## Lions Trim Big Lake Owls In First Dist. Game

### Locals Show Improvement In 13-0 Win Here Saturday

Exhibiting a lot of improvement over early season games, the Ozona Lions of Coaches L. B. T. Sikes and D. A. Parker mixed the T and and single wing formations for ground gaining plays to defeat the Reagan County Owls from Big Lake 13 to 0 on the home grid Saturday afternoon.

But the Owls were far from a push-over and battled the Lions toe-to-toe through most of the way. They threw a chill into the Lions early in the fracas when they received the Ozona kick-off and charged back up the field with passes and running play to the Ozona 21 where the locals stiffened their defense and held for downs.

But it was then that the Lions took charge. Jack Coates made it a first down on the Ozona 38 and on the next play, Bernerd Lemmons was cut loose around the end for a 62-yard run and the first touchdown of the game. The try for point was no good and the score stood Ozona 6 and Big Lake 0.

Ozona fans got another thrill in the second quarter when Nat Read skirted the end from his own 26 to go the entire distance to the pay zone. But it didn't pay off that time, the referee calling the play back on the 21 yard line where he called him out of bounds on the run. Heartened by this "break, the Owls tightened down on that defense line and held the Lions, the ball going over on the 15.

Later in the same quarter, Don Cook, Lion end, intercepted a pass on the Big Lake 30 and dashed the distance for the second touchdown, and then kicked the goal for the extra point to make the score 13 to 0 in favor of the Lions, which proved the end of the scoring for the day.

The Ozona eleven lost another touchdown in the third quarter on a penalty. The Lions had charged down field on successive first downs from their own 32, with Lemmons, Coates, Read and Harrison carrying for long gains. With the ball on Big Lake's 20 Lemmons skirted the end to cross the goal line but the ball was brought back and Ozona penalized five yards for backfield in motion. The Lions, bogged down by the Big Lake defense, tried a field goal from the 15-yard line on the fourth down, Cooke doing the booting, but the kick was low and wide and Big Lake took over on the 20.

In the waning minutes of the game, the visitors put on a determined scoring threat, backing the Lions to their own one-foot line where they made two unsuccessful tries before the final whistle ended the struggle. The Owls needed all four downs to negotiate the ten yards which gave them a first on the Ozona foot line. There two plunges were made at the center with the Ozona defense bunching to stop the Owl ball carriers, the final whistle denying the visitors their third and fourth tries for the marker.

## Boy Scouts Urged To Re-Register at Meet Next Tuesday

Members of Ozona Boy Scout Troop 53 are to be re-registered in the Boy Scouts of America at the next meeting of the troop Tuesday night at 7:30 at the Scout Cabin, Vernon Ratliff, Scoutmaster, announced this week.

All boys of the troop are urged to be present and be prepared for registration. Time is past for re-registering the troop, the Scoutmaster said, and next Tuesday night's meeting has been set as the deadline for enrolling. Unless a good representation is on hand to register a strong troop, it will be necessary to disband the troop, Mr. Ratliff said.

## George Rice, Long Time Resident of Crockett County, Dies

George Rice, 55, a long-time resident of Crockett county, died Saturday at the Veterans Hospital in Legion following a long illness.

Funeral services were held here from the Ratliff Funeral Home at 10 o'clock Monday morning, with burial in Cedar Hill Cemetery. Rev. J. E. L. Harrison, minister of the Ozona Church of Christ, conducted the services.

A military funeral was held at the graveside. Rice was in service overseas in the first World War. The burial squad was composed of J. K. Colquitt as officer in charge, D. C. Ratliff, Leo Phillips, B. B. Adwell, Dorris Haire, Royce Brownrigg, Glen Sutton and A. O. Fields. G. A. Rhoads acted as bugler.

Mr. Rice was married to Minerva Lee in Junction November 29, 1942. He is survived by the widow, a brother, Lewis Rice, and three sisters, Mrs. Mary Sapp, Mrs. Alice Sapp and Mrs. Leonard Armentrout.

Mrs. Rice asked the Stockman to express her appreciation for the helpfulness and sympathy of friends here and for the flowers sent to the service.

## Brown-Hoover Strike Reported 100 Bbls. Daily

### Well May Be Completed As Producer at 1,483 Feet

C. W. Brown of McCamey No. 1 A. C. Hoover on the west side of the Hoover (Queen sand) pool in western Crockett county was reported unofficially Thursday to have developed a flow of 25 gravity oil through casing at the rate of 100 barrels daily in drilling to 1,483 feet in lime. Preparations to complete were underway the report added.

