PRAIRIE FIRE BURNS OFF 20 SECTIONS LAND

Swath 10 Miles Long, 2 Miles Wide Swept Bare By Blaze

FENCES BURNED Few Sheep Die; 500 Volunteers Fight Raging Fire

Nearly twenty sections of grass land were swept bare and a number of sheep were burned to death in a prairie fire which raged for more than five hours last Thursday afternoon, starting at the dump ground on the highway east of Ozona and cutting a swath approximately two miles wide and ten miles long in a northeasterly direction.

From around noon until late in the afternoon the fire defied efforts of several hundred volunteers fighting to control it. Telephone messages sent to Ozona for help brought nearly 500 men from Ozona with brooms, brush, wet sacks and any other implements they could lay hands on and in two hours more of furious fighting, the fire was out.

The disastrous blaze is believed to have started from trash being burned at the dump ground. The fire was discovered by ranchmen in that area soon after it started and the word was spread as rapidly as possible. Dan Willis telephoned to Ozona that the fire was beyond control and in a few minutes, ranchmen, business men, school boys and girls and a hundred or more Mexicans were in cars streaming to the fire line. Fences were downed as carloads of fire fighters were rushed from one point of spread to another and it was a grimy crew of workers who returned to town in the late afternoon when the blaze was finally extinguished.

The fire broke out a second time early in the night in the Joe Pierce pasture from unextinguished clumps but was quickly extinguished.

The blaze burned across pastures belonging to T. A. Kincaid, Jake Young, Dan Willis, Ray Piner, Hugh Childress, Albert Kay and Joe Pierce. Sixteen head of sheep in the Kay pasture were so badly burned that they were expected to die. Several miles of fence were destroyed by the fire and will have to be rebuilt.

Light rains falling this week are expected to bring out the grass and weeds over the burned area in a few more days, thus speeding up the process of replacing the lost range before lambing starts.

Fulmer Observes 6th Anniversary

Six Years Leadership Resulted In Many Accomplishments

Rev. M. M. Fulmer passed his sixth anniversary as pastor of the Ozona Baptist Church recently, and took occasion in his sermon to recount some of the accomplishments of the church during his charge.

One of the greatest accomplishments of the church during Rev. Fulmer's pastorate was the construction of the handsome brick building, which was started in the fall of 1928 and completed early in 1929.

The church has enjoyed a steady growth in that time, showing a net increase in membership of 72. The church membership in February, 1927, when Rev. Fulmer came as its pastor was 188, while on the same date in 1933 the total membership was 260. The percentage of net increase was 38 per cent.

During the six years Rev. Fulmer has been with the local church there have been six deaths in the church's membership, two of these being non-residents. He has conducted 36 funerals and performed 21 marriages.

The financial statement of the period shows a total of \$88,188.05 paid out to all causes, divided as follows: Paid to local work, exclusive of building, \$27,931.13; to building and repair, \$39,401.20; to missions and benevolences, \$20,855.72.

Rev. Fulmer accepted the call to the local pastorate the middle of February, 1927, coming here from Uvalde, where he had been in charge of Boy Scout work in the district as Scout Executive. Under his leadership, the church has enjoyed a healthy growth, harmonious work and worthwhile accomplishments.

Death Claims Edward Jones

78-Year-Old Resident Succumbs Following Brief Illness

By M. M. Fulmer

Following a brief illness Ed Jones of this city passed away last Thursday afternoon at 1:30 o'clock. So sudden was his sickness and of such short duration that his death came as a surprise to most of the community. While he had had a cold for several days, neither he nor others realized the complications that were so swiftly to follow. He was seriously stricken with a type of meningitis early Wednesday morning, immediately losing consciousness, from which he never recovered. He died the following day.

Funeral services were conducted from the home Friday morning at 10:00 o'clock, the Rev. M. M. Fulmer, pastor of the Baptist Church, officiating. A large crowd of friends and neighbors were present to pay their respects to his memory.

"Uncle Ed," as he was affectionately known to the community, was one of the oldest men in Crockett County, being at the time of his death 78 years, 4 months and 5 days. He had always enjoyed good health and up until about a year ago was vigorous and strong. A severe attack of influenza last winter, however, took its toll and he was beginning to break rapidly. Even at that, few realized that he had attained to the years that he carried.

