STOCKMEN TO MEET ON NEW FINANCE PLAN

Fed Farm Loan Branch Plan Fails; Seek New Credit Channel

MEET MON. NOV. 13

Plan To Form Production Credit Corp. Assn. In Angelo

Efforts of a committee named by ranchmen at a recent mass meeting in San Angelo to secure establishment at San Angelo of a branch of the Federal Farm Loan Bank having failed, the committee has issued a new call for another meeting of producers in San Angelo next Monday for the purpose of considering other plans for providing credit facilities in the producing areas.

The committee, named at the San Angelo meeting October 20, went to Houston and here conferred with Dr. W. I. Myers, deputy governor of the Federal Farm Loan Administration, Geo. M. Erennan, Intermediate Credit Bank commissioner, S. M. Garwood, Production Credit Corporation Commissioner, and directors of the Federal Farm Loan Bank of Houston. The committee was composed of W. F. Eggers, chairman, Sol Mayer, Tully Garner, Houston Harte, Roy Vance, James Cornell, Brown F. Lee, P. L. Childress and Culberson Deal.

Suggest "Master Assn."

Decision on the question of whether or not the suggested establishment of a "Master Association of the Production Credit Corporation" in San Angelo, to serve from 50 to 100 counties in this area, will be followed up is expected to result from the called meeting on the roof garden of the St. Angelus Hotel at 10 o'clock Monday morning.

In an open letter to livestock producers, the committee outlined the result of its meeting in Houston with the government officials and the new plan for bringing credit facilities to the livestock producing area. The letter, in part follows:

"It was not denied that the power to establish the branch of the Federal Farm Loan Bank at San Angelo still existed, yet each and every one of the men from Washington, named above, discouraged the effort and left the Committee without hope that such branch would be established.

"It is the opinion of the Committee that it would be folly to pursue the efforts for the establishment of such a branch.

Principals in Valley Political Slaying

CUELLAR YBARRA BECK HILL
A political feud of long standing in the Lower Rio Grande valley of Texas has reached newspaper headlines again when two Mexicans have allegedly confessed to the killing of Claude Kelley, son-in-law of Ed Couch, prominent county judge of Hidalgo county. The Mexicans, Mateo Cuellar and Julian Ybarra, are alleged to have admitted that they thought they were killing Judge Couch, since Kelley was sleeping in Couch's room at the time of the slaying in 1929. Others held in connection with the slaying are Cam Hill, former county clerk in connection with the slaying, and George Beck, treasurer of Hidalgo county, now of El Paso, and George Beck.

Has It Been * * * * * THAT LONG? * * * * *

Although Rev. J. H. Meredith has been pastor of the Ozona Methodist Church long enough to be considered an "old timer" in these parts, The Stockman in last week's issue failed to give him credit for one of his years as a citizen of Ozona.

Rev. Meredith served out his sixth year as pastor here last month and was returned by the West Texas Conference for his seventh year, which he is now serving. This reporter, being bad at figures, miscalculated the tenure and had him returned for his sixth term. Temous does it right.

Offers Prizes For First Deer

Oberkampff To Give Radio, Other Prizes To Lucky Hunters

Crockett County hunters who go out after that buck this year will have more than the sport and the meat to urge them on, for Joe Oberkampff has posted an offer of three valuable prizes to the first three hunters who bring down a buck and exhibit the kill in front of the Oberkampff store.

First prize, for the buck with the greatest number of points killed during November, will be a \$65 pair of field glasses. For the first buck of the season, Mr. Oberkampff is offering a skinning knife and to the second lucky hunter he is offering a bolt with sterling silver buckle. Bucks must be exhibited in front of the Joe Oberkampff store.

Deer and turkey season opens November 16 and continues thru December 31. The bag limit on deer is two bucks a season except blacktail or mule deer, west of the Pecos River, only one a season. The open season on blacktail deer west of the Pecos is from Nov. 16 to Nov. 30. The bag limit on turkey is three gobblers a season. Duck season, which opened November 1, will continue until December 31. Quail season opens in both the north and south zones December 1 and continues until January 16. One bear may be bagged a season from Nov. 16 to Dec. 31. There is no open season on plover under federal regulations.

Mr. and Mrs. J. W. North are visiting in San Antonio.

Schools Observe Armistice Day

Public Invited To Attend Memorial Service Friday

The fifteenth anniversary of the signing of the Armistice which brought the bloodiest war in history to a close will be fittingly observed by the Ozona schools in a special Armistice Day program in the auditorium of the High School Friday afternoon beginning at 2 o'clock, it was announced yesterday by John L. Bishop, superintendent.