The well is 1,650 from the north 330 feet from the east line of section 2-1-GC&SF, two miles northeast of the Clara Couch field. It originally was scheduled to drill 2,500 feet with cable tools.

Plymouth No. 1-M-A J. W. Owens quarter mile north outpost to the Clara Couch Wolfcamp field, drilled plugs from 5-inch casing to 5,887 feet, made a Lane Wells survey and perforated casing at 5,883-87 feet with ten shots.

Plymouth No. 1-O-A A. C. Hoover, 1 1/4 miles farther north, was drilling at 6,870 feet in Ellenburg-dolomite and was due to test up on reaching 6,875. On a 30-minute drillstem test of the Ellenburger from 6,773-6,835 feet it recovered 10 feet of drilling mud with no shows of oil, gas or water.

Byrd and Frost and Gulf No. 1 Mayberry-Tippett, wildcat in the panhandle of northwestern Crockett county, was pulling a core from 7,615-30 feet.

Texaco No. 1-U University, northeastern Crockett wildcat nine miles southeast of Barnhart (Ellenburger) field in Reagan county, was drillstem testing to 9,197 feet. Top of the Ellenburger was reported unofficially 8,693 feet. It previously had been said to be around 8,700. Elevation is 2,665 feet.

## Davidson's Calf Wins Fourth Place In Class at Fair

Charlie Boy Davidson's Hereford calf, fed as a Crockett County 4H Club project, won fourth place in his class in competition with the state's top calves in the 4H Club Boys show at the State Fair in Dallas.

The calf, weighing 900 pounds, plus, showed in the 800 to 1,000 pound class. The show's grand champion calf showed in the same weight class.

Charlie Boy, son of Mr. and Mrs. Chas. E. Davidson, Jr., brought his calf back and will groom him for the Houston Livestock Show late in the month.

## Gar-Ter, Texas To Drill Deep Crockett Tests

### Gar-Ter Also Stakes Five Outposts to Vaughan Strike

Gar-Ter Drilling Corp. of Fort Worth and the Texas Company have staked locations for a scheduled Ellenburger wildcat each in Crockett county. Gar-Ter also plans to drill five outposts to its No. 1 R. L. Vaughan, San Andres lime strike ten miles northwest of Ozona recently completed at 1,500 feet, 8 inches, only 8 inches in the pay. The outposts are due to drill 2,000 feet with cable tools.

Texaco No. 1 Victor I. Pierce, projected to 10,000 feet will be 660 from the south line of the west and 1,980 feet from the west line of section 5-0-GH&SA, 20 miles southeast of Ozona on a block of eight sections.

Gar-Ter's slated 8,000-foot wildcat will be No. 1 Weiner-Shannon C NE NE 16-UV-GC&SF. It will be 1 1/2 miles northwest of Weiner and others' No. 1 R. L. Vaughan an Ellenburger failure five miles south of the Midway Lane (Ellenburger) field and seven miles east of the Todd Deep field (crinoidal and Ellenburger) pool. Weiner No. 1 Vaughan was abandoned by Gar-Ter, it was reported.

Gar-Ter's five tests due to explore the San Andres will be in the east half of section 86-OP-GC&SF. It will be 1,320 from the south, 330 feet from the west line of the lease; No. 3-A Weiner-Vaughan 2,310 from the south, 330 feet from the west line of the lease, and No. 5-A Weiner-Vaughan 3,630 from the south, 330 feet from the west line of the lease.

Gar-Ter No. 1-B Weiner Vaughan will be 330 feet out of the northeast corner of section 6-UV-GC&SF, more than one mile northwest of the San Andres discovery.

## Continental Shoots Crockett Wildcat

Continental No. 1-S-A-9 University, one of three scheduled shallow tests, by the company seeking production in the San Andres in northeastern Crockett county, kicked off and cleaned itself, then filled with 1,500 feet of salt water, following a 147-quart nitrogen shot from 2,115-90 feet. The water was thought to be coming from up the hole behind the casing. An effort to shut it off was being made in order to test the section shot.

No. 1-S-A-9 University had drilled to 2,352 feet in lime and plugged back to 2,200. It is 330 feet from the south and east lines of the north half section 9-47-U, 1 1/2 miles northwest of Continental No. 1-A13 University, scheduled Ellenburger wildcat. No. 1-A-13 University, C NE SE 13-47-U, was drilling at 4,145 feet in shale. It is six miles south of the east end of the Barnhart (Ellenburger) field in Reagan county.

