ALL TEACHERS RE-ELECTED BY SCHOOL BOARD

Present Faculty Will Remain Intact For 1933-34 Term

RE-ELECT BISHOP

Superintendent Named For Sixth Full Term As School Head

The entire faculty of Crockett County schools will be retained intact another year, it was decided by the School Board in session here Monday night.

Superintendent John L. Bishop was re-elected to that post at a previous meeting of the board, and at Monday's night's session the faculty was completed by wholesale re-election of all this year's staff.

Mr. Bishop was re-elected to serve his sixth full term in that position. He was elected to the position of superintendent in the Spring of 1928, succeeding C. C. Mintra, who accepted a post in the Junior College at San Angelo. Mr. Bishop came here in the fall of 1926 and served as High School principal until his election to the post of superintendent.

C. S. Denham was re-elected High School principal. Others of the High School staff who were re-elected include Guinn Carruthers, manual training and science; Ted White, mathematics and athletic coach; Miss Lucille Williamson, English; Miss Ada Moss, home economics and physical education; Miss Ludee Mae Harrison, commercial work and physical education; and Miss Patti Raiza, public school music in all grades, and health in the fifth, sixth and seventh grades.

Grade school teachers include Miss Sophie Haug, kindergarten; Miss Elizabeth Fussell, first grade; Mrs. R. O. Smith, second; Miss Norene Allison, third; Mrs. C. S. Denham, fourth; Miss Aleen Hampton, English, spelling and reading in fifth, sixth and seventh; Miss Mary E. Webb, arithmetic, geography and citizenship in fifth, sixth and seventh; and Mrs. Tom W. Hunter, history, writing and art in fifth, sixth and seventh.

The 1933-34 staff in the county schools include: Mrs. Nell Smith, primary work in Mexican school; Miss Helen Chapman, upper grades in Mexican schools; Miss Mildred North, Live Oak School; Miss Mildred Cook, and Miss Sarah Cook, Powell Field School.

Baseball Season Opener April 16

Locals Play Miles In Double Header Here Easter Sunday

Baseball and Spring go hand in hand, and a visit to the Powell Field park any afternoon will convince one that Spring is really here.

Baseball practice got under way here several days ago, with probably more material available for the 1933 Giants team than in many years past.

The first game of the new season, according to present bookings, will be played here on Easter Sunday, April 16, according to announcement of Jake Young, secretary of the club. The opener will be a double-header with the Miles Giants. Team managers are working to fill out the season's schedule but so far no further games have been matched.

Kites Of All Breeds To Compete In Tournament Sponsored By Lions Club At Fair Grounds Saturday Morning

Hey, Skinny! Got your kite made yet?

If you haven't you'd better get busy, because there's going to be lots of valuable prizes given away next Saturday morning in the Lions Club's Kite Tournament to be held at the Fair Grounds beginning at 9 o'clock.

In fact, the air is expected to be thick with kites, kites with long tails and with no tails, box kites, airplane kites, bird kites, fancy shaped kites, vari-colored kites and kites of all breeds and descriptions—all made by the boys and girls who are to compete in the tournament for the various prizes offered by Ozona merchants.

All kites must be made by the person entering them. To win a prize, a kite must fly, that is, it must fly to the satisfaction of the judges. If in the opinion of the judges there is no sufficient wind to hold the tournament, a new time will be set by the judges. The committee of judges includes Jim Miller, Royce Smith and Frank James.

Both boys and girls are eligible to enter the contests. There will be a special division for the girls, however, in which the boys will not be permitted to compete. Four prizes are offered in the girls-only contests, for the highest flying kites for both high school and grade school girls.

The list of prizes and contest divisions follows:

Largest kite with tail—pair half soles—Jones Saddlery Company.
Largest kite without tail—base ball—Ozonia Hardware Co.
Smallest kite with tail—haircut—Sorrels Barber Shop.
Smallest kite without tail—2 1/2 lbs. kite twine—Flowers Grocery.
Highest flying kite—with tail—pocket knife—West Texas Lumber Co.

Highest flying kite without tail—suit pressed—Roy Parker.
Prettiest kite with tail—50 cent pencil—Smith Drug Store.
Prettiest kite without tail—suit pressed—Model Laundry.
Most original kite with tail—haircut or shampoo—Petit Barber Shop.
Most original kite without tail—lunch—Hotel Ozonia.

Most odd shape—press suit or dress—Ozonia Tailor Shop.
Most birdlike kite—pocket knife—Chris Meinecke.
Best box kite—pocket knife—J. H. Williams & Sons.
Best airplane kite—suit of underwear or shirt—Lemmons Dry Goods Co.

Best parachute jump—haircut—Corner Barber Shop.
Most original string winder—lunch—Moore's Cafe.
In the division strictly for girls the prizes are as follows:
High School Girls—
Highest flying kite, first prize—\$1 cash—Ozonia National Bank.
Second prize—bath salts—Populair Variety Store.
Grade School Girls—
Highest flying kite, first prize—\$1 box candy—Hancock's Cafe.
Second prize—50 cent box candy—Ozonia Drug Store.

Contestants are urged to enter one division of the contest in advance of the tournament. Entries may be filed with J. H. McClure, chairman of the committee, at Smith Drug Store. A prize will be given to each boy or girl entering, this prize to be independent of the contest prizes.

Mr. and Mrs. P. C. Coates, Jr., who were injured in an accident on the Pyle ranch in Pecos County recently, were brought here the first of the week. Mrs. Coates being taken on to San Angelo where her broken leg will be re-set. Mr. Coates was taken back to Fort Stockton by his parents, Mr. and Mrs. Collins Coates, who were with them.

