COUNTY LETS CONTRACT FOR CURB, GUTTERS

Colglazier & Hoff To Do Work Along Highways 27 and 163

ABANDON PAVING

Hardsurface From Highway To Curb May Be Considered Later

Contracts for the construction of concrete curbing and gutters along the route of the two highways through the town of Ozona were awarded by the Commissioners Court in session here this week.

Colglazier & Hoff, Inc., contractors on the Barnhart road, Highway No. 163, were given the contract on their bid of 26 cents per linear foot, the county to furnish materials for the work.

Under the terms of the contract, the contractor will furnish the forms and put down the curb and gutters according to specifications of state engineers. The state has agreed to do the grading work and to put the street in proper condition for future paving to connect with the state paving down the center.

The curb and gutter work will be done from the east line of the town survey to the Johnson Draw bridge on Highway 27 and from the north line of the town survey to the intersection of Highway 27 on Highway 163, a total of approximately 18 blocks.

The Commissioners Court secured estimates on paving the strip of street down each side of the center strip of state paving with a view to extending the paving from curb to curb, but abandoned this plan as too expensive in view of the present condition of county finances. The grading and engineering work is to be done, however, with a view to extending the paving when the time comes that funds are available for such work.

The curbs and gutters are to be placed under the supervision of state engineers, with Commissioner B. B. Ingham representing the county in supervising the work and Sheriff W. S. Willis being appointed by the court to look after the work in the absence of Commissioner Ingham.

The county has acquired a rock crusher which is to be placed in operation on top of the water works hill crushing rock for the curb and gutter work, according to County Judge Davidson. The crusher will be kept in operation continuously until a big surplus of crushed rock is on hand, this material to be available for use in paving or other county work when it is needed.

Beethoven Music Club Hold Meeting

The Beethoven Music Club met Wednesday afternoon in the Third Grade room for its regular program.

Instructions concerning the wrap-book contest were given by Mrs. Neal Hannan. The child making the most attractive wrap-book will be awarded a prize by the Ozona Music Club. The prize-winning book will also be sent to the State Music Club convention in April.

The following program was rendered:

"A Story of Chopin"—Lurline Townsend.

Chopin Prelude—Bettie Lou Coates.

Knight Rupert—Schneemann—Mary Alice Smith.

Nature's Orchestra—Janice Watts.

A Shamrock Musical Game—By Club. Directed by Mrs. Neal Hannan.

Music Box—Haskell—Joyce Martin.

The next meeting of the club will be at 3:15 p. m. March 29.

\$20,000 County Funds Released

Highway Dept. Agrees To Turn Back Money Held In Escrow

The State Highway Department, through Gibb Gilchrist, state highway engineer, has agreed to release \$20,454.08 of a total of \$23,454.08 held in escrow on one unit of construction work on Highway 27 in this county, minutes of the county Commissioners Court in session here this week reveal.

The Commissioners Court in a letter to the department requested that this escrow money be released. Mr. Gilchrist, in his reply, suggested that \$3,000 of the fund be left in escrow to take care of possible "over-runs" on the unit project and to pay for some preliminary engineering costs, agreeing to return any part of the unexpended funds when the project is completed. The court agreed to this arrangement and the highway department will order the county bond fund depository to transfer that amount to the county's credit.

The \$23,454.08 represented the expended balance of money placed in escrow by the county to guarantee its part in payment of contracts for highway work. The state having taken over construction work on state and federal projects all over the state, no further demands were made on the funds thus held.

The money transferred back to the county will be placed on deposit in the funds held by the Central National Bank of San Angelo, representing proceeds from the sale of the \$375,000 road bond issue voted by this county, which draws 2 1/2 per cent interest.

Charities Assn., Red Cross Elect

Annual Meetings Called For Friday Evening At 8 O'clock

The annual meeting of the Associated Charities of Ozona and the Crockett County Chapter of the American Red Cross will be held jointly next Friday evening beginning at 8 o'clock at the Methodist church, it was announced this week by officials of the two correlated organizations.

Decision to hold the annual meetings jointly was reached for the purpose of convenience since both organizations are headed by practically the same group and election of officers and the annual review of activities can be carried out for both in the same session.

Rev. J. H. Meredith, general chairman of the Associated Charities, issued the call for the meeting of that group, and Rev. M. M. Fulmer, chairman of the local Red Cross chapter, called the membership of that organization. Following the usual custom, officers and committees will be elected and appointed for the ensuing year. The annual report of the treasurer will be read and the general work of both organizations for the year reviewed.

The following are now officers and committee members for the Associated Charities: Rev. J. H. Meredith, chairman; Mrs. Welton Bunker, secretary; Hugh Childress, Jr., treasurer, and the investigating committee is composed of Mrs. P. T. Robinson, Mrs. S. L. Butler, Mrs. Scott Peters, Mrs. W. A. Kay, John I. Bishop, A. W. Jones, Rev. M. M. Fulmer and Rev. L. N. Moody.

Every contributor to either the Associated Charities or the Red Cross, or both, are considered members of these organizations, the chairmen pointed out, and all members are urged to be present for the meeting and all others interested in the work are cordially invited.

