## Work To Start on New Show Building Here

### Two-Story Structure To Be Erected Next To Hotel

With most of the materials already assembled, work is scheduled to start within the next ten or two weeks on Ozona's new picture theatre building, which is to be constructed on the lot just north of the Hotel Ozona, was announced here this week by W. V. Adwell, Ozona Theatre manager, who recently purchased the house and lot as a site for the theatre.

The home now on the lot is to be moved to the rear of the lot and the west theatre building erected on the front of the lot.

A two story structure, with tiled front, containing an apartment in the upper story where Mr. Adwell and his family will reside, is called for in the new building plans. The building will be 150 x 140 feet over all dimensions, the theatre having a seating capacity of 714, and will be beautifully finished and one of the most attractive show houses in Southwest, Mr. Adwell said.

Two small store buildings are included in the street front of the structure, one to be occupied by a confectionery and cold drink business and the other available for rent. The building is to be of tile and stucco construction and all new equipment and furnishings will be installed. Mr. Adwell and his son, Bernie Adwell and families expect to return to Ozona to manage the theatre properties here, he said.

## Baker To Head Final USO Drive in Crockett Co.

### Paul Counts, Fort Stockton, Dist. Chair- man of Campaign

H. W. Baker will head the next final USO campaign in Crockett County, Governor Coke R. Stevenson, general chairman announced today.

"With the capable leadership of Mr. Baker, I am sure Crockett County will succeed in raising its quota in the state drive for \$800,000," Governor Stevenson said.

Headed by Colonel Carl L. Phinney of Dallas, president of the 11th Division Association and State Campaign Chairman, Texas' 54 counties have been divided into six regions made up of 66 districts.

C. E. Paxton of Sweetwater is chairman of the West Texas region, and Paul Counts, Fort Stockton, is district chairman. These chairmen will work together in organizing and conducting the local campaign.

"There are about 125,000 Texas men still in the service, overseas, in hospitals or beginning training," said Colonel Phinney. "The combat phase of the war is finished, but the transition period presently affords many moral problems."

"We must see to it that USO services are continued for these men who need and deserve a home away from home now more than ever," the State Campaign Chairman said.

"I am sure that Crockett County, headed by Mr. Baker will fulfill its quota and help Texas 'See-Through' 1947 with the National USO Campaign."

Mrs. S. M. Harvick and Ann, Mrs. W. E. Friend, Jr., Rosalie and Mrs. V. I. Pierce will spend the week-end in San Antonio where they will visit Mrs. Harvick's daughter, Mrs. Don Sawyer, and family.

Mrs. Paul Perner and Mrs. C. D. Allen left today for Dallas where they will meet Mr. Allen. Mr. and Mrs. Allen will go to Brook, La., where he is to be station-

## Baker Services Held Wednesday At Junction

### Board of Control Head, Former Dist. Atty. Killed in Crash

Funeral services were held in Junction Wednesday at 2 p.m. for Weaver H. Baker, chairman of the State Board of Control and former district attorney of the 112th district court, including Crockett county, who was killed in an automobile crash near Austin Sunday.

Mr. Baker's car overturned when it failed to negotiate a sharp turn in the highway. He was returning to Austin from Inks Dam. Highway patrolmen reported that death was instantaneous, his chest having been crushed. His body lay in state in the Senate chamber in the state capitol Monday and a long line of state employes and friends of Baker filed past the flag draped casket.

Mr. Baker was well known throughout this section, having served for several terms as district attorney before being appointed to the Board of Control in 1942 by Governor Coke Stevenson, his former law partner in Junction.

## Mrs. Tandy Local Agent for Angelo Entertainment Series

Mrs. H. B. Tandy of Ozona has been named local representative for the San Angelo College Entertainment Association sales committee in the distribution of memberships in the association for the entertainment series planned for the winter.

Only season tickets good for the four-concert series will be sold this year, no tickets for individual concerts to be sold. Memberships are priced at \$7.20 for adults and \$3 for students, tax included in both instances. Persons interested in buying memberships are invited to contact Mrs. Tandy.