Texaco No. 1-U University, northeastern Crockett county, wildcat exploring the Ellenburger, showed a slight blow of air throughout a 90 minute drillstem test from 9,075-9,197 feet. The packer stuck, preventing pulling of the drillpipe and tester. Oil was being spotted around the packer in an effort to loosen it. Location is near the C NW NW 22-40-U, nine miles southeast of the Barnhart field.

## Junior High Cubs Play Iraan Thursday

Ozona Junior High Cubs will play the Iraan Juniors on Iraan soil this afternoon (Thursday). The squad will be accompanied by Coaches Parker and Chafin and several carloads of Cub partisans. Game time is 3:30 p.m.

A return game has been matched for the local gridiron on Thursday afternoon, October 16, at 3:30, which will be the first home appearance for the Cubs in their new uniforms of Khaki pants and blue jerseys with gold numbers.

## Allie Bosworth, Native Ozonan, Writer, Visits Friends Here

Allan R. Bosworth, "Allie" to friends in Ozona, author and short-story writer, an officer in the United States Navy during the last war and a veteran of more than 20 years Naval service, is a visitor in Ozona — his home town, by the way. Bosworth spent his boyhood in Ozona, attended local schools and is known to many of Ozona's old timers. He expects to spend two or three weeks here and in this vicinity gathering material for short stories and novels of the Southwest. His son, Jim Bosworth, employed on the editorial staff of the San Francisco Chronicle, left Monday for California after accompanying his father here and remaining for a few days visit. The Bosworth home is in Gilroy, Calif., where Mrs. Bosworth remained to look after the cats and dogs and other livestock on the Bosworth California ranch named "Rancho Tejacito."

Mr. Bosworth's latest novel, "Sancho of the Long, Long Horns," a book for boys, has just been published and another titled "Cabin in the Hills," is soon to be published.

## Sulphur Water Is Struck in Ellenburger Tests in Crockett

Two more wildcats in Crockett county struck sulphur water in the Ellenburger as the week opened.

John I. Moore No. 1-E A. C. Hoover, C NW SW 1-GG-HE&WT 2—miles southeast of the Clara Couch field, recovered 7,000 feet of sulphur water, with no shows of oil or gas, on a drillstem test of unreported duration from 7,226-7503 feet. It shut down for orders.

Plymouth No. 1-O-A A. C. Hoover, two miles north of the Clara Couch Wolfcamp field, encountered sulphur water in the Ellenburger at 6,970 feet. Plugging back to test slight shows in the Wolfcamp was expected. Location is 2,011 from the north, 660 from the west line of section 11-GG-H&OB.

Plymouth No. 1-M-A J. W. Owens, quarter mile north outpost to the Clara Couch Wolfcamp field, C SW SW 12-GG-H&OB, showed a small amount of gas and no appreciable amount of oil after acidizing the Wolfcamp with 250 gallons through perforations at 5,883-87 feet in 5-inch casing cemented on bottom at 5,890 feet. Deepening was likely.

Byrd and Frost and Gulf No. 1 Mayberry-Tippett, wildcat in the panhandle of northwestern Crockett county, was coring from 7,685 in brown sandy lime, seeking the Ellenburger. It flowed oil from 6,295-6,399 feet in an amount indicating commercial production. Location is 660 from the northeast and southeast lines of section 39-21-H&TC.

In the Midway Lane Ellenburger field in northeastern Crockett county, Sinclair Prairie and Atlantic No. 2-26 University was drilling at 6,650, No. 3-66 University at 5,634 and No. 4-66 University at 4,050 feet, all in shale. The trio is in section 30-46-U.

## Scattered Showers Dot Crockett Area

More scattered showers, amounting to splendid rains up to an inch and inch and a half in some sections fell in the Crockett area Monday.

Heaviest falls were reported from the northwest section of the county with showers to the east, south and west. Ozona received a light shower.

## BOOKS TO LIBRARY

Mrs. Stephen Perner recently contributed forty books to the Junior High School library. Among the volumes are Gulliver's Travels, Robin Hood, The Submarine Boys, The Land that Time Forgot, Cowboy Dave, The Red Cross Girls in Belgium, The Shorn Lamb, The Alaskan and others.

