Four Injured In Auto Crash Here

Mrs. Harry Friend, Mrs. Sid Schwalbe, Two Children Hurt

Mrs. Harry J. Friend, Mrs. Sid Schwalbe and Mrs. Schwalbe's two small children were injured, some seriously, Tuesday evening when a car in which they were riding collided with another driven by Miss Gladine Coates at the street intersection a block west of the Hotel Ozona.

Miss Coates was driving west and Mrs. Schwalbe, who was at the wheel of the other car, was driving north on the street from the postoffice. The two cars crashed at the intersection, the Friend car being thrown into a telephone post and badly damaged. One of the children suffered a long gash on the foot and the other was cut about the face. Mrs. Friend was cut in several places and badly shocked and bruised. Mrs. Schwalbe was only slightly bruised.

The injured were taken into the home of Mrs. J. J. North where they remained under treatment of physicians.

Missionary Union To Prepare Box For Buckner Orphan Home

The Woman's Missionary Union of the Baptist Church will pack a box next Tuesday to send to Buckner's Orphan Home at Dallas, it was announced this week. All members who will give clothing or any article that can be used are asked to call Mrs. C. J. Watts or Mrs. J. T. Keeton and they will be called for.

Anything that can be used by inmates of the home will be accepted for inclusion in the box.

The Union will meet next Wednesday afternoon at a business and social hour at the home of Mrs. Roy Parker.

MISSIONARY SOCIETY MEETS WITH MRS. PIERCE

The Woman's Missionary Society of the Methodist Church met for its business and social session Wednesday afternoon at the home of Mrs. V. I. Pierce, with Mrs. Floyd Henderson as leader. A paper entitled "The Weaver" by Mrs. Bright Baggett and another by Mrs. N. W. Graham entitled "Nothing to Give?" and a vocal solo by Mrs. Joe Pierce constituted the program.

A round table discussion followed by a business session and social hour concluded the meeting.

Red Cross Field Man Visits Here

Palmer Compliments Local Chapter On Record Of Past Year

C. Edway Palmer, West Texas field representative of the American Red Cross, visited Ozona yesterday and conferred with local chapter heads relative to relief needs here during the coming winter and the annual Roll Call drive which gets under way November 11.

Mr. Palmer is making a tour of this area to check up on possible needs this winter and to render any assistance needed to organize chapters in readiness for the Roll Call. He met with A. W. Jones, chairman of the Crockett County chapter, I. G. Rape, Roll Call chairman, and other officers of the local chapter.

The Red Cross representative complimented the local chapter on the manner in which it has handled its funds and relief work here during the past year. The chapter has made a good record, he said, both in the financial support secured in the annual Roll Call and in the administration of necessary relief.

Government Notables Pay Tribute to Alamo Heroes

This picture was taken directly in front of the Alamo in San Antonio as Postmaster-General James A. Farley read a glowing tribute to those who fell at the Alamo in the heroic struggle for Texas' independence. In the picture, from left to right, are: Major General Johnson Hagood, commander of the Eighth Corps area; Vice-President John Nance Garner, Postmaster-General Farley, Congressman Richard Kleberg of Corpus Christi and Senator Tom Connally.

Merediths Off To Conference Meet

Popular Pastor Stands 50-50 Chance Of Being Returned

Rev. J. H. Meredith, pastor of the Ozona Methodist Church, with Mrs. Meredith, left Tuesday morning for San Antonio to attend the annual West Texas Methodist Conference which opens there today. Rev. Meredith left Tuesday in order to be on hand Wednesday afternoon for a meeting of the Board of Christian Education, of which he is a member. The board has many knotty problems affecting the future of the denominational colleges up for consideration and this meeting is considered one of the most important of the board in several years.

Appointment of ministers to their new charges for the coming year will be read out at the closing session of the conference Sunday night. Rev. Meredith, who has just closed his fifth year as pastor of the Ozona church, stands about an even chance of being returned to Ozona or shifted to another charge. The question of whether or not he will be returned for his sixth year in Ozona and further smash an already broken record will not be answered until appointments are read Sunday night.

The San Antonio conference this year is notable in the fact that it marks the observance of the 75th anniversary of the West Texas Conference. A special program in observance of the anniversary has been arranged for this evening with Dr. Sterling Fisher, Bishop A. Frank Smith and Bishop John M. Moore as principal speakers.

Junior Music Club Elects Officers; Westfall President

S. W. Westfall was elected president of the Junior Music Club of Ozona High School at the last meeting of the group. Other officers named by the organization include Jake Miller as vice president, Morris Miller as secretary-treasurer and Bill Seahorn reporter.

The club enjoyed two vocal numbers charmingly sung by Mrs. H. B. Tandy. Mrs. Tandy sang the "Slave Song" by Del Riego and "Advice" by Carew. "Red River Valley" and "Sleep, Baby, Sleep" were the titles of two vocal duet numbers by Betty and Athlene Dudley, with guitar accompaniment.

