

# THE OZONA STOCKMAN

The Only Paper In Crockett County—3,000 Square Miles Of Livestock Territory

"Out In The West, Where The Air Is Pure, The Climate Agreeable, And The People Friendly—The Best Place On Earth To Call Home"

VOL. 22. \$2.00 Per Year In Texas—\$2.50 Elsewhere OZONA, CROCKETT COUNTY, TEXAS, THURSDAY, NOVEMBER 14, 1935. 5 Cents Per Copy No. 32.

## EXTENSION OF SEWER SYSTEM WPA PROJECT

**\$6,443 WPA Grant Authorized To Crockett Co. for Completion**

**TO START NOV. 21**  
**All Available Relief Labor To Be Employed On Project**

A WPA allotment to Crockett County for extensions to the Ozona sewer system was authorized this week by the state WPA administration, according to notice received by County Judge Charles E. Davidson. The sewer extension is one of several projects filed by Crockett County with the Works Progress Administration.

Work on the local WPA project is scheduled to begin November 21, the county judge was informed. All available labor from local relief clients will be employed on the project.

The WPA allotment for the sewer extension project here was announced as \$6,443, with \$500 contributed by the county toward completion of the project. Employment of thirty-three workers is contemplated on the job.

Extension to the local sewer system will include a number of connections to existing mains which were not made at the time the mains were laid because of a shortage of funds. Some extension of mains in outlying sections of the city, including an important extension west of the draw, will also be made.

## Westmoorland College Prexy To Speak Here

**W. W. Jackson Speaks At Methodist Men's Banquet Sat. Night**

W. W. Jackson, president of Westmoorland College, a Methodist Junior College in San Antonio, will be in Ozona Saturday and Sunday. Mr. Jackson will speak to the Methodist Men's Banquet at 7 o'clock Saturday night. He will also deliver a lay sermon to the entire congregation at the 11 o'clock service on Sunday.

Mr. Jackson has had wide and varied experience as Y.M.C.A. secretary, educational leader in the Methodist Mexican Missions, and as college president. He is a very thoughtful and interesting speaker. The men of the Church are especially urged to hear him Saturday night. Young people and parents of boys and girls contemplating college are urged to hear him Sunday morning.

## Winter Settles As First Frost Nips Vegetation

**First Freezing Temperature Recorded Here Monday Night**

Winter slipped its icy fingers down the coat collars of West Texans this week, and leaves and summer vegetation that had continued to thrive long past their time as warm weather prevailed folded up and quit as the season's first killing frost visited Monday night.

Following on the heels of an unusually hot period Sunday, Armistice Day opened with a quick norther blowing. The temperature dropped as the holiday waned and Ozonans awoke Tuesday morning to see a blanket of white that meant the last of tender vegetation.

## Lions In Crucial Contest Against Rocksprings Sat.

**Last Home Game Of Season Also Decides Ozona's Flag Hopes**

A lot of significance attaches to the high school football game to be played on the Ozona gridiron next Saturday afternoon.

On that occasion, starting at 3:30 o'clock, Coach Ted White will unbar the cages and loose his scrapping Lions on the highly touted Rocksprings Bulldogs in a crucial combat in district Inter-scholastic League competition.

In the first place, this game will decide whether or not the Ozona eleven can retain hopes for a place of equality or better in the final reckoning of the district leadership. If the Lions drop this contest, it definitely and finally eliminates them from championship or tie hopes. If they win, they step up to equality with the Bulldogs, have the Eldorado Eagles yet to hurdle and can hope for a Junction spill later to even the count in that quarter.

The coming contest has further significance for local grid fans in that it is the last home game of the 1935-36 season. Next week the Lions journey to Eldorado for their final game of the season against the Eagles.

Captain D. A. Parker, who played the last few minutes of the Armistice Day game against Sonora after being out three weeks as a result of injuries in the Junction game, is expected to be ready to go Saturday. A passing game is looked to for Ozona's greatest chances of a victory and Parker's return to complete the Brown-to-Parker aerial attack will cause a rise in Lion spirit for the Rocksprings test. The Bulldogs have a powerful aggregation and plenty of fireworks should be uncoiled.

## Children Evacuate School Building In 50 Seconds In Drill

Evacuation of 180 school children from a three-story building in fifty seconds may or may not be something of a record, but it is getting them into the open air in somewhat of a hurry. That was the recorded time that took to evacuate the elementary school building here yesterday in the first fire drill of that department, according to Gerald E. Williams, principal, reporting to Supt. C. S. Denham.

This was an "unobstructed" drill, the principal reported. An "unobstructed" drill is one where there are no obstructions placed in the hallways and none of the outer doors locked. "Obstructed" drills are held wherein these obstructions to exit are placed intentionally to teach pupils to quickly find new exits or overcome obstacles to escape.

## ADVISED TO RESIGN

Dr. Theodor Lewald, president of the German Olympic committee, who was advised to resign by former Supreme Court Justice Jeremiah T. Mahoney, president of the Amateur Athletic Union of the United States, following the union's investigation of Germany's pledges not to discriminate against Jewish athletes. Lewald, whose religious status is that of a "Non-Aryan Christian," is looked upon as a screen by Mr. Mahoney "to conceal his government's most flagrant violations of the Olympic ideal of fair play for all."

## Red Cross Roll Call Drive To Be Made Here

**Corps Volunteer Workers To Take Field This Week**

A corps of workers, selected by A. W. Jones, Crockett County Red Cross chairman, will take the field late this week conducting the annual Red Cross Roll Call drive locally.

The national Red Cross organization is making a strong appeal for public support this year in view of the fact that the organization handled a new all-time high record number of disasters during the past fiscal year.

Workers who are taking enough interest in the work of the Red Cross to volunteer their help in making the local drive are hopeful of a liberal response in the brief drive to be made here. Literature of the Red Cross was distributed this week and as an added adjunct to the Roll Call publicity, a motion picture, "The Greatest Mother," will be shown at the Ozona Theatre Friday and Saturday of this week.