## PTA Carnival Set For Thursday Night, October 23

### Another Top-Notch Entertainment Promised By Group

The second Parent - Teachers Carnival will be staged the night of Thursday, October 23, it was decided this week by officers of the organization, Mrs. Jake Young president, announced.

Committees who are to have charge of presentation of the carnival features are already at work on plans, Mrs. Young said, and a bigger and better event in every department is promised.

The carnival will get under way at about 5 o'clock in the afternoon the organization announced, and patrons may have an opportunity to have their supper on the ground, with hot dogs, sandwiches and drinks to be served during the evening. The carnival will be staged in the city park, scene of last year's highly successful event.

There will be cat stands, dart games, bingo, fishing stands, and many other entertainment booths.

A hand-made saddle is to be given away again this year and a committee composed of Mrs. T. A. Kincaid, Jr., Mrs. Ele Hagelstein, Mrs. Lindsey Hicks, Mrs. W. V. Guidroz and Mrs. Kirk is in charge of this feature. The saddle, made by the Ozona Boot & Saddlery, is on display at the B & B Barber Shop.

Proceeds from the carnival will go into the PTA band uniform fund. The attractive band and pep squad uniforms, being worn this year by the high school groups at athletic contests, were the gift of the P.T.A. and a number of fund raising enterprises were undertaken by the organization last year to raise a large part of the funds necessary for the purchase of the uniforms. However, the obligation has not yet been filled and the PTA hopes to realize enough from the carnival to complete payments for the uniforms.

## Music Club Makes Plans To Entertain State Federation Head

"Relax and Listen" was the program theme when the Ozona Music Club met Thursday afternoon at the home of Mrs. H. B. Tandy. Mrs. Vernon Ratliff and Mrs. Brock Jones assisted Mrs. Tandy as hostesses.

Mrs. Jones was program leader. Mrs. Stephen Perner gave an interesting talk on the subject, "A Good Approach to Listening." Group singing completed the program for the day.

At a business session following the program the club voted to entertain Mrs. Few Brewster of Austin, state president of the Texas Federation of Music Clubs, at a dinner October 16 with members of the executive board present. After the dinner Mrs. Brewster will be honored at a tea in the banquet room of the Baptist Church, with members of the four federated clubs of the city and the PTA as guests.

Miss Wanda Watson was elected a delegate from the local club to the Sixth District Convention to be held in Abilene October 17 and 18. Miss Jacqueline Theis of Ozona has been invited to sing on the Fine Arts program during the Abilene convention.

Present for the meeting were: Miss Jacqueline Theis, Miss Wanda Watson, Mrs. Fred Parker, Mrs. Stephen Perner, Mrs. Horace King, Mrs. L. E. Cox, Jr., Mrs. Ed Lewis, Mrs. Eddie Bower, Mrs. Charles Applegate, Mrs. Joe Friend, Mrs. Albert Bailey, Mrs. J. C. Marshall, Mrs. Byron Stuart, Mrs. J. P. Pogue, Mrs. A. W. Saunders, Mrs. G. M. Couch, Mrs. Ted White, Mrs. C. M. Tandy and the hostesses.

Mr. and Mrs. Demp Jones and Ralph Jones attended the State University and North Carolina football game in Austin Saturday.

## Record Tax Bill Whittled Down By Early Payments

### Receipts Coming in at Rate of About \$2,-500 Daily

Crockett county tax payers, taking advantage of the 3 percent discount off county, school, and state taxes if paid during October the first month of the tax paying period, are cutting into the county's record tax bill at a beginning rate of about \$2,500 a day, Mrs. Gertrude Perry, office deputy for Sheriff Bruce Harp reported this week.

With a 14 million dollar property valuation in the county, a new record high, and a tax rate hiked by the state's maximum levy Crockett county tax payers will pay in an all-time record sum in state, county and school taxes this year — \$415,549.93.

Of the nearly half million dollars which property owners in the county will pay into county coffers, the county retains \$114,815.19 while the schools will receive for operating costs and bond retirement, \$202,505.15. The state's part from tax payers in this county amounts to \$98,228.50.

As in previous years, tax payers are being offered a discount for early payment of taxes, the discount amounting to 3 percent if paid in October, 2 percent if paid in November and 1 percent if paid in December. This discount applies only to property taxes, county, state and school, but not to poll taxes. Taxpayers are urged to avoid an error which is commonly made — including the poll tax in the discount, which error makes it necessary for the tax collector to return the check for correction. Deduct the discount on the total county, state and school taxes only and include the full amount of the poll tax in your remittance.

