Highlights and Lowlights

Being a Few Random News Notes and Otherwise You May Have Missed

ED. NOTE — Herewith the first edition of what we hope will be a regular feature of The Stockman — a column of news and notes, some comment, some speculation, some opinion — but always in a spirit of friendly interest — fun, fact and fable. Authors — yes, it's collaborative — prefer to remain anonymous, but for the privilege of writing anonymously, promise readers not to use idle gossip nor to reveal harmful information — just this and that about you and your neighbors, with an occasional comment, maybe a good-natured ribe now and then. If you like it, we'll pass the word along to encourage the authors — if not, maybe you'll like the next column.

Mrs. Roy Franklin has been visiting friends in Austin this past week.

We hope Windle Graves finds his new bride to Ozona.

Bill Clendenen is just back from an expensive trip to San Antonio. It was a nice car, Bill. We hope that you can get it repaired in top shape for your next trip.

Johnny and Baby Girl are just back from Austin, where they purchased a lot and contracted to have a pre-fabricated home erected. They will return to Austin soon to enter school.

A lot of the young boys are looking forward to the spring holidays — that is for the young boys to return and brighten their lives.

Rumors have it that the Samewiers are moving to their wheat farm in Floyd County.

Mr. and Mrs. Joe Nussbaumer and family were in from their Panhandle ranch this week.

Bland, have you traded your '46 pickup for a new pickup? You were seen driving the Methodist minister around, we thought maybe you thought it a safe vehicle.

The streets are getting full of new cars, the newest one were purchased by Mrs. S. B. Phillips, N. W. Graham, John Childress, and Miss West.

Mr. Marshall, of the Texas Co., looks lost without his wife around.

Joe Cowan got all his eggs in one basket when he brought his family back with him from the Christmas holidays.

Say, boys, you can get your share of all the flowers she wants through Mrs. Deland's Book Store. The income tax fever is running high this month. We feel sorry for each and everyone, but you'll just have to grin and bear it.

Chappo and James took off like they were really going to Arizona. They must have found something interesting this side of there as they are back in town.

We all expect a house warming from J. K. and Elizabeth, Bess and Tommy, John and Joan.

Clifton Taliaferro hasn't been seen recently. Where did you go this time, Clifton?

The Golf Company has moved down Catherine C. and Kieta Glee have been seen about town with a couple of nice looking boys.

We will all be glad to see the Baptist people call their new minister, and do hope that they will like him as well as the last one.

Ray Henderson, Jr. Say, he is a hant around the Bowling Center.

Martin took a slick chick (Helen) down Mexico way. No, he isn't alone. There were that seen about town couple, Pete and Jean. (Continued On Last Page)

Court Calls For Citizen Plan Of Park Improvement

Long-Range Beautification Plan To Be Considered by Court

First step in a long-range plan for beautification and improvement of the city park, forming the square in the business section of Ozona, was taken at the regular meeting of the county Commissioners Court here this week.

The court discussed the park improvement project and heard a plan proposed by County Judge Houston Smith that a complete landscape plan, embracing all features to be added, be made of the park and all work undertaken be directed toward ultimate completion of this plan.

Citizen interest was requested in the proposal and a citizens committee headed by Mrs. Ira Carson met with the court to discuss the park improvement planning. Mrs. Carson was requested by the court to form a committee of interested citizens and to arrange for drawing up a plan for the park to include new plantings, walks, flower beds and any other additions which the committee and landscape artists feel would add to the beauty of the plot. This complete plan would then be used as a work sheet for any future additions or improvements made either by the county or individual citizens.

It is the plan of the county as a first step in this project to remove the dead and dying mulberry trees now in the park and to replace these with new trees, either pecan or other species to be selected, and to fill the park with new dirt to a specified level. After this basic work is done, further improvements will be undertaken in accordance with the plan to be submitted by the citizens committee.