He was a pioneer in West Texas. In his youth he punched cattle all over this section from the Llano to the Pecos. At the age of 24 he was joined in marriage to Mary Tennessee McNutt, who survives to mourn his loss. For more than 64 years they walked side by side in life. To their union was born eight children, five of whom live to mourn his going. They are: P. B. Jones, Utopia, A. A. and Bert Jones of Campwood, Jack Jones of Hatch New Mexico. Gossett To Open New Continental Station Here In Few Weeks

Shelton Gossett, who until recently has been operating the Quick Service Station at the Humble corner at Powell Avenue and the El Paso road, has announced plans for a new Continental Oil Company agency and filling station in Ozona. Site for a new station will be selected in a few days and Mr. Gossett hopes to have the business in operation within the next thirty days.

Award of an electric bridge table, which was to have been given away February 28, has been postponed pending completion of the new Continental station. Mr. Gossett said. Only a few of the jobs contracted for in the bridge table contest have been completed, due to bad weather, and as soon as these are all finished, the table will be awarded, he said.

'Howling Success' Howl and Success

Joint Presentation Of P.T.A. And W.M.S. Draws Huge Crowd

"Howling Success," the joint presentation of the Ozona Parent-Teacher Association and the Woman's Missionary Society of the Methodist Church, given at the High School auditorium last Friday evening was both a howl and a success.

Some thirty Ozona men took parts in the cast, presenting a burlesque clinic in which all forms of mental, physical and moral deficiencies and deformities were quickly and painfully corrected.

One of the largest crowds ever assembled in the auditorium witnessed the presentation. Gross receipts for the evening amounted to \$156. Proceeds from the play were divided between the P.T.A. and W.M.S.

Frank James, as master of ceremonies, announced the arrival of the famous trio, Doctors Sillee, I. C. Tonsils and I. Sawbones, in the persons of V. Vanzandt, Bryan McDonald and Hugh Childress, Jr. These infamous surgeons brought as their assistants Miss O So Cutie, charmingly impersonated by M. M. Fulmer, and Miss Addie Noid, the personality girls whose charms were displayed by John L. Bishop. To the clinic came Mrs. Doodad (Guinn Caruthers) with her twins, Rosyie Josye Doodad (Neal Hannah and Richard Flowers) and Honey and Sonny Doodad (Ross Hufstelder and L. B. Townsend), who later formed a quartet in song, their childish voices blending in true barbershop harmony in "Nut-Brown Maiden."

Then, in succession came Giggle Jennie (Jabe Young) on the arm of her mother (Bill Grimmer), Mr. Peck (Royce Smith) and his

ANNUAL FUN NITE PROGRAM HERE FRIDAY

Athletic Dept. Plans Evening Full Of Entertainment

BALL GAMES

Stunts Planned For Intermissions; Expect Big Crowd

Basketball contests, tumbling acts, stunts of every character and a rapid-fire evening of side-splitting entertainment will be furnished the population of Ozona Friday evening, starting at 7:15 o'clock, in the High School gymnasium when the second annual "Fun Night" program will be presented under the auspices of the Athletic Department of the High School.

The evening's entertainment will consist of basketball games between High School classes, faculty and town and Junior High. Each game will be short and blistering with talent, with form cast to the wind and the will to win predominating. Such outstanding athletes as Interceptor Miller, Strikem Moore, Hackem Freeman and Ozel Shot Westfall will be starring and mooning about for the High School boys, while Captain Montgomery will take the scoring lead for the girls.

The game between the Mythical Princesses and the Butterfly Sextet will be featured by a rapid-fire offense headed by Captains Richardson and Rutledge, assisted by others talented in the art of fumbling, charging and blocking. The Faculty vs Town boys game will demonstrate a well-meaning but ineffective series of frog hops, and the game will die a frog's death.

Between games and between halves, various amusing stunts will be offered for the entertainment of all. Michael Mantusky and Mantusky, Jr., will be on hand with their dizzy tumbling scenes, and the smaller boys will be featured in rope climbing contests, pillow fights, battle royal and the like. A series of stunts on the leather horse will be presented under the direction and guidance of John L. Bishop. Each class will be represented by some drill or stunt also.

A contest to decide the most popular High School girl will be closed during the "Fun Night" program. Each student will be allowed one vote and each person passing into the grandstand will be allowed one free vote. All other votes will be sold at once cent each.

It is hoped that the entire population of Ozona will be on hand for the second annual night of merriment in the annual get-together. Don't fail to attend.