Sub has definitely stepped out of the proposed circuit.

Present Contest Plays Here Wed.

School And Town Tournament Entries To Be Staged Here

Two one-act plays with which Ozonia is to be represented in the near future in two one-act play contests, together with a playlet featuring children of the lower grades of the local school will be given at the High School Auditorium next Wednesday evening, March 22, it was announced this week.

"Jazz and Minuet," the vehicle selected by the Ozonia High School for its entry in the Interscholastic League one-act play tournament to be held at Ballinger March 31 and April 1, and "The Valiant," the Ozonia entry in the second annual one-act play tournament sponsored by the Thirteen Dramatic Club of Sonora April 15, are the two contest plays to be presented to Ozonia audiences in advance of the tournaments.

A group of 37 small children have been organized for a playlet to be given at the same time to complete an evening of entertainment. Admission prices will be 25 and 15 cents, proceeds to go toward paying the royalty and other expenses of taking the plays to the place of contests.

Mrs. A. W. Jones is directing both plays. The cast of "Jazz and Minuet" is composed of High School girls and boys who, under Mrs. Jones' direction, have attained an almost professional degree of perfection in the presentation of this splendid play. Members of the cast include Misses Carolyn Montgomery, Totsy Robison, Helen Adams and Tommy Smith, and Gene Montgomery and Ben Williams.

"The Valiant" is being staged by a group of local talent including Jake Young, Glenn Rutledge, Evert White and Miss Helen Adams. Depicting a scene in the warden's office on the night a condemned prisoner is to be executed, this play is described as one of the strongest one-act plays ever written.

"The Valiant" will be given at Sonora in competition against those to be presented by the Sonora club and a group from San Angelo. The prize is \$25 in cash to the winner.

Ozonia Typists To Dist. Tourney

Locals Have Hi Hopes Of Winning Alpine District Meet

The Ozonia High School Typewriting team is enthusiastic in its preparations for the Alpine District Tournament in April; and because of their recent success at McCamey and Big Lake, they view the oncoming contest with confidence.

Pauline Williams and Ernest Van Zandt competed at the Big Lake tournament two weeks ago, and won second place as a team, with a score of 115.11, while Pauline Williams won second place as an individual. McCamey took first honors with a team score of 119.42.

This is an unusually good record, since a score under such conditions seldom reaches the average attained in every day class work. The highest record of the local team is 48 words per minute, with an accuracy score of 98%, making a total score of 146, with only two errors on a fifteen (15) minute speed and accuracy test. The team is being trained under Miss Ludee Mae Harrison, head of the commercial department of Ozonia High School.

And Now Bing-Bang! Artists Of Latest Craze In Contest

The Yoyo had its day. The jig-saw puzzle had its.

And now—the BING BANG

This new concession to the great American demand for amusement made its appearance yesterday, and within fifteen minutes after the close of school, everybody was doing it. It's a great little gadget, consisting of a ping-pong paddle and a rubber ball attached to a rubber string, the idea being to bat the ball successively as many times as possible. With a little practice one becomes quite proficient and records were falling like church steeples in California here yesterday afternoon. To quote the standing record now would be out of order, for five minutes from now that record would be history.

Anyway, there is going to be a Bing-Bang tournament along with the kite tournament at the Fair Grounds next Saturday afternoon, sponsored by I. G. Rape of the Ozonia Drug Store. Mr. Rape is offering a box of candy to the Bing-Bang artist who piles up the most number of successive hits. Now watch the records fall.

Grand Visitors Of OES Honored

Worthy Grand Matron And Other Officers In Meeting Here

More than 65 members and visitors were present at a called meeting of the local chapter of the Order of Eastern Star here Wednesday evening, honoring grand officers of the order who stopped off here on their way from a training school at Eden to hold a similar school in Del Rio.

The high point of the evening was an inspiring address by Mrs. Riva Burnett of Miami, Texas, Worthy Grand Matron. Other state officers also made brief talks. A buffet supper was served at the conclusion of the meeting.

Among the visitors were Mrs. Burnett, Worthy Grand Matron, W. F. Easterling of Del Rio, Worthy Grand Patron; Mrs. Edith Findlater of San Angelo, past Worthy Grand Matron; Mrs. Mae Sims of Austin, Grand Examiner; Miss Florence Horner of Uvalde, district deputy Grand Matron; Mrs. Winnie Davidson of Ozonia, deputy Grand Matron; Mrs. Clara Couch of San Angelo, Mrs. Margaret Rees, Miss Frances Huggins, Mrs. Laura Huggins, Miss Flossie J. Coates, Mrs. Gussie Edens, Mr. and Mrs. H. L. Puckett and Mrs. Eddie Johnston of Big Lake; Mr. and Mrs. W. O. Alexander, Mrs. Maggie Poer and Mr. and Mrs. J. H. Jarvis of Eldorado; Mrs. Laura Odom, Mrs. Lucille Hutcherson, Mrs. Ardena Speed, Mrs. Jean Westbrook, Mrs. Mamie A-walt and Mrs. Margaret Turney of Sonora, Mrs. Ethel Bishop, Mrs. Christy Rhynes, Miss Evelyn Webb and Mrs. Gertrude Van Zandt of Ozonia, Mr. and Mrs. Elwood G. Lewis, Miss Edna Lewis and Mrs. Ellis White of Northport Long Island, New York. The New York party were guests at the Hotel Ozonia and attended the meeting. Mr. Lewis is assistant grand lecturer of the Eastern Star of New York state.

Street Work Resumed Here

Half Of March Allotment Received; Balance To Come

Street repair work, being done with funds advanced by the Reconstruction Finance Corporation again got under way Monday after the first advance on the March allotment of \$800 allowed by the corporation to this county had been received.

