## MYERS' HOMER IS ENOUGH TO BEAT OILERS

Defending Champs Are Trounced 1-0 In Sunday Thriller

## GIANTS STILL TOP

Crane Steps Up To Second With Double Win Over McCamey

Standings	W	L	Pct.
Ozons	9	2	.818
Crane	8	4	.667
Myers	7	4	.636
Myers	4	6	.400
Myers	4	6	.400
McCamey	1	11	.083

### The Schedule

Saturday and Sunday: Texon at Crane. Iran at Ozons. Wink at McCamey.

Behind the airtight pitching of Al Crostwaite in the pitcher's duel, the sensational fielding of Bob Weaver and Fats Heatherly, and the clouting of "Hog Caller" Myers, the Ozons Giants defeated Snipe Conley's Texon Oilers and Empire Cotton Kerlin 1-0 in what fans agree was one of the most thrilling ball games of the current season played in a drizzling rain on the Texon diamond Sunday afternoon.

The four-base blow of Left Fielder Myers in the second inning was all that the big soldier pitcher needed to beat the "mighty" Oilers—and Mr. Kerlin. The margin might have been two-nothing but for Patsy Gentry's sensational catch of another one of Myers' drives to deep left.

### Plenty of Thrills

But the game was not a purely pitchers' duel as might appear from the score. One of the tightest spots in which the big soldier found himself was in the seventh when Haven, hitting for Ritter, smacked out a double and advanced to third on Housewright's single. Brown dropped what would have been a hit in nearly anybody's ball game just behind second base, with the infield playing in for a squeeze, but Bob Weaver came in fast from the outfield and shagged the ball clean for a put-out. Gardner drove one to Fats Heatherly, who scooped it up, tagged Housewright going to second so effectively that Empire Kerlin could not be mistaken on the play and then tossed to Dorley to get Gardner at first for a double to retire the side.

The Giants and Oilers were scheduled for a two-game series Saturday and Sunday, but Saturday's game was called off because of a wet field. The Giant management agreed to a single game at

(Continued On Last Page)

## Rev. Camp Resigns Pastorate Local Church of Christ

Minister To Go Into Insurance Business In San Angelo

Rev. James M. Camp, minister of the Ozona Church of Christ for the past year, has presented his resignation to the church to take effect with the expiration of his contract the middle of July.

Rev. Camp will go to San Angelo where he will engage in the insurance business, representing the Texas Employers' Casualty Company. He will not quit the ministry, however, preaching in the area Sundays as opportunity is presented.

No action has been taken by the church as yet to fill the vacancy created by Rev. Camp's resignation.

## Veteran Crockett Co. Judge, Stricken On Trip To Iowa, Reported Improving

Judge Davidson Still In Serious Condition From Attack

Encouraging reports coming daily from members of the family who are at his bedside allayed somewhat the anxiety of his friends here over the condition of Judge Charles E. Davidson, 79, who suffered a stroke of partial paralysis late Tuesday near Lawrence, Kansas, while enroute to Winfield, Iowa, for a visit with Mr. and Mrs. Bill Grimmer, son-in-law and daughter of Judge and Mrs. Davidson.

Mrs. Davidson drove the car into Lawrence after the attack and upon arriving there Judge Davidson was able to walk from the car to the hotel. The next morning they continued their journey to Iowa, Mrs. Davidson driving. Arriving at the Davidson Farm near Winfield, the veteran judge was able to walk into the house.

The stroke affected one side of the body. Specialists from nearby cities were called after the Ozons arrived in Iowa and treatment was begun. The effects of the stroke gradually lifted and Judge Davidson regained some use of the muscles affected. Continued improvement has been reported in communications received by the family this week.

Mr. and Mrs. Charles E. Davidson, Jr., left Friday night for Iowa to be with Judge Davidson. Mr. and Mrs. Frank McMullan and children, who had planned to visit the Grimmers this summer, also left the end of the week for Winfield. Mrs. McMullan is a daughter of Judge and Mrs. Davidson.

Judge Davidson will be 80 years old in July. He has been in good health and actively carrying on his duties as county judge and attending other business matters until he and Mrs. Davidson left early last week on the trip to Iowa. He will probably remain at the Grimmer home on the Davidson Iowa farm for a few weeks and if his condition continues to improve, will return to his home here as soon as physicians think it safe for him to make the trip.

## Hotel Ozona To Set Coffee Shop In New Location

Room Adjoining Lobby Being Refinished For New Cafe

Complete refinishing and renovation of the interior of the office quarters and game room adjoining the lobby on the north is being done this week at the Hotel Ozona preparatory to re-opening of the coffee shop in its original location.

The coffee shop was moved and combined with the dining room several years ago, the room being occupied since that time by Bruce Drake Commission Co., and used as a game room for guests.

The new location for the coffee shop is beautifully finished, with cream walls, white ceiling and light green stippled wainscoting. Indirect lighting will be used, with ceiling type fixtures. The counter and stools for the coffee shop will be moved into the new location and opened for business as soon as the refinishing work is completed.

Mr. and Mrs. Lloyd White and baby were here the end of the week from the Hoover ranch on the divide.

Mr. and Mrs. Wren Jackson, who ranch near Best, and Miss Effie Jones of San Angelo, were here over the week-end the guests of Mr. and Mrs. A. W. Jones. Mrs. Jackson and Miss Jones are sisters of Mr. Jones.

STRICKEN

Judge Chas. E. Davidson, County Judge of Crockett County since its organization save for one term, is reported steadily improving at the Davidson Farms in Winfield, Iowa, after a stroke of partial paralysis which struck him Tuesday in Kansas while enroute to Iowa by auto with Mrs. Davidson.

