Plymouth To Try For Completion Of 1 M-A Owens

Test Sprayed Distillate on Drillstem Test at 5833-70

Plymouth Oil Co. No. 1-M-A J. W. Owens, quarter mile north outcrop to the Clara Couch Wolfcamp field in western Crockett county, had cemented 5 1/2-inch casing on bottom at 5,890 feet in Wolfcamp, basal Permian lime, Monday. When plugs are drilled the pipe will be perforated for an attempt at completion as a producer.

The test sprayed distillate the last nine minutes of a 25-minute drillstem test from 5,882-70 feet and upon breaking down the drill-pipe recovered 60 feet of distillate. There was no water. Results of deepening 20 feet were unreported.

No. 1-M-A Owens is in the C SW SW 12-GG-H&OB, quarter mile north of No. 2-O-A Owens, second well in the field, which is a quarter mile north of Cities Service, Plymouth and Humble No. 1-B J. W. Owens, the discovery.

Plymouth 1-M-A A. C. Hoover, 1 1/2 miles north of No. 1-M-A Owens, was drillstem testing the Ellenburger to 6,732 feet. The top 48 feet of the Ellenburger was found dry on a drillstem test from 6,534-82. Location is 2,011 from the north, 660 feet from the west line of section 11-GG-H&O.

Byrd and Frost and Gulf No. 1 Mayberry - Tippett, prospective discovery producer in the panhandle of northwestern Crockett county, from 6,295-6,299 feet, was drilling at 7,551 feet in lime and shale.

The Texas Co. No. 1-U University, northeastern Crockett wildcat C NW NW 22-40-U, three miles south of Barnhart, drillstem tested the Ellenburger from 8,950-9,025 for 90 minutes and recovered 1180 feet of slightly gas-cut mud. It drilled to 9,075 feet and was testing again.

Continental No. 1-A13 University, proposed Ellenburger wildcat in northeastern Crockett, C NE SE 13-47-U, had reached 3,844 feet in lime and shale. It is six miles southeast of the east side of the Barnhart (Ellenburger) field in Reagan county.

Humble No. 11-G J. W. Owens, south outcrop to the Clara Couch Wolfcamp field, C SW SW 6-GG-H&OB, drilled ahead at 2,082 feet after four unsuccessful attempts to drillstem test to 2,036.

Cities Service No. 5 A. C. Hoover in the Clara Couch pool south of the Clara Couch Wolfcamp field pumped 208.49 barrels of 25.5 gravity oil in 24 hours for completion at 2,185 feet. The oil was cut one tenth of one per cent by water. Pay topped at 2,170 feet was shot with 48 quarts of nitroglycerin. The well is 1,650 from the south, 990 feet from the east line of section 14-GG-GC&SF.

In the Childress (Ellenburger) field in northeastern Crockett, Humble No. 1 Ethel Childress estate had drilled to 6,560 and Humble No. 2 Mrs. Grady Mitcham to 4,060 feet, both in shale and lime.

Texaco 1-U Recovers Water From Ellenburger

The Texas Co. No. 1-U University, northeastern Crockett county wildcat credited unofficially with entering the Ellenburger around 8,700 feet, 6,945 feet below sea level, recovered 360 feet of drilling mud and 120 feet of salt water on a 90-minute drillstem test from 9,025-75 feet. There was a slight blow of air throughout the test.

The best showing on a series of drillstem tests in the Ellenburger was the recovery of 135 feet of oil and 300 feet of heavily oil and gas-cut mud on a two-hour drilling test from 8,785-8,840 feet.

The wildcat is near the C NW NW 22-48-U, half mile south of the Iron county line and nine miles southeast of the Barnhart (Ellenburger) field in Reagan

New Flower Shop Opened Here By Mrs. Adams and Mrs. Kirby

Formal opening of the new House of Flowers and Gifts, a flower and gift shop to be operated in a new building recently completed a block north of Humble wholesale station, has been set for Saturday evening of this week, it is announced by Mrs. Willie M. Adams and Mrs. J. D. Kirby, owners of the new business.

Mrs. Adams and Mrs. Kirby have installed all new equipment, including a large flower refrigerator display box, workshop and gift display counters and will have on display a big stock of fresh flowers from California for the opening night Saturday.

The formal opening session will be from 8 to 10 Saturday evening and everybody is invited. Souvenir corsages will be given to lady callers.

Mrs. Adams, who recently completed a course in floral designing in the Houston College of Floral Designing, will be in active charge of the business. A full line of gift goods will be offered in connection with flower business, including copper and brass ware, china, crystal, figurines, pottery, etc. Mrs. Adams was formerly connected with The Rose Shop in San Antonio.

