PLANTS BLAST McCAMEY NINE TO KEEP TOP

Locals Nose Out Cellular Crew In First Game Thriller

TEXON IS SECOND

Leaders And Coming Oilers To Decide Issue Sat.-Sun.

The Standings

	W	L	Pct.
Ozona	8	2	.800
Texon	7	3	.700
Crane	6	4	.600
Man	4	6	.400
Wink	4	6	.400
McCamey	1	9	.100

This Week's Schedule

Ozona at Texon.
Wink at Iraan.
McCamey at Crane.

By nosing out the McCamey Rangers 12-11 in the first game thriller that almost resulted in popularity for the fans, and taking the second 5-3, after coming from behind a three-run lead piled up by the Refiners, Slim Harris' Ozona Giants maintained their one-game lead in the Permian Basin league over the up and coming Texon Oilers of Snipe Conley.

The Conley men rapped Iraan for two games Saturday and Sunday to remain in second place, while Crane dropped out of the second-place tie with Texon by splitting a two-game series with Wink. The spotlight of league combat will focus on the Texon Diamond next Saturday and Sunday afternoons, then, when the league-leading Giants invade the fair of the second-place Oilers for two games. A double win for the Giants will give them a commanding lead in the first half flag chase, while a split will leave the standings of the two teams as is. A double win for the Oilers, of course, will put them one game in the lead.

Ten Home Runs

As the scores indicate, the double header bill in McCamey last Sunday afternoon was a free-hitting free-scoring afternoon. Ten home runs, seven by Ozona sluggers and three by the McCamey crew, were chalked up during the afternoon.

New Officers Are Named By Eastern Star

Mrs. Gertrude Perry to Head Chapter As Worthy Matron

At a stated meeting of the local chapter of the Eastern Star Tuesday night, degrees of initiation were conferred upon Miss Wayne Chapman and new officers were elected.

Present for the meeting were Mrs. Gertrude Perry, Miss Mildred North, Mrs. J. O. Secrest, Mrs. Mary Flowers, Miss Elizabeth Fassel, Miss Dixie Davidson, Mrs. Charlie Coates, Mrs. Joe Davidson, Mrs. Ted White, Mrs. J. A. Fassel, Mrs. P. Seahorn, Mrs. C. J. Watta, Mrs. M. A. Ranson, Mrs. Ben Lemmons, Mrs. Monroe Baggett, Mrs. Kate Baggett, Miss Rachel Schrader, Mr. and Mrs. Will Baggett, Miss Wayne Chapman, and Richard Flowers.

The installation of officers has been changed from June 1 to June 2.

More Rains Add To Brightening Ranch Prospects

Summer Feeds Being Made With Moisture Of Last 2 Weeks

More rain, ranging from a half inch to an inch or better over a wide range of West Texas territory added further promise to already highly promising ranching prospects for 1936 Monday night.

The recorded fall here was a half inch. Coming on the heels of the heavy rains of a little over a week before, the moisture was doubly beneficial in giving weeds and grass another spurt of growth and assuring plenty of weight for Crockett County's almost record lamb crop this year when they are weighed out for market next fall. With marking over the county running in many sections from 80 to well over 100 per cent and good rains putting a splendid season in the ground, the ranch industry is well on its way to welcome back "good times" again.

Shearing is under way on many ranches of the county and with a good winter behind and a heavy yield in prospect, the advancing wool market is calculated to add further cheer to ranchmen who have weathered the troublesome depression and drought years and are now entitled to a goodly share of nature's type of "relief."

Crockett Eight Months Wool Is Sold In Angelo

Prices Range Up To 30 3/4 Cents for Newly Shorn Clips

More than 60,000 pounds of newly shorn Crockett County wool of eight months growth sold in San Angelo the past week at prices ranging up to 30 3/4 cents a pound.

H. R. Bankart of Swift & Co. purchased 34,000 pounds of Crockett County fleeces from the Texas Wool & Mohair Co. and a carload each from the Wool Growers Central Storage Co., and the San Angelo Wool Co., both mostly Crockett County wool, sold at approximately the same figures.