## Sonorans Trim Giants 4-3 In Practice Game

Station A Invaders Cop With 3 Hits Plus Errors, Walks

For the second straight game and the third time this season, the Sonora Station A team, leaders of the Concho Basin League, took the measure of the inflated chests of the Permian Basin league leaders on the home lot yesterday afternoon by a count of 4 to 3. Last week, in a mid-week practice game, the Sonora crew blanked the locals 4 to 0 in a ragged game at Sonora.

Bud Smith of the Station team, just a fair country pitcher, had the mighty Giants baffled during the seven innings he stayed. During the seven frames, Smith gave up but six safe hits, two of them scratches. Buchanan, left fielder and pitcher for the Giants, cracked one of Smith's high and wide ones on the nose for a home run high over the center field fence.

Charlie Bryan, former McCamey hurler and now working out with the Giants, started on the mound for the Giants and in six innings the Sonora hitters were able to touch him for but one safe hit. But four walks and two errors accounted for three runs in those six frames. Lefty Buchanan took up the hurling duty in the seventh and in that frame what proved the winning run crossed after an error, a bunt that went for a hit on a jug-headed play, and a sacrifice grounder. The visitors got their third hit of the ball game in the ninth, but the side was retired without the runner advancing beyond first.

The Giants scored two in the fourth when Dorley singled, Myers walked, Cox was out, pitcher to first, and Russell singled, scoring Dorley. Buchanan walked to fill the bags and Bryan was hit by a pitched ball, scoring Myers. Buchanan's home run in the seventh accounted for the locals' third score.

### SCHOOL HEAD VISITING

Mr. and Mrs. C. S. Denham left Sunday for Austin, where they planned to spend a few days before going on to Henderson, Texas, to spend a week visiting relatives. Mr. and Mrs. Denham plan to be in Dallas for the opening of the Centennial celebration after which they will go to Lubbock where both will enroll in the summer session at Texas Technological College for special work.

## Sister of Mrs. Jones Miller Dies At Home In Archer City, Texas

Mrs. John C. Cox, a sister of Mrs. Jones Miller of Ozona, died last Thursday at her home in Archer City, according to word received here by the family. Mrs. Cox was buried Friday, which would have been her 82nd birthday. A stroke of paralysis caused death.

Surviving are the husband, now 80 years old, one daughter, Mrs. M. Ray, five grandsons, three grand daughters, one sister, Mrs. Miller, and three brothers, Jim and Oliver Wills of near Snyder, and John Wills of near Killeen.

Mr. and Mrs. Miller had been to Archer City a week before Mrs. Cox's death but when returned to their home here when her condition improved.

## Giants In Temper For Invasion Of Iraan This Week

Nemesis Of Locals In Former Games Coming For Series

With their tempers fairly whetted from the beating administered by the Sonora team yesterday and still remembering the pasting they took at the hands of the Iraan nine here in a mid-week non-league game last week, the Ozons Giants will go "for blood" the coming week-end when their nemesis, the Iraan team, invades the local stronghold for a brace of league games.

Present plans call for the opening game Saturday afternoon and the second game of the series Sunday. Last Thursday afternoon, the Giants put up one of the poorest exhibitions of baseball they have given this season when eleven errors were chalked up to let the visitors win 5 to 1. That off their chests, the Giants invaded Texon last Sunday and buckled down to business to hold the strong Oilers scoreless and captured the fracas on Myers' home run. If history repeats itself, then the locals should be in fine fettle to smack down the Iraan invaders Saturday and Sunday.

Of the two games lost so far by the Giants in league combat this season, one went to Iraan, the other to Crane. At the finish of the season last year, when the Giants already had the second-half flag captured, the Iraan lads slipped over a fast one to take the final game of the season between the two teams.

## Gerald Williams Resigns Place As School Principal

Head Of Grade School To Become Principal At Sweetwater

The resignation of Gerald E. Williams, principal of the Ozona elementary grades school the past year, was presented and accepted by the school board during the past week.

Mr. Williams has accepted a position as principal of the John Reagan Junior High School at Sweetwater beginning next September. Mrs. Williams was speech arts instructor in the local school system.

Mr. Williams' resignation created the second vacancy in the local school faculty for the coming year. Miss Grace McMillan, Junior High School teacher, presented her resignation several weeks ago. Miss McMillan will spend the next year at her home in Mason, she said. The vacancies will be filled sometime during the summer. Supt. C. S. Denham announced.

J. H. Miller was a business visitor to San Angelo this week.

## Highway Crew To Put New Surface On East Paving

Highway 27 to Get Final Finish Coat To Sutton Line

A crushed rock and asphalt surface treatment will be applied to the fifteen-mile stretch of paving on Highway 27 from Ozona to the Sutton County line east by the maintenance division of the State Highway Department for this area.

The fine crushed rock for final course treatment has already been laid along the highway and the maintenance crew is now awaiting favorable weather for refinishing the surface of the pavement.

Contractors on the caliche base and hard surfacing job on the ten mile stretch of Highway 27 from Ozona west are expected to be in town with the caliche base work early next week, attaches of the contracting crew stated here this week. A five-mile stretch of the highway a few miles out from town is expected to be ready to start topping as soon as the weather gets a little warmer.

## Advertising Of Ozona Rodeo In July Launched

Fair Head Making Preparations For Record Crowds Here

The advertising campaign designed to bring thousands of visitors to Ozona for the ninth annual Crockett County Rodeo, Race Meet, Stock Show and Sale, July 2, 3 and 4, has been launched by officials of the fair association sponsoring the celebration.

Centennial year crowds that are expected to flock to Texas for its varied program of entertainment in celebration of one hundred years of freedom are expected to add to the usual overflow crowds that attend Ozona's annual entertainment event.