Members will hear Joseph Szegedi, violinist, the Dallas Symphony Orchestra, Footlight Favorites, a mixed quartet, and Rosario and Antonio, Spanish dance team.

## Book Oklahoma Stock For State Fair Rodeo

DALLAS.—More than 500 head of America's best rodeo livestock will be used in the first annual Southwest Amateur Championship Rodeo, it has been announced here by Pat Hamilton, outstanding producer of cowboy reunions and amateur contests. The livestock includes Brahma bulls and calves, wild buffalo, wild mares for milking, wild cows for milking, broncs, bull-dogging steers and other animals.

Entries for the many events, most of which are now generally seen in professional rodeos are coming in fast. Champions from the outstanding cowboy reunions of the five southwestern states are now being received, Mr. Hamilton said.

Dates for the first annual Southwest Amateur Championship rodeo event will be October 5 to 20, which will run concurrently with the 61st annual State Fair of Texas. Performances will be given afternoon and night.

## Band Uniforms Year's Project of Parent-Teachers

### Room Mothers Named In Initial Session of Organization

New band uniforms for the Ozona High School musical organization will be the project for this year of the Ozona Parent-Teachers Association, it was decided at the initial meeting of the organization. Funds will be raised by the group during this year in the hope that the new uniforms may be ready for the opening of the next school term in the fall.

Room mothers for this year were named by the president, Mrs. Jake Young. The list of room mothers was announced as follows:

Kindergarten: Morning group, Mrs. Ele Hagelstein, Mrs. Joe Tom Davidson and Mrs. Earnest; afternoon group, Mrs. Babe Phillips, Mrs. H. A. Gustavus and Mrs. Reynolds; first grade, Mrs. Royal Caswell and Mrs. C. O. Walker; second, Mrs. Mullins, Mrs. Miller Robison; third, Mrs. W. E. Friend, Jr., Mrs. Earl Deland, Mrs. Bruce Harp; fourth, Mrs. T. A. Kincaid, Jr., Mrs. Carl Lonon; fifth grade, Mrs. Oscar Kost, Mrs. Philip Lee Childress, sixth grade, Mrs. Doug Kirby, Mrs. Ashby McMullan; seventh grade, Mrs. J. P. Pogue, Mrs. Johnson; eighth grade, Mrs. Melvin Brown, Mrs. Stephen Perner; ninth grade, Mrs. Jack Holt; tenth grade, Mrs. Arch Cook, Mrs. Geo. Senne, Mrs. Curley Thompson; eleventh grade, Mrs. Richard Flowers, Mrs. Chas. Coates; twelfth grade, Mrs. Massie West, Mrs. Coralie Meinecke, Mrs. Gertrude Perry.

A prize of \$3 in cash will be awarded each month by the PTA to the room having the largest percentage of attendance of parents. The PTA meets the third Monday in each month at 3:10 o'clock p.m. in the high school auditorium and all parents are cordially invited. Those who have not been contacted and who wish to become members are asked to call Mrs. Early Chandler, Mrs. Oscar Kost or Mrs. A. O. Fields, of the membership committee. Dues are 50 cents for the year. The next meeting of the association will be on October 21.

Officers for this year are: president, Mrs. Jake Young; first vice president, Mrs. W. T. Goodson, second vice president, Mrs. Early Chandler; third vice president, Mrs. George Bunker; treasurer, Mrs. C. O. Walker; secretary, Mrs. James Baggett; parliamentarian, Mrs. Joe Clayton; historian, Mrs. Jess Marley.

Members of the faculty of the Ozona schools were guests of the Ozona Woman's Club when it met Tuesday afternoon in the home of Mrs. Ira Carson, Mrs. W. E. West assisted Mrs. Carson as hostess.

Mrs. P. T. Robinson gave a resume of the club's year books, explaining the programs for the year. "Today's Woman" is the theme for the year's study and the club is off to an interesting start for some inspiring lectures and talks.

