OZONA GIANTS JOIN IN WEST TEXAS LEAGUE

Locals Enlist In Five-Way Circuit Of Independent Clubs

1ST GAME APR. 23

San Angelo Coming For Opening Fracas Sunday Week

Ozonia has definitely enrolled in the West Texas Independent baseball league recently organized, and has deposited a check for \$50 with league officials guaranteeing that the local club will go through the league season, it was announced yesterday by Sam Cox, player manager of the Ozonia Giants.

Local interest in baseball, a pledge of financial backing from a number of fans and expressions of encouragement from many sources locally prompted a definite decision on the matter early in the week. The local club was invited to become a member of the league when it was first organized, but had withheld its decision until it was fully established that it could go through with the season successfully.

Opening Game April 23

The opening game of Ozonia's league season will be on the local field Sunday afternoon, April 23, with the San Angelo crew as opponents in a double-header bill. Next Sunday the locals will go to San Angelo for a return match with the Oilers, the Giants having won the local game on the local lot last Sunday by a score of 10 to 8. These games are in the nature of practice bouts for the Giants, Iran not being in the league.

The West Texas league will be composed of five teams, representing San Angelo, Coleman, Ozonia, Abilene and Texon. The league schedule has been so arranged that all of Ozonia's road games will be double headers on Sundays and most of the home games likewise will be double-header Sunday games. This schedule was arranged by league officials in order that the Ozonia Club might become a member, it being impossible for the locals to play a road game on Saturday. On one Saturday game has been scheduled at home for the first half, that with Abilene on June 17.

16 Players Line Up

Sixteen players are allowed on the club rosters in the league. The tentative line-up of the local club as submitted to league officials the first of the week is as follows: W. T. Childress, Arthur Kyle and Barbee, catchers; Bill Duncan, Red Harrington, Conley Cox, Buster Miller and Frank James, pitchers; Rex Russell, first base; Claude Russell, second base; Frank Russell, short stop; Jess Wade, third base; Red Greer, right field; Bob Weaver, (Field Captain), center field; Jack Sharp, left field; Jack Gray, second base; and Sam Cox, player manager.

Jake Young is secretary of the local club; Tom Casbeer, treasurer; John Barton, scorekeeper; Lon Jordan, grounds keeper; Omer Dathout, gatekeeper; and Joe Pierce, Rob Miller, Roy Miller, Houston Smith and John R. Bailey, directors.

CHILD IS INJURED

Possey Baggett, daughter of Mr. and Mrs. Monroe Baggett, was taken to San Angelo Tuesday for medical attention following an injury to her back suffered last Saturday when she fell from a swing on the school grounds. It was not thought at first that the child's injury was serious, but when she continued to suffer, she was taken to the hospital for examination. Mrs. Baggett is ill with an attack of the flu and the child was taken to San Angelo by Will Baggett and Mrs. Richard Flowers.

CHILD WELFARE WORKER SOLICITS FUNDS HERE

Miss Blanch Welch, representative of the Volunteers of America Rescue Home of Fort Worth, was here this morning making her annual solicitation for funds to support the work of the home. Miss Welch has been coming to Ozonia for the past ten years soliciting funds for the Volunteers of America and has a number of regular contributors here. The home now has a number of babies for adoption, she said while here, and any one interested in adopting one of them is asked to communicate with the home at Fort Worth. The home is operated under the Child Welfare Division of the State Board of Control.

Cemetery Assn. Names Committee

Canvass To Be Made For Funds To Build Water Tank

Joe Pierce and Tom Smith have been named as a committee by the Ozonia Cemetery Association to direct a solicitation of the necessary funds for the construction of a new concrete water storage tank at the local burial plot, supplementing the present storage and making possible needed repairs.

Mrs. B. B. Ingham, local chairman of the association, and Mrs. Gertrude Perry, secretary, announced the selection of these men to head the committee for the canvass after estimates of the cost of the work had been obtained. A meeting scheduled for Monday afternoon at the Methodist Church, where the proposal was to have been discussed, was called off and the decision to make a direct appeal reached.

It is planned to erect a 50x5-foot tank of re-inforced concrete. When this is completed and filled, the present rock tank will be drained and needed repairs made to stop leaks in it. With this additional storage, the cemetery water problem will be solved for all time, association officials declare.

Road Work Causes Postponement Of Methodist Meeting

Postponement of the scheduled two-weeks revival meeting, which was to have opened Sunday morning at the Methodist Church, was announced this week by Rev. J. H. Meredith, pastor.

Highway construction work, which will be under way in full blast the next few weeks along the block on which the church is located was responsible for the decision to postpone the meeting. The church will be almost inaccessible during that time and the noise of construction work would interfere with day-time services, the pastor pointed out.

