## CONTINENTAL SHALLOW TEST IS PRODUCER

### Well On Todd Ranch Swabs 66 Barrels In 24 Hour Test

## 2 LOCATIONS MADE

### Continental And Stanolind Reported Planning New Wells

With one producing well brought in on the J. S. Todd ranch in Crockett County the past week, locations for two more tests to be started this week and the Stanolind Oil and Gas Company's No. 1 J. S. Todd deep test drilling over 400 feet into the Ordovician series from which the deep wells in Reagan County, 30 miles to the northwest, produce high gravity oil, prospects were considerably brightened for a new oil field of first importance in that area this week.

Continental Oil Company's No. A-1-23 J. S. Todd was preparing to go on the pump this week after swabbing 66 barrels in 24 hours from a depth of 1,548 feet. This new producer, which came in Sunday, is in section 26, block WX, G.C. & S.F. Ry. Co. survey. Storage tanks are being constructed on the lease.

Two new locations on the Todd ranch were to have been staked this week, one by the Continental Oil Company and the other by Stanolind Oil and Gas Company, according to reports here this week.

Pay was encountered in the Continental well from 1,545-48 feet. It is one of two shallow tests being drilled on the property by Continental and indicates production enough to validate the lease, which was to have expired in February. The new producer is about three miles north and slightly west of the Stanolind and others No. 1 Todd deep test. The other test being drilled by Continental is No. A-1-26 in section 26, same block.

The Stanolind deep well was drilling past 7,000 feet this week in hard white lime with no change reported. Hopes were still running high, however, for production in the deep well, confidence being expressed by drillers that the well will be a producer.

## New Manager Of Hotel Here Feb. 1

### R.M. Johnson Of Breckenridge To Succeed G. D. Oldham

R. M. Johnson and family of Breckenridge, Texas, will arrive February 1 to take over management of the Hotel Ozona succeeding Gip Oldham, whose resignation was accepted by the hotel board of management recently.

Mr. Johnson is at present manager of the Courts Hotel in Breckenridge, which position he has held for the past two years. Previous to his connection with the Courts Hotel he was manager for ten years of the Commercial Hotel in Breckenridge, one of the finest hotels in that city. He was in charge of this hotel during the oil boom days of Breckenridge.

Mr. Johnson, his wife and daughter, 17 years of age, will come here with him to make their home.

Two of the new 1933 Chevrolet trucks have been delivered the past week by the North Motor Company, local Chevrolet dealers. One went to Judge Charles E. Davidson and the other to J. W. Owens.

Mrs. Grace Turner, saleslady at the Lemmons Dry Goods Company here, left Tuesday for a few days visit in Big Spring.

## Big Lake Successfully Defends Cage Title Against Field Of 9 Contenders In Second Annual Tournament Here

A sustained smashing attack which smothered all opposition carried the fighting Big Lake Owls to their second consecutive victory in the second annual Basketball Tournament sponsored by the athletic department of the Ozona High School, staged in the gymnasium of the new High School building Friday and Saturday of last week.

Ten teams took part in the spirited competition representing towns throughout this section, including Ozona, Sonora, Eldorado, Sherwood, Mertzton, Barnhart, Big Lake, McCamey, Iraan and Comstock.

The Ozona Lions battled their way to the finals, only to be shattered by the charging Big Lake quintet. The final contest for top honors took place Saturday night, the Owls trouncing the Lions by a score of 45 to 14.

### Sonora Wins Opener

The tournament opened at 7:30 Friday evening with Sonora and Barnhart in the opening fracas, Sonora nosing out the Barnhart crew by a score of 29 to 18. The same evening, the Ozona Lions took the Eldorado Eagles to a 34 to 18 cleaning, definitely establishing themselves as strong contenders for the winner's share of the spoils.

Saturday morning saw the Big Lake champions in action against Sherwood, winning easily by a score of 39 to 10. Comstock stepped into the winner class by defeating McCamey 26 to 13 and Mertzton trounced Iraan 17 to 12. Eldorado put Barnhart out of the running in the consolation group with a score of 35 to 22 in the final game of the morning session.