Flower arrangements for parties, weddings, etc., corsages, funeral work, and wired flower orders will be among services to be offered by the new flower shop.

Paving Plans Reported Near To Completion

Survey Complete, Engineers Draw Up Detailed Plans

Property owners who have been wondering what has happened in Ozona's proposed paving program will be glad to learn that work has been received by county officials here from Julian Montgomery of Austin, engineer employed for the local project, advising that final plans are nearing completion for all streets in the city signed up for the program.

Surveying of grades and measuring of all streets has been completed by a crew sent here by the engineering firm and all data was taken back to the Austin office where detailed plans are being prepared.

As soon as the plans and all figures are assembled, the engineer will return to Ozona and submit his findings to the Commissioners Court. The engineer's plans will be used by the court as the basis upon which bids will be sought on the paving.

When an acceptable bid has been received by the court on the work, committees will re-visit property owners and arrange for deposit of necessary monies in escrow after which final contracts will be awarded by the court.

'Timely Thoughts' Theme For Literary Club For The Year

'Timely Thoughts' was adopted as the theme for the year's study of the newly organized Ozona Literary Club when the group met Thursday afternoon at the home of Mrs. J. P. Pogue, with Mrs. Byron Stuart and Mrs. A. W. Saunders assisting Mrs. Pogue as hostesses.

Mrs. Stephen Perner was elected club counsellor and Mrs. L. B. T. Sikes, its nursery attendant. The group approved the year book plans and engaged in a round table discussion. Present were Mrs. R. J. Adams, Mrs. Charles Applewhite, Mrs. Cleophas Cooke, Mrs. John Futral, Mrs. W. V. Guidroz, Mrs. W. S. Hatchett, Mrs. Ted Pileher, Mrs. Fred Parker, Mrs. Jack Rutledge, Mrs. George Schulz, Mr. Pogue, Mrs. Saunders and Mrs. Stuart.

Ozona Downs Eola in Season Baseball Finale

Locals Undefeated In Second Half Play Win First Half

Ozona's baseball team emerged as undisputed champions of the 1947 Concho Basin League (in spite of Blonny Cross and Red Weatherford) when they finished the league season Sunday afternoon in Eola by defeating the Eola team 8 to 5 to make it a clean sweep, undefeated second half of the league split season. The locals won the first half championship with only one loss, which turned out to be the season's only loss out of 22 games.

It was a hectic, long-drawn-out baseball game in Eola which saw Ozona hitters nick Eola pitchers for a total of 11 hits while Lefty Shelton, on the mound for Ozona all the way, gave up eight to Eola hitters, four of them by Catcher Vogel.

A highlight for Ozona fans was the home run slammed out by Beecher Montgomery in the second inning, scoring Walker and Shelton, who had singled, ahead of him. Stuart, Cox and Sikes were Ozona's leading hitters of the day, getting two each, while one each went to Vic Montgomery, Sheffield, Walker and Shelton.

J. C. York, Brother of Mrs. N. W. Graham Dies In San Angelo

Funeral services were held Tuesday afternoon in San Angelo for Joseph Calvin York, 70, well known Vancouver stock farmer and a brother of Mrs. N. W. Graham of Ozona, who died at 12:50 p.m. Monday following an extended illness.

Rev. M. C. Dean, associate pastor of the First Methodist Church in San Angelo, conducted services from the Robert Massie Chapel, with burial following in the family plot in the Wall cemetery.

Mr. York had farmed and ranched near Vancouver for 40 years. He was married to the former Miss Laura McMillan, Sept. 17, 1902, at Crews, Texas, moving to this area shortly after the marriage. He is survived by his widow, three brothers, J. D. York of Vancouver, E. E. and C. C. York of Jayton, and three sisters, Mrs. Graham of Ozona, Mrs. G. C. Norman of Vancouver and Mrs. T. D. Bledsoe of San Angelo.

Woman's Society Opens New Study

The W. S. C. S. of the Methodist Church met in the new recreation room of the Latin-American Community Center Wednesday afternoon for the first of a series of studies on "World Evangelism," under the leadership of the Rev. Horace M. King.

The new series is a timely study of world conditions, needs, chances of world peace and the great need for the awakening of Christianity to true worship and work. Anyone interested in a sincere study of religion, its needs and opportunities, is invited to attend next Wednesday at 3 p.m. in the barracks building on the church lot.