A check for \$200, representing one-fourth of the amount allowed for March, was received late last week and another for a like amount was received Tuesday. The balance will be forthcoming before the end of the month, and additional funds are expected for April.

"PROSPERITY," the funniest vehicle yet for that inimitable pair of fun makers, Marie Dressler and Polly Moran. It's at the Ozonia Theater next Monday and Tuesday nights. Auspices Ozonia Woman's Club. You'll miss it if you miss it.

Fire Protection North Part City

Big Water Mains Laid, Two Fire Plugs To Be Installed

Fire protection and adequate water pressure is to be provided for residents of the north section of Ozonia as a result of improvements under way this week by the Ozonia Water Works.

A new 53-16-inch main is being laid from the Hotel Ozonia corner to near the north edge of the town section this week, crews starting the ditch Monday morning and laying the big pipe. This will be one of the largest mains in the city when it is tied in.

Two additional fire plugs will be installed as a means of furnishing fire protection to that section of the city. It has been impossible to provide fire protection in that area heretofore on account of the small mains, but with this improvement, the town will have fire plugs located at strategic points throughout the city, this being the last area not so protected.

The larger main will extend a distance of approximately 2,100 feet, or to about the corner of the Baptist parsonage. One of the fire plugs will be located at the corner of W. D. Barton residence, across from the High School building, and the other, although not definitely located as yet, will probably be at the corner of the Baptist parsonage, according to Bryan McDonald, water works manager.

Other recent improvements in the local water system include the laying of approximately 1200 feet of 2-inch main across the draw and the connection of a four-inch main along Powell Avenue which has been in the ground a year or more but has not been connected.

Methodist Men To Meet For Social Gathering Tonight

A "Men's Meeting" to which every man of the church has been invited, will be held at the Methodist Church tonight (Thursday) beginning at 7:30 o'clock, it has been announced by the pastor, Rev. J. H. Meredith.

Only a general hint as to the nature of the meeting is given, a large crowd is expected since it has been definitely announced that whatever transpires will have its beginning around the supper table.

"But there will be some music, and plenty of opportunity for visiting and talking, provided any one feels like it," Rev. Meredith said in his announcement.

OZONA ALL SET TO ENTERTAIN PTA CONCLAVE

150 to 200 Visitors Expected Here For Dist. Conference

CONVENES THURS.

Meet To Be In Session Last Three Days Next Week

Ozonia is all set to entertain between 150 and 200 women delegates and visitors to the annual Sixth District Conference of the Texas Congress of Parents and Teachers which will be in session here three days next week, March 30, 31 and April 1. Under the leadership of the local Parent-Teacher Association, the people of Ozonia are planning a hearty welcome to the visitors and a full program of social events to be sandwiched in between the business sessions of the conclave has been arranged.

Programs, badges, etc for the Conference are being printed this week and committees in charge of arrangements have everything set for the arrival of the delegates. Homes of Ozonia are being thrown open to receive the visiting ladies and a round of suppers, teas, luncheons, a chuck wagon dinner, musical programs and the like have been arranged for their entertainment.

Most of the delegates and visitors are expected to arrive Thursday morning. The first event on the program will be a luncheon, honoring state and district officers and officers of the local associations, to be given by the Ozonia Parent-Teacher Association at the High School. Registration of delegates and visitors and assignment of homes will start at 1 o'clock in the vestibule of the High School auditorium and will be followed by a program check full of interesting discussions centering around the main theme of the conference, "Safeguarding Childhood Through This Crisis."

A seated tea at the Hotel Ozonia Thursday evening, courtesy of the Ozonia P.T.A., a luncheon at the Methodist Church Friday noon, a chuck-wagon supper Friday evening furnished by the ranchmen of Crockett County and a luncheon served by the home economics classes of the Ozonia High School in the D. E. rooms of the new high school Saturday noon are among the social features outlined for the gathering.

Many notables of state and district Parent-Teacher work will be here for the Conference. Among these will be Mrs. A. F. Wood of Athens, Texas, state president; Mrs. Thomas Head of San Angelo, Sixth District president; Mrs. M. J. Woodson of Temple, state chairman of home education; Miss Helen Hardy, Austin, division of Child Welfare, State Board of Control; and a number of other leaders in the work over the state.

Mrs. Albert Kay, district fourth vice president, is general convention chairman, with Mrs. L. B. Cox as assistant chairman and local program chairman. Other local committees on arrangements housing, transportation, registration, etc., have been named by the local president, Mrs. Ira Carson, and have the stage all set for the big gathering.

FULMER IS SPEAKER

Rev. M. M. Fulmer, pastor of the First Baptist Church, spoke to the student body of the High School Thursday morning at the regular chapel hour. The chapel program also included several declamations by students who are preparing to compete in the interscholastic League declamations in the county meet to be held here the first week in April to select contestants for the district meet in San Angelo.

THURSDAY, MARCH 23, 1933.

Every governmental official or board that handles public money should publish at regular intervals an accounting of it, showing where and how each dollar is spent. This is a fundamental principle of democratic government.

WASTING LIFE IN THE U.S.A.

Statistics just published reveal that 33,500 Americans lost their lives in motor accidents during 1931, while more than a million, or approximately one per cent of the population, sustained injuries in these accidents. This is an appalling record and the unfortunate part is that the figures for the past decade have shown a steady increase from year to year. Americans have several rather unenviable records as compared with other nations—they boast of the highest fire loss and of the largest accident rate of any country in the world. Devotion of citizens to the principles of law and the maintenance of order and the electing of honest, capable officials will remedy the first, while carefulness will do away largely with the second and third. Too much rush and too little thought of the consequences are characteristic weaknesses of the average American and these accident figures prove it. It is hoped that when the figures for 1932 are published, they will show a decrease and that the campaign to promote safety will continue to bear fruit more fully in the future.—Record, Muskegon Heights, Michigan.

