Mrs. Perner Named Music Club Head

Annual Election Of Officers Follows Interesting Program

Mrs. Paul Perner was chosen president of the Ozona Music Club for the club year 1933-34 at the annual election of officers held at the home of Mrs. Joe Pierce with Mrs. Pierce and Mrs. Neal Hannah as hostesses at the regular club session last Thursday afternoon. Mrs. Perner succeeds Mrs. J. M. Dudley as head of the organization.

Other officers chosen by the group are as follows: Vice president, Mrs. Alvin Harrell; corresponding secretary, Mrs. Lowell Littleton; recording secretary and treasurer, Mrs. George Bean. The new official family will be inaugurated at the last meeting of the club year in May and will assume their duties next fall.

Preceding the election of officers, the club enjoyed an interesting program on the subject of trees, under the leadership of Mrs. Max Schneemann. A paper entitled "Trees in Texas," written by Mrs. George Bean, was read by Miss Patti Raiza, and Mrs. F. T. McIntire sang a solo, "Trees." A vocal duet, "In the Shade of the Old Apple Tree," was presented by Mrs. Royce Smith and Mrs. Elton Smith, followed by a reading, "The Village Blacksmith" by Mrs. Lowell Littleton. The program closed with a piano solo by Mrs. Victor Pierce.

Refreshments were served by the hostesses to the following members and guests: Mrs. Basscomb Cox, Mrs. L. B. Townsend, Mrs. F. T. McIntire, Mrs. John L. Bishop, Mrs. Joe Oberkamp, Mrs. Max Schneemann, Mrs. Alvin Harrell, Mrs. J. M. Dudley, Mrs. John Bailey, Mrs. Bryan McDonald, Mrs. Elton Smith, Mrs. S. M. Harvick, Mrs. Royce Smith, Mrs. George T. Neal, Mrs. Victor Pierce, Mrs. Lowell Littleton, Miss Wanda Watson and Miss Patti Raiza.

Ozonan Attends Sister's Funeral

Miss Beryl Webb Sister Of E.H. Webb Dies In Ballinger Hospital

Mr. and Mrs. E. H. Webb, proprietors of the Ozona Fruit and Vegetable Market, were called to Ballinger Monday on account of the death of Mr. Webb's sister, Miss Beryl Webb, 26, who died in a Ballinger hospital as a result of complications following a mastoid operation several days before.

Miss Webb made her home with her parents in Miles, Texas, and funeral services were held from the First Methodist Church in that city at 3 o'clock Wednesday afternoon, the Rev. F. M. Jackson, pastor, officiating, with the Rev. E. W. McLaurin, pastor of the First Presbyterian Church of Ballinger, assisting. Burial followed in the Miles cemetery.

Miss Webb is survived by her parents, Mr. and Mrs. J. A. Webb of Miles; three brothers, E. H. Webb of Ozona, R. F. Webb of Putnam and R. D. Webb of Miles; and three sisters, Mrs. Marie Mulens of Tyler, Mrs. M. A. Patterson of San Angelo and Mrs. C. E. Poyner of Roswell, N. M.

BAPTIST SUNDAY SCHOOL

The new Standard Sunday School pennant for 1933 was placed on display in the Baptist Sunday School Sunday. The local school is the first in this district to earn the new 1933 pennant.

A collection totalling \$15 was taken Sunday for Buckner's Orphans Home. There were 96 pupils present, with two new pupils and five visitors. Royce Smith was appointed superintendent of the adult department to fill the unexpired term of Tom Squires.

Goodness Gracious!

The inquiring photographer covered something very singular about Miss Blanche Leary, who is now torch-singing at the Ozona Junior ballroom in Dallas. "I always pull on my stockings the first thing when I get up in the morning," says Blanche, and to prove it, she does it for the camera.

Athletic Dept. Sponsors Play

Mrs. Jones Directs 2-Act Comedy Monday Evening Feb. 13

"Nora Mixes In," a two-act comedy with only female characters, will be presented in the auditorium of the Ozona High School next Monday evening, February 13 under auspices of the athletic department of the High School, it was announced this week by Supt. John L. Bishop.

