## HUGE LABOR DAY CROWD SEES TEXON LUCK CHAMPIONSHIP IN CLASSIC 14-INNING STRUGGLE

Hundreds of Crockett County fans, faithful followers of the title-contending Ozona Giants, mingled with other hundreds from all parts of West Texas to witness the luckless downfall of Ozona's title hopes and the elevation of the Texon Oilers to undisputed West Texas League championship on the Texon diamond Monday afternoon in a 14-inning struggle that was anybody's game from the sixth to the final inning.

Monday's thrilling battle, which should have been won by the locals had they had even a remote hint of what Blondy Cross calls their "rubber horseshoes," and an even break with Texon on the close decisions in umpiring, followed the miserable 11-0 flogging administered by Texon the previous day on a crippled and demoralized team. The absence of Ratliff from the line-up Sunday was accounted by many fans as the main weakness of the locals in that fracas, coupled with the merciless pounding the Oiler batsmen administered to Harn.

One of the greatest thrills experienced by local fans since Hodge crashed out his homer on the local diamond to beat Abilene was his circuit drive in the fourth inning of the Labor Day battle at Texon with one man on. The Oilers had scored one in the first and two in the second on a flock of errors and were leading the locals 3-0 when the day's big thrill came. Wade had singled and was on first when Hodge connected with that power-house swing on one of Haven's fast ones and the ball soared far into the greasewood flat in right field, with Manager Saibe Conley of the Oilers, in right field position, hot in pursuit. The hit was declared the longest ever made on the Texon diamond.

In the next inning, the locals took charge when the Oilers suffered a temporary let-up and pashed over three runs. Texon crept up one on the lead in their half of the fifth and tied the count in the sixth with one more. Then for six more innings, it was as thrilling a battle as any fan ever witnessed on a baseball diamond. On several occasions during those six innings a hit in the clutches would have meant a ball game for the Giants, but each time the rally fizzled out with an easy grounder.

Came then the last half of the fourteenth when the goddess of fortune turned frowning brow on the Giants. A hit, a sacrifice and an error had put two on with one out. Gardner was purposely walked to fill the bags for a possible double play, which would have cut short the threat. But Leedy rubbed his rabbit's foot and smashed out a single to left field and the ballgame was over, Housewright crossing with the winning run.

The score by innings:

Texon	R	H	E
120	011	000	000
Ozona	R	H	E
006	230	000	000

## Former Hotel Manager Dies

S. S. Moore, Brother Of Mrs. Joe Pierce, Succumbs At Bay City

S. S. Moore, 61, former manager of the Hotel Ozona and a brother of Mrs. Joe Pierce of Ozona, died at the home of a sister in Bay City Texas, August 24, following an attack of paralysis. Funeral services were conducted in San Antonio the following day, the body being buried beside that of his wife, who died several years before.

Mr. Moore had gone to Bay City to visit his sisters, three of whom reside there, and became ill while there. He planned to visit Mrs. Pierce here during the summer but never recovered from the attack in Bay City. Mr. and Mrs. Pierce and children arrived in Bay City before his death and attended the funeral at San Antonio.

Mr. Moore and another sister, Mrs. Ada Phillips, had charge of the Hotel Ozona here for about three years and he had visited here often since leaving. He is survived by his mother, Mrs. Kate Moore, who is here to spend the winter with Mr. and Mrs. Pierce, six sisters, Mrs. George Fullingim, Mrs. J. E. Clements and Mrs. Ada Phillips of Bay City, Mrs. M. H. Kuykendall of Buda, Mrs. H. Whaley of Estelina and Mrs. Pierce of Ozona, and two brothers, W. A. Moore of Del Rio and C. H. Moore of New Orleans, La.