Wayne West, president of the association, is in south and east Texas this week looking over wild steers and outlaw horses with a view to purchasing fresh animals for this year's celebration. Dan Wills left yesterday for Midland to attend a race meet there and to distribute advertising literature for the Ozona show. Mr. Wills has a special advertising car, bearing placards of the local event, arranged for an extended tour of West Texas cities to acquaint the people with Ozona's plans.

The annual catalogue and program book of the celebration will be off the press soon and ready for distribution. Ozona residents are invited to get as many of these books as they desire to be mailed to friends elsewhere. There is no charge for the books.

## Cows On Highways, Owners Pay Fines

Opening a campaign of strict enforcement of the State law prohibiting cows or other livestock from running at large on highways, members of the State Highway patrol last Friday filed charges against two residents of the Ingram community.

Appearing in Justice Court on complaints charging they had permitted cows to run at large on a State highway, the two defendants were assessed fines of \$12 each.

Officers Wm. Hornung and Carlos Morris, assigned to patrol this district, issued a warning that in the future the owners of all livestock found violating provisions of the State highway law would be arrested and haled into court. —Kerrville Mountain Sun.

Mr. and Mrs. Watt Turner were San Angelo visitors Monday.

## SOAKING RAINS DRENCH RANCH AREA IN WEEK

Almost Daily Fall Increases Prospects For Prosperity

### COUNTY SOAKED

Slow Rains Put Deep Moisture In Soil On Ranges

Rain, the one essential of the West Texas livestock industry, has come in bountiful quantities the past five days to bring a definite end to emergency feeding and assuring a splendid seasoning for spring and summer grass and weeds.

All Crockett County has shared in the general rains that have brought new hopes of prosperity to the ranch section, in fact, to all Texas. Precipitation has ranged from two to a reported seven inches since the daily rains set in nearly a week ago.

Falling slowly over practically all of the territory, the bountiful supply of moisture has all soaked into the ground, with the rain falling hard enough to run drains in but few sections of the country.

Since last Friday, a little more than an inch and a half of rain has been recorded in Ozona, but the fall has been much heavier generally over the county. To the south of Ozona ranchers report totals of more than seven inches during the period.

The week of rainy weather has brought the total recorded precipitation in Ozona to seven inches for the year to date, according to records of the rain gauge at the Joe Oberkamp store.

According to this record, January brought 33 of an inch, February, 40; March, 1.6; April 1.11 inches in two rains; and May to date 3.56 inches.

### MAKER OF NEW WORM MEDICINE TO BE HERE

W. B. Holland, Ballinger rancher and breeder of registered livestock, will be in Ozona Friday and Saturday of this week to acquaint ranchmen of this section with the merits of "Gets 'Em," a new screw worm killer and fly repellent which he has developed and is marketing. "Gets 'Em" has been proven by extensive range tests to be one of the most effective of fly and worm medicines recently developed.

### FIREMAN INJURED

John Sharp, fireman on the Santa Fe railroad, suffered a crushed hand Monday when an engine and boxcar turned over in the yards at Barnhart. The engine was switching cars in the yard when a broken rail caused the accident.

## Wool Market Sets New High Peak In Frenzy Of Buying

33½ Cts for 12-Months And 32 for 8 Months Reported Paid

A new high peak price for West Texas wool was set yesterday in a frenzied flurry of buying over the area.

A good quantity of 12 months wool was reported sold during the day at the new high of 33½ cents. Eight months wool also set a new high of 32 cents on the ascending market.

Approximately 1,600,000 pounds of wool were sold in the day's activity, warehouses at Del Rio making the bulk of sales, with smaller quantities going from the San Angelo storage centers and individual sales of the area.

THURSDAY, MAY 28, 1936.

NO. 1 GETS NO. 1

The nation applauds the capture of its No. 1 outlaw by its No. 1 outlaw catcher. If there was any significance in the personal direction by J. Edgar Hoover of the capture of the man who has been sought the country over on charges of two famous kidnappings and the killing of a Missouri sheriff it was that he realized the importance of the quarry and the desirability of having no slips.

But Mr. Hoover did not dub Karpis Public Enemy No. 1. "Not to us," he said when he referred to that popular designation of the prisoner. It is all the day's work with the G. men. They realize the capture is important but they will go right on looking for other public enemies—Mahan, Campbell and others who have been linked to famous kidnaping cases.

Some critics have begun to harp at the well deserved publicity the G. men's success has brought them. Such an attitude probably is inevitable in a nation which quickly forgets victims and gives a maudlin sympathy to criminals. But the federal men have shown what real law enforcement is and it is a bit wholesome to have officers of the law instead of bandits and desperadoes made small-boy heroes. If we can keep on dramatizing law and order instead of banditry some of the incentive for youthful criminals will be lost.—Rochester (N.Y.) Democrat and Chronicle.

Mr. and Mrs. N. E. Rendall and two sons, Norman and Gordon, are visiting relatives in Brownsville this week.

Mrs. J. O. Lusby returned Tuesday from Merkel, where she has been visiting her parents, Mr. and Mrs. J. T. Dennis.

World's Apple Capital Celebrates 1936 Blooms

Wenatchee, Wash., which claims to be the apple capital of the world, celebrates the spring blooming of the apple trees elaborately. Here is Queen Jean II with the ladies of her court aboard the royal boat.

PENSIONERS OF 2000 A. D.

This is only 1936, but if history repeats itself there will be veterans of the World War still alive and drawing pensions in the year 2000.

Daniel F. Barkman, last survivor of the Revolutionary War, lived until April 2, 1869, or 86 years after the war ended. Hiram Cronk drew a pension as a veteran of the War of 1812 until his death on May 13, 1905, at the age of 105 years. Five soldiers of the Mexican War were still on the pension rolls 80 years after the close of that war.