Two Pay Zones Designated In Todd Deep Field

Strawn and Ellenburger Pay Zones, Separate Pools

The crinoidal (Strawn) and Ellenburger reservoirs in the Todd Deep field in western Crockett county have been designated as separate fields and daily allowable Ellenburger production has been increased by the Railroad Commission of Texas in granting the application of Francis A. Calary of Fort Worth and associates who have completed wells on the Shannon and J. S. Todd estates.

A new schedule is being prepared most efficient ratio for the crinoidal, at 115 barrels and for the Ellenburger at 200 barrels per well per calendar day. However, these figures will not appear as allowables since the most efficient ratios must be adjusted to fit the statewide allowable figure. Separate storage facilities for the production from the two reservoirs must be provided.

The 77 wells in the field currently have flat daily allowables of 168 barrels, with 22 producing days in January. There are no dually completed wells in the field and only Continental and others and Amerada have both crinoidal and Ellenburger producers all the others being completed in the Ellenburger. Continental and others have 36 wells, Amerada 20, Humble five and Atlantic one.

The crinoidal produces from a round 5,950-6,040 feet.

Mrs. Joseph M. Perkins

Art Stressed In Woman's Club Program Here

Mrs. Joseph M. Perkins of Eastland Is Guest Speaker

Women in the Realm of Art was the program topic when the Ozona Woman's Club met Tuesday afternoon in the home of Mrs. N. W. Graham in a session timed to coincide with an art exhibit brought here under sponsorship of the club by members of the San Angelo Art Club. Mrs. John Bailey assisted Mrs. Graham as hostess.

Mrs. Joseph Perkins of Eastland, state chairman of the Fine Arts Department of the General Federation of Women's Clubs, was guest speaker for the club session. Also on the afternoon's program were three of the visiting artists from San Angelo, Mrs. Ruth Matlock, Victor Drilea and Dwight Holmes. Mrs. H. A. Gustavus sang Musette's Valse Song from La Boheme.

Mrs. Perkins, who is also a member of the State Board of Education in Texas, told of emphasis that is being placed on art in education. A highlight of her speech however, was a review of a report from the General Federation President, Mrs. Lucy J. Dickinson, on her recent trip to Russia. Mrs. Perkins heard Mrs. Dickinson's talk in Washington after her return from Russia and brought her audience many interesting facts about that nation as observed by Mrs. Dickinson.

During the day there was an art exhibit at the high school building brought by the San Angelo Art Club. Pictures by the San Angelo Club members were donated to a sale conducted here for the benefit of the fund being raised for erection of an art gallery in San Angelo as a memorial to the late Mrs. Helen King Kendall, San Angelo artist.

Mrs. Ruth Matlock of San Angelo told club members of the life of Mrs. Kendall and her contribution to art in this section. Mrs. Matlock then introduced Dwight Holmes, who talked on the need and purpose of the proposed art gallery. Victor Drilea spoke on art appreciation. It was announced that Mrs. Walter Clendenen, member of the Ozona Woman's Club and also a member of the San Angelo Art Club, had won first place in pastelpaintings at an art exhibit this week in Abilene.

A dessert plate was served to Mrs. Hubert Baker, Mrs. L. B. Cox, Jr., Mrs. Stephen Perner, Mrs. S. M. Harvick, Mrs. W. E. Friend, Jr., Mrs. Lowell Littleton, Mrs. Victor Pierce, Mrs. P. T. Robison, Miss Elizabeth Fussell, Mrs. Will Banzett, Mrs. O. L. Sims, Mrs. A. E. Deland, Mrs. Max Schneemann, Mrs. Neal Hannah, Mrs. B. B. Ingham, Mrs. Charles Williams, members, and Mrs. Perkins, Mrs. H. A. Gustavus, Mrs. Clyde Childers, Mrs. Pleas Childress, Mrs. Roland Allard, Mrs. Ruth Matlock, Mrs. Royce Pruet, Victor Drilea and Dwight Holmes.

Poll Tax Payments Lag As Deadline Nears

Only 425 Qualify for Vote in 1947; Jan. 31 Is Deadline

Perhaps with income tax reports behind, citizens of Crockett county will awaken to another obligation, the deadline on whose discharge is drawing near — that of paying poll taxes to qualify for the privilege of voting in the year 1947.

