Notices of church entertainments where admission is charged, cards of thanks, resolutions of respect and all matter not news, will be charged for at regular advertising rates.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected upon calling the attention of the management to the article in question.

THURSDAY, APRIL 12, 1934.

Missionary Society Program Devoted To Study of the Church

The Methodist Missionary Society of the Ozona Church met Wednesday afternoon at the home of Mrs. W. E. Smith with Mrs. Vernon Cox as leader of the program.

The topic of the program was "The Church Teaches." The program was given as follows:

Song "The Churches One Foundation."

Scripture lesson Matthew 28:35-40 was read by Mrs. Vernon Cox.

Song "Lord Speak to Me."

"What we Mean by the Church" was the topic discussed by Mrs. Joe Pierce.

"What we Mean by Churches" was given by Mrs. Chas. Williams.

Song "I Need Jesus."

A poem "A Charge To Keep I Have" was given by Mrs. Paul Perner.

"Sweet Hour of Prayer" was played during silent prayer, after which prayer was offered by Mrs. Vernon Cox.

Song "Oh Guide Me Thou Great Jehovah."

"What If the High Standards of the Church Should Sag" was given by Mrs. Will Baggett.

Vocal duet "The Church in the Wildwood" was sung by Mrs. Geo. Montgomery and Mrs. Bright Baggett.

The leader led in a round table discussion on the "Duties to the Church."

Song "Onward Christian Soldiers."

A refreshment plate was served to Mrs. Fred Deaton, Mrs. Bright Baggett, Mrs. Paul Perner, Mrs. George Montgomery, Mrs. Scott Peters, Mrs. Joe Pierce, Mrs. Will Baggett, Mrs. Johnie Henderson, Mrs. Kate Baggett, Mrs. Harry Perner, Mrs. Charles Williams, Mrs. Vernon Cox, Mrs. Jake Short and Mrs. Sherman Taylor.

SUNFLOWER CLUB MEETS WITH MISS HESTER BUNGER

Miss Hester Bunger entertained the Sunflower bridge club at her home Tuesday afternoon.

Sherman Taylor won high score for club and Mrs. Douglas Kirby, guest high. Others present were Mrs. J. W. North, Mrs. Ashby McMullen, Mrs. W. E. Friend, Jr., Mrs. Jake Short, Miss Wayne Augustine, Mrs. Arthur Phillips, Mrs. Billie Phillips, Mrs. Ralph Meinecke and Mrs. Walter Augustine.

MRS. DUNLAP HOSTESS TO A. E. NELSON CIRCLE

Mrs. Ernest Dunlap was hostess to the A. E. Nelson Circle of the Baptist W.M.U. Wednesday afternoon at her home. A Royal Service program was presented. Sandwiches and tea were served to the following: Mesdames C. J. Watts, J. H. McClure, S. L. Butler, J. C. Butler, Royce Smith, O. W. Smith, Hugh Gray, R. F. Powell, J. P. Pogue, Jim Patrick, and Miss Jettie Rae Sellers.

MRS. KAY ENTERTAINS LOTTIE MOON CIRCLE

Mrs. W. A. Kay entertained the Lottie Moon Circle of the Baptist W.M.U. Wednesday afternoon for the Royal Service program. Those present were Mesdames J. T. Keeton, H. A. Moore, Ray Dunlap, Tom Squyres, C. C. Pharr, J. S. Whatley, W. A. Grandy, Lowell Littleton, John Pettit and Misses Dollye Cooke and Maybelle Taylor.

INTERMEDIATE B.Y.P.U. Sunday, April 15

Subject: "Daring Daniel." A Young Boy Taken Captive—Alberta Kay. The Great Test Comes—Ernestine Watts. An Interpreter of Dreams—Mrs. S. L. Butler. Daniel's Promotion and Its Result—Geraldine Young. Daniel The Prophet—Gladys Cooke.

NOTICE

On the 15th of April all the equipment, X-Ray, Diathermy, etc of my office will be transferred to Dr. H. B. Tandy. This will include all case histories and records and such treatments as are unfinished at that time will be completed by Dr. Tandy. All accounts owing me will remain in my hands and collections will be in the hands of Miss Gracia Swan until collected. I will be in the city for a few days to make collections on these accounts or arrangements for payment of same and will appreciate the co-operation of my friends to complete these as rapidly as possible. I will be located at the San Angelo Clinic after May 1st.

F. T. MCINTIRE, M. D.

WALTER AUGUSTINES ENTERTAIN AT BRIDGE

Mr. and Mrs. Walter Augustine entertained their bridge club at the home of Mrs. W. H. Augustine Tuesday night. Mrs. Sherman Taylor and Chas. E. Davidson, Jr., won high score prizes. The guests were Mr. and Mrs. Sherman Taylor, Mr. and Mrs. Chas. E. Davidson, Jr., Mr. and Mrs. R. L. Flowers, Mr. and Mrs. Evart White, Mr. and Mrs. Jake Short, Mr. and Mrs. J. W. North, Miss Hester Bunger, Miss Wayne Augustine and Jake Young.