## EASTERN STAR MEET

The Ozona Chapter, Order of the Eastern Star, will meet in regular session at the lodge rooms here Tuesday night of next week.

## MUD HOLE REPAIRED

Under supervision of the athletic department of the local school system, the big mud hole at the street intersection at the Powell athletic field was filled with gravel last week.

## Rogers Memorial Fund Drive Here Gets Under Way

**John Bailey Chairman Of Crockett County Campaign Group**

The Will Rogers Memorial fund drive got under way here late last week with the appointment of John Bailey as Crockett County drive chairman.

Mr. Bailey launched the drive with a number of subscription blank sheets placed at strategic points in the city where those who wish to contribute to the "living memorial" to the world citizen, the most lovable character the world has ever produced, may do so conveniently.

The first local contribution to the Rogers memorial fund came from the children of Ozona schools. A mass contribution from the schools opened the local fund early last week. This week, room contributions were being taken from children throughout the system to add to the fund, teachers making their contributions from their respective rooms. A 100 per cent response was expected.

Mr. Bailey added nearly \$100 to the fund through brief personal solicitation shortly after being notified of his appointment. Persons who wish to contribute to the fund may leave the money at the Ozona National Bank hand to Mr. Bailey or if more convenient it may be left at The Stockman office.

## Background Secular Music In America Is Music Club Topic

The Ozona Music Club met last week at the home of Mrs. Paul Perner with Mrs. Baggett and Mrs. Ben Ingham as assisting hostesses. The day's program was built around music used as a background for secular music in America. Mrs. L. B. Townsend, Mrs. Bryan McDonald, Mrs. Boyd Clayton and Mrs. Marshall Montgomery were special guests.

The Music Club will hold its next regular meeting Thursday of next week for observance of Federation Day, with local district officers and chairmen as honor guests. The program will include the national federation hymn, reports from the district convention musical selections by the juvenile and junior music clubs, an original poem by Mrs. A. C. Hoover, two-minute talks by a group of local officers and a talk on "Federation Highlights" by Mrs. Clarence Nelson.

Mrs. M. A. Rynnion, Mrs. C. J. Watts, Mrs. John Curry and Mrs. Gertrude Perry attended a meeting of the Eastern Star chapter inerton Tuesday night.

## TWO LIVESTOCK INSPECTORS TO BE EMPLOYED IN THIS COUNTY IN MOVEMENT TO CURB THEFTS

## Lions Overthrow Lighter Bronchs By 31 to 0 Tally

**80-Yd Touchdown Gallop Big Thrill Of Armistice Day Game**

Coach Ted White's Lions chalked up another one-sided victory in district combat Monday afternoon when they took the Sonora Bronchs 31-0 as a big crowd of local fans crouched behind overcoat collars for protection against a biting cold north wind that swept the playing field.

The small Sutton County lads put up a game fight against overwhelmingly odds. Brantley, Bronc fullback, leading his team on offensive thrusts. Brantley made repeated long gains early in the game, proving himself a splendid ball carrier and a potential threat even without the services of a line strong enough to open him a hole in forward territory.

With Brown, Casbeer, Childress and Leath galloping all over the lot with the oval tucked away, the Lions gave fans lots of action after the first quarter. The visitors got the jump in pep and fight through the first quarter, holding their more powerful opponents scoreless throughout the first frame.

## Lions Go To Work

But the Lions took charge of the situation in the second quarter when they took the ball in mid-field, marched to Sonora's 30-yard stripe when Jake Casbeer broke loose for a 25-yard run only toumble the oval a few yards from the pay dirt. A teammate recovered, however, and a few minutes later, Brown plunged thru for the first counter. An attempted pass for the extra point was knocked down.

(Continued On Last Page)

## Juniors Round Into Shape For Opening Basketball Season

Boys of the Ozona Junior High School are rushing the season somewhat and getting basketball minded, Principal and Coach Gerald Williams reports. Suits have been assigned to twenty-eight boys the past week and practice is already under way.

The juniors are being divided into four teams with a view to conducting a round robin tournament similar to the one conducted last year. Challenges have been received by Coach Williams lads from Powell Field and Iraan junior teams. These will be accepted at the earliest possible date.

## Close Watch On Truck Movements Of Stock To Be Kept

As a means of combatting livestock thefts throughout Crockett County, two inspectors, whose duty it will be to closely investigate all livestock movements by truck, will be employed in the near future by this county following a conference of a group of representative ranchers with members of the Commissioners Court in the district courtroom Monday morning.

The meeting was called by the commissioners court for the purpose of discussing with ranchmen the proposed step and to secure county-wide co-operation of leaders of the industry in putting a stop to the reported widespread thievery by truck. With about thirty-five ranchers present, Ira Carson was selected as chairman of the meeting, and after discussion of the problem, the group selected a committee of stockmen to act in conjunction with the Commissioners Court in taking the proper steps to stamp out livestock thefts in the county.

## Ranchers Committee

This committee, composed of Lawrence Brooks, J. A. Harvick, Wayne West, J. M. Baggett and Ralph Watson, was appointed without instructions from the group, being delegated authority to work out details of the program with the court. After the noon hour, the ranchers' committee met with the Commissioners court in (Continued On Last Page)

## Local Citizens Give Testimony In Shannon Suit

**Mrs. Griffith's Suit On Early Partnership Is Continued At Post**

Depositions of sixteen Crockett County residents were taken during the past week for use in trial of the case of Mrs. Lula Hill Griffith against Alex Collins, et al, administrators of the J. M. Shannon estate, pending in district court of Garza County at Post.