Reports from the sheriff's office this week reveal that only 425 poll tax receipts have been issued to date — less than half the prospective number of voting polls to be issued in the county.

Citizens are reminded by the sheriff's department that poll taxes must be paid by the end of January to qualify for the voting privilege. The fact that 1947 is an off-year in politics may reduce the total number of poll tax payments but there are always elections of some kind in any year and citizens who fail to pay poll taxes because of an off-year in state and national politics may find themselves disqualified from registering a vote on some local issue in which they are interested, officials point out.

January is the final month also for payment of property taxes. Mrs. Gertrude Perry, office deputy for Sheriff Bruce Harp, reminds this week. Approximately \$15,000 in state, county and school taxes in this county remains unpaid, Mrs. Perry said, and such payments must be made on or before January 31 or become delinquent, with consequent penalties and interest.

Miss Anne Lee Becomes Bride of J. B. Parker Sunday

Miss Anne Lee, daughter of Mrs. Pat Lee and the late Mr. Lee of Ozona, became the bride of J. B. (Beetus) Parker in a ceremony formed Sunday morning at the Methodist parsonage in Rankin.

Rev. D. G. Hardt, pastor of the performed Sunday morning at the Rankin Methodist Church pered the ceremony. Mr. and Mrs. E. L. Jones of McCamey accompanied the couple.

Mrs. Parker is a graduate of Ozona High School and has been employed as a bookkeeper in the Security State Bank in McCamey, in which she plans to continue. Mr. Parker is employed in ranch work near McCamey and the couple will live in McCamey. He is a veteran of World War II, and was wounded in combat in the European theatre. He also attended Ozona High School before going into service.

Sex Education To Be Topic for P. T. A. Meeting Monday

Sex education will be the topic for discussion and study when the Ozona Parent-Teachers Association meets in regular session Monday afternoon in the high school auditorium. The meeting will get under way at 3:20 and all members and interested parents are invited to be present.

Mrs. Boyd Clayton will talk on the subject of sex education which will be followed by a round table discussion of the topic.

Hostesses for the day will be Mrs. Stephen Perner, Mrs. Bruce Harp, Mrs. Earl Deland, Mrs. C. O. Walker, Mrs. Short and Mrs. H. W. Elkins.

JAMES CHILDRESSES PARENTS OF DAUGHTER

Mr. and Mrs. James Childress are the parents of a daughter born Tuesday in a San Angelo hospital. The new arrival in the Childress household has been named Carmen Childress. Mr. and Mrs. Lee Childress and Mr. and Mrs. Ira Carson are the grandparents.

Mrs. Coralie Meinecke visited her daughter, Daphne, in Midland Sunday.

Navy Recruiter To Visit Ozona First And Third Wednesdays

A Navy Recruiter from San Angelo will be at the Courthouse in Ozona every 1st and 3rd Wednesday from 10 a. m. to 12 noon to interview applicants for the Regular Navy and Naval Reserve.

Veterans of all branches of the service are eligible for the Naval Reserve.

Non-veterans between the ages of 17 and 18½ and 30 to 40 are also eligible for the Naval Reserve.

Regular Navy enlistments in unlimited quota are now being taken for men between 17 and 31 years of age.

Men who join the Naval Reserve for inactive duty may take an annual two weeks cruise each year aboard a Navy ship with full pay for the rating held. These cruises take you to different ports in South and Central America, Cuba, Puerto Rico and the Virgin Islands.

Big Lake Wins District Opener In Basketball

Volleyball Girls Win; Sonora to Play Here Friday Night

The Reagan County Owls from Big Lake proved too much for Coach Marshall Brown's Ozona Lions in the opening game of the 1947 District 7B western half round-robin championship campaign on the local court Tuesday evening.

The Owls played inspired ball to win 33 to 25. The Lions still showed the effects of their recent iron-man schedule in the Eldorado tournament when they played three hard games in the afternoon and evening, winning over Junction and Eldorado only to lose the championship to the Chiefs from Lake View, Class A high school.