\$50,000 DEPOSITS MADE IN BANK ON ITS OPENING DAY

More than \$50,000 in deposits poured into the vaults of the Ozona National Bank Wednesday on the first day of opening following the ten-day banking holiday, bank officials reported. This amount is not by any means a one-day record in deposits, according to Scott Peters, cashier, but it was a record in the number of checks that were cleared thru the bank to make up the amount of the deposits. Larger one-day deposits have been made in the local bank during stock marketing seasons of past years but Wednesday's total was somewhat of a record for the present-day business conditions.

Bank employees had not had time to compile an estimate of the number of checks that were cleared through the bank on its opening day. But the bank force worked from early to late with an extra force on duty in clearing them through. It was estimated that by the end of today, the bank would have the accumulation worked off and back to normal business.

Former Ozonan, And Wife Hurt

Mr. & Mrs. P. C. Coates Jr., Injured In Series Of Accidents

Mr. and Mrs. P. C. Coates, Jr., of Fort Stockton, were seriously injured in two separate accidents, coming within a few seconds of each other, Sunday afternoon on the ranch operated by young Coates' brother-in-law, Buck Pyle, near Fort Stockton, and Mrs. Pyle, the former Miss Louise Coates of Ozona, narrowly escaped injury in exactly the same manner a few seconds later.

Mr. and Mrs. Coates and Mr. and Mrs. Pyle were working calves, rounding up on horseback, and Mrs. Coates suffered a broken leg when her mount stepped in a hole and fell while she was attempting to turn a calf. Her husband ran to her on his horse and finding her injured, turned his horse and started to help. He had gone but a few hundred yards when his mount also stepped in a hole and fell, young Coates suffering a crushed chest and possible internal injuries.

Mrs. Pyle, who with her husband was nearby, seeing the two accidents, urged her horse forward and for a third time a horse stumbled and Mrs. Pyle was almost thrown to the ground, her husband catching her in time to save her from injury. Both Mr. and Mrs. Coates are under the care of physicians and are understood to be doing well.

Harelip Operation On Ozona Child Is Believed Successful

Dr. Frew, specialist in oral surgery at the Baptist Hospital in Dallas, was confident of success in correcting the harelip condition of little Wanda Squyres, 5-year-old daughter of Mr. and Mrs. Tom Squyres of Ozona, following the operation on the child last week, Rev. M. M. Fulmer, who took the child to the hospital, reported to the Ozona Lions Club Monday.

The Lions Club sent the child to the Dallas hospital for the corrective operation and is paying all hospital and operating charges. Dr. Frew and his assistant, who performed the operation, are donating their services.

The nature of the operation for this deformity is such that its results can not be known for several weeks, Rev. Fulmer was told by the operating surgeon. But Dr. Frew has performed hundreds of similar operations with a high percentage of success and he was confident that the condition had been corrected in the case of the Ozona child.

Davidson Bull Sold For \$1200

Beau Gwen 150 Champion Of Ft. Worth Exposition

Beau Gwen 150th, registered Hereford bull from T. Davidson's Crockett County show herd, grand champion of the Fat Stock Show in San Angelo last week, and again winner of the highest honors accorded a show animal at the Southwestern Exposition and Fat Stock Show in Fort Worth this week, brought \$1,200 in a sale at Fort Worth yesterday. The prize animal was bought by W. H. Banker, 3rd of Wharton, Texas.

The junior bull calf was awarded junior and grand championship ribbons at the Fort Worth show after being adjudged the best junior calf. It defeated the senior champion, Beau Baldwin, 32nd, owned by the Ken-Caryl Ranch Company of Colorado Springs, Colo.

This is the second grand championship honor to be won by the Davidson bull in a period of two weeks. The bull took major honors at the Fat Stock Show in San Angelo the previous week, being adjudged winner of the junior, senior and grand championships.

"Smilin' Through" In Movies Here

Ozona Theatre Showing Famous Film Fri. and Sat.

"Smilin' Through," the play which captivated Broadway about ten years ago and has swept thousands with its touching appeal from the talking screen in recent months, is coming to Ozona on both stage and screen.

The film production of "Smilin' Through" will be seen and heard at the Ozona Theater Friday and Saturday evenings of this week. It has been announced by J. R. Kersey, manager. The stage production will be given at the High School auditorium some time next month under auspices of the athletic department of the High School, with a home-talent cast.

Motorists Warned About Car Lights

Sheriff Willis Puts Ban On One-Eyed Lizzies Here

Sheriff W. S. Willis this week issued a warning to motorists who operate their cars at night without lights or with only one headlight burning.

The "one-eyed car" is one of the greatest menaces of night driving, the sheriff declared, and he was particularly anxious to prevent this type of law violation, but took occasion also to call attention to the requirements of the law with reference to tail lights.

A number of near-accidents have occurred here recently as a result of bad headlights, Sheriff Willis declared, and he asked that The Stockman issue a warning to motorists to have their lights inspected and placed in good order or subject themselves to a fine.

"Times are too hard for fines," the sheriff declared. "A new light bulb or a little repair work would be a lot less expensive." To prevent possible heavy property damage, personal injuries or even loss of life, the laws regulating the proper lighting of automobiles at night must be strictly observ-

'Second Childhood' Expected To Draw Big Crowd Tonight

Members of the Ozona Woman's Club are looking forward to a financial and dramatic success in presentation of "Second Childhood," the three-act comedy to be presented by a home-talent cast at the High School Auditorium this evening under the auspices of that organization.