Mrs. Carl Colwick was the speaker for the day, giving a short talk on the book by Mrs. Beard which inspired the theme for this year's study. Mrs. Colwick then gave a review of Grace Noll Crowell's beautiful poems, taking her listeners through the "pink and silver" days of youth, through the "blue and white" days of maturity and to the "lavender and gray" days of old age.

Mrs. Hubert Baker presented Mrs. Colwick with a silver plate as a token of appreciation for her faithful service to the club.

Mrs. Ed Lewis played Chopin's Nocturn in E Flat. Tea was served to about fifty guests and members.

Mr. and Mrs. Lee Childress are spending a few days this week in San Antonio.

## Ozona Art Lovers To Aid Fund Drive For Angelo Gallery

Ozona art lovers will be asked for donations to aid in the construction of a West Texas art gallery and museum in San Angelo as a memorial to the late Mrs. Helen King Kendall, founder of the San Angelo Art Club and one of West Texas' most talented artists.

Mrs. Kendall's husband, J. Riley Kendall, has donated a lot in San Angelo as a location for the museum and has started the building fund with a donation of \$500.

The San Angelo Art Club is staging a memorial showing for Mrs. Kendall in October, the exhibit to be opened with a tea on Sunday, October 27.

"This project was Mrs. Kendall's most cherished dream and we feel that an Art Gallery will be a grand memorial to her, Mrs. Loma Wilson, corresponding secretary, wrote Mrs. Walter Clendenen of Ozona, an associate member of the club. "Each member of the art club has the authority to ask for donations and we shall feel very grateful for any assistance you may give in your territory."

Other associate members of the San Angelo club in Ozona are Mrs. Ira Carson and Mrs. A. C. Hoover. Ozonans who own any of Mrs. Kendall's paintings are asked to lend them for the Oct. 27 exhibit.

## Four Southwest Conference Games on Humble Broadcasts

This week-end Humble Oil & Refining Company will broadcast four football games, featuring Southwest Conference schools.

First on the list will be the broadcast of the game between S. M. U. and Temple University, with Charlie Jordan announcing. The game, which will be played in Philadelphia, will be heard, starting at 6:30 p.m. CST over stations KXYZ, Houston; WRR, Dallas; and KMAC, San Antonio.

Saturday afternoon, broadcast of the T. C. U.-Baylor game will Kern Tips and Alec Chesser handling the play-by-play and color assignments, respectively. Stations WFAA-WBAP, Dallas-Ft. Worth; and WOAI, San Antonio will carry the game which is being played at Ft. Worth.

The first Saturday night broadcast starts at 7:45 p.m. and features the game between Texas A. & M. and Texas Tech in San Antonio. Ves Box will be the play-by-play announcer and Fred Kincaid the color man. Stations carrying this game will be KRLD, Dallas; KABC, San Antonio; and WTAU, College Station.

Twenty minutes later, at 8:05 p.m., the Rice-L. S. U. game takes the air with Bill Michaels and Dave Russell at the microphones. Game will be broadcast from the Rice Stadium in Houston over stations KNOW, Austin; KMAC, San Antonio; KFJZ, Fort Worth; and WACO, Waco.

## India Is Theme Of Luncheon for Woman's Society

The Study and Action committee of the Woman's Society of Christian Service, composed of Mrs. J. A. Fussell, Mrs. R. A. Harrell, Mrs. Charles Williams, Mrs. Bill Cooper, Mrs. Floyd Henderson, and Mrs. L. B. Cox, Jr., were hostesses to the members, new church members and the Bluebonnet Circle at a luncheon Wednesday at the Harrell home.

The luncheon was an introduction to the coming study class on India, and was carried out in the Hindu fashion, with the hostesses in costume and the house decorated with flowers and Indian brass ware.

Guests were greeted at the door by Mrs. Henderson who appointed each guests head with rose water, and by Mrs. Cooper who presented each with a flower for her hair, from a silver tray. They were then seated on the floor at a typical Indian table. Before being served a real Indian menu, Mrs. Harrell administered the hand washing ceremony of rose water.