The meeting was to have been conducted by Rev. and Mrs. R. L. Flowers. An effort will be made to get this team for services sometime early in the fall, Rev. Meredith said.

Giants Beat Iran In Season Opener

Locals Whet Up Sticks For Opening Of West Tex. League Season

The Ozonia Giants, local entry in the West Texas Independent League, started off their 1933 season with a jam-up performance against the Iran nine on the local diamond Sunday afternoon, taking the Oilers in camp for a 10 to 8 victory in a slow but at times exciting contest.

The game was in the nature of a practice bout for the locals and a try-out for some new talent that is being lined up for league competition. Barbee, husky catcher and relief pitcher, who hails from Del Rio, relieved Granny Childress behind the plate soon after the start of the game on a try-out for the berth. He turned in an excellent game as catcher and demonstrated considerable ability as a hitter, walloping safely three times out of four trips to the plate driving in five runs and scoring two himself. A fair afternoon's work, the wags said.

Duncan New Hurler

And then there was Bill Duncan of Fort Stockton, employed in road work in this county, who went into the box behind Conley Cox, after that youngster had given a good account of himself in his first work of the season. Duncan was handling the apple for the first time this year, but even then showed excellent promise of entertaining the league teams when he gets going. Red Harrington, another Del Rio whizz on the mound, is expected to come here for a try-out soon and may have a place in the team line-up for league competition. Jess Wade, the junior of J. S. Wade and Son Construction Company, contractors on road projects in this county, held down the hot corner in Sunday's fracas with a deal of ability. Jack Gray, another new face on the local diamond, was stationed at the

The picture has had wonderful receptions wherever shown and a big crowd is expected to view it here Monday and Tuesday nights. Regular admission prices will prevail.

Santa Fe Plans Rate Reduction

Ask Commission For Order Cutting Rates On Wool, Mohair

The Santa Fe railroad has made application to the Interstate Commerce Commission for authority to publish a reduction in present wool and mohair rates, it was announced here the first of the week by R. H. Forbes, division Freight Agent for the Santa Fe system, who was here with W. J. Tilton, livestock agent for the Santa Fe, on business.

The reduction from Barnhart to Texas ports for reshipment via boat to Boston and other eastern points will amount to 20 cents a hundred, Mr. Forbes said. The new through rate from Barnhart, Sonora and Big Lake is to be 94 cents a hundred through to Boston, the division agent declared. This rate will carry full concentration privileges and it is hoped that the effective date will be announced soon, the officials informed.

Rev. J. H. Meredith, pastor of the Ozonia Methodist Church, addressed the student body of the Ozonia High School last Thursday morning at the regular chapel service. The Junior Music Club had charge of the chapel exercises this morning.

LIONS CLUB EASTER EGG HUNT SUNDAY

Annual Hunt Will Be Staged On Top Of "Cox Heights"

PRIZES OFFERED

Merchants Donate Attractive Prizes To Finders Of Eggs

The annual Easter Egg hunt, staged under auspices of the Ozonia Lions Club, for the children of Ozonia, will be held next Sunday afternoon at 2 o'clock. The "Heights" or the Cox addition, located on top of the hill just east of the grade school building, has been selected as the site for the big hunt this year, committees in charge announce. This site was selected because of the minimum of dirt and dust and because it offered a more picturesque setting.

Women of the local missionary societies and others have volunteered their services in boiling and dyeing the eggs and merchants of Ozonia are offering their co-operation in the usual way by donating various attractive prizes to finders of particular eggs bearing the name of the firm.

As usual, the grounds will be divided into two sections, one for the smaller children of grammar school age and the other for those up to twelve years of age. The prize eggs will be divided between the two groups. Club members and volunteers will police the grounds and confine the hunt to a restricted area to avoid injury to children. Every child in Ozonia is cordially invited to attend the big egg hunt—it's for the kids and the Lions Club wants them to enjoy it.

Following is a list of prizes offered by Ozonia merchants to finders of the lucky eggs:

Smith Drug Store, box of candy; Model Laundry, suit or dress pressed; Corner Barber Shop, hair cut; Joe Oberkamp, pair skates; Ozonia National Bank, one dollar; Lemmons Dry Goods Co., silk underwear; Pettit Barber Shop, haircut; Ozonia Tailor Shop, press suit or dress; Ozonia Water Works, one dollar; Ozonia Fruit & Vegetable Market, bag of fruit; Popular Variety Store, pair of socks; Roy Parker, press suit or dress; Sorrels Barber Shop, hair cut; Ozonia Drug Store, "April Showers" perfume; Ozonia Hardware Co., pocket knife; Flowers Grocery, layer cake; Chris Meinicke, bag of candy; Glenn Rutledge, frame a picture; West Tumbler Co., Whatnot; West

Texas Utilities Co., box of six lamp globes; Ozonia Stockman, 1 year's subscription, J. H. Williams & Sons, basket of Easter Eggs; Mike Couch, one dollar in cash.