The play is under the direction of Mrs. W. J. Grimmer, president of the club, who will also have a part in the cast, substituting for her sister, Mrs. Dixie Brown, who was prevented from appearing in the play by illness.

The production is a splendid comedy, with an accomplished cast, including Mrs. Grimmer, Miss Elizabeth Perner, Miss Tessie Kyle, Mrs. Bill Conklin, Norris Creath, Jimmie Walker, Herbert Kittle, Bill Conklin, Arthur Kyle and Glenn Rutledge.

The curtain will rise at 8:15 p. m. Admission charges will be 15 and 35 cents.

Kite Tourney To Be Held March 25

Numerous Prizes Offered By Merchants To Kite Fans

A kite tournament, sponsored by the Ozona Lions Club and arranged by committees named by that organization, will be held at the fair grounds park Saturday morning, March 25, it was announced by the committee this week.

Numerous prizes, offered by Ozona merchants to successful kite builders and kite flyers in the tournament contests, are to be awarded. A list of these prizes is now being assembled by the committee, headed by J. H. McClure, and will be announced next week.

Prizes will be awarded winners in at least eight different contest divisions. These are as follows:

- Largest kite.
- Smallest kite.
- Most attractive kite.
- Highest flying kite.
- Best airplane type kite.
- Best box type kite.
- Most novel shape kite.
- Winners of "kite fights" or "air duels."

Other prizes, to be announced later, may also be awarded.

The tournament is scheduled for 9 o'clock Saturday morning. Rules of the various contests require that each kite entered in the contests must be made by the individual entering it. To win any of the prizes, too, the kite must fly, the committee of three judges to determine whether or not the kite meets this requirement.

STOCKMAN RENEWALS

Despite the bank holiday, several Stockman readers sent in their checks to renew their subscriptions during the past week. Our thanks go to the following: Pat Lee, Hugh Gray, J. H. Carney of Axtell, Kans., John L. Bishop, C. C. Montgomery for Mrs. Albert Boggers of Dallas, Powell Land Co. of Dallas, Miss Dollye Coates for Mrs. Clark Barton of Austin, Mrs. W. E. Smith and W. E. Crowder. Two new readers were also added during the past week. They are J. S. Moose of Thornburg, Ark., and George T. Neal, engineer with the state Highway Department, stationed here.

Mr. and Mrs. John W. Young have returned from San Angelo where they have been at the bedside of their daughter-in-law, Mrs. Walter Young, who has been critically ill the past two weeks. Mrs. Young was much improved this week, it was reported.

ed, Sheriff Willis said, and unless the laws are obeyed here he feels that his duty will be to file complaint against offenders. "Thus the warning.

DEPOSITORS SWARM IN AS BANK OPENS

Business Takes Sudden Soar As Financial Wheels Move

NO RESTRICTIONS

Ban On Gold And Anti-Hoarding Only Orders Issued

The Ozona National Bank opened its doors shortly before 8 o'clock Wednesday morning after having been closed ten days under orders of President Franklin D. Roosevelt and the governor of the state declaring a general banking holiday to allow time for a general overhauling of the financial system of the nation.

Jubilant at the end of the trying ten-day period during which it was necessary to conduct business with an inadequate supply of money, depositors rushed the bank at its opening, local business firms bringing in large deposits of money and checks, securing a supply of change; working men brought in their pay checks for deposit; ranchmen made deposits and secured a little cash for their incidental purchases and an extra force was on hand at the bank to take care of the rush and to help clear away the accumulated business during the banking holiday.

The Ozona National Bank was re-opened upon commission of the secretary of the national treasury without restrictions as to withdrawals except the restrictions against withdrawals for the purpose of hoarding as banned by President Roosevelt's reorganization plan. The only other restriction, was likewise a general restriction against all banks, that no gold nor gold certificates could be withdrawn. The local bank had only a small amount of gold on hand and this, together with all gold certificates, was sent in to the Federal Reserve Bank.

Business men reported a sudden spurt in business with re-opening of the bank and there was a general feeling of jubilation and confidence that the banking holiday and consequent re-establishment of national confidence was the first step toward a general revival of business and the beginning of the end of the depression.

To facilitate the handling of deposits the local bank asked and received the co-operation of its patrons in making their deposits. The bank asked that all depositors arrange their deposits in envelopes and leave them at the bank for checking and credit as soon as the clerks could work through the accumulated mass. Mrs. Scott Peters and Mrs. Hugh Childress, Jr. were added to the regular force, including Scott Peters, cashier, Lowell Littleton and Hugh Childress, Jr., assistant cashiers, and Miss Dollye Clates, bookkeeper, in taking care of the rush.

Junior Woman's Club Observed Texas Day In Program Thursday

The Junior Woman's Club observed Texas Day with an appropriate program in the regular meeting of the club last Thursday. Mrs. Walter Augustine and Mrs. Sherman Taylor were hostesses, with Mrs. Marshall Montgomery as leader.