The Ozona quintet smothered the Sonora Bronchos 35 to 17 in the opening game of the semi-finals Saturday afternoon, and Sherwood routed Iraan 25 to 23, while Big Lake smashed Mertzton 27 to 6.

The champions from Big Lake cinched their way to the finals by crushing Comstock 32 to 16 at the opening of the finals Saturday night. Sherwood took first place in the consolation group by defeating Eldorado 21 to 18 and the Ozona-Big Lake clash, which left the Owls still champions of the district, closed the two-day tournament.

### Lions Fight Hard

The final clash between Ozona and Big Lake was one of the most exciting of the series, with the Ozona lads overpowered but fighting the gamut of their lives. During the first two quarters, the Owls flashed a wonderful offense, scoring 33 points in the two frames to Ozona's four. The match was about a draw in the second half, the Big Lakers scoring 12 points to the Lions' 10.

The tournament champions were given their choice of two trophies, one a silver loving cup and the other a handsome basketball statuette. The Owl captain chose the statuette and the cup was awarded to the Sherwood team as winners of the consolation group.

## Lions Provide Glasses For Boy

### Dr Fred Baker Donates Work & Material To Afflicted Child

The handicap of nearsightedness, a handicap which has made it almost impossible for a ten-year-old Ozona boy to continue his school work, and has kept him from enjoying the life of a normal boy, has been removed, thanks to the efforts of the Ozona Lions Club and to the generosity of Dr. Fred R. Baker, San Angelo optometrist.

Attention of the Lions Club was directed recently to the boy's plight and plans were formulated immediately to remove his handicap, his parents being financially unable to provide the necessary glasses. Last week when Dr. Baker came to Ozona on one of his

## Magician Coming

BIRCH, MAGICIAN

## Birch, Magician, Here Next Week

### Lions Club Sponsors Stop-Over Appearance Thursday

The appeal of magic and magicians is genuine, powerful and universal. It is not confined to any nation or people and it is as powerfully exerted upon grown-ups as it is upon children, who derive pleasure from a magic show that can only be equalled by the glamour of the circus. For this reason it is expected that Birch, the famous magician, will be host to capacity audiences of Ozona people, when he presents his mystifying array of illusions at the High School Auditorium next Thursday evening, January 26, under the auspices of the Ozona Lions Club.

The Birch production is one of the finest and most magnificent now on tour and it is undoubtedly the most complete ever presented here. Although he is a young man, so great has been his experience and so ably demonstrated has been his exceptional talent, that Thurston, the world's greatest, has publicly stated that Birch is the logical one to become the world's reigning king of magic when he retires from the stage.

Included in the Birch repertoire are such magnificent illusions as the Vanishing Pony, in which a beautiful Shetland is caused to vanish while suspended in mid air; the Challenge Packing Box Escape in which Birch will attempt to escape from a strong box constructed by the West Texas Lumber Company here; the beautiful Silk Mirage, said to be the most beautiful silk production ever devised; the Canary and the Mazda Lamp, in which a live canary is shot into a burning light bulb, slicing a young lady into four separate parts, and almost fifty other bewildering illusions.

Admission prices have been fixed remarkably low for an attraction of such high calibre, and present an opportunity which has rarely been duplicated, to see a master of his craft. Admission will be 50 cents for adults and 25 cents for children, tax paid.

Mrs. Arthur Hoover, Mrs. Ira Carson and Mrs. Charles Williams were in San Angelo Tuesday to view the state art exhibit, sponsored by the Woman's Club and another organization at San Angelo.

Mary Louise Perner, small daughter of Mr. and Mrs. Paul Perner, is ill this week.

## Junior Music Club Is Organized With Student Membership

Mrs. Bryan McDonald met with the Ozona High School students at assembly period Tuesday morning and organized a Music Club. Miss Maxine Murdock explained the work of a music club before the organization was formed. The Senior Music Club is sponsoring this organization. The following officers were elected:

President, Eugene Montgomery; Vice President, Vicky Pierce; Secretary, Tommy Smith; Reporter, Hubert Westfall.