Mrs. Griffith is seeking a portion of the Shannon estate on the grounds that a partnership which is alleged to have existed in the early days between her husband and the late J. M. Shannon had never been dissolved. Depositions were taken from pioneer residents here, the questions relating to early-day affairs of the late Mr. (Continued On Last Page)

## Curriculum Is Topic At P.T.A. Meeting Monday

**Mrs. C. J. Watts Leader At Regular Session Of Group at 3:30**

The regular meeting of the Ozona Parent-Teacher Association will be held on Monday November 18 at 3:30 p. m. in the High School auditorium.

The subject for the day will be "The Liberal High School Curriculum," and program leader will be Mrs. C. J. Watts.

The fact that three teachers will take part on this program makes it unusually interesting, and all patrons of the school and interested friends are urged to be present.

Hostesses will be Mesdames Bruce Drake, Ray Dunlap, Ira Carson, Ernest Sparkman, Evart White and Hillery Phillips.

## SKELETONS FROM PECOS CAVE BELIEVED OF CAVE DWELLERS

## Santone Museum Asks Permission to Excavate Cave Contents

Further light on the archeological identity of two skeletons found in a pot cave along the Pecos River on the Noelke ranch recently, may soon be shed by a party of archeologists and experienced excavators from the Witte Museum at San Antonio, who are anxious to secure permission to examine the find to determine whether or not the skeletons are those of Texas Cave Dwellers, whose age is variously estimated around 3,000 years ago.

In a letter to The Stockman this week concerning the finding of the two skeletons, Sam Woolford, member of the editorial staff of the San Antonio Light and arch-

aeologist, expresses the conviction that the two skeletons, now on display in the High School building here, are those of Texas cave dwellers and consequently quite valuable from a scientific standpoint.

Mr. Woolford, on behalf of the Witte Museum, asks The Stockman to arrange with owners of the land for permission for the museum scientific staff to remove the entire contents of the cave and to make other scientific explorations in the area. His letter, which gives some interesting facts concerning the Texas cave dwellers, is reproduced in full below:

Nov. 11, 1935  
Mr. W. E. White,  
Ozona Stockman,  
Ozona, Texas.  
"Dear Mr. White: Jack Nolen, city editor, has called my attention

to two articles in your paper concerning the finding of skeletal material in a cave on the Pecos below Sheffield. I called the matter to the attention of Mrs. Ellen S. Quillin, curator of the Witte Museum, but she was called out of town, so I am writing now, and she will probably write later.

"The skeletons are undoubtedly those of Texas cave dwellers, a phase of earliest Texas aboriginal life which has been of wide interest to scientists in the last few years. The Witte Museum here has quite a collection of this material taken from caves on the upper part of the Pecos and in the Big Bend section of the state.

"For your information, this phase of culture is quite valuable from a scientific standpoint as there is not a lot of it remaining and all well preserved habitation

sites such as that found in the cave there, should by all means be removed by experts and preserved against the ravages of time and placed in a museum.

"This, I am sure the Witte Museum would be glad to do, and to give full credit to its discoverer, the owner of the land upon which the cave is located and all others who were kind enough to aid the museum in removing the cultural remains of this bygone people.

"Unless one is familiar with the contents of these caves, most of the really valuable and scientific material is lost, not being recognized as such, by inexperienced excavators, no matter how careful they may be.

"I have helped to remove a great deal of Texas Cave Dweller

Notices of church entertainments where admission is charged, cards of thanks, resolutions of respect and all matter not news, will be charged for at regular advertising rates.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected upon calling the attention of the management to the article in question.

THURSDAY NOVEMBER 14 1935

"Newspaper advertising today is a running account of the commercial history of the times. It in cludes every development, every activity in the realms of trade, art, science—all of them depend upon advertising for their advancement and expansion," so says James E. Barrett, managing director of the Oklahoma Biltmore Hotel.

McDowell News: The merchant who doesn't advertise has nothing on the man in jail. He isn't doing anything either.

Saginaw Daily News: So many people are now in favor of Borah for President that he must be about ready to oppose the idea.

Ohio State Journal: Wearing of veils by Turkish women has been abolished by government decree. Only the home's women are objecting.

Des Moines Register: A Columbia professor finds "regrettable" is our misspelled word. It is especially humiliating at a time when so much must be deplored.

"This is tough luck," moaned Ham as he leaned out of the Ark window; "here we've got all this water around us to fish in and only two fish worms on board."

Nature never invented anything that grows as fast as the fish from the time it gets into the boat to the time the angler is telling about it, at the corner drug store.

Te a Gold Digger, a Brass Coin  
A kiss is a peculiar proposition. Of no use to one, yet absolute bliss to two. The small boy gets it for nothing, the young man has to lie for it, and the old man has to buy it. The baby's right, the lover's privilege, and the hypocrite's mask. To a young girl, faith; to a married woman, hope; and to an old maid, charity.

**Quarantining Still Essential Aid To Disease Control**

AUSTIN, Nov. 6—"Quarantine and isolation have long been practiced to limit the spread of contagion. Theoretically, these measures should no longer be necessary for diphtheria and smallpox two diseases which are absolutely preventable," says Dr. John W. Brown, State Health Officer. Practically, however, we still have smallpox with us and cases as well as deaths due to diphtheria, occur only too often. Control and preventive measures are now practiced against scarlet fever, measles, and whooping cough. Nevertheless, until such measures find more universal application, isolation and quarantine must continue to be emphasized. These are, in a true sense, essential aids in the control of disease.

The attitude of people toward observance of health regulations varies as greatly as does human nature itself. Most families, realizing the necessity for restrictive measures, cooperate readily. This attitude is exemplified by the mother who learned that her little girl had measles. She waited a while and then telephoned to the health office to ask that her home be placarded. Mothers in increasing numbers are asserting this sort of health consciousness.