In this connection it is interesting to note that two mothers of Civil War veterans were still drawing pensions up to four or five years ago. They were Samantha Button of West McHenry, Ill., and Samantha Farrer, a negro woman of Athens, Ala.

Although the Civil War ended in 1865, it is quite probable that a veteran or two who followed Grant may be alive and drawing a pension in 1950. Considering the vastly greater number of those who fought with Pershing in France, it is not unreasonable to suppose that some of them will still be in the land of the living in the year 2000. A youngster of 17, who enlisted in 1917, would be 100 years old then. And with the greater span of life which modern science is making possible there will doubtless be many to attain that age.—Kerrville Sun.

Dr. Sellers Moore left Sunday for Houston where he is attending the State Medical Association convention in session there this week. Dr. Moore was accompanied by Ben Lemmons.

Mrs. J. E. Boyd and daughter left Saturday for Comanche where they plan to spend a month or more visiting relatives.

Say "I saw it in the Stockman."

MRS. GARRISON IS HOSTESS TO G. A.

The G. A. met at the home of Mrs. I. V. Garrison Monday afternoon to take up a study of the "House Beautiful and the Margaret Fund."

The program opened with several G. A. songs, after which Mrs. Garrison told the story, "Three G. A.'s and the For-get-me-nots." Refreshments were served to Adele Keeton, Donita Stahl, Vera McCaleb, Rozelle Pharr, Mary Margaret Gordon, and Dorothy Nell Garrison. A missionary program will be held next Monday.

Mrs. Lowell Littleton and brother, Billy Hardberger, who has been visiting here the past few weeks, left the first of the week for Lubbock to attend graduation exercises of Texas Technological College. Miss Mary Janice Hardberger, sister of Mrs. Littleton, will receive her degree from Tech this spring.

Mrs. R. F. Powell, her son-in-law and daughter, Mr. and Mrs. Pink Beall, and Mr. Powell's mother, Mrs. J. F. Powell, returned Sunday after a week's visit with friends and relatives in Kempner and Gatesville.

An Arkansas man the other day was found to have married 16 wives. This sure is bringing the "16-to-one" principle right home.

Mrs. D. W. Russell, who has been visiting relatives in Ballinger, returned to her home here Tuesday. Mr. and Mrs. George Russell went to Ballinger to bring her home.

Rev. and Mrs. R. A. Taylor will leave Sunday afternoon for Dallas where Rev. Taylor will attend a meeting of the board of trustees of Southern Methodist University, of which he is a member.

Mrs. Douglas Kirby and small daughter have returned from San Antonio where they have been visiting Mrs. Kirby's parents, Mr. and Mrs. L. B. Adams, former Ozonians. Mr. Kirby went to San Antonio Saturday to bring his family back.

Miss Ethel Childress is in Dallas where she is a guest of Mr. and Mrs. Frederick Jester.

Mr. and Mrs. Massie West returned Tuesday from San Angelo where Mrs. West has been under the care of physicians the past week.

Say "I saw it in the Stockman."

Safeguard your eyes with our correctly fitted glasses. We use modern instruments and methods and have our own lens grinding plant.

### Annual Barbecue At Camp Allison Slated June 9-10

#### Dancing, Camping, Organizations Promised Visitors To Fete

SONORA, May 22—Just as regularly as election year rolls around there's a Camp Allison Barbecue, on the Llano river, scheduled.

"Daddy" of the affair, a 2-day one announced for June 9 and 10 this year, is Alfred Schwiening, Sutton county ranchman and Sonora city commissioner. He doesn't know just how long he's sponsored these "celebrations" but it has been so long that it can be truthfully said that "it's an old Stockman's Paradise custom."

Barbecued meat is served free the second day—June 10 this year. There's a platform dance each night and the second night it lasts . . . well, until the dancers cry "enough." Camping is allowed along the shady Llano and many come early the first day and camp for both days.

Governor Alfred, Joe G. Montague of Fort Stockton, district judge, and Coke Stevenson of Junction, speaker of the house of representatives, have been invited by Mr. Schwiening. Candidates for office are given time to "orate" and they take advantage of the throng that is always there to

mingling with their constituents and tell of their political ambitions. There'll be a big time on the Llano June 9 and 10 and Mr. Schwiening is busy telling—by word of mouth, by placards, by newspaper advertising—of the "celebration." He doesn't confine himself to Sutton county either. All towns of this section are being visited.

Everyone's invited and, if past "performances" are an indication, there will be quite a few "make" the Camp Allison Barbecue, on the Llano thirty-one miles east of Sonora, this year.

#### .. Palace Theatre ..

### Historic Military Detachment To Be Role Of Cavalrymen

FT. WORTH, May 26—With 90 midnight black horses and uniforms of the old Second Dragoons that founded Fort Worth, a detachment of the Second Cavalry will come here from Fort Riley for the opening of the Fort Worth FRONTIER Centennial July 1. They will remain throughout the Show.

These troops will play a role in the FRONTIER Show almost identical to that which their ancestor troop played on the Texas frontier.

A stockade nearly a block long and two blocks wide will be erected. Troops will pitch their tents inside the stockade. Musical drills will be given daily by the troops as a free attraction at the FRONTIER Centennial. Roman riding and mounted wrestling and other cavalry sports will be conducted for the entertainment of Centennial visitors to Fort Worth.

While here the officers and troops will wear colorful uniforms of midnight blue coats with brass buttons while the buglers will wear crimson jackets.

Mr. and Mrs. John R. Bailey will leave this week-end for Dallas to attend graduation exercises at Southern Methodist University, where their daughter, Miss Bernice Bailey, is receiving her degree.