The club is to meet every two weeks at regular assembly period on Thursday morning. The chapel program emphasized various types of music:

Talk—John L. Bishop.  
Vocal Solo—Mrs. Bryan McDonald.

Song—Assembly.  
Musical Reading—Helen Adams accompanied by Miss Aileen Hampton.

Piano Solo—Vicky Pierce.  
Piano Duet—Miss Maxine Murdock and Esther Kae Pierce.

Nursery Rhymes Chorus—Junior Girl singers.

## Ethel Childress Named Club Head

### Junior Woman's Club Selects New Officers Thursday

Miss Ethel Childress was the choice of members of the Ozona Junior Woman's Club for its second president in the annual meeting of the organization for the selection of officers held in the club rooms in the new High School building last Thursday afternoon. Miss Childress succeeds Mrs. Leta Hawkins, first president of the club.

Miss Wanda Watson was elected first vice president and Mrs. Gertrude Perry, second vice president. Other officers were Miss Hester Rungler, corresponding secretary; Miss Wayne Augustine, recording secretary; Mrs. Lowell Littleton, re-elected treasurer; and Mrs. Claude Denham, parliamentarian and critic.

The retiring officers who have piloted the club through its first successful year of life are Mrs. Hawkins, president; Mrs. Ted White, first vice president; Miss Lucille Williamson, second vice president; Miss Hester Rungler, recording secretary; Mrs. W. E. Friend, Jr., corresponding secretary; Mrs. Lowell Littleton, treasurer, and Miss Ethel Childress, parliamentarian and critic.

The newly elected officers will be inaugurated at the final meeting of the club year in May and will assume their active duties in September.

The next meeting of the club will be held Thursday afternoon, January 26. Warwick Deeping's "Bridge of Desire" is the topic up for discussion at this meeting.

## Baptists In Training School This Week

Officers and teachers of the Baptist Sunday School are engaged this week in a series of Teacher Training Classes using the book, "Teachers that Teach." Seventeen are enrolled in the class which is being taught by the pastor, Rev. M. M. Fulmer.

The Baptist Sunday School recently was awarded the A-Standard banner for 1932, by the Sunday School Board of the Southern Baptist Convention, and the course now being offered will enable the school to qualify for the Standard for 1933.

Mr. and Mrs. L. C. Lynch are the parents of a son born Wednesday morning. Mr. Lynch operates the mail truck between Ozona and Barnhart.

Mr. and Mrs. John Curry were visitors to Temple the first of this week.

## Work Of Lionism Praised At Meet

### Fifty Present For District Meeting Here Monday Noon

A splendid list of accomplishments in the way of community building and relief work was read by representatives of four Lions Clubs in this area at the Group meeting held at the Hotel Ozona Monday noon with the Ozona Lions as host club.

More than fifty Lions, representing clubs in Ozona, Sonora, Eldorado and San Angelo, were present for the meeting. W. C. Gilmore of Sonora acted as chairman of the session in the absence of Jack Neill, group chairman. W. E. James of Sonora acted as secretary.

Reports turned in by the clubs represented covering their work during the past quarter indicated unusual activity for civic betterment throughout the area.

The San Angelo club, whose report was presented by W. E. Blanton, aided in the Community Chest drive there, the Lions outstripping all other service clubs of the city by a two-to-one margin in the amount secured. The Angelo club also reported a Christmas cheer program carried out through the Salvation Army and the club is now sponsoring a series of entertainments at the State Sanatorium, near San Angelo.

### Accomplishments Numerous

The Eldorado club reported among its accomplishments administration of the R.F.C. relief funds construction of a boys' bath house at the school, a street parking system and entertainment of the executive committee of the Sheep and Goat Raisers Association.