There is, of course, the opposite attitude, that of evasion. Failure to report the presence of suspected communicable disease in the home is unfortunate. A chief purpose of isolation is to allow for the infected person to rid himself of the disease germ. In the case of scarlet fever, this period covers a number of weeks. If proper isolation is not observed and a child is allowed to return to school while still infectious, the danger to other susceptible children is obvious. To counteract such danger requires constant vigilance on the part of teacher, nurse, and physician or health officer.

Mrs. Charles E. Davidson, Jr., underwent an operation in a hospital at Temple last Saturday. Reports from her bedside this week indicate that she is doing well.

Mrs. Massie West is in a San Angelo hospital where she is receiving treatment. Mrs. West will be in the hospital a week.

Sheriff W. S. Willis was in San Angelo on Court business Tuesday.

Mrs. Jimmie Blaylock was in Austin last week visiting her mother, who suffered a broken bone in her wrist Thursday of last week in a fall at her home.

Miss Louise Henderson, daughter of Mr. and Mrs. Roy Henderson, student at the University of Texas, spent the Armistice week-end visiting her parents here.

Indianapolis Star: It is inaccurate to say that the national debt has reached a new peak of \$29,000,000,000. Peak nothing, it's new stratosphere.

**WORLD FRIENDSHIP UNIT Sunday, Nov. 17, 4 p. m.**

Subject—Peace Heroes Around the World.  
Song—52.  
Scripture—Jesus, a Peace Hero Romans 10:15—Roy Coates.  
Prayer—Jim Ad Harvick.  
Story of Jane Addams—Margaret Russell.  
Piano Solo—L. B. Cox, III.  
Story and Explanation of Paris Peace Pact—Lloyd Coates.  
Song—30.  
The World Friendship Unit has changed its time of meeting to 4 o'clock.

Joe Rape, son of Mr. and Mrs. I. G. Rape, spent the Armistice week end here.

Mrs. Ernest Dunlap, who recently underwent an operation for appendicitis in a San Angelo hospital, returned to her home here Sunday.

Mr. and Mrs. J. O. Lusby and Mr. and Mrs. Gerald Williams spent the week-end visiting friends and relatives in Abilene.

Mrs. Bill Hoover underwent a tonsilectomy operation at the offices of Dr. Sellers Moore here early this week.

POSTED—All my pastures in Crockett County. Hunting and trapping and all trespassing positively forbidden. Floyd Henderson. 11-1-35

**Chevrolet October Production Exceeds Previous Year Total**

Production of Chevrolet cars and trucks during October totaled 69,128 units, an increase of nearly 25 per cent over October, 1934, officials of the Chevrolet Motor Co. announced today. This figure is more than 9,000 units above the anticipated output for the month, and is the highest initial month's production of any new model in several years.

As a result of the quick start on its 1936 production, Chevrolet had some 60,000 cars in the hands of its dealers throughout the country when the new line was announced Nov. 2. This assured every dealer not only of cars for display purposes, but of additional units for immediate delivery.

The 25 Chevrolet manufacturing and assembly plants, strategically located in all parts of the United States, will be operating at capacity for weeks, and probably well into 1936, according to factory advisers.

Mr. and Mrs. Mark Garver, son-in-law and daughter of Judge and Mrs. Charles E. Davidson of Ozona, are now residing in Austin, Texas, where Mr. Garver is employed in the bridge designing division of the State Highway Department. Mr. Garver was until recently bridge designer for the highway department of the state of Idaho, stationed at Boise.

**METHODIST CHURCH NOTES**

Methodist Men's Banquet, at 7 p. m. Saturday, November 16, in the Recreation Hall of the Church. Supper will be served by the Missionary Society. President W. W. Jackson of Westmoorland College will speak.

Sunday School for all ages at 9:45.

At 11 o'clock, President Jackson will address the congregation.

Junior World Friendship Club meets at 4 p. m.

Epworth League meeting of the Young People's Division at 6:30 p. m.

The pastor will preach at the 30 p. m. service on "Soldiers of the Cross."

R. A. Taylor, Pastor.

**THREE WISHES**

I wish I were beneath a tree,  
A-sleeping in the shade;  
With all the bills I've got to pay,  
PAID!

I would I were beside the sea,  
Or sailing in a boat;  
With all the things I've got to write,  
WROTE!

I would I were on yonder hill,  
A-basking in the sun;  
With all the work I've got to do,  
DONE!

Mr. and Mrs. Beeler Brown were visitors to Abilene over the week-end.

Mr. and Mrs. H. A. Moore were visitors in San Angelo Tuesday.

Mrs. Sam Bensley and Mrs. Charley Butler were among Ozonans in San Angelo Monday.

**BUT THE FLAME DOES NOT DIE**

There is the constant worry on the part of those who have others do for them that which is necessary that the little things which are so important may be overlooked. It is our earnest duty to care for the details. The reverence due the departed one may linger forever dear with the knowledge that tribute was complete.

### Unique "Round-Up" Party In Western Setting Strikes New Note In Entertainment Features

Miss Dixie Davidson Is Hostess To 85 Guests, Including Clubs, Mavericks And Strays

Spiced with the air of the hospitality of the old West and set in a replica of the modern western sheep ranch, the season's most unusual party was staged in the ballroom of the Hotel Ozona Friday afternoon by Miss Dixie Davidson. Eighty-five guests, including members of the three Ozona bridge clubs, Las Amigas, Sunflower and Friday Club, ten home-town "strays" and fifteen honored "mavericks" participated in the unique "Round-Up" bridge supper in the western setting.

The guests were received down a "chute" made of sheep panels, with the honored guests "penned" in an adjoining corral for the receiving line. The different groups were herded into separate corrals for the games. Sotol and cedar, with wool sacks over doors and draping windows formed the decorations. Further atmosphere was added by Hearst Laws, who sat on a "bedroll" near the "chuck wagon" singing cowboy songs with guitar accompaniment for the entertainment of the guests.