Present for the opening session were Mrs. H. B. Tandy, Mrs. Will Baggett, Mrs. E. B. Ingham, Mrs. Floyd Henderson, Mrs. T. C. Harris, Mrs. L. B. Cox, Jr., Mrs. Charles Williams, Mrs. Willard Deaton, Mrs. Stephen Perner, Mrs. Paul Perner, Mrs. Scott Peters, Mrs. H. M. King, Mrs. Madden Read, Mrs. Joe Pierce, Mrs. Ted White and Mrs. J. A. Fussell.

Capt. Alan W. Saunders left for San Antonio early this week for two weeks reserve officer training in the Army Air Forces reserve training center at Brooks Field in San Antonio. Capt. Saunders, who flew the Hump from India to China during World War II, operates a nursery and flower shop here.

You Can't ALWAYS Believe What You See in Newspapers!

Ozona Bows Out of Basin League, But With Its Pockets Picked!

Ozona baseball managers, T. J. Bailey and Byron Stuart, sat in conference in San Angelo Tuesday night with Blonny Cross, Standard-Times sports editor and Concho Basin League arbiter, and Red Weatherford, the contentious manager of the Veribest Cultivator-Jockeys, also-rans in Concho Basin League play.

Ozona, mind you, had won the championship of both halves of the league split season, but a screwball provision in Blonny's so-called "constitution," hand scribbled on a piece of copy paper, provided for a play-off series between the winner and runner-up—the latter being Veribest in this case.

Ozona managers felt that any baseball season should be wound up well before the snow flies and argued for a cessation of hostilities in the dizzy league. But Weatherford wanted more gate receipts and the arguments waxed long and got nowhere fast.

The wind-up of the session was that Ozona managers left only to find their pocket books had been lifted—instead of getting all of the \$600 league pot, which should be the reward of a champion, or at least the big end of a 60-40 split for champion and runner-up, they took the 40 end of the split, gave Mocher Weatherford the 60 and were glad to get away with their shirts.

But the pay-off was in the reporting of the session happenings appearing in the Wednesday morning Standard-Times. The final paragraph of Cross' account of the meeting read:

"Weatherford claimed the league championship by forfeit after defeating Ozona to play Veribest just ONE game instead of the legislated full series."

That's just about as opposite as the facts could have been reported, according to the two Ozona managers' account. What really happened, they said, was:

T. J. Bailey proposed to Mocher Weatherford that the two teams play ONE game, winner take ALL, including the \$600 pot and the day's gate receipts, PLUS \$400 which Ozona would put up to make the pot an even thousand.

"We'll do it if you won't pitch your left-hander," Bailey quoted Weatherford's reply.

"You play your team and we'll play ours," was Bailey's answer. But Weatherford didn't want to give or take a chance, and Ozona managers made the best of a dirty situation, took the 40 per cent and came home.

Tonight "Family Nite" Friday "Youth Nite" At Baptist Revival

Family Nite will be observed at the First Baptist Church tonight as the revival meeting under the direction of the Rev. M. R. Carroll of Brady swings into its final stages. Rev. Glen Edwards, pastor, announced this week.

A Bible will be given as a prize to the largest family present at the services tonight. Rev. Carroll's sermon theme for tonight will be "Who Set Fire to Flaming Youth?" All members and friends of the church are cordially invited to attend this special service.

Friday night will be "Youth Nite" in the revival series and Rev. Carroll's theme for that service will be "I'd Rather Have Jesus," a topic inspired by a special song by that title introduced by the pastor, Rev. Edwards, who is leading the song services during the revival.

Rev. Edwards announced that a special feature of the Sunday morning service next Sunday will be the installation of the Sunday School teachers and officers.

Sharon Childress, daughter of Mr. and Mrs. Philip Lee Childress, was under treatment for several days in a San Angelo hospital this week.

Lions Play Big Lake Here Sat. In First Dist. Game

Slick Moving Cranes Beat Locals 18-7 Last Saturday

Coach L. B. T. Sikes and D. A. Parker were grooming their 1947 Ozona High School Lions this week in preparation for their first district contest of the season, a set-to on the local gridiron next Saturday afternoon against the Reagan County Owls from Big Lake.

The game will be at 3 o'clock Saturday afternoon, with admission prices the same as in previous games, 75 cents for adults and 30 cents for students. The same officials, J. W. West, W. H. Elkins, Percy Arthur and Joe Randall, will officiate.

Stung by last week's defeat at the hands of a heavier and more experienced team from Crane in non-district combat, the Lions are on the come-back trail this week in preparation for six straight district games, the first this week against Big Lake.