#### [QUESTIONS THAT ARE ASKED ABOUT BANKING]

*"Why is public confidence so important to a bank?"*

THERE are two main reasons why public confidence is so important to a bank. In the first place people must have confidence in a bank before they will deposit their money. This means confidence in the honesty, integrity and ability of the bank officers, plus the belief that sound, efficient methods are used in its management. Secondly, public confidence is important because it gives the bank assurance of stable deposits. This, in turn, enables the bank to loan or invest its funds for reasonable periods. It is the revenue from these loans and investments which makes it possible for the bank to pay its operating costs, build up reserves and pay stockholders a fair return.

The officers of this bank have justifiable pride in the widespread public confidence it enjoys in this community.

Rubinoff Holds World Record for Broadcasting

Rubinoff and his violin—and Chevrolet—are a combination that few, if any, radio listeners in the United States have not received in their homes via the air. The famous violinist and his Stradivarius, stars of the Chevrolet Musical Moments program, have the distinction of going on the air from more broadcasting stations than any other program in the history of radio. Three hundred and seventy-eight stations broadcast Rubinoff three times a week, a total of 1134 fifteen-minute programs. That figures out at 283 hours, and if one week's programs were broadcast one after the other, day and night, it would require 11 days. The illustration shows Rubinoff, carrying his precious violin, posing with his car after a special appearance at Detroit.

Crockett Rancher To Sacramento Ram Sale

Mr. and Mrs. J. W. Owens left Friday for Sacramento, Calif., where they will attend the Sacramento ram sale this week. They went to San Angelo by auto where they took a train for California. Mr. Owens said that he will look over the rams offered in the Sacramento sale and may buy two or three head to add to his registered flocks on Crockett County range.

Dr. and Mrs. W. E. Wright returned to their home here last week after a two-weeks stay in San Antonio where Dr. Wright was attending federal court.

Mr. and Mrs. Jones Miller were in San Angelo on business yesterday. Mr. Miller planned to sell his clip of 8-months wool to buyers in San Angelo.

Mr. and Mrs. J. A. ... spent Tuesday in San Angelo business Mr. Brashear ... the W. E. Friend, Jr. ... of Ozona.

Nursery Rhymes And Fairy Tales To Be Told In Judge Roy Bean's Saloon As Part Of Centennial Entertainment

Historic Setting Of "Law West of Pecos" To Be Reproduced At Dallas Exposition

DALLAS, Texas, May 26—They are going to tell nursery rhymes and fairy tales in Roy Bean's saloon at the Texas Centennial which opens June 6.

Stories about the Spanish conquistadors, cattle ranchers, Indians Texas had men and more especially how Texas businessmen dropped out of the sky during an Indian battle and brought peace among the warriors, will be related there by story tellers of the National Folk Festival. The festival will present an eight-day program at the Exposition June 14-21.

For years Roy Bean was known throughout the length and breadth of the land as the "Law West of the Pecos." He was a supreme court by himself. He recognized no higher judicial authority.

He alternated between slinging rough drinks over the bar of the front room and dispensing stony justice in the rear room.

The Dean bar and court room at the Exposition will be an exact reproduction of the old saloon in the Pecos country. Its museum will show the judge's bar equipment and the empty beer keg and roughly hewn board that served as his judicial desk.

Ozona Highway Work Will Be Let June 2

Sutton county's road system, as far as state highways are concerned, was given another advancement this week with the announcement that bids would be received in Austin June 2 for ten miles of road work on the Ozona highway.

The construction work will begin at the point the work already under way starts and will come to the city limit. The advertisement for bids for the work calls for 9,928 miles, beginning at a point ten miles west of Sonora.

"Caliche base course and triple asphalt surface treatment" is called for in the specifications released here by E. E. Pittman, resident engineer whose office is in the courthouse.

The Old Spanish Trail, U. S. 290 through Sutton county will, when the new construction work is completed, be an excellent highway and as such should be a factor in bringing more people through Sonora in their travel across the United States.—Sonora News.

Adding machine paper at the Stockman office.

Control Mosquito To Stop Malaria

AUSTIN, May 26—A marked saving in human lives and improved health conditions may be obtained in large measure by an educational program for the control of the mosquito, suggests Dr. John W. Brown, State Health Officer.

"Malaria is transmitted to humans," he said, "by the bite of the Anopheles mosquito. This mosquito acquires the malaria parasites by biting a person who has these parasites in his blood. She (it is the female who transmits this disease) then bites a well person. The parasites enter the blood, grow, and multiply there. Poisons are formed and carried in the blood stream to all parts of the body. The person bitten by the carrier mosquito begins to shiver with chills, burn with fever, and to have a headache.

"Prevention of malaria should start with the protection of humans from the bite of the infected mosquito and continue through the elimination of the mosquito.

"The protection of humans may be accomplished by screening all houses to prevent the entrance of mosquitoes. A 16-mesh wire screen should be placed over all openings. Be sure that all chimney cracks and other openings are covered.

"The malaria mosquito breeds in still water and the pools and grassy edges of running water, as well as in many places where water is allowed to collect or stand. The female mosquito then lays her eggs on the surface of the water, where they float, and in a few days hatch into 'wiggle-tails.' These live in the water and in time turn into mosquitoes. These changes must take place in the water and require from 12 to 14 days in summer to complete the cycle.

"In order to prevent the malaria mosquito from breeding, destroy their shelters by removing all brush and weeds; and drain or otherwise control their breeding places in water by spraying the surface with oil or putting top-feeding minnows in waters where oil or drainage cannot be used.

"Consult your health officer or sanitarian about methods of control in your community."

Mr. and Mrs. Clay Adams will move into the Hillery Phillips house sometime next week to make their home through the summer.

Dr. and Mrs. W. A. Grandy, former practicing chiropractors here, were visiting friends the first of the week. Dr. and Mrs. Grandy are now located at Marfa.