## School Opening Largely Attended

Inauguration of New Session Marked By Simple Ceremony

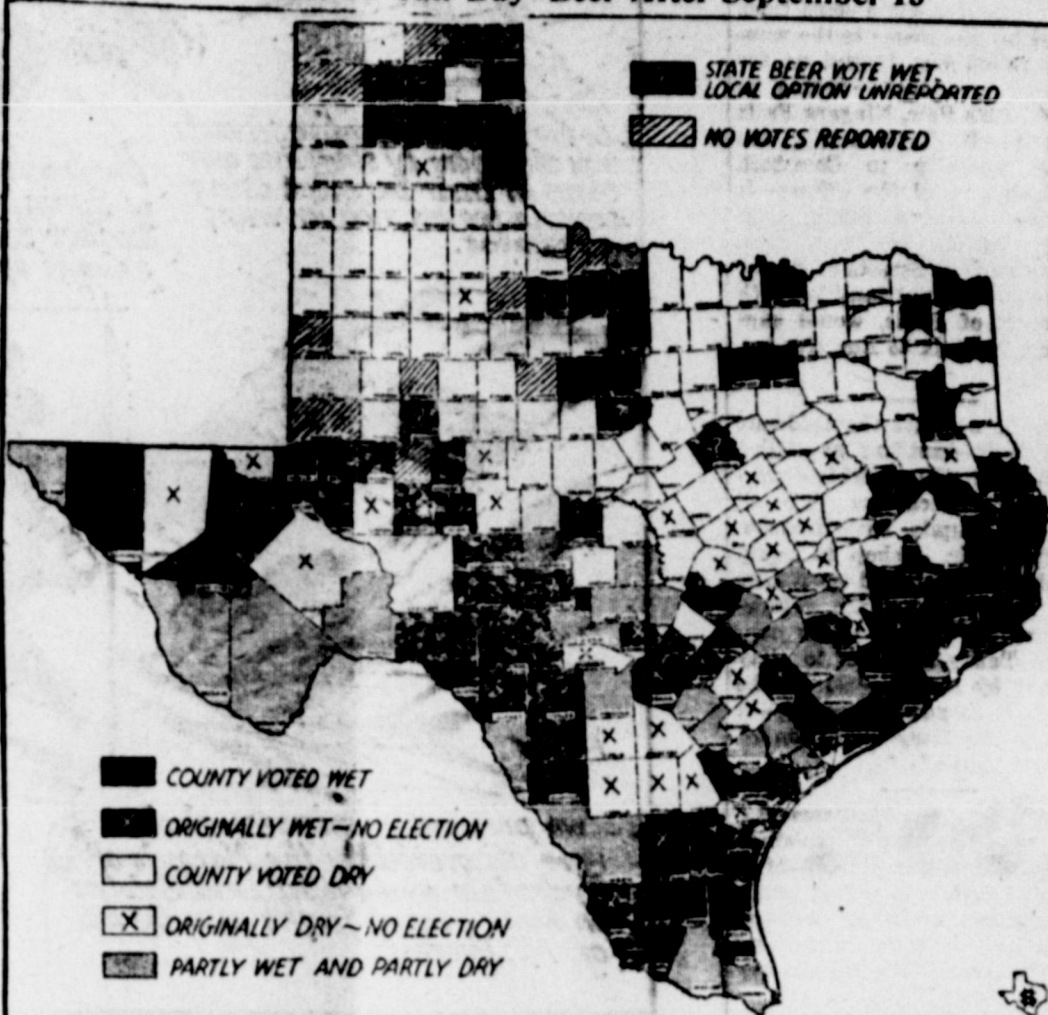

The 1933-34 term of the Ozona schools got under way officially Monday morning at 9 o'clock with a brief program in the auditorium of the new High School building. The entire student body of the high school and grades and a number of parents were present for the opening exercises.

The program opened with the invocation pronounced by the Rev. J. H. Meredith, pastor of the Methodist Church, John L. Bishop superintendent, acting as master of ceremonies. Under the leadership of Rev. M. M. Fulmer, pastor of the Baptist Church, the assembly sang "America, The Beautiful," with Miss Maxine Murdock at the piano.

Various announcements in connection with the registration of pupils and the inauguration of regular school work were made by Supt. Bishop. Mr. Bishop announced that school authorities were going to make an effort this year to confine all school activities to Friday and Saturday nights and to discourage social and other affairs on school night so far as possible in order that such events might not interfere with school work. This announcement drew hearty applause from the audience.

After the announcements, Mr. Bishop introduced Judge Charles E. Davidson, who addressed the assembly. Judge Davidson pointed to some of the outstanding advantages of Ozona's school system and the town itself, urging by metaphorical example that school children and citizens alike inform themselves of the relative advantages of this and other communities. The meeting closed with the singing of the hymn, "Faith of Our Fathers," by the assembly, after which the pupils passed to their respective rooms and received books for the first semester's work.