Favors were large bandana handkerchiefs, with tallies attached bearing the words, "Howdy Stranger!" "Straw bosses" were assigned to the management of the different corrals as follows: Mrs. Bryan McDonald, Mrs. Joe Davidson, Mrs. Frank McMullan, Mrs. Boyd Clayton and Mrs. C. E. Davidson, Sr. Honored "mavericks" in the receiving line were the ten wives of men composing the Humble seismograph crew stationed here until last week, Mrs. S. R. Allen, Mrs. Lynn Howell, Mrs. J. N. Chatfield, Mrs. J. W. Kennedy, Mrs. H. C. Krieger, Mrs. L. J. Epperson, Mrs. Richard Mancill, Mrs. Ray Reynolds, Mrs. W. T. Crowder and Mrs. W. R. Feather, and Mrs. S. S. Millsbaugh, Jr., Mrs. William Allison, Mrs. W. A. Friend, Mrs. Claude Hudspeth, Jr., and Miss Alma Jhonigan, brides and bride-to-be.

At the conclusion of the games, the "flocks" were herded into the "feed pen" where chicken tamales, Spanish rice, frijole beans, tortillos, Mexican pies and coffee were served. Prizes were awarded in the different groups in mail order catalogues. Out-of-town guests included Mrs. L. D. Brooks of Big Lake, Mrs. Joe Montague of Big Lake, Mrs. Albert Bailey of Iraan and Mrs. W. A. Friend of Big Lake.

### HEADS GERMAN ARMY

Germany's reconstructed army is now headed by Gen. Ludwiz Beck, shown above. As chief of the general staff he is put in a class with Molke, Schlieffen and Von Hindenburg.

### Woman's Club In Regular Program Study Tuesday

Mrs. Lee Childress and Mrs. W. B. Robertson were hostesses to the Ozona Woman's Club Tuesday afternoon at the home of Mrs. Childress. Mrs. Paul Perner conducted a program on William Seabrook's "Asylum." Mrs. M. J. Read and Mrs. W. E. Smith also gave talks on the program which closed with a general discussion. Mrs. Bryan McDonald sang a solo accompanied on the piano by Miss Wayne Chapman.

Mrs. Lloyd White's resignation from the club was accepted. The next meeting of the club will be held at the home of Mrs. Joe Oberkamp instead of Mrs. Ira Carson's as was planned.

Other members present were Mrs. George Bean, Mrs. A. E. DeLand, Miss Elizabeth Fussell, Mrs. Johnny Henderson, Mrs. George Montgomery, Mrs. Bryan McDonald, Mrs. Joe Oberkamp and Mrs. Tip Smith.

Mr. and Mrs. Welton Bunger are enjoying a vacation trip to San Antonio this week.

### Missionary Society Holds Study Program

Members of the Woman's Missionary Society of the Methodist Church met for their regular devotional and study program at the church Wednesday afternoon. The study subject was "Faithfulness of God," with Mrs. John Bailey as leader. A story by Mrs. Charles Williams, "An Answer to Happiness," and another, "Learning to Live," by Mrs. B. B. Ingham were high lights of the program.

Next week the society will open its study of a new missionary book, "That Other American," Rev. R. A. Taylor, pastor, will teach the opening lesson from the book.

Little Jo Nell Russell, small daughter of Mr. and Mrs. Frank Russell, is recovering from the effects of a spider bite suffered recently. The insect was not a "Black Widow," members of the family said.

Mrs. Paul Perner and Mrs. Marshall Montgomery will spend the week-end in Alpine visiting their daughter and sister, Mrs. Anga Wilson.

Mrs. B. B. Ingham and Mrs. Clay Littleton will leave tomorrow for Dallas where they will take Dudley Ingham for further treatment for his broken leg. They will also visit Mr. and Mrs. Elam Dudley in Ft. Worth.

Friday and Saturday EDDIE CANTOR in "Kid Millions"

Cantor's greatest since "Whoopie". With the gorgeous Goldwyn girls.

Sunday and Monday Clark Gable, Jean Harlow, Wallace Beery in "CHINA SEAS"

A mighty adventure romance amid the seething China Seas

Tuesday and Wednesday Ronald Coleman, Loretta Young "Clive of India" Thrilling Spectacle! Romance! The greatest the screen has ever shown.

### SENIOR BYPU PROGRAM

Sunday, Nov. 17—6:15 p.m.

Subject—"Praying for Others." Introduction—Mrs. C. J. Watts. Scripture—Betty Schramm. Practice of Prayer—Mrs. Ira Garrison.

Prayer for Sinners—Christine Curry.

Prayer for Weak Believers—Mrs. Troy Williams.

Prayer for Enemies—Joyce Garrison.

Prayer for Sending the Comforter—Rev. Ira Garrison.

Special Prayer for the Church—Troy Williams.

Prayer for Our Government—Mrs. Glyn Cates.

### Missionary Circles Complete Book Study

The Lottie Moon Circle of the Baptist Woman's Missionary Union met Wednesday afternoon at the home of Mrs. W. S. Willis to complete its study of the missionary book, "The Conquering Christ" Mrs. Glyn Cates taught the final lesson in the book. Present were Mrs. Will Miller, Mrs. George Whitehead, Mrs. John Pettit, Mrs. C. B. Beil, Mrs. Ray Dunlap, Mrs. George Bean, Mrs. Tip Smith, Mrs. R. F. Powell, Mrs. C. J. Watts, Mrs. Cates and Mrs. Willis.

The Nelson Circle met with Mrs. J. S. Whatley to complete the book, "People of the Jesus Way," Mrs. S. L. Butler teaching. Those present were Mrs. O. W. Smith, Mrs. Ples Dryden, Mrs. Jim Patrick, Mrs. Ira Garrison, Mrs. Tot Richardson, Mrs. Butler and Mrs. Whatley.