But for their rugged defense and determined but mostly futile offensive thrusts, the local team would have been smothered under an avalanche of scores at the hands of the hard-charging Cranes from Crane last Saturday.

A high-light of the game for Ozona fans, and one that largely wiped out any sadness at losing the game, was the 85-yard gallop for a touchdown made in the first quarter by the fleet-footed Lion back, Nat Read.

Read made his spectacular run on the Crane kick-off after the first touchdown. Nat took the ball on his own 15 and behind perfect blocking up field went the distance down the sideline for the marker, only one Crane tackler even so much as laying a hand on him, and that the Crane safety who was able only to pat the fast-moving ball carrier as he raced the last ten yards for the score. Cooke converted the extra point to put the Lions out in the lead 7 to 6, a lead which they held until the third quarter.

The Lions threatened early in the game when they recovered a Crane fumble on the first play after the kick-off and drove to the 8 where the attack bogged down. It was from this point that the Cranes took over for their first touch down drive, Mathis, McCulley and Henderson clipping off long gains for a sustained down field drive to pay. But the try for point failed to leave Ozona with a one-point lead through the first half.

The Cranes were knocking at the door throughout the second period, however, and twice in that frame carried the ball over the goal line, only to be called back and penalized for infraction of the rules.

The Cranes started their third quarter touchdown drive when they recovered an Ozona fumble on the 45 and combining passes and line plays pushed to the Ozona nine from which point McCulley went the distance for the marker. Again the try for point failed and the score was 12 to 7.

The third Crane touchdown came in the fourth quarter, again on a long sustained drive, Mathis carrying over from the four. A pass play was attempted for extra point, but went incomplete, making the final tally 18 for Crane to 7 for Ozona.

RAY MAYS TAKES OVER TRASH DISPOSAL SERVICE

Ray Mays is now in charge of Ozona's trash disposal service having purchased the business from Ivy Smith, Jr. Mays will continue the same service afforded by Smith. He will operate a large truck and will be able to accommodate more customers.

YOU NO LONGER GET A 'LIGHT' BILL

IT'S A SERVICE BILL TODAY!

The old-fashioned "light" bill, like the surrey with the fringe on top, is a thing of the past. Electricity for lighting is only one of many items represented by your electric service bill. Today, in most homes, you're likely to find two or more electric appliances in every room—many homes have a score or more. That's why your electric service bill can no more rightly be called a "light" bill than a "refrigerator" bill.

The cost of a kilowatt hour of service to residential users has decreased one-third in the last 14 years.

"It's Living That Counts"

I stole the title of this column from a magazine article that said a whole lot better than I can what farm and country life can mean.

We talk about farm profits, production, research, and mechanical improvements... but isn't it true, what we really value is the life country living offers us?

And country pleasures are simple: good talk at day's end, and

a glass of mellow beer with friends... the companionship of man and wife, untroubled by distractions of the city... the mutual tolerance of one another's tastes...

Music Notes

The fifth and sixth grades are
working on an operetta called
"The Special Town Meeting"
which they hope to present within
a week or two. The music is pleas-
antly modern, in fact in one place
we wonder if it hasn't lapsed into
jazz.

The eighth grade sings rounds
with a positive flair! They could
learn a new one every day if they
weren't interested in their writ-
ten work. The favorite of the week
is "O, How Lovely Is the Even-
ing."

Third Grade

We are learning about farm life
in Social Studies. We have been
studying about wheat and corn and
how they become bread. We are

making notebooks and exhibits a-
bout wheat and corn.

Thursday was Ann Baggett's
birthday. We sang happy birthday
to her. She was nine years old.

George Bunger plays with the
band. We will be glad when he
gets to play at the football games.

Erbie Chandler and Tom Max
Robison look like twins. They have
lost their front upper teeth.

Mrs. Parker let us sit under a
tree while she read a story to us
yesterday.

Louis Epperson made squeaking
noises in class yesterday. He had
to wear a dunce cap and sit on the
dunce stool.

We made farm scenes with our
water colors this week. Some of
them are very nice. This is the
first time we have used our wa-

ter colors.

Each person in our class wrote
a story for the paper. We like this
one best.

PEPPER BOX

Sonny Meinecke: My sister was
lucky the other day. She was play-
ing a game at a party where the
boys had to kiss the girls or buy
them a box of chocolates.

Tommy Laxson: How was your
sister lucky?

Sonny M.: She came home with
fourteen boxes of chocolates.