Shipping of wool that was contracted early in the year is under way at the shipping points, while many clips that have not been sold are going to storage.

Hardware Stores Here Adopt Early Closing June 1st

Three Firms To Close At 5 o'Clock Each Afternoon

Adoption of early closing hours for the summer months is announced this week by the three hardware and gift stores of Ozona, the Ozona Hardware Co., Joe Oberkamp and the West Texas Lumber Co.

Starting June 1, these three stores will close each afternoon at 5 o'clock. This custom, adopted two years ago by the group, is followed for the purpose of allowing employees more freedom during the evenings.

Although customers of the stores are urged to fill their needs during business hours as far as possible, the managements announce that the fact that the early closing hour is adopted does not mean that goods can not be purchased in emergencies after hours. Managers or employees of the stores will be glad to serve customers who need merchandise after closing hours if notified by telephone.

GETS BOLIVIA POST

R. Henry Norweb of Cleveland, Ohio, has been appointed by President Roosevelt to be minister to Bolivia. Mr. Norweb has been serving as counselor of the American embassy in Mexico City.

Two More Entries File In Race For Justice Of Peace

J. T. Glover and Walter Capps Make It Four-Cornered Scrap

The race for Justice of the Peace for Precinct No. 1 of this county became somewhat of a scramble this week with the entry of a third and fourth candidate for the post.

J. T. Glover, a resident of Ozona eleven years, started his race against the two candidates already in the field with his official announcement in The Stockman this week.

A fourth candidate yesterday authorized The Stockman to list him as a candidate for the post. He is Walter Capps, World War veteran and a resident of Ozona fourteen years. W. M. Johnson, incumbent, and Drennan Slaughter are the first two candidates to file for the office of justice of the peace.

Mr. Glover came to Ozona eleven years ago as an employee of the State Highway Department in this county. He worked with the road crew two years and then became an employee of Chris Meinecke in the grocery business, and has been associated with Mr. Meinecke ever since. He served as county commissioner of Lampasas county and was deputy assessor there for a time before coming here.

Mr. Capps expressed confidence in his ability to perform the duties of the office and solicited the vote and influence of his friends in the four-cornered race.

Mr. Capps has done ranch work most of the time since he has been a resident here. He enlisted in the United States army from San Angelo upon this country's entry in the world conflict and served twelve months overseas with the 90th division. He has a wife and two children.

"I feel that I am capable of handling the office and will appreciate any support I may get in the race," Mr. Capps said in making his formal announcement for the place.

Miss Wayne Chapman To Study Music In Chicago This Summer

In recounting the plans for the summer vacation months of teachers of Ozona schools in last week's issue, the name of Miss Wayne Chapman, private teacher of piano in the local school system, was inadvertently omitted from the list of teachers.

Miss Chapman left yesterday for her home in Henderson, Texas, where she will visit relatives for two weeks. She will go to Chicago about June 1 to enroll in the American Conservatory of Music for a three-months course. She will return to Ozona next fall to resume her classes in piano.

Mrs. Ted White left Wednesday morning for Brownwood to visit relatives.

Ozona Lions Club Is Disbanded By Vote Of Members

Civic Group Suspends Activity After 8 Years Here

Apparent lack of interest and support from the community in its efforts resulted in unanimous decision on the part of the present membership of the Ozona Lions Club, present at the Tuesday luncheon of the club at the Hotel Ozona, to disband the organization, at least for the summer months. The way was left open in the action for reorganization in the fall in the event there is sufficient interest in the movement at that time.

The fact that a number of members of the group will be out of the city most of the summer led to the suggestion of suspension and although the small group composing the membership had been faithful in attendance and in performance of assigned duties in connection with the club's community advancement projects, the group felt that its potential accomplishments, in the face of local conditions, did not justify continued expenditure of money and time on the part of the club's members.