The Sonora club reported an extensive list of accomplishments, among them designation of the Rock Springs-Sonora highway, distribution of Christmas cheer baskets, feeding underprivileged children in school, extensive charity work and co-operation with other agencies of the town in community work.

The Ozona Club reported thru its secretary, Glenn Rutledge, the (Continued On Last Page)

## Plan Women's Meet In Ozona

### 6th Dist. Board Meeting To Plan Spring Conclave Here

Plans for the sixth district conference of the Texas Congress of Parents and Teachers to be held in Ozona in the spring will be outlined at a meeting of the district executive board to be held in San Angelo Friday of next week, according to a call issued this week by the district president, Mrs. Thomas H. Head of San Angelo.

Selection of committees to have charge of various phases of the district convention, choice of speakers for the event and other plans for the meeting will be made at the board conference. The meeting is scheduled to start at 10:30 Friday morning at the Hilton Hotel. Luncheon will be served members of the board at the Hilton.

Mrs. Albert Kay, a vice president of the sixth district, expects to attend the board meeting to assist in planning the Ozona meeting in the spring.

Distinguished guests are expected to attend the sixth district conclave in Ozona. Among these will be Mrs. A. F. Wood of Athens, state president, and Mrs. L. E. Ledbetter of Austin from the state department of health and chairman of the summer round-up for the Texas Congress of Parents and Teachers.

Plans for the district event were made at a district president's conference held with Mrs. E. H. Magh, first vice-president of the Congress and chairman of extension.

## STREET WORK PLANNED WITH NEW RFC FUND

### Men to Be Put Back to Work as Soon as Graveling Completed

### \$1,700 RECEIVED

### Graveling Work To Be Resumed With Jan., Feb. Allotment

Work of graveling the streets of Ozona with funds received from the Reconstruction Finance Corporation for work relief allotment for January and February will get under way again here the end of this week, it is announced by members of the committee in charge of administering the fund.

A check for \$1700, representing Crockett County's allotment from the R.F.C. funds for use during the months of January and February was received Saturday at Sweetwater by Hugh Childress, Jr. and Glenn Rutledge, president and secretary, respectively, of the Ozona Lions Club, which organization has assumed responsibility for administering the fund here. The check was delivered through the West Texas Chamber of Commerce, handling apportionment of the funds in this section as representatives of the governor.

The first street to come in for attention under the new program of work is the north and south street two blocks west of Powell Avenue, running from the north edge of town past the Mike Couch Grocery. This street is expected to be in demand as a detour during construction of the highway from Barnhart to the intersection of the O.S.T. at Broadway and for that reason the committee, in a called session Tuesday evening, decided on placing it in condition as one of the first projects. Other streets that are in bad condition during rainy weather will be surfaced as far as available funds will allow.

As was the case in previous work, the county grading machinery will be available for placing the streets in condition to receive the gravel and caliche topping. B. E. Ingham, commissioner of this precinct, is directing the grading work, although he is confined to his bed recovering from a broken leg. Exline Martin, resident engineer for the state highway department, is assisting the county road crew in determining the proper grade levels for drainage and assisting in every way he can at no expense to the county.

A new system of compensation to labor has been adopted by the committee in dispensing funds of the R.F.C. allotment in the future. Payment to labor used will be made in the form of script, good for groceries, dry goods and other necessities. These vouchers are good only for these necessities and can not be cashed by the original holder. The vouchers are to be signed by business firms cashing them and may be redeemed by them at the office of County Clerk George Russell.

## Rev. Hathorn, Former Pastor Of Baptist Church Here, Dies

Rev. W. E. Hathorn, former pastor of the Ozona Baptist Church, and well known throughout this section, died recently in Brewton, Ala., according to word received here by friends. The body was shipped to Houston where funeral services were conducted.

Rev. Hathorn was pastor of the local church several years. He was also pastor of the Sonora church at one time. He had held a pastorate at Hammond, La., recently. He is survived by his widow and one son, J. B. Hathorn, a professor at Rice Institute in Houston.

Miss L. Miller visited by telephone, Mrs. M. D. Crowder, Tuesday in San Angelo.