The play is being produced under the direction of Mrs. A. W. Jones, and members of the cast have been chosen for the most part from the membership of Mrs. Jones' class in dramatic art, with a few outsiders to fill in the cast. The curtain will rise at 7:45. Between-act features will be presented by Mickey Couch. Admission prices will be 25 and 35 cents.

Members of the cast include the following: Vicky Pierce, Esther Kate Pierce, Eda Schneemann, Tommy Smith, Carolyn Montgomery, Totsy Robison, Mrs. Tom Hunter, Helen Adams, Florene Adams, Dorothy Hannah, Mrs. Elton Smith, Mrs. Ted White and members of Mrs. Jones' expression class for crowd scenes.

Cold Wave Brings Zero Temperature

Severest Weather For Many Years Registered In Area

The coldest weather in many years was the verdict of most old timers as a bleak norther swooped down on this section of West Texas Monday night to drive the mercury to zero and below in some areas.

Sub-zero weather was reported from ranches to the north of here Tuesday night and thermometers in Ozona registered zero. Water pipes and auto radiators were frozen and many broken pipes were reported. It is believed that the severe weather resulted in the death of many of the February lambs that have already dropped in this section and some losses among sheared flocks is also expected. The weather had begun to moderate some this morning and rising temperatures were expected.

Mrs. J. H. Meredith was ill the first of the week.

Lion Cagers To Tangle Rankin

Last Home Games For Locals Friday And Saturday Nights

The Ozona High School Lion basketball squad will meet the Rankin quintet on the High School Gymnasium court in a two-game series Friday and Saturday nights of this week in the last home games for the locals. Coach Ted White announced this week.

The locals will finish the season in games away from home after the encounters here this week-end with the Rankin aggregation. The first game will start at 7:30 Friday evening and the last will be at the same hour Saturday evening.

This being the last home games for the Lions, record crowds are expected out for the contests. Admission charges of 25 and 15 cents will be made, proceeds to go into the athletic funds. "Let's give the boys a farewell boost," is the plea of Coach White.

Piano Pupils To Be Heard In Recital At Auditorium Feb. 16th

Pupils of Mrs. Neal Hannah will be heard in a piano recital in the auditorium of the High School Thursday evening of next week, February 16 beginning at 7:30 o'clock.

The program will be divided into three groups, the first group to consist of selections by the kindergarten rhythm group, the second a group of piano numbers with each pupil in costume and the third a varied program of piano numbers, readings and vocal selections.

Mrs. Hannah will be assisted in her program by Mrs. F. T. McIntire, who will sing a group of five miniature ballads and by Miss Helen Adams, a pupil of Mrs. A. W. Jones, who will present a musical reading. One of the features of the program will be a xylophone solo by Miles Pierce, accompanied by the rhythm orchestra.

Pupils appearing on the program will be Mary Louise Perner, Barbara White, Joanne Hawkins, Joyce McIntire, Judith Dell Williams, Charles McDonald, Dick McDonald, Daphne June Meinecke, Ruth Townsend, Billy Hannah, Aleane Couch, Muriel Luther, Noma V. Miller, Joyce Martin, Elizabeth Coose, Lurrine Townsend, Miles Pierce, W. B. Robertson, Dorothy Hannah, Florine Adams, Eda Schneemann, Helen Adams and Lola Taylor.

Lions Eliminated By McCamey Five In Big Lake Annual Tourney

The Ozona High School Lions were eliminated early in the annual invitation basketball tournament held in Big Lake last Friday and Saturday. The locals trounced Sherwood in an early tournament contest, only to be put out of the running in their next engagement with McCamey, the count being 26 to 16 in favor of McCamey.

The locals met a team from Del Rio High on the local court Saturday afternoon upon their return from the Big Lake fracas, the Val Verde lads taking the contest 27 to 20. Both teams were tired out from the tournament play and it was a listless contest.

CARD OF THANKS

We take this opportunity of expressing our sincere gratitude for the sympathy and kindness shown us in our bereavement by the nice people of Ozona.

R. M. Johnson and family.

Miss Katherine Williams of San Angelo, who has had an art class in Ozona for several weeks, returned here the first of the week after spending a few days in San Angelo at the bedside of her mother, who was ill.

