## Angelo Musicians Present Program For Local Group

### Music Club And Guests Charmed By Splendid Performance

Members of the Ozona Music Club and their invited guests enjoyed a splendid program presented here Wednesday afternoon by a group from the Philharmonic Society of San Angelo, returning on a visit and program by the local organization before the San Angelo society a few months ago.

The program was presented at the home of Mrs. Bascomb Cox and was followed by a tea. In the receiving line were Mrs. Cox, Mrs. L. B. Horton, president of Philharmonic, Mrs. H. B. Tandy, president of the Ozona Club, and Mrs. Strick Harvick, president-elect of the local group. Mrs. John R. Bailey greeted guests.

A group of piano numbers by Mrs. Robert Crowther opened the program presented by the visitors. In the group were "Rondeau" by Bach, "The Girl With The Flaxen Hair" by DeBussey, and "American Tango" by Carpenter.

Mrs. F. T. McIntyre, a former Ozona resident, next charmed her listeners with three vocal solo numbers, "Roadside Fire" and "Silent Moon" by Vaughan Williams, and "Night Wind" by Roland Farley. Mrs. Carter Dalton accompanied Mrs. McIntyre at the piano.

Another piano group by Mrs. Crowther included Chopin's "Nocturne" and "Ballade" by the same composer.

Mrs. M. R. Sanguinett was then heard in two vocal numbers, "Cry of Rachel" by Mary Turner Salter, and the Aria Musette's Waltz from Puccini's opera "La Boheme." Mrs. Dalton was again at the piano.

The occasion of the visit from the San Angeloans was chosen for the observance of guest day by the local club, and approximately thirty-five club members and their guests heard the well-balanced and splendidly produced musical program. In addition to (Continued On Last Page.)

## Registration Of Motor Vehicles Gets Slow Start

### Sprinkling of New Numbers Making Appearance Here

After ten days selling of the new 1938 motor vehicle license plates, a mere sprinkling of the new plates have made their appearance on local automobiles.

Business is picking up with one third of the selling month gone, according to reports from the office of Sheriff W. S. Willis, where the new licenses are issued. To yesterday afternoon a total of around 35 passenger plates, and about a dozen each of farm truck and commercial licenses had been issued.

There will be more than 800 licenses to be issued in the next twenty days, according to estimates by Claude Russell, deputy in charge of issuance. The new plates must be in place on all cars by April 1.

## Jurors For April Term Of District Court Summoned

Jurors for the April term of district court are being summoned this week by Sheriff W. S. Willis.

The court will convene Monday morning, April 4, with Judge Joe Montague on the bench. The grand jury panel is being summoned to report April 4, the opening day of court, while the petit jury is not required to report until Wednesday morning, April 6.

## TO LEAD REVIVAL

Rev. Clyde Childers, pastor of the Ozona Baptist Church will do the preaching at a ten-day revival meeting to start at the local church March 18, continuing thru March 27. Rev. J. E. Bagley of Charlotte, Texas, will direct song services.

## Baptist Revival Meeting To Open Here On March 18

### Rev. Clyde Childers, Pastor, To Preach During Meet

Rev. Clyde Childers, pastor, will preach twice daily during a scheduled ten-day revival meeting to open Friday, March 18, and continue through Sunday, March 27, it was announced this week.

The song services during the meeting will be directed by the Rev. J. E. Bagley of Charlotte, Texas, who will also assist the pastor in handling other activities scheduled for the revival period. Rev. Bagley comes highly recommended to the local congregation, Rev. Childers said. In addition to his ability as a leader of song services, he is a man of exceptional ability of leadership and is expected to be of great help in making the revival an outstanding event in the church life.

Services will be conducted twice daily, at 10:15 a. m. and 7:30 p. m., the pastor announced. Repairs on the church furnace, damaged recently when the basement was partly filled with water following a heavy rain, have been made and is now in working condition, it was announced.

## WHY, MISTER EPPLER!

### Veteran Ranch Foreman, Subject Of Article In Farm Paper, Receives Fan Letter From "Little Texas Girl Who Loves Cowboys"

Z. H. Eppler, veteran Crockett County ranch foreman, until recently foreman of the Henderson ranch in this county, and some of his cowboy friends were all agog recently upon receiving a "mash" letter from a girl who described herself as "just a little Texas girl who is very fond of cowboys and the good old West."

The fan letter was written after reading an account, written by one who signed himself "The Calico Kid", appearing in the Farm and Ranch, describing his visit with Mr. Eppler and cowboys of the Henderson 7N ranch on a trip thru this section. The "Calico Kid" told of his accidental meeting up with the 7N outfit when he went to a windmill near the highway to camp for the night and found the ranch crew sitting around their evening meal preparatory to bedding down for the night. He asked permission to camp near the water, the writer recounted, "but the foreman, a robust, typical rancher insisted that I spend the night with them."

"We talked for several hours before retiring," the article continued, "and I thought as I listened to those straight shooting, straight

## Large Group Of Local Baptists To Dist. Meeting

### Many Expected To Attend Convention In Pecos City

It is estimated that approximately twenty persons will represent the Ozona Baptist Church at the District 7 Baptist Sunday School, B. T. U. W. M. U. and Brotherhood convention to be held in Pecos City, Texas, next Monday, Tuesday and Wednesday, March 14, 15 and 16, it was announced this week by the Rev. Clyde Childers, pastor.

The convention session will open at 7 o'clock Monday evening. Daily programs will get under way the remaining two days at 9 o'clock each morning. Rev. W. M. Turner of Pecos is president of the convention.

Speakers on the three-day program include George J. Mason of Dallas, Thomas H. Taylor of Brownwood, Dr. R. C. Campbell of Dallas, Dr. T. C. Gardner of Dallas, G. S. Hopkins of Dallas, Rev. M. M. Fulmer of Alpine, Rev. L. E. Frazier of Monahans, and others. Music will be furnished by I. E. Reynolds of Seminary Hill, Texas, and the Hardin-Simmons quartet of Abilene.

## Texas Government Is Study Topic At Meet Ozona Woman's Club

The Ozona Woman's Club met Tuesday afternoon at the home of Mrs. Evert White, with Mrs. A. W. Jones assisting Mrs. White as hostess.

Mrs. Carl Colwick led a discussion of Byron C. Utech's treatise on the form and operation of the Texas government. Assisting in developing the program were Mrs. P. T. Robison and Mrs. J. W. Henderson.

Ann West and Daphne June Meinecke, pupils of Mrs. Jones, presented readings as the program entertainment feature. Present were Miss Elizabeth Fussell, Mrs. Colwick, Mrs. Will Baggett, Mrs. W. E. Smith, Mrs. A. C. Hoover, Mrs. George Montgomery, Mrs. J. W. Henderson, Mrs. P. T. Robison, Mrs. A. E. Deland, and the hostesses.

Kay Kirby, three-year-old daughter of Mr. and Mrs. Doug Kirby, is improved after being seriously ill several days this week.

## Impressive Record Made By Crockett County Lambs Under Care Of Bandera F.F.A. Club Boys; To Fort Worth Show

### Group Seeking More From Flocks Of Wayne West

That an exceptional type of sheep is raised on Crockett County ranches is attested by a group of F. F. A. club boys in Bandera, who seven months ago purchased 129 head of lambs from the Wayne West ranch in this county.

A remarkable gain made by the lambs under the care of the club boys and their record of show wins built up in the past few months was recounted in a letter received this week by Mr. West from Frank R. Anderwold, president of the F. F. A. at Bandera High School. Mr. West sold 120 lambs from his Rambouillet flock to Frank Mantague, Bandera banker and wool man, who in turn distributed them among the vocational agriculture students and F. F. A. members. About 100 head of the lambs are to be shown at the Fort Worth Fat Stock Show March 11, Anderwold said.

"I was just wondering if you had any more of those good lambs this year, the F. F. A. president wrote in a letter received several days ago by Mr. West. "Some of the boys did pretty well with the lambs that we got from you about seven months ago, or rather, Mr. Montague did."

"I bought five of the lambs for a major project in Voc. Ag. and still have them. My lambs have made an average gain of about fifty pounds, so has several of the other boys lambs. I have one lamb that has gained about 70 pounds and is as fat as a butter ball. He weighs about 150 pounds. Another boy has a lamb that weighs about 160 pounds and is a whopper. "So far I and one or two other boys have done pretty good in the show ring with our lambs. In our local F. F. A. Show I won 3rd and 4th places in singles and first place in the triple class. "We took in the Southwest Boys Fat Stock Show at San Antonio and I won 4th and 6th, and another Bandera boy won 3rd and 5th place in the single class. I won first place in the Triple Class and the other boy won Second place. This was four out of seven places in Singles and two out of five in Triples. Remember these were lambs that we got from you. "We are going to the Fort Worth Stock Show on the 11 of March and will have about 100 of the lambs that we got from you there. We will enter a carload lot of 50; a pen of 15; and will enter in the single classes.

"I would like very much for you to come to Fort Worth and see our lambs there, also that we may meet you personally because we have heard lots about you since we got the lambs. "Very truly yours, Frank R. Anderwold, President of F. F. A. at Bandera High.

## Former Ozonan Is Elected To Iowa Historical Group

Mrs. W. J. Grimmer, a former Ozona resident, now living in Winfield, Iowa, was among five persons recently elected to membership in the Iowa Historical Society by its curators, according to a story appearing in a recent issue of the Winfield Beacon.