A LITTLE STREET WHERE OLD FRIENDS MEET

That little street is right in your own home town. If you make it a friendly street outsiders will want to come and share it with you. They will sense the glow of friendly contact and wish to linger long within its warmth. And a friendly street is so easy to obtain. Just a kindly attitude towards your neighbor and others with whom you divide the care of the day. Just a little human understanding of what constitutes gentleness and courtesy. That's all you need to make a street where old friends want to meet.

The community that prospers is always a friendly community. Today the world is seeking out such places. There is so much of travail and harshness in the everyday affairs of life that friendly havens beckon from afar. If you want your home town to be prosperous, to be known as a friendly spot, then you be friendly, too. It is a good message to carry with you during the year—and it pays big dividends in happiness and prosperity.—South Kent County News, Grand Rapids, Michigan.

THAT'S ME—

On the handy man around the house. If anything needs fixing just let me know. I can repair anything from the electric lights to coal bin. Just a little wire a few nails and a hammer and I'm gone. I love to fix little things. No, No, don't call me the repair man, that is don't call him until I wreck it good and proper.

The constant and consistent advertiser is still doing business.

No Need To Argue

Soremouth Vaccination Calls Forth Inventive Talent Of Local Ranchers

Major Hoople, the Edison of "Our Boarding House," has nothing on Crockett County ranchmen when it comes to raising a crop of clever inventions from fertile brains.

The new soremouth vaccine, by which ranchmen hope to eliminate once and for all this scourge of the range, has given rise to wholesale exercise of the inventive genius, and as a result the country is flooded with clever little gadgets designed to put a drop of vaccine into an abrasion on the skin of every sheep.

A scratcher to break the skin, a container for the soremouth vaccine and something to rub in the medicine if carried separately would amount to a considerable bundle, to say nothing of resulting in no little lost motion through changing from one implement to another while vaccinating. To combine all the tools into one, with the vaccine included was the problem which taxed the inventive minds of ranchmen.

So far we believe Vernon Cox wins the plush-lined horse trough for the cleverest invention. His is a small iron pipe which serves as a handle and a container for the liquid at one end and the same time. Mounted on one end is a "scratcher" or three sharp-pointed needles with which the skin abrasion is made. Then a one-third turn of the instrument brings a small ball valve, like those used in lubricating certain automobiles, into action. A slight pressure on the little ball brings out a drop of the vaccine on the open scratches in the skin.

Still another one-third turn of the instrument and a small tuft of bristles may be rubbed into the vaccine-soaked abrasion, insuring a successful vaccination. The handle and container holds enough vaccine to vaccinate 700 sheep.

Joe Pierce contributed a different model. He took a mucilage bottle, one of those kinds with the rubber spout which is used as a sander with automatic feed. On the bottle he mounted a piece of pierced tin, much like the little tin cleaners that come in cold patch outfits. The tin was riveted to a leather strap and the strap buckled tight around the bottle. This instrument is used in the following manner: The tin scraper is turned down and rubbed rapidly against the sheep's hide until the skin is broken. Then the rubber snout of the bottle is rubbed into the wound, automatically releasing the medicine into the cut and rubbing it in at the same time.

You may like one or the other may be your choice, or you may have still another idea. If the latter, maybe some sort of a contest can be arranged and the best invention of the vaccinating age decided for all time.

Say "I saw it in the Stockman."

Champion Bull Of 1933 Brought Back To His Ozona Home By Woman's Tears

A woman's tears and—a bull calf!

Commerce, profits, actual cash—and a woman's love! The home ranch, where a Hereford calf was chosen to be grand champion and king of his kind—and the wide spaces of all West Texas where he might roam forever and never find "home!"

All these things are mixed into the life story of Beau Gwen 50th, grand champion bull of the 1933 Southwestern Exposition and Fat Stock Show, even though Beau Gwen 50th may not know it.

But this king of the Herefords does know that he is back on the green grass to which he is accustomed and among the friends he has known from his babyhood—back at Ozona, where he first saw the light and back with Mrs. Joe T. Davidson, who picked him as a baby to be grand champion of the Fort Worth show.

And a woman's tears score another victory as this comes to pass.

For Beau Gwen 50th was sold in the auction ring last Wednesday to W. H. Banker III of Wharton—way down in South Texas. And the big-little calf had no right to expect to see again the West Texas home of which he may have been so fond nor the people whom he had grown to love.

But Beau Gwen 50th did not go to Wharton to make a new home amid strange surroundings. Instead he went back—back home—back to Ozona, West Texas. And that is the story of a woman's tears. For Mrs. Davidson found she could not let the Hereford king go. She loved him too much.

And so her husband—wary with tears that flowed for four days—bought the champion back as the show closed and shipped him home to Ozona. Nothing was said as to the premium paid to keep the champion calf where Mrs. Davidson could see and pet it; but those in the know declared the price was enough to make it well worth while. And the animal had sold for \$1,200 in the Stock Show auction ring; so the purchase price must have been a pretty figure.—Fort Worth Star Telegram.

Houston Smith was in Temple several days this week.

Mr. and Mrs. Mike Friend left this week for Temple where they will visit with friends, and receive medical attention.

Miss Ludee Mae Harrison, teacher in the commercial department of the local High School, spent the week-end in Ballinger with friends and relatives.