## Lions Trample Angelo Kittens By 38-0 Count

### All Squadmen Get Try in Easy Tilt; Prep For Big Lake 4th

Coach Sikes' Ozona High School Lions met even weaker competition, per haps, than they faced the previous week-end when they met the San Angelo Kittens on the local gridiron last Saturday afternoon despite the fact that the second and third stringers played a big part of the game, the Lions gobbled up the Kittens for a 38-0 count.

The Lions were not long in exhibiting their superiority over the Kittens. Nat Read, speedy and shifty Ozona quarterback, took the Kittens' opening kick-off on his own ten and raced ninety yards, behind some nice downfield blocking, for the initial touchdown.

After that it was a veritable race track for the Lions. Bernard Lemmons took the ball through the line for the second touchdown. Jack Coates, diminutive backfielder who promises a lot of trouble for district competition the rest of the season, scored the number three touchdown on a 45-yard jaunt.

Trying out their passing attack for the first time, Red Harrison pitched one to End Don Cook for the fourth marker. The number five touchdown was another thriller with Jack Coates sprinting 60 yards to cross the goal line. Gordon Bufford was good for the sixth and last touchdown on a line plunge.

Don Cook, place-kicking end for the Lions converted the extra point twice out of six tries in the Saturday afternoon fracas.

With no game scheduled this week-end, the Lions will not be altogether idle. Coach Sikes and Assistant Coach Marshall Brown will be putting the boys through their paces in preparation for their first district game of the season in Big Lake Friday night of next week. The boys have so far come through with few injuries and are expected to be ready for the Owls. The game will be played under the lights, which may prove something of a handicap for the locals.

Members of the local team and fans will have an opportunity to see the Lions' first and last district opponents in action against each other Friday night of this week when Big Lake and Sonora tee off in district competition on the Sonora gridiron. The Sonora athletic field was equipped with lights during the summer and the Bronchs will play all of their home games on the lighted field.

Mrs. Charlie Butler, former Ozonan, now residing in San Antonio, is here this week for a visit with friends and relatives.

## Jack Smith To Be Buried Here In Service Today

### Rankin Ranchman, Former Ozonan, Died Early Wed. Morning

Jack Smith, 50, Rankin ranchman, a former resident of Ozona and son of a pioneer Crockett county family, died suddenly at his home in Rankin at about 2:30 o'clock Wednesday morning following an attack of acute indigestion.

Funeral services were set for 2 o'clock this afternoon from the First Baptist Church in Rankin, after which the funeral cortege will proceed to Ozona for interment at about 5:30 in Cedar Hill Cemetery here. Graveside rites will be spoken by the officiating ministers, Rev. R. L. Harring of Rankin and Rev. A. J. Carson of Kerrville.

Mr. Smith was the son of the late Homer Smith and Mrs. Smith, pioneer residents of Ozona, and spent most of his early life in Ozona. He was married here Dec. 19, 1923 to Miss Gertrude Morgan, who taught in Ozona public schools. The couple left here about thirteen years ago for Rankin where Mr. Smith entered the ranch business. He expanded his holdings in that area, buying and leasing additional acreage and was conducting a considerable operation at the time of his death. He was a director of the Ranchers Wool and Mohair Assn. in Rankin and one of the largest stockholders in the Midland Production Credit Assn.

Surviving are the widow and one son, Lewis Melton Smith, the mother, Mrs. Homer Smith, two brothers, Clayton Smith of Iraan and Tip Smith of San Angelo, two sisters, Mrs. A. J. Carson of Kerrville and Mrs. Max Leath of Beaumont, and one grand daughter, Jackie Smith.

Pallbearers are Madden Read, Ozona; Clint Shaw, Walton Harrell, and Jimmy James, Rankin; George Atkins, Fort Stockton, and C. C. Thomas, Midland.

