overturned. Crain was seriously injured and was transferred to a San Angelo hospital after being hospitalized in Iraan. Both trucks were totaled.
At 12:30 Sunday morning David Coffman of Odessa narrowly escaped injury when the Texaco transport he was driving jackknifed in the intersection of Hwy 137 and 163 as he was turning toward Big Lake on a rain slick highway. There was only minor damage to the truck.
Later the same morning at 1:20 a pickup truck overturned six miles west of Ozona on Hwy 290. David Norwood of Austin was driving the pickup and towing a car when he lost control and the pickup flipped over, causing minor damage but no injury.

Ozona Baptist Group To Attend Paisano Camp

Nine Ozona girls and three leaders left Monday morning from the First Baptist Church for Paisano Baptist Encampment near Alpine. The theme for the girls mission camp is "Happiness is the Lord." The local girls will enjoy five days of fun and inspiration with other girls from the West Texas area.
Girls attending are Jan Eppler, Chris Carlisle, Lee Ann Beasley, Regina Everett, Jeanne Perry, Lea Lynn Dewe, Rebecca Everett, Laurie Ailee and Sheryl Harris. Jan Eppler will be the only girl from the Ozona church to be eligible for a stay in the "Queens' Palace," an especially comfortable and attractive two-story dormitory, designated for those who have accomplished the higher requirements in their GA or Actex work.
Mrs. Ted Dewe of Ozona is the camp secretary for this year and will be cabin inspector. Mrs. R. J. Everett, Jr., is dorm mother for the Ozona cabin, and Ginger Glynn will be counselor for a group of girls and help with recreation.
One of the highlights of this year's camp is the poster contest. Each local church has had a contest on the general theme with the winners taking their posters to camp to be judged with winners from other churches. Jan Eppler and Lea Lynn Dewe won the local contest.
The group will return to Ozona late Friday afternoon.

UNINVITING ENTRANCE to the new addition to the Crockett County jail is beneath the shadowed carport at right. The ancient two-story rock jail, which has served the county since its early history is in the background, still a part of the enlarged structure. In the right background is the Ozona First Baptist Church which adjoins the jail on the north.

FOR HE'S A JOLLY GOOD FATHER!

In our permissive society, the role of father is more important than ever. Juvenile authorities tell us that 99 percent of the time, a child becomes delinquent only after the father has relinquished his role. The father must be head of the family, just as the mother is the heart.

It is almost impossible to exaggerate the importance of a father in raising children. Christ set the example. He taught us to refer to the First Person of the Trinity as "God the Father." When the Apostles asked Jesus how to pray, He taught them to call God "Our Father." The father must exercise his role as head of the house, not turn it over to the mother by default. He is not just a good provider. He must be much more. He must provide spiritually as well as materially. He must strengthen children's character by not giving them too many things. He must help them to grow by rearing them in the school of hard knocks. He must not deny them the struggles that enabled him to succeed.

The generation gap between parent and children becomes a problem only when the father tries to be a pal instead of a parent. Children pal with one another, but they look to their parents for guidance and example. The fathers we honor today are those who provide both. By leading his children along the path of virtue, a father creates goodness that will continue for many generations. The influence of such a father will continue long after he has gone to his reward.

A GAS outdoor grill gives food a tangy outdoor flavor without the time and bother of charcoal fire. Char-broiled flavor comes from the smoke of meat juices dripping on hot briquets. Charcoal itself provides no flavor.

Permanent ceramic briquets in the gas grill reach cooking heat in a few minutes, and there is no long wait to start cooking. The heat is regulated manually so there is no need to move a grill up or down.

Tips for Gardeners

From The Ozona Garden Club By Mrs. Bailey Post

With the summer winds and no rain, we are reminded daily there are numerous chores to be done regularly in the garden. We are optimistic enough to believe those showers are still in the offing.