1000 CALVES SHIPPED

About 1,000 head of mixed calves are being loaded, put at Barnhart today for Jim Phillips, going to point in Missouri and Illinois. The calves are from herds of P. L. Childress, Steve Perner, Bob Bissett, Jack Holt and Tom Murphy.

Kidnapped Parrot Causes Stir Among Local Law Minions

Tom Casbeer, Crockett County treasurer and deputy sheriff, says he has trailed cattle thieves, automobile thieves, been on the look-out for bank bandits and desperadoes of various sorts, but he had a new experience the first of this week when he was asked to be on the look-out for a couple of "parrot kidnapers."

It seems that a Mr. and Mrs. Boyer, Sheffield couple who had reached the lonely age, were much attached to a parrot, their only companion and household pet, until some body lifted the bird from his roost and were on their way with him.

The old couple in some manner secured a description of the parrot kidnapers and got in communication with the local sheriff's office by long distance telephone with a request that the car in which the two men were riding be stopped and searched. The men were spotted here and their car searched by Sheriff Willis, but Polly was nowhere to be found.

Unable to bear their loneliness nor their anxiety over poor Polly's fate, the old couple drove to Ozona to see for themselves if their pet had been found. Tears streamed down their faces when they learned the sad news that Polly was still among the missing, and sadly they turned toward home.

But a happy reunion is in store for them, for Polly has been found. Mr. Casbeer happened to mention poor Polly's plight in the hearing of Houston Smith and it so happened that Houston had learned that Tot Grimmer and Fatty Kyle

Red Cross Meat Canning Planned

Ranchers Willing To Donate Meat Asked To Call Chairman

Plans for the annual Red Cross meat canning for the purpose of making available a supply of meat for the relief of needy persons during the coming year are being perfected by the Crockett County Red Cross Chapter in co-operation with the local RFC relief committee.

Where volunteer labor was secured last year to do the canning, it is planned this year to use the available government relief funds to employ labor in the canning operations, thus giving work to the unemployed and making ready an available supply of meat for the needy this winter. Approval of this plan is being awaited, however, from the state relief commission at Austin.

The local Red Cross organization, under the direction of A. W. Jones as county chairman, is already making a canvass among ranchmen of this area for meat for canning. A number of goats have already been pledged for this purpose and a plentiful supply is expected to be contributed by local ranchmen, as was done last year.

One thousand cans of meat were put up last year and dispensed throughout the year only in cases of real need. The committee in charge of the distribution of this meat declare that it is worth several hundreds of dollars to the community in meeting relief needs. More goats, a number of sheep and one or more calves are needed to make the same amount of meat available this year and the chapter has issued an appeal to ranchmen who are willing to donate stock for this purpose to communicate with Mr. Jones.

Crockett County Ranchers Start War On Prickly Pear With New Spray And Poison Solution Said To Kill Plant

Ranchmen of Crockett and surrounding counties are preparing to wage war on the prickly pear, the desert rose, the plant that eastern tourists dig up, nurture tenderly, take home to plant in flower beds and the plant that ranchers of West Texas have sought for years to stamp out of existence, unsuccessfully to date.

A battery of "gas" and "ammunition" for this new war, the war on one of the most persistent of range pests, was unloaded here yesterday by a San Antonio manufacturer concerned and ranchers were beginning to arm themselves for battle.

A new type of spray gun and a new poison solution has been de-

veloped by the San Antonio manufacturer and after months of experimentation on the government army reservations in San Antonio, the "artillery" has proved its effectiveness against the prickly pear, and as a result of its work, the manufacturer secured orders for several hundred of the spray guns and more than 2,000 gallons of the poison solution for use in this territory.

The poison solution is said to be an improvement over that developed by research workers of the Extension Service of the A. & M. College, which has been conducting experiments for prickly pear control for years. The poison

OZONA LIONS DOWN STRONG ELDORADO EAGLES 12 TO 7 IN THRILL-PACKED BATTLE

Topping Plans Being Prepared

Contract May Be Let On West Road Soon, Engineer Says

Under an order from the State Highway Department, Exline Martin, resident engineer and his crew, have started work on preparing plans and specifications for the caliche base and asphalt topping on the Old Spanish Trail highway west from Ozona.

The grading and drainage work on this stretch of road has been completed for several months, but for some reason the department has taken no steps toward surfacing the road. No information is available as to the probable date of the awarding of contract on the road, but it is presumed from the order to prepare plans that the contract is being contemplated.

The grade has been completed to the big hill just this side of Live Oak Creek and Mr. Martin says the road is in excellent condition for the caliche base.

Indian Program At Music Club

Group Enjoys Unique Program In Meet At Carson Home

Members of the Ozona Music Club enjoyed a most interesting and unique Indian program at the last meeting of the club Thursday at the home of Mrs. Ira Carson, with Mrs. W. S. Willis as assisting hostess. The guests entered upon a picturesque Indian setting grouped about the fireplace, an Indian wigwam set among trees and brush being the center of the picture. The wigwam floor was covered with bright Indian rugs and gaily colored pottery.