## Here's Where You Can Buy Beer After September 15

Although Texas as a whole voted for beer by a huge majority, the map illustrating where beer can be legally made and sold after September 15, looks like a spotted hen. Some counties which voted for beer on the state beer vote refused to allow beer to be sold on the local option vote. Some were already dry and no local option vote was held. Similarly, some were already wet. Within the confines of some counties, beer is legal in some precincts and illegal in others. The above map, drawn from figures gathered by the Dallas News and the United Press, although incomplete, gives a good idea of the wet and dry spots in Texas.

## Ozona Rattlers, Bench Warmers Of Giant Squad, Play Station A Sunday; Giant Regulars Barred From Line-Up

A new name in local baseball circles, but not altogether new talent, will flash its stuff on the local diamond next Sunday afternoon when the Ozona "Rattlers," bench-warmers of the 1933 Ozona Giant squad, or those who saw the play-off series against Texon from the dug-out, engage the Station A crew from near Sonora.

With Elbert Lucas as manager, Lon Jordan as coach, Arthur Kyle as captain, and the great and near great of this and other years of local baseball in the line-up, the Rattlers are whetting their fangs and doing some practice coils this week in readiness for their maiden encounter with the "A" gang Sunday afternoon, starting at 3 o'clock.

Players who had a part in any of the play-off games with Texon are barred from the line-up of the Rattlers—only bench-warmers allowed. Red Greer's safe hit as a pinch hitter in Sunday's debacle at Texon has not been held against him, since that was all the part he had outside of some efficient coaching on bases during the series.

W. T. (Granny) Childress will harness up as backstop for the Reptiles and give the customers an exhibition in the fine art of pickin' 'em off before they grip the sack at second. In the way of pitchers, there's Bus Miller, Tot Grimmer and Walter Kyle, the latter also qualifying as first baseman. Claude Russell, second sacker of no little local renown, will hold down that position for the Rattlers, and Frank Russell, lead off hitter and veteran shortstop in the regular line-up, but who, from lack of practice time, gave up his berth in the play-off series, will hop the grounders between second and third and Vick Montgomery, whose experience in high school and T.C.U. baseball has fitted him for his part, will hold down the third sack. In the outfield there will be Jack Sharp in left field, Beeler Brown in center and Red Greer in right, and Arthur Kyle, as captain, catcher and first baseman, completes the line-up.

A tax of 15 and 25 cents will be levied for admission to the contest and as the teams will be evenly matched, it should be a good game.

Mrs. M. E. Smith has been ill the past few days.

## Football Season Opens Sept. 23rd

Opponents For Opener Not Yet Selected; Practice Starts

Ozona's 1933 football season will get under way here on Saturday September 23, when the Ozona High School Lions, Coach Ted White's young hopefuls for gridiron glory, will trot out for their initial combat of the season.

The opponents for the Lions in their first encounter of the season have not yet been selected, the season's schedule being only partly completed. That date, however, has been selected for the opening game of the season and will be matched later.

Six games have already been matched for the season, Coach White announced. The second Saturday, September 30, is still open but the following one, October 7, will see the Lions in action against the Rankin High School eleven. This will be in preparation for the first district.

## Thalis Elledge Weds Maybelle Carter Of Comstock Here Wed.

Miss Maybelle Carter of Comstock and Thalis Elledge of Ozona were united in marriage at a quiet home wedding solemnized at the Elledge home here at 10 o'clock Wednesday morning, Rev. M. M. Fulmer, pastor of the Baptist Church, performing the ceremony in the presence of relatives.

The bride is the daughter of L. B. Carter of Comstock. Mr. Elledge is a son of Mrs. H. A. Elledge of this city. He is a graduate of the Ozona High School and is employed at present at the Watts Service Station. The young couple left after lunch Wednesday for Del Rio. They will make their home here.

Mr. and Mrs. Clay Adams and Lela Mae Phillips left Sunday for San Antonio where Lela Mae will attend school this winter.

## Ozonans, Unable To Hear From Folks In Storm Area, To Scene

Unable to get word from relatives in the storm stricken Valley area, two Ozonans left Wednesday morning for the Valley to satisfy themselves as to the safety of loved ones.