Girls of Coach Gibson's volleyball crew salvaged some of the evening's honors by beating the Big Lake girls 39 to 19. The volleyball girls also are playing a round-robin series for the district championship, games being scheduled in conjunction with the boys' basketball games.

Ozona's B team in basketball fared little better than their first string team mates. The second stringers lost the decision to the Owl crew by a count of 28 to 18 but only after a determined battle which had spectators on their feet most of the time.

The basketball and volleyball wars will be continued here Friday evening of this week when the Sonora Broncos invade Ozona for a try at the Lions. The Broncos were defeated by the Lions in the Eldorado tourney, but previous performances count for little in the 7B league and Friday night's decision will not be counted until the smoke of battle clears.

There will be games between the B teams of the two schools and a volleyball game between girls teams in the district championship race. The B team game will be at 6:30, the volleyball game at 7:15 and the A squad game at 8 p. m.

Woman's Society Meeting Wednesday

The Woman's Society of Christian Service of the Methodist Church met Wednesday afternoon at the Methodist Center for a worship service and business session.

Mrs. Floyd Henderson, president, presided. Mrs. Charles Williams, leader, gave a talk on prayer. Reports from chairmen were heard. A letter of thanks for Christmas gifts the society sent him was read from Rad Mitchell, inmate of the Methodist orphanage at Waco, who has been adopted by the local society.

Mrs. Paul Perner presented "The Goal for 1947." Duties of each officer were discussed by the secretaries and chairmen.

Next Wednesday the society will hold a "Pledge Service" with Mrs. J. M. Baggett and Mrs. Floyd Henderson as leaders.

March of Dimes Drive Launched Here This Week

Voluntary Donations Asked To Aid Fight Against Polio

The 1947 March of Dimes, annual fund raising drive of the National Foundation for Infantile Paralysis which sparkplugs the never ceasing battle against polio, will be held January 15 to 30 and Ozonans will be given an opportunity to have a part in this worthwhile work through voluntary donations. Frank James, county drive chairman, announced this week.

Ozona has always contributed liberally to this campaign, even without a formal canvass for funds, and this year's drive will be conducted along the usual lines, with contribution cups mounted in various places of business in the city, a special drive among school children and collections among patrons of the movie theatre.

Those who wish to make donations by check or in sizeable amounts may place such contributions in the hands of Mrs. Gertrude Perry at the sheriff's office or hand them to him, Mr. James said. Mrs. Perry is county infantile paralysis fund treasurer.

The United States is being asked to raise the greatest sum ever asked in any previous year, since the nation has just emerged from the worst epidemic in the history of the National Foundation, founded in 1938 to spearhead and coordinate the battle against this disease.

United States Public Health Service figures show that the 1946 polio epidemic was second in severity only to the great epidemic of 1916, the worst in recorded history. This means that not only were the Foundation and its chapters called upon as never before to supply expensive equipment, personnel and every other aid known to modern science to the stricken, but they still must assist those who have not yet achieved maximum recovery. And there are more of these than ever before. Thus the Foundation this year faces its greatest need in additional funds.

"The people of Crockett county, in common with Americans everywhere," Mr. James said, have been most generous in the past supporting the fight against infantile paralysis through the March of Dimes. Indications are that they will be even more generous this year because they know that this fight is their fight. They realize that the March of Dimes is their best insurance against polio — and that the battle will go on in the laboratory until final victory is won and infantile paralysis joins the other great scourges of mankind unmasked and disarmed by knowledge."

BAPTIST W. M. S. HOLDS BIBLE STUDY

To America's Producers, America's Thanks!