Guests from the Junior Music Club in Indian costume rendered three numbers typical of Indian Music. Billy Grimmer played a piano number, "Indian Dance in the Firelight" to open the Junior program. An Indian story, "Why the Baby Says Goo" was an original dramatization with Betty, Billy and Mary Jeanette Grimmer, assisted by Joy Coates, Mary Louise Perner and Margaret Russell. An Indian song, "Little Papoose," by the same group was directed by Mrs. W. N. Hannah.

Mrs. Arthur Hoover captivated her audience with a reading, "The Famine" from Hiawatha. Especially did the club enjoy a vocal solo, "Wi um" by Mrs. Bob Weaver and

Parliamentary Drill Constitutes Program Woman's Club Meet

Mrs. W. R. Baggett was hostess to the Ozona Woman's Club at her ranch home Tuesday afternoon with fifteen members present. Mrs. W. J. Grimmer conducted a most interesting parliamentary program in which a humorous motion was introduced and carried through all its phases. Mrs. Ira Carson, president, was elected delegate and Mrs. A. C. Hoover, alternate, to the state convention of the federated clubs to be held in Austin next month.

Ice cream and cake were served to the following guests: Mrs. George Bean, Mrs. Ira Carson, Mrs. P. L. Childress, Mrs. Vernon Cox, Mrs. N. W. Graham, Miss Elizabeth Fussell, Mrs. W. J. Grimmer, Mrs. J. W. Henderson, Mrs. A. C. Hoover, Mrs. J. C. Montgomery, Mrs. Joe Oberkamp, Mrs. V. I. Pierce, Mrs. W. E. Smith and Mrs. Evart White.

Ozona High School's Lions covered themselves with glory and got back in the running for the district championship last Saturday on the Eldorado gridiron when they surged over the tough Eldorado Eagles for the winning touchdown in the last few minutes of play after having trailed by one point from the second quarter.

It was one of the most thrilling grid battles of the year. The Lions were superior by three touchdowns to the Eldorado eleven, but lacked the necessary punch to put the ball over when in scoring position. The locals were credited with thirteen first downs to Eldorado's five and the Lions penetrated their opponents' 20 yard line four times while the Eagles invaded Ozona's danger zones but twice in the game.

Both Score In Second

Both teams scored a touchdown in the second quarter. Eldorado kicked off in the opening quarter and after a bad pass from center, Westfall attempted to kick and the boot was blocked on Ozona's 31 yard line. A charge at the line produced no results and a 12-yard pass was good for a first down. Then the Lions stiffened and held the Eagles on their own 19 yard line. A punt this time got the locals out of their own territory only to be put back by an Eldorado kick. The touchdown march began on the Lions 20-yard line, with Westfall and Jake Miller doing most of the ball lugging in the lineplays and Coates taking Westfall's 15-yard pass to put the ball on Eldorado's 20-yard line at the end of the quarter.

Baptist Sun. School Goes Over Top In Its Mission Day Program

The Ozona Baptist Sunday School went over the top on its offering and fell only a few short of attaining its attendance goal in the special state missions rally day Sunday morning, according to the report of the superintendent, A. W. Jones. The offering was a little better than \$50, the goal set, and the total attendance was 127. The attendance goal had been set at 150.

An interesting program in observance of State Missions Day was presented. A playlet, "The State and Its Opportunities," was presented under the direction of Mrs. C. J. Watts. Characters were represented by Mildred Davis, Ernestine Watts and Alberta Kay.

34 Additions From Methodist Revival

Flowers Close Highly Successful Meeting Sunday Night

A total of thirty-four persons united with the Ozona Methodist Church and an additional fourteen professed and will later unite with some church in the city as a result of the two-weeks revival meeting concluded Sunday evening by Rev. and Mrs. R. L. Flowers at the Methodist Church.

Eighteen of the new additions to the church were received by baptism, thirteen by vows and three by letter.

Rev. and Mrs. Flowers attracted large audiences for each service and the meeting was declared one of the most successful ever held in the local church. The revival offering, taken during the concluding days of the meeting, was unusually liberal, the pastor, Rev. J. H. Meredith, reported.

Rev. and Mrs. Flowers left Monday for their home in Denton, Texas, where they will rest this week and will go next week to Liberal, Kans., where they are scheduled to conduct a meeting.

THURSDAY, OCTOBER 26, 1933.

ECONOMIC HIGHLIGHTS

The Federal government has started a planned and aggressive drive for credit expansion. The drive takes many forms. One is renewed efforts to open banks which remained closed after the banking moratorium. Another is to make possible greater credit freedom in banks which are open but are still operating under restrictions.

During the last half-year business production has shown steady and sharp rises. Between March and September, according to a New York Times graph, the general barometer went from about 60 to 79, the high of 87 being reached in mid-July. On the other hand, the amount of credit available for financing this production has changed very little. In March it stood at 16 billions of dollars, and in September at 16 1/2 billions.

Secretary of Agriculture Wallace, the personnel of the A. A. A. (Agricultural Administration Administration), and everyone else in a responsible position in one or another of the departments whose mission in life is to find a place for the farmer in the necessary parade, are in a tough spot. Today it costs the consumer—farmer or city dweller—about 13 per cent more to buy most necessities of life than it did in June, when the recovery program was still largely in the planning stage.