Typewriter ribbons at the Stockman office.

MRS. HAGELSTEIN IS LAS AMIGAS HOSTESS

Mrs. Ele Hagelstein was hostess to Las Amigas and The Sunflower Club at the home of her mother, Mrs. Hugh Childress, Monday afternoon. Mrs. Beeler Brown and Mrs. Evart White won high scores and Mrs. Phillip Childress, cut. Other guests were Mrs. Marshall Montgomery, Mrs. J. W. North, Mrs. Bob Weaver, Mrs. Alvin Harrell, Miss Mildred North, Miss Wayne Augustine, Mrs. Lowell Littleton, Mrs. Jake Short, Miss Hester Bunger, Mrs. Clyde Newberry, Mrs. R. L. Flowers, Mrs. Arthur Phillips, Miss Helen Montgomery, Mrs. Bill Conklin, Miss Wanda Watson, Mrs. Ralph Meinecke, Mrs. Douglas Kirby, Mrs. Hugh Childress, Jr., Mrs. Massie West and Mrs. Chas. E. Davidson, Jr.

YOUNG WOMEN'S MISSIONARY SOCIETY MEETS WED.

The Young Women's Missionary Society of the Methodist Church will meet at the church next Wednesday at three o'clock when they will have the following program under the leadership of Mrs. M. T. Blackwell: Song No. 94. Scripture, Mark 16:15 and 16 by Mrs. M. Wilkinson. John Littleberry Henry by Mrs. Clay Littleton. Benediction.

Frank James, who has been connected with the highway department working in this county, has moved to Sonora, where he will be connected with the department's maintenance division with headquarters there.

Stephens Perner and N. W. Graham were business visitors in San Angelo Wednesday.

Little Jim Harvick is home and recovered from an appendectomy performed in San Angelo about three weeks ago.

AFTER 8,000 MILES

93% AS STRONG AS NEW

Per cent of tensile strength remaining in cords after long use in tires:

Table with 3 columns: Miles Run, Supertwist Tire Cords, Ordinary Tire Cords. Rows: 8,000 (93%, 82%), 16,000 (81%, 36%)

Supertwist Cord—a Good-year patent—stretches, absorbs shocks, and comes back strong! Thoroughly rubberized to resist heat. It gives lasting blowout protection in every ply. Ask us to demonstrate!

The super-soft tires the new 1934 cars are wearing can be easily applied on most 1933 or 1932 cars. Ask for our special offer on the GOODYEAR AIRWHEEL.

Any good new tire is pretty safe from blowouts—but how safe is it after thousands of miles? Think over those percentages above! Remember, the public finds that Goodyears stand up longest—that's why more people buy Goodyears than any other tires. Since Goodyears cost nothing extra, put them on your car!

GOOD YEAR

Take a Ride in the New 1934 KNEE ACTION CHEVROLET and you'll never be satisfied with any other low priced car. "THAT GOOD GULF GASOLINE"

"Talking Book" for the Sightless

A new aid for those handicapped by being deprived of their sight is the "talking book," a combination electric phonograph and radio set entirely contained in a single unit, which when folded may be carried in a suitcase. Developed by the American Foundation for the Blind, the instrument is equipped with various controls that allow for variation in speed of readings and tone volume of both the radio and talking book reproducer. The Library of Congress will establish talking book libraries throughout the United States for the use of the blind.

Employment Gains 20 Percent In Texas Week Ending Mar. 17

AUSTIN, TEX., April 11.—An increase of 20 per cent in the number of employed on the payrolls of 23 firms was shown in the reports of these establishments to the University of Texas Bureau of Business Research, for the week ended March 17, as compared with the corresponding week last year. Moreover, the number of employees in these firms during the March period was 1 per cent greater than in the comparable week of February. Total payrolls in these firms were 17 per cent above those of the same firms in March a year ago and 1.4 per cent above those of February in the current year.

Motorist jumps from his car and faces the owner: "I killed your dog, but I shall gladly replace the animal." Old Maid: "I didn't expect that of you, but I suppose you can give the cows home as well as the dog did."

What To Do In Case Of Snakebite Told By Health Officer

AUSTIN, TEX., April 11.—Dr. John W. Brown, State Health Officer, urges every one to be careful when in the country to prevent snake bite. In Texas the chief offender is the rattlesnake; and, contrary to common belief, it does not always rattle before it strikes. About seventy-five per cent of all bites occur on the lower extremities and could be prevented, to a large extent, by wearing high top boots or leggings. About twenty per cent occur on the hands and arms. Care should be exercised in not putting the hands in invisible places when climbing rocks, and to look before picking up anything that may be obscured by vegetation, brush or rocks.