Joe Bean, 2-year-old son of Mr. and Mrs. George Bean, suffered a badly mashed thumb Friday when a screen door closed on it at the family home here. The nail was mashed off and the thumb so badly mangled that it was thought for a time that amputation would be necessary. Dr. F. T. McIntire patched up the injury, however, and it was believed that it could be saved.

Mr. and Mrs. N. W. Graham returned Tuesday afternoon from San Antonio where Mrs. Graham underwent an operation for removal of a growth from her eye.

Charley Davidson suffered a badly lacerated lip and bruises about the face when a horse pawed him in the face recently.

Mrs. Gertrude Perry, Miss Mildred North and Miss Mary Childress were San Angelo visitors Saturday.

Don't miss "PROSPERITY," featuring Marie Dressler and Polly Moran, at the Ozona Theater Monday and Tuesday nights. Sponsored by Ozona Woman's Club. Itc

It's SAFE!

Everyone accepts the fact that Bayer Aspirin is the swiftest form of relief for headaches, neuralgia, neuritis, periodic pain, and other suffering. If you've tried it, you know. But no one need hesitate to take these tablets because of their speed. They are perfectly safe. They will not depress the heart. They have no ill effect of any kind. The rapid relief they bring is due to the rapidity with which they dissolve.

So, keep these tablets handy, and keep your engagements—free from pain or discomfort. Carry the pocket tin for emergencies; buy the bottle of 100 for its economy. The new reduced price has removed the last reason for trying any substitute for genuine Bayer Aspirin—each tablet stamped with this cross:

LIMA NOTES

News Notes From Our Mexican Suburb
By SAMUEL MARTINEZ
Correspondent

Miss Gabriela Machado celebrated her 17th birthday entertaining several of her friends.

For the purpose of raising funds, the League of United Latin American Citizens gave a real old time barn dance and "Fiesta" in the club building, March 18th which resulted in a success more than 250 persons attended the dance which lasted until midnight.

The Dramatic Club is now making preparations to celebrate the battle of "Puebla Mexico" which took place the 5th day of May 1862. The appointment of three popular girls has been made, the one that will receive the most popular votes will be selected as Queen and the other two as Princesses to preside over the "Fiesta." The girls are Misses Elvira Vitela, Juanita Revelez and Elena Sanchez.

The local Council of United Latin American Citizens has just received notice from Sonora, that a Regional Convention of the League will take place in that city on April 9th at the High School Auditorium. Delegates from West Texas Councils are requested to attend.

Misses Juanita Revelez, Chonta Revelez and Andres Tijerina, Daniel Ramirez, Cristoval Revelez and Samuel Martinez attended a dance in Sonora Tuesday night.

Mr. and Mrs. Bascomb Cox left Sunday for Temple where Mrs. Cox will receive medical attention.

Miss Norene Allison, teacher in the local schools, spent the week-end in Brownwood visiting her parents.

Adolph Hidalgo was fined \$1 and costs in justice court here Monday morning on his plea of guilty to a charge of vagrancy.

Mrs. W. E. Robertson entertained the Friday Bridge Club at her home last week. Delicious home-made ice cream and cake were served.

WHAT DOES THE AVERAGE MAN READ?

What does the average man read?

Attempting to answer this question The American Newspaper Publishers' Association canvassed the reading habits of a representative group.

The results indicated that men average forty-five minutes a day reading newspapers twenty-five minutes a day on magazines and one-half of the men average less than one book a month.

In other words men spend twice as much time on newspapers and books and five times as much on newspapers. This ought to be interesting to those who advertise.

From the standpoint of culture the radio may be deplored, but in the present day of better newspapers the columns contain much that is neither trivial or ephemeral.—News, Heron Lake, Minnesota.

When all is said and done there is one earthly ruler in this land, Public Opinion—but this must be recorded, it must be interpreted, it must be crystallized—through journalism.—Martin P. Rindlaub.

A man's worst enemy is often right under his own hat.

Common sense is an uncommon degree is what the world calls wisdom.

Mrs. Joe T. Davidson and Miss Maxine Murdock attended the Eastern Star school of instruction at Eden this week. Mrs. Davidson is deputy grand matron of the order.

Mr. and Mrs. Jones Miller are spending the week in San Angelo where Mrs. Miller is receiving treatment.

CITATION BY PUBLICATION

THE STATE OF TEXAS To the Sheriff or any Constable of CROCKETT COUNTY—Greeting:

You are hereby commanded to summon E. O. Jacobs by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Crockett County, to be held at the Court House thereof, in Ozona, on the 1st Monday in April A. D. 1933, the same being the 3rd day of April A. D. 1933, then and there to answer a petition filed in said Court on the 6th day of August A. D. 1931, in a suit, numbered on the docket of said Court No. 538, wherein Tom Casbeer is Plaintiff, and B. O. Jacobs is Defendant, and a brief statement of plaintiff's cause of action, being as follows: That heretofore, to-wit, on or about the 3rd day of January, A. D. 1930, defendant made executed and delivered to plaintiff his two certain promissory notes, one for the principal sum of \$65.00 and the other for the principal sum of \$60.00, both bearing date on the day and year aforesaid, one due on the 1st day of December, A. D. 1930, and the other due on the 1st day of December 1931, both payable to the order of plaintiff, at Ozona, Texas, bearing interest at the rate of 10 per cent per annum from date until paid, and stipulating for ten per cent on the amount of principal and interest then due as attorneys fees in case suit was brought on same or if placed in the hands of an attorney for collection, and providing that default in the payment of one of said notes gives plaintiff option of declaring both due and payable; that defendant failed to pay said \$65.00 note when same became due and payable wherefore plaintiff has declared both of said notes due and payable, whereby defendant became bound and liable to pay and promised to pay plaintiff the sum of money in said notes specified, together with all interest and attorney's fees due thereon according to the tenor and effect thereof.