As this new year begins, America's ranchers and farmers are busy with their winter work—feeding and caring for their livestock. And all America is again properly grateful to you who produce the food to keep us the world's best fed people.
To you who ride the range from Montana to Texas... whose teams and tractors till the nation's fertile acres... who have labored hard, long hours... who, with soil and seed, sunshine and rain, grass and grain, have achieved miracle after miracle of food production—to you America gives thanks! Thanks for the part you have had in all-time record crops of wheat and corn... for bumper yields of small grains... for livestock numbers at high levels... for soaring dairy and poultry production. This abundance of food which you have produced means better nutrition for millions of families—

because good nutrition is just good food that's good for you.
Vital as it is, production is only part of the nutritional job. Food must be processed. It has to be transported from surplus-producing areas to the markets where there are great numbers of people to eat it. Here is where Swift & Company comes into the picture. It's our job to provide many of the services required in bringing the foods which you produce to the dinner tables of the nation. Together we are in a vitally important industry. Because nutrition is our business and yours, together we can help build a stronger, healthier America.

Things are NOT always as they seem
But this big country consumes about 50,000,000 pounds of meat every day. So when you figure it out, this reserve supply in commercial storage is only enough to last 12 days.
Yes, some meat is frozen during months of peak production and stored until months of low production. But practically all of the beef, veal and lamb that is in storage is the kind preferred for meat loaves, sausage, prepared meats—not the kind that goes over the butcher's block as steaks, roasts, chops, etc. Also, the amount frozen is relatively small, as it has never exceeded 1.9% of the annual beef production, 9.10 of 1% of the lamb, less than 6% of the pork.

Meat Packers' Risks
Meat is perishable. It cannot be held for prices to go up. Like all meat packers, Swift & Company must sell, within a few days, this perishable product for what it will bring—no matter what price we paid for it.
We take risks in both buying and selling. In buying livestock the meat packer must pay the price established by competitive bidding of over 26,000 slaughterers. If the meat packer overestimates the quality of an animal, or the amount of meat the animal will produce, or the market demand for the meat, he will lose money. Hidden bruises, wounds, or other defects can create losses on any animal.
In selling, the meat packer must also follow the market trends established by those who buy the meats. He stands the risk that meat demand will fall off and prices decline between the day he buys the livestock and the day he sells the meat—also the risk of accidents and delays in transit which can wash out his profit.
An average profit of less than 2% on sales is a small return for taking these substantial business risks.

He Puts the NEW in Nutrition
We'd like you to meet a Swift scientist, Dr. H. W. Schultz. He is head of the nutrition division of our research laboratories. The work of Dr. Schultz and his associates is mighty important to all of us in the livestock-meat industry. They develop new products which open new markets for meats. This widens outlets for your livestock.
Dr. Schultz is the father of three children. As a scientist he knew growing children needed the body-building proteins of meat. As a father he knew the trouble of scraping and straining meats for the baby and dicing meat for the older children. An idea was born: perhaps Swift & Company could discover a way to prepare canned meats suitable for babies. A research project was undertaken. The scientists went to work! The research took more than two years. The Swift people consulted with leading doctors, child specialists. They agreed that special meats for babies would be a good thing. Many methods of preparing various kinds of meats were tried. Hundreds of feeding tests were made by families with small children. Finally, six kinds of meat were approved by the doctors, nutritionists, mothers, and the babies themselves. Placed on the market in test cities, these products won immediate acceptance. They are now being sold in many cities, and facilities for their manufacture are being expanded.
These new products—strained and diced meats for babies—create a big new market for meats. There are millions of baby appetites to satisfy.

Martha Logan's Recipe for Navy Bean Soup
1 pint dried navy beans
2 quarts water
1 cup sliced onion
1 cup diced celery
3 tablespoons butter
1/2 tablespoon salt
1/4 teaspoon pepper
1/4 teaspoon dry mustard
2 tablespoons flour
4 frankfurters
Soak beans in water for several hours or overnight. Drain, add water. Fry onion and celery in butter. Add to beans, simmer 3 to 4 hours or until beans are soft, adding more water as water cooks away. When tender, save out 1 cup beans. Rub other beans through sieve. Reheat to boiling point. Add seasonings and flour mixed with 1/4 cup water. Garnish with hot sliced frankfurters and whole beans. Yield: 4 servings.