An impressive program has been arranged, in the nature of a memorial service, and the public is cordially invited to attend. The complete program will be as follows:

- "America"—Assembly.
- "Armistice Day"—O'Brien—Sam Glover.
- Songs of 1918—"Long, Long Trail," "Over There," "Smiles," "Pack Up Your Troubles," etc. Directed by Miss Aleen Hampton, with Miss Norene Allison at the piano.
- "The Unknown Soldier"—Imogene Baker.
- Song—"Keep the Home Fires Burning"—Assembly.
- "Armistice"—a Talk—Rev. L. N. Moody.
- "In Flanders Field"—Helen Adams.
- "I Have a Rendezvous with Death"—Willie V. Coose.
- "Star Spangled Banner"—Assembly.
- Benediction—Rev. J. H. Meredith.

Ozona Music Club Delegates Attend Dist. Convention

Ten members of the Ozona Music Club left Monday for Eastland where they attended the district convention of Music Clubs held there Tuesday and Wednesday.

The Ozona group was given a place on the convention program for special and chorus numbers. The local singers were drilled under the direction of Mrs. Bryan McDonald, director of singing for the Ozona club.

Included in the delegation attending the Eastland convention were the president, Mrs. Paul Perner, Mrs. McDonald, Mrs. Victor Pierce, Mrs. Joe Pierce, Mrs. Joe Oberkampff, Mrs. Neal Hannah, Mrs. Bob Weaver, Mrs. Vernon Cox, Mrs. L. B. Cox and Miss Maxine Murdock.

JUNIOR MUSIC CLUB TO GIVE OPERETTA

An operetta entitled "Way Down South" by Stephen Foster will be presented by the Ozona Junior Music Club in the near future, it has been announced by Mrs. H. B. Tandy, director.

Stores To Close For Armistice

Ozona-Sonora Football Game To Be Feature Of Day's Events

A quiet observance of Armistice Day, Saturday, November 11, is promised in Ozona. Most of the business houses in the city will be closed all day in observance of the holiday, drug stores, garages, cafes and the like observing Sunday hours. No general closing agreement had been reached, but it is understood that most business men are planning to close all day.

The chief entertainment feature of the day's observance will be the football game between the Ozona High School Lions and the Sonora Bronchos. The game is slated for 2:30 and an intensive ticket-selling and advertising campaign which started yesterday is expected to bring out the season's record crowd.

RECORD CROWD EXPECTED FOR ARMISTICE DAY GRID BATTLE OF LIONS AND SONORA BRONCS

Menard Crushed By Lion Attack

Local Gridders Win District Combat Easily By 30-0 Score

Except for a momentary weakness early in the game, Coach Ted White's High School Lions fought the Menard High eleven to stand still on the Menard grid Saturday, taking the district conference contest handily with a score of 30 to 0. With the exception of one man, the entire squad was run in for experience during the game, the second stringers accounting for a touchdown or two in the second half.

Ozona scored early in the fracas, the ninth play after the kick-off being registered a touchdown for the locals, Menard's only threat came a moment later when they received Ozona's kick-off after the touchdown and with a series of sensational passes and a spread running play worked the ball to the Lions' ten-yard line where they were held for downs.

The Lions scored five touchdowns, two in the first half and three in the second. Their season-long weakness, that of making the point after touchdown, was most apparent in this game, not one of the five tries for the extra marker being successful. Three kicks from placement were wide, one was blocked and an attempted pass failed.

Ozona turned in a record of nine first downs to Menard's five, five completed passes out of seven tries and punted seven times for an average of 37 yards.

Natl. Education Week Observed

Advantage Of Education Stressed In School Work This Week

National Education Week is being observed in the Ozona Schools this week with particular stress being laid by teachers and pupils on the value of education and the proper appreciation for the educational opportunities offered in America today.

In an effort to reach the parent through the child, and thus to create a better understanding between parent and the school and a more general sympathetic interest in problems of the school, teachers are being asked to point out to pupils during the week the means by which they are given the opportunity to learn, how the school provides for equality of opportunity, and to strive for a proper appreciation of the opportunity provided to have a good school.

