Here and There

By J. Troy Hickman

CANCEL PECOS GAME

There is a sentiment developing among the mothers and dads of the football squad in favor of cancelling the game with Pecos, which means that we must pay the forfeit. I, for one, will be glad to put up my part of the forfeit.

It was a mistake to schedule a game with Pecos. It doesn't matter who did it. It was probably the best mistake. Maybe at the time the series was scheduled, it was not as much difference between the teams as there is now. The situation seems to be that we are really a B class team that is most of its games against A class teams. The basis of this decision is enrollment of students in the high school. Pecos is rated as an AA team, two whole grades above our classification.

Sometimes happens that a school will produce a strong team and a large school will have a weak one. But the general rule is that the size of the school governs the power of the team. This is true both in high school and college. Test it for yourself by comparing scores on the played this week-end.

There has a big heavy team this year for the state title in the class. In two games played against them already this season, our boys have been crippled up. There is every reason to believe that our boys played Pecos, would get injuries which would handicap them in the disarranged games remaining on schedule.

What good purpose would be served in playing a match? The Lions do not have a chance to win. There would be a real contest. The only question is how big the score would be against them. Such a score would be bad for the morale of our boys who has a stiff schedule of it. It is also bad for the boys, most of whom pay money to see a real contest.

Our boys on the Ozona team should share this sentiment. In a game to my own boy, who is a member of the squad, I will say I am talking only for myself. I will not play for him. He and the other boys probably feel that they are bound to play the game scheduled, or be thought of as a quitter.

Our boys have proved over and over that they are not afraid. They have consistently played which have outweighed and outplayed them. In all these contests they have given a good account of themselves. The Lions are a tough, gritty crew, and their boys have given them some good games. If they can keep from being crippled up in futile attempts to hold bigger squads, they have a chance to win some games this season.

It is also fair to say that Coach [Name] is not the author of the forfeit game. No doubt the intention is to play it out, as scheduled. But some of the parents and the supporters of high school football in Ozona believe that a good purpose would be served in playing this game. I understand that a petition has been started, asking the school authorities to forfeit the game. I like to have a chance to see that petition.

It does not make so much difference what people say or think. The thing is to be right. It is to me that the right thing, the reasonable thing, and the thing which would be to pass up any glory to the cause of our boys or any good to the Ozona community.

In the future, let's stay in our class, as much as possible. Let's be fair to the Lions or to the fans of Ozona to match teams repeatedly against squads that are bigger, heavier, and more reserves. It we were to play our own class, or near it, we could consistently win fifty per cent of all their games (continued on Last Page)

Conoco Oiler North Extended For Elkhorn

Well Has Flowing Potential of 1,558 Barrels Daily

Conoco No. 1-D Shannon has been completed 1/4-mile north of production in the Elkhorn (Ellenburger) field in Crockett county for a daily flowing potential of 1,558 barrels of oil and 780.7 thousand cubic feet of gas.

Gravity was 40.1 and gas-oil ratio was 501-1.

Production was through a 42-46-inch choke from perforations between 7,224-249 feet set at 7,463 feet and plugged back to 7,378 feet.

Potential was calculated from an actual six-hour flow. Tubing pressure was 300 pounds with packer on casing.

The project had reported a sample top of the Ellenburger at 7,165 feet on elevation of 2,689 feet.

Location is 660 feet from the most northerly south line and 3,300 feet from the most westerly west line of section 20-UV-GC&SF, Continental Oil Co. No. 1 D. A. Friend, Crockett wildcat in J. McClelland survey 28 1/2, was drilling at 7,832 feet in sand and shale.

Continental Oil Co. No. 1-B Harris, wildcat in 17-HH-GC&SF, was drilling at 8,688 feet in lime.

Continental Oil Co. No. 1-C Harris, wildcat in 4-BB2-F, Boren survey, was drilling at 7,984 feet in lime and shale.

Humble No. 1 Martin, wildcat in 38-OP-GC&SF, was preparing to run casing to 3,950 feet and drill ahead.

Byron Williams of Ozona No. 1 Childress, wildcat in 28 1/2-CD-P. L. Childress, at total depth of 1,380 feet in sand and shale, was shut down for repairs.

