GIANTS STILL TOP DESPITE CRANE SPLIT

Locals Maintain Thin Lead In Permian Basin Standing

4 GAMES ABROAD

Next Two Weeks See Ozonians In McCamey And Texon

Standings	W	L	Pct.
Ozona	6	2	.750
Texon	5	3	.625
Crane	5	3	.625
Iran	4	4	.500
Wink	3	5	.375
McCamey	1	7	.125

Games this week (Saturday and Sunday):

Iran at Texon.
Ozona at McCamey.
Crane at Wink.

After humbling the mighty Bob Osborn, pitcher manager of the Crane Gullmen, in one of the most brilliant diamond battles of the present season Saturday, the Ozona Giants flied away their golden opportunity Sunday afternoon by dropping a 3-2 contest to the invaders.

With Crostwaite on the mound for the Giants and Allen of Crane leading for the visitors, it looked like the locals were long shot favorites in the melee. But fumble and bungle proved the order of the day and after dropping two runs behind in the seventh, the Giants picked up one more but failed to hit in the clutches to drive in a tying counter.

Saturday's contest was a free-bitting and scoring fracas that had fans on their feet from the first inning to the last. Both teams scored in the first inning. The visitors went one up in the third when Osborn scored on Smith's double. But the Giants took up the slack in a big way in their half of the same frame and local fans got their season's biggest thrill as Carl Dorley, Giant first sacker, lifted one of Osborn's fat ones high and far over the center field fence for a home run, scoring Lenz and Heatherly ahead of him.

Manny Hits Homer

Crane came up with another tally in the fifth on successive hits by Moss and Gallaway and Manny added another to tie the count in the visitors' half of the eighth with a homer over the center field fence. After that wal-

Rains Brighten Prospects For Ranching Area

Two Falls Here Register Total of 1.66 Inches

Two rains during the past week saved most of the ranching area of West Texas and brought relief to ranges that were beginning to show the effects of prolonged dry weather since the first of the year. Although the rain registered only .16 of an inch here last Thursday night, bountiful falls were reported over most of this section of West Texas. The rains were general over the western part of the state, ranging from light falls to heavy downpours of two inches or more.

Again Saturday night, Crockett County and territory east and west of here received another soaking, the fall locally on that occasion amounting to an inch and a half. Threatening skies bring hope of further moisture and with weeds and grass already flourishing, prospects look bright for low land hills and heavy fall lambs.

G. O. P. KEYNOTER

Senator Frederick Stelwer of Oregon who was selected to be temporary chairman of the Republican national convention and to deliver the keynote speech.

Award Diplomas To 22 Graduates Of Junior High

Seventh Grade Commencement Exercises Held Last Night

Taking the first hurdle in their progress toward an education, twenty-two pupils of the elementary grades of Ozona public schools received their diplomas as grade school graduates, denoting their elevation to the rank of high school freshmen next year, at annual seventh grade commencement exercises in the High School auditorium last night.

After the processional played by Mrs. W. N. Hannah, the Rev. Ira V. Garrison pronounced the invocation. A piano solo by Noma V. Miller, a reading by the class salutatorian, Howard Lemmons, entitled "A Knight of Chivalry" by J. F. Davis, a piano duet by Dorothy Hannah and W. B. Robertson, "Texas Centennial Hymn" by Mary Bess Parker and a piano trio "Over Hill and Dale" by Alleana Couch, Eloise Carson and Betty Jane Ingham followed. Jim Dudley, valedictorian, read "David Crockett and Freedom" by J. F. Davis as the valedictory number. An instrumental quartet composed of I. V. Garrison, Jr., Howard Lemmons, Miles Pierce and W. B. Robertson, played Rubenstein's "Melody in F."

Judge Charles E. Davidson presented diplomas to the graduates, after which Rev. R. A. Taylor pronounced the benediction.

Those who will launch into their high school careers with the opening of school next year are Johnnie Boyd, W. C. Brock, Jr., Ernest Brownrigg, Alice Eloise Carson, Oleta Casbeer, Nettie Allene Couch, Emogene Drake, Jim Dudley, LaVinia Flanagan, Ira V. Garrison, Jr., Dorothy Neal Hannah, Roy Henderson, Jr., Betty Jane Ingham, Lois Barbara Jones, Harold Beasley Keeton, Howard Max Lemmons, Mary Mertis Luther, Noma V. Miller, Opal Mae Oathout, Mary Bess Parker, Miles Pierce and W. B. Robertson, Jr.

Ozona Teacher Assists In H. E. Study Revision

Miss Ada Moss One Of 60 Teachers Chosen To Aid Work

Miss Ada Moss, home economics teacher in the Ozona Schools, has been selected as one of sixty home economics teachers in Texas, out of a total of more than 600 in the state, who are named to assist in the statewide program of curriculum revision in the field of homemaking study to be carried on during the coming summer vacation months.

Slaughter New Candidate For Justice Peace

Ozona High Graduate Of 1934 Class Enters Race

A contest for the office of justice of the peace, Precinct No. 1, which includes Ozona, developed this week with the announcement of Drennan Slaughter, a grandson of Nick Wiggzell, pioneer Crockett County resident, for the office.

Slaughter will oppose W. M. Johnigan, who last week announced he would seek re-election to the office, following the death of W. D. Barton, unopposed candidate for the office at his death.