As a result, the A. A. A. came out the other day with an announcement to the effect that it opposed overly rapid rises in the cost of manufactured goods.

There is an interesting editorial in a recent issue of the Tri-State Tribune, Picher, Okla.

It talks about a matter which rarely concerns the mind of the average citizen—the fire hose which is so important to the protection of the property and lives of himself and his neighbors.

Before the editorial was written there was a fire which threatened the entire business section of the city. The fire department did excellent work—but it was seriously hampered because it had but 600 feet of hose.

From the retailer's standpoint, September opened fairly well and closed better, according to Dun & Bradstreet. The upward trend has become better established, and consumer buying, long lagging, is more vigorous.

Other retail fields where the experience is favorable, include shoes, millinery, jewelry and men's clothing. A number of woolen mills have booked orders that will keep them busy to the end of the year.

A DANGER SPOT IN THE COMMUNITY

There is an interesting editorial in a recent issue of the Tri-State Tribune, Picher, Okla.

It talks about a matter which rarely concerns the mind of the average citizen—the fire hose which is so important to the protection of the property and lives of himself and his neighbors.

Before the editorial was written there was a fire which threatened the entire business section of the city. The fire department did excellent work—but it was seriously hampered because it had but 600 feet of hose.

Fire department modernization is made possible, along with other public works, in the great federal public works bill. There is no better place to spend money—there is nothing that will bring the taxpayer a greater return for his outlay.

Mrs. Floyd Wyatt and children, Frank, Willens and Lorraine were San Angelo visitors last Saturday.

NEW DEAL'S DECALOGUE

One of the new Assistant Secretaries of State is Harry F. Payson, of Cleveland, who, in a recent speech, laid down the Ten Commandments of the New Deal, partly as follows:

- First—Thou shalt not live, my dear country, beyond thy means. Second—Thou shalt not lose confidence in thyself or thy great strength. Third—Thou shalt not make Mammon thy god but neither shalt thou be unmindful of thy monetary system, lest it destroy thee. Fifth—Thou shalt not make

Baptists Observe 100th Anniversary

Texas General Convention To Celebrate Century Of Work

Dallas, Tex., Oct. 25.—The Baptist General Convention of Texas which will hold its eighty-fifth annual session at Fort Worth beginning November 7th, will this year celebrate the one hundredth anniversary of the beginning of Baptist work in Texas. The Convention program will give large space to "Our Century of Progress," and will present the story of the first Baptist organization in Texas. This church was organized in Illinois and moved to Texas as a unit, crossing the Sabine River in November 1833.

Dr. J. Howard Williams, General Secretary of the Convention, announces that Texas Baptists will celebrate their "Century of Progress" with a great Mission Offering amounting to \$134,000. Some \$50,000 of this fund has already been paid in, and Dr. Williams expressed himself as being very hopeful that Texas Baptists would raise the remaining \$84,000 within the next two weeks.

During this fall Texas Baptists have held 107 Associational meetings all over Texas, with record attendance in almost every instance, demonstrating the progress of the past century. When the first organized group of Baptists came into Texas one hundred years ago, there were less than fifty Baptists in the State. At this time there are more than five hundred thousand white Baptists, and a total of more than a million of all races according to Dr. Williams.

At the Fort Worth meeting, representatives from various mission fields will speak of the work Baptists are doing there, and the Convention will receive reports from the work of Baptists all over the world. More than five thousand visitors are expected to attend the Convention.

"I'll examine you for \$10," said the specialist.
"All right," said the victim, "and if you find it I'll give you half."

Specialist: "You are suffering from nerve exhaustion. I can cure you for \$1,000."
Patient: "And will my nerve be as good as yours then?"

Money In Poultry

Starting with what they are sitting on, Will Wessie (right) of Westgate, Goldsboro county, Texas, has used egg profits to build modern Texas A. and M. College type poultry houses. Profits began rolling in soon after better poultry management was adopted and he became a poultry demonstrator with K. J. Edwards, county agent, (left) in 1928. For the year ending October 31, 1932 Mr. Wessie sold \$11,744 worth of poultry products produced at a feed cost of \$181.52. Flocks averaged 168 eggs per hen per year. He gets a 2-cent premium for having fresh intestine eggs.

Rabies As Prevalent In Winter As Summer, Health Dept. Declares

Austin, Tex., Oct. 25.—The State Hygienic Laboratory of the State Department of Health received over two thousand animal heads during the past year for examination to determine whether or not the animal had rabies. Luckily, only about one-fourth of the heads received were positive for rabies. Three hundred and twenty-seven persons were given treatment at the State Laboratory others were treated in their home towns.

Rabies is transmitted to man through a bite or having a cut exposed to the saliva of a rabid animal. Bites through clothing are not as dangerous as bites on exposed surfaces, because the saliva is wiped off as the tooth passes through the cloth.