Child Buried Here Following Death Of Acute Tonsillitis

Marion Lamar Roach, 4-year-old grandson of Mr. and Mrs. R. M. Johnson, new managers of the Hotel Ozona, died Thursday afternoon on the way to a hospital in San Angelo. Complications following an acute attack of tonsillitis was ascribed as the cause of death.

Funeral services were conducted at 2 o'clock Monday afternoon from the Church of Christ here, Rev. L. N. Moody, pastor, officiating. Burial followed in Cedar Hill Cemetery, with Joe Oberkamp in charge.

The child was born July 6, 1928 in Breckenridge, Texas. The mother, Mrs. Ruth Simpson of Las Vegas, Nevada, daughter of Mr. and Mrs. Johnson, was here for the funeral. The father, Lamar Roach, lives in Plainview, Texas, and came here following the child's death.

Scouts Observe 23rd Anniversary

Scout Week, Feb. 8-14, Marks Launching 10 Year Program

Wednesday of this week marked the 23rd Anniversary of the founding of the Boy Scouts of America. On February 8, 1910, a charter was granted to a group of men in Washington, D. C., to organize a Boy Scout movement in America similar to the one in England.

Since that memorable day more than 5,000,000 boys of America have been members of the Boy Scouts. To date there is no record of a First Class Scout having been sentenced to a penitentiary. Scouts have become the outstanding students in our colleges and many of the older ones are now doing a large share of the citizenship chores of our towns. All of 1932 All-American Football Team were former Scouts, 99 per cent of the Rhodes Scholarships last year went to former Scouts and from 56 per cent to 85 per cent of our Texas College students were former Scouts.

Boy Scout Week this year marks the launching of the Ten Year Program. It is the ambition of the Boy Scouts to recruit and train one of every four new male citizens and to deliver to Uncle Sam in 1943 a militant minority of ready and willing citizens who have had four years of Scout training.

Busby To Open Meeting Feb. 17

Fort Worth Evangelist Coming For Annual Spring Revival

Evangelist Horace W. Busby of Fort Worth will open the annual Spring revival meeting at the Church of Christ here Friday night, February 17. Rev. L. N. Moody, minister of the local church, announced this week. The meeting will continue at least through two Sundays and possibly longer.

Rev. Busby has been coming to Ozona at least once a year for the last fourteen years, on several occasions visiting here for a few days on his return from evangelistic tours, preaching during his stay. He draws immense crowds each meeting and members of the local church and other friends look forward to his annual visit with pleasure.

Mrs. Jack Brewer and two children, who have been visiting Mrs. Brewer's father, W. E. Crowder, and sister, Miss Louise Crowder, returned Sunday to their home in San Angelo. Mr. Crowder and Miss Crowder took them in their car Sunday.

Folk Song Program By Jr. Music Club

Many Enjoy Hi-School Assembly Program In Auditorium Thurs.

The Ozona Junior Music Club, composed of High School students, entertained with a study and program of Folk songs in its second assembly program in the High School Auditorium last Thursday morning at the regular assembly hour.

The program opened with a piano solo by Eda Schneemann followed by a discussion of American Folk Songs by Totsy Robison. David Guion's negro spiritual, "Nobody Knows the Trouble I See," was sung by a quartet composed of Miss Maxine Murdock, Mrs. Royce Smith, Mrs. John Bailey and Mrs. Ira Carson, with Miss Aleen Hampton at the piano.

Miss Tommy Smith sang another of Guion's compositions, "Home on the Range," with Miss Murdock at the piano. A piano dialogue, "Arkansas Traveler," given by Mrs. W. J. Grimmer and Miss Wanda Watson, was enjoyed as was a vocal solo, "Deep River," by Mrs. F. T. McIntire, Miss Murdock accompanying on the piano. The program closed with a chorus number "Katydid" by the Sophomore girls, including Esther Kate Pierce, Vicky Pierce, Helen Adams, Alberta Kay, Ernest B. Sparkman, Willie V. Coose, Mona McKinney, Ernestine Watts, Wilhemina Wyatt and Eda Schneemann.

At the conclusion of the program, a business session was held by the club. The program committee for the next meeting, February 16, was announced as follows: Dorothy Henderson, Willie V. Coose and Joe Chandler. A patriotic program is to be given at the next meeting. The constitution of the organization was read and adopted.