If one is bitten, prompt action is necessary and a physician should be obtained as soon as possible. No time should be lost in removing the poison by suction; this can be done by mouth or a suction cup. First a tourniquet should be applied above the wound, so as to increase congestion and assist in washing out the poison. A cross cut incision with a sharp clean knife or razor blade should be made over each fang mark, or preferably to connect the two fang punctures. These cuts should be at least a quarter of an inch deep and at least that long. Suction should be applied for at least a half hour. The tourniquet should be released every ten or fifteen minutes for a minute at a time.

If bitten by a snake—do not run or get overheated; do not take alcoholic stimulants; do not use potash permanganate (which is now known to be of no value as an antidote) to cauterize the wound; and do not depend on home remedies.

THE LITERALIST

Hobo: "Boss, will you give me a dime for a sandwich?"
Gent: "Let me see the sandwich."

Stockman Celebrating Twentieth Anniversary

First Issue Under Name Of "Stockman" April 9, 1914 Interesting Relic

With this week's issue The Ozona Stockman is celebrating its twentieth birthday.

Proclaiming its new birth with a big black headline that informed its readers "There is Nothing New Under the Sun—Except The Ozona Stockman," the Stockman first saw the light under that name on April 9, 1914. Of course Ozona had a newspaper prior to that date, The Courier, The Kicker and various other names having been borne by the town's official newspaper.

The name "Stockman" was adopted when ownership of the paper passed into the hands of Judge Charles E. Davidson and Tom Nolen, then county and district clerk of Crockett County. With Volume I, Number 1, of "The Stockman" Mr. Smith Jones, "Editor-in-Chief" made his bow to readers of the home-town paper here, having charge of the editorial duties on behalf of the owners and publishers, Davidson and Nolen.

The names of many of the old time residents of Ozona, many who have moved away or died long since and many who still live here, appear in the news columns of the first Stockman. The advertisements also contain many interesting items. R. J. Cooke was advertising shop made boots and Kenneth Cox announced that his picture show would start as soon as the building could be placed in readiness. W. L. Waters was proprietor of the Ozona Meat Market at that time and Chris Meinecke was advertising "Groceries, Produce, Feed Stuff, etc." A. E. Deland offered "Quick Service, Reasonable Rates" in his auto service to Barnhart, The Pecos and Rio Grande Telephone Company was advertising its service and the Ozona Garage was under the management of Moore and Thompson. The Ozona Improvement Company was advertising new water rates, "Effective April 1, 1914" The L. B. Cox Co. listed "Fresh groceries, big stock of Dry Goods, Grain, Hay, Feedstuffs and Hardware." Clark Barton advertised Kodaks and Cold Drinks while R. R. Dudley announced himself as agent for Cadillac, Buick and Ford cars. Below are some news items picked from the 20-year-old paper, on file in the Stockman office:

Baseball

The Ozona Baseball Club held its annual elections last Thursday night and Judge Chas. E. Davidson was chosen president and manager, Dr. W. M. Crutchfield official umpire for all games and W. J. Stewart field captain. The team line up is as follows:

Sam Cox, pitcher.
Horace Friend, 1st base and Sec. Treas.
Chas. E. D. Coates, 2nd base.
Vernon Cox, 3rd base.
Dr. A. P. Utterback, Short Stop.
Prof. H. S. Smith, Right field.
L. E. Cox, Jr., Center field.
Leonard Russell, Left field.
Subs.: R. E. Baker, Howard Westfall and Aaron Joslin.
The team will be called the Davidson Giants.

The boys are tuning up for a great season this year and are in the field to play anything that comes along. They played thirteen games last year and won eight of them and they feel confident they will make a good deal better showing this year. They have already arranged to play the Merton team on the Ozona field on next Saturday week, April 18th and are very sanguine of success.

R. C. Waters and wife of San Antonio, came in last Saturday and stayed in Ozona three or four days visiting Mrs. Watter's sister Mrs. W. W. Childress. They were accompanied by P. J. Merritt, Mr. Watters and Mr. Merritt are representatives of the Merchants & Bankers Fire Insurance Co., and also sell San Antonio lots. They went from here to Sonora and back toward home traveling in Mr. Watters' brand new Reo the Fifth.

Frank Taylor spent a day or two in Ozona with his family the

latter part of last week returning to the ranch Monday.

Range Notes

Will Baker sold to Lee Childress 300 stock cattle at \$23 for heifer yearlings, \$25 for steer yearlings and \$35 for cows.

Eloe Baggett sold to Abe Mayer about 50 steers, 2's and up, at \$37.50.