Mrs. Grimmer is a daughter of Judge and Mrs. Charles E. Davidson of Ozona. "Active in several club and church groups in this vicinity, Mrs. Grimmer makes an extensive study of the history of this state and other states in this region," the Beacon account said. Others elected were a woman from Keokuk, Iowa, and a man and woman from Los Angeles, California, the newspaper account said.

Mr. and Mrs. Ira Carson are spending a few days in San Antonio this week, attending the Cattlemen's Convention.

## NO ARMS FOR HIM

Frank Littell of Mt. Vernon, Iowa, student at Union Theological Seminary, New York, who represented the National Council of Methodist Youth before the house naval committee on the United States naval building program, where he attacked President Roosevelt's request for increased military expenditures as "anti-social action" and said the young men he represented "will not bear arms" in event of war.

## Crockett Highway Up For Surfacing Work This Summer

Seal coat surfacing of fifteen miles of Crockett County highway, from Ozona fifteen miles north on the Barnhart highway, is to be completed this spring and summer, according to plans announced recently by the State Highway Department.

The Crockett County project was included in a list of surfacing projects over the state totalling 1,952 miles for which a fund of \$2,444,852 was set up by the department. Bases have been laid on all the sections, but surfacing awaits warm weather. The surfacing work in this area also includes a stretch of Highway 27 from the Pecos River to within 50 miles of Fort Stockton.

## Income Taxpayers Rush Reports For Tuesday Deadline

### Local Tax Bill On 1937 Incomes Said Largest In Decade

That moaning and groaning you hear coming from the neighbor's house is nothing more than the head of the household trying feverishly to work out that income tax report in time to get it in the mail to reach Dallas not later than next Tuesday, March 15, the deadline.

Local law firms, whose clients turn this phase of the business over to them for worrying thru, have been deep in the mire of "surtax," "earned income," "exemptions," etc. for the past several weeks, and are now awaiting the last-minute taxpayers who will work up a lather to get the reports out before the deadline.

These law firms report that Crockett County taxpayers are paying more income taxes on 1937 incomes than in any previous year in the past decade. Good prices for livestock, wool and mohair, low feed, reduced interest, low death losses and a general "good year" for the sheep man accounts for the sharp hike in revenue to be realized by the government from this county.

Mrs. B. B. Ingham is in Fort Worth this week where she underwent an operation on her nose several days ago.

## NEW ACTIVITY IN DRILLING HOOVER AREA

### Two New Tests Staked This Week; Drilling Starts Soon

#### POWELL PRODUCER

### Armer & Black 4B Powell Well Pumps 746 Barrels Daily

With two new locations for wild cat tests on the A. C. Hoover ranch staked during the past week, and completion of M. B. Armer and F. B. Black's No. 1 Hoover will be 364 feet from the north, 330 feet from the east line of a 240-acre lease in section 5-1-GC&SF. It will be started by April 1, it was announced, and will be drilled with cable tools to approximately 2,050 feet.

The Henderson test will be less than one mile west and slightly north of the Stewart & Cormas No. 1 Hoover, a small producer which last week cemented casing that was damaged by a second shot. The well pumped 35 barrels of oil daily after the first shot, with total depth at 1,931 feet.

W. L. Bradley and others plan to start their test today, it was reported. It will be 330 feet out of the southwest corner of the northeast quarter of section 1-1-GC&SF, and will be drilled with cable tools to a depth of approximately 2,000 feet. It will be about two miles south and slightly west of the Henderson test.

Armer & Black's 4-B Powell pumped 746 barrels of pipe line oil in 24 hours after having been shot with 30 quarts of nitroglycerin. It topped the pay at 2,619.5 feet and ran 2 1/2 inch tubing to the bottom. It is 2,310 feet from the north and 410 feet from the west line of the lease, which was purchased from Humble.

With available storage filled from swabbing and bailing, the J. N. Simpson well, abandoned by Magnolia in 1930 and deepened and reconditioned by Simpson, was shut down. The bailing and swabbing failed to lower the column of oil below 1200 feet. It is bottomed at 2,064 feet.

## Missionary Groups Hold Bible Study

Both circles of the Baptist Woman's Missionary Society held Bible study programs in meetings this week. The Nelson circle met at the home of Mrs. J. S. Whately, with Mrs. Ray Dunlap as program leader.

Present were Mrs. Leslie Nance, Mrs. J. T. Keeton, Mrs. Ray Dunlap, Mrs. Hugh Gray, Mrs. J. T. Patrick, and Mrs. Whately.

The Lottie Moon Circle met at the home of Mrs. W. A. Adams, who also led the day's program. Others present were Mrs. S. L. Butler, Mrs. A. C. Hoover, Miss Maybelle Taylor, Mrs. Will Miller, Mrs. O. W. Smith, and Mrs. Chester Schwalbe.

## DAUGHTER TO FOWLERS

Mr. and Mrs. Sam Fowler of Junction are the parents of a daughter born here yesterday afternoon. Mrs. Fowler is the former Miss Margaret Ella Drake, daughter of Mrs. Bruce Drake. The baby has been named Fontaine Fowler.

## BOY TO POTEETS

Mr. and Mrs. Ernest Poteet are the parents of a 7 1/2 pound boy born here Monday. The lad has been named Louis Stanley Poteet.

THURSDAY, MARCH 10, 1938

**THE TELEPHONE'S BIRTHDAY**

"Mr. Watson, come here, I want you!" Encrusted with the crackle of static, that sentence — spoken by Alexander Graham Bell — went over the first telephone wires just 62 years ago this week. That call to Mr. Watson, growing with a rabbit-like rapidity, has developed into a family of more than 100 billion "bellies" annually.

In March, 1876, Mr. Watson's message traveled little more than twenty feet. Today, whether a Mr. Watson is in Pago Pago or on a ship at sea, he still is within range of the telephone bell's familiar tinkle.

The satisfying nearness of that "jingle" has meant safety for those in danger, help for those sick or in need, and companionship for the lonely.

And yet, in one sense, the telephone has failed, for young Bell's dream of a world brought closer together by his contact-making invention is still just a dream.

"Give me Siam!" is a command easily answered by today's telephone. "Give us Peace!" is still waiting on the wire.

**ROLLING HOME!**

America's ship of state has veered sharply toward the home port.

Having nosed its prow into European waters, during the brief spell following President Roosevelt's celebrated Chicago address, this first week of March finds that ship reversing its course.

No particularly eagle-eyed lookout was needed to cry out the warning of "Stormy weather ahead!" last week.

Those storm clouds loomed clearly when Great Britain, one of the world's great democracies, appeared to buckle under the sledgehammer thrusts of militant Continental powers and pleaded, in effect, "All right boys. Have it your way then. Name your demands!"

In Great Britain's weary acquiescence lay the death-knell, for the time being, of our close cooperation or informal joint action with that nation. For her, fantastically enough, England was proceeding to give ear to the very countries which America's leading statesmen have described in no mincing words as gangsters, desperadoes, and pirates. Little wonder America veers increasingly toward her former isolation!

But there is a solid core of wisdom in that policy. It has never been more tellingly set forth than in these words: "Why quit our own stand upon foreign ground? Why, by interweaving our destiny with that of any part of Europe, entangle our peace and prosperity in the toils of European ambition, rivalry, interests, humor or caprice?"

This declaration was uttered in 1799 by our first president. Dated? Hardly. America's ship of state sets its course along that route today.

**AN EDITOR'S DILEMMA**

North Carolina's libel laws seem reasonable enough as it is said that a newspaper may clear itself of liability if it retracts offending statements within a reasonable time. But it appears that in a case which has recently arisen a retraction would only make matters worse.

Commenting on the candidacy of Grist for the United States, the Greensboro gentlemen would say "the dog-catcher." A retraction of

the statement, which was highly offensive to him.

The editor seems willing to do the right thing, but points out that retracting would imply that the gentleman would not make an elegant dog-catcher; in other words, was not fit to be a dog-catcher. And the News admits that "there is nothing whatever in the public record of this distinguished citizen that would warrant such a conclusion."

So, at last report the News was standing by its original statement, refusing to retract, and declaring "it will stand a law-suit first."

**AMERICA GOES TO SCHOOL**

"You can't teach an old dog new tricks!" That grey-bearded phrase is turning out to be just another "once upon a time" saying. Backed by the approval of modern educators, thousands of Americans are re-opening their books in the determination to keep pace with the modern kaleidoscope.

America is going to school! During 1938, at least 33 million Americans—more than one fourth of the entire population—will settle down on seats and benches to study their lessons. That the bulk of this army is involved with the three R's in grade and high school is not so significant as that over 1,250,000 are enrolled in universities, and nearly eight million are older students attending professional, trade, and night schools.

It's never too late to master a new skill, a new language, a new way of doing things, or a new trade. It's never too late to keep up with the changing course of modern events. In fact, with old dogs learning new tricks, it's never too late to learn.

**FIVE PER CENT**

(From Washington Daily News)  
Secretary Morgenthau announces that last year 2,888,890 American citizens paid Federal taxes on their 1936 incomes.

That is \$21,254 more than the number who in 1936 paid taxes on their 1935 incomes.