Mrs. Joe Pierce, chairman of the Senior Music Club committee, gave a number of helpful suggestions about the work of the Junior Club. There were a number of visitors present in addition to the entire student body of both the grade and high schools. Visitors are cordially invited to these assembly programs.

25 Students Taking Part In Training For Declamation Contests

Preparation of students for entry in the county and district interscholastic League declamation contests is making progress in the Ozona High School, Supt. John L. Bishop reported this week. Students are being trained for competition in the various divisions by the following teachers: Miss Mary E. Webb, Mrs. Tom Hunter, Mrs. R. O. Smith and Miss Elizabeth Fussell.

There are approximately 25 students studying in preparation for entry in this division of the League contests. The county meet to pick contestants for the district meet to be held in San Angelo starting April 16, will be held the first or second week in April, Mr. Bishop said.

Public Speaking To Be Taught Volunteer Class In Ozona High

A class in Public Speaking was organized in the Ozona High School Tuesday with an initial enrollment of 35 students. The class will be instructed by Mrs. A. W. Jones. There will be no charge for the work and the course is optional with the students.

The group will meet twice a week, on Tuesday and Friday mornings and the students will be given a thorough course in public speaking.

Mr. and Mrs. Hilton North are the parents of a daughter born Sunday in San Angelo. The youngster has been named Mary North.

Stockholders And Directors To Meet At Hotel Ozona

CHOOSE OFFICERS

Annual Meet Called At 8 O'clock Saturday Night

The question of whether or not the annual Crockett County Red-ee, Race Meet and Stock Show will be held in July this year, after being abandoned one year on account of economic conditions, will be decided at the annual meeting of stockholders and directors of the Fair Association to be held at the Hotel Ozona Saturday evening, February 11 at 8 o'clock. A call to the annual meeting was issued the first of the week by Joe Pierce president of the association.

Officers and directors for the coming year will be chosen at this meeting and reports of the financial condition of the organization will be heard.

The annual show here was abandoned last year on account of the economic stress. This was the first interruption in the annual program since organization of the Fair Association in 1926. Last year's show was abandoned only after lengthy discussion of conditions and the decision was made with reluctance on the part of the organization. There has been considerable agitation for a resumption of the annual show this year and if the official body of the association can see its way to a successful presentation this year, it is likely that plans will be launched at Saturday night's meeting.

All stockholders and friends of the fair-association are urged to be present promptly at 8 o'clock Saturday night at the Hotel Ozona to help decide the question of the 1933 show.

THURSDAY, FEBRUARY 9, 1933

Every governmental official or
board that handles public money
should publish at regular intervals
an accounting of it, showing
where and how each dollar is
spent. This is a fundamental prin-
ciple of democratic government.

LIKE THE HORSE

If anything could forcibly illus-
trate the law of diminishing re-
turns resulting from increasing
costs beyond a reasonable figure,
the three-cent letter postage has
turned the trick.

Postal revenue has been lost
which will never be regained from
the same class of mail, for the
simple reason that the public has
devised ways to use third-class
mail instead of first.

The same thing will take place
with gasoline. As gas taxes are
shoved up beyond reasonable fig-
ures, smaller cars will be used, or
larger cars will be used less, and
the volume sold will diminish,
thereby producing less revenue
for the state.

The same thing will take place
with property. Beyond a certain
point, the owner cannot pay taxes.
When that day comes, he will let
the city, county or state take it
and the tax rolls will be flooded
with unsalable property, and tax
deficits will mount.

The public is no different than
the horse. You can lead the horse
to water, but you can't make him
drink. You can tax the public be-
yond its ability to pay, but you
can't make it pay.

The papers are filled with re-
ports of meetings of tax experts,
state tax commissions and other
organizations of "tax spenders"
who are in a large measure to
blame for the present taxation
problems of the people. As ad-
visers on the financial affairs of
the people, they have for years
taken the easiest course, acquies-
cing in public demands for ex-
travagant public expenditures
without raising their voices in
protest or showing where exorbitant
spending was leading the peo-
ple.

Even today, most of the "tax
experts," instead of recommend-
ing drastic cuts in public expendi-
tures, are hunting ways and
means to increase existing taxes
or find new methods of taxation.