The club suspends activities with all obligations paid in full and a balance of more than \$50 in the treasury. This fund will be left on deposit at the bank and its expenditure subject to agreement of all on the club roll at the time of suspension. The club was ending its eighth year of existence, having been organized here in the spring of 1928.

Ozona Boy Wins In Military Academy Horsemanship Feats

At the annual mounted circus, horse show and field day of the Peacock Military Academy of San Antonio, held Sunday, Cadet Bert Couch, son of Mr. and Mrs. Bert Couch, Crockett County ranch folk took second place in the Senior open jumping event and placed third as a member of a team in the pair jumping class. Cadet Couch is a member of the junior high school division and a member of the cavalry troop.

The Academy will close its forty-second year Friday, with commencement exercises on the campus.

Crockett County Paid \$76.50 Per Pupil For Education During Past School Year

Educational Advantages Here Shown In Figures In Reports

Crockett County spent an average of approximately \$76.50 per pupil in the public schools during the past year for the education of its youth, according to an interesting group of figures compiled by Supt. C. S. Denham in the preparation of annual reports of the school year's work to be forwarded to the State Department of Education.

This figure represents total expenditures of the school year, including administrative and teachers' salaries and all school maintenance and material costs. The average expenditure for the whole state of Texas is \$63.76 per pupil, figures from the department of education reveal. This average includes all rural schools in the state, which accounts for the low average expenditure. Annual total expenditures of public schools here amount to approximately \$30,000, with an investment in buildings and equipment of \$312,700.

The local school system spent an average of \$59.50 per pupil for teachers salaries. This salary average ran to \$82.03 in the high

GIANTS TO PLAY IRAAN PRACTICE TILT HERE TODAY

Locals Whetting Form In Preparation For Crucial Texon Series Week-End

Slim Harris will warm up his league leading Giants this afternoon against the Iraan team on the Powell Field diamond in preparation for the crucial week-end series against the coming Texon Oilers, second-place holders in the league first half race.

The practice game this afternoon will be called at 4 o'clock. The Iraan team will return a week from Saturday for a league contest.

The Giants dropped a loosely played practice game to the Sonora Station A team in Sonora yesterday afternoon 4 to 9. Three of the regular Giant players were absent from the line-up and Bud Smith, Sonora hurler, had the number of the Giant sluggers and shut them out handily.

Ozona Minister And Family In Auto Accident

Rev. Garrison and Family Have Miraculous Escape

Rev. and Mrs. Ira V. Garrison and their three children miraculously escaped death or serious injury last Saturday when their automobile turned over several times on the San Angelo highway a few miles north of Barnhart.

The Ozona Baptist minister and his family were returning to Ozona after a trip to Waco and Bangs, where they had visited friends and relatives. A rear tire on the car went flat suddenly while going down a hill a few miles from Barnhart. Miss Joyce Garrison, who was driving the car, lost control of the machine as it swerved across the highway in front of another car approaching from the opposite direction.

The car turned over seven times as it rolled along the highway and finally came to rest in the ditch, according to the man driving the other car, who was the first to reach the accident victims.

All five occupants of the car suffered severe bruises and slight cuts, but none was seriously injured. The car was almost completely wrecked.

MEXICAN IS DROWNED IN HOWARD DRAW

Emplye on Millspaugh Ranch Found Dead In Pool Water

CLOTHES ON BANK

Thought Swimming, But Wet Horse Adds Mystery To Tragedy

Howard draw, one of the largest dry washes in West Texas, claimed another victim Tuesday afternoon when Gerardo Nunez about 35, Mexican ranch hand employed on the Sid Millspaugh ranch thirty-five miles west of Ozona, was drowned in a deep hole of water left standing in the bed of the draw after recent rains.

The body of the Mexican ranch hand was recovered from the hole of water by Austin Millspaugh, son of Sid Millspaugh, who located and brought the body to the surface after several dives into the water.

The Mexican is believed to have been enjoying a swim when in some unaccountable manner he was overcome by the waters and was drowned. The body had been in the water but a few hours when it was recovered. The Mexican had left the ranch house at noon and the tragedy was discovered late in the afternoon.