Will Rogers Film Expected To Draw Capacity Crowds

Capacity crowds are expected for the showing of the film "State Fair" featuring Will Rogers, the famous cowboy comedian, and seven other prominent stars of Hollywood, at the Ozona Theater Tuesday and Wednesday nights of next week. The film is being presented under auspices of the Ozona Lions Club and funds derived from the entertainment will go into the club's community funds.

The new sound equipment, which produces the sound directly from the film instead of the old disc system, has been installed by the theater and will be in operation for the Will Rogers picture. Regular admission prices will prevail.

One of the largest crowds of the season is expected to witness the clash between the championship calibre Ozona High School Lions and the Sonora Bronchos on the Powell Field gridiron here next Saturday afternoon, Armistice Day.

The holiday game here Saturday will be the first of the final series of three games slated for the home field. The following Saturday the Lions meet the Rock-springs eleven in the last district championship combat of the season and will close the season here in a clash with the Big Lake Owls.

The Lions having lost but one conference game this season, that against Junction on bad breaks, they are still powerful contenders for the district half championship. The strong Eldorado Eagles are slated to meet the undefeated Junction team in Junction Saturday and should the Eldorado lads cop this skirmish, the championship race would be in a three-way knot, with Ozona, Eldorado and Junction dropping one game each.

Ticket Selling Drive

Rumors of a proposed attack on eligibility of one or more Junction players are heard through the district and in the event the attack is brought and sustained, the championship struggle will fall back to Ozona and Eldorado, unless the locals are thrown back by Rock-springs, which at present seems but a remote possibility.

The Sonora Broncs are weaker this year than teams from the neighboring town have been in many seasons. But the traditional rivalry between the Ozona and Sonora schools will serve as a tonic for the underdog Bronchos and a good game is expected here Saturday, when they invade the local stronghold.

The strained financial condition of the athletic department of the school, has moved football mothers, athletic officials and students to an intensive campaign to get a big crowd out for Saturday's game against Sonora. Starting after school yesterday students were on the streets "tagging" the fans, selling them tags, which were good for admission to the game. Buyers of tags are urged to wear them until game time and encourage others to buy them.

Missionary Group Elects Officers

Mrs. Scott Peters Re-elected President; Zone Meet Nov. 16

Officers of the Woman's Missionary Society of the Methodist church were elected at the regular meeting of the Society yesterday afternoon at the church.

Mrs. Scott Peters was re-elected president of the group and Mrs. Pleas Childress was named vice president. Other officers and department superintendents were named as follows: Recording secretary, Mrs. Will Baggett; corresponding secretary, Mrs. Joe Pierce; treasurer, Mrs. Roy Henderson; assistant treasurer, Mrs. Max Schneemann; superintendent of young people's work, Mrs. Hugh Childress; superintendent of children's work, Mrs. Charles Williams; superintendent of study, Mrs. Victor Pierce; superintendent of publicity, Mrs. N. W. Graham; superintendent of social service, Mrs. Ben Ingham; superintendent of supplies, Mrs. Roger Dudley; and superintendent of local work, Mrs. Floyd Henderson.

The society voted to stage a bazaar on December 13. A report from the committee in charge of the benefit picture show staged Monday and Tuesday of this week reported that a net profit of \$35.40 was realized from the presentation.

HIGH PRICES AND PROSPERITY

Yes, sir, prices for merchandise are sure to be higher. If you don't believe it, ask your merchant who is now receiving invoices for his fall goods. The advances in some lines of merchandise are almost unbelievable. Some lines will cost the merchant double what he paid a year ago. This advance must be passed on to the consumer. Fact is, much merchandise has been produced in late years at a loss. Millions of dollars in losses in operation have been reported from the leading industries. Low prices for labor and materials have been universal. But in the national recovery program there is no place for starvation wages and starvation prices for raw materials. The wage earner and the producer must be placed on a living basis and when this is done, up will go the price to the consumer. But let us remember that prosperity does not thrive on low prices. When producers make a profit, when wage-earners can support themselves in a respectable way and even afford a few luxuries, then things will hum. There seems to be some virtue in the assumption that the world was kidded into the late depression, now fast passing. Perhaps the kidding will work both ways. We are looking forward and upward today. Let's keep our eyes lifted to the horizon of hope and keep working. America has never had such a chance, as right now, to pull itself out.—News, Terra Bella, Calif.

The higher men climb, the longer their working day. And any young man with a streak of idleness in him may better make up his mind at the beginning that mediocrity will be his lot. Without immense, sustained effort, he will not climb high. And even though fortune or chance were to lift him high, he would not stay there. For to keep at the top is harder almost than to get there. There are no office hours for leaders.—Cardinal Gibbons.