## Drouth Breaking Rains Fall Over Crockett Area

### Falls Range from Half to Three Inches On Most of County

Drouth-parched areas of Crockett county range land were given new life and ranchmen new hope for fair winter forage when general rains soaked most of the county this week.

After several weeks of threatening weather, which featured low-hanging clouds holding excellent promise of general rains, but good only for spotted showers, the rain began Wednesday morning with a slow misting fall which gradually increased in volume and continued to produce ground-wetting moisture.

Western and southern sectors of the county received the most generous falls. Ozona received .44 of an inch with the fall reportedly ranging up to three inches in the extreme western section of the county.

T. E. (Wild Horse Red) Jordan, former Ozonan, now employed on a ranch near Stanton, suffered a broken leg in a Labor Day accident on the ranch, he has written friends here. The leg was broken in three places, Red wrote, when a horse fell on him. "I was loose from the horse, but he reared up and fell back, hitting my leg with the swell of the saddle," he said.

Mr. and Mrs. Caroll Ratliff will leave Friday for Dallas where they will visit Mrs. Ratliff's mother who suffered a broken shoulder in a recent fall at her home in Greenville.

Mrs. Aleane Hudspeth and Jim Snyder of Brady were visiting friends here this week.

Swing of Southwest Farm Markets

(USDA) — Poultry and eggs, cotton and some grains went up last week, livestock remained steady to firm, but some vegetables showed weaker prices, reported USDA's Production and Marketing Administration.

Rains hampered grain shipments last week and helped improved prices. Oats, barley and corn gained one to three cents a bu. Wheat held steady. Sorghums lost around two cent a cwt. early in the week but later regained these losses.

Cotton advanced two to three dollars a bale last week. Spot market activity increased. Sales in the 10 spot markets totaled 129,300 bales compared with 92,300 bales the week before and 195,600 bales for the corresponding week last year.

Hog receipts totaled 6375 head at southwest markets this past week compared with 5525 head the previous week. Hungry demand quickly cleared all classes and weights at ceiling prices. Stocker and feeder pigs were generally scarce and good kinds brought \$17 to \$18 a cwt.

Sheep and lamb receipts were heavy with ewes at most southwest markets last week. Prices were up 25 to 50 cents a cwt. with most medium to choice ewes bringing \$7.25 to \$8.25. Trading was active and prices steady to

strong for light supplies of spring lambs. San Antonio quoted spring lambs \$14.50 a cwt. Medium and good lambs brought \$14 to \$16. Fort Worth and \$16 to \$17.25. Denver, Oklahoma City moved good and choice springers at \$17 to \$17.50.

More cattle arrived at southwest markets last week than the week before, but supplies were still light and made up largely of stockers and feeders. Most slaughter grades were scarce and brought steady to stronger prices. Stockers and feeders were firm to stronger at Texas markets but some weakness showed up at other terminals. Medium to good stocker calves brought \$13 to \$14.50, Houston; \$13.50 to \$15.50, San Antonio and Oklahoma City. Fort Worth sold common and medium

stocker and feeder steers, yearlings and calves at \$11.50 to \$14. Denver quoted common and medium stocker cows \$8 to \$10.25. Medium and good light stock steers and yearlings realized \$14 to \$16, Wichita.

SET YOUR SIGHTS It takes planning to achieve a goal. Some young men know what they want and plan for it. Others are still looking for their niche. The new Regular Army can help both. Perhaps you want to go to college but can't afford it. If you enlist in the Army, you'll get your chance. Honorably discharged after a three-year enlistment, you are eligible for 48 months of education at any college, trade, or business school for which you can qualify. The Government will pay your tuition, laboratory fees, etc., up to \$500 per ordinary school year, plus \$65 a month living allowance—\$90 a month if you have dependents. If you haven't found your spot, an Army enlistment offers you training in any of 200 trades and skills. You leave the service eligible for further training at the best civilian schools. You can assure yourself of the benefits of the GI Bill of Rights if you enter the Army on or before October 5, 1946. See your nearest Army Recruiting Station for details.