The same thing is going to hap-
pen to every city, county, state
and the nation itself, that has
happened to millions of families
—they are going to have to get
along on less money than they
thought was possible a year or
two years ago. Instead of in-
creases in taxes or new methods
of taxation to balance public de-
ficits, there is going to have to
be decreased taxation and de-
creased public demands on a bal-
anced scale, which will eventual-
ly wipe out the deficits.

Families are paying up their
bills now on reduced income sim-
ply by reducing their expenses be-
low their income. Governments
will have to do the same thing.

ONE OF THE UGLIEST WORDS

Recently the San Francisco
Chronicle editorialized on an ef-
fort to choose the "ten ugliest
words." The Chronicle hazards
the opinion that among them
might appear "fired," "no funds"
To a good many people the ug-
liest word of all, these days, is tax-
ation. It has destroyed businesses,
taken jobs, eaten savings, disrupt-
ed existence. The committee work-
ing on the ten ugliest words
should give it most careful con-
sideration.

THE LATIN AMERICAN FUTURE

In concluding an article sum-
marizing Latin American trade in
1932, Wallace Thompson, editor of
Ingenieria Internacional, says:
"On the whole, the Latin Ameri-
can situation, with its limited
number of unfavorable factors
and its many sound reasons for
optimism, promises ... as sure a
future for that great new region
as it has ever offered."

Latin American commerce, par-
ticularly with the United States,
is steady more effectively than
that of any other regional group.
This trend will show additional
improvement when the figures for
1932 are completed, according to
Mr. Thompson.

Efforts to solve the principal
difficulty in our trade with Latin
America, that is, the exchange
and debt situation, have been
started. As Mr. Thompson ob-
serves, if even a partial solution
is achieved, it will result in an
immediate improvement in busi-
ness, with the United States in a
particularly good export position.
It will afford a growing market
for the products of American fac-
tories, and, consequently, employ-
ment for thousands of American
workmen who are now seeking
jobs.

American citizens are tremen-
dously interested in helping Latin
America.

MAKE TAXATION HURT

One need not be an advocate of
the general sales tax to appreciate
that it would have one desirable
effect: It would make taxation
hurt. It would give every citizen,
regardless of income, a new un-
derstanding of the gigantic cost
of the government.

All of us pay taxes. But com-
paratively few of us pay them di-
rectly—and a great many persons
who pay indirect taxes think they
are escaping taxation altogether.

We pay a tax when we cook and
eat a meal, turn on the light, at-
tend a movie, buy clothes, go for
a ride, or do almost anything else.
These taxes may be concealed in
the cost of necessities and pleas-
ures, but they are there neverthe-
less.

No business can pick money
from bushes—every cost of opera-
tion, whether it be labor, supplies
or taxes, must be passed on to the
customer.

If more of us felt taxes direct-
ly, the chance for really obtaining
economical and efficient govern-
ment would be tremendously im-

proved.
If the sales tax comes, govern-
ment extravagance and expansion
will have again added to the cost
of the things we buy—and when
it hurts all the people, they may
then demand a lower cost of gov-
ernment.

Before considering a sales tax,
however, or any other new and
increased taxation, public officials
would do well to remember
that in seeking office at recent
state and national elections, they,
one and all, stressed the need for
economy in public affairs, reduced
taxation and, in a number of in-
stances, promised a 25 per cent
cut in the cost of government.

The people will be slow to con-
sent to new and added taxes and
it will be an ill-advised program
that attempts to force such bur-
dens on them before pre-election
promises for reduced cost of gov-
ernment have been kept.

Mrs. N. P. Hokit is critically ill
at her home here.

SCANDALS

By THE TOWN GOSSIP

Ellsopin folks, Ellsopin, as
Antony remarked when he heard
the sad news of Caesars' assassi-
nation. And believe me, such is
the case in a certain newspaper
office of which I know right here
in the city of Ozona. Mr. Cater,
erstwhile reliable linotyper has
finally broken down and he is
solely responsible for the tre-
mendous botch which was made in
my column last week. Not only
that, but he it is on whose soul
rests the blame for the puzzled
look on the face of the entire
populace during the last week.