SCANDALS

By THE TOWN GOSSIP

Been out on a little scouting expedition in behalf of our ball team for the past two weeks—looked over every sandlotter in West Texas—found very few promising recruits, however, Jake Young, Bob Weaver, Sam Cox and T. G. are due to hold a very important conference this evening with an eye to working out details by which a winning team may be put in the new West Texas League. We intend to iron out a few wrinkles which became obvious in the little set-to last Sunday, bolster up our umpiring department and fix things up in general for the invasion of our lot by the San Angelo boys in the league opener. Personally, T. G. shall insist that our motto shall be "more money for umpires, less for pitchers." Many a time we have seen a first class umpire win a game singlehanded. I have a proposition that I am sure will appeal to Bob and Jake and Sam. I intend to turn in my uniform—and take over the duties of umpire—on the basis of "winner take all."

A Modern Tragedy (not original) The golden sun was slowly sinking O'er the hilltops far away Filling all the land with beauty At the close of a winter day. But within one humble dwelling With its fireside warm and bright, Came this oft-repeated murmur: "This Jig-saw must be done tonight."

O'er a table bent two figures, Man and wife with visage pale He with thoughtful brow so worried She with form so thin and frail Both were thinking, planning, scheming, To make small pieces fit in right. Ever saying in soft whispers: "This Jig-saw must be worked tonight."

On the street the children rambled Shoes and clothes all worn and tore And the house was in disorder Everything strewn round the floor. But a Jig-saw, bright and showy Was on the table in plain sight While the couple ever murmured: "This Jig-saw must be worked tonight."

Off to bed, alone, unaided, The children finally wend their way Grimy hands and dirty faces And their clothes in sad array

And the old clock on the mantel Ticks the time with all its might While the couple faintly murmur: "This Jig-saw must be worked tonight."

Twelve o'clock, the moon looks calmly Down upon the sleeping pair Dirty dishes in the kitchen Clothing scattered everywhere Yet with heads dropped on the table Neath the light still burning bright In their sleep we hear them murmur: "This Jig-saw must be worked tonight."

Then there was the Scotchman

BOWELS need watching

Let Dr. Caldwell help whenever your child is feverish or upset, or has caught cold. His simple prescription will make that bilious, headachy, cross boy or girl comfortable, happy, well in just a few hours. It soon restores the bowels to healthy regularity. It helps "break-up" a cold by keeping the bowels free from all that sickening mucus waste. You have a famous doctor's word for this laxative. Dr. Caldwell's record of having attended over 3500 births without loss of one mother or baby is believed unique in American medical history. Get a bottle of Dr. Caldwell's Syrup Pepsin from your drugstore and have it ready. Then you won't have to worry when any member of your family is headachy, bilious, gassy or constipated. Syrup Pepsin is good for all ages. It sweetens the bowels; increases appetite—makes digestion more complete.

More Oil Tests On Massie Ranch

Superior To Drill Series Of Shallow Tests Soon

Plans are being made by the Superior Oil Co. of California to start soon the first of a series of shallow tests for oil on the Robert Massie estate ranch in Crockett County. The tests will be for the triple purpose of stopping rentals on about 14,000 acres amounting to \$7,000 annually, the obtaining of shallow production that will perpetuate the lease on that amount of land and the securing of geological data to serve as a guide in locating a wildcat to be drilled to the Ordovician.

The first shallow test will be in section 26, block UV, GC&SF Ry. survey, it was reported Tuesday but not confirmed by Superior. Such a location would be about two miles east of the gas well drilled early last year by Stanolind on the Massie ranch in section 47. It would be about 4 1-2 miles east of Stanolind and others' No. 1 J. S. Todd, which unsuccessfully sought Ordovician production and is awaiting orders at 7,720 feet, having been plugged back from 8,941 to shut off water.

It is understood that Superior will explore on the west part of its Massie ranch block, comprising 14,000 acres, and will continue to pay rentals on the east portion of the block, which aggregates about 12,000 acres. A separate lease covers each part of the block. Superior in the fall of 1931 paid a bonus of \$1.50 an acre for its 10-year commercial leases on approximately 26,000 acres, and contracted to pay annual rentals of 50c an acre, or around \$13,000 per year. The Massie estate ranch adjoins the J. S. Todd ranch on the east. Its owners are Archie Bean of San Angelo, George and Ed Bean of Crockett County, nephews and Mrs. R. L. Vaughan of San Angelo, niece, of the late Mr. and Mrs. Robert Massie of San Angelo.