NICK CARTER RETURNS

Nick Carter has come back! The ace of all detectives, who was a household word when we were very young, has returned after the passage of many years, to thrill again those of us who remember when his hairbread-thin escapes, his brilliant detective work, kept us awake until the wee small hours of the morning; when we simply could not stop reading until he made sure the hero would win out in the end. So strongly did he hold us in those days that if a window shade suddenly snapped up to the roller, we suppressed screams with difficulty and our hair stood on end.

When our elders forbade us to read the thrilling exploits of Nick Carter, they did not understand his fascination for us, also they would have read about him, too. And now he is back, and ready to thrill us again. He is equipped with all modern methods of crime detection. His wits have sharpened with the years. There is little doubt that he will again take his place in the hearts of those who love thrilling, clean, wholesome stories of crime-detection—in which the criminal always loses, though taxing Nick Carter's ingenuity to the utmost. Millions of readers will welcome the return of one of the most famous characters in detective fiction.

METHODIST NOTES

Preaching next Sunday morning at 11. The subject will be "Methodism's part in developing modern missions." Sunday night we will present a set of forty-seven slides on "The Pathway of the Pilgrim Fathers." The songs will be from the screen.

The Lord's Supper will be administered at the close of the morning service.

THAT'S ME—

I'm the pill that hands out unasked for advice. No matter what you are doing, I can tell you the way you should do it. When you make a mistake I'm the first to say, "I told you so." My business is always in a mess, but I certainly can tell the other fellow how to run his. No body likes me and I can't understand. I always tell them I would have known better if they had only asked me before they made their mistakes.

Say "I saw it in the Stockman."

SCANDALS

By THE TOWN GOSSIP

Sorry to disappoint you last week, customers but truth to tell T.G. was down at Austin all week working on a little project which bids fair to be of untold benefit to Ozona and Crockett County—incidentally it may help T. G. in his effort to accumulate his first million. Guess you all have been reading in the papers about the contest between the Fergusons and the senate over just who shall be the chairman of the highway commission for the next few years. It seems that anyone who is in favor with the Fergusons are bound to be very malodorous to the sensitive nostrils of those discriminating gentlemen in the senate—and vice versa. Well, T. G. grasped the lion by the horns in his usual fearless manner, went down and bearded the bull in his den and came back with a promise of each group that T. G. is to be offered as a compromise candidate and inasmuch as he is strictly neutral it looks like the chances are excellent for his appointment and confirmation is assured. So much for that—Just between you and me, as soon as I get in the saddle, I intend to push our road paving project to a finish, then I shall make a point of insisting that every ranchman in our county have a Class A Highway right to the front door of his ranch home—the Montgomerys, the Wests, the McMullins, the Robisons, the Millers. After that is done, it is my purpose to have our county exempted from taxation in any form. Now all this is not to go any further for the time being—so mums the word.

Constable Tom Smith vouches for the authenticity of this incident—Our very efficient constable was out on his regular beat the other afternoon when a small boy came roaring down the street, crying as he ran. Mr. Smith stopped the boy and asked him the cause of such an unseemly amount of tears. The boy replied that his ma and pa were fighting and expressed a wish that the constable would come and put an end to the fracas. Smith said—"Who is your daddy, son?" Whereupon the lad made this astounding assertion—"That's what they're fighting about."

Humiliating as it is we must break down and confess that we are losing our "Nose for News." We just heard of a Crockett County couple who were divorced before the news of their secret marriage leaked out.

The boys are lambing all over our county—no kidding. Very little kidding anyhow.

We are still laughing over the antics played by a certain Dr. Silice at the Big Prairie Fire east of the city last week. Dr. Silice made a rush for the scene of the debacle equipped with a "two by four" about six feet long. Believe us, there wasn't much left of the shillalah when the fire was extinguished.

Occasionally T. G. patronizes a man who sells fresh vegetables in front of the Ozona National Bank. We listened in on this conversation this morning—between the vegetable man and a friend of

his: Friend: "Say, buddy, how about borrowing \$5 until Saturday?" V. M.: "Awfully sorry, old man, but you see I have a sort of a gentleman's agreement with the boys in the bank here, that if I will refrain from loaning any money, they will not sell any vegetables."