HIGHLIGHTS OF REGULAR ARMY ENLISTMENT 1. Enlistments for 1 1/2, 2 or 3 years. (1-year enlistments permitted for men now in the Army with 6 or more months of service.) 2. Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in Army, who may reenlist at any age, and former service men depending on length of service. 3. A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge. 4. A furlough for men who enlist within 20 days. Full details of other furlough privileges can be obtained from Recruiting Officers. 5. Mustering-out pay (based upon length of service) to all men who are discharged to enlist or reenlist. 6. Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement. 7. Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.

## Lions Have Easy Time in Defeating Angelo Kittens 38-0

Lions defeated the San Angelo Kittens 38-0 in their second non-strict game Saturday afternoon. The Lions in playing this game had one purpose in mind and that was getting ready for the Big game. The Lions scored just about any time they wanted, but they had their T formation and their defense was mostly. On defense the Lions played superbly. Most of the boys are game experienced and they had their knowledge efficiently used to the best of their ability. Every boy on the team saw action, and Coach Sikes credited the team with one touchdown. This coming Saturday is an overtime game and the Lions are using this week getting ready for Big game, Oct. 4.

## CANTEEN NEWS

Come one — come all — the Lions Den is now open to all high school students. It is open on Friday nights from 7 to 9, Saturday nights from 7 to 11 and on Sunday afternoons from 3 to 5. Games of pool, checkers, cards, and dancing are offered to students. People who have games and furniture that they could donate will be appreciated. The snack bar is of real importance to most of the kids and there are lots of good things to eat. The officers and committeemen are: President, Bob Cooper; Treasurer, Billie Jo West; and committeemen are Ann West, senior; Lillian Schneemann, Kerry Tandy, junior; Sue Meinecke; sophomore; and Loyd Allen, freshman.

## BETWEEN CLASSAS

After the bell rings, one gracefully picks oneself up off the floor after being knocked down by someone rushing to the door. Someday we will learn that four can't get through the door without a tight squeeze. Finally one gets to the door with only one black eye and the hall is in such a turmoil — dare anyone venture out? One finally decides to go out into the hall, after someone knocks him out the door, of course. After being knocked from one end of the hall to the other, one struggles back to the locker. The person that has the next locker opens the door with energy found only in football players and he calmly knocks one down. He very gently picks one up and asks if it hurt. One says very politely, "Of course

it didn't." He then drops one gently on the hall floor and dashes off to class! Late again for class! What excuse can one offer?

Rev. Edwin C. Calhoun, Methodist minister from San Antonio, spoke to the high school assembly Tuesday morning. Rev. Calhoun gave a very inspiring talk on dedication to the principles of how man should live which included: trust in God and love of thy fellowman.

