> Common Colds are the Cause of Many Serious Diseases.

Physicians who have gained a national reputation as analysts of the cause of various diseases, claim that if catching cold could be avoided a long list of dangerous ailments would never be heard of. Every one knows that pneumonia and consumption originate from a cold, and chronic catarrh, bronchitis, and all throat and lung trouble are aggravated and rendered more serious by Cough Remedy will cure it before remedy contains no opium, morphine or other harmful drug and has thirty years of reputation back of it, gained by its cures by W. Would you go into a grocery store, pick up a five cent article and walk out with it without expecting to pay? Hardly. And yet some people play that little game on the newspaper. Copies of The Kicker are worth five cents-of the Illustrated 25 cents. If you don't want to pay that, all 5367 136363636363636363636363 we ask is that you leave us our

Dearly beloved, please allow us to impress, upon your wind that the announcement, "25 cents each ! for copies of The Kicker illustrated edition," is not a joke. If you want a book, or more, bring a quarter for each copy wanted.

Do not put us to the embarrassment of calling you down, as we () shall surely do if you try to walk off with one of the magazines without paying for it.

Truths that Strike Home

Your grocer is honest and—if he cares to do so—can tell you that he knows very little about the bulk coffee he hells you. How can he know, where it originally came from, how it was blended—or with what coffee loose by the pound, how can you expect purity and uniform quality?