Bride-To-Be Is Honored At Shower

Miss Helen Chapman, who is to become the bride of Bill Paul Foster of Sabinal here June 3, was honored with a miscellaneous shower given Saturday afternoon at the Hotel Ozona by Mrs. Max Schneemann, Mrs. Albert Kay, Mrs. Jimmie Blaylock and Mrs. Lowell Littleton.

Chosen colors of pink and green were emphasized with pink radianse roses. Program features included two vocal numbers by Mrs. Bascomb Cox, singing "I Love You Truly" and "Sweetest Story Ever Told." Miss Carolyn Montgomery read "Betty at the Ball Game" and an instrumental trio composed of Mrs. W. N. Hannah at the piano, Miss Ora Louise Cox, violin, and Miss Dorothy Hannah, cello, presented an appropriate selection.

Gifts for the bride-to-be, transported in a small wagon, were presented by Lillian Schneemann, dressed as a bride, and Joe Perry as a bridegroom. Pulling the wagon were three other children, Corinne Phillips, Rosalee Friend and Ann West. Many beautiful gifts of china, silver, glassware and linen were received by Miss Chapman. About forty guests were present.

The wedding will be solemnized June 3 at the home of the bride's sister, Mrs. Joe Oberkamp. Mr. Foster is principal of schools at Sabinal. He is employed by an oil company during the summer months and the couple will make their home in that city for the summer.

Texas Insurance Co. Representative Here

M. N. Harvey, representing the Great American Life Insurance Co., of San Antonio, has established temporary headquarters in Ozona at the Hotel Ozona soliciting new business for his company. Mr. Harvey is a direct representative of the home office of the Texas concern.

The Great American Life Insurance Company is one of the fastest growing companies in the state. Starting business on January 2, 1931, with assets of \$151,678, the company has grown until today its assets are \$1,647,072, a remarkable growth for a five-year period. It is rated among the first three Texas life insurance companies in the amount of new business gained, and in the amount of increase in capital and surplus. It now has nearly nineteen millions of insurance in force.

Mrs. John Bowers, assistant in the office of Dr. H. H. Tandy, is suffering from an attack of mumps which developed early this week. Mrs. Gertrude Perry is assisting in Dr. Tandy's office during Mrs. Bowers' illness.

BUY ON PROOF OF PERFORMANCE

Advertisement for Firestone tires. It features the slogan "for their Safety" in a large, stylized font. Below it, it says "THE New Firestone HIGH SPEED TIRE for 1936". To the right, there is a circular inset photograph showing a man and a woman, possibly a family, in a car. The overall design is clean and professional, typical of 1930s advertising.

AVOID accidents—take no chances—buy your tires on Proof of Performance. Make sure that you and your family will be safe! Skidding, blowouts and punctures caused more than 37,000 accidents last year. Many of these accidents could have been avoided with safe tires.

The new Firestone High Speed Tire for 1936 is the safest driving equipment you can buy. Here is your proof:

PROOF OF GREATEST NON-SKID SAFETY

A leading university made 2,350 tire tests and found that the new scientifically designed Firestone High Speed tread stops a car up to 25% quicker than other tires.

PROOF OF GREATEST BLOWOUT PROTECTION

Every year, since Firestone developed the Gum-Dipped Balloon tire, Firestone Tires have been on the winning cars in the gruelling blowout test of the Indianapolis 500-Mile Race.

PROOF OF GREATEST ECONOMY

Firestone engineers designed the new Firestone High Speed Tire for 1936 to give you up to 50% longer non-skid mileage. This is proved by our own test fleet records and the fact that the world's largest transportation companies, such as Greyhound, to whom safety and tire economy means business efficiency, use Firestone Tires. This is further proof that they are the safest, most economical tires ever built.

Why risk an accident when it costs so little to protect lives worth so much? Equip your car today with new Firestone High Speed Tires—the Masterpiece of Tire Construction.

Table titled 'HIGH SPEED TYPE' showing tire sizes and prices. The table lists various sizes from 4.50-21 to 7.50-17HD with corresponding prices ranging from \$8.60 to \$31.75.

Table titled 'FOR TRUCKS' showing tire sizes and prices. It lists sizes like 6.00-20, 7.50-20, and 30x5 Truck, with prices from \$18.85 to \$40.25.

THE New Firestone STANDARD

Designed and constructed by Firestone skilled tire engineers—a first quality tire built of all first grade materials, embodying the many exclusive Firestone patented construction features. Its exceptional quality and service at these low prices are made possible by large volume production in the world's most efficient tire factories. Made in all sizes for passenger cars, trucks and buses. Let us show you this new Firestone tire today.

A collection of small advertisements for various automotive products. It includes prices for different tire sizes (e.g., \$7.00, \$5.50, \$5.00), spark plugs (58c), auto supplies (Auto Polish, 50c), seat covers (79c up), batteries (\$6.25), and brake lining (\$3.30). There are also small images of the products being advertised.

Missionary Units  
Pursue Bible Study

Taking up a Bible study, the Nel-  
son and the Lottie Moon Circles of  
the Baptist Church met on Wed-  
nesday afternoon, with the Nelson  
Circle meeting with Mrs. Glyn  
Cates and the Lottie Moon Circle  
at the home of Mrs. Ross Culpepper.

In the Nelson Circle, Mrs. S. L.  
Butler taught the lesson. Present  
were Mrs. Cates, Mrs. Charlie  
Butler, Mrs. S. L. Butler, Mrs. O.  
W. Smith, Mrs. Jim Patrick, Mrs.  
J. T. Keeton and Mrs. Harris.  
In the Lottie Moon Circle, Mrs.  
Tip Smith taught the lesson and  
those present were Mrs. Hugh  
Gray, Mrs. Smith, Mrs. Leslie  
Nance, Mrs. L. Pharr, Mrs. R. F.  
Powell, Mrs. C. J. Watts, Mrs.  
Culpepper and Mrs. I. V. Garrison.