Next week the Lottie Moon Circle will meet with Mrs. George Bean to study the book of Exodus, with Mrs. H. A. Moore the teacher.

### Gonzales Opens Centennial Year

Historic Gonzales Sunday closed a six-day celebration that was opened November 5 with a salute from a replica of the brass cannon which on October 2, 1835, roared forth the opening shot of the war for independence. A mile long parade of colorful pageantry was witnessed by more than 30,000 persons, including state dignitaries and many persons prominent in civic and official life of Texas and the Southwest. Pictured top above is a float entered in the parade from San Antonio, representing an early day sewing bee. In the center is reproduced the challenging "Come and Take It" flag carried into the battle by the colonists, and the cannon. Below is an entry in the "Run Away Scrape" section of the parade. The historical observance opened at Gonzales will be continued through the year in celebrations in San Antonio, Houston, Fort Worth and other Texas cities, and in the magnificent exposition to be opened in Dallas next June.

### The LIVESTOCK SITUATION

By J. A. McNaughton

LOS ANGELES, Calif., Nov. 13.—November 15th marks the opening of the Tenth Annual Great Western Livestock Show at the Los Angeles Union Stock Yards. Opening on the day previous will be the Will Rogers Memorial Rodeo, to be held three afternoons and two nights, closing Sunday afternoon. Sponsored by the national committee in charge of raising funds for the Will Rogers memorial, net proceeds of the rodeo will go towards swelling the funds now being raised throughout the United States to honor the memory of the nation's most famous and most beloved cowboy.

I wonder if the general public and even the stockmen themselves fully appreciate the splendid work that is accomplished through the medium of the major stock shows. While an event such as the Great Western Livestock Show is important in bringing together hundreds of stockmen and results in many thousands of dollars in cash prizes being awarded to breeders and exhibitors of prize winning animals, the real value rests in the vast amount of good accomplished for the livestock and meat industry.

A great livestock show enables the famous breeders of the nation to gather, at a centrally located point, their finest specimens of pure-bred animals. From a purely educational standpoint, this gathering of the greatest foundation

seed stock gives the average stock man and breeder opportunity to see the ideal types of livestock. But the show goes much further than that because the breeder is given opportunity to sell his breeding animals—and this highly improved blood is thus spread through the commercial herds to the end that better livestock is raised.

It should be borne in mind that purebred livestock is raised for one primary purpose—that of producing the kind and quality of livestock that will produce the choicest meat and dairy animals; and the kind of animals that will

San Angelo, Texas  
Dist. 5144

mature quicker and put on flesh at the minimum cost. The purebred animals enables the commercial stockmen to reduce his cost of production and at the same time, give the consumer a far more desirable product.

The fat stock show, always a part of any major livestock exposition, enables the livestock feeders to bring together for comparison their best animals. These animals are judged for conformation and quality, thickness and evenness of fleshing with one primary purpose—that of providing the largest proportion of choice meat. Here again, the stockman who does not exhibit fat stock also gets the benefit of judgment of qualified experts as to the kind of animal that is most desirable from a meat standpoint.

The sale of these prime fat animals provides the consumer with exceptionally choice meat. The Great Western Livestock Show is timed to provide the Southern California market with prime ribs, roasts and stocks during the Christmas holiday season. From

an educational standpoint, those who have seen the benefits of the stock show in areas where they have been held for a number of years, realize that the thousands of dollars of expense in holding them is fully justified. The vast improvement in the quality of western produced meats, through better breeding and better feeding is nowhere more apparent than in the vast territory served by the Great Western Livestock Show at Los Angeles.

### NOBODY'S BUSINESS

BY JULIAN CAPRIS JR.

AUSTIN, Nov. 13—Both houses of the legislature approved conference report on the old-age pension bill, and sent it to Gov. Allred for signature as the special session took its last week-end adjournment. The session ends automatically Thursday. The pension bill carries an appropriation of \$25,000,000 out of a special pension fund which, as this is written, is penniless. Senate debate on the house omnibus tax bill, estimated to raise \$5,000,000 annually, with a fourth going to the school fund under constitutional requirements, was still under way, with final passage doubtful. Pen- sions are to begin July 1 under the bill passed, so indications are there will be no special session immediately, even if revenue for pensions is not made available.

The bill providing salaries for certain fee officers also was in conference, with every prospect of early passage before final ad- journment.

## Record Number of Disasters in Year; Relief Given in 128 by Red Cross

Left—Red Cross worker aids family in New York state floods. Injured father tells how mother and children were trapped in flooded house until rescued by Red Cross. Right—Terrain, stripped of homes and verdure by tornado in Gloster, Mississippi. Insert—Admiral Cary T. Grayson, new chairman of Red Cross, who directs relief work.

OLD Mother Nature visited an unusual number of varied cataclysms on her children during the past year, causing distress all over the nation to many thousands of men, women and children.

Her repertoire of disastrous occurrences included drought and dust storms in the midwest; explosions, fires, floods, epidemics of disease, shipwrecks, tornadoes and hurricanes in many sections.

As a result the American Red Cross reports that this year the organization gave relief in the greatest number of catastrophes in any one single year in its history. Relief was carried to victims of 128 disasters, which occurred

in 37 of the 48 states and Alaska. Food, housing, clothing and medical aid were given to 110,000 persons in 305 counties—or in almost one-tenth of the territory of the nation.

Two disasters which called into the field every available worker of the relief forces of the Red Cross were the floods in New York state in August, and the Florida hurricane in September, both of which claimed a heavy toll of life, and caused great property damage. In New York state the Red Cross had more than 5,000 families listed for rehabilitation aid, after the storm wreckage was cleared away. In Florida the Red Cross prepared to aid a thousand families, and also to set in problems of the dependents of more

than 300 world war veterans in government road construction camps in the keys, who lost their lives or were listed among the missing in the hurricane.