The horse which the man had been riding was found near the hole where the rider lost his life. The horse and saddle were wet, and tracks on the bank of the draw indicated that the man had ridden the horse into the water. Mr. Millspaugh said the Mexican was able to swim, lending further credence to the theory that he was taking a swim in the draw when the fatal accident occurred. There were no bruises or other marks on the body which might indicate that he had suffered injuries from the horse or in any other manner, according to L. R. Townsend, undertaker for Joe Oberkamp's, who received the body.

The Mexican's wife and children reside in Monterrey, Mexico, and the body was being held here pending word from the wife. The body was to be taken to Del Rio today for burial.

Father Of Ozona Music Teacher Dies

An illness which developed ten days before, resulted Saturday morning in the death at Lubbock of the father of Miss Ethel Tillery, public school music teacher in the Ozona schools, friends of the teacher have been advised. Miss Tillery was called to her father's bedside two weeks ago. She returned here Sunday, May 10, for succubant services. She returned to Lubbock Wednesday of last week when her school duties were completed and was with her father when death came.

Ozonan Is Married To New York Girl

Mr. and Mrs. Hugh Boyd are at home here following their marriage last week in Del Rio. The bride is the former Miss Aloah Patterson of Staten Island, N. Y. The wedding was performed at the home of J. P. Aderhold in Del Rio Tuesday of last week upon the bride's arrival from New York.

Mrs. Boyd is a trained nurse, having received her training in the Danish Korsor Hospital where her uncle is a physician. She is a native of Denmark. Last year she visited relatives at the Baker ranch near Comstock, where the romance which culminated in the marriage last week had its inception. Mr. Boyd has been doing ranch work in this area for the past eight years.

PARKING AT THE BALL GAME

Indignation heaped upon indignation finally pops something open.

If everybody who went to the baseball games in the Powell park sat in the grandstand, the stand would be filled almost to capacity and sometimes to more than capacity. But it so happens that for various reasons, or merely because of a personal preference, a large number of people sit in their cars and watch the games, thus leaving more room for those who prefer the grandstand.

There are several good reasons why some of these fans sit in cars instead of in the grandstand. Persons who have small children often find it more convenient and comfortable to sit in their cars. Persons who are ill or recovering from illness can be more comfortable in cars and of necessity must remain in their car if they see the games. In other words, there are good and sufficient reasons in many cases why these fans choose to remain in cars parked along the base lines and behind the backstop.

Having experienced the same reactions, we can understand the complaints heard many times this year, and last year and every year from these persons who sit the games in their cars against the habit of other fans who park their cars in the choice places along the base lines or even behind the plate and then go sit in the grandstand or on the ground in various locations on the field.

leaving unoccupied cars in spaces where those who are forced to watch from cars might have a better view of the game were they not crowded from the choice locations by empty cars.

Thoughtlessness is probably responsible for this practice. If it isn't thoughtlessness, then it is rank selfishness and the offender is entitled to some plain "talking to." But, anyway, let's be a little more considerate of the other fellow.

SENIORS ENJOY GRADUATION FINALE

As a finale to their high school careers which closed with commencement exercises in the auditorium Thursday evening, members of the Senior class, along with their sponsor and school mothers enjoyed a party given for them by Mr. and Mrs. N. E. Rendall at the Green Lantern. The cafe was decorated in the class colors.

After being served this banquet, the graduates were honor guests at a dance given on the fair grounds platform. Guests of Mr. and Mrs. Rendall included Imogene Baker, Vaughn Brown, Taylor Deaton, Margaret Drake, Mr. and Mrs. Byron Stuart, Thomas Everett, Leonard Freeman, Bernice Freitag, Irene Green, Iris Green, Martin Harvick, John Henderson, John Meinecke, Richard Miller, D. A. Parker, LaVerne Schwalbe, Joe Whatley, Gene Williams, Louise Williams, Jeanetta Willis, Guinn Carruthers, Mrs. Strick Harvick, Mrs. Bryan McDonald and Joe Haddon.

