AN OPEN LETTER to the People of Ozona from Your Community Council

There has been suggested a solution for one of our pressing civic problems. Your Community Council has favorably considered a solution and now asks your consideration and approval.

Ozona needs, very badly, a community center. The possibility which we believe offers the best solution for this is a centralized community building, conveniently located, and so designed that it would accommodate the maximum community needs at a minimum cost.

This can be accomplished in the following manner. Build on the lower Works Hill a pavilion type building so designed that it can be opened on two sides in the summer and closed in winter which will incorporate many of the following advantages: (1) An auditorium with removable chairs which would serve the purpose of a place, community gathering place, dance floor, community picnic show and any other gathering such as large club gatherings which now have to be held in school gym or auditorium and which interfere with the school schedules. This would also eliminate the necessity of the use of Court House court room for a party of the many club and pool dances. (2) Such a building could be so designed that in addition to the foregoing accommodations rooms could be placed at the end which would house a library, game room or small room for a "Teen Canteen." At the other end kitchen and shower rooms for the use of those using the swimming pool. Outside there would be barbecue pits and game pits as well as picnic facilities. The crying need for this improvement has long been called by a number of local organizations. This could be carried out at a minimum of expense with a type of building and many loans satisfied. In the first place it would at once centralize community recreational and organizational needs. It is centrally located, it is community property, it is in with the Water Works and program of landscaping a useful and attractive spot, it gathers together many if not all our wants for public betterment, and could eventually be one of the show places of our town.

Such a building could be so designed that it would conform to the architecture which has been tried in this community spot. It could be built of native stone, on two sides of glass windows which could be raised in summer to make it an open pavilion and lowered in the winter to conform for an auditorium. It would immediately dispense with the expense of building a library, gym, and many other small projects. The swimming pool already located there is a nucleus which could add greatly to the realization of recreational activities of the community.

We realize that there is at present no funds for such development. It is up to the public to provide such funds. This will have to be done by public subscription, private funds, foundational funds or civic support.

Do You Want Such A Community Center?

Speak up and get behind your Community Council if you do. We are ready to do all we possibly can to get it for you, but it will require your support and cooperation to the fullest to accomplish it. Let us know your desires by letter, personal contact, or better still by check or cash contribution to such a fund.

Equalization Board Meet Here June 8

The Board session will begin at 10 o'clock a.m. All persons interested or having business with the Board are invited to be present.

16 High School Graduates Receive Diplomas Tonight

Exercises in Auditorium at 8:30 Mark End Of 1945-46 Session

Graduating exercises held at the center of the stage in Ozona this week as the local public schools reach the end of another nine months term.

Commencement programs began with the Latin-American school which high school diplomas school graduate and nine pupils completing grade school work and graduating into high school. Wednesday evening in the high school auditorium, nineteen pupils of the Junior High School received diplomas at the hands of Judge Houston Smith following exercises featured by presentation of a playette, "On the Threshold," by members of the class.

Climaxing graduation week will be the high school commencement exercises in the auditorium beginning at 8:30 this evening, following which high school diplomas will be awarded to the class of 16 Seniors.

The high school exercises will open with the processional by Mrs. Roland Allard and the invocation by Rev. Clifton R. Tension, pastor of the First Baptist Church.

"Looking Forward" is the theme of a program to be presented by members of the graduating class. The program will be as follows:

"Building the Bridge," by Muggins Davidson.

"1946: We Face Our Greatest Challenge," by Jo Nell Coose, class valedictorian.

"A Rendezvous with Destiny," with five parts, including "Hour of Decision" by Charles Snyder; "America, Guardian of Law and Order," by Carlton Smith; "Eyes Toward America" by Dorothy Strickland; "Energy Unlimited," by Benny Gail Phillips; and "Our Inheritance," by Billie Rose Schwalbe.

Rudyard Kipling's "Recessionist" by Betty Martin.

"With Faith in Our Democratic System," by John Fussell, salutatorian.

"Dear Land of Home (Finlandia)" by Senior Class.