As has been her custom for several years, Mrs. Joe Oberkamp again led the parade of taxpayers, drawing poll tax receipt No. 1 and being the first to pay her taxes, Mrs. Perry reported.

## Lions And Backers Invade Menard For Friday Night Game

Coaches Sikes and Parker will send their Ozona High School Lions against the Menard Yellow-jackets under the lights at Menard next Friday night in the local team's second District encounter. The Lions conquered the Big Lake Owls 13 to 0 here last Saturday for their first district win.

Kick-off time is set for 8 p.m. in Menard and a large contingent of local rooters is expected to be in the stands to see the contest. Members of the High School Band will make the trip in uniform. The team will leave at 8:45 Friday morning, with lunch at Junction about 11 o'clock. Members of the band will leave from the band house at 1 p.m., some to leave earlier or later in parties already arranged.

## Motor Firm Applies New Undercoating For Preserving Cars

Wilson Motor Co., this week advertises a new service, a new "wrinkle" as it were, in further caring for and preserving the old run-down bus.

It is a special undercoating process, sprayed on the under side of fenders, body and all out-of-sight metal parts to seal them against rust and corrosion and to cut down on rattles, rumbles and seal out dust and water. A coating of from a sixteenth to an eighth of an inch in thickness of a long-lasting material is applied with a power spray gun.

Mr. and Mrs. W. E. Friend, Jr., Rosalie, Carol and Joan Holt were in Dallas the first of the week visiting the State Fair.

OZONA STOCKMAN

THURSDAY, OCT. 9, 1947

Mr. and Mrs. Floyd Henderson are visiting their son and daughter-in-law, Mr. and Mrs. Dick Henderson, and their new grandson, John Scott Henderson, at the ranch near Valentine this week.

Culberson Ranchman Practices Supplemental Feeding in Summer

College Station — Ranchmen of Culberson county believe a West Texas cattleman should put in some time keeping cattle in good shape in the summer as well as in the winter.

Guy Garren, who operates a ranch about 20 miles from Van Horn, has been feeding cotton seed cake since the middle of July. He told County Agent Samuel T. Hastings, "Those cows have got to be in good shape and have plenty of milk if you're going to get good, vigorous calves. That summer cake helps them stay healthy."

Even when the grass is fairly good, says Garren, he makes money in the long run by doing a little supplemental feeding for a healthy cow and calf on his range. Especially now, when grass is short, their weights won't fall off so badly when they're getting that cottonseed cake.

County Agent Hastings says several ranchers have tried feeding alfalfa hay during the summer months, in place of cake. It's keeping Culberson county cattle in good shape during the scarce-grass period.

Ann Harvick, daughter of Mr. and Mrs. S. M. Harvick, is back in school after undergoing an appendectomy in a San Angelo hospital.

Mrs. Lowell Littleton has been ill the past week at her home here.

Mr. and Mrs. Ralph Jones and Jan left today for Dallas to visit the Fair.

Mrs. Wayne West is in Marlin this week.

Mr. and Mrs. C. D. Allen are here from Fort Worth to spend a week or ten days visiting Mrs. Allen's parents, Mr. and Mrs. Paul Perner.

Age limitations remain 18 to 34 (17 with parents consent) for enlistment in the Aviation Career Plan and in the Army Air Forces

Mr. and Mrs. Sherman Taylor are in New Mexico this week looking over ranch properties with a view to buying a ranch in that state.

Mr. and Mrs. J. W. Owens have as their guests this week Mrs. Rocky Wilhelm and Mrs. B. G. Parker, both of El Monte, California.

**How to Tell You're Getting Old**

Doc Walters gave me this formula: It's a sure-fire sign you're getting old when you resent other people having a good time.

And the Doc means it hasn't much to do with age. There are old folks in our town who get a big kick out of seeing other people enjoy themselves—seems to keep them young in spirit, with a twinkle in their eyes!

And there are some others who resent the young folks going fishing; who feel that community games and dances are just a waste

of time; or who criticize temperate people for enjoying a mellow glass of beer with friends.

They're often well-intentioned folks, too. But from where I sit, the minute we criticize our neighbors for enjoying wholesome pleasures—like a game of horseshoes, a glass of beer, or an afternoon's fishing—it's a sure sign we're growing old (in spirit anyway) no matter what our age is.