Slaughter is a native of Ozona. He graduated from the Ozona High School with the class of 1934. He is now recovering from a foot injury suffered several months ago when he struck the foot with the blade of an axe while chopping wood. He is able to be out in a wheel chair, but expects to be able to walk in a few weeks more.

Expressing confidence in his ability to administer the office, the new candidate pledged his best efforts toward a successful administration if elected to the post.

Haddon Is Named Red Cross Life Saving Examiner

Renewal of his appointment as examiner in the American Red Cross Life Saving Service has been received by Joe L. Haddon of Ozona, Scoutmaster of Ozona Troop No. 53, and band director and instructor in Ozona schools.

The certificate designating the Ozonan as a Life Saving Examiner was issued by A. W. Cantwell, director, First Aid and Life Saving, Midwestern Branch of the American Red Cross, and signed and delivered by A. W. Jones, Crockett County Red Cross chairman.

Examiners' certificates are issued on a current annual basis and Life Saving Examiners are required to review their Examiners' work at least once in two years to maintain current status. Acquatic safety schools are conducted over the country each summer by the American Red Cross.

Centennial Commission To Erect Markers Designating Site Ruins Of Fort Lancaster In Crockett

Historic Spot To Be Pointed Out To Visitors to State

Markers which will designate the ruins of old Fort Lancaster, giving the essential historical facts in connection with this landmark in Crockett County, are to be erected under direction of the Commission of Control for Texas Centennial Celebrations at an early date.

Drafts of the inscriptions to be placed on the markers were received recently by Houston Smith, chairman of the Crockett County Centennial Board. Two markers for the Fort Lancaster ruins and one giving facts concerning Crockett County are to be erected, according to the drafts submitted.

One of the Fort markers, to be erected along the highway a quarter of a mile from the site, will read as follows:

"1/4 Mile to Ruins of Fort Lancaster Established in 1855 by the United States Government as a protection to travelers and mail on the Overland Route from San Antonio to San Diego Abandoned in 1861 Reoccupied in 1868 for a short time." Presumably designed for erection at the site of the old fort, the following wording is planned for the allotted marker:

School Term Ends Friday When Final Reports Are Issued

The 1935-36 term of Ozona Public Schools will come to its official close next Friday morning when students are ordered to report to receive their final report cards.

Students of all grades are to report at 9 o'clock Friday morning, when the final report cards will be handed out and the students dismissed until next September.

Trophy Case Is Parting Gift Of Seniors Of 1936

Handsome New Fixture Is Set Up In Main Hall Of Bldg.

As a parting gift to their Alma Mater, members of the Senior class of 1936 will leave a lasting memorial of their passing in the presentation of a beautiful trophy case which was set up in the main hall of the High School building yesterday.

The case, which stands more than six feet high, has three shelves, front and sides of glass and with a mounted light fixture inside flooding all trophies displayed with light. The case has been set up in the north end of the ground floor hall just inside the west entrance.

The case was made by a San Angelo cabinet maker and finished to match the woodwork of the building almost perfectly. Eleven trophies, won by individuals and teams in various athletic and literary events in past years, are displayed in the case.

NOSEBLED 5 DAYS

Suffering from uninterrupted nosebleed for a period of five days, an Ozona Mexican woman, Francisca Navarres, was taken to San Angelo Monday in the Joe Oberkamp ambulance for treatment.

Mr. and Mrs. Flynn Sikes are the parents of a boy born here Saturday afternoon. Mr. and Mrs. Sikes are at the home of Mrs. Sikes' parents, Mr. and Mrs. S. F. Richardson, Mr. Sikes is a grocerman at Iran.

DIPLOMAS TO BE AWARDED 20 HIGH SCHOOL GRADS AT 40TH COMMENCEMENT HERE TONITE

MAY ROBSON AT 76

May Robson, the screen's "grand old lady," celebrated her seventy-sixth birthday by eating strawberry jelly, buying herself a new car, promising herself a trip to London, and signing a new contract with MGM studios. "My career is just beginning," she stated. "Why, I'm going to work until I'm at least a hundred."

Denton College Professor To Deliver Address

A telegram received this morning by Supt. C. S. Denham from Dr. L. H. Hubbard of Denton advised that the president of Texas State College for Women would be unable to fill his engagement to deliver the address to graduates of Ozona High School at the commencement exercises tonight and that Dr. L. H. Moore, professor of education in that institution, would substitute for Dr. Hubbard on the assignment.

Twenty Ozona High School students will pass one of the first and most important milestones in their lives this evening when they are handed high school diplomas denoting the successful conclusion of four years school work at the fortieth annual commencement exercises of the Ozona school to be held in the High School auditorium starting at 8 o'clock.

The diplomas will be presented by Judge Charles E. Davidson, who has performed the same duty each year for the most of the thirty-nine years past in which the Ozona school has been awarding diplomas.

Presentation of the coveted sheep skins will follow the annual commencement address to be delivered on this occasion by Dr. L. H. Hubbard, president of the Texas State College for Women (CIA) at Denton. Dr. Hubbard is a well known Texas educator. He was dean of men students at the University of Texas before taking the post as head of the Denton institution.