Alfred Lord Tennyson's "Prophecy," by Jo Nell Coose.

Judge Houston Smith will present diplomas to the sixteen graduates. "The Graduates' Creed" will be given by Myrtastine Hokit and Supt. Denham will announce scholarship awards. The benediction will be by the Rev. A. A. Carter, after which the class will sing, "Hail Alma Mater" to close the evening's exercises.

Members of the 1946 graduating class include: Jo Nell Coose, Joe Corbell, Muggins Davidson, John Fussell, Myrtastine Hokit, Betty Martin, Dorothy Mayfield, Benny Gail Phillips, Charles Ratliff, Buddy Russell, Billie Rose Schwalbe, Carlton Smith, Charles Snyder, Dorothy Strickland, La Verne Tillery and Bill Wilkins.

British Express Gratitude for Red Cross Help in War

A beautifully printed certificate of appreciation "on behalf of the war-distressed peoples of Great Britain and Northern Ireland" for the help of the American Red Cross during the long years of war was received this week by the Ozona Chapter, American Red Cross.

The certificate, bearing in full colors the coats of arms of various boroughs in England, Scotland and Wales, was prepared and mailed from London by the Women's Voluntary Services of England and reads in full as follows:

"On behalf of the war-distressed people of Great Britain and Northern Ireland, the Women's Voluntary Services tender thanks to you for your generous help given during the long years of battle against Nazi tyranny." The certificate, received by Mrs. R. A. Harrell as home service chairman of the local Red Cross chapter is signed in ink, the last name being "Reading," the first name illegible.

Donations Needed For Baseball Team

Ozona's newly organized baseball team is in the same boat with most of us—it needs money.

There are not to be any paid players on the team, but nevertheless there is a certain amount of pretty expensive equipment which must be bought before a baseball team can get under way. There are gloves, masks, chest and shin protectors for catcher and umpire, there are balls, bats and uniforms to be purchased. And there are broken bats and lost balls to be replaced and to play games at home a team must travel to neighboring towns to play and there are travel expenses to be met.

Ozona's new baseball team shows a lot of promise, and under the energetic management of Byron-Stuart and T. J. Bailey, there is a full schedule of games, both here and away, in the making for the summer months.

To get the team under way in proper form, a fund of several hundred dollars is needed for equipment. This is a call for volunteer donors to the Ozona baseball team—let's make up the necessary fund without a door to door canvass. Leave your check or cash at the Stockman office or with Byron-Stuart at North Motor Co. Let's have the fund subscribed before next Sunday's game here with Sonora.

McDonald Given Life Membership In Teacher Assn.

Veteran Pinch-Hitter In War Emergency Gets Thanks of Board

A veteran of 35 years of teaching in accredited schools and colleges of Texas, who came out of retirement from the teaching profession in 1942, after the outbreak of war, to do his part toward relieving the nationwide shortage of teachers, received as the gift of the board he served during the four years of emergency a life membership in the Texas State Teachers Association as the board's expression of appreciation for his patriotic service.

C. L. McDonald, who has served as principal of the Ozona Latin-American School since the fall of 1942, and who early this year announced that he again would retire from the teaching profession at the end of the present school term, was the recipient of the unusual gift presented to him on behalf of the school board by C. S. Denham, superintendent of Ozona schools, during the commencement exercises at the Latin-American school Tuesday evening.

Mr. Denham, in his presentation speech, pointed out that Mr. McDonald came to Ozona to serve for the duration, and complimented the veteran teacher for his devotion to duty, his cooperation with the administrative heads of the system and with the teachers in the Latin-American school.

"Mr. McDonald has made many friends in Ozona and Crockett County who are grateful for his services and who wish for him the best for the future," the Superintendent said. "To him this life membership in the Texas State Teachers Association is presented by the Board of Education in behalf of the students of his school and the people of the community in token of appreciation for his years of service."