The floribunda roses will beat the heat, for they are well adapted to hot weather. They continue to bloom profusely after the hybrid tea roses begin a dormant period in mid-summer. Floribundas make good long lasting cut flowers. To conserve growth energy, always snip off flower clusters as soon as they fade. I cut back far enough to keep the height I want, and to just above a good five-leaf group. If there is no rainfall, water them every week or ten days.

If weeds have grown so large that pulling them is sure to disturb the roots of plants in your garden, do your weeding in late afternoon, or on a cloudy day. This will give the plants time to repair root damage. Young specimen evergreen trees and shrubs should be pruned or sheared every year if you want them to retain their shape and develop into attractive plants. Between now and July 15, is the best time for this. If allowed to grow unattended for two or three years, evergreens often develop lop-sided and open

spaces, sometimes producing two or more central stems. Those pruned now will set buds around the fresh cuts. These buds will grow and develop new stems and branchlets to help make a dense plant. When your evergreen trees reach the desired height, cut the tops back to keep the trees compact. Pine or needle-leaved evergreen branches should be removed from one-third to one-half to control growth.

If you are interested in gathering plant material for dried arrangements to use in winter or flower show designs, now is the time to begin collecting seed pods of all kinds, grasses and dock which may be gathered in green, light brown and brown stages of its growth. Many flowers may be preserved in several different ways. Hang the dock and grasses up side down to dry naturally. Also zinnias may be done the same way and retain their color. One easy and economical method is the use of sand. It should be sifted and dried in the sun or a slow oven for at least twenty-four hours before using. Place about an inch of the sifted dry sand in a cardboard box or baking pan, then arrange flowers with at least an inch between each bloom. Gently lift an inch or two over the material. Dishes zinnias, roses, etc. should be placed face down or face up so sand sifted into crevices will hold the blossoms in shape.

RECIPE OF THE WEEK

From Kisty's Kitchen

Cajun Giblets
2 pounds chicken giblets
1 quart chicken broth
1 onion, finely chopped
1 cup chopped celery
1 cup chopped parsley
1 tbs. Angostura aromatic bitters

1/2 pound ground round
1 egg, well beaten
Salt
Pepper
Garlic powder
1 cup raw rice

In a large saucepan combine giblets, chicken broth, onion, celery, parsley and Angostura bitters. Cover tightly and simmer for 1 1/2 hours or until giblets are tender. Combine ground round and egg, adding salt, pepper and garlic powder to taste. Shape mixture into tiny meat balls. Drop meat balls into giblets and simmer for 5 minutes. Add rice and stir to blend. Cover and simmer for 30 minutes or until rice is tender. Stir occasionally to prevent sticking, adding more chicken broth if necessary. Season to taste with salt and pepper.

Mother of the bride

In a few minutes she will be walking down the aisle. Bruce will be at the altar to meet her, and when they walk out of the church, they will be man and wife.

Even though we have been planning the wedding for weeks, it is hard to believe the time is really here. It seems like only yesterday—though actually it was twenty years ago—that our little girl was christened right in this same church.

What an all-important part of our lives this church has been! I have turned to it both in times of joy and times of sorrow. So has our daughter.

Now, as I slip into my place in the first pew on the left side of the aisle, it is with the wonderful feeling that this church is a part of her, too, and that its teachings will stay with her forever. I could not ask for more.

OF THANKS TO THE PEOPLE OF OZONA family of Margaret S. (Shannon Mauldin) take this opportunity to express our deepest appreciation for the courtesies both offered when she was here May 17, 1971. The burden on others in which prevented my thanking each of you, as I would have to do, for these courtesies honor bestowed upon her return to her home and to what was and her home in her.

Since I lived in Ozona school there a year, I have wished I had my birthplace in Ozona, for Ozona "The Biggest Little Town in the World" with people the biggest hearts, with minds as pure as they drink. Indeed, Ozona is in the desert of west wishes for Ozona people we wish to thank you and gratefully from ourselves and members of the family. and Mrs. Lawrence Noble