It is, in fact the largest number of Federal income-tax payers the country has boasted since 4,489,698 taxable returns were filed on 1924 incomes.

Shortly after taxes were paid on 1924 incomes, Congress increased exemptions to \$1,500 for single persons and \$3,500 for married couples. The number of taxpayers dropped to about 2,500,000 — and remained almost stationary thru the prosperous late 20's. Then came the depression and with those liberal exemptions the number of Federal income-tax payers fell to about 1,500,000 in 1931. Whereupon Congress reinstated the old 1924 exemptions — \$1,000 for single persons and \$2,500 for married couples — and since then the number of taxpayers has increased.

Assuming that last year's high total of returns included the usual ratio of joint returns for husband and wife, the 2,888,890 returns represented the income-tax payments of approximately 3,600,000 adults — in a country where more than 75,000,000 adults live. Thus Federal income taxes are paid by less than 5 per cent of Americans of voting age.

With 95 per cent of American voters exempt from the only type of Federal tax which is direct and visible and proportioned to ability

**GOOD BYE, BARREL!**

to pay it, it is small wonder that demands to spend more and more Government money meet with such little popular resistance.

**TAXES MADE HIM QUIT**

"I am quitting because I am sick and tired of taxes." Those are the words of Maxwell H. Nowak of Chicago, who spent 35 years in building up a livestock feed concern with 64 warehouses in 28 states and doing an annual business of \$1,500,000.

In a statement to international News Service, Mr. Nowak declared that he was obliged to pay about 50 different kinds of taxes, and that the salaries of clerks, auditors and lawyers merely to keep his tax reports straight amounted to more than \$7,000 last year.

Although the volume of business done seemed large, he said there was little profit, as the tax collectors took the major portion of what might have been a return for his investment and the worry of trying to keep going. So he decided to quit.

Every business man, big or little, can appreciate how Mr. Nowak feels about all this. Not only are the taxes themselves an almost unbearable burden, but the endless bookkeeping, making of reports, and satisfying all the official boards, commissions, agents and inspectors are enough to drive one crazy, even if he were fortunate enough to make a little profit.

**SPEEDIEST THINGS**

Some interesting observations on speed are made in a bulletin of the National Geographic Society, which names an insect, the deer bot fly, as the fastest moving thing in the world, flying at the rate of about 1,200 feet per second, as timed with a camera shutter.

As sound travels only about 1,100 feet per second, the bot fly traveling at full speed would be going too fast to hear the buzz of its own wings — theoretically, at

on foot.

**WE ALL NEED IT**

Ted Cook, the columnist quotes an advertisement from the Moving Picture Monthly, published in Bombay, India, which describes what is purported to be a most wonderful discovery for the improvement of the memory and all functions of the human brain.

It is priced very reasonably, too, being offered for the equivalent of about \$4.50 in American money. If it will do what is claimed for it, everyone should be a potential customer, for most of us need the very thing it is supposed to do for us. The advertisement reads:

"Nectar for the brain workers. Memory improver. It removes weakness of the brain totally, destroys forgetfulness and sharpens the memory wonderfully. The users of the Memory Improver successfully pass the hardest examinations of which they can have no idea of ever passing them during their life time. Thousands of students, barristers, vakils, stage and film actors, etc., since long, have been benefited by it, you may also benefit yourself, if prudent and wise enough. It improves the wisdom miraculously at once, and destroys stupidity altogether totally. It is effective and useful in every season and climate equally to males, females, young and old. Price one box containing 30 doses tasteful powder for internal use and a fragrant liquid smelling only (complete course). Rupees 15. Dr. B. L. Kashyap, Shahjahanpur."

Muggins Davidson, small daughter of Mr. and Mrs. Charles E. Davidson, Jr., has been returned to her home here after being ill

for several days in a San Angelo hospital.

Mrs. George Bean has been ill at her home here this week.

Charlie McCarthy has a new job—ambassador at large for the 1939 Golden Gate International Exposition, on Treasure Island in San Francisco Bay. Here Edgar Bergen is handing Charlie his ambassador's commission and the NBC star seems pleased, to say the least.

### Practical Cookery

Dept. Home of Economics  
Texas State College for Women

Denton, March 9—Anxious mothers and vitamin complexed cooks the world over appreciate eggs as body builders No. 1, for palatable eggs contain all the materials needed to make husbands, infants and adolescents thrive alike.

Used alone, for thickening custards, leavening breads and cakes, coating croquettes, binding meat loaves, and for color and flavor in many foods, Humpty Dumpty is essential in anybody's diet.

#### Eggs Cooked in Shell

Start in cold water to cover. Heat gradually to simmering, but do not boil. For soft cooked eggs: remove from heat and let stand until eggs are of desired state of doneness. The time required for each degree of doneness must be determined by experimenting, giving due consideration to the number of eggs cooked at a time, size and shape of pan, and amount of water. For hard cooked eggs: as soon as the water simmers, place the container in a warm place on the stove or over hot water for thirty minutes.

#### Poached Eggs

Break eggs into boiling water in a shallow pan, but have enough water to cover eggs. Remove pan from heat at once and cover. Let stand five minutes or longer, depending upon the desired degree of doneness. Remove eggs carefully with a flat, perforated spoon.

#### Fried Eggs

Break eggs into hot bacon drippings or other fat in frying pan. Cook over low heat. To cook over top, dip up fat with spoon and pour over eggs until a coating forms over yolks or pour in two or three tablespoons of water and cover pan to let steam form coating over yolks. Remove from pan with pancake turner.

#### Baked Eggs

Break eggs into individual greased ramikims. Dot with butter and sprinkle with salt and pepper. Place dishes in shallow pan of water. Bake in moderate oven (350 F.) until whites are set. Slip eggs out onto toast.

**Scrambled Eggs With Dried Beef**  
(Six servings.) Melt two tablespoons butter or bacon drippings in frying pan. Stir in one cup chopped dried beef and cook until light brown. Add one cup tomatoes, four eggs (beaten), one fourth teaspoon mustard, and one fourth teaspoon pepper. Stir constantly and cook over low heat until slightly thickened. Serve on toast.

#### Creole Eggs

(Six servings.) Melt four tablespoons fat in large frying pan. Add one cup chopped tomatoes, one fourth cup finely onion, and two tablespoons finely chopped green pepper. Cook over low heat until vegetables are tender. Stir in six eggs (well beaten), one tablespoon salt, and one tablespoon chili powder. Stir constantly and continue to cook until mixture is creamy. Serve on toast.

Ross Hufstelder is among those on this week's sick list.

Joe Harrison of Kitchener, Ont., Can., claims the world's nonstop chair rocking championship. Recently he rocked continuously for 55 hours and 15 seconds.

## "Papoose Plane" for Air Mail Service

Photographed from an accompanying airplane is the Mayo composite plane during a trial flight near Rochester, England. This radical departure in aeronautics comprises two planes, the Maia, or mother plane, and the Mercury, the smaller ship which rides the mother's back like an Indian papoose. In service the Mercury will be loaded with mail and carried far out over the Atlantic by the Maia, whence it will be released to continue its flight to the United States.

### Know Texas

News Bureau  
Texas State College for Women

#### Health Guardians

Denton, March 9—A peck of apples a day could not keep all Texas doctors away, because there are 6700 of them in the state, according to the 1936 census. At that time there were 296 hospitals, which boasted a total of 21,470 beds and 319,240 patients, not to mention about 1500 bassinets. Since the average number of hospitals per state is about 130, Texas is well above its quota.

#### Youngsters Ahead

Texans between the ages of 35 and 44 should be able to get what they want these days, if there is any truth in the "strength in numbers" policy. There are 787,000 in that age group, with the five-tonne year class ranking second. Those under five form the next in row, with 640,000, and those from 15 to 19 years of age include almost the same number, 638,000.

#### Tax Figures

Sixteen Texas counties have a tax rate of over \$1.50, the others running down the scale to \$0.25, which is the rate in Roberts and Ector counties. Dallas County has the highest assessed tax valuation in the state, \$273,742,923, being followed by Harris, Bexar, Tarrant, Jefferson and Gregg counties, all above the hundred million mark.

### Clean-Up, Paint-Up Week April 3 To 10 Proclaimed in Texas

Austin, March 9—Proclaimed in Austin this week was April 3 to 10 as State Clean-Up and Paint-Up Week by Governor James V. Allred.

The Texas State Department of Health and the Fire Insurance Department will jointly sponsor this week in Texas.

Dr. Geo. W. Cox, State Health Officer, states that the accumulation of winter's debris represents a distinct menace to the health of adults and particularly little children, and urges everyone to clean up their homes and yards during this week.

"It is not only good housekeeping but ordinary sanitary principles indicate the necessity of prompt removal of all waste matter in and around the neighborhood of yards and homes, and the definite lessening of the spread of diseases, especially those affecting infants, is vitally connected with this procedure," state Dr. Cox.

"Texas is annually being host to more and more tourists, and we

want Texas to appear at its best for the approval of these visitors. If all property holders will repair and paint their buildings, and replace weeds with flowers and shrubs, we can make Texas the beautiful place Nature intended it to be."

Sanitation of the individual home is a splendid protection against communicable diseases.