UNDERGOES OPERATION

A. E. Deland is recovering from a recent operation for removal of a bone splinter from his left elbow. The break, suffered when his arm bumped against a truck door recently, had resulted in a bone infection which necessitated the operation. The poison has been controlled and the injury is healing.

HUMAN DESIRES (Kerrville Mountain Sun)

According to an advertisement authority, people are most easily sold something which they strongly desire, for which such desire can be created.

Most persons desire to make money; to be comfortable; to avoid effort, to receive praise; to sidestep trouble; to attract the opposite sex; to be popular; to have enjoyment; to be in style, and so on.

Most modern desires are for conveniences and luxuries hardly dreamed of a century ago. In fact, if people were suddenly to become satisfied with the mere necessities of life a majority of all industrial and business enterprises would have to go out of business. The creation of new desires which make for a higher standard of living has been due largely to the power of advertising.

New devices and products which add to human satisfaction, comfort, and enjoyment would make slow headway without advertising to create a desire for them on the part of the public.

Mrs. Rose Stroberg of Comanche returned home Wednesday after several weeks visit with her daughter, Mrs. George Montgomery and family.

Texon, Saturday, May 16: Texon Oilers are still on batting spree that was started up at Wink last Saturday. Eddie McMillan was the best run getter for the day except Ritter, they both batting in 2 runs apiece, Barbee batting in 2 runs, Gardner and Joiner 1 each. The game was marred by the 6 errors that Iraan made allowing 5 extra runs to cross the home plate.

Giant Second Baseman Turns Down Offer Of Whiskers David Team

Ozona baseball fans, and they are numerous, heaved a concerted sigh of relief and thanksgiving when it was learned yesterday that Fats Heatherly, Ozona Giants second baseman and the Basin league's fastest stepping inflielder, had definitely turned down an attractive offer from the House of David baseball team now on tour of the North-west states.

The offer from the whiskered crew came by telegraph early in the week, a six months contract at an attractive salary and expenses. But the Giant second baseman chose to stick around and deal some more misery to the hitters and pitchers of the other five Permian Basin league teams for the rest of the season.

Mr. and Mrs. N. W. Graham spent the week-end in Ballinger with Mr. and Mrs. Clinton Glover, Barbara White, who went with them, is remaining for a further visit.

Prevent Breeding To Control Fly

AUSTIN, May 20—Thousands of children and adults die every year from diseases carried by the fly. Typhoid fever, tuberculosis, summer complaint, cholera, intestinal diseases, and frequently death follow closely in the trail of the common house fly.

"The control of the fly menace comes at the top of the list of

necessary public health measures which should be applied by every city and community in the state," urges Dr. John W. Brown, State Health Officer.

"The most effective measures for control is to prevent breeding," he said. "Flies breed in filth, and about eight days are required to complete a life cycle. During her life time of several months, one house fly lays from 600 to 1000 eggs. Thus it can eas-

ily be seen that in a season which usually begins in the spring of the year, the descendants from one fly number countless thousands.

"To eliminate flies the breeding places must be destroyed. Manure piles, garbage, and other organic filth furnish the requirements of warmth, moisture, and food necessary for the propagation of the fly. Flies should be kept from contact with food or drink or utensils in which such food and drink are prepared and served. Likewise they should be kept from access to privy vaults where they pick up the infectious, which they later spread to humans by contact with the food and drink, and by unwashed hands and utensils.

"See that your windows, doors, and porches are screened so that the stray fly from some careless neighbor will not molest your family. See that your grocer keeps meat, vegetables, and fruit screened from flies.

"Organize health measures to destroy the breeding places, control the flies' access to your home and food, and establish standards of cleanliness in your community that will eliminate the fly."

Announcing—

Summer Closing Hours

Effective June 1, The Firms Below Will Close Each Day at

... 5 p. m. ...

In order to permit employes to enjoy the freedom of longer free evenings during the summer months, the undersigned stores have agreed to close each afternoon at 5 o'clock—starting June 1 and continuing the balance of the summer.