The salesman with a speech impediment finds it hard to sell goods, which is true of the business that suffers the speech impediment known as failure to advertise.

DIGGING 'EM UP—by WALT

THE PRIVILEGE OF LIVING TODAY

The year 1933 will go down in history.

Just as our grandfathers talked of the Revolutionary period and our fathers will refer back to 1933. The greatest social changes in the history of our nation are now taking place. Europe sits spell-bound at America's daring. We ourselves are almost too dazed to realize the transition.

We are changing from an individualistic society to one of co-operation. There will be anxious moments in this changing process but those who have adopted the philosophy of John Dewey in regarding each experience, whether happy or sad, as something to enrich one's life, will benefit most from this experiment.

There is too much humanity in the world for this experiment not to succeed. We may falter on the way, but the American people have never known the meaning of the word fail.

Frankly, we would rather live in 1933 than in any period in the history of America. For the first time we have a patriotic call without girding ourselves to kill. That in itself would mark out the year 1933 as an historic twelve months.—Independent, Littleton, Colo.

Dr. and Mrs. Henry Schwartz and Mrs. Grace Turney visited in Sonora Sunday night.

In 1931 the cost of government was \$107.37 per capita, or 28 percent of the income of the American people.

According to the reports of the census takers, the women at the seaside this summer are but in a bare majority.

Forget others' faults by remembering your own.

SPECTRES ON PARADE

One reason why there is less appreciation than there should be of the horror of our annual automobile death toll is that the accidents happen far apart geographically, and at intervals throughout the entire year so that the total of a single day in a single locality does not particularly disturb us. Again, few motorists comparatively speaking, see an accident in which someone is killed or seriously injured.

It would be well for the public to put its imagination to work on this situation. Here's one way to do it. Suppose that you, and all the millions of other car-owners, could be seated in a tremendous reviewing stand. Marching by slowly in front of you are the 35,000 shrouded spectres of persons who were killed by automobiles last year. To each shrouded figure is clinging one or more bereaved relative. The parade would take many hours to pass—a silent, marching line of lives that had been destroyed because some one was careless or reckless or incompetent.

The very unpleasantness of that illustration is what makes it valuable. The fact that only an infinitesimal proportion of the 35,000 victims are killed in your community doesn't make any difference. Nor does the fact that only a comparatively few deaths occur on a given day. Remember that each year sees hundreds of tragedies as horrible as those of the Titanic or the Akron—and they are all unnecessary.

Think of that long, horrible parade. And then decide what kind of a driver you will strive to be in the future.

Bill Grimmer returned the first of the week from Winfield, Iowa, where he spent the past two weeks on business.

Someone has said that a safe place to stop when on an automobile tour, is at the railroad crossings.

A SUMMARY OF THE NEW TRAFFIC REGULATIONS

The completion of paved highways through Ozona having created a new traffic problem for the town and presented a new danger of serious accidents, the County Commissioners Court and the Sheriff's department have deemed it advisable to promulgate a new code of traffic regulations for motorists driving within the city.

The new traffic "buttons" were installed this week and with the installation of these traffic signals, the new regulations go into effect. In order that there may be no room for misunderstanding and that motorists may acquaint themselves with the new rules and be governed thereby at once, I am making this detailed publication of the new regulations, which are to be rigidly enforced hereafter.

The traffic signals themselves are plain as to their meaning. They have been so placed that traffic entering the main highways and streets is halted upon entering the faster thoroughfares, thus avoiding accidents at intersections. The "buttons" order traffic to "stop" upon entering the main streets and they also order motorists along these streets to drive slowly. If these signals are obeyed, it will slow down traffic in the business section and avoid many serious accidents. Failure to observe the "slow" and "stop" signs of the traffic buttons will subject the offender to a fine.

Hereafter it will be a violation of the traffic rules to turn around on the streets anywhere except at intersections and then the driver must keep to the right of the "buttons". Turning left across a street in the middle of a block to park on the opposite side will constitute a violation of this rule and will be a finable offense.

Hereafter it will be a violation of the traffic rules for trucks or cars to be parked along the west wall of the city park. This rule has been made in order to clear this street of big trucks, vegetable peddlers' trucks and the like that park along that side of the main street and create new accident hazards by cutting in on the driveway on that side. Parking will be allowed on the other three sides of the park but not on the west side on the main business street.