## AN APPEAL TO YOUTH OF OZONA

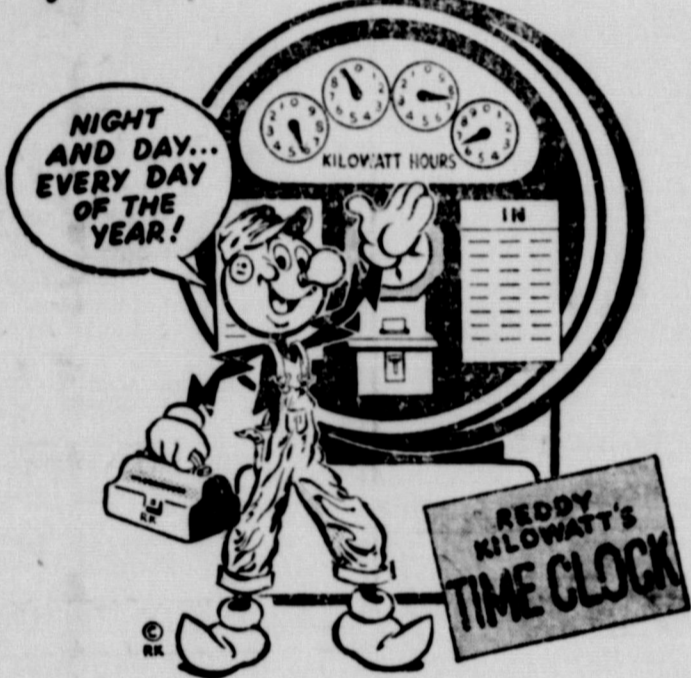

Street lights in Ozona or any other city serve a very definite purpose. Streets are lighted primarily for the protection and convenience of the people. Dark streets and alleys are an invitation to burglary and theft and possible attacks on citizens by outlaw elements. Street lights are a convenience for pedestrians at night as well as protection.

In fact, there are numberless reasons why street lights are a necessity — they were considered so before the days of electricity when it was a real effort to light by hand each gas or kerosene street lamp at dusk each evening.

A group of thoughtless boys in Ozona are causing inconvenience to citizens and expense to the public by their nightly depredations on the city's street lighting system. Air guns, 22 targets and rocks take their toll day and night of street lights. Those of us who have been boys can understand the urge to toss a rock at a street light. It makes an inviting target.

## Your Electric Meter

Only difference between an automobile speedometer and an electric meter is the unit of the measuring scale—miles or kilowatts.

Suppose you leave on an extended vacation this year. Naturally you put down your speedometer reading and when you return, by subtracting original reading from present, you have total distance traveled. Wouldn't be much fun to make extensive car trip and not know how far you had been.

Same way with electric speedometer—as above reading shows, Reddy has traveled 5,876 kilowatts, and if at the end of next month, meter reads 5,996, Reddy will have traveled 120 kilowatts. Simple, isn't it?

It's fun to keep record of Reddy's monthly trips, and realize that regardless of how constant and how fast he has traveled, and his great distance covered, his cost is amazingly small.

it pops when your aim is good and the tinkle of broken glass or ring of metal reflector leaves no doubt of your prowess as a marksman.

But the same effect can be gained by lining up a row of bottles or tin cans on the back fence and using them as targets for rock or air gun attack. And when you connect, no harm is done — that is, if you rake up the broken glass before mom discovers it and calls you from play to clean up the mess. But when you break a street light, it leaves a block or two of residential or business street in darkness, and cars parked in such dark areas are subject to theft or pilfering by thieves, or darkness may cover the activities of individuals bent on even more serious mischief.

This is an appeal and a warning, suggested by public officials, in an effort to induce Ozona boys to desist from their attacks on street lights. It is a warning because destruction of public property such as street lights is a serious offense in the eyes of the law and may be punished by a heavy fine. But officers do not wish to make arrests and levy fines unless it becomes necessary in order to stop the practice. Not once in a hundred times can a boy knock out or shoot out a street light without somebody seeing him and sooner or later he or his parents must suffer the consequences if he persists in such destructive pastime.

It is, too, an appeal to parents to cooperate in transmitting this warning to their children. Most boys would resist the urge to throw at a street light if they were made to realize the widespread damage that results and those who cannot be made to consider the convenience of others might be induced to do so by pointing out the possible consequences of a trip to the courthouse.

## Going Fishing? Here's How!

To hear Willie Wells and Basil Strube arguing about trout fishing, you'd think it was more important than the atom bomb.

Willie favors dry flies, Basil pooh-poohs anything but wet flies. Willie swears by a Royal Coachman; Basil won't hear of anything but a Silver Doctor. And by the time it comes to steel rods versus bamboo rods... #1X&\*!?!?

But on Saturday, each got back from Seward's creek with a catch that couldn't have differed by more than several ounces!

Each had used his favorite kind of fly, his favorite rod and his favorite place to cast. So over a friendly glass of beer, they allowed as how maybe they were both right... which is how so many arguments should end.

From where I sit, if we all respected one another's different opinions—whether about trout flies, or drinking beer, or voting, life would be a whole lot pleasanter.