That on the 3rd day of January, A. D. 1930, plaintiff executed and delivered to defendant, a certain deed of said date conveying to defendant a part of lot No. 2 in Block No. 132, in Ozona Crockett County, Texas, and did in said deed retain a vendor's lien, to secure the payment of said notes which were given as part of the purchase price of said land. That plaintiff is the legal and equitable holder and owner of said notes and indebtedness, and the same is now due and unpaid and said vendor's lien now remains in full force and effect, and is a valid and subsisting lien against said land and premises, and defendant though often requested, has failed and refused to pay said notes, or any part thereof, but the same remains due and unpaid that said note has been placed in the hands of his attorney for collection and plaintiff has contracted to pay him the ten per cent attorney's fees therein, the same being reasonable and the usual and customary fee.

Wherefore, plaintiff prays the court that defendant be cited to appear and answer this petition, that he have judgment for his debt, interest attorneys fees and costs of suit, and for the foreclosure of his lien on the above described land and premises, and the same be decreed to be sold according to law; that the sheriff, or other officer, executing said order of sale shall place the purchaser of said property sold under said order of sale in possession thereof, within thirty days after the day of sale, and for such other and further relief, special and general, in law and in equity, that he may be justly entitled to.

HEKIN FAIL NOT but have before said Court, at its next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Ozona, Texas, on this the 1st day of March A. D. 1933.

George Russell, Clerk, District Court Crockett County, Texas.

Issued this 1st day of March A. D. 1933, George Russell, Clerk. 41

METHODIST NOTES

Next Sunday, March 26, is the day set apart by the church as Young Peoples' Day. This will be observed in the Ozona church by the young people having charge of the eleven o'clock services, presenting a pageant, showing the Young People's Work in the local Church. This has for years been the annual program in this church and we not only invite all the adults of the church to be present, but we hope that every parent will consider it their privilege to be present and lend at least their presence to this service. Mrs. Ted White is the sponsor of the Hi-League and it is due to her untiring efforts that our Young People are doing such fine work this winter.

Preaching services Sunday night at eight o'clock. J. H. Meredith, pastor.

POSTED—All my lands in Crockett County, Hunting, wool hauling and all trespassing positively for bidden. MRS. T. W. PATRICK. 2-1-34

Sonora Epworth Leaguers Visit

Local League Is Host To Visitors From Neighbor Town

Epworth Leaguers from Ozona and Sonora held a get-together meeting and joint program at the Ozona Methodist Church last Sunday evening, with approximately 100 young persons present. More than 30 were present from Sonora, coming at the invitation of the local group. Rev. E. P. Neal, pastor, and several adult sponsors accompanied the group of leaguers from the neighboring town.

The group enjoyed a social hour followed by refreshments served by the Ozona Hi-League. Following this the Sonora Leaguers presented the following program:

Prayer—Harold Fries. Topic—"Religion in Modern Life." "What is Religion For?"—Wesley Sawyer. "Is Religion Excess Baggage?"—by a Sonora girl. "The Compensation of Reward of Religion"—J. T. Shirley.

Duet—Cloris Neal and Mary Louise Hardner. Song—"Living for Jesus." Violin Solo—Lacey Smith. Miss Dorothy Henderson of Ozona and Miss Alice Sawyer of Sonora, presidents of their respective leagues, presided.

Rev. Neal, in a short talk following the program, invited the Ozona League to meet with the Sonora group and the invitation was accepted by Mrs. Ted White, sponsor. The date for the meeting was set for Sunday night, April 9. The service closed with the hymn, "God Be With You" and the League Benediction.

Ozona Woman's Club invites you to see "PROSPERITY", with Marie Dressler and Polly Moran, Ozona Theater Monday and Tuesday nights. Don't miss it! It

SUNFLOWER CLUB HOLDS LAST OF AUCTION PLAY

Mrs. J. W. North entertained members of the Sunflower Bridge Club at her home Tuesday afternoon. There were four tables of players. This meeting marked the last of the auction play by this club, members voting recently to take up contract beginning with the first meeting in April. The club will meet weekly beginning next month. Night meetings will be held twice a month instead of once a month.

Silver and black were the predominating colors in decorations used by Mrs. North. Mrs. Floyd McMullen was awarded high score prize for the club and Mrs. Sherman Taylor won second high. Miss Wanda Watson won the high guest prize. Those present were Mrs. Hillery Phillips, Mrs. Massie West, Mrs. Jake Short, Mrs. W. E. Friend, Jr., Mrs. Frank McMullen, Mrs. Floyd McMullen, Mrs. Tom Hunter, Mrs. Hurst Melnecke, Mrs. Hilton North, Mrs. Charley Davidson, Mrs. Warren Clayton, Mrs. Hugh Carden, Mrs. Sherman Taylor, Mrs. Gertrude Perry, Miss Hester Bunker and Miss Wanda Watson.

LAS AMIGAS CLUB

Mrs. Marshall Montgomery entertained members of Las Amigas Club with two tables of bridge at the home of her mother, Mrs. Paul Perner, Saturday afternoon. Those present were Mrs. H. H. Carden of Belton, Mrs. Bill Cooklin, Mrs. Hugh Childress, Jr., Mrs. Gibbons Potcutt, Mrs. Bob Weaver, Mrs. Ted White, Miss Wanda Watson, Miss Ethel Childress and Miss Elizabeth Perner.