Pascal Northcutt and Norman Rendall left in Mr. Rendall's car for San Juan and Mission. Mr. Northcutt's parents live in San Juan and Mr. Rendall's two sons are in Mission attending school. Both had made futile efforts to get in telephone or telegraphic communication with the two cities, but the demoralization of communication facilities as a result of the storm made it impossible. Casualty lists from the stricken area so far carried in the daily press have not carried names of members of the families of either of the two local men and it is hoped they will find their relatives safe and sound.

## Sonora Wool Brings 30 Cts.

Bill Miers Big Clip Boosts Market To New High Peak

SONORA, Sept. 4.—Sale of 233,000 pounds of the Bill Miers accumulation of wool at the Sonora Wool and Mohair Company here was announced today. The price, 30 cents, was the peak of the year, in fact harkened back to the boom prices of 1928 and 1929 for an equal.

The record price was set notwithstanding but yet with consideration given the fall clip total estimates which range from 10,000,000 to 12,000,000 pounds as a minimum. Some gauge the probable shearing aggregate at 15,000,000 last fall's yield was but 3,500,000, a fraction of the probable market for 1933 unless rains and other unforeseen circumstances halt shearing which is now under way throughout West Texas. Last spring's total was 65,000,000 pounds.

With arrival in Texas Saturday of C. N. Hillard of A. W. Hillard & Son the market became due for its most pleasant announcement of the year, Hillard completed the Miers deal Sunday.

## SCHOOLS SHOW DECLINE OF 33 IN ENROLLMENT

Removal of Road Work ers Accounts For Attendance Drop

MAY CLIMB LATER

Usual Increase Early In Term To Bring Up Total

A net decline of 33 in enrollment in the Ozona High and Grade School over the opening day last year was noted at the opening of the 1933-34 session of the local schools Monday morning, according to records in the office of Supt. John L. Bishop. The drop in enrollment is accounted for by the removal of several families from this community upon completion of highway contracts.

The bulk of the attendance drop was in the grade school, the high school showing a decline of only four pupils over the opening day a year ago. A slight increase in enrollment is expected before the end of the first month, records showing a normal hike during the first few weeks of school.

Enrollment figures for the Mexican school and for other county schools will not be available until the end of this week.

The opening day enrollment for this year, with the comparative figure on the same day a year ago, for the various grades is as follows:

Kindergarten: 14, last year 14; first grade: 24, last year 28; second grade: 25, last year 30; third grade: 26, last year 25; fourth grade: 17, last year 31; fifth grade: 26, last year 26; sixth grade: 27, last year 26; seventh grade: 15, last year 23; high school: 90, last year 91.

## 60 Present For Missionary Meet

Two Local Societies Combine In Annual Fellowship Day

Approximately sixty ladies were present for the all-day joint meeting of the Woman's Missionary Society and the Young Peoples Missionary Society of the Methodist Church held yesterday at the home of Mrs. Vernon Cox in observance of annual Fellowship Day.

The program was one of the best ever enjoyed by the groups. The session started at 10:30 Wednesday morning and continued until around 3 o'clock in the afternoon. A picnic lunch was served buffet style on the spacious lawn at the noon hour.

The subject for the day was "Making a Better World," and various inspirational talks, reports on missionary work and other related topics carried out the theme. Singing of hymns, special musical numbers, readings and a directed play hour constituted the balance of the day's program.

DANCE STUDIO FOR OZONA

Nancy Lee Dyer, daughter of Mr. and Mrs. Peck Miller, managers of the Hotel Ozona, will spend the winter in Ozona and while here will conduct dancing classes in the Hotel ball room. She has been a successful teacher for four years, conducting classes in Houston, Llano and Fredericksburg and has studied under such teachers as Maestro Mascagno, Alexander Koltchowsky and Theodore Kosloff of New York. Enrollment begins immediately and classes are scheduled to begin September 12, Miss Dyer said.

SCANDALS By THE TOWN GOSSIP

It's been a long time—its sure been a long time since old T. G. has had the pleasure of standing at an advantageous position in the post office and watch the eager and avid expression on the face of each admirer as he emerges with his copy of the Stockman. As is usually the case when T. G. is not seen in print for quite some time, we must lay the blame to the wanderlust which has dogged us for the last three months—taking us to the World's Fair, Niagara Falls and Comstock. Incidentally, we enjoyed the trip to Comstock more than any of the others—it didn't cost quite so much. Incidentally again, we met Rev. Meredith on the "Streets of Paris" (In case you are not familiar with the Streets of Paris, would suggest that you talk to Roy Henderson).