Flies help spread typhoid fever, dysentery, diarrhea, tuberculosis, anthrax, and cholera. They breed, live, and feed in filth. To prevent their increase all refuse should be disposed of at once, garbage kept in covered containers, privies made sanitary, and houses screened. Every neighborhood raises its own flies, so that their number is an index to the sanitary conditions.

Mosquitoes are responsible for the spread of malaria, dengue, and yellow fever. Malaria is spread by the bite of the Anopheles or malaria mosquito. Dengue fever and yellow fever are transmitted by the Aedes Aegypti or Tiger mosquito.

### Political Announcements

The Stockman is authorized to announce the following candidates for offices listed, subject to action of the Democratic primary in July.

- For County Commissioner Precinct No. 1  
ROB MILLER (Re-election)
- For Commissioner Prec. 2  
CHAS. S. BLACK (Re-election)
- For Commissioner, Prec. 3  
J. W. OWENS (Re-election)
- For Commissioner, Prec. 4  
E. R. KINSER (Re-election)
- For Sheriff, Assessor and Collector of Taxes  
W. S. WILLIS (Re-election)
- For County Treasurer:  
TOM CASBEER (Re-Election)
- For County and District Clerk  
GEORGE RUSSELL (Reelection)
- For Representative, 86th District  
MARVIN E. BLACKBURN, Jr.  
Junction
- C. H. GILMER, Rocksprings
- For Justice of the Peace, Prec. 1  
BILL JOHNIGAN

### SLOT MACHINE FOE

Mrs. Dan Kite, of Alton, Ill., who is reported to have smashed 13 slot machines in ten taverns with an axe and her strong right arm. Because of the Illinois attorney general's ruling that there are no property rights in gambling devices, no charges were placed against her.

Mr. and Mrs. Tom Owens and daughter, Lottie Jo Owens, and Joy Coates spent the week-end in San Angelo visiting the stock show.

Dr. H. B. Tandy returned Friday from Abilene, where he was taken for hospital attention after he became ill here last week.

Mrs. Ele Hagelstein, who has been ill several days, suffering from severe cold and flu, is reported improving. She is at the home of her parents, Mr. and Mrs. Hugh Childress.

Mrs. Joe T. Davidson is able to be up after being ill for several days.

### DON'T FILL YOUR FOUNTAIN PEN

UNTIL YOU SEE THE TERRY Penfiller  
The amazing inkwell that fills fountain pens Automatically

Once you've seen the amazing ease, speed and cleanliness with which the Terry Penfiller fills your fountain pen, you'll never go back to the inefficient, hunt-the-bottle, pull-the-cork, ink-your-fingers method.

Not a smudge of ink anywhere, not a moment lost when your thoughts are flowing freely. Just reach out, press the pen point into Penfiller... and go on writing. You've never seen anything like it. The Terry Penfiller fills your fountain cleanly, instantly and automatically. And what it does in the way of cutting down pen repair bills and saving ink means you are losing money without it. Come in and demonstrate the Penfiller yourself.

THE LION'S ROAR

Published Weekly by the Student Body of Ozona High School

Vol. 2

OZONA, TEXAS, THURSDAY, MARCH 10, 1938

NO. 31

THE STAFF
Editor-in-Chief - Jeff Fussell
Ass't. Editor - Ora Louise Cox
Reporters: Doris Bunker, Crystelle Carson, Dorothy Hannah, Miles Pierce, W. B. Robertson, Billy Jo West, Jean Drake, Howard Lemmons, Adelia Willis, Mary Alyce Smith, Lois Jones, Betty Lou Coates, Walter Escue, Posey Baggett.
Typist - Frances West

TROPHIES

In 1936 the Seniors presented to O. H. S. as their parting gift, a trophy case, for cups won at tournaments. For a number of years Seniors have continued this practice, usually using the proceeds from the Senior play to pay for the gift.

The trophy case, presented by the 1936 Seniors was placed in the hall, and cups won by O. H. S. were placed in it. Most of the cups are for basketball, but there is the Lion's Roar cup for 1935, won by the Sophomores in a contest between the four high school grades and there is a cup won by Louise Gideon and Helen Adams in 1933 in district typing.

This case is like something remembered from other days. It recalls to the mind battles by those who represented O. H. S. and of how they fought and won. Often when we think of the various games we remember the "square" sportsmen and think of our coach, who certainly always puts sportsmanship ahead of the trophy and who doubtless has lost the better score in the game because he refused to enlist underhanded methods.

I hope none of the trophies which we will win in the future will be in the least way tainted with unfairness and will lack the regard for the other fellow.

TENNIS TRAINING FOR GIRLS BEGUN

A large number of the Ozona High School girls have entered the Spring tennis match, which was organized by Mr. Nelson. This training, it is thought, will be very beneficial to those who are interested and wish to take part. Each person must have a partner for these matches which will be in doubles, only. A chart was made and as the pupils signed up, their names were added to the chart. Each of the partners are permitted to challenge the couple just above him, or two places above him. If a team wins the set, it gets the place of the losers. The standing of the teams are as follows: Eloise Carson-Billie Jo West, Doris Bunker-Mary Frances West.

Billie Gene Linthicum - Lela Mae Phillips, Catherine Childress-Mary Margaret Harris, Jayme Chapman - Christie Currie, Oleta Casbeer - Maudie Mae Couch, Mildred North-Margaret Martin, Jean Kinser-Sybil Luther, Dorothy Hannah - Bette Lou Coates, Louise Casbeer - Jennie V. Schwalbe, Jean Drake-Mary Bess Parker, Crystelle Carson-Mary L. Harvick, Posey Baggett - Mary Alyce Smith, Noma Miller-Johnnie Boyd.

OZONA TYPIST ON TOP AGAIN

Sonora came to Ozona on March 2, for the third weekly practice meet. Ora Louise Cox won first place with 52 words per minute, Adelia Willis second place with 44 words per minute, and Mary Frances West third place with 36 words per minute. Fifth place was won by Mickey Couch with 33 words per minute, and seventh place by Laura Graves with 27 words per minute.

The team's score for the contest was 20 points higher than any of the previous records. The five highest ranking pupils of this week will go to Sonora for the fourth meet on Friday.

Winner Of Junior High Basketball Awarded Trophy

Captain Hokit And Team Crash Thru With Victory

When the Junior High School basketball tournament came to a close fans found Captain Floyd Hokit and his team on top, with Bill Carson and his team running a close second. The other two teams were led by L. B. Cox and Billy Hannah, these teams ranking third and fourth respectively. The winning team consisted of the following players: Capt. Floyd Hokit, Stanley Lemmons, Wayne Babb, Leslie Nance, Wayne West, Gene Tyler, Charles McDonald and Yancy Williams. On the second team there were Capt. Bill Carson, Roy Coates, Leonard Armstrong, Mervin McLaughlin, Lorain Wyatt, Berl Sparks, Jim Ad Harvick, and Muto Williams. The third team was made up of Capt. L. B. Cox, Byron Williams, Jake Hoover, Bland Tandy, Jack Brown, Marvin Porter, John Fletcher, and Dick Henderson. The fourth team consisted of Tom Ed Montgomery, Lloyd Coates, Henry Patrick, Eddie Cooke, Basil Dunlap, James Stagg, and Dim Patrick.

TENNIS CLUB STARTS LADDER TOURNAMENT

The latest development in tennis in this high school is the "Ladder Tournament" conducted by Mr. Nelson. In this tournament, which is for boys' and girls' doubles, there are several different teams. Each team consists of two players. A team may challenge only the team directly above it. If it defeats this team, it may move up into the position occupied by the other team. In this way it is possible for the best team to go to the top and stay there until another team defeats it. At the top of the boys' "ladder" is the team of Montgomery and M. Lemmons. There are several good teams who could easily gain the top spot if they would try a little harder. There is no definite end to the tournament. Mr. Nelson hopes to take some players to Fort Stockton to compete in the district meet.

BULLETIN BOARD EXTRACTS

Wanted: A large door for the Economic students when they start out of the room after class. As it is, only three or four can get out at once.

Wanted: More plates at the next Press Club banquet. If available, see Dorothy and P. C. for an award.

Help Wanted: More boys than girls in O. H. S. Steady work for the right boys. Experience needed. Hard work.

Laurine wants a Ford V-8 with a "K14 353" license plate. Can anyone help her?

Help Wanted: More typists like Ora Louise. Hard work.

Wanted: The tennis courts cemented.

Wanted: More holidays. Wanted: Billie Gene to start a "Big Apple" class. Most of us need it.

Welton wants alimony from his "wife."

Help Wanted: More "runts" like Carl to play football. A lot of spinach necessary.

Lost: A door to Mr. Nelson's garage. Any information will be appreciated.

Wanted: A footstool for Barrel in English class.

Lost: Eloise's heart. Anyone who can secure information from T. M. I. will receive a large reward.

Pep Squad Plans New Uniforms

On March 2, the pep squad for 1938-39 met in the history room to decide on the uniforms for the coming football season. It was decided and voted upon to have purple satin blouses, gold skirts, gold kerchiefs, white girl scout shoes, and purple socks. The girls hope to have their suits for the first game of next season.

Teachers Take Advantage Of Holidays

When some people are granted holidays, they do not know how to take care of them to fullest possible advantage. But hold on a minute! I wasn't referring to our Ozona school teachers. Be careful and don't give them holidays unless you want them to take advantage of it.