JERGEN'S SOAP—National? Advertised. Two bars for the price of one or two boxes for the price of one. While they last, Ozona Drug Store. It

Mrs. O. G. Lewis and son of Gail, Texas, spent a few days here this week visiting with Rev. and Mrs. J. H. Meredith. Mr. Lewis was formerly athletic coach and teacher in the Ozona High School. He is now superintendent of schools at Gail, Borden County Texas.

Stanolind Deep Well Again Tests To Shut Off Water

Stanolind Oil & Gas Co. and others' No. 1 J. S. Todd, north central Crockett County deep well cat, was shut down Tuesday to determine, if possible, if water still present in the hole after cementing back a second time, is coming from porous sections of the deep lime.

No. 1 Todd bailed 43 barrels of water hourly from 7,720 feet, its second cemented depth, when testing started this week. The test lost considerable drilling water at the lower depths and it was believed this fluid had gone back into porous sections of the lime. Operators were waiting to see if this water could be exhausted before making the next move. Original total depth was 8,041 feet. Plugging back to 7,756 feet far the cementing to 7,720 feet has not accomplished this.

MISSIONARY SOCIETY

"Christ and the Coming Kingdom" was the topic for discussion at the regular meeting of the Women's Missionary Society of the Methodist Church Wednesday afternoon. The program was as follows:

Song—"Revive Us Again." Prayer—Rev. J. H. Meredith. "Spiritual Power in Missionary Work"—Rev. J. H. Meredith. "Means of Grace"—Mrs. Warren Clayton.

"John Wesley's Idea of a Methodist"—Mrs. J. A. Fussell.

The Society will take up the study of "Living Issues in China" at next week's meeting.

Mr. and Mrs. E. H. Gallenkamp are the parents of a daughter born March 14 in San Angelo. The little girl has been named Rachel Gallenkamp.

How to train BABY'S BOWELS

Babies, bottle-fed or breast-fed, with any tendency to be constipated, would thrive if they received daily half a teaspoonful of this old family doctor's prescription for the bowels.

That is one sure way to train tiny bowels to healthy regularity. To avoid the fretfulness, vomiting, crying, failure to gain, and other ills of constipated babies.

Dr. Caldwell's Syrup Pepsin is good for any baby. For this, you have the word of a famous doctor. Forty-seven years of practice taught him just what babies need to keep their little bowels active, regular; keep little bodies plump and healthy. For Dr. Caldwell specialized in the treatment of women and little ones. He attended over 3,000 births without loss of one mother or baby.

Cast Scores In "2nd Childhood"

Woman's Club Play Is Acclaimed Success By Audience

A large audience was impressed and highly satisfied with the professional finish and proficiency in the production of "Second Childhood," directed by Mrs. W. J. Grimmer, in the high school auditorium, Thursday evening, under the auspices of the Ozona Woman's Club. Gross receipts of the evening were \$94.

The plot of the drama was composed of a series of entangled situations which kept the audience furnished with fresh, wholesome humor throughout the entire performance.

The story centered around Professor Frederick Relyea and his experiments with a certain liquid intended to restore youth to living creatures. The professor, pursued by financial distress, proposed to experiment on a certain wealthy general, General Burbeck, in exchange for a \$10,000 check. The general, who was in love with the professor's youthful daughter thought youth might aid him in his suit and agreed to the bargain. The rest of the plot was well complicated by situations arising from the "elixir of youth."

The baby of the general's son imposed upon him by its Spanish mother, a neighbor's baby, and the disappearance of the general upset the professor's plans and placed him and his helper, Philip Stanton, in danger of a prison sentence. The solution of the mystery revealed that the elixir was never taken. The probability of a prison sentence for the professor and Philip was lifted, the general was relieved of the care of his grandson, Sylvia and Philip were reconciled in their love, and everyone was in a state of glee, even Mrs. Wellmiller, even though Sylvia was not to marry the general.

The characterization of Professor Relyea by Norris Creath was a magnificent portrayal that showed natural handiwork. The professor was painted as an absent minded, nervous, scientific soul, who lived for his science. The humor in the professor's role was rather subdued in the early part of the drama but the actor soon gained the confidence of his audience and held that understanding and confidence of the very last curtain.

The role of the professor's helper, Philip Stanton, was also a splendid piece of acting on the part of Jimmy Walker. As the debonair, carefree aid to science, he ably supported the plot of the play and gave a vital touch to the humorous personality of Philip Stanton.

Mrs. W. J. Grimmer as Mrs. Wellmiller, played well a difficult role. As the sister of an absent minded, scientific professor, who was also a poor, very poor financier, her sobriety was quite outstanding. It was she who was serious about the mortgage on the professor's home. It was she who took Sylvia's engagement to the general at face value. Her stern attitude toward the professor enhanced the laughable scenes throughout the performance.

Elizabeth Perner as Sylvia Wellmiller was the petite, youthful, vivacious and lovable child-woman of the author's script. She saw clearly her role and presented it unflatteringly. The wedding scene was done admirably. Robed in a beautiful wedding gown she held the audience in a mythical trance with her dainty, piquant handling of the situation. Her role gave romance and color to the comedy.

The rest of the cast, which was excellent, supported the plot most capably. General Henry Burbeck, played by Herbert Kittle, was a heavy role and well done. It was no easy part to be a ridiculous suitor one minute an enraged grandfather another, and a baffled old man the next, but Mr. Kittle handled the part adequately.

Tessie Kyle took a colorful and temperamental part as Marcella Burbeck, the Spanish daughter-in-law of General Burbeck. Her characterization of the enraged Spanish senora was natural in native application and won hearty laughter from the audience.