Three talks, one on "Principal Industries in Southwest Texas" by Miss Helen Chapman, another on "Cowboy Folklore" by Mrs. Massie West, and "High Lights in Texas History" by Mrs. Tom Hunter were features of the program. Entertainment features consisted of a song, "Texas, Our Texas" by the club and a piano solo by Miss Wanda Watson.

Mrs. Tom Smith has been ill at her home here the past two weeks.

Every governmental official or board that handles public money should publish at regular intervals an accounting of it, showing where and how each dollar is spent. This is a fundamental principal of democratic government.

THE UTILITY AS A MERCHANDISER

Movements are again on foot in a sizable number of states for legislation preventing utility companies from selling gas and electric appliances.

The principal arguments behind such efforts are that the small local store is unable to meet the competition of the large utilities, and that if the utility is forbidden merchandising, the business will all go to the local dealer.

Unfortunately, there is more fancy than fact in these arguments, as the experience in Kansas and Oklahoma, two states which actually have such laws in effect, amply demonstrates. The editor of the Burlington, Kansas, Daily Republican recently said that instead of increasing business, the law has resulted in the closing of local stores, a decrease in the sale of appliances, and the transfer of much of the remaining business to mail order houses.

This editor also points out that denying utility companies the right to merchandise means cutting down the expansion of gas and electric use, which is the surest way to obtain lower rates. As a matter of fact, utilities handle appliances mainly for this purpose—there is no great profit in the original sale, but it means increased use of service by the customer for years to come.

Wherever an anti-merchandising law is pending, the most unprejudiced study should be given to its every phase. We don't want something to lead us into courses that will actually intensify difficulties we are seeking to correct.

HERE IT IS IN A NUTSHELL

A simple illustration of the problem confronting this country today is to be found in the case of a certain large Pacific coast industry. Its gross earnings for 1932 were 19.3 per cent less than in 1931. Efficient management met this decreased income by reducing expenses 31 per cent. That, however, complicated the situation because it meant more men and women out of work. In the meantime, the company's efficiency is nullified by a 33 per cent increase in taxes.

Here we have it then—business fighting for its life with its back against the wall and government—local, state and federal—doing what it can to keep business from saving its life by increasing the very thing which has driven business to the wall, namely, the burden of taxation and high cost of government.

What's the use to talk about government solving the citizens' problems when it is the government that has created the citizens' chief problem?

And the Faster—the Better!

SCANDALS By THE TOWN GOSSIP

Thanks, folks, thanks—In my own behalf and in behalf of Ye Editor I wish to express my deep appreciation for the heartening manner in which you responded to our offer of last week in regard to the dozen free pictures of Old T. G. There are at least eleven happy homes in the United States this morning for these enthusiastic and ardent readers of T. G.'s efforts who have received prizes:

- Pat Lee, Hugh Gray, J. L. Bishop, Clark Barton, W. E. Crowder, Mrs. W. E. Smith, Geo. T. Neal, J. H. Carney, Axtell, Kans.; Mrs. Albert Boggers, Dallas, Texas; J. S. Moore, Thornburg, Ark.; Powell Land Co., Dallas, Texas. Mr. Hugh Gray left us in somewhat of a huff because we refused to make a special concession and allow him 24 of the works of art.

Hear lots of talk the past few days regarding the Gold Standard the big boys are talking it, the little ones are listening and one way or another it has just about come into the home of each of us. The best one we have heard is this—An Ozona mother left her children in care of a Mexican girl while she attended her bridge club. As a parting admonition she adjured the youngsters to "be as good as gold." On her return she was amazed to receive this reply to her query as to how the children had behaved. The eldest said "Well, mother, you told us to be as good as gold, but we just couldn't do it—we went off the gold standard before you had been gone five minutes."

We heard this somewhere—A woman quits telling her age when her age begins to tell on her.

Wanted to Swap—Good conscientious preaching for anything usable or valuable. Ministerial association of Ozona, M. M. Fulmer, treasurer.

Road T. G. column—we read it ourselves.

Here's an awful dig at our bankers—We don't think this applies to our local fraternity but to those a way up there in New York where this remark was made—"If bankers were doctors, we'd all be dead."

N. B.—Will the person who drained my gas tank Sunday night kindly return my gas tank cap. No questions asked. T. G. care of Ozona Stockman.

Have I told you this one—see if you can figure it out—Luke had it before, Paul had it behind, Matthew never had it, all girls

have it once. Boys cannot have it. Old Mrs. Mulligan had it twice in succession. Mr. Lowell had it before and behind and he had it twice as bad behind as before. Now, what in "L" is it?

Been down to the ball park every afternoon this week limbering up the old arm. Sam Cox has prevailed on me to be the mainstay of his team this summer and take my word for it, customers—we are just bound to have the best team in West Texas this season. If T. G. can't put old Dizzy Dean and that bunch of novices in the shade—well, he just isn't as good as he was in the summer of 1908. Sam tells me he sure wants me to start the opening game which will be played in a week or so. Come out folks, I guarantee you that you won't be disappointed.

Tips on Taxes By Ray H. Nichols

AUSTIN—There is a very noticeable lessening of talk about the need for new taxes in order to balance the State budget within the last few days. Economy moves gained correspondingly in momentum, following the declaration of a bank holiday. This is true, although it was apparent that perhaps a majority of the legislators were sincerely endeavoring to redeem the pledge to reduce the cost of State government 25 per cent.