Mr. McDonald began his teaching career in 1901 as principal of Santa Anna High School after graduating from Denton Normal, Leaving Santa Anna in 1904, he became a student in Polytechnic College in Fort Worth, where he was graduated in 1906, and in that year went back to teaching, a principal of Abilene High School. He was superintendent of schools in Colorado City, Texas, three years; head of the math department, Stamford Junior College.

Polio Control Measures Carried Out in Ozona

DDT Spray Applied to All Insect Breeding Places

Through the cooperation of county officials and health authorities, Ozona was given a spray coating of DDT last week and other clean-up measures adopted in an effort to head off any possible outbreak of poliomyelitis or other communicable diseases born of filth.

All outdoor privies in the Latin-American settlement, chicken yards, outhouses of all kinds, garbage containers, etc., were given a thorough coating of DDT. Residents have been asked to cooperate by cleaning up their own premises, keeping garbage covered and eliminating all mosquito and fly breeding places. The county has provided a pit in the southwest corner of the dump ground where garbage is to be dumped. This garbage dump will be sprayed at intervals during the summer to keep down fly breeding.

Dr. George Cox, state health officer, has issued instructions to communities to aid them in guarding against polio and other summer diseases.

"Until recently it was generally believed that this infection (polio) was transmitted by means of discharges from the respiratory tract," Dr. Cox said. "It is now believed that poliomyelitis may be another of the several gastrointestinal infections. Therefore, control measures must include clean-up campaigns and improvements in sanitation."

Dr. Cox urged that stringent measures be adopted in every community to eliminate the house fly and destroy its breeding places, and the mosquito as well. Safe water supplies, adequate sewage disposal, health inspection of all public eating places, sanitary milk sources, and reducing personal contacts to a minimum, especially among children, are among the health officer's suggestions. All raw foods and vegetables should be washed thoroughly before use, and over-exertion in children should be avoided, Dr. Cox said.

Fifteen Pupils in Grades Earn Perfect Attendance Awards

Fifteen pupils of the first eight grades of the local schools earned perfect attendance awards, for the school's second semester period, it was announced this week by Supt. C. S. Denham. The fifteen pupils were neither absent nor tardy during the four and a half months period.

Receiving the perfect attendance awards were: First grade, George Bunker and Elizabeth Ann Baggett; second grade, Jan Jones, Carolyn Bruce Harp, Martha Bailey, Carl Conklin, Billy Bob Lonon; and J. R. Halydier; third grade, Barbara Fields, Shirleen Lonon; sixth grade, Madeline Johnson; seventh grade, Bobbie Lane Halydier; eighth grade, Albert Yancy and Lee Armentrout.

May 31 Last Day To Sign up for AAA Program for 1946

May 31 is the last day for Crockett county ranch operators to sign up for participation in the 1946 range conservation program of the AAA, Miss Betty Bratcher, AAA administrative officer in this county, reminded this week.

At the present time, all AAA funds assigned to this county for this year, have been pledged to operating ranchmen for contemplated work. However, an additional allotment to the county is anticipated in July or August. Ranchmen who have not yet signed up for participation in the program must do so before May 31 in order to qualify for any additional funds which may be allotted to the county later in the year.

Funeral Services in Sonora This Afternoon For Mrs. Roy Hudspeth

Funeral services for Mrs. Roy Hudspeth, 57, wife of a pioneer San Angelo and Sonora ranchman, well known throughout this area, are scheduled for 4 o'clock this afternoon from the First Methodist Church in Sonora. Mrs. Hudspeth died at the Methodist Hospital in Dallas Tuesday night after long illness.

Mrs. Hudspeth was born in Blanco county and moved with her family to Sonora in her early girlhood. She and Mr. Hudspeth were married in 1914. Surviving besides the husband are three sisters, Mrs. Seleta Felpe of Austin, Mrs. W. R. Nicks of Eldorado and Mrs. R. B. Sewell of Sonora; two nephews J. O. Mills of Sonora and Gerald Nicks of Eldorado, and one niece Mrs. Lavelle Meckel of Eldorado.