Paul Willoughby of Brady, Texas, spent several days in Ozona a week or so ago, prospecting, and while here he leased from Eloe and Early Baggett their 45 section ranch below town at 20 cents per acre, for five years from April 15, at which time he will take possession. He also bought from Early about 185 two year old heifers at \$35.

Early Baggett sold Paschal Odum 95 yearling heifers at \$27 last week.

Abe Mayer bought Monday from Willis Huey the Jones Miller cows, about 320 head at \$42.50, to be delivered immediately.

Walter Childress and Beecher Montgomery sold 2600 one and two year old muttons to Williams and Childress at \$3.75, wool on.

Jno. Bailey bought from Jno. Lewter the Schauer steer yearlings—164 head, at \$30.

A three inch rain has fallen in the Sonora country this week and has extended over practically all of West Texas.

Bill West came back to town last Monday to see why he hadn't received the Stockman.

Mrs. A. W. Mauldin and daughter, Miss Lovie, of Artesia, N. M. have been in Ozona for several days visiting her son, Blake and wife.

W. F. Hoover was in town from his ranch on the Pecos the early part of the week. He failed to get any of the nice rain we had.

E. W. McNutt was in from the ranch Monday.

J. C. Kirby was to be seen on our streets Monday.

Early Baggett and wife spent Saturday shopping in the city.

J. W. Friend & Sons are making preparations to extend the old light tower building on the corner, back about 50 feet, and equipping it for an opera house and Kenneth Cox has leased it when completed and will open a moving picture show. Ozona is coming to the front—just you watch things hum from now on.

Our genial saddler, W. F. Coates, left this morning for the ranch to spend a few days.

Rob and Roy and W. L. Miller passed through town today on their way back to the ranch from delivering the Miller cows to Abe Mayer.

Mr. and Mrs. Otto Schauer were shopping in town Monday.

Judge W. D. Barton spent two or three days inspecting and directing the work now being done on the Barnhart road. Jim Chapman and his men are taking all the stumps out of the road preparatory to the grading that will be done when we get our road machinery. Our two graders are already in Barnhart, but the rooters have not yet arrived and the engine has not yet been shipped.

Charlie Williams spent a few days mixing with the town boys last week.

Roger Dudley went to San Angelo the fare part of last week after a roadster for his Ford stock of cars. Roger don't want a prospect to get away if he ever gets him in the notion to buy, so he is going to be able to deliver him just the car he wants just when he wants it.

J. M. Shannon was down from San Angelo a few days ago looking after his Ozona interests.

Married

A. E. Deland and Miss Maggie Dunlap, both of this city, were united in the holy bonds of wedlock on March 25th, at the Methodist parsonage, Dr. W. M. Crutchfield officiating. These two young people have legions of friends in Crockett County who will join with us in wishing for them a bon voyage on the sea of matrimony.

Robert Massie was looking after his Crockett County interests a few days this week.

Pon Seahorn was up from the Friend ranch last week.

Roger Blain, our efficient County Commissioner from precinct No. 2, spent a couple of days in the city last week.

Have you seen Bruce Drake and his—Henry Ford? It's a dandy looking runabout.

W. E. West came up last week from the ranch to see his family and subscribe for the Stockman.

A. H. Utterback and wife have returned to Ozona to make their home and Mr. Utterback has accepted a position with R. R. Baker, the gents furnisher.

Abe Mayer was renewing his acquaintance with his family a day or two last week, and was mul bound to Ozona a couple of days on his way back to the ranch.

Preface

Journalism is a profession, and any editor is presumed to be schooled therein. But very likely no such presumption has been indulged in respect to the editor of the Ozona Stockman. They say that in the West one must prove himself, and that it is only a waste of time to present credentials however fairly writ. This editor has no credentials and has no other course than to try to prove himself. It may not be easy for me to make good, as the publishers have already hedged me in amazingly. When I suggested that I occasionally use red ink, they told me never to believe that the Ozona Stockman could be run successfully on any "public be damned" idea; but when I suggested that I would be extremely modest, they claimed the publishers had sufficient modesty for the entire outfit.

While I do not like restrictions, yet on reflection I see quite a field between warrior and priest, and I shall try to confine myself to it.

That Ozona is entitled to a good live weekly journal any one can see; but how well it will pay, the publishers will find out. Many kind souls expect to live and die in and go to glory; and while it is to be hoped that all will reach that landing, it would seem that you can't do business on the article either at the Ozona Meat Market or the Ozona National Bank. And if I understand my publishers, they want the glory account kept to the minimum. From what I can gather of my surroundings and relationship it appears wise, not now, to deplete my stock of apologies; which shivering thought makes me exclaim, Let us be friends—tolerant friends; You do your best and I will try.

Clay Montgomery has at last succumbed to the auto fever and purchased a Buick Car—a beauty—and he and Roger Dudley went up to San Angelo after it last week returning Saturday. Roger is the local agent for the Buick and lands a victim every now and then.