Both circles will meet next  
Tuesday at the church for an all  
day meeting in observance of the  
"Old Minister's Relief" program  
and Mrs. I. V. Garrison will teach  
the book, "Christ's Gift to the  
Church." A towel shower will also  
be given for the Memorial Hospi-  
tal in Houston.

Ethel—I understand that man  
Biltmore said he knew me when  
I was a little girl.

Albert—You misunderstood  
then. He said he knew you when  
he was a little boy.

Jacobo—It costs several hun-  
dred dollars to talk to Australia.  
Stoker—It ought to be worth it  
just to get hold of a line that isn't  
busy.

BAPTIST Y.W.A. IN  
STUDY MISSION WORK

The Y.W.A. of the Ozona Bap-  
tist Church met at the home of  
Mrs. A. C. Hoover Tuesday even-  
ing to take up a study of "Pion-  
eers of W.M.U. Work." Those pres-  
ent were Miss Joyce Garrison,  
Miss Eugenia Palmer, Miss Lou-  
ise Zenor, Miss Dorothy Thurman,  
Miss Dolly Cooke, Mrs. Glyn Cates  
and the hostess. The society will  
meet every second and fourth  
Tuesday nights of the month.

THIS WEEK IN  
TEXAS HISTORY

WEEK OF MAY 24

(By T. S. College for Women)

1841—On May 24 the Battle of  
Village Creek was fought about 20  
miles from Dallas. Sixty-nine  
Texas rangers won the fight against  
500 Indians.

1843—The Democratic National  
Convention on May 27 adopted an  
aggressive program for the annex-  
ation of Texas and the reoccup-  
ation of Oregon.

1865—Sabine Pass, Texas was  
evacuated by the Confederates on  
May 25.

1865—On May 29 President  
Andrew Johnson appointed An-  
drew J. Hamilton of Austin, a union  
man, as provisional governor of  
Texas.

1919—On May 24 Texas voted  
for adoption of the constitutional  
amendment prohibiting the manu-  
facture and sale of intoxicants,  
but voted against the proposed  
woman suffrage amendment pro-  
posed.

Mr. and Mrs. Alvin Harrell  
have returned from Fort Worth  
where they took their young son  
for medical attention and for a  
visit with relatives.

Miss Eugenia Palmer of Bange  
is here for a visit with Miss Joyce  
Garrison. Miss Palmer is a sister  
of Forrest and Bob Palmer, form-  
er Ozona residents.

Miss Catherine Chapman, who  
taught school the past year at La  
Pryor, has returned to her home  
here, for the summer vacation  
months.

Mr. and Mrs. Pleas Childress  
will return this week-end from  
San Antonio to spend the summer  
here.

PROMINENT MANUFACTUR-  
ER has been advised by two of  
his customers in this vicinity  
that it is necessary for him to  
take back his pianos, because of  
their inability to finish payments.  
Returning these pianos to the  
factory would be very expensive,  
so would like to sell for balance  
due, or store with reliable parties.  
Both pianos are practically new,  
only small amount due on each.  
Easy terms can be arranged. One  
is a baby grand, one a studio up-  
right, standard makes, 1936 mod-  
els. If interested in buying for  
small balance due, or storing,  
write Credit Adjuster, W. P.  
White, St. Angelus Hotel, San  
Angelo, Texas. 3tc

We're pleased to Announce  
the Appointment of Schuch  
Motor Co. of Ozona and San  
Angelo as an authorized dealer  
for Ozona and vicinity

LEND an attentive ear to the man who  
presents this card! He's our newest  
representative—another outstanding dealer  
who has qualified for a Buick franchise.  
He has four lines of cars to sell. Every  
one is a Buick. Every one is a buy.

Every one has performance, safety, com-  
fort, style—every one carries on the Buick  
tradition of quality without a compromise.

There is no better buy on the market today  
than a Buick—and here's a good place to  
buy one. You'll get the right kind of treat-  
ment from the beginning—the right kind of  
attention and service at prices that are fair.

When you're in the market for a new car,  
start your shopping here. One ride in a  
Buick may save you a lot of needless  
looking around. Drop in today to see the  
Buick Special, the Buick Century, the  
Buick Roadmaster and the Buick Limited.

NO OTHER CAR IN THE  
WORLD HAS ALL THESE FEATURES

- VALVE-IN-HEAD STRAIGHT-EIGHT ENGINE gives more power per unit of fuel than any other type of engine of equal displacement and compression.
- ALUMITE PISTONS, durable, long-lasting, 20% lighter, increase bearing life 15%.
- SEALED CHASSIS keeps dirt and water from all moving parts, protects from wear and erosion.
- KNEE-ACTION COMFORT AND SAFETY, the true gliding ride.
- TORQUE-TUBE DRIVE, for sturdier, more stable roadability.
- TIPTOE HYDRAULIC BRAKES, giving safe, straight-line stops under lightest pressure.
- LUXURIOUS "TURRET TOP" BODY BY FISHER, with No Draft Ventilation—the smartest, safest, strongest body built.
- AUTOMATIC STARTING, SPARK AND HEAT CONTROL, for convenience, efficiency, economy.
- BUILT-IN LUGGAGE COMPARTMENTS, with ample capacity for necessary luggage.
- FRONT-ENDDRIVE STABILIZER, for elimination of side-swing at speed or on curves.

YOU CAN AFFORD THE NEW BUICK  
\$765 to \$1945 are the list prices at Flint, Mich., sub-  
ject to change without notice. All Buick prices include  
safety glass throughout as standard equipment. Standard  
and special accessories groups extra.  
MONTHLY PAYMENTS TO FIT YOUR PURSE!