Chances of a sales tax are generally regarded as having disappeared.

There were 10,443 beneficiaries of Confederate pensions on the

peared. There is less talk of an income tax. Automobile license fees are almost certain to be reduced. The Senate is yet to act on a bill adopted by the House providing for a third lower license fees on automobiles and light trucks. The House has voted to reduce the State poll tax to the constitutional minimum of \$1. A Senate bill is pending to fix the limit of the State ad valorem tax to 57 cents for this year.

Another new tax measure made its appearance in a bill which would levy a tax of 2 cents per 1,000 cubic feet of natural gas. An exemption clause relieving the first 150 million feet for each producer for each three months, it is claimed, will have the practical effect of relieving Texas consumers of any additional tax burden. The obvious purpose of the bill is to realize revenue from gas exported to northern and eastern states.

Natural gas at present pays a gross production tax of 2 cent. The proposed bill would heavily increase this tax on exported gas. Backers of the bill claim 81 per cent of gas marketed from the Panhandle goes to the North and East. They also claim that the proposed 2-cent tax would yield, based on 1932 consumption, more than \$1,700,000 annually, compared with about \$120,000 paid in gross receipts last year.

A State budget of less than \$30,000,000, as compared with an eight-year average of \$45,000,000 and last year's figure of \$42,000,000 is in prospect, if reductions recommended by the House appropriations committee is finally approved. Judiciary, eleemosynary and departmental appropriations have been finished in committee. College heads have been instructed to bring in recommendations for 35 per cent reductions in their budgets. Educational appropriations are incomplete.

Efforts to abolish eight State colleges are apparently defeated. The Senate killed a bill to that effect. Institutions scheduled to close by the bill were teachers colleges at Denton, San Marcos, Alpine, and Nacogdoches, John Tarleton at Stephenville, junior A. & M. at Arlington, C. A. E. at Kingsville and College of Mines at El Paso.

There were 10,443 beneficiaries of Confederate pensions on the

1932 rolls. Although there have been 12,243 deaths among pensioners since 1924, the number has dropped only from 12,897 to the figure for 1932.

Payments of the Confederate pensions have more than doubled since 1924, figures being \$1,764,000 for 1924, compared to \$3,562,000 in 1932. The increase has come by liberalizing pension requirements and increases in payments to individual claimants. In nine years the number of claimants decreased 11 per cent while payments were increased 100 per cent. The pension fund was \$2,325,036 in the red at the close of the last fiscal year.

The Comptroller's annual report, just issued, contains some very interesting figures. Tax rolls show horses and mules had an average valuation of \$18; cattle, \$12; jacks and jennets, \$17; sheep, \$1.79; goats, 94 cents; and dogs, \$14. Average value of land was \$9.61 per acre. Since only 1,500 dogs were rendered for taxation, tax assessors might hasten a solution of the tax problem by getting more dogs on the rolls.

The fact that local taxes comprise the greater portion of the tax bill of the average Texas is emphasized by the Comptroller's report. County tax rates average 90 cents for the entire State. The range is from 29 cents to \$7.78. Reeves County has the lowest rate and Duval County the highest. School and other special district taxes are not included. City taxes are also additional. The Comptroller has no record of these purely local taxes.

LAS AMIGAS CLUB

Mrs. Alvin Harrell entertained for members of Las Amigas Club Tuesday afternoon at the home of Mrs. Roger Dudley. Those enjoying the afternoon were Mrs. Gibbons Poteet, Mrs. Bill Conklin, Mrs. Marshall Montgomery, Mrs. H. H. Carden, Mrs. Hugh Childress, Jr., Mrs. Bob Weaver, Mrs. Ted White and Misses Elizabeth Perner, Mary Childress, Wanda Watson and Ethel Childress.

Mr. and Mrs. Welton Banger were in from their ranch near Pandale this week. They will go this week-end to Fort Stockton where their children will compete as representatives of their school in the county Interscholastic League meet.

The FAMILY DOCTOR

by JOHN JOSEPH GAINES MD

STAYING HEALTHY

For a long time I have been thinking that there is more praise for the man or woman who prevents the invasion of disease, than for the people who claim the credit of curing diseased conditions. I have most diseases are preventable, then, why not devote a good share of our energy to keeping disease off, and, thereby, not being ill?

Your family doctor will tell you that he would gladly seek other means of making a livelihood by so doing he could banish sickness from the land. He devotes much of his time to "preventive medicine," thus seemingly to work himself out of a "cult" that I know of as much of its time that way. I tell you that leaf-vegetables, lettuce and such like, are the "roughage" for your digestive tracts. I am trying to do the possible evils of commercial products.

When I advise a soft, and varied, diet of good, nutritious plain food with temperate habit of eating, I am advising against disease. I assure you against the six-o'clock dinner and the breakfast plan. I am giving advice that will bear fruit in length of days. I have spent many years of observation.

When I write you that excess of certain vitamins produces a condition much like hardening of the arteries, you may as well quit selecting vitamins that you need—you may be doing a disservice to that particular "vitamin" favor, but yourself much.