Mr. and Mrs. Denham visited Mr. Denham's parents in Lubbock, Texas, on Friday of last week. Mr. Denham visited some of the Lubbock high schools which were in regular session.

Miss Norene Allison visited John (don't be alarmed; she's a sister) in Sonora, Texas.

Miss Mildred North, Bess Terry and Margaret Martin tried the Southernly breezes and sun-rays in San Antonio, Texas.

Mr. and Mrs. Ted White took a look at their sheep in Grand Falls, Texas.

Miss Dimmer visited in Austin, Texas.

Miss Dawes visited relatives in San Antonio, Texas.

Mr. Hollon and Mr. McCulley visited in Brownwood, Texas.

Coach Calls For Track Men

Last Monday evening Coach White issued a call for track and spring football men. He has been awarded only to a certain extent. Most of the boys of the seventh grade in junior high school are reporting, but some boys in the high school who should be reporting have not yet done so.

Coach White hopes to place men in some of the events at the Iraan and Barnhart meets, besides conducting a meet for boys of the high school only. If you intend to play football next year, you should report for spring training now. It is a well known fact that it takes more than a few weeks work in September to build a winning football club.

Spanish Notebooks Give Added Ideas To Students

The pupils of the Spanish I class are now thinking of some colorful and picturesque ideas of Spanish notebooks which are to be started within the next week.

There were some very good ones made last year by numerous members of the class. They were of picturesque Mexico, plants and animals, homes, typical ranches, Mexican's lives, and other various things.

Mr. White hopes to get some books with realism in them, such as photos of home-town Mexicans and of Mexican's homes.

STATE SUPERVISOR VISITS HOME EC

The State Supervisor of Home Economics for this district, Mrs. Onida Pierce, was here yesterday, March 2.

It is interesting to know that she and Miss Moss graduated from the same class and got their degrees together. Mr. Nelson and Mrs. Pierce also taught in the same school together in Abilene, Texas.

She seemed very pleased with the work being done in the department, giving special approval of the organization of the department and of the attitude of the students was offered. A written report will be received by the school within the next few days.

CARE OF TENNIS COURTS

Spring is here and the tennis courts are again in use. There are some people who still insist on breaking rules no matter what. But as hard as the temptation might be, let's try and follow these simple rules:

- 1. Do not play without soft-soled shoes on, tennis shoes are preferred.
2. If it has been raining, and the courts are soft, stay off.
3. If you see a loose line, nail it down, and don't keep stubbing your toe on it.
4. If you see the nets are getting loose, tighten them as much as they need be tightened.
5. Do not jump over the nets.

GRADE SCHOOL NEWS

SECOND GRADE By Billy Hoover

On Thursday afternoon, we visited the Telephone Office. Some of us used the telephone, and the switchboard operator showed us how the connections were made. We also learned the correct way to answer a telephone and the things we should know to help the operator give us prompt and efficient service. We appreciate very much Mrs. Runnon's being so nice to us.

THIRD GRADE Why I Like a Newspaper By Dick McDonald

I like a newspaper because it helps up to know what is going on all over the world. I enjoy reading the funny papers. I like to read the school news. I think it is fun to write for the paper. I do not like to read about people's dying. The "ads" help us to get better sales. Stories in the newspapers are interesting. It makes me proud to see my name in the paper. I think the jokes are funny. I will be glad when the papers say that the Chinese and Japanese are through with their war.

Snoops By Azalea Babb

There was once a little lamb. He lived with his mother. A little boy named Billy saw him trying to get up. He said, "Look daddy, at that little lamb snooping around. Let's call him 'Snoop'".

My Puppy By Myrtastine Hokit

Once I had a little puppy. He always stayed in the yard and played with us all day long. He ran, jumped, and hopped while he played hide and go seek in the trees and behind the barn. He always wanted to find us. When he was hunting for us, he went right to us and found us. I gave him away to a kind man that would take care of him and would bring him back to play hiding and go seek with us.

THIRD GRADE

We arranged our room differently. Now we have our library and post office at the back of the room. We are having our reading classes at the front. We put the reading table at the back of the library. We put our locker at the back by the reading table. Miss Allison's desk is at the front.

During the week end I went to the ranch. I played with the dogs and fed the chickens. I certainly did have a good time. I hope I get to go to the ranch this week.

The third grade class is reading in three groups. I think we read better that way. I think we get along better too. This morning we changed about. We all like it better.—Mildred Porter.

The third grade pupils are learning to write original stories. The following story was written last week:

The Cottage On The Hill By Jo Nell Coose

Once upon a time there lived an old man. He lived in a cottage all by himself. He had twelve goats. He milked the goats twice a day. He fed them salt and let them eat grass. The old man made cheese out of the milk.

FIFTH GRADE

The fifth grade had a contest in Mrs. White's room. We had two sides. The Blues and the Pinks. The Blues won. We have studied four different types of pictures in Mrs. White's room also. We are studying records in Miss Dawes' room. We are going to have a shadow play for chapel.

A BIRTHDAY PARTY By Ruth Townsend

Tuesday afternoon at 2 o'clock the fourth grade had a party. It was Chappo Morrison's birthday. We were served cake and punch. We enjoyed it very much.

First Press Club Banquet Is Held

New Staff Members Announced By Editor

The Ozona High School Press Club sponsored a banquet March 1, in the ballroom of the Hotel Ozona, Honoring Texas' Independence Day, the decorations consisted of red, white, and blue candles and several mountings of the six flags under which Texas has served.

Editor Welton Bunker announced the new staff for 1938 and passed the quill to the '38 editor, Jeff Fussell, and the staff. Superintendent C. S. Denham stated plans for a 1938-39 Year Book or Annual and praised the work of the 1937-38 Press Club, Editor of the Ozona Stockman, Evert White, who has lent a very great deal of help and assistance to the Press Club, passed "a word" to the assembled reporters at the banquet.

The program continued with Doris Bunker's singing the recent song hit "Bei Mir Bist Du Schon," to the piano accompaniment of Crystelle Carson, Lurine Townsend, Dorothy Hannah, and Ora Louise Cox presented a vocal trio, "Dipsy Doodle," followed by a musical sketch, "Little Red Riding Hood," sung by the trio and related by Mickey Couch.

Near the close of the banquet, Ora Louise Cox, Lurine Townsend and Mickey Couch, who never fail to hand in the required amount of weekly news, and Dorothy Hannah and Posey Baggett, who gained entrance to the Press Club by having one thousand words published, received honor awards.

Those present were the guests, Mr. Evert White, Mr. and Mrs. C. S. Denham, Mr. and Mrs. Ted White, Mr. C. E. Nelson, Miss Ada Moss, Miss Mildred North, Miss Elizabeth Coose, and Mr. Guinn Caruthers; the Senior graduates, Welton Bunker, Norman Rendall, Lurine Townsend, Maurice Lemmons, Jack Baggett, P. C. Perner, Mickey Couch, John Coates, and Catherine Childress; the new staff members, Billy Jo West, Mary Alyce Smith, Jean Drake, Howard Lemmons, Adelia Willis, Frances West, Lois Jones, Betty Lou Coates, and Walter Escue; the '38 staff members who "carry on," Dorothy Hannah, Crystelle Carson, Doris Bunker, Jeff Fussell, Ora Louise Cox, Miles Pierce, W. B. Robertson, and the Press Club sponsor, Miss Bess Terry.

HE CLASSES STUDY HOME

The H. E. I. class members are now studying desserts. The faculty enjoyed a dish of ice cream served by the H. E. II class Wednesday, March 2. It was found to be very good. The H. E. III class members are making evening dresses, and the 7th grade H. E. group is finishing the unit on the breakfast.

-: The Prowler :-

Mary Alyce must have wanted something awfully bad from Bay Boyd the other day. What was it, Toots?

Pete and his friend seemed to be enjoying themselves Sat. night. (For reference see Betty Lou.) Crystelle, who is the author of all those letters I read Sunday? Maurice seems to have been left out. These college boys will do it I've been told.

The town was very quiet Sunday while "Our Gang" took a trip to Angelo.

Mary Frances was very disappointed when a certain person left town for the week end.

Miles is learning how to dance very well. Can you do the "Big Apple" Miles?

Jack, how would you and Beecher like a few crackers?

Campus Philosophy

By Billy Joe West

It's not how much we can get. It's how much we can buy with what we get.

The hardest word in the English language to pronounce is "No".

"Discouraged"— Let that word get fixed in your mind, and you are done for. "Discouragement" is Old Satan's favorite hunting weapon.

Be known to the world as an independent thinking man.

Ego-ism looks through the small end of the telescope. Egotism looks at you through the big end.

SCHOOL

By W. C. Brock

Now listen folks, for you must hear.

Just think! we're ending another school year.

Examinations will soon be here. Then we'll know which to do—cry or cheer.

You must not loaf and play games. Because all others are doing the same.

But work real hard and do your best. And then you'll have all summer to rest.

JOKES

Billie Gene: But how could skin trouble give you a broken arm? Mary Margaret: It was a banana skin.

Usher: How far down do you wish to sit lady? Mickey: All the way, of course.

Doctor Jones: Your husband must have absolute quiet. Here is a sleeping powder. Mary Alyce: When do I give it to him? Doctor Jones: You don't give it to him. You take it yourself.