AUSTIN—The Legislature News Bureau of the Texas Press Association has been established for the purpose of providing an unbiased reporting service on pending tax measures and matters pertaining to governmental costs. The reports will be free from propaganda or editorial opinion. Only facts will be given in order that the people may have definite information, leaving the people to form their own opinions and take such action as seems wise to them. The bureau will not engage in lobbying and will not support or oppose any particular programs, measure or officials.

Total receipts of the State government for the fiscal year ending September 1, 1932, were \$96,834,751.25. Of this amount \$24,175,000.74 came from ad valorem taxes, \$28,213,020.59 from the gasoline tax, while the gross receipts tax yielded \$7,001,299.89.

Other receipts include: Insurance companies occupation, \$2,256,950.27; cigarette, \$2,420,645.42; franchise, \$1,490,349.73; gross receipts, \$1,553,796.88; licenses, \$3,626,619.11; fees and permits, \$1,130,384.55; land sales, rentals and royalties, \$2,355,893.84; interest and penalties, \$3,623,324.22; Federal, county and other aid, \$15,803,686.68.

Above are major sources of income. Principal expenditures follow: judicial, \$2,371,158.90; military and law enforcement, \$1,208,466.22; regulation of business and industry, \$1,137,021.79; development and conservation of natural resources, \$1,978,007.21; highways, \$39,458,336; eleemosynary and correctional, \$5,744,739; public schools, \$28,961,509.14; higher education, \$9,525,277.33; pensions, \$3,562,641.57. Figures are from the Comptroller's office. Items of income and expenditure of less than one million dollars are not included in the above.

Forty-one per cent of all State expenditures are for highways, thirty per cent for public free school and slightly less than ten per cent for colleges and universities. These three items, plus Confederate pensions, care and education of blind, deaf and other wards of the State, account for ninety-one per cent of all State expenditures. Hence, if all other costs were eliminated, including judiciary, law enforcement, legislature and executive, saving to taxpayers would be less than ten per cent.

The first bill relating to costs of government to be passed by

both House and Senate provides for 25 per cent reduction in the pay of Rangers. It takes effect immediately and continues until August 31, 1933. Captains are reduced from \$225 per month to \$170; sergeants from \$175 to \$130 privates from \$150 to \$112.

The House passed the judiciary bill last week providing for 25 per cent reductions in pay of judges and district attorneys, and elimination of assistant district attorneys. The bill applies to district and higher courts.

A medicine that brightens people's lives

Fortunately for most of us, a state of happy health does not depend on strength. But like any other piece of machinery, the human machine must be properly regulated to run right.

There is a simple means of regulating the system. It makes an amazing difference in the way your organs function and the way you feel.

It pays most men and women to try this regulation. You may consider yourself in fairly good health today, and after only two weeks' regulating realize you were only half alive.

This means of stimulating the system to new life is a prescription, and it is known as Dr. Caldwell's Syrup Pepsin. It's derived from fresh herbs, active senna, and pure pepsin. Every druggist keeps it on hand. Get some today, and take some tonight.

Whole households have blessed this family doctor's prescription. It has saved old and young from sluggish spells—and from downright sickness. It's the only tonic you may need; the only laxative you need. It is the most likeable and remarkable medicine you ever tasted.

Try one bottle of Dr. Caldwell's Syrup Pepsin and compare your condition with how you felt before!

We Know Our Groceries

From the Price Standpoint, and From the Quality Standpoint.

We have been berated lately for not running specials.

Ladies and Gentlemen—we are in the position of having our feet on the bottom. Were we to run a special you would laugh, because we are selling just as cheaply as the law allows. They can't be specialized.

All this time we have had to pay a reasonably high freight rate, and our position has been assailed by competition who claimed that since trucking is such a dirt cheap process that they did not have to add but a fraction of of the standard freight charge to their merchandise and STILL make a profit.

STARTING THIS FIRST OUR MERCHANDISE IS BEING PREPAID FROM ANGELO, which will allow us to reduce prices still further.

FREIGHTING BY TRUCK is nothing new to us. For two years we hauled virtually all the merchandise there was hauled into Ozona, in all lines—Dry Goods, Groceries, Hardware, etc. The rate at that time was 80¢ the hundred. We got out finally—glad to. You can't put any more Monkeys on our back.

TODAY the WHOLESALERS for competitive reasons say—ALL RIGHT—we will pay that freight.

If you haven't shopped with us—Quit being kidded into this talk of overhead. Sum up the other fellow. Come in and find out for yourself. All this leads to—More Sales for Us—and depend on it. WE APPRECIATE YOUR BUSINESS.