This plan was placed in operation last summer and was found satisfactory. Our patrons co-operated with us in carrying out the system by shopping early and we hope they will do so again this summer.

Early closing does not mean that customers can not get what they need after hours. Customers will be served ANY TIME OF THE DAY or NIGHT. All that is necessary is a telephone call to managers or employes and your wants will be satisfied. But we ask that all make an effort to help up observe the 5 o'clock closing hour as nearly as possible and to make every effort to get what you need during regular business hours.

Approaching Marriage of Ozona Girl Told At Pretty Seated Tea Given Here Saturday

Helen Chapman To Become Bride Of Sabinal Man On June Third

As Helen Chapman's approaching marriage on June 3 to Paul Foster of Sabinal was announced by her sister, Mrs. Joe Tripp Saturday afternoon at a seated tea at the Hotel Ozona. About seventy friends of the bride were present including a number of people from Texon. Miss Chapman taught school the past year. Mrs. Lee Childress, Mrs. Max Menemann, Mrs. W. A. Kay and J. C. Montgomery assisted in receiving the guests. Mrs. Neal Hannah gave a number of piano selections during the hour. Miss Wayne Chapman played a selection. Miss Kathleen Cox presented Shelley's "The Philosophy" and Mrs. Nell Littleton read "The Major" by Mrs. Bryan McDonald. "Home" and "A Little Rose May" Miss Elizabeth Fussell gave a toast to the bride-to-be.

Mrs. Marshall Montgomery, Mrs. E. L. Flowers, Mrs. Lowell Littleton, Mrs. Joe Davidson, and Mrs. Jimmie Blaylock served refreshments and aided in the serving. A punch was served from a bucket of ice in which gladiolus were frozen. The other decorations were roses and perennial flowers. Miss Chapman is a daughter of late Jim Chapman, one of the best residents of Crockett county. Mr. Foster lives in Sabinal where he acts as principal of schools. He is employed by

an oil company for the summer and will be stationed in San Antonio.

TEXAS HEALTH UNITS WIN MERIT AWARDS

AUSTIN, May 13—Texas local and county health departments are rapidly gaining recognition over the United States, according to results of city health conservation and rural health contests recently conducted jointly by the United States Chamber of Commerce and the American Public Health Association. Dr. Watson S. Rankin, Chairman of the committee on awards, has announced that in the south central division of the rural health contest first place was won by the El Paso city-county health department, with honorable mention going to Dallas, Nolan, and Potter Counties' health departments, and in the inter-chamber city health conservation contest Dallas was given honorable mention in the class of cities between 250,000 and 500,000 population.

The contests were conducted in an effort to reduce economic losses due to unnecessary illness and premature death and to interest business men in public health work of their communities. They were open to full-time health units provided a local chamber of commerce or similar organization was affiliated with the United States Chamber of Commerce.

West Texas SCOUT NOTES

SAN ANGELO—With the completion of Camporees in districts of the Concho Valley Council, some 500 Scouts from 30 Troops are pointing towards the annual council-wide Camporee, this year slated at Camp Louis Farr, near Mertzon.

Favorites are those Troops winning district titles: Sonora, Troop 19, Bronte Troop 52, Hext Troop 33, Troop 6 of San Angelo, and Iraan, Troop 49. Runnerup troops are Eldorado, Menard, Ballinger, Texon and Troop 7, San Angelo.

Troops will arrive at 4 p. m. A huge barbecue will conclude the event Saturday noon. Troops bring two meals and bedding only.

CRANE—Iraan Troop 49 won top honors in the Basin district Camporee here Friday and Saturday, scoring 446 points. Other

scoring was Texon 422, Ft. Stockton 286, Rankin 280, Crane 218 and Big Lake 180. A huge campfire and parade climaxed Friday's program while 10 competitive Scouting events and a barbecue were "hits" Saturday.