S. E. Phillips was visiting his family in the city the early part of the week.

H. P. Vaughan returned last Saturday from Rowdy Hoover's ranch where he has been for several days erecting Rowdy a ranch house on the land he recently purchased.

T. A. Kincaid has been on the sick list this week, and went to San Angelo this evening for medical attention. We hope he will be able to be up soon.

Pon Seahorn is at the old Donaldson ranch shearing out Walter Childress' sheep.

REGULAR Advertising

From a Speech by

C. W. Johnson

Oakland, Nebraska, Merchant

"I have been in business 27 years and seldom miss an issue of the local paper with an advertisement of some kind.

"I believe that the constant spitting of a machine gun does more execution than the occasional boom of a big Bertha. Its spat-spat shot gets results. So it is with advertising; the small ad run every week is better for results than the large ad run hit or miss. Consecutive advertising gets the business.

"We are told that American business now has hit the bottom, and that things will be better. Now is the time to advertise our wares and get the public to start buying.

"There are all kinds of advertising schemes, and I have dabbled in them all, but the advertising in the local newspaper is best and gives the largest results for money spent.

"Put more time in writing your ads, and then talk it over with the newspaper. It pays in the long run to spend that extra time.

"Create a desire to possess, in your ad, and it will get the business.

"If you had a whole bushel of chain links it would not pull a load. Put them together in a continuous chain and you have a strong and powerful thing with which to pull a load. So it is with advertising. Link your ads together, run them in a continuous string week after week, and you will have a power that will produce results."

OZONA STOCKMAN

Health Problem Of Ozona Is One Of Perfecting Moves Already Begun, Dr. McIntire Tells Members Woman's Club

An illuminating picture of the health situation in Ozona given by Dr. F. T. McIntire in an interesting paper on the subject "Health Problems in Ozona" at the Woman's Club meeting Tuesday afternoon. Dr. McIntire's discussion is published in full below:

Health problems in Ozona for the greater part, are not so serious. The major factors in sanitation have been quite well covered. We have a good water supply, a good milk supply and a sewer system. The major health problems have to do largely with perfecting what we already have. I will deal with these individually.

The water supply is pure. Some criticism has been offered because the reservoir tank is open. However, it is well to have a reservoir tank open so the sun rays can purify the water. Water in impounding reservoirs is purified by this method and many large cities use this as their only source. All of our water supply from the State Department of Health have been very satisfactory.

Some improvement can be made in our milk supply. However, as the arrangements now being made are perfected, a milk supply can comply with requirements of grade A milk will be available. Never the less, no milk is perfect unless it is pasteurized. Dairymen, of course, must have help. Their help is needed for colds, typhoid, dysentery, etc as well as other people. Furthermore they may be apparently healthy and still be a typhoid, diphtheria, or scarlet fever carrier and pollute large quantities of milk. Some of the cows may develop infectious abortion. The germ which causes this if transmitted to human beings causes infant fever, commonly called at fever. If not tuberculin tested regularly, the cows may have tuberculosis. This bovine type of tuberculosis usually causes glandular, intestinal, bone and joint tuberculosis in children. Pasteurization kills any type of disease germ that might be present in milk including the germ of tuberculosis.

Taste Change Slight
Some do not want pasteurized milk because they claim it affects the taste. There may be some slight change, however there is not much if the milk is properly pasteurized. Another claim is that certain important food elements are destroyed by pasteurization. The only food element destroyed is Vitamin C which is amply supplied in tomato juice and fruit juices, particularly orange juice. I have talked with dairymen in Ozona enough to know that pasteurized milk will be produced as soon as there is a demand. You, of course, cannot expect your dairymen to go to the expense of a pasteurization plant unless he will be able to dispose of pasteurized milk.

Concerning sewage disposal, the sewage plant is functioning perfectly. However in connection with the sewage system we have a real problem. That is to get people to connect on. Various excuses are offered from various members of the public. Some mention expense. However, ever since the sewage disposal plant was constructed and particularly when various lines were being installed about town every effort was made to try to get people to take the advantage of attaching at that time. A connection could be made at very little expense, much less than an individual connection. In fact the county officials have been so interested in getting new connections that they

have offered to make these connections for the owners and allow them to pay it out, not at any fixed time, but when they could. Recently we have had the C. W. A. work. Through this aid absolutely the only cost, to the owner of the property was material used in installation. Still many objected to that. Some stated they wanted a connection when the sanitary survey was made but changed their mind later and would not give permission to cross their property when the time came for installation by the C.W.A.