When I tell you that the things that you like—the sorts that will "go" on your stomach, eaten in moderate quantity, with plenty of exercise—are best for you, and give you all the vitamins you need—you may depend upon it without worry.

Your Stockman subscription renewed, we would appreciate a renewal check now.

THURSDAY NIGHT CLUB

Mr. and Mrs. Joe Pierce entertained their night Bridge Club with a dinner followed by bridge last Thursday night. The scores and tallies held the St. Patrick motif. The following enjoyed the affair: Dr. and Mrs. F. T. McIntire, Mr. and Mrs. Judge Montgomery, Mr. and Mrs. Roy Henderson, Mr. and Mrs. Lee Childress, Mr. and Mrs. Ben Robertson, Mr. and Mrs. Joe Oberkamp, Mr. and Mrs. Bryan McDonald, Mr. and Mrs. Joe Davidson, Mr. and Mrs. Monroe Baggett, Mr. and Mrs. Jim Miller, Mr. and Mrs. L. B. Adams, Mr. and Mrs. Claude Denham, Mrs. Max Schneemann, Mrs. Johnnie Henderson and Miss Ludee Mae Harrison.

WHAM!

"Doesn't your wife miss you when you stay out till three in the morning?"

"Occasionally—but usually her aim is perfect."

FRIDAY BRIDGE CLUB

Mrs. W. E. Smith was hostess to her bridge club last Friday afternoon. The decorations all were emblems of St. Patrick as well as the scores and tallies. Refreshment plates of ice cream molded in a green shamrock and cakes in white and green were served to Mrs. Roy Henderson, Mrs. Jim Miller, Mrs. Johnnie Henderson, Mrs. Lee Childress, Mrs. Joe Pierce, Mrs. Strick Harvick, Mrs. Edge Montgomery, Mrs. Ben Robertson, Mrs. Joe Oberkamp, Mrs. L. B. Adams, Mrs. Bryan McDonald, Mrs. Bert Couch, Mrs. Monroe Baggett, Mrs. Early Baggett, Mrs. F. T. McIntire, and Mrs. Max Schneemann.

When Peaceful Picketing Raised Valley Farm Prices

Force and violence were avoided in the Lower Rio Grande Valley of Texas by peaceful pickets who sought to have all growers ask minimum prices of \$6 per ton for cabbage and 25c per bushel for other winter vegetables, prices to be paid in cash. Prices as low as \$1.75 per ton for cabbage and other crops as low as 4c per bushel caused the farm strike. Here is a picket stopping a truck load of cabbage near San Benito.

Engineer Who Took Well-Known Casey Jones' Job Retires After 32 Years

Memphis, Tenn.—The engineer who took Casey Jones' train on its run and then got his job after Casey made that "farewell trip to the Promised Land" has quit railroading.

He is H. A. (Dad) Norton and was "hoghead"—roundhouse vernacular for engineer—for 49 years before the Illinois Central retired him. He is 72 now and took a fast train on the Memphis-Canton, Miss., run—the Casey Jones run—for 32 years.

Everybody on the line knows

him. He's the engineer whose train was stolen by bandits in 1914. A wildcat jumped into his cab once from a low tree and a negro fireman shot the beast.

Dad was a young man when Casey Jones became the crack hoghead of the I. C. Jones' real name was John Luther Jones. They called him Casey after Cayce, Ky., where he once worked Casey's Job.

The caller called Casey before dawn the morning of March 21, 1900. His engine was brought

from the roundhouse and Casey took his orders, tucked them in his jumper and climbed aboard. His train was No. 1 of the Chicago-New Orleans line and his job was to get it to Canton on time.

Casey checked his steam, glanced at his watch and eased back the throttle. Two short blasts from his whistle, a clanging of his bell and he was away on his last run, a trip that made him immortal because folks still sing his elegy.

There were only green lights ahead because No. 1 had the mail. The engine panted through the yards to the Mississippi line before Casey tugged the throttle back to his stomach and let the big wheeler run on its cannon ball

Becomes Hero

The limited was across the line before he pulled down his whistle cord for the first "Casey call" of the trip. It was as famous as the steamboat whistles of the Robert E. Lee and made Casey Jones the hero of every boy in the valley.

Number 1 snorted past sleeping hamlets without pausing but Casey's whistle awakened the farm folks for their daily chores. Everybody knew the Casey call—three short and then a long low whine.

"Thar's ol' Casey a'high tailin' souf!—hit's time to get up," the farmers would say and peep through the window in time to see the train hustle around a bend in the murky dawn of the river country.

Casey was pulling into Vaughn when his train hit an open switch and plowed into a freight car. He shoved in his throttle, jerked on his brakes and stuck with his engine.

They found him scalded by steam and with a bolt from the wreckage in his neck. His widow was notified. She still lives at Jackson, Tenn.

Dad Norton was sent to Vaughn to pick up Casey's train and take it to Canton. Then the road gave him the run.

That was 32 years ago and now Dad is through—pensioned. After all 49 years of hogheading is a long time to railroad.

mission has an easy, clashless shift and a silent second gear. The engine is a smooth, fast, responsive six. And Chevrolet engineers have made economy an outstanding feature! Engineering tests show that the Standard Six goes more miles on a gallon of gas, more on a filling of oil, than will any other full-size car on the road. As for reliability—remember, it's a Chevrolet.