Elkhorn (Ellenburger) field activity: Conoco 26-A Shannon, at total depth of 1,750 feet, was waiting on cement on 7 1/2-inch casing cemented at that point with 425 sacks; Conoco 27-A Shannon, drilling at 6,738 feet in sand and shale; and Conoco 30-A Shannon, drilling at 1,757 feet in lime.

Sonora Rifle Club Sponsors Exhibition Shoot by Ken Beegle

Members of the Sutton County Rifle and Pistol Club will sponsor a free shooting exhibition by Ken Beegle, world famous marksman, shooting under sponsorship of the Remington Arms Co.

Mr. Beegle will stage a shooting demonstration at the Sutton Club's range beginning at 2:30 p.m. Sunday, October 5.

Beegle's exhibition is replete with thrilling feats of marksmanship which seem almost impossible to the average sportsman. He uses fourteen different types of guns and is equally proficient with rifle, shotgun and pistol. His lecture on proper and safe handling of guns, which runs through his exhibition, is one which every father should have his young son hear.

Mrs. Beegle assists her noted husband in all of his exhibitions. She is an accomplished sports-woman and loves all phases of outdoor life.

Ozonans are cordially invited to witness the exhibition.

Marine Recruiter, Now at Waikiki, Pines For Visits To Ozona

T. Sgt. Jack B. Harmon, U. S. Marine Corps recruiting officer who was stationed at San Angelo and visited Ozona on regular trips in the interest of recruiting for the Marines, is stationed in Hawaii.

On a picture postcard showing a scene on glamorous Waikiki Beach, Sgt. Harmon writes, "I'm sure missing those periodic USMC recruiting visits to Ozona. Wish you'd remember me to 'Red' in the barber shop, the Sheriff, Dr. Lemmons and the boys in the Lions Club. Also your high school principal."

Cpl. Bill Hoover, Jr., Lands in California After Korean Service

Cpl. Bill Hoover, Jr., son of Mr. and Mrs. Bill Hoover of Ozona, was among a group of veterans of the war in Korea landing aboard a troop ship in California Wednesday. He telephoned his parents Wednesday morning.

Cpl. Hoover will travel by troop train from California to Fort Sam Houston in San Antonio where he will be processed for a 30-day furlough after which he expects to be placed on inactive duty.

Hoover has been in overseas service since last fall, going overseas with the 40th Division. The division trained in Japan until January of this year when it went into combat in Korea. Cpl. Hoover was attached to a scout dog unit, training and using dogs in front line service against the Communists.

The dogs and their soldier masters evidently were an effective weapon against the communist sneak tactics, the unit being widely publicized by Army correspondents. An Army battle action photograph of Cpl. Hoover and another soldier with their scout dog, peering out from the underbrush toward enemy lines, recently appeared in many Texas papers.

Another Ozona service man, Cpl. Alfred Garza, who went overseas with the 40th Division, is nearing the end of his tour of foreign service. After more than six months in combat in Korea, Cpl. Garza was recently assigned to guard duty on Koje Island, scene of frequent communist prisoner uprisings.

Vaughan Field Is Extended By Gulf Oil Strike

Gulf No. 12-K Shannon estate has been completed one location north and west of production in the Vaughan field of Crockett county.

The oiler was finished for a daily pumping potential of 231 barrels of 28 gravity oil with a gas-oil ratio of 72-1.

Production was from perforations in tubing between 1,414-18 feet. Five and one-half inch casing was cemented at 1,389 feet, on total depth of 1,455 feet. Top of pay was picked at 1,414 feet on elevation of 2,625 feet.

Location is 990 feet from the north and 1,650 feet from the east lines of the southeast quarter of section 4-UV-GC&SF.

Sandor Petroleum Co. of Abilene has filed application to deepen its No. 1-A Bouscaren heirs, formerly M. & M. Production Co. No. 1-A Bouscaren heirs. The well was shut in about four years ago due to a high gas-oil ratio. Sandor will deepen from approximately 1,470 feet to 2,500 feet with cable tools.

Location is 330 feet from the south and 1,650 feet from the east lines of section 29-HE&WT, six miles east of Iraan.

La Gloria Corp. of Corpus Christi and San Angelo and Cummins, Berger and Smith will drill a 7 1/2-mile south outpost to production in the Elkhorn (Ellenburger) field of Crockett county.

It will be the No. 1 J. M. Shannon estate.

Contract depth is 7,500 feet with combination tools.