The evening's program will open with the processional by Miss Wayne Chapman, after which Rev. R. A. Taylor will offer the invocation. A cornet solo by Richard Miller will follow. A Texas Centennial note will be introduced in the salutatory and valedictory addresses. A reading, "The Spirit of Texas" by Lowell Crozier will be given by the salutatorian, Imogene Baker. A saxophone solo by John Henderson will follow, after which the valedictorian, Margaret Ella Drake will read "The Character of Stephen F. Austin," by Dr. Eugene C. Barker.

The commencement address by Dr. Hubbard will be next on the evening's program. Scholarship awards will be made to honor students of the class by Supt. C. S. Denham after the diplomas have been presented. Rev. Ira V. Garri-

4-Year-Old Child Thrown From Car, Thigh Is Broken

Bobby Joe Elledge Suffers Crushed Bone Near Hip

Bobby Joe Elledge, four-year-old son of Mr. and Mrs. Henry Elledge, suffered a badly crushed thigh bone just below the hip joint late last week when he fell from his father's car and rolled under the machine, the back wheel passing over his leg.

The child was standing up in the seat beside his father, who was running a string of traps on the NH ranch. The door of the car on the child's side flew open and jerked him out. An incline at the side of the road, caused the youngster to roll back in the path of the rear wheel of the car.

The child was brought here for examination. X-Ray pictures showed the thigh bone broken just below the hip and a sliver of the bone broken loose. The injured child was taken to a San Angelo hospital where the break was set and the leg placed in a cast. Attending physicians expressed the opinion that the break would heal satisfactorily.

Ozona Missionary Delegates Attend Angelo Conference

A large delegation of representatives of the Ozona Methodist Church attended the district meeting of the Woman's Missionary Society of the Methodist Church held in San Angelo Tuesday. Among the Ozona group in attendance at the all-day meeting were Mrs. John R. Bailey, Mrs. Floyd Henderson, Mrs. John W. Henderson, Mrs. Scott Peters, Mrs. Madden Read, Mrs. H. B. Tandy and Rev. and Mrs. R. A. Taylor.

Messages were brought to the conference by Mrs. S. L. Batchelor, secretary of women's work in the West Texas Conference, and by the treasurer, Mrs. Arthur Moore, wife of Bishop Moore, told of her experiences during a recent trip to China. Mrs. H. B. Tandy sang a solo during the morning devotional hour.

Mr. and Mrs. John Curry left the end of the week for Killen where they will make their home in the future. Mr. Curry has been bookkeeper at the North Motor Co. for the past several years.

Faculty Members To School, Travel During Vacation

Plans Of Teachers Are Made As Present Term Ends

Plans of members of the faculty of Ozona schools for the summer vacation months take them to their homes in various sections of the state, to schools and colleges for all or part of the summer, or to vacation trips, travel, and to the Texas Centennial in Dallas.

These plans were revealed in a survey of summer plans of all members of the faculty made yesterday. Here's what present plans of the teachers call for:

Miss Mildred North, to the University of Texas; Miss Sophie Haug, to her home in Marlin; Miss Ada Moss, at home in Ozona; Miss Elizabeth Fussell to school in Canyon and travel in the mountains; Miss Frances Northcut, to her home in San Juan then to

THURSDAY, MAY 14, 1936.

PERSISTENT ADVERTISING

Editors have been told a million times or more by certain men in the community that they do not need to advertise because everybody knows them. Maybe so, but "everybody" can forget.

When in Columbia recently we enjoyed a visit with Floyd Shoemaker, secretary of the state historical society. While there, an inquiry came over the phone: "Who was the vice-presidential candidate with Hughes in 1916?" Shoemaker could not recall, neither could the writer. We scurried through the "blue books," whose election figures, though complete, gave only Hughes's name in the tabulations. A clerk in the library finally stumbled onto a document with the missing name. The man had been for years one of the most prominent men in the nation, and for six hectic months his name was in the mouth of every citizen of the United States.

Birmingham News: It must be a great consolation to dead Ethiopians to know that Mussolini saved them from slavery.

Gilmer Mirror: A New York physician has caused quite a bit of worrying by declaring that "worry kills only fools."

Grapevine Sun: A writer asks what has become of the old-fashioned cook? She started a fire with gasoline.

Perfect Attendance Records Marred By Epidemic Of Mumps

Maurice Lemmons was the only student in Ozona High School who maintained a perfect attendance record for the second semester of the term now ending, according to a compilation of records made yesterday in the office of Supt. C. S. Denham. An epidemic of mumps and other diseases of the winter months invaded the school during the second semester and whereas thirty students attained a perfect attendance record during the first semester, only one was lucky enough to come through unscathed the second half.

In the elementary grades, where the disease invasion was late starting and not quite so all inclusive, the record was a little better. In the grades, eleven pupils maintained a perfect record for the semester. They were Henry Elledge, Chappo Morrison, Arthur Byrd Phillips, Tom Ed Montgomery, Henry Patrick, Vera McCaleb, Lloyd Coates, Billy Hannah, Bobby Lemmons, Leo Williams and Adele Galyon.

MRS. ALVIN O'FIELDS HONORED AT SHOWERS

Mrs. Alvin O'Fields, who left the first of the week to join her husband at Fort Stockton, their future home, was honored with two going-away showers here the past week.