Introduction of this new Standard Six opens the way for new thousands of people to enjoy the advantages of Chevrolet quality. It gives the public, for the first time, a full-size automobile combining maximum quality and maximum all-round economy.

PURINA COW CHOW

Balancing your cow feed can only cause better production of milk and butter, and used in conjunction with home feeds—PURINA COW CHOW means that.

When Better Cow, Mule, Hog and Poultry Feeds are made, Purina Mills will make them.

Poultry raisers should get more eggs by feeding Purina Lay Chow and Hen Chow. They produce more eggs per 100 lbs. feed than any feed on the market.

ODD — BUT TRUE

By Betty Webster

THINGS WORTH KNOWING

Testing a Broom

Always test a broom before purchasing it. Press the edge against the floor. If the straws bristle out and bend, it's a poor one.

To Take Away a Bad Odor

Dried orange peel, allowed to smolder on a piece of red-hot iron or an old shovel, will kill any disagreeable odor in a room.

Bacon Grease

Never throw away bacon grease. Always keep a jar handy to pour grease into. In this way bacon is not so expensive as every bit of it is utilized.

To Clean Silver Easily

Make hot suds. Put a half-teaspoon of ammonia into the suds. Use a brush and wash silver quickly in this ammonia and hot suds. Dry with a clean towel.

To Renew Cane-Seat Chairs

Sagging cane-seats may be tightened by washing in hot soap suds and leaving to dry in the open air.

BAKING HINTS

Casserole of Eggs and Mushrooms

1/2 pound of fresh mushrooms, 2 tablespoons of butter, 1 tablespoon of water, A little salt, A little pepper, A little paprika, 1 tablespoon of cut up parsley, 2 eggs, 2 tablespoons of bread crumbs, 1/4 cup of milk.

Method: Wash and cut up mushrooms. Cook in butter, water, salt, and pepper for a few minutes. Pour into baking dish. Beat eggs slightly. Add the eggs, parsley and salt and milk. Top with bread crumbs and pieces of butter. Bake about 45 minutes.

COOKING HINTS

French Dressing

Proportions for making French dressing are always 3 to 1. 3 table spoons of oil to 1 of vinegar.

Method: Mix dry ingredients. A little sugar, Pepper, Salt, A little mustard, Lot of Paprika. Add oil and then vinegar. Blend well. Pour into a bottle and shake well. This is an ideal way to keep a bottle of French dressing made up.

Cod Fish Balls With Egg Sauce

Mix flaked cod fish with equal quantity of mashed potatoes. Shape in balls and fry.

Serve with egg sauce made by using a thick white sauce in which has been cut up slices of whites of hard-boiled eggs. Pour over cod fish balls. Mash yolks of eggs together and sprinkle liberally over the top. This makes a pretty dish.

CITATION BY PUBLICATION

THE STATE OF TEXAS

To the Sheriff or any Constable of CROCKETT COUNTY—Greeting:

You are hereby commanded to summon E. O. Jacobs by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Crockett County, to be holden at the Court House thereof, in Ozona, on the 1st Monday in April A. D. 1933, the same being the 3rd day of April A. D. 1933, then and there to answer a petition filed in said Court on the 6th day of August A. D. 1931, in a suit, numbered on the docket of said Court No. 558, wherein Tom Casbeer is Plaintiff, and E. O. Jacobs is Defendant, and a brief statement of plaintiff's cause of action, being as follows: That heretofore, to-wit, on or about the 2nd day of January, A. D. 1930, defendant made executed and delivered to plaintiff his two certain promissory notes, one for the principal sum of \$65.00 and the other for the principal sum of \$90.00, both bearing date on the day and year aforesaid, one due on the 1st day of December, A. D. 1930, and the other due on the 1st day of December 1931, both payable to the order of plaintiff, at Ozona, Texas, bearing interest at the rate of 10 per cent per annum from date until paid, and stipulating for ten per cent on the amount of principal and interest then due as attorneys fees in case suit was brought on same or if placed in the hands of an attorney for collection, and providing that, default in the payment of one of said notes gives plaintiff option of declaring both due and payable; that defendant failed to pay said \$65.00 note when same became due and payable wherefore plaintiff has declared both of said notes due and payable, whereby defendant became bound and liable to pay and promised to pay plaintiff the sum of money in said notes specified, together with all interest and attorney's fees due thereon according to the tenor and effect thereof.

That on the 3rd day of January, A. D. 1930, plaintiff executed and delivered to defendant, a certain deed of said date conveying to defendant a part of lot No. 2 in Block No. 132, in Ozona Crockett County, Texas, and did in said deed retain a vendor's Lien, to secure the payment of said notes which were given as part of the purchase price of said land. That plaintiff is the legal and equitable holder and owner of said notes and indebtedness, and the same is now due and unpaid and said vendor's lien now remains in full force and effect, and is a valid and subsisting lien against said land and premises, and defendant though often requested, has failed and refused to pay said notes, or any part thereof, but the same remains due and unpaid that said note has been placed in the hands of his attorney for collection and plaintiff has contracted to pay him the ten per cent attorney's fees therein, the same being reasonable and the usual and customary fee. Wherefore, plaintiff prays the court that defendant be cited to appear and answer this petition.