Joe Marsh

**WHY long distance lines are so busy**

Long distance telephones are carrying a heavier traffic load today than even in wartime. Business men in search of merchandise, manufacturers and builders in need of equipment, naturally use the telephone as the quickest way to reach suppliers. Our long distance lines are still overloaded, so telephone "traffic jams" occur. If you have a few minutes' wait when calling long distance, please be patient. Today, as always, telephones carry a lot of important business.

**Six Southwest Games on Air in Week-End Broadcast**

Another exciting week-end of football broadcasts is in store for radio listeners, as Humble Oil & Refining Company's crews cover every game on the Southwest Conference schedule. Lead-off broadcast of the week-end is the Orange Bowl tilt between T. C. U. and Miami U. on Friday night. Charlie Jordan will be announcer, with broadcast due on the air at 7:05 p.m. over the following stations heard in this area: WRR, Dallas; KFJZ, Fort Worth; and KGKL, San Angelo. Humble's broadcast of the season's second conference game,

the match between Baylor and Arkansas will start at 2:20 p.m. on Saturday. In the announcer's booth at Waco's municipal stadium will be Fred Kincaid, play-by-play announcer, and Eddie Barker, color man, describing the game over station KFJZ, Fort Worth; WRR, Dallas; KGKL, San Angelo; KBST, Big Springs; KCRS, Midland; KOSA, Odessa.

The Texas University - Oklahoma U. broadcast will go on the air from the Cotton Bowl in Dallas at 2:20 p. m. with Kern Tips giving the play-by-play account, Alec Chesser will handle the color on the broadcast which will be heard over stations WFAA-WBAP Dallas-Fort Worth; KPRC, Houston; WOAI, San Antonio. The Rice-Tulane game will be

broadcast from the Owls' home stadium with Ves Box giving the play-by-play description and Bill Newkirk assisting on color. The program, starting at 2:20 p. m., will be heard over stations KTRH, Houston; and KRLD, Dallas.

The S.M.U.-Oklahoma A & M game will be broadcast starting at 2:20 p. m. from Lewis Field, Stillwater, Okla. Jerry Doggett, handling the play-by-play and Gene Heard, color, will share the WFAA-WBAP, Dallas-Ft. Worth;

KTHT, Houston; KTSA, San Antonio; and KFWT, Wichita Falls carrying the broadcast.

At 8:05 p.m. play-by-play announcer, Bill Michaels and color man Gordon McLendon will be heard from Baton Rouge, where Texas A & M meets L. S. U. The broadcast will be heard over stations WFAA - WBAP (570 kc.), Dallas-Ft. Worth; and KTSA, San Antonio.

The Rev. M. B. Carroll, minister of the Brady Baptist Church, was the guest speaker on the assembly program in the High School Auditorium last Thursday. The title

of his talk was "Remembering God." Also present was the Rev. Glen Edwards of Ozona Baptist Church, who led in some group singing.

**A New Service**

**To Protect and Preserve**

**Your Car**

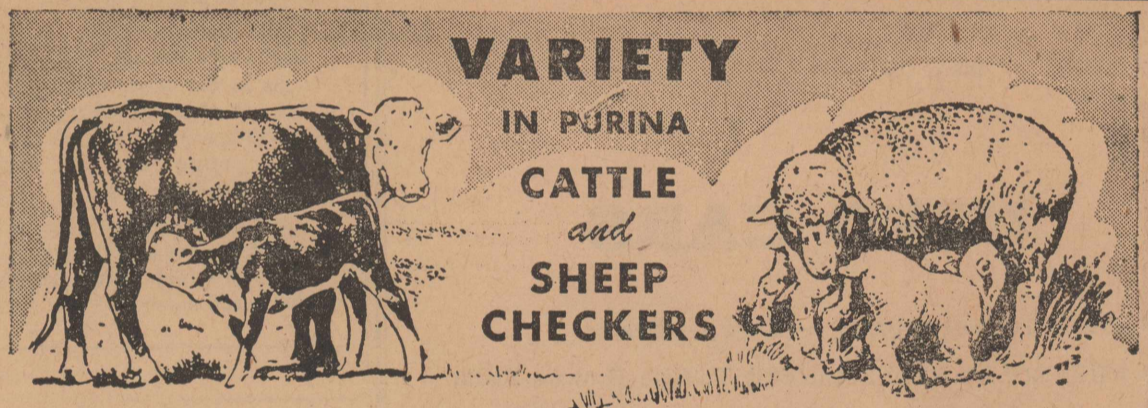

We have just installed new, late equipment for UNDERCOATING your car. This is one of the most important things since the development of Duco for the finish of your car. Listed here are some of the benefits.