Location will be 660 feet from north and 896.4 feet from east lines of south half of section 23-UV-GC&SF.

Humble No. 1 Davidson, wildcat in section 5-F-GC&SF, was drilled stem testing between 8,857-970 feet. Earlier, a 30-minute drill-stem test between 9,774-857 feet recovered 30 feet of drilling mud with no shows.

Frank McMullan, Jr., son of Mr. and Mrs. Frank McMullan of Ozona, has been placed on inactive duty and has returned to his home here. McMullan has been on duty with U. S. Army forces in Alaska.

Gonzales Polio Foundation Drive Nets \$782 Here

Funds to Support of Texas Institution For Children

Last Saturday's concentrated drive for funds to support the Gonzales Warm Springs Foundation for Crippled Children netted \$782.22, Mrs. Ashby McMullan, drive chairman, reported this week.

The campaign was conducted by a committee of workers assigned from many of the organized groups in Ozona. It was a one-day drive but those who may have been misled by the solicitors may still make a contribution to the fund if they desire, Mrs. McMullan said. Anyone wishing to make a donation to this worthy institution is asked to call Mrs. McMullan.

Mrs. McMullan expressed appreciation to all workers who so ably assisted in the drive. Committee members included the following: From the W.S.C.S. of the Methodist Church, Mrs. Boyd Clayton, Mrs. Bill Baggett and Mrs. Max Schneemann; from the Ozona Woman's Club, Mrs. Charles Williams, Mrs. M. B. Flippen and Mrs. Ben Lemmons; from the Ozona Literary Club, Mrs. Ken Cody and from the Woman's Forum, Mrs. Miller Robison and Mrs. John Coates. Volunteer workers included Mrs. Brock Jones and Mrs. James Baggett.

Mrs. McMullan also expressed her appreciation to all who assisted by placing contribution boxes in business places and in the schools. Boxes were placed at the picture show, the barber shop, Cleneros Grocery and the Montgomery Grocery.

All of the funds collected in this drive will go to the Gonzales institution, the drive not being connected with the annual March of Dimes campaign in January for the support of the National Foundation for Infantile Paralysis.

Ozona Blind Girl Gets Seeing-eye Dog From Calif. Foundation

Olivia Sanchez, blind Ozona girl, was scheduled to return home this week with her new seeing eye dog, secured from the Eye Dog Foundation at Azusa, Calif.

Miss Sanchez has been at the Foundation in Azusa for the past month getting acquainted with her seeing eye dog and training with him.

The Eye Dog Foundation at Azusa is one of the oldest guide-dog schools in the nation. More than 300 dogs have been turned out for service to the blind in the last decade. The institution is supported by public donation and no charge is made to the blind for the dogs. They are donated on the basis of adaptability and urgency and without regard to race, religion or economic station. Applicants for dogs are brought to the school where dog and future master train together for a full month. They work together, eat together, live together and learn to develop mutual love and faith. It is estimated that it costs the Foundation approximately \$1,000 to provide a blind person with a guide dog. Eye dogs are loyal, intelligent animals that lead and protect blind folk. More than that, they help make the blind self-supporting and useful citizens of the community.

Sheriff's Posse To See Pictures of Ozona Football Games

The Crockett County Sheriff's Posse will be hosts at a public meeting in the high school auditorium Tuesday evening, October 7, when motion pictures made of all home games played to date by the Ozona High School Lions will be shown.

The auditorium program will start at 7:30 o'clock. Doughnuts and coffee will be served by the Posse following the showing of the movies. The game pictures have been photographed by Jack Wilkins.

Harris Ranch Test Recovers Condensate And Gas From 8100 Ft.

A northern Crockett county wildcat, Continental Oil Co. No. 1-C Harris, has recovered condensate and gas from an unidentified formation.

On a one-hour drillstem test between 8,067-8,100 feet, gas surfaced in three minutes and was gauged at an estimated rate of one million cubic feet daily.

Recovery was 277 feet of condensate.

Flowing pressure was 300 pounds; bottomhole pressure, 3,350 pounds.

The project cored from 8,100-24 feet and recovered 23 feet of tan to gray lime showing oil in the top 20 feet. The bottom three feet was tight lime and chert.

Operator reamed hole between 8,100-24 feet and was preparing to drillstem that section.