Mr. Denham: Give me an example of indirect taxation. Maurice: The dog tax, sir. Mr. Denham: How is that? Maurice: The dog does not have to pay it.

Judge White: Have you ever appeared as a witness before? Phillip: Yes, your honor. Judge: In what suit? Phillip: I think it was my blue serge.

Long Distance calls go through while you "hold the line"

because telephone management said . . . "OUR JOB IS TO MAKE SERVICE FASTER"

The men who head the telephone company have always believed even good service can be better. Their aim, like that of every other telephone worker, has been better and better service at low cost to the user. One result is that today you can call distant cities as quickly, as easily, as you telephone across the street.

A few years ago it took seven minutes (average) to make a long distance connection. Today the average time is 96 seconds!

In this column answers will be given to inquiries as to Texas history and other matters pertaining to the State and its people. Address inquiries to Will H. Hayes, Austin, Texas.

**Q. What became of the bodies of the Texans who drew black beans at Salado, Mexico?**

A. The bodies of sixteen were buried in a single trench at Salado. In 1848, Major Walter P. Lane, while on a scouting expedition in the United States-Mexican war, had the bones exhumed, brought to La Grange and placed in a single stone vault, with the bodies of the 35 who fell in the Dawson massacre. An imposing monument has been erected there to their memory. J. L. Sheppard, one of the 17 who drew black beans, was only slightly wounded, feigned death, and escaped in the night from Salado, but later was recaptured and shot.

**Q. How old was Rev. Thomas Washington Cox when he enlisted in 1842, for service in Mexico, and what other army service had he seen?**

A. He was 57 years old in 1842, having been born in Alabama in 1785. He came to Texas in 1822 with Austin's third colony and settled in Walker County. He was with Ben Milam at the siege and capture of San Antonio (Bexar), was in the Battle of San Jacinto, fought the Indians at Plum Creek and elsewhere, and after his return to Texas again engaged in preaching in Fayette County, becoming widely known as "The Fighting Parson."

**Q. How early did slavery and state-rights enter into the politics of Texas?**

A. Although slavery existed in Texas from the beginning of its Anglo-American settlement, it did not become a political issue until it was interwoven with the subject of state-rights, the political feeling rising to a high pitch with the passage of the Fugitive Slave Law. Houston was a conservative unionist and in a heated campaign in 1857 was defeated for governor by Hardin R. Runnels, an extreme state-rights and slavery advocate.

**Q. How long were the slavery and state-rights supporters able to retain the leading offices in Texas?**

A. Runnels and Lubbock were defeated in 1859 as Democratic candidates for governor and lieutenant governor by Houston and Clark, who ran as Independents on practically the same issues of 1857 and A. J. Hamilton, an independent was elected to Congress from the western district. Following John Brown's raid on Harper's Ferry, Virginia, in October, the Texas legislature in November swung strongly to the state-rights view and elected to a United States senate vacancy, Louis T. Wigfall, a rabid state-rights man and bitter

opponent of Houston. From that time sentiment was overwhelmingly, but not unanimously, for recession.

**Q. What brought about requests for Governor Houston to convene the legislature in special session in 1860?**

A. The election of Lincoln and Johnson so aroused state rights advocates that Texans held mass meetings throughout the state and asked Houston to call the legislature in special session to provide for a convention to take action on seceding from the Union, which Houston firmly refused to do.

**Q. What steps did Texans take to bring about a secession convention after Houston refused to convene the legislature?**

A. On Dec. 3, 1860, about 700 leading citizens met and suggested holding an election in each legislative district on Jan. 8, 1861, to select delegates to a convention to be held in Austin, Jan. 28, the call reciting that the election of Lincoln would bring a crisis that would require steps for the "protection of the domestic institutions of the South."

**Q. How did Houston attempt to offset any possible action of the secession convention, and with what results?**

A. He convened the legislature and sent in a message that the convention was without authority of law, represented a minority and that the rights of the people could best be maintained in the Union, and urged deliberate action. The legislature, however, recognized the authority of the convention to act for the people, but provided that its action should be submitted to the electorate for approval or rejection.

**Q. What reason did the secession convention give for its action?**

A. The secession ordinance recited two principal reasons for withdrawal from the Union: Failure of the government to protect the frontier of Texas, and recent evidence of its intention to destroy the interest and prosperity of Texas and its sister slave holding states.

**Q. How many and what convention delegates voted against Texas secession?**

A. There were seven votes against submitting secession to a vote of the people: J. W. Throckmorton (afterward reconstruction governor), A. P. Shuford, Lemuel B. Williams, Joshua Johnson, William H. Johnson, Geo. W. Right and Thomas P. Hughes. Throckmorton spoke strongly in opposition to the movement.

**Q. Who presided at the Texas convention that voted to withdraw from the Union?**

A. O. M. Roberts, then associate justice of the supreme court and afterward governor of Texas, lovingly known to Texans as "The Old Alcalde," who was one of the 70 who issued the call.

**Q. When was the secession vote taken, what was the result and when did withdrawal become effective?**

A. By order of the convention, the vote on secession was taken Feb. 23, 1861, and became effective March 2, exactly a quarter of a century after the declaration of independence from Mexico and on Houston's 68th birthday. The vote has been variously reported, but is believed to have been 46,129 for withdrawal and 14,697 against, about 10,000 of the electorate not voting.

**Q. What was the "Committee of Public Safety"?**

A. It was a committee of 19 mem-

Every Inch a Champion

From the tip of his nose to the tip of his tail, Daro of Maridor, 11-month-old English setter, is a champion. He was judged the best dog of the sixty-second annual dog show of the Westminster Kennel club at Madison Square Garden, New York. Handler Charles Palmer is shown with him. The dog is owned by D. W. Ellis of East Longmeadow, Mass. He was also judged the best American-bred dog of the show.

bers appointed by the secession convention of January-February, 1861, and given extensive powers to carry out the secession plans, one of its first undertakings being to get possession of the United States war stores then in Texas.

**Q. How many Federal soldiers were garrisoned in Texas at the time of its secession and under whose command were they?**

A. There were 2,264 men at San Antonio, Brownsville, and other posts along the Rio Grande and on the Indian frontier, under command of Major General David E. Twiggs, who was in sympathy with the South and who tentatively agreed with the "Committee of

troops and to surrender the military equipment, valued at from \$1,000,000 to \$1,500,000.

**Q. Why was this agreement with General Twiggs not carried out when made?**

A. While negotiations were pending for removal of the troops, Twiggs was replaced by Col. Carlos Waite, then in command at Camp Verde, Texas, who immediately rushed to San Antonio, took command and at first refused to comply with Gen. Twiggs' agreement.

**Q. Who composed the subcommittee that negotiated with General Twiggs for the withdrawal of Public Safety" to withdraw the**

of Federal troops from Texas?

A. Thomas J. Devine, Samuel A. Maverick and P. N. Luckett were a sub-committee representing the "Committee of Public Safety."

**Q. What was done by Texas to enforce withdrawal of the Federal troops and surrender of the stores at San Antonio?**

A. Immediately after Col. Waite replaced Gen. Twiggs, Ben McCulloch, on instructions from the "Committee of Public Safety" rushed into San Antonio with a hurriedly assembled force, at which terms were readily agreed upon for Col. Waite and his troops to retain their small arms and sufficient supplies for transportation to the coast, where they were to proceed to the North.

**Q. What requirement did the Texas secession convention make as to officials and with what results?**

A. All state officials were required to take an oath of allegiance to the Confederacy or else vacate their offices. When notified of this, all complied except Governor Houston and E. W. Cave, his secretary of state, Houston stating orally that he did not recognize the existence or authority of the convention. On March 16, the office of governor was declared vacant and Edward Clark, lieutenant-governor, succeeded him. Houston making no resistance, but issuing an address declaring the action to be usurpation.

Americans consume an annual average of 16 pounds of candy for each person, the total being more than two billion pounds. It is estimated that more than one half of the chocolate covered candy bars sold in the United States are made in Illinois.

When two women were arraigned in court in Chicago for fighting, the judge told them to go home and read the 133rd Psalm together.

In Temuco, Chile, horse hair has become so scarce that thieves are stealing the tails of horses.

Just a small down payment puts Servel Electrolux in your home... payments arranged to suit your convenience...

There's One BEST Way To do Everything

THERE are as many different ways to protect food from spoilage as there are to dress a baby. Many different refrigerators—and one BEST.

Some have just a FEW moving parts (to wear out)—Servel Electrolux, the Gas or Kerosene refrigerator, has NONE.

Some are quiet (while new)—Servel Electrolux is SILENT—forever!

Some are "economical"—Servel Electrolux operates for as little as 3 cents per day!

Most all provide some ice cubes—Servel Electrolux provides TWICE the average family's daily need.

Some have flexible rubber ice-tray grids—Servel Electrolux has flexible STAINLESS STEEL. Just a flip of the thumb, and out come the ice cubes.

Some get the cabinet interior cold WHILE RUNNING—Servel Electrolux keeps the interior always in the safety zone—steady, CONSTANT COLD.

Some have well-built cabinets—Servel Electrolux has outer shell of one-piece seamless steel—a cabinet built to last through the years, finished in lustrous Newton, that becomes whiter with age.

Servel Electrolux gives you a new KIND of refrigeration, because it is a different kind of refrigerator. Completely different in the way it operates, the way it protects your family's health, the way it saves. Servel Electrolux actually MORE THAN PAYS FOR ITSELF. Why not start it paying for itself, in your home—NOW?