Pallbearers include Dan Cauthorn, Robert Halbert, Joe Brown Ross, and Vernon Hamilton of Sonora, H. J. Perry of San Angelo and Houston Smith of Ozona.

Ozona Baseball Team Wins First Game at Sonora

Newly Organized Nine Wins Opener 9-2; To Play Here Sunday

Ozona picked up where she left off some ten years or more ago in town baseball play when a newly organized town team, composed of town and high school players, beat the Sonora town team 9 to 2 on the Sonora diamond Sunday afternoon in the first game played by the locals.

Ozonans, always rabid baseball fans, went all-out in support of the infant team, dozens of local cars lining the playing field in the neighboring town Sunday. And the fans were in mid-season form as they railed out at unfavorable decisions of the umpire, razed the opposing pitchers and generally disported themselves in the manner befitting the role of baseball fans.

It was, of course, a "country" ball game, but this may be said for the players, many of them with but little practice and little experience, they played exceptionally good baseball for their first time on the diamond in matched play. Ozona fans were especially proud of their high school players, boys who took up baseball for the first time in their lives this Spring under Coach L. B. T. Sikes and went through a very successful season in high school play. Seven of these boys were on hand at Sonora and all of them played some in the game. There was Nat Read, Joe Ross Hufstедler, Red Harrison and Charles Snyder starting the game for Ozona. Hufstедler, Read and Harrison got one hit each. Other high schoolers who got a chance to play and who turned in good games while they were in were Carlton Smith, Don Cook and Gordon Bufford.

Sheriff Frank James, pitching baseball for the first time in perhaps more than ten years, pitched three innings to start the game and in those three frames allowed the Sonorans only one hit and retired five via the strike-out route. Dennis Maxwell followed for the next three innings for Ozona and also struck out five and allowed two hits. Fire-eating Lefty Shelton, a former Texon portside hurler, finished on the mound for the locals and chalked up seven strike-outs and allowed a single hit.

Ozona hitters pounded two Sonora hurlers, the last the venerable Bud Smith, for a total of 13 safe hits, while Ozona pitchers gave up only four. Bill Hannah, at third base, and Shelton, playing first while not pitching, got three each, one of Shelton's a long homer over the right field fence. Manager Byron Stuart and Arthur Kyle, who took turns at the receiving job, got two hits each and one each went to Read, Hufstедler and Harrison.

Sonora is scheduled to play a return match on the local diamond next Sunday afternoon, the game starting at 3 o'clock.

Damage Great As Ozona Lashed By Hail Storm

Roofs Damaged, Window Glass Broken in Brief Pelting

Ahead by two weeks to the day and hour of the anniversary of last year's disastrous hail storm, another belting from the sky was delivered on this community late Saturday afternoon, resulting in property damage running into the thousands of dollars.

Coming in with a roar from the northwest, the hail storm struck Ozona at about five o'clock Saturday afternoon, and although it lasted but a few minutes, there was time to inflict damage to roofs, tear out window screens, break windows and strip trees and shrubs of their foliage.

The hail was accompanied by heavy rainfall. As was the case a year ago, the hail, and rainfall as well, was heavier in the north part of Ozona and much heavier over ranch lands north of the city.

Choked with masses of churning hailstones, both Johnson and Gurley draws ran bank full for several hours draining off torrential rainfall which accompanied the hail north and east of Ozona. The ice-water laden streams presented a novel sight, the warm atmosphere causing a layer of mist several feet thick to rise above the tossing water.

Windows and screens on north sides of residences and business buildings were riddled by the hail, stones up to as large as golf balls coming in on a strong wind almost on the horizontal and striking with a terrific force. Hard frozen, the hail stones, although not large compared to those reported in other cities of Texas in the recent series of attacks struck with tremendous force, residents reporting tile and slate roofs broken, and in some instances composition and shingle roofs were pierced by the rock-hard missiles.

Ozona streets and yards of homes were covered with a layer of leaves and twigs battered from trees and shrubs. Escaping a late frost for the first time in several years, fruit trees in the city were laden with fruit, practically all of it stripped from trees in the brief hailstone attack.