Location is 1,980 feet from most northerly north line and 3,300 feet from most easterly west line in section 4-BB2-F, Boren survey, 12-5 miles south of Texon in Reagan county.

Earlier, No. 1-C Harris recovered 470 feet of slightly oil and gas-cut mud and two feet of free oil on a one-hour drillstem test between 7,861-7,884 feet.

Annual P. T. A. Carnival Slated For October 17

Committee Plans Enlarged Entertainment Features

Fall time is PTA Carnival time and the Ozona Parent-Teachers Association has started the wheels turning for a bigger and better carnival in the city park downtown.

Date for the 1952 carnival has been set for October 17. The carnival committee, headed by Mrs. Early Chandler, has had preliminary planning meetings and the signs all point to an enlarged entertainment program in the park this year, Mrs. Chandler said.

Other members of the PTA Carnival committee are Mrs. A. O. Fields, this year's president, Mrs. Ashby McMullan, Mrs. Miller Robison, Mrs. Dempster Jones and Mrs. Brock Jones.

San Angelo Kittens To Invade Lair of Lions Friday Night

Still seeking victory this season, the Ozona Lions will try their hand at the San Angelo Kittens, Bobcat B team, on the Lions Field gridiron here Friday night.

The Lions last week lost a close one to the Crane Golden Cranes, a 6-0 affair which saw the Lions early in the game advance to the one-yard line only to fizzle their chance at a score. The Cranes were a mediocre team as football teams go and some players tried to cover their mediocrity with rough play. Two were chased from the game for personal fouls, neither as early as they would have been had the officiating been done from the grandstand.

The Lions held the advantage in first downs through three quarters, with 10 to 5, but a fourth quarter let-down saw the Cranes pile up 7 to 1 for the Lions. The Lions gained 225 yards to 244 for the visitors.

Mrs. Massie West of San Angelo and Mrs. Bit Terry of Colorado City and her 3-months-old son, Steve, visited Mrs. West's parents, Mr. and Mrs. E. B. Baggett, Jr., and her sister, Mrs. Boyd Clayton, and family here this week.

Mr. and Mrs. J. H. Tabor, former Ozonans now living at Pampa, ask to be remembered to Ozona friends. In a letter accompanying a subscription renewal check, the Tabors wrote, "We do enjoy reading the Ozona news and miss all of our friends there. We like Pampa real well, too, and hope we'll stay here a long time. Have been here two years."

Citizen Board Named to Manage Ozona Hospital

Group to Employ New Manager, Supervise Operation

Management of the Ozona Hospital hereafter will be in the hands of a Hospital Board composed of six citizens named by the Commissioners Court and given authority under a special Texas statute authorizing counties to operate hospitals.

The new board, named by the Commissioners Court and delegated management authority, met Tuesday night and perfected the board's organization.

Tom Harris was elected president, Lowell Littleton, vice president, and Mrs. Charles Williams, Jr., secretary - treasurer. These three members were appointed for two-year terms. To serve one-year terms on the initial board Mrs. P. T. Robison, W. T. Stokes and Mrs. T. J. Bailey were named. Board members serve without pay.

The Commissioners Court has been acting as supervisors of the hospital since the resignation of G. T. Ball as manager ten days ago.

The new Hospital Board will have the responsibility of employing a manager and supervising the hospital's operation in the future. Under the Texas statute its authority and duties are outlined, with regular meetings, hospital inspections, etc., specified.

The first action by the new board was to start a search for a competent manager. A state agency has been contacted and the board expects to begin receiving applications within a few days.

"It's all new to members of the board, but we feel that with a little study of the matter and with the cooperation of the people of Crockett county, we can bring about a satisfactory set-up to make the Ozona Hospital a real asset to this community," Mr. Harris said on behalf of the new board. "It will be our purpose to employ the best manager we can find and see to it that he has harmony within the organization and maintains the hospital on such a service level that it will be satisfactory both to practicing physicians and their patients. We have as fine a little hospital as will be found anywhere and it is serving a real need in Ozona. We of the Hospital Board hope that we can contribute to its continued growth and service."

T. J. Baileys to Visit Brother Buck and See Washington-Baylor Go

Mr. and Mrs. T. J. Bailey and Joe and Martha will leave Friday for Waco to witness the football game between Washington State University and Baylor University. Buck Bailey, brother of T. J. and well known to old timers throughout this territory, is line coach and baseball coach at Washington State, thus the occasion for the Ozona Baileys urge to see the Waco contest. Incidentally, Buck is serving his 26th year as Washington State coach.