Ladies of the Baptist Church entertained with a miscellaneous shower for her Saturday morning at the home of Mrs. A. C. Hoover. Mrs. R. L. Flowers was hostess at a personal shower and bridge in honor of Mrs. O'Fields Monday afternoon.

BAPTIST CHURCH

W.M.S. Circles Wednesday Afternoon. Teachers Meeting and Prayer Meeting Wednesday 7:30 and 8. A warm welcome to all who can attend these services. COME! Ira V. Garrison, Pastor.

Dallas Journal: Congress is indignant that Franklin D. Santa Claus has presented a bill for services rendered.

Gilmer Mirror: A Toledo man advertises that he will trade a dog for a sausage machine, indicating that he had a surplus dog.

Sophomore Staff Is Again Judged Winner School Paper Contest

For the second consecutive year, the Sophomore class of Ozona High School was adjudged winner of the Joe Oberkamp silver loving cup for producing the best copy of the "Lions Roar," student mimeograph newspaper produced in the local school, it was announced recently by Supt. C. S. Denham.

The four classes of High School joined in the competition for honors in editing and printing of the paper. The Senior staff was judged in second place.

The papers were judged by officials of the Interscholastic League in charge of high school journalism at Austin. Members of the Sophomore staff were: Jack Baggett, editor; Mildred Freitag, assistant editor; Maurice Lemmons, business manager; Welton Bunker, art editor; Catherine Childress, society editor; Haskell Leath, gossip editor; Elmon Powell, sports editor; John Coates, circulation manager; and Willena Wyatt, typist.

The Senior edition was edited by Louise Williams as editor; Taylor Deaton, assistant editor; and John Henderson, business manager. Allie Mae Armentrout was editor of the junior edition, with Athleen Dudley, assistant editor, and James Childress, business manager. Jeff Fussell was freshman editor, Doris Bunker, assistant, and Phillip Schneemann, business manager.

THIS WEEK IN TEXAS HISTORY

WEEK OF MAY 10 (By T. S. College for Women)

1836—On May 14 the Treaty of Velasco was signed between President David G. Burnet and General Santa Anna. It provided that hostilities should cease and the entire Mexican army should retreat beyond the Rio Grande.

1846—President James Polk signed a declaration on May 13 that war with Mexico existed. Both houses of Congress had passed it with large majorities, and appropriated \$10,000,000 and empowered the President to use the army and navy.

1888—The new capital building was completed and dedicated May 16. The highest point in Texas is the tip of Guadalupe Peak in Culberson County which is approximately 8,500 feet. The highest town in Texas is Fort Davis, 5,000 feet in the Davis Mountains.

Dallas Journal: Herr Hitler has all the advantages of the little boy who played with the pole kitty—nothing else that might happen to him can possibly matter much.

Penmanship Awards Given 12 Students Of Ozona Junior High

Twelve students of the Junior High grades have been issued penmanship certificates of attainment in good writing by the W. S. Benson & Co., Austin publishing concern, publishers of the Graves penmanship course used in the local schools.

In the seventh grade, Noma V. Miller, Opal Oathout, Alleane Couch, W. B. Robertson, LaVinia Flanagan and Dorothy Hannah were accepted for certificates. Donita Stahl and Billy Jo West were sixth graders drawing certificates and in the fifth grade were Mary Fay Lucas, Floyd Hokit, Eddy Cook and Gem Ella Dudley.

These awards were for the second semester. Winners of certificates for the first semester were Jim Dudley, Howard Lemmons, Oleta Casbeer, Mary Bess Parker, Lois Jones and Imogene Drake. Mrs. Ted White is teacher of penmanship in the junior high.

Work wanted by experienced ranch hands. Leave word at Hotel Ozona.

Palace Theatre

Tonight: Walter Abel, Margot Grahame in 'Two in the Dark'

Friday and Saturday 'Navy Wife'

Kathleen Norris' newest novel. With Claire Trevor and Ralph Bellamy. The woman's side of the navy.

Sunday and Monday 'Rose Marie'

QUESTIONS THAT ARE ASKED ABOUT BANKING

Who charters a Bank to do business?

EVERY incorporated bank in the United States conducts its business under a charter issued either by its state government or by the Federal Government.

A charter is the bank's authority from the government, state or Federal, to carry on a banking business, but under the regulation of banking laws and supervision of government authorities.

This bank was chartered in April 1905. We operate our banking business under this charter subject to regulations of many banking laws and examinations without notice by bank examiners.

All-Day Picnic Is Enjoyed By Members Of School Orchestra

Climaxing the year's program for the Ozona High School orchestra, directed by Joe Hadden, members of the musical organization and a few of the parents of the group enjoyed a picnic and outing near Camp Louis Farr, near Mertzon, Saturday.

Approximately forty-five boys and girls of the orchestra, and their parents, and the director composed the group enjoying the day. Swimming and a beautiful spread constituted the day's program of enjoyment.

Mrs. W. A. Kay of Ozona has been named local representative of the Morgan Flower Shop of San Angelo, taking telephone orders for flowers for local or foreign delivery.

Mrs. Warren Clayton will return this week from Mineral Wells where she has spent the past several weeks with Mrs. A. W. Clayton of San Angelo.