Light livestock losses were reported by ranchmen to the north and east in the path of the hail. Horses exposed to the hail were over their backs where they were hit by the falling ice pellets.

George Russell Candidate for New Term as Clerk

Veteran Office Holder Now Serving 8th Term in Office

George Russell, veteran Crockett county and district clerk, this week announced himself a candidate for re-election to the clerk's post.

Mr. Russell is now serving his eighth term as county and district clerk, or his sixteenth year on the job, and is so far unopposed.

As clerk of the county and of the district court, it is his duty to keep the records of the county and of district court proceedings, one of the most important positions in the county government. His candidacy, based on his long record in office, will be subject to action of the democratic primaries this summer.

Mrs. Margaret Schwalbe, bookkeeper at the Crockett County Water Control District office, is Ozona agent for the Western Union receiving and dispatching messages through the Barnhart office of the company.

GOODBYE AND GOODLUCK!

Benny Gail Phillips
I want to take this opportunity to give advice, and to try to pro-duce a little of the wonderful memories in store for the class of 1947. I've waited twelve long years for the final year of my school in Ozona. It's hard to say — good-bye without a tear or two, but I'm already wishing that I had all to do over. I've fussed about school and about the assignments that the teachers dished out, and each year there has been a sub-ject that was just a "killer!" But, the bitter must be mixed with the sweet to make up life's most thrill-ing moments — so, as we look back, we'd change none of it. Is it possible that some of the boys on the football team of 1946 will be there on that line next year? And the fun of being Pep Squad leader — is that over, too? Yes, the battle to win has been won and many of us will soon be trolling the halls of knowledge elsewhere. The day of companion-ship in Ozona High School is over, as we shall each of us go our separate way in life.

Seniors of '47, take heed and remember that no matter how hard you try or where you go — here will never be another year quite as wonderful as your senior year.

I want to wish all of you the best of luck and may it be as won-derful as mine.

MISS YOU

Muggs Davidson
What'll I miss most after I'm gone from O. H. S.? That for me, it's really a hard question to an-swer. Of course, I'll miss the Sen-iors of '46 as I've been with them constantly for about eleven years. Then, naturally, I'll miss Mr. Sikes and "his precious boys" who can tease all the girls all the time. And, too, I'll probably al-ways remember the jalopies, scoot-ers and such that make life 'round O. H. S. exciting and slightly dan-gerous. Other lasting memories will be those of football games, basketball tournaments, volleyball practice, the Senior play, the Jun-ior Senior-Banquet, Senior parties and commencement practice. Still more memories will be about the teachers, the Annual staff, the clubs, pep-squad, Senior trip, base-ball games, track meets, drum corps, classes, and most of all the "kids" of our high school.

But mainly, I think I'll miss just "dear ole O.H.S." as a whole. Take it from me — you who will some day be Seniors — enjoy it all you can now because as time grows short you'll regret how quickly the past four years have passed more and more; enjoy your time here and miss me a little because

A TRIBUTE IN PASSING

Joe Perry
We sometimes feel as we pass a milestone along this road of life that something we've observed a-long the way was something worth remembering, something worth paying a brief tribute to and at the same time we realize the utter hopelessness of trying to express in words our exact sensation. We know what we've just experienced is outstanding — head and shoul-der above anything of its type we've seen before and realize how short of its goal our brief note will fall; but, just the same, we pause in our travels to pay some brief homage. This is the purpose of this acknowledgment — to re-pay, in part, services rendered.

I can't help remembering at this point, football and basketball earlier in the year when a very few boys sparked our teams on to a victorious season. They were the life blood, the driving force behind our football and basketball teams.

The editors of the "Lions Roar" have time and time again saved it from becoming a mere canary twitter. They are members of this same group.