THURSDAY, JANUARY 19, 1933.

Every governmental official or board that handles public money should publish at regular intervals an accounting of it, showing where and how each dollar is spent. This is a fundamental principle of democratic government.

OUR REPRESENTATIVE?

How the people of Texas are represented in the state legislature is graphically portrayed every time we are subjected to the disgusting spectacle of a legislative gathering. For instance, the district represented in the legislature by Coke Stevenson of Junction was overwhelmingly opposed to Ferguson and Fergusonism in the summer primaries, as shown by the tabulated vote, if our memory does not fail, and yet Coke Stevenson was elected speaker of the house of representatives as the choice of the administration—the pet of Ferguson, if you please. Coke Stevenson was not elected on the issue of Fergusonism, of course, and it seems from recent developments that he could not have been elected had that issue been forced out.

It may or may not have been to Coke Stevenson's liking that he had the sanction of omnipotent Jim for the high office of speaker of the House of Representatives, but it seems more than likely that one could not get Jim's sanction without it's being to his liking. Anyway, Mr. Stevenson has become definitely catalogued in our mind and it is our prediction that he is serving his last term in the Texas legislature as a representative of this district.

And another thing! The House of Representatives flatly refused to take the Senate's proposed cut of \$2 a day in compensation, from \$10 a day to \$8. Everybody except legislators have been forced to take cuts of more than the 20 per cent proposed for them but with the power to fix their own salaries and the money belonging to us, the saps who pay the taxes, the legislators hooted at the idea and took the constitutional limit of \$10 a day. And it is fairly certain that had the legislators consulted their constituents on this matter they would not have found one among the whole population of Texas that would have approved their action. But what can you or I do about it? Are we represented or not?

One of the wisest moves ever made in connection with expenditure of the Reconstruction Finance Corporation work relief funds is that made by the local committee in charge of expenditure of the fund in adopting the system of paying workers in script, good for purchases of groceries, clothing, drugs, medical service and other necessities, and not good for cash.

Adoption of this system will assure the committee's placing the money where it is really needed and it will make sure that it goes for necessities that will benefit all members of the family. This system should be followed rigidly, and it should have the complete endorsement and hearty co-operation of every business firm in the city.

Mrs. Dixie Brown was confined to her bed several days with an attack of the flu but is able to be out again.

SCANDALS By THE TOWN GOSSIP

Lots of people are taking a stab at the little contest we started last week in an effort to find out about this thing called Technocracy. To date we have just a few more than 1500 answers and explanations and although no two of them can be said to have the least semblance of similarity, they are all good. We have a crew of competent judges at work and as soon as they have arrived at a decision, we will send out the sterling silver cupid, C.O.D. However, we want to impress on all our admirers the fact that the contest is not over—if you haven't turned in a thesis, let us have it this week. Think how proud you will be to show the beautiful grand prize to your friends and tell them how you acquired it. Not only that, but there is a great cultural value attached to the compilation of the great mass of facts you are bound to collect in making a study of the question.

So many of our customers have expressed a desire to see their names in print and so few of them have handed us sufficient real honest to goodness scandal in the past few weeks that we have evolved the following little story for the benefit of them: It will run in installments, and will continue as long as T. G. is able to stall along and convince Mr. White that it is worth printing. Following is the introduction and the first ten chapters:

My Young Friend and I were traveling over Deland in the great North-West, and were having to Russell for Weaver several days behind schedule and our food was almost gone. We still had a few Beans, some Oldham, slightly rancid and less than a Case-beer, it being rather late, we decided to camp by the Blackwell and betake ourselves to our motel or less downy Couch. We raised our tent as it looked as though it might Schauer. Suddenly an ominous sound pierced the night air. My friend jumps up Cox his gun and says—"Watts that? Sounds like a Seahorn." With an Oath-out I jumped—"Whats all the Fuss, all that's nothing but a Drake flying Oberkampff. (to be continued).