The Lee Childress home is being repainted this week.

Mike Friend, Crockett County ranchman, underwent an operation for appendicitis in a Temple hospital last week.

Jones—Why did you wake me up out of a sound sleep? Mrs. Jones—Because the sound was too loud.

A dance honoring members of the 1936 graduating class of the Ozona High School will be held at the fair grounds platform starting at 10 o'clock this evening, after the commencement exercises in the High School auditorium. Music will be furnished by Cusack's New Cuckoos of Del Rio. Ticket will be \$1.50.

LET'S GET ACQUAINTED!

Young Explorer To Make Hazardous Trip

WITHIN the next few weeks, Henry G. Slaughter, 28-year-old naturalist and explorer of Washington, D. C., will trundle a bicycle out onto the new Pan-American Highway and begin an expedition down the continental divide. He will attempt to complete the first overland journey in history from the United States to Panama.

This will be the second time that young Slaughter has attempted the hazardous trip. His first venture took place last winter, but was thwarted by the combined efforts of the Guatemalan rainy season and the Guatemalan government's "red tape."

Slaughter left Texas last December, equipped with tent, hammock, two revolvers, one rifle, ax, knife, machete (a murderous weapon used in this instance for cutting through underbrush), first aid material, snake antitoxin, cooking utensils, emergency water, concentrated food capable of sustaining him for six weeks in the event of an "Emergency landing." He also carries a Remington portable typewriter strapped onto the handlebars of his bike. The latter item is used by Slaughter as he rides along open stretches of road. Many of the voluminous notes for a book he is soon publishing were made in this manner.

After traversing the mountain passes and deserts of Mexico, Slaughter arrived in Mexico City on December 21, hoping to continue on at once through the jungles of Central America. He reckoned without the officials of Guatemala, however. It seems they have a law that nobody can cross their country without a special visa. While they were deliberating upon his case, Slaughter lingered on for weeks in the Mexican capital. To pass the time, he wheeled his bicycle up the 18,000-foot ice and snow capped peak of Mount Popocatepetl—a death-defying feat that had never been accomplished before. The young explorer says of this:

"It took me four days to find a guide who would go with me on such an expedition and it was certainly lucky for me that I didn't try it alone. Once in the ascent I slipped and the guide, without hesitation, threw himself across my body and dug in with his spikes to hold both of us and the bicycle. I was pushing. If he hadn't acted promptly I guess I would have been in the same fix as the four

A Good Trick If You Can Do It

Henry G. Slaughter, 28-year-old explorer and writer, who is planning a second bicycle trip over the new Mexican highway, is shown here with his unique conveyance. On the Remington portable fixed to the handle bars, Slaughter types notes of his journey as he rides along. This picture was taken in front of the U. S. Capitol building on his return from his 3400-mile trip through Mexico, Central America and Panama.

people who tried to climb Ixtacchimal, a sister mountain, the day before—dead in one of the gorges at the bottom of the mountain." Slaughter eventually obtained permission to continue his journey but, by that time, the rainy season had set in and he was forced to abandon his plans. He returned to America on February 19th and immediately began to prepare for a second attempt.

This is Slaughter's fourth year of exploring. He travels by bicycle because it is the fastest way and also because parts of Central

America would be impassable at present with any other vehicle. Being a naturalist as well as a writer, he not only obtains material for his books but also collects snakes, frogs and species of small mammals for the Smithsonian Institution.

While on his first trip he was unable to reach his ultimate destination, Slaughter feels that it provided him with much essential knowledge of the Central American countries and peoples that will assure him of success in his forthcoming expedition.

Black Widow Spiders Bite When Disturbed

AUSTIN, May 13—The "Black Widow" spider continues to be a menace even though the number of persons bitten is comparatively small, according to morbidity reports received by the State Department of Health. The habit of this spider in building its web in dimly lighted places makes it difficult to establish any effective method of control.

Though the "Black Widow" is frequently found in basements, wood sheds, and other places which have dark corners or recesses, more cases of spider poisoning that have been reported in past years have occurred in old toilets in the rural districts. The spraying of creosote in cracks and crevices, particularly around the

seats of old toilets, is an invaluable procedure, but precautions must be taken against fire. The egg cocoon may also be crushed.

The adult female spider is about half an inch long and has a shiny black body with a brilliant scarlet hourglass marking on the under surface. The name, "Black Widow" is derived from the fact that the female kills and eats the male after mating.

The web of the "Black Widow" is characterized by the fact that the strands are tough. If a straw is applied to the web of an ordinary house spider, the web will immediately break, but if a straw be stroked through a "Black Widow" web, the strands will be found to be so tough that the straw will bend or even break. The female spider stays close to her web but will rush out and attack violently any object distur-

bing this web.

The "Black Widow" is not an aggressive spider, and rarely bites unless disturbed. Acute pain develops in the region of the surface bitten, spreading to other parts of the body. There is a general muscle contraction, difficult breathing, cold perspiration, nausea and an extreme rigidity of the abdomen.

The general public should be taught to recognize the "Black Widow," to take the necessary precautions, and to consult a physician immediately, if bitten.

Ralph—If you'll only be mine I promise to treat you like an angel. Betty—But I don't want to be treated that way, I would prefer something to eat and wear.