The only excuse or alibi he has is
that he had an idea that he might
render the people a service by
taking their mind off the Depres-
sion for a week. Not only did my
readers suffer because of the
botch mentioned above, but old T.
G. was forced to rebate Messrs.
Forehand and Palmer the entire
amount paid for advertising their
product. What I want to say is
that my story last week was based
on the fact that these gentlemen
have a sign which says—HAVE

Here is a little extract handed to me by Mr. Ross Huffstodlerete of the Model Laundry—he does not claim entire credit for this little verse but is corroborated or corroborated, whichever word you care to use, by Neal Hannah:

In days of old
When Knights were bold
And sheet iron trousers wore,
They lived in peace,
For then a crease
Would last ten days or more.
In those old days
They had the craze
For cast iron shirts—and wore 'em
And there was bliss
Enough in this,
The laundry never tore 'em.

Was it an Ozona mother who answered an ad in a farm magazine in the expectation of finding a remedy for curing her child from slobbering only to receive this outrageous reply: "Teach it to expectorate."

IN LITTLE OLD NEW YORK

by CARL H. GETZ

One of the oldest and oddest sights in New York is the "Waiters' line" in Nassau Street, between Ann and Fulton. The line forms every morning at about 10:40. The men who assemble are those who are looking for work as waiters, dishwashers, etc., in the cheaper downtown lunchrooms. Naturally they are not prosperous looking. The block on Nassau Street is their well known and recognized rendezvous, and has been for many years. The proprietors of eating houses which need help look for them there. It is a free, out-door employment bureau. The police never disturb these men waiting for work.

The New York Public Library daily carries a burden of traffic that is hardly exceeded by any of the neighboring skyscrapers. The library, which opened to the public May 24, 1911, gives evidence of its extensive patronage in the grooves that have been worn in the marble stairs. It has been necessary to protect the stairs with a metal covering.

There is a story making the rounds which is worth retelling: A taxicab driver was hailed by a speakeasy doorman the other night who escorted four men to the cab, arranged them carefully within and then instructed the chauffeur: "That man on the left goes to—Park Avenue, the next one to—East Sixty-fifth, the one on the left front seat to—West End and the other to—Riverside. The driver nodded understandingly and drove away. In a few minutes he was back, beckoning to the doorman. "Say, buddy," he said, "would you mind sortin' these guys out again. I hit a bump on Sixth Avenue."

The average New Yorker has little appreciation of the size of the city in which he lives. For example, on every day in this city,

150,000 are kept abed—30,000 in hospitals—by sickness.

There is a company in New York which manufactures what are known as sound absorbers. These are small, pliable balls of a specially prepared wax and cotton for insertion in the outer ear. They are said to be valuable not only to night workers and travelers, but also to students, lawyers and business men who must concentrate.

Only twenty-five per cent of New York City's population is American born. Seventeen per cent are natives of Russia.

There are persons who have their homes in Philadelphia and work in New York. Every day they spend four hours on the train.

These Philadelphia commuters are organized.

A young lady who had parked her car in forbidden land returned two hours later to see a large, patient policeman curled up in the front seat awaiting his prey. Making a quick decision, she stepped into a taxi, was taken home and telephoned to the police department that her car had been stolen. An hour later it was returned by the same traffic policeman looking, not the least baffled, but, on the contrary, quite proud of his alertness.

LAS AMIGAS CLUB
Mrs. Hugh Childress, Jr., entertained members of Las Amigas Club with two tables of bridge at her home Saturday afternoon. A salad course was served to the following guests: Mrs. Marshall Montgomery, Mrs. Bob Weaver, Mrs. Ted White, Mrs. Richard Flowers, Miss Mary Childress, Miss Mildred North, Miss Wanda Watson and Miss Ethel Childress.

They've Never Tasted a Tonic!

THESE are not patent medicine children. Their appetite needs no coaxing. Their tongues are never coated, cheeks never pale. And their bowels move just like clockwork, because they have never been given a habit-forming laxative.

You can have children like this—and be as healthy yourself—if you follow the advice of a famous family physician. Stimulate the vital organs. The strongest of them need help at times. They don't get it, they grow sluggish. Dr. Caldwell's syrup pepsin is a mild, safe stimulant.