If a person is bitten, the offending animal should be penned, if possible, for a period of ten days. If the animal is normal at the end of that time, the case can be dismissed. If it is necessary to kill the animal, this must be done in such a manner that the brain is not destroyed. If it is, an examination to determine whether or not the animal had rabies will be impossible. If the head is sent to the Pasteur Institute, care should be used in properly icing it to prevent decomposition.

Rabies is commonly supposed to be a disease of warm weather, but the warmth of weather has no influence on the disease. On the contrary, rabies is more prevalent during the winter months because exposure to the cold lowers the resistance of the animal. It is true that more dogs are killed during the summer months, but the percentage of rabies is low.

"We have been reading about girls with adorable backs, tiny, beautiful arms, and other physical attractions. Does anybody know one who can make a good pie?"

Doctor (meeting former patient on the street): "Good morning, Mr. Binks, how are you feeling?"
Mr. Binks (cautiously): "Doctor, will it cost me anything if I tell you?"

A Modern Home-Manager Advises an Investment in Electric Cookery

"We modern Home-managers are on the lookout for wise investments nowadays . . . investments that bring returns of full value. That's why we're so enthusiastic about the automatic Electric Range . . . the last word in modern cookery! It offers dividends of happiness, convenience and leisure. It brings a new tastiness to every meal . . . its economy has helped balance many a hard-pressed family budget. . . . And modern Electric Cookery is so clean, so cool, so easy and so consistently productive of perfect results. . . . Is it any wonder that we consider it one of the wisest investments we can make?"

Styled for the modern home . . . built to serve for years . . . up-to-the-minute in every appointment . . . priced in accordance with the modern need . . . and available on a surprisingly easy payment plan . . . the Electric Range affords a tremendous return in satisfaction for only a few cents worth of electricity a day. Ask for startling facts and figures about modern Electric Cookery. A trained representative will be happy to arrange an interesting demonstration for you.

Call us for an individual investigation of your use of electric service, to determine the cost of cooking by electricity in your home. You may be surprised to know that there are many cases where electric cookery actually decreases the total of electric and gas bills.

West Texas Utilities Company

It Works!

Many are the inventions to find gold, oil, or other treasure under ground, but here is one that works. W. G. Leazar of Kerrville, Texas, is pictured above with his invention, the "Radio Metal Finder," with which he located an old iron pot two feet under ground. The pot was buried under rocks, and dug on the banks of the Guadalupe river near Kerrville and contained a number of gold coins. Leazar says his finder is most accurate, missing the actual location of the pot only a few inches.

CITATION BY PUBLICATION OF FINAL ACCOUNT

THE STATE OF TEXAS, To the Sheriff or any Constable of CROCKETT County Greeting: That John L. Fogarty, Administrator of the Estate of Allen W. And they provide SAFE relief—for Genuine BAYER ASPIRIN does not harm the heart. So if you want QUICK and SAFE relief see that you get the real Bayer article. Look for the Bayer cross on every tablet as shown above and for the words GENUINE BAYER ASPIRIN on every bottle or package you buy.

Member N.R.A. GENUINE BAYER ASPIRIN DOES NOT HARM THE HEART

Find Poem Written By Mirabeau Lamar Third Gov. of Texas

Austin, Texas.—An unsigned poem by Mirabeau B. Lamar, third governor of Texas, has been discovered by Dr. Philip Graham, University of Texas adjunct professor of English. Dr. Graham has written an article on the poem which is published in the current number of "Studies in English," a bulletin written and edited by members of the University English faculty.

This poem, entitled "Beauty," appeared with three others in The Texas Republican, a weekly newspaper printed at Brazoria, 1834-36. All four poems bear the initial signature "Z." The other three, "Song," "Give to the Poet His Well Earned Praise," and "Stanzas" were later republished by Lamar in his "Verse Memorials," but "Beauty" did not appear in any of Lamar's publications.

The poem follows: BEAUTY Round love's elysian bow'r The softest prospects rise, There bloom the sweetest flow'rs, There shine the purest skies. And joy and rapture gild awhile, The cloudless haven of beauty's smile.

Round love's deserted bow'r Tremendous rocks arise, Cold mildews blight the flow'rs, Tornadoes rend the skies.

And pleasure's waning moon goes down, Amid the night of beauty's frown.

Then Youth, thou fond believer, The wily siren shun, Who trusts the fair deceiver Will surely be undone.

When beauty triumphs—ah, beware! Her smile is hope, her frown despair.

"Lamar came to Texas during the late spring or early summer of 1835," Dr. Graham pointed out in his article. "As early as January of that year he was in Alabama en route to Texas, and at some time in July or in August of that year he was in Nacogdoches, Texas. There is no evidence that he was in Brazoria when

Old Texas STICKS STANOLA THE CROWN JEWEL AUSTRALIA BURY IN TEXAS! PERRY DAVIS LIVES ON THE CORNER OF PERRY STREET AND DAVIS AVENUE. -TODAY'S NEWS

'Beauty' was published, July 4, 1835. It seems most likely, however, that he was in communication with the editor of the Republican even before arriving in the State, for a copy of the paper for December 13, 1834, appears among the Lamar papers.