The earnest cooperation of every resident of Ozona is requested in the observance of these new traffic rules. It may prove a little inconvenient at the start, but you will become accustomed to it soon and it will be a great help in avoiding accidents. Unless the

NOTICE TO HOLDERS OF R.F.C. VOUCHERS

There are still a few of the payroll vouchers issued in payment for labor on R.F.C. relief work projects here last winter and spring that have not yet been presented for payment. These vouchers must be presented ON OR BEFORE NOVEMBER 15 for payment or they will be declared void on that date. The vouchers must be paid or voided by that date in order that the books of the relief committee may be cleared of the item.

The relief office will be open at the courthouse each Monday and Thursday from 9 to 12 o'clock and the vouchers may be cashed on those days. Other hours telephone 223.

ment of such branch any further. Upon coming to the view that any further efforts were futile the Committee did not make any of its members make any efforts in other directions, but returned to their respective homes.

"We, therefore, feel that the committee has discharged the duty imposed upon it and that no further duty as representatives of the meeting appointing it rests upon its members.

"We now come to the real object of this message. It was the common belief among people that local associations affiliated with the Production Credit Corporation might be formed in any county, and that even more than one might be formed in a particular county. This was the view of the committee and of its members at the time of their appointment and at the time of their arrival in Houston.

Under Production Credit Corp.

"Mr. George Brennan was the first presidential appointee with whom the committee came in contact, and he made it plain that a branch of the Federal Loan Bank would not be established at San Angelo, or any other point, but that "MASTER ASSOCIATIONS OF THE PRODUCTION CREDIT CORPORATION" would be formed, several in the State of Texas, and more than likely one at San Angelo. Subsequently, in conference with Mr. S. M. Garwood, he, too, said that "Master Associations" would be formed, in all likelihood one at San Angelo, and that the association at San Angelo would be allotted perhaps fifty counties. In answer to a direct question Mr. Garwood stated that the territory allotted to San Angelo would be allotted exclusively; that no other associations within any of the counties allotted to San Angelo would be chartered and that no duplication would be permitted and no competition would be permitted.

"Upon the following day conferences were had with Dr. W. I. Myers, above named, high in authority and high in the councils of the Presidential administration, and he repeated what Mr. Garwood had said, that is, that "Master Associations" would be formed, one at San Angelo in all likelihood to be composed of 90, 95 or 100 counties, and in response to direct the question, he said that the territory allotted would be allotted exclusively and that no other associations would be chartered within any of the counties allotted to San Angelo's Master Association. While it could have been but an opinion upon his part, he made the statement that by means of various agencies consolidated under the Federal Credit Administration the Government was permanently establishing methods and means by which all producers could be supplied with financial needs, permanently.

"The above statement contains all the information we are able to give, but from what we have said it is apparent and manifest that a few, perhaps not more than five, Master Associations are contemplated to be established in Texas, one at San Angelo, but to include not less than fifty nor more than ninety-nine counties, and that no charters will be granted to any other applicants. We desire it to be known that this plan was not suggested, nor encouraged, by any member of your Committee; was first mentioned and the term "MASTER ASSOCIATION" first used by Mr. Brennan, who said that the plan for forming such Master Associations had definitely

been determined upon.

Invited To Meet

"In view of this situation, and the developments we have spoken of, we deem it absolutely essential that a meeting should be held, and hereby extend an invitation to all persons interested in livestock, the making or procuring of livestock loans, or who have contemplated any connection with any association, to be formed, to be present at a meeting to be held on the Roof Garden of the St. Angelus Hotel, on Monday, November 13, at 10:00 o'clock a. m., at a general discussion might be had.

"Notwithstanding the expressed determination of Dr. Myers, Mr. Brennan and Mr. Garwood, many may contend that smaller associations may be formed, being expressly authorized by the law, and may be the desire upon the part of people living within various counties that such associations should be formed in such counties. Others may take the view that those entrusted with the administration of the law may assume or usurp the authority to establish as many or as few associations as they desire to so establish. The situation presents many angles, but the belief prevails upon our part that a meeting should be held so that a full understanding might be had, and so it might not be charged that advantage was taken of the situation by people living in San Angelo to secure for themselves a large association, with whom the people in many counties would be compelled to deal.

"This letter is being addressed to all to whom the call of October 16th was issued, and to many others, and it is the desire of those issuing it that every one interested should attempt to attend to fully express views entertained.

"All of the members of the committee have not been within reach but this message is authorized by all those within reach, who constitute a quorum of the committee."