by Tyrus R. Timm
Texas A. & M. College
An adequate record book is an extremely useful and valuable tool. It usually pays good dividends for the few minutes it takes out of the day's work to keep it up to date.
Specifically, a record book helps a farmer or rancher Operate in a businesslike way. Learn more about the details of his business than ever before. Know exactly how much he is making from his land and his work. Find out the weak spots in his enterprises. Tell whether or not his operations are working out as planned. Prepare a plan for future operations. Itemize investments, receipts, and expenses. Figure the efficiency of his production methods. Provide a record of all business transactions. Keep track of bills owed by or to the farm or ranch. Establish a sound basis for credit. Comply with government programs. Prepare income tax returns.
There are farm and ranch record books especially prepared for each state which can help you save time and money. Write to your state agricultural college and obtain one. Properly used, it will give you a better understanding of your business and may open the way to increased profits.

THE LION'S ROAR

Published Weekly by the Student Body of Ozona High School

VOLUME 10 OZONA, TEXAS, THURSDAY JAN. 16, 1947 NO. 16

BASKETBALL OF 1947
 In my opinion, the athletic season for 1947, started off with a bang by tramping on Sonora, 20-11.

The basketball string is made of the following boys: Gordon Ford, Joe Ross, Bill Hoover and Perry, the senior group. In Junior bunch there is Nat Cook, Don Cooke, and Bernard Adams. Red Harrison, Bud Weaver and Ray Piner comprise sophomore squad, and Loyd and Sonny Meinecke, the freshman class.

These 12 boys went to Eldorado in the direction and supervision of Coaches Brown and Sikes. Sonora broke the seal of Eldorado Third Annual Tour-

namment by playing the first game at 7:00, Friday evening. Ozona won that game, by defeating Sonora 20-11. They went home after the game only to return the next day to beat Junction 23-11. The following evening, we played Eldorado in the semi-finals only to beat them 36-22. At 9:00 that night we met Lake View for the final game. Ozona started the Eldorado Third Annual Tournament off, and finished it also. When Ozona met Lake View, they met one of the best conditioned and trained teams in this part of the Southwest. Believe me they were good. So in order to win second place, we had to lose to Lake View 35-11. Eldorado presented us with second place trophy, which is very

nice, and which we were very happy to receive.

GOSSIP
 Bernard — or should we say Jo Lou — where did you get stuck Thursday night? Were Nat and Corinne in on the deal?
 Flash! Bob is having blonde trouble again!
 What is this we hear about a sleepless night in the Eldorado Hotel? Joan, Mary K. and Jo Lou — were those boys from Junction?
 Ann H., which freshman are you mad at this week? Is it Kenneth?
 Mary Ann, shame on you for hurting Dub's wrist! Don't you know their coach does not care for girls?
 Hey, girls! Bill M. has turned into quite a man about town. Well, Lil — at least he prefers blondes!
 Judy seems to have got around this week-end — first it was Christoval and then Barnhart!
 Iraan must find something very special over here. Come on, tell us Jane — how do you do it?
 Say, boys! I'd talk to Coach Brown about keeping you out of circulation like he did Saturday. There were some very cute Del Rio, Eldorado and Lakeview girls rooting for Ozona.
 Well, Marion! Was that Tony you were with Sunday at the park?
 Some new and cute couples in O. H. S. are: Bernard and Jo Lou, Bob and Rosalie, Red and Sue, old but new — Natt and Corinae.
 Ann and Dale, who were the two boys who took you to the tournament? No need to ask? Tom Ed and Newell?
 Buddy, Bob, Bill F. Jack and Bill M. seem to have had a time Saturday night. Ask Bob — he knows!
 Chris, did you and Joan have a good time at the tournament. Maybe some of the other boys should take you as an example. You really look out for your girl — don't you?
 Welcome back to school, Max! By the way — how did you enjoy the mumps?
 Say, Mr. Rhoades, how about a big cigar for all the basketball boys?
 Beat Sonora!

BAND
 A few members of our band are to sponsor a jazz concert in the assembly program next week.