Praise From Owners All Over West Texas

I have said enough milk products alone, thanks to the way my Servel Electrolux keeps them sweet, to more than make the payments on it. It supplies more than enough ice cubes for our

MRS. J. L. BRANCH  
Megargel, Texas.  
Family of five, and we have frozen desserts any time we want them. I can plan my meals two weeks in advance and buy my foods on specials, knowing they will keep fresh in our Servel Electrolux refrigerator. Yet the cost of operation is so low we scarcely notice the difference in our gas bill. It is easy to clean, inside and out. We feel that money invested in our Servel Electrolux is well used, because it more than pays for itself.

SERVEL ELECTROLUX THE Gas REFRIGERATOR (OR KEROSENE)

- Operates on...
  - Natural Gas
  - Kerosene (Coal Oil)
  - Butane
  - Bottled Gas

DIFFERENT from ALL OTHERS... (1) Any home, anywhere, can enjoy it—runs on gas or kerosene. (2) No moving parts—no wear, no noise, and constant, steady cold—no starting, stopping. (3) Defrosts automatically. (4) Plenty of ice—twice the average family's daily needs. (5) Ice tray grids of stainless steel. (6) One piece seamless shell—a cabinet as good as the freezing unit.

# HOME BUILDERS' PAGE

## Five Room House

The plan of this five-room house, built in Chattanooga, Tenn., represents a maximum of efficiency. It has a basement with warm air heating plant, and a detached one-car garage. The property has been valued at \$4,125 and the Federal Housing Administration has issued a commitment to insure a \$3,300 mortgage on the property. Monthly payments on the mortgage, including all fixed charges, will be \$32.32. One of the features of the house is a specially designed kitchen.

### Building Permits Are Down, But Few Cities Report An Increase

Austin, March 9—Building permits in Texas during January in 36 Texas cities totaled \$4,475,942, a decline of 17 per cent from the preceding month and 23 per cent under those of January last year, according to the University of Texas Bureau of Business Research.

In spite of the decline in total permits from the two comparable periods, a number of cities showed increases over both periods. Cities showing increases over both comparable periods were Austin, Dallas, Del Rio, Fort Worth, Longview, Marshall, Paris, Port Arthur, Sweetwater, Waco and Wichita Falls.

### WALLS NEED AMPLE TIME FOR DRYING

It is not wise to paint or paper a plaster wall in a new house for several months. It should be given a chance to dry thoroughly before a final finish is applied.

Because the frame of a house may settle and shrink during the first few months, cracks may show up in the best job of plastering. Damp spots are likely to appear, too, when moisture forces itself from the plaster, and both of these conditions are accentuated when the wall has been finished. Paper will peel and discolor when the plaster has not been dried thoroughly.

### LIGHTED ENTRANCE HELPFUL TO VISITORS

Adequate light at the entrance to a house is always desirable. Recessed light fixtures, flush with the side of a doorway or directly over it will display the street number of a house advantageously and will prevent the visitor from stumbling over the steps or walk. A lighted walk between house and garage will be found useful.

### DECORATIVE DOORS

Doors may serve a decorative as well as a purely useful purpose and add a subtle accent to color to a room. When pale green walls are used in a room, for instance, doors may be lasquered red and cream.

A new type of kitchen range is being placed on the market by a number of manufacturers. The broiler pan and grid swing out as the oven door is opened, making it easier to turn or remove food.

### Lives Of 144 Texans Snuffed Out In Auto Accidents In January

Austin, March 2—One hundred forty-four lives were lost on Texas streets and highways in January accidents, state police reported today; a decrease of 14 compared with the same month of 1937.

State officers believed the drop in crashes to be the result of favorable weather conditions, lessened travel and an increased tempo in a statewide campaign for safer travel. State police joined local officers last November in a concerted drive to lower the accident rates at places where most accidents were happening.

The January figures showed that 1,378 persons were injured in the 1355 accidents reported. There were 216 pedestrians involved in the mishaps — 40 of them were killed. Two of the listed dead received their fatal injuries in December, bringing the actual January toll down to 142, state officers said.

Police—commenting upon drunken driving — said there was a large increase in the January reports on the number of intoxicated drivers against whom complaints were filed. Of the 1,647 drivers involved, 117 were charged with intoxication. Increased public sentiment against this type of driver was believed to have contributed to the filing of complaints.

A new type of accident was reported to state headquarters in the latter part of January and the first two weeks of February. Nine persons were injured in attempting to close automobile doors while the cars were in motion. The injured were thrown to the highway.

#### "A THOUSAND YOURS"

When you pick up your newspaper and glance over the advertising, you quite unconsciously multiply yourself a thousand times.

In half or three quarters of an hour you can, figuratively speaking, visit every progressive store in town. You can virtually poke your head into every business and professional office. You can run into the leading grocery stores, the drug stores, barber shops, restaurants, bakery, hardware stores, garages, oil stations, etc., and in fact, all the various places that supply the things that make this Twentieth century and life worth the living.

It would easily take a thousand years, traveling hard all day, to find out for yourself what the advertisements tell you in a few minutes morning or evening.

The ads deserve your attention and confidence. Without advertising the prices you would have to pay for many of the necessities you now buy for small change would make a dollar look like a snowball on the kitchen range.

—Sacred Heart (Minn.) News.

In the home of the late Mrs. Jamima Williams, WPA worker of Pocatello, Idaho, police unearthed \$13,260 in cash, much of it in the old large sized bills. One bill was of \$1,000 denomination.

### Here's a Little Boxer Rebellion

It looks like a rebellion of some sort, but it is really only a battle royal among kids at Palm Beach, Fla., for the purpose of getting in shape for the high-chair championships in Miami. The young entrants are from the Sun and Surf club. Notice the two young ladies mixing it up at the left.

#### By Miles Pierce

The meeting of March 8 was opened with the Scout oath.

Scoutmaster Hollon discussed two letters of appreciation which the Scouts are going to write to the Light Company and the Telephone Company for giving us lights and a telephone. We certainly do appreciate the efforts of these men putting up the lines for the electricity, etc.

The troop will go to Devil's River a week from Friday, and return late Saturday.

There is one boy in the troop who can't stand in one place very long. He received his tenderfoot badge Tuesday night which was pinned on by Welton Bunger, who passed him on his tests. He was of age so he just went ahead, outside of his patrol meetings and passed that badge. You deserve a big "how", Henry Patrick. (How is the Scouts way of greeting or showing appreciation.)

There are two more Scouts in my patrol who will complete their badges next Tuesday and receive them Tuesday night at the next Scout meeting.

We adjourned and had our regular patrol meetings. After a brief study we had a picnic—and did we eat!

The meeting closed with the Scoutmaster's Benediction.

#### METHODIST CHURCH

Eugene Slater, Minister  
Calendar of Services

Sunday School — 9:45 a. m.  
Morning Worship — 11:00 a. m.  
Young People's Meet 6:45 p. m.  
Evening Worship — 7:45 p. m.

This church is seeking to minister to the needs of its people and to all who have an awareness of a hunger for life at its very best. To all those who feel the need for courage and strength, to all those who feel the need for comfort, to those who are dissatisfied to follow the lines of least resistance, and to those who are painfully conscious of their sins this church says "Welcome." We know that of ourselves we cannot satisfy all those needs, but we keep on pointing to One who is able to quench our deepest thirst, and to satisfy our sharpest hunger. We earnestly ask our people to be loyal in their attendance, to pray without ceasing that the church may be true to her Lord, and to so relate themselves to the church that it may be able to minister to their own needs.

#### CHURCH OF CHRIST

A. C. Nance, Minister  
Lord's Day

10:00-10:45 a. m. Bible study, all classes.  
10:55-11:55 a. m. Sermon and Communion.  
7:00-8:00 p. m. Evening Services.

#### Wednesday

3-4 p. m. Ladies Bible study.  
7:00 p. m. General Bible study.  
Sermon subject, morning hour: "Love of the Truth."  
Sermon subject, evening hour: "The Foundation."

The church has recently conducted a very successful series of meetings which was beneficial in many ways. The church surely was strengthened as a fine interest was in evidence throughout the entire meeting, then the splendid attendance, especially of our

religious neighbors and friends, as the other churches suspended their services on each Sunday night which certainly bespeaks that friendly feeling which should characterize every community.

All in all the church feels that much good was done. We shall be glad to have you visit us often during our services. You are Welcome. We'll be looking for you.

Mr. and Mrs. D. H. Patrick of Frankston are here for a visit with relatives.

Mrs. Thelma Todd of Fort Worth has accepted a position as sales lady at the Lemmons Dry Goods Co. here. Mrs. Todd was formerly buyer for the Cox department store in Fort Worth.

## Remington Rand Close-Shaver

No blades, no soap, no lotions to buy.  
Costs less than a penny a month to operate.

YOUR first cost is practically your last cost when you buy one of the new Remington Rand Close-Shavers. Less than a penny a month for electricity will pay for fast, close shaves.

Lifetime construction . . . new precision shearing head . . . double cutting surface . . . combing bar that lifts flat hairs . . . special Westinghouse motor . . . year's guarantee of materials and workmanship.