T. G. knows a high school girl who thinks a hamlet is a little pig.

Now comes our young comrade Mr. Joe Friend who on being sworn, deposes and says—"that on or about two p. m. on the 15th day of January, at the Seahorn ranch, lying in the Southeast part of Crockett County, Texas, the said Joe Friend did then and there attempt to ride one horse, the same being named Pansy. The said horse did then and there proceed to do a tail spin, nose dive, sun fish together with a few etes. Whereupon the said Joe Friend did without malice aforethought light not gently on that part of his anatomy vulgarly known as the proboscis, bruising and lacerating said proboscis somewhat more than somewhat. "Now we are not one of those despicable characters who is prone to doubt everything every individual says but it just comes to our mind that another would-be cowboy came into town from that part of the world some few months ago, and made almost the same explanation that Friend offers at this time. Upon investigation and quite a bit of the old Third Degree, this other individual broke down and confessed that he "talked when he should have been listening."

A certain Ozona bride asked her husband to copy off a radio recipe she wanted. He did his best but it seems that he got two stations mixed up, one of which was broadcasting the morning exercises and the other the recipe. This is what he took down—we are not prepared to say with authority whether the bride attempted to follow directions: "Hands on hips, place one cup of flour on the shoulders, raise knees and depress toes and mix thoroughly in one-half cup of milk. Repeat six times. Inhale quickly one teaspoon baking powder, lower the legs and mash two hardboiled eggs in a sieve. Exhale, breathe naturally and sift in a bowl. Attention—Lie flat on the floor and roll the white of an egg backward and forward until it comes to a boil. In ten minutes remove from the fire and rub smartly with a rough towel. Breathe naturally, dress in warm flannels and serve with fish soup."

METHODIST NOTES

Several members of the Ozona Methodist Church are expected to attend the Missionary Institute program to be held at the First Methodist Church in San Angelo today.

Preaching Sunday morning at 11 o'clock and at 7:30 p. m. The services Sunday evening will be devoted to a stereopticon exposition of the Twenty-third Psalm. All the song service Sunday evening will be from the slides. J. H. Meredith, pastor.

LEAGUE ENJOYS PARTY

Members of the Epworth League of the Methodist Church and their guests enjoyed a party at the church last Thursday evening, with about 50 present. Various games were enjoyed during the evening, approximately twelve tables of players taking part. Hostesses were Mrs. John W. Henderson, Mrs. George Montgomery, Mrs. Joe Pierce and Mrs. Ted White. The young people of other churches were invited to the affair.

Mr. and Mrs. Joe Oberkampff and Mrs. F. T. McIntire returned Tuesday from a two days stay in San Antonio where Mr. Oberkampff attended a Majestic Radio dealers meeting.

PTA To Present Colorful Play

"Plaint Of The Old Rag Doll" To Be Given Tuesday Evening

"The Plaint of the Old Rag Doll," a three-act play, will be presented next Tuesday evening, January 24, in the High School auditorium under the auspices of the Parent-Teacher Association. The play, a home-talent production, is being directed by Mrs. A. W. Jones. The curtain will rise at 7:45.

The play is cast in a Christmas setting, with the scene showing a living room on Christmas Eve night with its Christmas tree and toys and dolls hung ready for the youngsters. The scene shifts to midnight when the dolls come to life and the closing scene depicts what happens on Christmas morning.

Sixteen children take the part of dolls in the production. Colorful costumes, snappy dialogues and beautiful setting are high points in the entertainment. The beautiful prize-winning Christmas tree, decorated by Miss Ethel Childress will be used in the setting for the play. Miss Childress has agreed to arrange the tree for the play as nearly as it was as possible.

The cast for the play has been announced as follows: Mrs. Thurman, Mother—Mrs. Tom Hunter.

Dottie Thurman, little girl—Dorothy Hannah. Annie, the maid—Ella Louise Casbeer.