INTERMEDIATE B.Y.P.U. Program for Sunday, October 29

BATTERY RADIO SETS

We have been informed by factory representatives that the new Battery Sets will be available for display in about ten days. We have placed a rush order for two models of these new and different radios and will have them here in ten days or two weeks.

The new battery sets are marvels of radio perfection. They embody the new principle in radio reception and surpass all previous efforts of radio engineers. Watch for the new battery sets. Priced at \$47.50 and \$67.50.

Most Powerful Radio Ever Built Will Be On Display at our Store Next Week See It! Hear It!

FORGET OUR LOW PRICE! CONSIDER MILEAGE

YES, let's forget, for a moment, that we quote such low prices. Let's consider quality, for we know you want the best.

You marvel at STAR'S speedy rise to popularity and a place of leadership. You hear so much about the progress of Hicks-Star in the tire and battery field.

Do you think that low price alone has built our business? No, price without quality can't do the job.

It takes quality, mileage, and USER-praise to reach the pinnacle in any field.

That word "quality" . . . what is your idea of it? With us, it is more than a word to use in advertising. We have a hunch our conception of quality is identical with yours. Check the quality points at the right. Measure STAR products accordingly.

Miles, & Lots of Them, Are Selling STAR Tires

WHEN USERS RAVE about the performance of Star Tires, we see no need to indulge in claims. And if you will check tire prices, you will find that we have

the price that will show you a saving at the time of purchase; we have the tire that assures another saving, in the form of greater mileage.

THE YARDSTICK OF QUALITY

Check Star Tires Against These Definitions of Quality

- A product from which YOU derive more value and more improvement than from all other similar products. A product whose advantages set it apart and cause YOU to take real pride and satisfaction in its acquisition. A product whose service and performance makes YOU glad you bought it. A product about which YOU can exclaim: "It's better than the advertisement said it was." A product that enlists YOU in a sincere word-of-mouth campaign, which is the most powerful of all advertising. A product that is neither "cheap" nor "dear," but which YOU are buying at a price that's RIGHT.

Trinchera Sets New Arlington Downs Record

The enterprising cameraman here to-day has secured a fine picture of the exciting horse race which took place at the Arlington Downs, Texas. The horse in the lead is Trinchera, who is running three lengths ahead of Liberty Limited to win the Port Worth handicap. Saturday had set a new record of 1:30 3/5 and was 2:00 for his owner, T. C. Woodson. Twelve thousand people attended the race meet Saturday, and thousands more will have a try at parimutuel betting made legal by Texas today, before the Arlington closing is over November 13.

P.T.A. School Of Instruction Being Held Here Today

Mrs. Thomas Head of San Angelo is here today conducting a school of instruction for the benefit of members of Parent Teacher Association in this area. Members of Parent Teacher Associations of El Dorado, Barnhart, Sonora and Powell Field are here to join the membership of the local association in taking advantage of the programs.

The local P.T.A. served a luncheon for visitors in the basement of the Methodist Church at noon today.

Mr. and Mrs. R. C. Clayton, Mr. and Mrs. Ralph Clayton, Mrs. Scott McMahan and Mrs. C. B. Stevens, all of Magnolia, Ark., have been the guests of Dr. A. W. Clayton and Mr. and Mrs. Warren Clayton on the ranch east of town. They have also visited other relatives including Mr. and Mrs. Floyd Henderson, Mr. and Mrs. Scott Peters, and Mr. and Mrs. Jake Short. They left Monday.

SUNFLOWER CLUB

Mr. and Mrs. Clinton Glover entertained members of the Sunflower Bridge Club at the home of Mrs. N. W. Graham Tuesday evening. Halloween decorations were used. High score prizes for the club went to Miss Hester Bunger and Evert White and guest high to Mrs. R. L. Flowers and Dr. H. B. Tandy. Those enjoying the evening were Mr. and Mrs. Charles E. Davidson, Jr., Mr. and Mrs. R. L. Flowers, Dr. and Mrs. H. B. Tandy, Mr. and Mrs. Evert White, Miss Hester Bunger, Mrs. Walter Augustine and Jake Young.

Carl North left yesterday for San Angelo where he will undergo an operation for removal of his tonsils. His mother, Mrs. J. J. North accompanied him.

A full cup must be carried steadily.

Prompt service on magazine and newspaper renewals through The Ozona Stockman. Money saving special prices in newest list just received.

SUNFLOWER CLUB

Miss Hester Bunger entertained The Sunflower Club and a number of guests with four tables of bridge at her home Tuesday afternoon. Mrs. J. W. North won club high. Mrs. Douglas Kirby, guest high and Mrs. Ralph Meinecke, second high. Other guests were Mrs. W. E. Friend, Jr., Mrs. Gertrude Perry, Mrs. Chas. E. Davidson, Jr., Miss Blanche Robison, Miss Wayne Augustine, Mrs. Clifton Brooks, Mrs. Epperson, Mrs. R. L. Flowers, Mrs. Marshall Montgomery, Miss Mildred Davis, Mrs. Beeler Brown, Mrs. Frank McMullen and Mrs. Jake Short.

MODERN SWAPPING

"What are you going to give Joe for his birthday?"