This is in our opinion the finest dry shaver on the market. It delivers the close shaves others promise! Price includes a fine quality pigskin zipper case, cord and cleaning brush.

THE OZONA STOCKMAN

### Why, Mister—

(Continued from Page One.)

me all about yourselves, the ranch, the country down there and everything." Texas Jane wrote. "As I am very fond of cowboys, and I would love to learn more about the life of real Cowboys, the West, and too, I enjoy getting more pen-pals all the time.

"As I said before I am just a little Texas girl that is very fond of cowboys, and the good old West. I don't know much about the good old West, just enough to know that I really love it and all it stands for. I have lived four years in the West; at Sweetwater, Texas.

"I guess I had better tell you what sort of person I am, as I am asking you to be so kind as to write to me. I am about 5 ft. 6 inches tall, weigh 138 lbs., 25 years old and of white race. I have deep brown eyes, dark brown natural wavy hair, a brunette complexion, and I am a respectable girl. I love to read good Western books, enjoy riding horses. I enjoy any kind of work about the house, and looking after the stock. I love horses, cattle and I have a hobby of collecting photos and pictures of the West.

"I know yours is a busy life, but if any or all of you will be so kind as to write to me, I will truly appreciate it very much and promise to answer each and every letter. I would also like to hear from the "Calico Kid" as I enjoyed reading his letter so much.

"I sincerely hope you won't mind my writing to you and asking for Cowboy pen-pals. And I do hope all of you will write, and tell me all about everything, your work, your pleasures, and everything I

will enjoy reading it all. Please send your photos or any other pictures of any kind. I will truly appreciate getting them.

"Hoping to have a whole mail box full of letters real soon, with good luck and best wishes to you all. I am sincerely,  
"Texas Jane", Sadler, Texas.

### Health Check-Up Of Food Handlers Required By Law

Austin, March 9—For the protection of the public a law was passed in 1921 making it mandatory for every person who is employed in any public eating place, bakery, meat market, dairy or candy factory to secure a health certificate from a reputable physician. This law is intended to eliminate all persons having any communicable disease from handling any foodstuff. These certificates must be renewed every six months.

Typhoid fever, diphtheria, and amoebic dysentery carriers have been found numbers of times working in dairies, cafes, and other places where food is prepared or offered for sale. It is not too much for the consuming public to demand that those who sell them food shall be free from communicable diseases. If the examinations for food handlers are properly carried out, much good will be accomplished in protecting the health of the buyer as well as giving the applicant for a certificate accurate information as to his physical condition.

The Texas State Department of Health has repeatedly advocated periodic physical examinations for the general public, as it is during these examinations that many in-

ipient diseases may be discovered and treatment begun in time to stop its development to such a degree that treatment will not be helpful. Many deaths and much suffering would be eliminated if every one would have this periodic check. In the case of food handlers, only the diseases that are communicable will withhold the issuance of a certificate. The cost is money well invested and the consuming public should demand that those they buy from have this evidence of good health.

### Angelo Musicians—

(Continued from Page One.)

the visitors from San Angelo, there were two guests from Sonora, Mrs. W. H. Dameron and Mrs. W. T. Hardy, and from Iraan, Mrs. Albert Bailey and Mrs. Worth Odom.

At the tea following the program, Mrs. Paul Perner poured tea, while Mrs. Hillery Phillips assisted in the serving. Members of the Music Club were house guests.

Ozona members and guests enjoying the affair were Mrs. Batts Friend, Mrs. L. B. Townsend, Mrs. Stephen Perner, Mrs. Boyd Clayton, Mrs. Joe Pierce, Mrs. J. A. Fussell, Mrs. Alvin Harrell, Mrs. Morris Dudley, Mrs. C. S. Denham, Mrs. Monroe Baggett, Mrs. Pon Seahorn, Mrs. John Bailey, Mrs. Bryan McDonald, Mrs. W. S. Willis, Mrs. Ray Dunlap, Miss Norine Allison, Miss Joe Demmer, Miss Elizabeth Kuykendall, Mrs. J. W. Henderson, Mrs. George Montgomery, Mrs. Judge Montgomery, Mrs. Max Schneemann, Mrs. Neal Hannah, Mrs. Eugene Slater, Mrs. Paul Perner, Mrs. Charles Williams, Mrs. Joe Clayton, Mrs. Hillery Phillips, Mrs. Rachel Crawford, Mrs. H. B. Tandy, Mrs. Strick Harvick, Miss Nancy Daves, and Mrs. Cox.

### PAT LEE ILL

Pat Lee, Crockett County rancher, is in a critical condition here this week, according to reports from his bedside. Mr. Lee is suffering from a heart attack. He was brought in from the ranch and is at the Hotel Ozona. Reports from the attending physician this morning indicated that Mr. Lee had spent a restful night and is showing some improvement.

### CARD OF THANKS

We take this means of expressing our deepest appreciation for the many acts of kindness and expressions of sympathy on the occasion of the death of our wife and mother. Especially do we appreciate the many beautiful floral offerings.

Ernesto Martinez and family.

### HOUSE PARTY GUESTS

Misses Dorothy Hannah, Ora Louise Cox and Lois Jones attended a week-end houseparty given by Mrs. Albert Bailey of Iraan honoring her daughter, Miss Madye Jo Bailey, on her sixteenth birthday.

Saturday evening the group enjoyed a masquerade dance at the Ohio Recreation Hall in Iraan.

### DRUGGIST LEAVES

J. B. Brooker, pharmacist at the Ozona Drug Store for the past several months, left early this week for Houston where he will rejoin his family and become connected with one of the leading drug stores. Mr. Brooker had made many friends during his short stay here and these will regret that he found it necessary to return to Houston.

### CORRECTION

When the reporter's notes got "cold" last week, Mrs. Roger Dudley was reported as having directed the Monday session of the Baptist Woman's Missionary Society Week of Prayer program. The name should have been Mrs. Ray Dunlap, and our apologies to both ladies.

### Son Of Crockett Commissioner, Big Lake Girl Married

Miss Jane Murphy of Big Lake and Charles S. Black, Jr., son of County Commissioner Black of Crockett County, were united in marriage at a ceremony read in Del Rio by the Rev. Beasley, pastor of Trinity Methodist Church there. The couple was attended by Miss Fay Wilson and Sam Mann of Big Lake. After a short wedding trip to San Antonio, Corpus Christi and other points the young couple will be at home on their ranch near Ozona.

The bride is a daughter of Mr. and Mrs. George Murphy, who ranch near Big Lake in this county.

### DIES OF PNEUMONIA

Mrs. Leonor T. Martinez, 30, wife of Ernesto Martinez, died at the family home in the Mexican settlement here Tuesday morning as the result of an attack of pneumonia. Mrs. Martinez was a sister of Samuel Martinez. Funeral services were held at 5 o'clock Tuesday afternoon, under the direction of Joe Oberkamp's funeral directors. Surviving are the husband and six children, the youngest, 5 months old and the oldest 10 years.

### PIANO RECITAL

Mrs. Neal Hannah, teacher of piano, will present a group of her pupils in recital in the basement of the Methodist Church next Wednesday afternoon at 4 o'clock. Pupils to be heard will be Jimmie Read, Joyce West, Daphne June Minecke, Barbara White, Rosalee Lemmons, Aleane Hokit, Jim Ad Harvick, Dorothy Capps, Mary Louise Perner, Lottie Jo Owens, Joy Coates, Priscilla Jean Baker, Gemella Dudley and Mary Fay Lucas. The public is invited.

Lee Wilson has been confined to his home here most of this week, suffering from a severe cold and the flu.

Mr. and Mrs. Scott Peters are visiting in San Antonio this week, attending the Cattleman's Convention.

Mr. and Mrs. Worth Odom and Mrs. Albert Bailey of Iraan were here Wednesday afternoon. Mrs. Odom and Mrs. Bailey attending the Music Club tea at the home of Mrs. Bascomb Cox.

Mr. and Mrs. Marshall Montgomery, who ranch near Iraan on the George Thompson place, visited relatives here this week.

### GIRLS AUXILIARY MEETS

The Girls Auxiliary of the Baptist Woman's Missionary Union, met for its regular program Monday afternoon. Mary Elizabeth Gray directed the program and Vera McCaleb led the devotional. Others present were Melba Cullins, Ailene Cooke, Estelle Patrick, Billy Laxson and Berty Sue Brownrigg.

### FIRST BAPTIST CHURCH

Clyde Childers, Pastor  
Sunday, March 13

9:45 Sunday School.  
11:00 Morning Worship.  
6:30 B. T. U.  
7:30 Evening Worship.

We are happy to announce that our furnace is now in working order. We appreciate the faithfulness of our people in coming to the services even when you knew that the building would be uncomfortable. We hope that everyone will be in their place Sunday in every service praying for a great day.

Our revival is to begin March 18th and continue through March 27th. Rev. J. E. Bagley of Charlotte, Texas, will lead our singing and help with personal work. Brother Bagley is highly recommended to us and several of our people are already acquainted with him. We are hoping that you will begin praying now that God will give us a great revival. The pastor will do the preaching and we

trust that you will lift him up to God daily in your prayers.

If we have a good revival much depends on our own personal preparation. Come with us Sunday at all services and help make it one of the greatest days that we have enjoyed together in Ozona. At the evening worship service we will observe the Lord's supper.