All-Time Records Fall As Chevrolet Sales Still Climb

DETROIT, May 13—Chevrolet dealers' car and truck sales in April totalled 134,431 units, setting a new all-time high mark for any single month in the company's history. W. E. Holler, vice president and general sales manager of the Chevrolet Motor Co., announced. Sales for the year to May 1, totaling 496,620, set a new

all-time record for the first four months of a year.

The achievement followed close on a record-breaking March, which, until April figures were in, stood as the greatest single month Chevrolet ever experienced.

April sales represent an increase of nearly 35 per cent over sales in April, 1935, which totalled 99,811. The first four months' sales were an increase of 48 per cent over those of 1935, which were 274,121.

Sales of used cars in April to-

talled 197,270. Mr. Holler reported, producing a total of 673,890 used car sales for the first four months. Both these figures represent new all-time highs. The greatest previous single used-car month in the company's history was March 1930, when 174,542 units were sold, and the greatest corresponding four-month period was in 1930, when sales totalled 456,538.

A Million Miles

WITHOUT AN ACCIDENT

Firestone

HIGH SPEED TIRES

- ★ WILL STOP A CAR UP TO 25% QUICKER!
- ★ GIVES GREATER BLOWOUT PROTECTION!
- ★ GIVES 25% LONGER NON-SKID MILEAGE!

THE MASTERPIECE OF TIRE CONSTRUCTION

BUY ON PROOF OF PERFORMANCE

A MILLION miles on Firestone Tires without an accident. That is the record of Ab Jenkins, famous driver, who has driven on all kinds of roads and in all kinds of traffic in every state in the union. What a tribute to safe, dependable, tire equipment! Make this proof of performance your guide in choosing new tires to protect yourself and your family.

There are three important facts you should know about the tires you buy—

- 1. THE FACTS on TRACTION and NON-SKID SAFETY**
A leading university in 2,350 tests has found that the new, scientifically designed tread on the Firestone High Speed Tire stops a car up to 25% quicker.
- 2. THE FACTS on BLOWOUT PROTECTION**
Ab Jenkins used Firestone Gum-Dipped Tires when he drove his 5,000-pound car over the hot salt beds at Bonneville, Utah, in the record-breaking time of 127 miles per hour, covering 3,000 miles in 23½ hours without a blowout or tire trouble of any kind.
- 3. THE FACTS on ECONOMY and NON-SKID MILEAGE**
The largest transportation companies in the country, such as Greyhound, to whom safety and tire economy mean business efficiency, use Firestone Tires from Coast to Coast and from Canada to the Gulf. And our own test fleet records prove that the new Firestone High Speed Tire for 1936 gives you up to 25% longer non-skid mileage.

This heavy, broad, traction and non-skid tread is held to the cord body of the tire with Two Extra Layers of Gum-Dipped Cords, a patented construction, making the cord body and tread an inseparable unit.

"Sure...come on in"

Right now, doors all over America are being opened—opened so that peace of mind and security may enter.

For millions of Americans have discovered what a grand thing life insurance is, and how it can make their dreams and hopes for the future come true.

And they have discovered something else, too. They have found that their life insurance representative is more than a salesman—that he is a man with a friendly, sympathetic understanding of their personal problems, their money worries, their responsibilities.

They have come to know that, if he sometimes seems enthusiastic, his enthusiasm is justified—for he has seen the quiet miracle of life insurance at work. He has seen it providing for wives and children who have been left alone. For others, he has seen it transforming worry and discouragement into comfort and security. He has seen it making a man's dreams come true when every other way has failed.

Let him tell you how you, too—on your present income—can start a plan that means security for your family if you die, and security for your wife and yourself, if you live.

THE SOONER YOU PLAN YOUR FUTURE . . . THE BETTER YOUR FUTURE WILL BE

Day Observed Music Club With Music Program

During National Music Week the Ozona Music Club presented its first day program last week at the home of Mrs. Joe Oberly. Each member of the club was a guest for the day, a program being arranged for the occasion.

The day's program opened with a quartet number sung by Mrs. H. Strick Harvick, Mrs. Bright Baggett and Mrs. Dudley. Mrs. Vic Pierce played a piano solo, Mrs. Tandy one of Oscar J. Fox's compositions, after which Mrs. Williams gave two readings composed by Mrs. A. C. Mrs. Neal Hannah played a piano selection from David's work, and Mrs. Tandy another Fox composition. A trio composed of Mrs. Bascox, Mrs. John Bailey and Tommie Smith sang "Gavotte" and Miss Wayne Chapman played a piano selection. Miss Davidson, dressed in big

hat, chaps, boots and spurs, sang a number of cowboy songs to her own piano accompaniment.

Present for the program were Mrs. Hillery Phillips, Mrs. Monroe Baggett, Mrs. Evert White, Mrs. Jim Miller, Mrs. Floyd Henderson, Mrs. Alice Baker, Mrs. J. T. Keeton, Mrs. C. S. Denham, Mrs. Welton Bunker, Mrs. W. N. Hannah, Mrs. Max Schneemann, Mrs. Tandy, Mrs. George Montgomery, and her mother, Mrs. Thodbergh; Mrs. Bryan McDonald, Mrs. Hugh Childress, Mrs. Charles Williams, Miss Louise Henderson, Mrs. Marshall Montgomery, Mrs. Angie Wilson, Mrs. Lowell Littleton, Mrs. John Bailey, Mrs. Bright Baggett, Mrs. Gerald Williams, Miss Dixie Davidson, Miss Elizabeth Fussell, Mrs. L. B. Cox, Mrs. Strick Harvick, Mrs. Vic Pierce, Miss Wayne Chapman, Mrs. Paul Perner, Mrs. Ira Carson, Mrs. Lee Childress, Mrs. Joe Davidson, Mrs. Tom Smith and Mrs. Morris Dudley.