Jacobs is Defendant, and a brief statement of Plaintiff's cause of action, being as follows: That heretofore, to-wit, on or about the 3rd day of January, A. D. 1930, defendant made executed and delivered to plaintiff his two certain promissory notes, one for the principal sum of \$65.00 and the other for the principal sum of \$60.00, both bearing date on the day and year aforesaid, one due on the 1st day of December, A. D. 1930, and the other due on the 1st day of December 1931, both payable to the order of plaintiff, at Ozona, Texas, bearing interest at the rate of 10 per cent per annum from date until paid, and stipulating for ten per cent on the amount of principal and interest then due as attorneys fees in case suit was brought on same or if placed in the hands of an attorney for collection, and providing that default in the payment of one of said notes gives plaintiff option of declaring both due and payable; that defendant failed to pay said \$65.00 note when same became due and payable wherefore plaintiff has declared both of said notes due and payable, whereby defendant became bound and liable to pay and promised to pay plaintiff the sum of money in said notes specified, together with all interest and attorney's fees due thereon according to the tenor and effect thereof.

That on the 3rd day of January, A. D. 1930, plaintiff executed and delivered to defendant a certain deed of said date conveying to defendant a part of lot No. 2 in Block No. 132, in Ozona Crockett County, Texas, and did to said deed retain a vendor's Lien, to secure the payment of said notes which were given as part of the purchase price of said land. That plaintiff is the legal and equitable holder and owner of said notes and indebtedness, and the same is now due and unpaid and said vendor's lien now remains in full force and effect, and is a valid and subsisting lien against said land and premises, and defendant though often requested, has failed and refused to pay said notes, or any part thereof, but the same remains due and unpaid that said note has been placed in the hands of his attorney for collection and plaintiff has contracted to pay him the ten per cent attorney's fees therein, the same being reasonable and the usual and customary fee.

Wherefore, plaintiff prays the court that defendant be cited to appear and answer this petition, that he have judgment for his debt, interest attorneys fees and costs of suit, and for the foreclosure of his lien on the above described land and premises, and the same be decreed to be sold according to law; that the sheriff, or other officer, executing said order of sale shall place the purchaser of said property sold under said order of sale in possession thereof, within thirty days after the day of sale, and for such other and further relief, special and general, in law and in equity, that he may be justly entitled to.

HEREIN FAIL NOT but have before said Court, at its next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Ozona, Texas, on this 1st day of March A. D. 1933.

George Russell, Clerk, District Court, Crockett County, Texas.

Issued this 1st day of March A. D. 1933, George Russell, Clerk, 41

and Mrs. L. E. Guess of Utopia. The first three of these named were with their father at his death. He also leaves three brothers, Gus Jones of Phoenix, Ariz., B. Jones of Hot Springs, N. M., and Steve Jones of Lampassas, Texas.

Uncle Ed was converted about three years after his marriage, and united with a Missionary Baptist Church. The consistency of his Christian life was recognized by all who knew him.

Uncle Ed and his good wife, known to the community as "Aunt Tinnie," moved to Ozona about four years ago, and since that time have resided at the home of Mother Hoover, sister of Mrs. Jones. The sweetness of the companionship of these three old people has often been remarked by those who knew them best.

BUSINESS IS GOOD, Thank You!

I am not alarmed over business conditions. I am not making an appeal to "save" my business—it will save itself. But my appeal is to "save" the people of Ozona—my friends. When ignorance rushes in with the idea of strangling every good there is in a community—making false claims—using every underhand method known to the untutored in business and social relations—then it is time for somebody who has the future interests of that community at heart to take a hand and present some of the facts. If cut-throat methods, false claims to hoodwink the people, and malicious misrepresentations are rampant from a source of utter ignorance and poor standards, then it is time for the people to be on their guard and our sole purpose is to put them on their guard—to penetrate under the screen of much publicized devotion to the faith to find out the true natures behind.

There is no competition in price these days. We can and do sell as cheap as anybody—and we invite comparison—not on one item alone but on every item. That's one place we ask you to be on guard—compare all prices—see the truth. Don't be hoodwinked by a business that has shown its only interest in your community and my community is to bleed it of as much as possible and put nothing back toward building up. A man who has been a failure to the evening of life can not be expected to know the necessary tenets of success in business—truth, fair dealing and a willingness to serve his fellow men. Ask yourself if your town is getting a square deal.