"The necktie I gave him last Christmas."

"How can you give him something he already has?"

"He hasn't got it. He gave it to me for my anniversary."

Co. Interscholastic League Offers School Variety Of Contests

The Interscholastic League of this county offers the schools this year a variety of contests, according to Mr. John I. Bishop, recently elected Director General of the organization for the current school year.

"No other extra-curricular activity," he said, "engages the interest and stimulates endeavor along helpful lines more than the contests which are scheduled for the county meets. Here we have an activity for practically every child. There is opportunity for participation in fifteen different fields, both athletic and literary, ranging from the third grade on up to the last year in high school."

"We are advised from the State Office that the Constitution and Rules is ready for distribution and that applications for membership are coming in from schools in all parts of the state. The schools in this county should get in on the ground floor and begin preparations early. Each school that joins is given a copy of the Constitution and Rules, a copy of the current spelling list and is entered for a year's subscription to the Interscholastic Leaguer. Last year nearly six thousand schools joined the League and participated in its work in 220 different counties. There are contests arranged for every class of public school, including rural, ward, and both small and large high schools, and all-round championships are decided in each of the divisions at the county meet."

False Economy—

It is false economy to be without a telephone. The saving in gasoline, used when you have to drive to the store for your supplies or to your friend's house for that little "visit," will pay your telephone bill. And the added convenience and saving in time will be pure profit.

SAN ANGELO TELEPHONE CO.

Atmosphere

The novelist when he describes a setting creates an atmosphere, as it is described. Nations have an atmosphere, towns have an atmosphere, homes have an atmosphere, stores have an atmosphere—a personality if you please.

In the case of stores there's the atmosphere of friendliness, of integrity, of dignity and of progressiveness. The opposite is likewise to be found—an atmosphere of sullenness, of deception and false claims and shady practices, of slovenliness and run-down-at-the-heel appearance.

The atmosphere of a store—the personality of it—makes you like or dislike to trade there. By keeping constantly on the alert to maintain an inviting appearance, friendly and helpful personal service and the best available stock of goods at a small margin of profit, we believe we are justified in the belief that we have created an atmosphere in our store that makes it more pleasant for you to shop. If we have not, we have sincerely tried and we would welcome your suggestions for further improvements. We grow with and for Ozona—we have no other purpose.

Ozona Lions—

(Continued from Page 1)

Three more punches at the Eldorado line netted a first down on the 8-yard line and Westfall in two more line plays advanced it to the two-yard line. Then a bad pass from center resulted in a fumble, but Westfall covered the ball over the goal line for the first touchdown. The try for point failed, and the score was 6 to 0.

An exchange of punts proved unfavorable to Ozona and the Eagles took the ball in midfield near the end of the second period and started their march for a touchdown. Taking advantage of a momentary weakness in the Ozona line, the Eagles made a first down on the plays. A few short passes put the ball on about the 30 yard line and then a long pass sailed to the Ozona goal line and an Eldorado end jumped from among a swarm of Ozona tacklers and snatched the pass to put the ball on the one-yard line. A line buck was good for a marker and a place kick squarely between the goal posts converted to put the Eagles in the lead by one point.

One Foot Needed

The third quarter was uneventful, neither team being able to gain a decided advantage. Holding the Eagles for downs near mid-field, the Lions took the ball over and Westfall shot a long pass that was caught by Patrick on Eldorado's 35-yard line. Westfall ripped off five yards off tackle. Miller added two more the same route and then Westfall crashed thru for a first down on the 24-yard stripe. Dub made six more yards in an off-tackle thrust and Miller failed to gain on a line play. A pass failed to connect, but an off-side penalty gave the locals a first down on the 15-yard line. A pass, Westfall to Miller, was good for 10 yards, but the play was called back and the Lions penalized for off-side. Another pass by the same combination put the ball on the 10-yard line and Westfall ripped off half the distance to the goal in an off-tackle play, and it was first down on the five-yard line. Miller advanced it three yards but three more bucks at the line failed to get the job done and the ball went over on the one-foot line.

The Eagles kicked out of the hole, but were soon in another one. Patrick took the kick and was down on the Eagles' 30-yard line. Here another march began. Three successive passes made it first down on the 20 yard line and another pass was good for a first down on the 9 yard line. Miller taking Westfall's heave. Two line plays netted only four of the remaining yardage to the goal marker, and Westfall took a desperate chance and called Miller for a short pass to Ingham. Ingham caught the ball a foot or two from the goal line and stepped over for the winning touchdown. Again the try for the extra point failed and the score was 12 to 7, the game ending a few seconds later with that count.

Second Team Loses

Following the first string game, the Cubs and the Eagles, second string teams of Ozona and Eldorado, engaged in combat, the Eldorado lads taking the contest by a 7 to 0 count.