A sister of the Bailey brothers, Mrs. J. A. Nixon and Mr. Nixon family group CKBETAONSHRD from Fort Worth, will join them in Waco and the family group will join the Washington State football squad and coaches in a trip to College Station to see the Texas Aggies go against Kentucky in a night game.

Mr. and Mrs. J. T. Keeton have returned after a visit in Fort Worth and Dallas with their sons, Joe and Harold and their families. Their son-in-law and daughter, Rev. and Mrs. Leland Wyatt of Herndon, Va., were also on hand for a few days visit. They had been at the bedside of Rev. Wyatt's father who was seriously ill in New Mexico. Mr. and Mrs. Keeton brought back their grandson, Steve Keeton, son of Mr. and Mrs. Harold Keeton for a few days visit.

Soil Conservation District Elections Set for October 7

One subdivision in each of Texas' 163 Soil Conservation Districts will elect a member to its district's Board of Supervisors October 7, V. C. Marshall, executive director of the Texas State Soil Conservation Board, has announced.

Under state law, which established State Soil Conservation districts, each district is divided into five subdivisions and each subdivision elects a member to the five-man supervisory board.

Terms of office are rotated so that one supervisor is elected every year for a five-year term, and it is subdivision four's turn to select a supervisor on Tuesday, Oct. 7.

A general meeting of landowners in subdivision four of each

district is also scheduled for that date.

Soil Conservation districts are legal subdivisions of state government directed by a board of supervisors. The supervisor's job is to develop programs for conserving soil and water and to direct the district's activities.

State and federal agencies, along with individuals, businesses and corporations, help the supervisors carry out measures to prevent wind and water erosion, soil depletion and aid in flood control.

All landowners in subdivision four of each soil conservation district should attend these convention elections to select their supervisor.

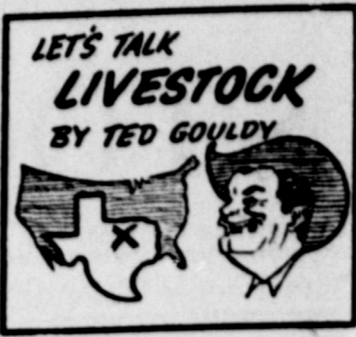

Marjory Hickman Enlists in Waves

The first to enlist as a WAVE at the recruiting station in San Angelo during the present calendar year, Marjorie Hickman left last Friday for Houston to be sworn into the women's branch of the Navy. Marjorie is a daughter of the Rev. and Mrs. J. Troy Hickman of Ozona.

Born at Temple, Miss Hickman attended public school in various Texas towns and graduated from San Marcos High school. She attended the Junior College in San Angelo and the Southwest Texas Teachers' College at San Marcos.

After being sworn in at Houston, she will report on Thursday of this week to Bainbridge, Md., for nine weeks of basic training. Following a leave of absence during which she expects to return home for a visit, Marjory will receive her first regular assignment as a member of the WAVES.

LOST — Man's Mido wrist watch. Has broken leather band with silver buckle set. Reward for return to the Stockman office. 1p

FORT WORTH — Heavy pressure continued on cattle and calf prices this week. Another excessive run of grassers and shortfeds appeared at the 12 major markets Monday when over 165,000 cattle and calves appeared and roughly 75 per cent of these were grassers and stockers and feeders at many markets. This was over 23,000 over a week earlier and over 42,000 over the same day last year.

Most cattle and calves ruled 50 cents to \$1 or more lower at Fort Worth, with some spots \$1 to \$1.50 off on calves and yearlings and the plain and medium steers. Stocker demand remained narrow over the country and packers reported excessive supplies of meat other than strictly choice grain fed beefs.

Deterioration of pastures in Kansas and Oklahoma increased the rush from those areas. Continued lack of moisture dampened prospects for wheat grazing over Texas-Oklahoma-Kansas plains.

Hogs opened the week with 25 to 50 cents higher prices and a top of \$20.75 to \$21. Sows drew \$17.50 down. Sheep and lambs opened steady.

Good and choice fed steers and yearlings sold for \$23 to \$30, odd club calves \$33 and \$34, while plain and medium slaughter kinds sold at \$14 to \$22 with cutter grades from \$10 to \$14. Stocker steer yearlings bulked at \$14 to \$24, with a few choice lightweights to \$25. Stocker heifers sold from \$22 down.