SAN ANGELO—Troop 6 of San Angelo nosed out Troop 7 in the Angelo district Camporee here this week. The difference in scoring was 26 points. Troop 6 scored 344 points to Troop 7's 329. Other scoring was Troop 1, 215 points; Troop 2, 213 points; Troop 10, 260 points; Troop 12, 250 points; Troop 17, 235 points; Troop 4, 302 points and Troop 9, 243 points.

CAMP LOUIS FARR, Mertzon—Workers are busy here this month in preparing for the opening of this Boy Scout camp on May 31.

Camp for the Senior Scouts will start on this date. Troops may send 5 or more Scouts to this period which ends June 6. Only 15-year-old Scouts may attend.

Other periods of the regular camp start on June 7, 14, 21 and 28.

Paint is flying fast and other improvements are being made, in the kitchen, in the mess hall. Tents are being repaired as well. New equipment is being bought for troops for cooking. Two meals will be served in the big Yates Hall, to be dedicated on June 7, Sunday afternoon.

Last year some 400 Scouts encamped at this Camp during four periods.

Superintendent—Have you any recommendations showing that you are qualified as a night watchman?

Crabshaw—Yes. Here is my doctor's certificate showing that I have insomnia.

Mrs. Walter Kyle spent the past week in McCamey visiting her daughter, Mrs. Chalmers Broadfoot.

Say "I saw it in the Stockman."

Candidate Sets Stockman Right On Occupation

Benjamin F. Berkeley of Alpine, who last week announced his candidacy for the office of State Senator from the 29th senatorial district, in a letter to The Stockman this week calls attention to a statement made in the announcement to the effect that he is a physician and banker.

"I know that it was your intention to honor me in these statements," Mr. Berkeley wrote, "but I am desirous that the public know my exact status at this time. While it is true that I practiced medicine for a number of years, I am not so engaged now. Neither am I engaged in the banking business as I sold out my entire interest almost two years ago. I will appreciate it if you will pick up the omitted material in your next issue and let the people know that my occupation at present is real estate which extends no further than looking after my own small affairs. I am therefore in a position if elected to the State Senate to devote all the time necessary to that important office."

During his eight years tenure in office as Senator from this district, Mr. Berkeley sponsored and passed a number of important legislative acts, among them the West Texas land re-appraisal act, the permanent machinery set-up for predatory animal control, appropriation for determining feasibility of dam site on Pecos River, appropriation to mark Texas-New Mexico boundary, creation of several new district courts in oil producing territory, \$100,000 public calamity appropriation for rehabilitation school and water system following Rocksprings cyclone, complete reorganization of Texas Health Department, bill taxing University lands in West Texas for local purposes, River Bed bill and Mineral Relinquishment acts and many other important bills.

Scott Peters, cashier of the Ozona National Bank, and Mrs. Peters are attending the Texas Bankers Association convention in session in Houston this week. They are expected to return here tomorrow.

A Texas Hereford Association guide and road map will show visitors, who come to the Fort Worth Frontier Centennial, how to reach the ranches of paid up members of the Texas Hereford Association. Jack Turner, secretary of the association, expects to have the map ready for the press within a short time, so it may be given to visitors and mailed to those asking for information about Texas cattle.

These maps will have the high-ways designated by their proper number just as they are on the ordinary road map. The larger towns and cities will be designated and the post offices of the members will be shown. The location and the exact distance of the ranch from the post office will be given.

On the back of the map, Turner plans to give detailed directions on how to reach the different ranches, size of the herds, herd bulls in use, and other specific information. He has asked the members of the Texas Hereford Association for drawings showing location of their ranches.

George D. Keith, Wichita Falls, is president of the Texas Hereford Association; Van Zandt Jarvis, Fort Worth, treasurer; and the vice presidents are Elgin O. Kothmann, Mason; F. W. Alexander, Albany; Duwain E. Hughes, San Angelo; R. A. Brown, Throckmorton, and Jack Frost, Blackwell.

Joe T. Davidson, Crockett County Hereford breeder, is a director in the Texas association.