AN INVITATION

Dealer service is an important part of the purchase of a car. We invite  
you to visit this new Buick dealer's service department and see how  
well he is equipped to render any service promptly and thoroughly.

Announcing—  
Summer  
Closing Hours

Effective June 1, The Firms Below  
Will Close Each Day at  
... 5 p.m. ...

In order to permit employees to enjoy the freedom of longer free  
evenings during the summer months, the undersigned stores have agreed  
to close each afternoon at 5 o'clock—starting June 1 and continuing the  
balance of the summer.

This plan was placed in operation last summer and was found  
satisfactory. Our patrons co-operated with us in carrying out the sys-  
tem by shopping early and we hope they will do so again this summer.

Early closing does not mean that customers can not get what they  
need after hours. Customers will be served ANY TIME OF THE DAY or  
NIGHT. All that is necessary is a telephone call to managers or employes  
and your wants will be satisfied. But we ask that all make an effort to help  
up observe the 5 o'clock closing hour as nearly as possible and to make  
every effort to get what you need during regular business hours.

Joe Oberkampft  
Ozona Hardware Co.  
West Texas Lumber Co.

THE YEARS ROLL BY  
BUT WE SERVE ON---

We have enjoyed many years  
in the service of the people of  
this community. It has been  
our lot to rejoice or suffer  
with you in good times and  
bad and we believe we have  
proved ourselves of value in  
the community life through  
honest dealing, fair prices  
and sincere service.

Good times are already well  
on the way back. We are  
proud to say that we are en-  
joying improved business—  
our friends are showing us  
they appreciate our service  
and we intend to show them  
we appreciate their trade by  
serving them even better.

**Telescope Axle Sixteen Tons**

Barry Scobee in Alpine Avalanche:

A lot of heavy steel for the telescope mounting in McDonald Observatory on Mount Locke has been placed, including the sixteen-ton axle for the huge tube.

One casting of the axle alone weighed fourteen tons, and with it, not separated, were two other pieces adding two tons more.

Several Fort Davis citizens went "up the hill" Sunday to see the heavy pieces transferred to the dome. Three men, it was said in a joking way, took the sixteen-ton chunk to an upper floor—that is, they placed the grappling gear, and a truck was used to make the lift with block and tackle.

Say "I saw it in the Stockman."

**STOCKMEN MEET ON SCREW WORM PROBLEM TONITE**

A meeting of stockmen will be held at the Hotel Ozona at 8 o'clock tonight for the purpose of discussing the screw worm problem and its control.

The meeting has been called by a group of stockmen of the county to meet with W. B. Holland of Ballinger, creator and manufacturer of "Gets 'Em," a new preparation for killing screw worms and repelling flies. All stockmen are invited.

Rev. A. J. Carson, who has been here several weeks visiting his brother, Ira Carson and family, left this week for Burnet, where he will visit his mother.

**MYERS' HOMER-**

(Continued from Page 1)

the request of Manager Conley of the Oilers.

Crane stepped up in the league standing to second place by virtue of a double win over the lowly McCamey Refiners, undisputed holders of the bottom rung in Permian Basin play, over the week end. The Crane crew took the Refiners 11-0 Saturday and by virtue of two errors and two hit batsmen, eked out a 1-0 win again Sunday. The scheduled Iraan-Wink games at Iraan were cancelled on account of rain.

**West Texas Boy Scouts Open 5 Weeks Camp Sun.**

**Camp Louis Farr To Be Scene of Annual Outing For Boys**

CAMP LOUIS FARR, Mertzon—Fifteen men, not including the camp cook and his two helpers, will comprise the staff for the five-week Boy Scout encampment

of the Concho Valley Council, here starting this Sunday, May 31st.

The staff was named by Julius Johnson, Camping Chairman. A dietician and camp doctor are the most important additions to the staff this year. Camp doctor will be D. J. Sibley, Jr., third year medical student of the University of Texas at Galveston, a Ft. Stockton man. Dietician in charge of the mess hall is to be O. D. Wallace, San Angelo and formerly in charge of boys' camps at Weatherford, Texas, for four years and Ft. Worth Council Scout camp for three years.

Rust; address by Bill Intosh, San Antonio; Retreat benediction by Dr. K. P. Bar, San Angelo.

Mr. and Mrs. Clark Barton, San Antonio visited relatives last week.

**OZONA LODGE NO. 747 A. F. & A. M.**  
Regular meetings first Monday night in each month.  
Next Meeting June 1

**Choose your car for the things that count!**

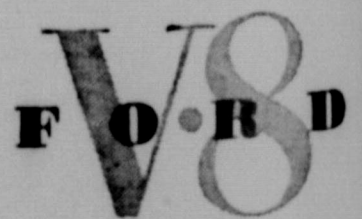

See first what a difference that V-8 Feeling makes

ALTHOUGH the Ford is one of the lowest-price cars, it is the only V-8 car below \$1645. That's why you can't really judge it till you drive it. Till you feel the smoother flow of its 85 horsepower—its swifter pick-up—its easier power up hills and at fast cruising speeds.

And you'll find other outstanding points in a Ford V-8. The riding comfort of a 123" springbase—almost a foot longer than wheelbase. Remarkable stability over rough roads and on turns. The complete security of a steel body, with safety glass all around, and big Ford Super-Safety brakes.

These explain why Ford owners feel so pleased—as they report gas mileage equal to less powerful cars—and no oil added between regular changes. Ford owners get extra benefits in performance—yet pay no extra for them. Choose your new car as Ford owners do—for the things that count.

Performance with Economy

Terms as low as \$25 a month, after down payment, under new UCC 12% a month plans. Prices \$510 and up. F.O.B. Detroit, including Safety Glass throughout in city body type. Standard accessory group extra. BUILT IN TEXAS BY TEXAS LABOR