Cess Pools Dangerous
It is hard to understand why anybody, rich or poor would object to a sewer connection. Of course it costs a small amount, but I know of nothing worth while outside of air and sunshine that does not cost something. There is very little advantage in anybody having a good water supply if their surroundings are constantly polluted by overflowing cess pools or open poorly kept privies; where flies and mosquitoes abound, get pollution and filth all over them, then come in the house and crawl on our food and dishes. No house is entirely free of flies and mosquitoes in the summer. Some have argued that sewage is purified by the time it seeps up to the surface from septic tanks. That may be true for a short time but the soil soon gets so saturated that it fails to act as a filter and consequently the surface becomes polluted with typhoid germs or anything else that might pass from the lowels of a human being. Personally I do not want either my lawn or shrubbery watered by sewage.

Open privies are a menace to any town. We still have plenty of them. We have tried, here in Ozona, to gradually get as many as possible on the sewer line but there are still some especially in the business district, that will have to be forced on in the near future by the health officer condemning their open toilets as health hazards.

Garbage disposal is far from perfect in Ozona. The town dump, some three or four miles out, serves very well as a substitute for proper disposal. It apparently is as good as a town of this size could expect since an incineration plant would possibly be rather expensive to be practical here. However what we do need is regular collection from restaurants, stores and homes. So far, one of the negroes in town has collected garbage and has been paid a certain amount each month by the individual. This has been rather unsatisfactory in many respects. It would be better if the county employed a garbage collector for the whole town. Of course the county has a large expense at present. However if necessary, taxation rate could be increased slightly to cover the expense.

For the past two or three years mosquitoes have been an important factor here. However our sewer system has removed many breeding places for mosquitoes and will remove many more if those with overflowing cesspools will tie on to the sewer line. If each property owner keeps his property free from cans, trash, garbage and weeds mosquitoes will not be troublesome. Having a general clean-up day in the spring is commendable. However it will not last all summer any more than a spring bath does. The various property owners must realize this and keep their surroundings free from breeding places for mosquitoes.

Mexico will always be a problem so long as Mexico is here and I judge it is here to stay. Teaching a Mexican to keep a clean home is a hard proposition. However they are improving. They have been conducting a clean-up campaign all their own during the past week, including speeches and distribution of literature concerning health. Occasionally they have to be reinforced by county authorities when they have an epidemic. Recently I have been immunizing approximately 200 Mexican children from diphtheria, typhoid and smallpox. Materials were obtained from the county and the state, and contrary to certain reports I have not made from four to five hundred dollars giving it. In fact it has been given free of charge. This work was done in an attempt to reduce future epidemics in Mexico.

That presents another subject of importance in Ozona. Comparatively few of our white citizens took advantage of the C.W.A. opportunity for immunization of children. Parents, as a whole, in Ozona have neglected proper immunization of their children. So far they have been quite fortunate. However a health and accident insurance policy is very good to have when one is sick or injured. Similarly it is comforting to know that one's children are immunized against diphtheria, scarlet fever, smallpox and typhoid when any of these diseases are present in epidemic form. It is too late to get anything but temporary protection after the epidemic starts. I think this matter should be considered most seriously by Ozona parents. The health officer cannot undertake a wholesale immunization of white children as has been done in Mexico because of certain people who object to having their children immunized. If there were any reactions in children of objecting parents, the one who gave the serum would be laying himself liable to plenty of trouble. Even before I started the program in Mexico I made sure I would receive proper support from county officials if some objecting parent started trouble. I am glad to say the Mexicans have been very cooperative in this matter. When that work is completed they will be far ahead of the white schools in the matter of protective immunization.

Judge Davidson and other county officials are constantly striving to make Ozona a safe, sanitary, modern and attractive town in which to live. Just in the past three years the new school, paved streets and the sewer system have been added. By constant diligence in problems of sanitation in the next three years Ozona should be able to correct nearly all the sanitary imperfections.

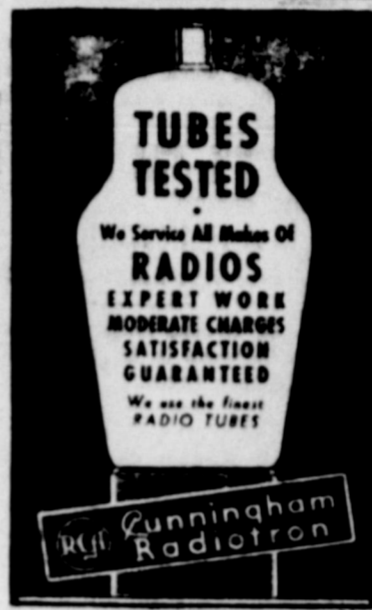

Dr. and Mrs. W. A. Grandy and Mr. and Mrs. Richard Miller went to San Antonio Sunday where Dr. and Mrs. Grandy attended a chiropractic convention. They returned Tuesday.

Mrs. P. L. Childress, who has been ill several weeks in a San Antonio hospital, was reported slowly improving this week.