Mak Krause: What is the plural
of man?

Lillian Schneemann: Men.

Mak K.: What is the plural of
child?

Lillian S.: Twins!

Bill Melton: Is your new roping
horse well-behaved?

Jack Coates: He certainly is!
He has such good manners that
when we come to a fence, he stops
and lets me go over first.

Miss North: (i n history class)
Lin, can you tell me where the

Red Sea is ?

Lin Hicks: On the third line of
my report card.

Alton Smith: Why do we eat
carrots?

Kenneth Parker: Because they
are good for our eyes.

Alton S.: How do you know?

Kenneth P.: Did you ever see a
rabbit wearing glasses?

Editorial by Ralph Carden

Joe Jordan sure is a snob!
That's the word that's going a-
round among the 'crowd.' Why he
wouldn't let Ginny Harding copy
off of his paper during the exam
the other day! What's more, in-
stead of being a "sport" and help-
ing the crowd carry off those
smudge flares from around that
construction project over on Third
St., he said he wouldn't have any
part of such a stunt. He said,
"Fun's not fun when it bothers
other people's rights or property."
Imagine!

BROWSING

"Dawn's Early Light" conveys
struggle between right and
wrong in man's mind. Julian Day
young Englishman who finds
himself in the middle of a lot of
trouble when he goes to America
in 1776. It is a few years before
the Revolutionary War and Julian
finds that there is much conflict
between England and the Colo-
nials. Julian is torn between loy-
alty to his king and his belief that
the colonists have a just cause.
Finally makes up his mind and
goes off to join the American ar-
my to fight for what he thinks is
right. He leaves behind many
lovers, and the young girl he
loves waits for him until he re-
turns.

There are many enjoyable hours
reading between the covers of
"Dawn's Early Light".

LION'S ROAR—

(Continued From Page 5)

The point of the little fictitious story is that we here in the U. S. sometimes get the idea that everyone must do as we do unless they wish to be considered a poor sport, or something else. This idea would be fine to follow if we were perfect. That is a big "if." We talk about the horrible conditions existing in Europe, Asia and the entire world, but what do we do to better conditions and set a good example for others even in our own little community? It is a fine time we resolve to act instead of merely talk. What do you think?

LIBRARY NOTES

Since October the first of last year, the Ozona High School Library has acquired three-hundred twenty-five new books, and of that number two-hundred sixty-one were gifts.

We are grateful to the students and students' parents of O.H.S. who have presented the library with these books.

We have recently received a box of 35 books which were a gift from the Vic Montgomerys.

They consisted of recent best sellers in the field of fiction.

THE BAND HALL REPORTS

Everyone had better watch out if he ever gets too near the band hall. He might get in someone's way because there are approximately 55 students enrolled in band. They are from the second to the twelfth grades. Of course not all can play very well yet, but just wait. Hold your hats everybody, because the Ozona Band is going to be entered into the state contest this year. All the students can be looking forward to playing solos in competition with other schools at Odessa this year. The date for the state contest has not been announced yet.

Alvin Harrell is recuperating in a San Angelo hospital after undergoing an operation Tuesday of this week.

Mrs. Zeke Cooke underwent an operation in a San Angelo hospital last week.

Mr. and Mrs. F. S. Couey of Pecos were here this week for a visit with Mrs. Couey's mother, Mrs. J. O. Secrest.

Farm Price Outlook Good for Balance of Year and Into 1948

COLLEGE STATION — Good management practices by Texas livestock and poultry producers are likely to pay even bigger dividends the remainder of this year and on into 1948, says C. H. Bates, farm management specialist of the Texas A. and M. College Extension Service.

Economists of the U. S. Department of Agriculture point to the probable continuance of heavy exports on grain, cotton and other staple commodities as a factor

which is bolstering prices. The prospective short corn crop, says Bates, is influencing the level of other feed prices, which affects production costs of meat animals, dairy and poultry products.

In the face of higher feed costs, wise producers will aim at the best possible returns from purchased and home grown feed, the farm management specialist says, and suggests that they consult their local county agent for specific information on feeding and points out that careful plans laid now can mean more profits, whether prices go up or down in future.

J. E. Crawford Opens Ozona Barber Shop

A second barber shop opened for business in Ozona this week. J. E. Crawford, formerly of Iran, opened for business in a three-chair shop in a location next door

to the old Ozona theatre. The building will occupy quarters recently built in a part of the old theatre office and entrance. Mr. Crawford is the only barber at present, but he plans to employ two additional men as soon as possible, he said.