When a youngster doesn't do well at school, it may be the liver that's lazy. Often the bowels hold enough poisonous waste to dull the senses! A spoonful of delicious syrup pepsin

once or twice a week will avoid all this. It contains fresh laxative herbs, active senna, and pure pepsin, and does a world of good to any system—young or old. You can always get this fine prescriptive preparation at any drug store. Just ask them for Dr. Caldwell's syrup pepsin.

Get some syrup pepsin today, and protect your family from those bilious days, frequent sick spells and colds. Keep a bottle in the medicine chest instead of cathartics that so often bring on chronic constipation. Dr. Caldwell's syrup pepsin can always be employed to give clogged bowels a thorough cleaning, with none of that painful griping, or burning feeling afterward. It's not expensive.

It Will Pay You to Follow These Signposts

Two willing servants—the Electric Range and Electric Refrigerator—are waiting to lead you to better living. . . . And these modern servants require no salaries, either . . . for they pay their own way with the savings they make!

It will pay you to employ Electric Cookery and Electric Refrigeration. The modern Electric Range will give you more healthful, more appetizing and more attractive meals . . . at a great saving in food and fuel! The Electric Refrigerator will give you increased efficiency and dependable convenience. It will improve food-flavors, assure safe, healthful refrigeration and eliminate the waste and danger of food-spoilage. And, like Electric Cookery, the Electric Refrigerator also will save substantial sums for you.

Don't consider these modern and efficient automatic Electric Servants as longed-for luxuries . . . recognize them as dividend-paying necessities . . . for that's what they are! They pay for themselves!

We will be happy to arrange an interesting demonstration of proofs for you. No obligation, of course. Convenient Terms on one or both of these household necessities simplify immediate purchase.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

Wild Well

This great sheet of flame, roaring 200 feet in the air, is the Mad-dox No. 1 well in the Conroe field, north of Houston, which has been burning for nearly two years. A crater more than 200 feet wide has defied all efforts to check the wild flames.

Mr. and Mrs. R. M. Johnson, who took over management of the Hotel Ozona February 1, have reorganized the staff of the hotel and now have its operation going smoothly. Mr. and Mrs. Pete Jones son-in-law and daughter of Mr. and Mrs. Johnson, H. L. Johnson, a son and Miss Ola Marion Johnson, daughter, are all making their home here and employed in the hotel.

Missionary To Japan Lectures

Rev. E. O. Mills Drawing Good Crowds In Evening Meetings

Rev. Ernest Mills, missionary to Japan, is attracting good crowds, despite the weather, at his nightly lectures on the missionary needs of Japan. Rev. Mills' talks are illustrated with stereopticon slides showing typical scenes in Japan. Rev. Mills' lecture tonight will be the last in the week-day series. He will speak again Sunday night on the same subject using the slides as illustration. Services

start at 7:45 p. m. A cordial invitation is extended to everybody to hear these interesting lectures.

Mrs. Mary Perner spent the week-end on the ranch with her son and daughter-in-law, Mr. and Mrs. Stephens Perner.

Bud Kincaid suffered a torn ligament in his ankle Saturday while working with calves on the Kincaid ranch.

EVERYBODY CORDIALLY INVITED!

WAKE UP!
Mr. Laboring Man!
And See the Condition That Surrounds You

Can you afford to patronize a business that has never built anything or cared to build in your town, which provides labor? Mr. Ranchman and business men in general, banker and capitalist who believe in this community with all your heart; is it your desire to deliver into the hands of an unscrupulous business man whose aim is to close every other business concern in your town and operate a business house in some oil company's filling station which was built by foreign labor and repainted every two years by some foreign painter?

Can you be in sympathy with a man who tells salesmen for the wholesale houses not to call on the Hotels, Cafes and other businesses because he will supply them with everything they need. "Just call on me and I will buy every known junk that is put in a can or package and sell it to them and make them think they are getting a bargain." A man who is narrow minded enough to write a milling company to stop Mike Couch from handling feed unless he buys it from him and then have the nerve to stop my driver and ask him what Mike said about him. Well, I can't say what I think of him in this paper, because ladies read these ads and patronize the man that lowered prices in Ozona.

FEEDS OF ALL KINDS—Red Chain, Purina and others. CAKE, BRAN, OATS, CORN, MILO MAIZE and HAY.