Mrs. Lee Childress BRIDGE CLUB HOSTESS
Mrs. Lee Childress entertained members of her bridge club at her home last week, complimenting Mrs. F. T. McIntire, who was presented with a gift. Dr. and Mrs. McIntire will leave next week for San Angelo where they will make their home.

Learn About the "Electric" Kitchen

This is the "Electrical Age." Take advantage of modern electrical servants.

Let Mrs. Jones Tell You

"I am so proud of my all electric kitchen—it is so easily kept clean, and I know it will be cool this summer."

There are many other reasons why thousands of West Texas Homes are being equipped "all electrically." Modern electric appliances make housekeeping a pleasure . . . and you may be surprised how easily you can equip your kitchen with all these conveniences . . . at very small cost.

Call us for information and help in planning your kitchen to save you unnecessary time and work. Make your kitchen completely modern—and it will be interesting to know how you can reduce your operating costs by taking advantage of the reasonable rate schedule provided for an "All Electric Kitchen."

Our Kitchen Planning Service is available without any obligation on your part. STEP BY STEP YOU CAN BUILD AN AUTOMATIC KITCHEN.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

BARNHART NOTES

By E. J. WYATT, Correspondent

DINNER PARTY GIVEN SENIORS OF BARNHART

Mrs. J. T. Miles entertained the senior class last Friday night with a dinner party. The rooms were decorated with purple and gold streamers and lights, the class colors. Favours of gold baskets and a purple place card with the name written in gold, helped the guests to find their seats.

The honored guests were: Miss Winifred Pfaff, class sponsor, Lorene Westfall, Ollie Frank, Jr., Tom Harris, Jr., and William Miles, seniors. The invited guests were Irene Beeman, Donna Frank, Maxine Lewis, Viola Newman, Christine Shaw, Edith Watson, Mrs. L. V. Gentry, Mrs. E. J. Wyatt, Fred Kessler, Al Owens, Edd Beeman, Clyde Parry, Joseph Miles, L. V. Gentry and E. J. Wyatt.

A three course dinner was served to the guests at 7 o'clock after which table games were played, which consisted of Bounce, Rook, and Hearts. After the table games a humorous spelling match furnished the entertainment. High prizes were awarded to Irene Beeman and L. V. Gentry.

P.T.A. MEETS FOR MONTHLY PROGRAM

The P.T.A. had its monthly meeting on last Thursday night at 7:45 o'clock in the school auditorium. The program was opened with "America the Beautiful" by the congregation. Joseph Miles played a piano solo. Mary Katharine Sparks gave a reading. Miss Mear's 3rd and 4th grade pupils gave a "Fire Prevention" play. Business session followed and then all adjourned until the meeting of next month.

C. E. BAILEY IS GRANDPA

Mr. and Mrs. Frank Dees are the proud parents of a big fine boy, born last week at Ft. Stockton. Mrs. Dees is the daughter of Mr. and Mrs. C. E. Bailey, Section Foreman here. Mrs. Bailey has been with her daughter the past two weeks but will be home next Sunday.

Mr. Bailey and son, Ed, motored to Ft. Stockton last weekend to be with Mrs. Bailey, Mr. and Mrs. Dees and grandson.

Mr. and Mrs. Douglas Nestitt, of the Red Front Garage, carried their baby daughter, Edith Alline, to the physicians at Ozona last Thursday. The baby had a severe cold and the parents were afraid of pneumonia.

TRUSTEES RE-ELECTED

Election for trustees was held here Saturday. R. S. Neal and Eugene Linthicum were re-elected for another term. Mrs. Clint Shaw, Mrs. H. C. Dunkin and Mrs. Cal Johnson held the election.

MAY REORGANIZE BARNHART SCOUTS

Mr. Bob Billington, Field Executive of the Concho Valley Council of Boy Scouts, was a visitor here Monday to look over the prospects of re-organizing the troop here. The troop has been inactive for about two years now. It is hoped that it can be started so as to give the boys this valuable training and pleasure again.

IRON COMMISSIONERS ASK HIGHWAY COMPLETION

W. S. Crawford finishes construction work on Highway 99 through here this week. He had charge of the bridge construction. It is hoped that the contract will

be let soon to connect this road with the other road at Mertzon. Judge R. J. Atkinson and some of the commissioners of this county went as a committee to Austin this week in regard to Highway 99.

Pink Shelton is in the Shannon Memorial Hospital at San Angelo with pneumonia. Mr. Shelton is connected with the State Highway Dept. and has only been here a short time. Coming here from Big Lake.

The general report of the rain here last week was 4 1/2 inches right in town, with it differing in certain sections. The ranchmen are greatly "pepped up" over the rain and the prospects of the spring pastures.

Bill Matlock of Teton was a visitor here last Saturday night.

L. E. Brooks shipped some cattle this week to Oklahoma to put on pasture there.

Mr. and Mrs. D. I. Taylor were in San Angelo on business this week.