Respectfully,
THE COMMITTEE.

Delta Kappa Gamma Society Entertained With Luncheon Here

Members of the Alpha Beta chapter of the Delta Kappa Gamma Society were entertained at the Hotel Ozona Saturday at one o'clock with a Mexican luncheon. The local members of the chapter, Misses Ada Moss, Elizabeth Fussell and Lucile Williamson were hostesses for the occasion.

The dining room of the Hotel Ozona was decorated with Mexican flags, Spanish sags, pottery, and Mexican scarfs. Brass candlesticks bearing red tapers, and brass bowls filled with red roses were placed on the center table. Rose buds were on each guest table as center decoration. Favors used to further emphasize the foreign idea were candy tamales and Mexican lace doilies.

The welcome was given by Miss Elizabeth Fussell. Miss Velma Massey of San Angelo gave in Spanish the response of the society.

Mrs. H. E. Tandy was presented

in a group of Spanish vocal numbers. Mrs. Nancy Lee Dyer entertained the guests with a Spanish waltz. Miss Rose Sharp Brewer of San Angelo conducted a Greek letter drill. Miss Maxine Murdock gave a piano solo. At the conclusion of the luncheon the members sang the national Delta Kappa Gamma song.

Places were laid for the following members: Misses Willie Allen, Eldorado, Una Lee, Eldorado, Mary E. Compton, San Angelo, Julia Compton, San Angelo, Arrie Barrett, San Angelo, Ora Mae Curry, San Angelo, Loena Pierce,

San Angelo, Emma Blanchard, San Angelo, Velma Massey, San Angelo, Mildred Posey, San Angelo, Rose Sharp Brewer, San Angelo, Ruth Madison, San Angelo, Ada Moss, Ozona, Elizabeth Fussell, Ozona, Lucile Williamson, Ozona, Elizabeth Woolworth, San Angelo.

Guests present were: Miss Maxine Murdock of Ozona, Mrs. H. E. Tandy, Ozona, Mrs. Nancy Lee Dyer, Ozona, Miss Maxine Spink, San Angelo, Mrs. Mildred Campbell, Ozona and Mrs. Judge Jones, San Angelo.

Where Three Flyers Met Death in Amarillo Street

Wreckage of the plane which crashed to earth in Amarillo's business district after colliding with another plane a thousand feet in the air. Plunging into the street a few feet from the Sunday morning services of the Salvation Army, the plane carried Kara Wiggins, Frank Clay and Bill Tullis to their deaths. Art Stude, alone in the second plane, died when this ship fell through the roof of a laundry two blocks away.

Polyphonic Music Proves Interesting Music Club Study

An interesting and varied program developed to illustrate polyphonic music, or composite melody, was enjoyed by members of the Ozona Music Club at its last program at the home of Mrs. Victor Pierce, with Mrs. Pierce, Miss Wanda Watson and Mrs. Alvin Harrell as hostesses. Mrs. Joe Pierce was the program leader.

Miss Maxine Murdock gave the meaning of polyphonic music, illustrating with Bach's "Two Part Invention No. 1." Mrs. W. J. Ginner discussed prominent traits of Bach's and Handel's styles of composition and Miss Aleer Hampton rendered a piano solo, "Well Tempered Clavichord" by Bach. An octet composed of Mrs. Bryan McDonald, Mrs. H. B. Tandy, Mrs. Joe Oberkamp, Mrs. Vernon Cox, Mrs. R. R. Dudley, Mrs. John Bailey, Mrs. Bright Baggett and Mrs. Paul Perner sang in chorus "Largo" by Handel.

Mrs. Bryan McDonald sang "My Heart Ever Faithful" by Bach in a variety of tunes to illustrate polyphonic music. Mrs. Alvin Harrell and Miss Maxine Murdock in a piano duet played Handel's "Harmonious Blacksmith" and the chorus sang Bach's "Meditation."

Following the program, refreshments were served to the following: Mrs. Paul Perner, Mrs. Bon Weaver, Mrs. Vernon Cox, Mrs. W. N. Hannah, Mrs. Bryan McDonald, Mrs. L. B. Cox, Mrs. Joe Oberkamp, Mrs. Joe Pierce, Mrs. R. R. Dudley, Mrs. Bright Baggett, Mrs. John Bailey, Mrs. W. J. Ginner, Mrs. H. B. Tandy, Mrs. Charles Williams, Mrs. John L.