Detroit Free Press: A man judges a new family by its car; a woman waits till she sees its wash on the line.

Rare Night Blooming Cactus Grown Here

Cool weather early this morning permitted a peek at a rare blossom in bloom in the daylight in the cactus garden of Mrs. B. E. Ingham at her home here. The plant, a deer horn cactus, native of the far western section of Texas, blooms only at night, the blossoms closing promptly as the morning sun hits them. This morning, however, the blooms remained open several hours after the sun rose.

The cactus, which has the approximate shape and color of deer horns, grows out of a huge bulb, as large as a two gallon water bucket when mature. From this bulb no roots of any kind, not even feeder or hair roots are to be seen, Mrs. Ingham said. Mrs. Ingham has two of the plants, given her by A. M. Buck of Sanderson. Last year the blossoms on the plant were pink but this year are snow white.

PROMINENT MANUFACTURER

has been advised by two of his customers in this vicinity that it is necessary for him to take back his pianos, because of their inability to finish payments. Returning these pianos to the factory would be very expensive, so would like to sell for balance due, or store with reliable parties. Both pianos are practically new, only small amount due on each. Easy terms can be arranged. One is a baby grand, one a studio upright, standard makes, 1936 models. If interested in buying for small balance due, or storing, write Credit Adjuster, W. P. White, St. Angelus Hotel, San Angelo, Texas. 3tc

ART. 1439 (1349) (878) (743) RECEIVING STOLEN PROPERTY

Whoever shall receive or conceal property which has been acquired by another in such manner as that the acquisition comes within the meaning of the term theft, knowing the same to have been so acquired, shall be punished in the same manner as if he had stolen the property. From The Penal Code, State of Texas— 3tc

Many a kid, whose chief interest in the week-end ball games is soda pop, was disappointed Sunday when Bruce Galyon, operator of the cold drink stand beneath the grandstand failed to open during the game. The stand remained closed because of the mud, to prevent muddying of the seats in the grandstand.

POLITICAL ANNOUNCEMENTS

The Stockman is authorized to announce the candidacy of the following for the offices named, subject to action of the Democratic primaries:

- For Sheriff, Assessor and Collector of Taxes: W. S. WILLIS (Re-election) R. F. POWELL

- For Commissioner, Precinct 1: ROB MILLER O. W. SMITH BEN INGHAM (Re-Election)
- For Commissioner, Precinct 2: CHARLES BLACK (Re-election)
- For Commissioner, Precinct No. 3: J. W. OWENS (Re-election) MIKE FRIEND O. W. PARKER
- For Commissioner, Precinct 4: E. R. KINSER (Re-election) FRANK KIRKPATRICK S. M. HARVICK
- For State Senator, 29th Senatorial District: H. L. WINFIELD, Ft. Stockton BENJ. F. BERKELEY, Alpine
- For Justice of Peace, Prec. 1: W. M. JOHNGAN (Re-election) DRENNAN SLAUGHTER

Bicycle Riders Warned To Use Care On Streets

Several near-accidents recently prompted Sheriff W. S. Willis to issue a warning to children who ride bicycles on the streets to use extreme care to avoid being run down by automobiles.

Bicycles have the same right on streets as automobiles and are subject to the same traffic rules, the sheriff pointed out. An especially dangerous practice indulged by some cyclists here, he said, is that of turning across the street between intersections and riding on the wrong side of the street. Believing it better to attempt to avoid accidents than to regret them after they happen, Sheriff Willis requests parents to warn children who ride bicycles against taking chances on downtown streets, to urge them to keep to the extreme right and to look carefully for cars before making a turn across the street.

MRS. PHILLIPS IS CONTRACT HOSTESS

Mrs. Arthur Phillips entertained members of her bridge club and a number of guests at her home here Tuesday afternoon. Mrs. Hillery Phillips was awarded high score prize for the club, Mrs. Boyd Clayton, second high, and Mrs. J. O. Lusby cut. Miss Wayne Augustine drew guest high prize.

Other guests of the afternoon were Mrs. Jake Short, Mrs. Welton Bunker, Mrs. T. A. Kincaid, Jr., Mrs. Evert White, Mrs. Lowell Littleton, Mrs. Tom Smith, Mrs. Strick Harvick, Mrs. J. H. Miller, Mrs. Judge Montgomery, Mrs. Angie Wilson, Miss Louise Henderson and Mrs. J. T. Brashear.

Mrs. Loran Davis and baby of Georgetown are here visiting her brother, H. A. Moore and family.

son will close the program with the benediction, and Miss Chapman will play for the recessional march.