A medicine that does something for women

A woman is old at thirty when she has let herself run down. And she is young at sixty if she knows how to keep clear of chronic sluggishness. Have you never tried the harmless medicine that is made for this very condition? Do you know that two or three weeks of its gentle stimulation has done the most amazing things for lots of women? This means of stimulating the system to new life is a doctor's prescription. It is known as Dr. Caldwell's Syrup Pepsin. It is made from fresh herbs, active senna, and pure pepsin. From the day you begin with it, you will feel better, one spoonful dispels of any bilious headache; a larger dose relieves any constipated condition. A little now and then will keep you guarded from the auto-intoxication that dulls appetite and ambition in any man or woman. Dr. Caldwell's Syrup Pepsin is known to all druggists; they always have it on hand. It is the most likeable and remarkable medicine you ever tasted. Try one bottle and compare your condition with the way you felt before!

SUFFERS INJURED LEG

C. C. Luther, head of the firm of Luther and Newberry, local Humble dealers, suffered a badly injured leg Monday when he attempted to crank a car in gear. The machine started and caught Mr. Luther between the bumper and the wall of the building. The motor stalled at once, however, which probably saved him from more serious injury. The leg was badly wrenched, but it was thought that no bones were broken. He was able to be out on crutches yesterday.

HAND BADLY BURNED

Charles E. Davidson, Jr., suffered severe burns on his right hand a few days ago when a gasoline pump burner spread flaming gasoline over his hand while he was attempting to repair it. The nozzle of the burner had become clogged and Mr. Davidson was attempting to clean it when the nozzle broke off, the flaming fluid spreading to his hand and inflicting severe burns before it could be extinguished.

The Bakery

About the oldest of arts — The Baking process that transforms the raw product into tasty and healthy food

The old order changeth and instead of mixing the dough with his feet, the modern baker churns it with machinery. Instead of guesswork, he watches gauges for temperature. And always there is the Giant Organization of the Fleischman Company, ready and eager to assist in any problem.

The New Baker has learned that too much substitute means too small a volume of sales. Hence, cornstarch loses its significance in the supply department.

No longer does a pinch of this or that satisfy the demand of accuracy. Scales that break with a milligram of weight are a constant partner to the working bench.

The whirr of machinery, the clanking of pans, the roar of the baking fire, all go into the making of your bread and cakes. A room standing at a hundred and four degrees almost constantly. A baker dripping sweat at every pore. The helper, with that set face that bespeaks aching muscles. The flash of the peel blade as it darts in and out the yearning, hungry oven door.

And then the silence of rest. The mixer folds its hands and drifts into a peaceful sleep. The cake machine, the merriest of them all, giggles one last time and bows its head. The pans, sturdy and strong, talk awhile of tomorrow's work, and the oven heaves a sigh of relief.

Every bite of bread you eat is a morsel of industry. Every one of those most excellent cakes you buy, is a monument to man's ingenuity.

Every GOOD BAKERY produces a refined and cultured product, of which it may justly be proud.

Ours is a GOOD BAKERY. We do not hesitate to recommend it to you, because we know you will appreciate a master's art. "Bread is your best food, eat more of it."

Prof. Henri Rogers, master of the violin, a former member of the Cowboy Entertainers of San Angelo, who played in Washington during the inaugural ceremonies, and now orchestra director at Sonora, will bring his orchestra to Ozona to furnish special music for the stage production of the famous play "Smilin' Through" to be given by a home-talent cast in the High School auditorium sometime next month under auspices of the athletic department of the Ozona High School.

Prof. Rogers and his orchestra was secured through efforts of school authorities and the director, Mrs. A. W. Jones, and the special orchestration for the play has already been ordered and will be turned over to the musicians upon its arrival. The orchestra

steps, square, etc. was sponsored by the club for the purpose of raising funds for the purchase of equipment for the coming season. New ball players are invited to try out with the team as soon as practice starts in the next few weeks.

leader will be remembered by Ozona audiences for his work on the violin opposite J. T. Houston of San Angelo when the Cowboy Entertainers, or Lions Club orchestra, presented a program here during a home-talent play sponsored by the Ozona Lions Club about two years ago. He has studied under some of the greatest

violin teachers of Europe and is one of the best musicians in West Texas. Special music for the stage production of "Smilin' Through" will add much to the interest and effectiveness of the play and school authorities and members of the cast are highly gratified over securing the orchestra.

"Just a Little Better Service"

We Appreciate

The confidence and co-operation of our patrons during the recent enforced Bank holiday.

It has been gratifying to the officers and directors of this bank to witness the fine spirit of co-operation and uncomplaining submission to the necessities of a nationwide move to remedy certain financial tangles.

The OZONA NATIONAL BANK is again open and ready to serve you—if possible in a more efficient and helpful manner than ever before. It has been a most trying period for all and we are happy to be again at your service, we appreciate your patience in bearing with us while we work ourselves out of the mass of accumulated business which piled up during the holiday.

We pledge you the untiring efforts of every officer and employee of this bank to hasten with all possible speed the collection and clearance of every check and draft.

Yours In Service