DOLLS

# LET'S CO-OPERATE

## For Community Betterment

This issue marks the last of a series of twenty-four pages of advertising sponsored by the business firms whose names are listed below in which these firms, on behalf of themselves and the other business institutions of the town who did not co-operate in this effort, sought to present the side of business on the question of the credit system and patronizing home merchants.

In this series of ads, these co-operating business firms have attempted to improve business conditions in Ozona and to save the credit system from certain abandonment by reason of abuse. They have sought to point out the injustice of abusing credit, the loss suffered by both debtor and creditor, and the paralyzing effect such practice has on business. They have sought to make the buying public conscious of its moral obligation to settle past due accounts; to force people to a realization of the unfairness of using money which belongs to another person without that person's consent. They have attempted to paint a picture of the results of a murdered community, a community starved by the thoughtlessness of its own citizens, citizens who have failed to realize the value of home-spent dollars, values that accrue to all alike, including the spender.

The merchants represented on this page are vitally

alive to serve the interests of their community, to promote the growth of its institutions, to make this the best and happiest place on the globe for its residents. They have sought to weld the forces for progress and community growth—the forces that come from the mind and attitude of its citizens. They have directed their appeal to the reason—the fair mindedness of the people.

If this effort has served to better the community we all are proud to call home, then they are satisfied. If there have been some who have been brought to a realization of their responsibilities in a community way, the effort has been worth while. If a better understanding of the problems of your business firms has resulted, then the campaign has gone far toward making this a better place to live.

Let's all work together during 1933—work for Ozona and for the betterment of our community. It takes concentrated effort to build cities. Let's concentrate. It takes co-operation to put it over. Let's co-operate. It takes community consciousness to bring community progress. Let's awake to our community responsibilities.

## Students In Grip Mid-Term Exams

### Prospects Brightest In Years For Successful School Year

Students of the Ozona High and Grade School are in the throes of mid-term examinations this week, according to Supt. John L. Bishop, winding up work of the first semester of the 1932-33 term. The second semester starts Monday.

This year's students of the Ozona High School are doing the best work and the school is boasting the best school spirit in many years, the superintendent declared.

"There seems to be more serious effort on the part of this year's student body than ever before," Mr. Bishop said. "Grade averages are considerably higher than the average, we have practically no problems of discipline, and if the same spirit continues through the balance of the year, the present school term will go down in records as one of the most successful in the history of Ozona High School."

The 1933 graduating class gives promise of being the largest ever to secure diplomas from the local school. Twenty-seven members of the class are in regular attendance now and unless some of them fall by the wayside in mid-term exams this week, every one of the class has an excellent chance to complete the high school work this year, Mr. Bishop said.

## Missionary From Japan In Meeting

### Missionary Revival At Baptist Church Feb. 5 to 12

Rev. Ernest Mills, veteran missionary to Japan is scheduled to be the principal speaker for the Missionary Revival to be held with the First Baptist Church the week of February 5-12, it was announced Sunday. Missionary Mills will speak each evening using his stereopticon lantern and pictures depicting Japanese home and national life. His pictures were recently declared by a well-known religious worker to be "the best stereopticon pictures that I have ever seen."

The purpose of this Missionary Revival is announced to be the informing and inspiring of our people in missionary activity. The pastor, Rev. M. M. Fulmer will bring a brief message each evening on some topic of vital missionary interest in addition to Missionary Mills' address on Japan.

"We do not want to be selfish," Rev. Fulmer stated. "We want the whole community to hear and enjoy Brother Mills and see the pictures on Japan." "We are making these announcements early so that possible conflicts may be avoided."

News Notes From Our Mexican Suburb  
By SAMUEL MARTINEZ  
Correspondent

Following a tradition which was established the first of last year, the Dramatic and Recreation Club of the Village held its monthly meeting at the home of a member, Juan Landin entertaining the group this month. Members present were Mrs. Santiago Vargas, president; Samuel Martinez, vice president; Luiz Cardona, secretary; Santiago Vargas, Jose Ortiz and wife, Jesus Guerra and wife, Ernesto Martinez and wife and Mrs. Luiz Cardona. Cakes and chocolate were served following the regular business session. The next regular meeting will be held at the home of Santiago Vargas.