Ozona High graduates of the class of 1936 include Imogene Baker, Vaughn Brown, Taylor Deaton, Margaret Ella Drake, Wanda Dunlap Stuart, Thomas Everett, Leonard Freeman, Bernice Freitag, Irene Green, Iris Green, Martin Harvick, John Henderson, John Meinecke, Richard Miller, D. A. Parker, LaVerne Schwalbe, Joe Whatley, Gene Williams, Louise Williams and Jeanetta Willis.

GIANTS—

(Continued from page 1)

lop, Buchanan yielded to Thornberry who retired the side without further scoring. The Giants untied the count in that half when Stuart, who had hit safely, scored on Thornberry's hit. Crane again tied the score in the final frame when Smith went to second on Cox's wide throw to first and scored on Moos' hit. The Giants pushed over the winning tally in their half of the ninth, when, with one out, Heatherly pulled up at third on a sizzling hit to right field, Dorley was purposely walked and Myers sent a long fly to center field which the Crane centerfielder dropped, although the ball would have been a safe sacrifice fly even if the fielder had sacked it successfully.

A free sprinkling of errors at short and second, plus the Giant weakness at bat, accounted for Sunday's heartbreaking loss. The Giants scored first in the third. Weaver singled, Buchanan and Crostwaite struck out, Lenz singled, Weaver pulling up at third, and scored when Smith at second muffed Cox's grounder. The Cranes evened it in the fourth when Moos was safe on Lenz' error, Galloway was safe on Cox's miscue, Osborn sacrificed them, Manny drew a pass to fill the bags and Allen singled to score Moos.

That Fatal 7th

Ozona fans saw their ball game go skyward in the fatal seventh when Colvard, first up, walked, went to second on Smith's sacrifice and to third as Anderson was safe on Heatherly's error. Galloway was passed and Osborn singled, scoring Colvard and Anderson. The Giants threatened in the eighth when Myers drove a long one to centerfield that crashed through the fence for two bases and scored a moment later on Stuart's single. But the rally was cut short one run short of a tie. The locals threatened again in the ninth when Crostwaite singled, advanced to second on Lenz' sacrifice but died there when Cox popped out to short to end the ball game.

The Giants will play the next four games away from home. The coming week-end they journey to McCamey, where they should take two games barring an attack of over confidence, and the following week they will invade the stronghold of their ancient rivals

the Texon Oilers for a two-game series.

Ozona Teacher—

(Continued from Page 1)

A series of conference of those who are to work on the courses of study in homemaking will be held during the summer and Miss Moss has been invited by W. A. Stigler, co-director of curriculum revision of the State Department of Education, to attend these conferences and to assist in this work. Miss Bernice Mallory, chairman of the revision of homemaking courses, and her committee are collecting material from teachers in the field to be used as the basis for revision of the present course of study in homemaking, and the results of this survey will be studied intensely by the workers in Austin during the summer.

Mrs. Mae Gray is in Rankin this week where she is supervising shearing on her ranch near that city.

Ozona Girl Wins Second Place In Typing Contest

Mary Williams Attains High Speed In State Meet

Falling but a little over three points below the first place winner in the state speed typing contest held at Austin, Mary Williams, Ozona High School senior, took second place in the state meet over a field of 24 regional contest winners from all parts of the state.

The Ozona girl's score was 60.429 words a minute, with 8 errors, for 91.889 percent accuracy for total points of 152.318. The winning typist, Miss Lucile Smith of Gulf, 60.91 words a minute, with 5 errors for 94.881 percent accuracy, and a total score of 155.721. Third place went to Douglas Edwards of Abilene, fourth to Myra Jo Preston of Arlington, and fifth to Miss Evelyn Cantrell of Barstow.

Miss Mildred North, commercial teacher in the local school, accompanied her pupil to the state meet.

(This item was inadvertently omitted from last week's issue.)

In a class by itself—
for VALUE

STEEL MAKERS say—"Ford buys the best steel." Other suppliers of materials and parts will tell you—"Nobody checks up as closely on quality and price as Ford."

This means a great deal to you as a motorist. It is our way of safeguarding the interests of every purchaser and it leads to this—"The mechanical depreciation on a Ford is less than most cars, especially after the first year."

This is one sign of the extra value in the Ford V-8. Accuracy in manufacturing is another. (The Ford is made to unusually close precision limits.) And there is a long list of fine-car features that are exclusive with Ford in the popular field.

Have you a V-8 engine in your car? You pay \$1645 for it in any other car but Ford.

Does your car have Center-Poise Riding? Ford gives you this modern feature—"a front-seat ride for back-seat passengers."

Does your car have fool-proof Super-Safety Mechanical Brakes? The Ford V-8 gives you this proved design, with 186 square inches of braking surface.

Does your car have a genuine steel body structure? Does it have Safety Glass all around? Ford is the only low-price car that gives you this extra protection without extra cost.

You get these fine-car features in the Ford V-8 because of Ford manufacturing methods and low-profit policy.

\$25 A MONTH, after usual down-payment, buy any model of the new Ford V-8 car—from any Ford dealer—anywhere in the United States. Ask about the new UCC 1/2% per month finance plan.

FORD V-8

BE OUR GUESTS... Ford Sunday Evening Hour, Columbia Network, Fred Waring and His Pennsylvanians on Tuesday nights (Columbia) and Friday nights (N.B.C.). See radio page for details