Mrs. John Pettit, Mrs. J. S. Whatley and Mrs. Etta Japson of Stiles will leave Monday for an extended visit to Oklahoma City and other parts of Oklahoma. They will return to Dallas to attend the Centennial Celebrations and return home by the middle of June.

GIANTS BLAST—

(Continued from Page 1)

ing the p. m.; fifteen hits for the Giants and seventeen for the Refiners was the record of the first game, while the last was six and seven.

Carl Dorley, Giant first sacker, led the field in hitting for the first game, getting two home runs, two singles and a walk for a perfect game at the bat. Meyers rapped out a home run, a double and a single out of five trips to the platter. Heatherly and Stuart each cracked out circuit clouts. Two hits each for Weaver and Russell and one each for Lenz, Heatherly, Stuart, and Cox completed the hit record for the locals. Choate and VanLandingham were the heavy sluggers for the Refiners, each getting a home run and two singles.

The McCamey nine came up in the last half of the ninth three runs behind, but threw a scare into the visiting team and fans when Choate, first up sent a sizzling home run along the billiard-table-top outfield. VanLandingham drew

a pass and Ward hit for two bases but VanLandingham was out at third on the play. Then Warner cracked a safe hit to right field and the ball went through Frank Russell. The Giant right field patrolman, however, hooked up and went after the fast rolling ball while Heatherly went out to receive the throw. The ball was finally retrieved, whipped to Heatherly who made a perfect throw to home plate to catch Warner and the tying run at the plate for the third out and the ball game.

The Old Man's 'Right'

Lefty Pool, a new addition to the Giant pitching staff, had hard luck on his first chance for the locals. He started the second game after having worked in the bull pen through most of the two-hour opening game. He was touched for three hits, one a home run, and a walk in the first inning. Manager Harris replaced him with two men out and retired the side in short order. After that the Giant ramrod and former big time

hurler had the country boys well in hand, giving up but three hits and no runs in his six and a third innings in the box.

Fats Heatherly was the big shot at bat in the second game for the Giants. Two home runs, a double and a sacrifice gave him a perfect average for the game.

NEW CHARTER GRANTS DROP OFF FOR APRIL

AUSTIN, Texas, May 20—Both in number and in total capitalization, new charters granted Texas corporations during April declined sharply in comparison with the preceding month and the like month last year, according to the University of Texas Bureau of Business Research. The number of new charters totaled 138, against 173 in March and 166 in April last year, decreases of 20 per cent and 17 per cent respectively. Total capitalization, \$1,304,000, was down 50 per cent from the preceding month and 37 per cent from the corresponding month last year.

New Car Sales Still Ahead Of Record For 1935

AUSTIN, Texas, May 20—of new passenger car registrations during April were still substantially above 1935, but declined in comparison with the preceding month, according to the University of Texas Bureau of Business Research.

Reports from fifteen representative Texas counties give a total of 6,330 new passenger car registrations, 18.1 per cent above those of March but 15 per cent above those of April last year. The first quarter aggregate were up 15 per cent from the corresponding year.

The tendency which has been noted for many months of greatest sales increase to occur in the higher price groups was in evidence during April.

GET GULFLUBE— It's "Stripped for action"!

A boxer clad in full evening dress would be fighting under a bad handicap. Cheap, poorly refined motor oils are just as hampered. They can't fight friction efficiently because they're laden down with excess waste.

When the boxer sheds some of his clothes he's like most 25c oils—free from some hampering waste, but not all. Until Gulf perfected its great Multisol process, no refiner of 25c oils could afford to go beyond this stage.

The boxer stripped for action is like Multi-sol refined GULFLUBE MOTOR OIL. It's stripped of all excess waste—ready to do the finest friction-fighting job of any 25c oil made! The only 25c oil matching premium-priced oils! Try Gulflube—at the Sign of the Orange Disc.

THE PREMIUM-QUALITY MOTOR OIL FOR 25c SOLD AT SERVICE STATIONS IN SEALED CANS ONLY. . . NOT SOLD IN BULK