Fat cows cashed at \$13.50 to \$17 with canners and cutters at \$9 to \$13.50. Stocker cows sold from \$14 to \$18.50. Bulls sold from \$12 to \$19.

Good and choice slaughter calves cleared at \$20 to \$27 and plain and medium slaughter kinds sold

OFFICE SPACE For Rent at Hotel Ozona. See Jack Holt. 1c

House FOR RENT. See Hubert Baker at Baker's Food Market. Phone 3. 1c

from \$14 to \$19, with cull sorts from \$10 to \$14. Good and choice stocker calves sold mostly at \$20 to \$27, while plain and medium sorts sold from \$15 to \$19. Good and choice fat lambs sold from \$18 to \$22 and stocker and

feeder lambs sold from \$10 to \$17. Cull lambs, yearlings and two's sold from \$8 to \$10. Fresh shorn lambs and sheep usually sold \$1 to \$2 under woolskins. Yearling wethers sold at \$17 down, and two-year-olds sold from

\$12.50 down. Aged wethers sold at \$10 down. Slaughter sold from \$5.50 to \$7, and solid mouthed ewes drew \$7 \$8.50. Old bucks cashed at \$6.50. Feeder yearlings sold \$10 to \$12.

"... and they're 'just right!' Of course, they were Cooked Electrically"

Grandma's pies were something to remember... but they were no better than the pies you can bake today with the modern electric oven. One pie for supper or half a dozen for a party... cooking with a modern electric range is fast, and so easy. There are no new tricks to learn — in fact, the automatic features of the new electric ranges plus exact temperature control make good cooks better.

If it's Modern — Of Course, It's Electric!

Crane Takes Lions 6 to 0

Carl Conklin
The Lions and Crane played a tight Friday night with only one score late in the third quarter. The Lions received 3 first downs and 2 by penalties. Crane scored by aerial plays to 92. Lively scored the only touchdown of the game, going through the middle for eight yards total yardage gain to Ozona's 183. Cooper passed for 38 yards. Mark one for 7, Garlitz took 16 and Conklin one for 31. Crane received 11 penalties to 9. Next week the Lions play the Del Rio Kittens here. The Kittens at Rochelle 40-12 so let's hope the Kittens 40-0. The B team is opening its season Saturday at Del Rio.

SPRIT

Lonny Henderson
It is something everyone has to be anything in life. It is to reason that a horse will win a big race without a dog or any animal for that couldn't win a fight with a amount of spirit it takes a good fighter. School is most important of all, but applies to people. In the home, or on the football basketball court, baseball any other particular sport spirit is necessary to win a square game of anything. Spirit is important, without it, your team has nothing. If you get out and yell good school spirit, your team will win, because it has the support of people with spirit. We at Ozona High have a certain amount of spirit but we need more to make our boys feel they have the backing of all instead of just the school. Go to that football game Friday night, let's let the boys know we're there to help them win with the Kittens.

THOUGHT

Men's faults are many; women have only two—anything they say, and everything they do.

Senior Trip May Have Gone Un in Smoke Of Popcorn Machine

"It's all burned up."
"What's all burned up?"
"Our senior trip, I suppose, but maybe, we can make it to Barnhart."
"How come?"
"Well, you see, it all happened just like this:
We were awaiting the return of more pop corn last Friday night at the game when the grease in the pop corn machine caught fire. The brave seniors pulled the plug and ran because the fire started. Well, all of them ran except the two trapped between the machine and the coke box. With the supervision of all the by-standers the glass door was closed but it was broken by the heat. Finally it was thrown to the ground and the fire was put out, leaving nothing but burnt corn, broken glass, and other worthless pieces of the machine.
How far is it to New Orleans? Well, that has just become a thing of the past. Let's concentrate on how far it is to Barnhart."

Question of the Week

By Kenneth Phillips
This week we decided to find out what the girls of OHS think of the boys of OHS. Well, we found and here they are . . .
Betty W. — I like them — especially one.
Alena Faye — O. K.
Tommye — It all depends on which one you are talking about.
Kay S. — They're all O. K. — except one that isn't normal.
Viv — Considering, they'll do.
Robbie — They're crummy.
Susie — I have met some of the sweetest boys that I will ever meet in OHS.
Billie — Ha ha!