Our town was entertained Monday night by a test show. The play presented portrayed the life of Jesse James and Cole Younger. The show was made lively with a real comedian who played the part of the darky servant.

Mr. and Mrs. A. A. Cumbie and daughter, Connie Gene, were shopping in San Angelo Tuesday.

The recent good rains have stopped the feed bill of the ranchmen

and instead they are hauling out salt to go with the green feed which is well on the way.

IRON ASSESSOR IN RACE FOR CLERKSHIP

M. A. Goodall of Mertzon was in Barnhart on business Tuesday. Mr. Goodall is now Tax Assessor but is in the race for County Clerk this next term. He was also handing out his cards asking the people for their support. He is an ex-service man, and has served the county well as assessor.

Fred Smith of Mertzon was in town Monday. He is a salesman for the Plymouth car and makes this territory often.

AND A FEW FROGS LEARNED TO SWIM

We are having quite a bit of illness in town from colds or light cases of flu. It may be that the people are not used to the damp climate that we have been having here of late.

SENIOR B.Y.P.U. PROGRAM Sunday, April 15

Subject: "Christ Is Revealer." Introduction—Jettie Rae Sellers.

Christ Revealed God in the Old Testament—Ben Williams.

Christ Revealed God in His Earthly Life—Mrs. Glyn Cates.

Christ Revealed God in His Death—Gladine Coates.

Christ Revealed God in His Resurrection—Glyn Cates.

Christ Reveals God in His Presence Through His Spirit—Troy Williams.

Mrs. Joe T. Davidson, Mrs. Chas. E. Davidson, Mrs. Joe Pierce, Mr. and Mrs. Warren Clayton, Mrs. N. W. Graham and Mrs. Hugh Childress, Jr., were among the San Angelo visitors Tuesday.

Ozona League Has Charge Of Program At Sonora Meeting

Returning the visit paid the Ozona Epworth League by Leaguers of Sonora recently, a group from the Ozona High League presented a special program at the League hour in Sonora Sunday evening. The Sonora League served supper for both groups at the church.

Miss Clovis Neal, president of the Sonora league, conducted a song service. The Ozona Leaguers then took charge of the program.

The program presented was as follows: Piano solo by Mary Williams; song, "Jesus Calls" by the assembly; scripture reading by Imogene Baker; piano solo by Vicky Pierce; prayer by Esther Kate Pierce; offertory and song assembly. Eda Schneemann acted as leader. Mrs. Ted White, sponsor of the group, accompanied them. A playlet entitled "There are a Million Jobs Waiting" was presented by a cast which included Willie V. Coose, Dorothy Henderson, Florene Adams, Margaret Ella Drake, Jake Miller, Bill Seaborn, Ele Bright Baggett, John D. Whatley and Bill Childress.

Members of the Ozona League making the trip to Sonora included Esther Kate Pierce, Vicky Pierce, Dorothy Henderson, Eliza Beth Coose, Maggie Seaborn, Athleen Dudley, Dorothy Fay Drake, Lillian Baggett, Willie V. Coose, Imogene Baker, Eda Schneemann, LaVera Simpson, Florene Adams, Margaret Ella Drake, Mary Williams; Mrs. Joe Davidson, Mrs. Ted White, Mrs. S. M. Harvick, Mrs. Joe Pierce, Mrs. Pon Seaborn, Mrs. Monroe Baggett, Mrs. Johnnie Henderson, Ray Boyd, Batts Friend, Joe Thomas Davidson, Jack Baggett, P. C. Perner, James Baggett, Bill Seaborn, Martin Harvick, Max Schneemann, Ele B. Baggett, John D. Whatley, Ted White, Jake Miller and Bill Childress.

See Mrs. Sorrels for your spring permanents. Right prices on best waves. 1-2c

Mr. and Mrs. Babe Phillips were in San Antonio a few days this week. They brought back Mrs. Phillips' mother, Mrs. Walter Cook, for a few days visit.

Judge and Mrs. Chas. E. Davidson returned Tuesday night from a trip through Arkansas and Oklahoma. Their daughter, Mrs. Mark Garver, of Mountain Home, Ark., returned with them for a few days' visit.

Marshall Montgomery is suffering from a badly bruised knee, acquired last week when a horse fell with him.

Building Lots In Ozona for Sale

In the next few days I will have maps and plates ready to place on the market a number of choice business and residence lots along the highway west of Johnson Draw. These lots are located south of the highway, a total of 1800 feet fronting on the highway.

Ozona people are going to be given first opportunity at the purchase of these lots. I have had a large number of inquiries from out-of-town interests for their purchase and if Ozona people do not want them, I will place them on the market to outsiders.

If anyone is interested in one or more of these building sites, see me at once.

M. C. Couch

"The Store That Lowered Prices In Ozona"