Then comes to mind the annual, the "Hitching Post," — the same group bore the brunt of the work. Club activities, volley ball, base-ball — all were taken in their stride by this group, the pacemak-ers of O. H. S. I could go on col-umn after column, just mention-ing one by one the achievements of this group; but I believe the greatest thing to their credit will be the number of life-long friends they'll have made when they leave us. It will be indeed very difficult for us, the underclassmen, to forget the good times we've had with them. Truly, "Never before have so many owed so much to so few" is true.

Here's to the Seniors of 1946 — a wonderful bunch we'll never forget. May they get that out of life which means more than any other thing — true happiness.

OUR LAST WILL AND TESTAMENT

Jo Nell Coose
We, the Seniors of 1946, as we pass from the halls of O. H. S. into a new cycle of our life wish to show our appreciation by leaving to our heirs, the Juniors, our most beloved possessions and talents.

Joe Corbell leaves his good Eng-lish grades to Joe Perry in order that Joe may play football five years.

Carlton leaves his smooth line to Bill Hoover so that Bill won't have to waste time thinking one up as Carlton did.

To Bud Meinecke goes Bill Wil-kin's talent for drawing those streamline-uh-Vogue models and then accomplishing that look of delight on his face.

"Baby" leaves her well-filled ad-dress book to Jo Nell but Jo Nell must promise never to use a cer-tain China address it contains.

To Jerry and Willa Joyce goes Dorothy Strickland's dry wit and humor and she hopes that it does not get them into as much trouble as it did her.

Buddy Russell's special techni-que known as "That Feeling in the Moonlight" goes to Bob Cooper. May he keep it locked up.

Muggs leaves her ability to love 'em and leave 'em to Gordon, but he really doesn't need it!

Sugar leaves his sweetness to Ann West but he wants to go a-long too.

We gives to Mike her skill for writing notes that are "Oh! so sweet."

To Sue goes John's red hair for she tried so hard to make theirs match — or did she?

Betty Martin leaves her south-ern draw and that oh-come-hither look to Corinne, who, we know, will use it wisely!

Charlie Ratliff leaves his sup-ply of gum and candy to Dale so that she will always remember him when Coach puts her in de-tention.

Lavern breaks down and leaves her hair-do's to Patsy and Jimmie Jean so they can run all the boys ga-ga too.

Dooty Mayfield wills to Joe Ross her beautiful eyes to go with his black hair so that, oh well, you figure out whom he wants to im-press.

Billie Rose leaves all her trips to Senora with Max, he seems to like that town and that road.

As for me, I leave my talents, which I haven't, my beauty which I don't possess, but I do leave my love and thanks which are o-verflowing for such a swell ban-quet!

SENIOR DAYS!

Betty Martin
Time goes by so very fast for those that want it to stand still. It's so easy to remember the first day of our "high school life." We were all waiting and counting the days until we could be called "fishes." Well, the time came and with all the million and one things that happened to us to make up our four years in high school, the 23rd of May is rapidly coming in-to being.

It doesn't seem possible that those four years could be gone. Maybe when they hand us our di-plomas and we stumble through our speeches, we'll realize that we really are graduates after all. That we, not this class or that class, but we, the class of '46 are the ones that will be marching down the aisle in those gray caps and gowns.

Oh, it's all been lots of fun. Sit-ting in the last period class wait-ing for the bell to ring, drinking cokes down at the drug store, rac-ing to the post office after school, waiting for football games and anxiously watching the weather. Don't kid yourself that we won't miss each and everything.

But, so they tell us, our high school education is finished and done with and I guess that is as good a hint as any that for us to be on our ways.

So here's to you, the ones that are left behind us; enjoy every minute of what time you have left, get everything you can out of it, and believe me, a Senior of '46, you'll never regret it.

NOTICEABLE QUALITIES (YOU GUESSED IT) THE SENIORS OF '46

John Fussell, red hair; Jo Nell Coose, deep dimples; Carlton Smith, that grin; Lavern Tillery, poise; Charles Ratliff, brawn; Billie Rose Schwalbe, strength; Benny Gail Phillips, her walk; Baby Hokit, personality; Bill Wil-kins, his hair; Charles Snyder, "build;" Dorothy Mayfield, eyes; Muggs Davidson, eyelashes; Bud-dy Russell, sense of humor; Dor-othy Strickland, wit; Joe Corbell, voice; Betty Martin, delicacy.