And now we have the epidemic of Red Hair—mothers are filled with alarm at the possible consequences, complications etc.—all high school pupils have instructions from Mr. Bishop to equip themselves with shaded spectacles and it is hoped that the authorities have the matter under control. Dr. Tandy attempts to allay our fears by saying—"do not be alarmed, it is purely phallic,—it is merely the fiery ebullition of tumescent youth."

"Paw, what an advertisement?" "An advertisement," explained the father, "is the picture of a pretty girl eating, chewing, smelling, gargling, smoking, rubbing, wearing or driving something which the advertisers are anxious to sell."

Here's the real reason T. G. did not make an offering for so long a time—we just happened to over-hear this remark in Hancock's Cafe—"They say the good die young, but that certainly doesn't apply to the jokers T. G. conceals."

Blondy Cross tells us that he believes it would be an excellent idea for Ozona to sponsor a baseball team in 1934.

When Eve ate the apple she realized for the first time her nakedness. It looks to us as if it were about time to pass the apples around.

Come by Bill Williams feed store and pick up a few nice friers for that picnic party. (Adv.)

Judge McDonald suggests that there should be an N.R.A. Code adopted for those ministers, magistrates etc. who have authority to perform wedding ceremonies.

Mrs. Thodburg, mother of Mrs. George Montgomery, will leave this week for her home in Marlin after a visit here.

DR. GRANDY RETURNS

Dr. W. A. Grandy, chiropractor, returned last week from Denver and Glenwood Springs, Colo., where he spent a two-weeks vacation and attended the national Chiropractic Convention in Denver. Dr. Grandy has re-opened his offices here and at Sonora.

Mrs. Ben Young was taken to San Angelo late Tuesday afternoon for an emergency operation for appendicitis. She was operated early Tuesday morning and at last reports was getting well. Mr. Young is electrician at the local offices of the West Texas Utilities Company.

Merle Luther, daughter of Mr. and Mrs. C. C. Luther, underwent an operation for removal of her tonsils at the McIntire and Schwartze offices last week.

PAINTING GIVEN SCHOOL

An oil painting done by Mrs. Charles Williams of Ozona and presented to the Ozona Schools has been hung in the living rooms of the Home Economics department at the High School. The picture was included in the district Women's Club art exhibit of West Texas paintings exhibited over various parts of the state last year.

encounter matched so far, that with Junction on the Kimble county lot on October 14. Following this will be another league combat with the Eldorado club at Eldorado, on October 21.

Few Letter Men

October 23 is an open date. On November 4, the Lions will journey to Menard where they will engage that Menard High crew and returning will entertain the Sonora Bronchos on the home grid on Armistice Day, which falls on Saturday this year. The following Saturday, November 18, the Hoek-springs crew invades the Powell Field gridiron and the closing game, November 25, will probably be with Big Lake on the Ozona grid.

Only three letter men are left for this year's crew. Jake Miller, halfback and captain, a one-year letter man, and S. W. Westfall, quarter and one-year man, and B. E. Ingham, four-year man and former guard, who will try out this year for end, constitute the nucleus of vets for this year. J. T. Patrick, and D. A. Parker, however, are reserve letter men, who did valuable work on last year's squad and will develop into first string material this year no doubt. The rest of the squad is all raw material, but a large number are out and Coach White expects to work up a good corps if the number of contenders keeps up.

Game Made Safer

Coach White, who attended the A. & M. Coaching School this summer, says that the coaching school will make for a faster and better game this season. High school football will be more on the type of the game played by college teams this year than ever before as a result of the college training of coaches.

"The new rules tend to make the game safer for players," Mr. White declared. "It is now more of a game than a butcher shop. Fans will get the same thrills, understand, but under the new rules, the game will be less hazardous for the players.

"Accidents are minimized with training. An athlete who is in good condition is several times less likely to be hurt than one who is not in condition. In other words, it's the loafer who gets run over and hurt. Our men are going to be in condition all the time, I believe they are serious and will work hard with me, and I look for few accidents and some fast games. The team needs the backing of the town and I hope we have a good turn-out of fans for the opening game to root for the boys and help them get under steam for the balance of the season."