1. Prevents rusting by sealing the metal under your car against entrance of water, soil acids, salts and alkalis.
2. Keeps out dust that boils up from the road and comes up into the car, by completely sealing the under part of the car with a 1-16 coat of sealing compound.
3. A cured coating remains intact and does not slump off or flow at temperatures as high as 500 degrees Fahrenheit. Remains flexible at subzero temperatures.
4. Does not chip or flake off under impact or from bending.
5. Protects the metal from the bombardment of flying gravel and stones.
6. Withstands washing and steam cleaning.
7. The metal is deadened and reduces vibration and drumming over rough roads and pavement.

We have the latest equipment that puts this on under extremely high pressure and a COATING FROM 1-16 TO 1-8 INCH THICK is applied.

Come in and let us show you this new PROTECTIVE SERVICE. It will save many, many times the original cost.

## KINDERGARTEN NEWS

For the past week the activity in the kindergarten has been centered around a doll house. It was built and painted by the children and is now being furnished with chairs, tables, doll beds and cabinets made from apple boxes and orange crates. The girls are sewing curtains, doll dresses and bedding.

Next week we plan an excursion on the hill to find various types of leaves and seeds.

## PEPPER BOX

Mr. Parker is notorious for piling on homework. One day Junior went to him and complained that it was absolutely impossible to find time to do all the problems assigned.

"Here's what you can do, suggested Mr. Parker. 'Just work half of the problems.'

Junior's face brightened. "Then," continued Mr. Parker, "next semester when you're repeating the course, you can do the other half."

Stumped by an examination question, Bill F. took a wild stab and then wrote beside his answer, "This may be wrong, but a guess is better than nothing."

When the paper came back, Mr. Sikes had added, "Not better, but just as good."

Miss Willms — "Give a definition for skeleton."  
 Skeeter — "Bones with the person rubbed off."

Mr. Denham — "I hear you're always at the bottom of the class. Can't you get another place?"

Red H. — "No. They are all taken."

Mr. Sikes — "What happens when the human body is submerged in water?"

Judy — "The telephone rings."

## BAND MOTHERS

In an election held by the band, Mrs. Melvin Brown was elected Band Mother for the 1947-48 term. Mrs. Brown picked Mrs. Ashby McMullan and Mrs. Stephen Perner as her two assistants. The duty of these Band Mothers is to help the band in all its activities.

## STUDENT OF THE WEEK

A sparkling smile, a personality plus and a joke always ready to entertain are traits that you can recognize in this sophomore girl. She enjoys all sports and is a twirler in the school band. She is about five feet four inches tall and likes picture shows and parties. She is a very good dancer. She is friendly with everyone and, we believe, that this blue-eyed, blond-haired and fair-complected girl of O. H. S. has what it takes to make the students happy. So good luck, Joan Holt, in another happy year in high school.

## WANTED

Peace — Kenneth and Marilyn Appendix back — Ann One Senior ring — Scoot

Information on what we hear about Patsy H.s being Joe B.'s steady lady; we've also heard Kenneth Parker and Joanne Deaton are making quite a pair.

One red-headed Senior boy — Sue Nat wanted. Period!

Any one of two blondes — Bill F. A letter from a certain some-

body in Baylor U. — Mak K. and Ann H. Sandwiches and punch were served later on in the evening.

More assignments; we want to be intelligent — Seniors

## SCHOOL FROLIC

The Senior Mothers sponsored a frolic for the high school students and faculty members last Saturday night on the Tandy lawn. The class presidents, band president, twirlers, pep squad leaders and the captains of the football team were especially honored. Dixie McMullan and Judy Garland from Big Lake also attended the party. The guests enjoyed dancing, playing ping-pong,

pitching horse-shoes, and visiting.