A SENIOR GIRL HAS SPOKEN

Betty Martin
The days of a Senior are numbered. Now our time is drawing near. So many times I've wondered Of our few days so dear. We've had our ups and downs, As everybody usually has, We've been sad and had our rounds But such things always pass. And now the time has come For us to turn away, To give place to another one, On this Our Senior Day.

THE PAST IS GONE; AND NOW TOMORROW

Jo Nell Coose
Well, it's time to go in. I wonder what the show is about. The title doesn't help much — The Past Is Gone; and Now Tomorrow. The only way to find out is to go in. Ah, there go the lights and now music. Listen, why it's Hail Alma Mater. Look at that date flashing on says September 1933. Gosh, it's nothing but kids eating graham crackers and drinking milk. Why watch that little boy snatch that cracker out of that cute little girl's hand. Well, what do you know, it's Buddy and Muggs, and who is the little red head? Why none other than John. Isn't that cute. What. Why, those three little girls feeling of those arm muscles the little blonde boy is so proudly showing off. Gee, it

can't be, but it is, Baby, Be, Jodie and Sugar, but look. Does that little girl's muscles put Sugar's in the shade! Who it is? No one but Billie Rose.

Now the scene changes. The date is 1936. Why look, it's the same eight and a few more pupils, but who's the new girl with the pretty hair and freckles? It must be Lavern Tillery. Sure enough.

Gosh, the scene is changing a-gain and it's now 1938. Another new addition — Oh, yum, another boy and with black curly hair. It could be no one but Carlton.

Golly, the time has changed a-gain, and how those kids have grown. Still the same old eight, fussing and making up. With Car-lton and Lavern standing by.

What's that — sophomore boys are smarter than sophomore girls. Why should they be interested? But, of course, it's 1944 and they are sophs. Boy, time does fly and look, three more to add to this happy family. Gee-e! Yes, she is pretty, isn't she? "Not the girl, you stupid boy, I'm talking about the new boy and by the way who is the girl that's got the teacher in stitches?" Why those three must be Betty, Bill and Dorothy S.

Juniors of 1945 — Yes, that is we. The same old eight still strug-gling along and the later addi-tions right along beside them. Ah! Another girl. We're awfully glad to have you, Dorothy M. but why couldn't you have been a boy?

1946 — Seniors. The year has finally come, with two boys, Joe Corbell and Charlie Ratliff join-ing our family. They said they just couldn't bear to leave O. H. S. Why the lights are going out. It's a commencement night and there is our song, "Hail Alma Ma-ter." What did you say the name of this show is — The Past Is Gone; and Now Tomorrow?? Why, of course, that is our motto and it belongs to each and every one of us.

There, it's over. Wasn't it a grand show and why not?? Look who the actors were.

THE THINGS I LIKED BEST IN HIGH SCHOOL

Baby Hokit
Now Mr. Sikes said I liked boys the best and sometimes he's al-most right but turning to the se-rious side of the story. Out of my four years in High School, I will never forget my Senior year and my fellow Sen-iors. It's funny, but when anyone wants anything done, the Seniors seem to be the party that gives out with the information — not just (Continued On Last Page)

the Seniors of '46 but any Senior class. Don't think for a second that we don't enjoy it.

It's so much fun to watch the new Freshman class come in and to "explain" how young they are — of course, remembering yourself when you were a "fish." That makes us feel older for some reason — and that's what we all want — right now.

Then I start thinking about being older and come to the conclusion that I envy those "little fish," just starting their fun-packed years in high school.

There is fun and play, activities, work and detention, all of which makes up those high school days for me and every other Senior who after 11 years have reached the goal intended for every boy and girl.

These are just a few of the little things that make up what I liked about high school, and I hope that the class of '46 won't be forgotten by any of you.