A play was given at the Vargas Theater, Saturday, January 14, under auspices of the Mexican W. O. W. chapter. Those taking part in the production included Elvira Vitela, Mercedes Machado, Graciela Machado, Samuel Martinez, Luiz Cardona, Andres Tijerina, Jesus Guerra and Ernesto Martinez. The same play will be presented in Sonora in the near future under auspices of the Sonora W.O.W. chapter.

club's part in street repair work, highway markings, administration of R.F.C. funds, Thanksgiving and Christmas cheer baskets, award of a trophy to the most valuable football player, assistance in Red Cross canning work and providing an operation to correct a physical defect in a local child.

Decision to invite Lions Clubs in Rock Springs and Junction to join group 23 was reached by the assembly upon proposal brought by W. E. Caldwell of Sonora.

San Angelo was chosen as the next meeting place for the group, Ed Blanton extending that city's invitation to the Lions.

### Music Enjoyed

One of the best entertainment programs ever arranged for a group meeting was enjoyed by the Lions. Each club was invited to contribute a number on the program. San Angelo presented as its number, Mrs. Mims Jackson in several vocal solo numbers, her husband, Rev. Jackson, accompanying her at the piano.

Miss Marie Watkins, Lioness of the Sonora Club and music teacher in the Sonora schools, entertained the Lions with a group of songs, playing her own accompaniment.

A male quartet composed of J. H. McClure, Neal Hannah, Richard Flowers and Ross Hufstetler was the Ozona Club's contribution to the program. The boys made a big hit with their selections. Mrs. M. M. Fulmer played the piano accompaniment for the quartet.

### ENTERTAINS BRIDGE CLUB

Mrs. F. T. McIntire entertained members of her bridge club and a few guests with an artist's party at the Hotel Ozona Friday afternoon. Tallies were in the shape of small palettes and the score cards were reproductions of works of the old masters. The room was decorated with sweet peas and roses. Refreshments consisted of a salad, sandwiches cut in the shape of artists' palettes and coffee. Favors and prizes were small water color paintings of local scenes done by Miss Kathryn Williams.

Guests enjoying the afternoon were Mrs. Joe Oberkamp, Mrs. Jim Miller, Mrs. Neal, Mrs. Arthur Phillips, Mrs. Fred Deaton, Mrs. S. M. Harvick, Mrs. J. C. Montgomery, Mrs. George Montgomery, Mrs. Gip Oldham, Mrs. Early Baggett, Mrs. Roy Henderson, Mrs. J. W. periodical visits, which he has been paying Ozona for the last quarter of a century, the matter was taken up with him by officers of the club and he immediately agreed to examine the boy and fit him with glasses without charge.

Yesterday the boy received his new glasses, in handsome frames, from Dr. Baker and was proudly demonstrating their effectiveness to his school mates.

When the youngster was examined by Dr. Baker, it was found that he could not read the five-inch letter on the test chart six feet away. It is believed that he would have been totally blind in a few more years. With his new glasses, he is now able to see well enough to do his work in school, according to Supt. John L. Bishop, and is extremely happy over his new-found ability.

Mrs. Sol Weingrude of New York City, a sister of Mrs. Harry Leaman of Eldorado, and Mr. and Mrs. Leaman were here Tuesday evening the guests of Mr. and Mrs. Ben Lemmons at dinner. ## TIME COUNTS

When you're in PAIN!

Insist on genuine Bayer Aspirin; not only for its safety, but its speed.

Take a tablet of Bayer Aspirin and some other tablet, and drop them in water. Then watch the Bayer tablet dissolve—rapidly and completely. See how long it takes to melt down the other.

That's an easy way to test the value of "bargain" preparations. It's a far better way than testing them in your stomach!

Bayer Aspirin offers safe and speedy relief of headaches, colds, sore throat, neuralgia, neuritis, rheumatism, or periodic pain. It contains no coarse, irritating particles or impurities.