The work of mercy for these many sufferers was directed personally by Admiral Cary T. Grayson, new chairman of the Red Cross.

Funds are provided for this type of work by memberships in the Red Cross and by special relief funds raised in a restricted area. Memberships in the Red Cross are sought each year at the annual roll call period, and support both the local chapter work and the national disaster, public health nursing, war veteran and other work of the society.

Last week, Texas rangers raided a notorious gambling resort in Tarrant-co. They were acting on specific, personal instructions from the governor. For eight months, Allred has been trying to get the rangers to close this place. The greatest secrecy surrounded the plans for the raid. Two rangers who had been on duty in south Texas came secretly to Austin, conferred with the governor, and left by automobile, taking the road to Houston, to prevent the

gamblers being "tipped off" in advance, as they have been in the past on every attempt to raid the place.

By a roundabout road, the rangers went to Fort Worth, where they cut a wire fence and crawled half a mile across a field to surprise the gamblers. Charges of operating a gambling house were filed against five operators. There may be a shakeup in personnel of the ranger force as a result of repeated previous failures to raid this place successfully.

Another notorious gambling resort in south Texas has ceased gambling operations, and its proprietor, a kingpin gambling racketeer, is said to have moved to New Orleans, because of Gov. Allred's war on gambling dives. This place, operated for years in defiance of all anti-gambling laws, was closed by the personal efforts of the governor, who sent a trustworthy member of the rangers there and told him to sit in the place every night until it closed. With the ranger sitting there, the gamblers couldn't gamble, and with an orchestra and floor show that cost \$2500 a week they couldn't run indefinitely at a heavy loss. The ranger sat there every night for a month. Then the boss gambler threw in the towel and closed up, announcing he

would leave the city. Thruout Texas, communities are engaged in raising the funds for Will Rogers' memorials. Here is an authentic account of how Will Rogers wrote his first newspaper material for publication. In 1920, Charles H. (Chuck) Newell, well-known Texas newspaper executive of Dallas, Texas, was editor of Newspaper Enterprise association, a national feature service. He'd heard Rogers' wise-cracks in vaudeville, and conceived the idea of having him write a dozen or so a day on the Republican national convention at Chicago in June. They went over with a bang, and at the Democratic convention in San Francisco later, Newell again hired Will to wise-crack. That was the first acquaintance the great American news-reading public had with Rogers, and from that modest start sprang Rogers' voluminous writings, his daily news feature and his magazine articles that were eagerly read by scores of millions.

"He was as nervous about how his stuff was going to 'get over' with the newspaper readers as a high-school girl," said Newell. "And he grinned with joy when the reports showed it was clicking all over the country."

## SPLIT TAX Payment Plan

State and county taxes for 1935 are now due and payable.

Citizens who feel that they will not be able to pay their taxes in full before the end of the present tax-paying period, should take advantage of the SPLIT-PAYMENT plan whereby half of the taxes may be paid on or before NOVEMBER 30 and the other half on or before June 30, 1936, without penalty.

However, your particular attention is called to the fact that the law provides that in order to take advantage of the split-payment plan, the first half taxes

MUST BE PAID ON OR BEFORE NOVEMBER, 30, 1935.

## W. S. WILLIS

Sheriff, Tax Assessor, Collector, Crockett County

### TWO LIVESTOCK

(Continued from page 1)

special session and heard R. E. McWilliams of Big Lake, special investigator for the sheriff's department of Reagan county in charge of livestock inspection, and Harrison Hamer, holding a similar post in Sutton County, explain details of their work in curbing livestock thefts.

Decision to employ two inspectors, who are to be appointed special deputy sheriffs and work under the direction of Sheriff W. S. Willis, was reached at the meeting of the ranchers' committee and the Commissioners Court. The names of two experienced peace officers, both former Texas Rangers, were mentioned as acceptable men to fill the posts of livestock inspectors to be created in this county. Attaches of the court are to get in touch with these men and announcement of the appointments is expected to be made soon.

Manifests, or forms to be filled out by the owner of livestock being transported by truck are to be compiled by the sheriff's department and distributed among legitimate truck operators. The co-operation of all ranchers is asked in seeing that these forms are properly filled out and returned upon delivery of stock to destination. These manifests will be asked of all truck operators hauling livestock and those hauling without them will be held up until proper investigation is made. A registration of fire brands and ear marks of all ranchers in the county will also be made as soon as possible for the convenience of the inspectors in tracing ownership of livestock.

### Local Citizens —

(Continued from Page 1)

Shannon. The case, which was slated for trial this week, was continued, local witnesses, summoned to appear, were notified by wire. Judge Charles E. Davidson, Houston Smith and County Clerk George Russell were to have gone to Post yesterday to appear as witnesses, but were notified of the continuance before leaving for the Garza capital.

### SKELETONS—

(Continued from page 1)

material and know the painstaking efforts necessary not to overlook anything of value. "I think it would be a good thing for your paper to arrange with the owners of the land to allow the scientific staff of the Witte Museum to remove the entire contents of the cave and in that way the people in your vicinity who are interested would then be able to read in a published report just what was in there and would have it to look at at any time in the future in the sheltered walls of a museum. The Cave Dwellers of Texas apparently are akin to the Basketmakers, both of which preceded the earliest phase

### Lions Overthrow—

(Continued from Page 1)

The Bronchs rallied upon receiving the kick-off after touchdown, marching up the field for three successive first downs thru the elusive charges of Brantley. But the Lions stiffened on their forty and held the visitors for downs, took the ball and a few seconds later, James Childress was off for a 35-yard run, stepping out of bounds on the 1-yard line. Ozona drew an off-side penalty on the first play. A pass and a line play failed to net the necessary yardage. Brown pitched an aerial to Casbeer on the two-yard line and Brown pushed it over on the next play for the second counter. An attempted drop kick for the point was no good as the half ended.