# Here Is the Latest News about Chevrolet Deliveries

Everybody from factory to dealer is doing everything that can be done to speed deliveries to you

We have been informed by the Chevrolet Motor Division that the past month has witnessed only a slight improvement in the rate of production of new Chevrolet passenger cars. As a result, shipments of new cars to dealers for delivery are still far below the level we and the factory had hoped to attain by this time. In fact, through August, Chevrolet's output of cars in 1946 was only 22.6% of the number turned out during the corresponding period of 1941.

We know that Chevrolet is doing everything possible to step up its production totals—to ship more and more cars to us and to its thousands of other dealers throughout America... and we know, too, that we are assured of getting our full proportionate share of the current output and of future production gains.

Disappointing as the total figures have been—and despite the fact that Chevrolet was out of production entirely during the first three months of the year—it is nevertheless true that Chevrolet led all other manufacturers in production of passenger cars during June 1946, and has continued to maintain its lead in total production from that day to this.

We shall continue to make deliveries of new Chevrolets to our customers just as fast as we receive them; we regret delays as deeply as you do; we thank you for your friendly patience and understanding; and we promise you a new high motoring experience when you take delivery of your new Chevrolet, giving BIG-CAR QUALITY AT LOWEST COST!

## Keep Your Present Car Alive

Meanwhile, may we suggest that you safeguard your transportation by bringing your car to us for service now and at regular intervals. Let us help you to keep it in good running condition—to maintain its performance, appearance and resale value—until the day when your new Chevrolet comes along.

**Joy Hubbard Honored At Gift Shower in Ingham Home Tuesday**

Miss Joy Hubbard, bride-elect of Lee W. Crenwelge of Fredericksburg, was honored at a gift shower Tuesday afternoon in the home of Mrs. B. E. Ingham. Hostesses were Mrs. Ingham, Mrs. A. A. Carter, Mrs. Richard Miller and Mrs. W. C. Phillips.

Mrs. Ingham and Mrs. Carter greeted the guests at the door and presented the honoree and her mother, Mrs. C. B. Hubbard, Mrs. Miller and Mrs. Phillips alternated in the gift room and dining room.

Dale Clendenen, Mrs. Richard Miller, Jr., and Mrs. Ted White presided at the tea table which was centered with a bowl of pink and white asters mixed with silver lace vine and queen's wreath, with silver service.

Piano music was provided during the tea hours by Mrs. H. B. Tandy and Mrs. R. A. Harrell. Marilyn Hubbard and Jo Nell Oden were at the guest book and assisting in the dining room. Bowls of dahlias and firethorn berries were arranged throughout the house.

About sixty guests called during the afternoon.

**Pair Honor Joy Hubbard With Party**

Dale Clendenen and Dorothy Mayfield were hostesses at a coke party in the Clendenen home honoring Joy Hubbard, daughter of Mr. and Mrs. C. B. Hubbard, who is to become the bride of Lee W. Crenwelge of Fredericksburg on September 29.

The guest list included besides the honoree Marilyn Hubbard, Patsy Mayfield, Lillian Schnee-

mann, Edith Lou Piner, Ann West, Jo Nell Oden, Mrs. Kelly Amthor and Corinne Phillips.

The world situation, with especial emphasis on the relations between Russia and the western powers, was the subject of an in-

teresting talk made by Judge Houston Smith before the Ozona Rotary Club at its Tuesday luncheon.

Miss Joy Hubbard spent the week on the Hardin-Simmons campus in Abilene visiting friends.

**The Story of  
The Sprouting  
Telephone Pole**

Can you imagine a telephone pole that sprouts like Jack's fabled beanstalk? The tall telephone pole shown above did just that... only it did its sprouting in cost. The two poles shown in the picture are actually the same size and serve the same purpose. However, one was bought four years ago, the other this year. And this sprouting telephone pole is typical of the climbing costs of all labor and material required to provide you with telephone service. Will the pole stop sprouting? Who knows? But we do believe you should know how difficult it is to continue good service under present conditions of higher operating costs.