Mrs. Bill Conklin portrayed the role of Mrs. Vivert, a garrulous, intrusive, and presumptuous neighbor to a degree of high consistency. Judge Sanderson, the personage who introduced fear in

Former Students Of Ozona Win In Val Verde County Meet

Four former Ozona school students, who are attending school elsewhere this year while their parents remain on ranches, will represent Val Verde County in the district Intercollegiate League meet in Uvalde soon. These students won their events in the Val Verde County meet held in Comstock last Friday and will compete in the district.

Dorothy Chapman, daughter of Mrs. T. H. Eastman, won first place in the Junior girls declamation, second place in both the spelling contest and 50-yard dash.

Wilton Bunger, Jr., who attends school at Pandale, won first place in the Junior boys declamation.

Doris Bunger was awarded second place in sub-junior spelling. Joe B. Chapman, son of Mr. and Mrs. Joe Chapman, took first place in the sub-junior boys broad jump and second place in both the 50-yard dash and the 100-yard dash. He also took third place in the baseball throw.

Headlight Testing Stations Abandoned With Repeal Of Law

Officials notice of the discontinuance of the state licensed headlight testing stations as a result of the recent repeal of the headlight testing law by the Forty-third legislature was received the first of the week by Judge Chas. E. Davidson from L. G. Phares, chief of the state highway patrol.

Repeal of the headlight testing law will make it necessary for auto owners to have the headlight testing receipt to secure auto licenses under the extension of time to April 1, allowed by the legislature this year.

Headlight testing stations were operated here by the Ozona Motor Co. and the Dudley Motor Co.

SUFFERS GASHED KNEE IN FALL ON MILK BOTTLE

Adelle Keeton, daughter of Mr. and Mrs. J. T. Keeton, suffered a painful cut on her knee Monday morning when she stumbled and fell on a concrete step while helping her father deliver milk. The child had a bottle of milk in her hand and the bottle was broken in the fall, a piece of it inflicting a deep gash in her knee. The wound was closed by Dr. McIntire and no serious consequences are expected. She was kept in bed several days, however, to avoid complications.

to the plot, was impersonated by Bill Conklin with due dignity.

The law was further upheld by Arthur Kyle, as sheriff Johnson, and Glenn Rutledge, as deputy sheriff Stoker. Arthur Kyle gave a sincere performance of his role and added a lively interest to the comedy. Mr. Rutledge is a veteran to Ozona audiences and as usual filled his roles as sheriff and "baby wailer" with merit.

The specialty numbers between acts were worthy of high praise. Norris Creath gave a dramatic Italian reading. He played upon the emotions of his audience to the point of tears and then brutally introduced comedy, with true artistic ability.

Dixie Davidson, accompanist and soloist, and Jimmy Walker, soloist and dancer, were heavily applauded for their songs and dance numbers.

Mrs. Joe Pierce Chosen PTA Head

Other Officers Named, Health Topic Is Theme Of Meet

Mrs. Joe Pierce was chosen president of the Ozona Parent-Teacher Association for the coming year at the regular meeting of the organization Monday afternoon in the High School auditorium.

Other officers elected by the group were: First Vice President, Mrs. Pon Seahorn; Second Vice President, Mrs. C. S. Denham; Third Vice President, Mrs. George Bean; Secretary, Mrs. Ray Dunlap, and Treasurer, Mrs. Bryan McDonald. The new officers will assume their duties next fall.

The theme of the program was Health. Mrs. Alice Baker was leader. The invocation as pronounced by Mrs. Paul Perner. Preceding the regular program, the students of the Third Grade, under the direction of Miss Norene Allison, gave a clever one-act health play.

In the business session, plans for the coming Sixth District Conference in Ozona March 31, April 1 and 2 were discussed. Reports of committees gave evidence of a co-operative program on the part of the local Parent-Teacher members. Mrs. Ira Carson, president, urged that the members open their homes to the visitors and in the usual manner show the true Western hospitality. Mrs. Albert Kay as general chairman on Conference arrangements, called for various committee reports.

The program on health was featured by two splendid talks on health topics, Miss Patti Raiza discussing "Home Habits that Lead to Health" and Dr. F. T. McIntire discussing "Prevention of Communicable Diseases."

Miss Raiza in her discussion outlined proper elements of the child's habits, diet, rest and clothing that are conducive to good health.

Dr. McIntire stated that communicable diseases had been controlled in Ozona during the past year to a greater extent than ever before, due to the co-operative efforts of parents, teachers, children and organizations with health officials. In his advice to parents regarding prevention of diseases, Dr. McIntire set forth causes of the most prevalent diseases and gave practical suggestions for their control, including medical attention, and examina-

Squyres Child Back After Operation To Correct a Harelip

Little Wanda Squyres, who underwent an operation in the Baylor Hospital at Dallas recently for a harelip correction, was returned here Sunday. Mr. and Mrs. Royce Smith went to Dallas to bring the child and her mother back home. The operation was a complete success and the child is recovering rapidly.

Ozona Lions Club, which sponsored the operation as a club meet, Monday extended a vote of thanks to Dr. Frew and his assistant at Dallas, who donated their services in performing the operation, and to Dr. F. T. McIntire, who removed the child's tonsils without charge as a preliminary to the harelip operation.

tion of the child's teeth, tonsils and adenoids. He emphasized the value of cleanliness, proper foods and rest.

Dr. McIntire praised the community efforts toward sanitation. The greatest accomplishment of the past year, he declared, was the installation of the sewer system. The next project that is badly needed here is pasteurization of milk, he said. In conclusion, the speaker expressed appreciation to the Parent-Teacher Association for its co-operation in the past and urged that the organization continue aiding in the prevention of communicable diseases in Ozona.

The tenth grade was awarded the attendance prize for February and the third grade for March. Both were awarded books as prizes.