The Lions will rest this weekend and the following Saturday, November 4, will journey to Menard to engage that eleven in another district contest. Junction, the team which defeated the Ozona Lions a week ago last Saturday on their own soil, are slated to take on the Eldorado eleven at Eldorado next Saturday. Should Eldorado beat the Junction lads,

Crockett Ranchers

(Continued from page 1)

formula can be made up at less than half the cost of the A. & M. formula, the manufacturer claims, and the results are as effective. The concern also manufactures the prickly pear stabbers on contract for the A. & M. College, a refinement of the home-made stabber exhibited here several months ago on a visit of field men from the College who were experimenting on pear control work.

The poison spray is said to have killed cactus on the government reservation in San Antonio in twelve days. The plants were dug up and were found to have rotted to the roots, according to W. M. Chambers, representing the manufacturer, who was here yesterday delivering the sprayers.

Extirpation of the prickly pear would mean an annual saving of thousands of dollars to the ranching industry. In sections where the pear is prevalent, ranch men suffer considerable losses each year from worms infesting sore mouths of pear eaters, from death of lambs of pear eating ewes and from shrinkage of animals that eat the spiny plant.

Kidnapped Parrot—

(Continued from Page 1)

that two Ozona young men, had captured a stray parrot in the flat south of Ozona and had the bird caged.

So, Mr. Casbeer dashed to the telephone and conveyed the happy tidings to the distraught couple in Sheffield and they left immediately to reclaim their pet.

But the arch criminals, the degenerate parrot kidnapers, escaped the clutches of the law, and left the Crockett deputy wondering if the Lindbergh law would have applied had he been successful in capturing the pol parrot pilfering pair.

J. M. Hefner of the Powell Land Company of Dallas, administrators of the E. M. Powell estate, was a business visitor to Ozona this week.

and those who have seen both teams in action say they have an even break, it will put the Lions back in the championship race and their chances are bright for straight victories from now to the end of the season.

Polyphonic Music To Be Studied At Next Music Club Meeting

Polyphonic music will be the subject of study at the next meeting of the Ozona Music Club, to be held next Thursday at the home of Mrs. Victor Pierce, with Miss Wanda Watson and Mrs. Alvin Harrell as assisting hostesses. Mrs. W. S. Willis will be the program leader.

The program will be as follows: Meaning of Polyphonic Music and how it may be Analyzed. Illustrated with Bach two-part Invention No. 1—Miss Maxine Murdock.

Comparison and Differentiation of the Prominent Traits of Bach's and Handel's Style of Composition—Mrs. W. J. Grimmer.

Piano Solo—"Well Tempered Clavichord"—Bach—Prelude No. 1—Miss Aileen Hampton.

"Largo"—Handel—Octet—Mrs. Bryan McDonald, Mrs. H. B. Tandy, Mrs. Joe Oberkamp, Mrs. Vernon Cox, Mrs. B. B. Ingham, Mrs. R. R. Dudley, Mrs. John Bailey and Mrs. Bright Baggett.

"My Heart Ever Faithful"—Bach—Mrs. F. T. McIntire.

"Acht Volgers"—Robert Brown—Mrs. Lowell Littleton.

Piano Duet—"Harmonious Blacksmith"—Handel—Mrs. Alvin Harrell and Mrs. S. M. Harvick.

"Meditation"—Bach—Gounod—Chorus.

Choral Practice.

BAPTIST CHURCH
Sunday, October 29, 1933

Last Sunday was a Red Letter Day in the Sunday School. It was State Mission Day and the offering went for Missions in Texas. Our Goal for the offering was \$50.00. We went over the top, the total offering amounting to \$55.36. There were 127 present and while a little short of our goal it was a good attendance and well beyond our average. Next Sunday is World's Temperance Sunday, the theme, "The Christian and Personal Liberty." Sunday School opens at 9:45. We need this study at the Word.

Preaching: Morning 11:00 a. m. Subject, "Salvation is of the Lord." Evening 7:30, Subject, "Gambling at Golgotha." Special music by choir at both hours. We extend a special invitation to the Methodist people to visit with us since their pastor is away at the Annual Conference. We trust you will attend and receive a great blessing.

The B.Y.P.U.'s will meet at 8:30 in their rooms. "To Train in Christian Service" is their object and

Indian Program—

a vocal solo, "Her Blanket" by Mrs. Bryan McDonald. Piano solos by Mrs. Victor Pierce, Mrs. W. N. Hannah and Miss Aileen Hampton were also enjoyed.

Sponsors of the high school Junior Music Club, Miss Maxine Murdock, Mrs. H. B. Tandy and Mrs. S. M. Harvick, reported great enthusiasm on the part of members of the Junior group. An operetta is now being worked up by the group for presentation sometime next month.

Mrs. Bryan McDonald was elected a delegate from the local club to the district convention of music clubs to be held in Eastland November 7 and 8. Mrs. Paul Perner, president, and Mrs. Bascomb Cox and Mrs. Joe Pierce, board members, also plan to attend the convention if possible as do Mrs. Vernon Cox, Mrs. Joe Oberkamp and Mrs. S. M. Harvick. The local club has been invited to contribute a choral number at the Eastland convention.

A cordial invitation from the San Angelo club to the Ozona Music Club to attend and have a part in the program in that city on January 25 in honor of the poet Robert Burns, was read to the club.