A sensational 80-yard run by Vaughn Brown, quarterback and acting captain, was the highlight of the third period. Brown faded back as if to pass and the opposing team scattered for pass defense, tucked the ball under his arm and scampered through the entire team for the goal line 80 yards away. Freeman's attempted place kick for the point failed and the score was 18 to 0.

#### Pass Leads Way

Two more tallies were turned in by the locals in the closing period. Brown powered the first over a pass to P. C. Perner put the ball a few feet from the goal. Then Brown drop-kicked for the only extra point of the day. The final Lion score came near the end of the game when Freeman blocked a Sonora kick from the Bronc goal line and with Childress covered the ball behind the Bronc goal line for a touchdown Brown's drop kick again failed.

D. A. Parker, Lion captain and end, who has been out from injuries the past three weeks, played his old position the last few minutes of the Armistice Day game. The Ozona line showed plenty power on offense and the individual linemen sparkled on defense as they shattered most of the Sonora ground-gaining attempts.

of the Pueblos of Arizona and New Mexico, and much of the attention of Southwest archeologists is now being turned to an examination of their caves along the Pecos and Rio Grande. If I can help you in any way connected with this I would be glad to do so, as I think you will agree with me that the material should be preserved properly, as only a trained archeologist can do. "Permission of the land owner must be held by any person taking archeological remains from caves in that section of the state. This material has no money value, and unless it is removed by experienced persons who keep an accurate record of many facts pertaining to their work, it has little value for a museum. "The age of these people is variously estimated, ranging in a wide bracket above and below 3,000 years ago. Sincerely, Sam Woolford.

### House Movers Have Business Boom As Buildings Shuffled

The house-moving crew of O. W. Smith's was doing a land-office business this week as business buildings were being shuffled about, and old buildings set in place for new business enterprises.

The Ozona Tire and Battery Shop, operated by Frank James, picked up shop and moved to its new location on the highway, west of Flowers Grocery, and the Hywa Cafe, Tot Richardson manager, previously moved over on the same lot to make room for the filling station building.

The lot vacated by Mr. James is now occupied by a building cut from the rear of the old Meinecke warehouse, one of Ozona's earliest business buildings, and moved on to the lot to front the street. It is understood this building is to be operated as a filling station by R. F. Powell, who operated the Ozona Tire and Battery Shop in the same location, selling out to James.

With the completion of the filling station shuffle, the house movers will jack up the building formerly occupied by Chas. Butler's paint store and trundle it off to the J. B. Miller ranch. Mr. Miller recently purchased the building from Glenn Rutledge and Chas. Butler.

Mrs. Pleas Childress was here from San Antonio for the weekend and holiday.

Credit and debit pads at The Stockman.

### Mother Likes to "Visit"

TOM just called and suggested a bridge game. Can you folks come over tonight?"

And before Mrs. Russell hangs up she may talk about sandwiches or chocolate cake. She's glad her telephone's back in . . . it means so much to a woman.

For only a few cents a day, the telephone permits you to "visit" friends . . . is a real pleasure for the whole family.

Ask about one today.

THE SAN ANGELO TELEPHONE COMPANY

### Supt. Denham Visits Outlying Schools of County on Inspection

Supt. C. S. Denham of the Ozona schools, visited the Powell Field school Tuesday, reporting that the school plant in the oil field sector of the county is making satisfactory progress. Public school art and public school music have been added to the curriculum there recently in addition to other subjects. The Powell Field rhythm band and choral club will appear in the auditorium of the high school here at an assembly program sometime in December. Mr. Denham said. Mr. and Mrs. I. N. Adams are teachers at the Powell school.

The superintendent also visited the Live Oak school this week. Six pupils are enrolled there, with Mrs. T. Parrisher as teacher.

Mrs. Will Baggett is recovering from an operation in a Temple hospital this week.

### NEW BAKER

Jesse Warren, formerly of Brownwood, has been employed as baker at the Flowers Bakery, succeeding Les Harrell, who resigned recently to move with his family to his farm near Brownwood. Mr. Warren has had many years experience in the baking business. He was reared in Coleman. He is married and has one child.

### LAKE SHORTS HOSTS TO CONTRACT CLUB

Mr. and Mrs. Jake Short were hosts to members of their contract club at the home of Mr. and Mrs. Scott Peters Tuesday evening. High score prizes for the evening went to Mrs. Evert White and Sherman Taylor, and second high prizes were drawn by Mrs. H. B. Tandy and Evert White. Guests were Mr. and Mrs. Joe North, Mr. and Mrs. J. O. Lusby, Mr. and Mrs. Sherman Taylor, Dr. and Mrs. H. B. Tandy, Mr. and Mrs. Evert White and Miss Hester Bunker.

### School Orchestra To Present Program At Assembly Hour Today

The High School Orchestra, directed by Joe Haddon, assisted by Mrs. Gerald Williams of the speech arts department, will present the assembly program in the High School auditorium this afternoon.

Four numbers by the orchestra, including Assembly March, Step Lively March, Team Work March, and Serenade, and three violin ensemble numbers presented by Mary Williams, Ora Louise Cox, Athleen Dudley and Grover Jones, will constitute the musical program. Mrs. Williams will read "The Fall of George Bassett."

J. B. Glasscock, ranchman living near Sonora, suffered a broken ankle bone at the Ben Ingham ranch Monday afternoon. The injured man was brought here Monday night and the broken bone set by Dr. H. B. Tandy.

## Maintaining A Standard of Baking Excellence

To maintain the reputation FLOWERS BAKERY has attained with its clientele, we have employed Mr. JESSE WARREN, formerly of Brownwood, as baker. Mr. Warren succeeds Les Harrell, who resigned the post of baker recently.

Mr. Warren has had many years experience as a baker and is an expert in bread, cake and pastry baking. We feel sure our customers will find that same standard of excellence in Flowers Bakery Products.