Although this is not band news it is of great importance to our band master Mr. and Mrs. Rhoads are the proud parents of a five pound 13 ounce girl, named Margaret Elizabeth, born Saturday, January 11. Mrs. Rhoads and baby are doing fine.

Experiments by Italian chemists in the preservation of milk have revealed that the addition of hydrogen peroxide kills the bacteria that causes souring and is said to improve the flavor of the milk.

We've Hired an EXTRA SERVANT

AT NO EXTRA COST

With household help becoming more and more a problem to obtain—a fact that is not pleasant to recognize—our customers are increasingly looking to Reddy Kilowatt as the only servant available, not only for part time work, but as a regular

24 hour day chief cook and housekeeper. Positive evidence of the demands for Reddy's services are at all electric employment centers—our display floors and the display floors of every electric dealer.

That people are hiring Reddy to do their cooking and house cleaning is shown by their eagerness to purchase every electric range and vacuum cleaner on arrival, and their insistence in holding their place on waiting lists for delivery as soon as possible.

Reddy's wages are still the bargain of the age. For year-round service with no time off, he's the post war super domestic.

CHEVROLET IS FIRST

First IN CAR PRODUCTION . . . *First* IN TRUCK PRODUCTION
First IN COMBINED CAR AND TRUCK PRODUCTION!

AGAIN at the close of 1946—when America's need for new motor cars and trucks is most urgent—the Chevrolet Motor Division of General Motors leads all other manufacturers in automotive production. This means that Chevrolet is *first in passenger car production—first in truck production—first in combined passenger car and truck production* . . . despite the fact that all Chevrolet plants were closed completely during the first three months of 1946! Naturally, Chevrolet hopes to be able to build more and more of these fine products which America is buying so eagerly—the *only* motor car giving **BIG-CAR QUALITY AT LOWEST COST**—the *only* truck giving **BIG-TRUCK QUALITY AT LOWEST COST**—the complete Chevrolet line which stands out as the *lowest-priced line in its field!* Meanwhile, it stands to reason you'll get *bigger value and quicker delivery* by purchasing the product of America's largest builder of cars and trucks—*Chevrolet!*

Remember . . . **LARGEST PRODUCTION** means **QUICKEST DELIVERY** of your new car. Place and keep your order with us for a new Chevrolet and get biggest value as well as earliest possible delivery!

Highlights—

(Continued from Page One)
 Billie Jo and Jerry (new flying inst.) and Posey and Peewee.
 Tom Ed and Ann are really being seen around these days. Rumors are flying! Anyone denying anything?
 Shorty was seen buying Jackie T. a cup of coffee in the drug. What was the deep conversation about?
 The Dick Henderson's are here from their ranch in Marfa.
 Bee Friend had as visitors Warren Friend of Fort Davis and his

father, Ned Friend of Big Lake.
 The local ladies finally got a glimpse into the pool hall. The new paint job looks good, Joe.
 We hear that the maids at Mrs. Tom Harris' party struck for higher wages. Who got all that copper?
 The Oklahoma Kids returned unharmed by the Indian squaws. Minnie Ha Ha fought back, eh, Peewee?
 Billie Jo doesn't think cigarettes are worth it. At \$30 each we don't either.
 Claude Russell, tell us, who en-

joys jokes more than you do?
 Santa was good to Austin Mills-paugh, but def, a new Buick.
 The Scott Peters have returned from a short trip to San Antonio.
 The Court House is a mad house these days, income tax, you know.
 Dale and Newell are really seen about but really this looks serious.
 The Lee Wilson's are still enjoying a vacation in New Orleans. This is the Mardi Gras season. Wish we could all be with them.
 Alams, shame shame. Stanley was trying to liven the town up with that little tidbit of news, even though there wasn't a thread of truth, you ought to let the boy have his fun.

The Roadside Cafe is going to have to enlarge to take care of their expanding business. The food is grand but please leave a seat for us; we get hungry, too.
 We have our ear to the ground, but haven't heard anything about a lot of local people. We will try to let you know about them in next week's issue, that is if you will let Mr. White know that you like the addition of this column to his paper.