Question: I am always losing my fountain pen, pencil, lipstick, and money from my pockets at school. It always embarrasses me so when I can't find my lipstick, just when I need it. What can I do — MISPLACED

Answer: Why don't you try using one of the cute novelty purses? They are small enough not to be a worry, and I'm sure you won't lose things then, COUSIN CATHY

Question: I washed my sweater the other day and it came out too small and much too long! What should I do? — BAGGY

Answer: Before washing your sweater, draw an outline of the size and shape of your sweater. Wash it in warm, mild soap suds and lay it on a towel to dry. Then stretch it to the size of the drawing. — COUSIN CATHY

Question: Saturday night I called my favorite girl friend at 6:45 wanting to take her to the show at 7:15. But she refused. I know she likes me and had no other date that night. Why did she refuse to go with me? — DISSAPPOINTED LOVER

Answer: Well, if you are sure that she did not have another date you might consider that she does (Continued On Last Page)

## NEW STUDENT FOR THE SOPHOMORE CLASS

The Sophomores have a new member in their class. His name is Norman Satterwhite, better known as "Norm." He came to our high school from San Angelo, a week ago. He has gone out for football and may make the first string before the season is over. He is red-headed, weighs 140 pounds, and is very popular among the students. We are very happy to have him in Ozona High School.

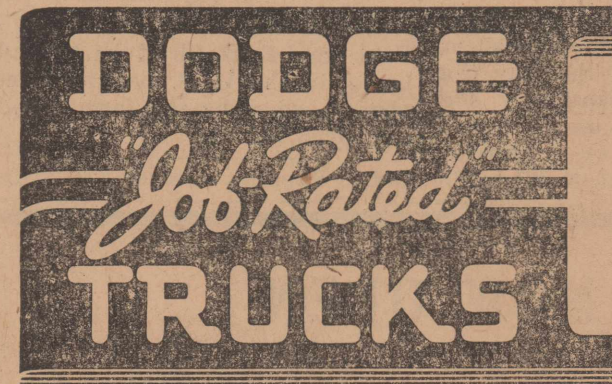

## WHO'S WHO IN NICKNAMES

You hardly know what to call your classmates now days. Everytime you turn your head someone has tagged someone else with a new nickname. Just for your information here are a few nicknames. Some are old; some are new but we think they fit quite well.

Aaron Nichols — Skeeter  
 Mary Ann Krause — Mak or Blondie  
 Betty Jo — Jo  
 Mary Katherine — Katie  
 Chris — Straw

## Discount Your Taxes

Save up to 3 Percent on Your  
 1947 Tax Bill by Prompt Payment

Crockett county taxpayers again have an opportunity to save up to 3 percent on their tax bills by prompt payment. As in the past years, a graduated discount schedule will be in effect on county, school and state taxes for the current year.

Except on poll taxes, on which no discount is allowed, the following discount schedule will be in effect during the tax paying period.

- 3 Percent Discount if Paid In October
- 2 Percent Discount If Paid In November
- 1 Percent Discount If Paid In December

Taxes paid during the month of January earn no discount and become delinquent after February 1, 1948.

No Discount on Poll Taxes

**BRUCE HARP**

**LION'S ROAR**

(Continued From Page 5).  
need time to get ready and that does not mean just 15 or 20 minutes. After all the telephone was there in the morning, wasn't it?  
—COUSIN CATHY

Ann Harvick was out of school last week due to an attack of appendicitis. She returned Saturday from the hospital in San Angelo where she underwent an operation.

**BANG!**

I'm really a very good-natured book, but when someone bangs me on the floor, defenseless as I am, it nearly breaks my binding. Why must they always pick on me? I'm no worse than all the rest. Do students really think that they can drive the knowledge out of me by throwing me on the floor, or at another idle student? How can a book stay lovely to look at and lovely to read if they mar my lovely cover with their cruel pencils and pens. And, now, look at my ears-dog-eared! By the way that hurts! A nice, clean cover does wonders for me — as much as a clean white shirt or a starched dress does for humans. When I'm

dropped on the floor by a big bully, who thinks it is funny to see the class jump, I scream so loudly, that it really adds years to my age.

Wouldn't life be delightful if the bullies would be as considerate of me as they are of their pals? I want them to be nice to me, too.

**GIRL SCOUT MEETING**

Ozora Girl Scouts met Tuesday afternoon at the Baptist Church under leadership of Mrs. H. W. Maris. The girls spent a part of the meeting time making lanyards. Present were Geraldine and Nancy May, Sandra Brewer, Margaret Raye Scott, Sandra Guidroz, Ellen Jayne Maris, Barbara Fields, Grechen Krause, Merry Harshow, Wanda Carden and LaJean Word.

FOR SALE — 1,000-watt Deleo light plant. Fully automatic with batteries. Earl Cathey, Eldorado, Texas. Phonee 2304

With a final payment to the U. S. Treasury recently from the St. Paul Land Bank, all of the 12 land banks in the U. S. became completely owned by the farmer and ranchmen patrons.