We beat Pecos?!

FROM THE EDITOR'S BOX

"Oh, today's Thursday, the paper comes out today." "I can hardly wait to read the Lions Roar this week."
These were some of the comments heard around school last Thursday. It seems like everyone is taking an interest in the school paper and we of the paper staff are very happy about it.
Although this is only the third edition of our paper since school started, we think the student body is really going to back the paper this year. The Lions Roar staff would like to take this opportunity to thank all of you for your interest and support and to ask that you keep it up all year.

Dear Fannie Fix,
What is your solution for learning Algebra? I have studied and worked and tried to understand and even with all this I make extremely low grades. I can work the problems but somehow I disgust my parents by making a 17 average. Any suggestions are welcome, a counsel would be appreciated.

Failing
Dear Failing,
17? Are you sure you're in algebra and not another class? First I'd suggest you study first grade math and see if that helps. Getting a little chummier with Coach Pello wouldn't hurt.

Fannie Fix

Fads and Fashions

By Jane Adams
Fad that is becoming a fashion: Sweaters under shirts. Sandra wore a black one under a white shirt, pinned a crest in the middle of the turtle neck; Jeannene put a white-striped-with-black one over a black sweater, added huge silver earrings.
Sometimes a girl has an outfit that causes people to think, every time she wears it. "What a good looking girl she is!" come of them: Shirley Kost's golden middie over a black skirt; Vivian Trotter's green jersey, yellow skirt, belted with green; Sandra in girl's levis; Susie Schneemann's skirt full of accordion pleats worn with a soft green sweater.
And . . . the cheerleader's rough wool sweaters . . . mustard seeds (for luck) magnified inside glass. . . Ann Baggett's rhinestoned and red dog collar . . . Rosie's tiny gold identification bracelet.

BAND NEWS

This Friday night, Ozona will have a chance to show off some of its prettiest gals. The band will come onto the middle of the field and play five marches. The twirlers, Ann Ratliff, Jeannene Thompson and Shirley Kost, will twirl solo routines while the band plays.
Then, our drum majorette, Marion Mock, will give a solo twirl. After all four girls give a routine together, the band will leave the field playing the school song.
The half-time show should be a good one, for all the girls have gone to camps in the summer and they have "learned the trade."
Ann has been to twirling camp for two summers now. She went to T. C. U. this summer.
Shirley has been to camp for three years, now, Seguire twice and Sul Ross, once.
Jeannene has been to camp in Sul Ross one year. She spent this summer twirling in her back yard.

Marion took twirling and drum (Continued from Page 4)

BOOST THOSE LIONS FRIDAY NIGHT

The milkman's got nothing on us—

Our drivers are on the road long before the milkman begins his rounds—because delivering oil products to our community is a round-the-clock job. As your local oil jobber and distributor, we receive and store oil products in our bulk plant and see that they are delivered to bring comfort and convenience to you.
As oilmen, we are proud to be a part of the competitive, progressive oil industry. We are local businessmen who pride ourselves on knowing what kind of products and services our neighbors want.
This is a pledge to you that now and in the days ahead we'll continue to go all-out to meet your needs in every way we can.

majoring in McMurry College this summer. So, you see they all have had good training. They're real professionals.

SHOP TALK

As we all know, Ozona has a new shop this year. I'm sure all of us are justly proud of it and will try our best to keep it nice. However, I doubt very much if anyone knows how to appreciate it unless you have taken shop in the old building.

With the new building and the many efficient machines we have, there will be many a beautiful project turned out.

GLAMORENE, the Rug-Cleaning Miracle, on sale at Ratliff

LATEST POLICY AROUND THE CAMPUS

By Janice Spencer Kids do you have insurance on yourself to and from school? If not, it is your fault. It has been sold all over the schools for just one dollar (\$1.00).

So far, 450 policies have been sold. Let us make it 500 if we can.

TUMBLING OR STUMBLIN?

That seems to be the big question going through the minds of the Ozona High School girls.

We have been tumbling for 3 weeks and will continue for about 5 more.

All of a sudden, everyone found the answer. Mrs. Mays, our P. E. teacher, seems to think it is tumbling, but it sounds and looks more like stumbling from the sidelines.

GLAMORENE, the Rug-Cleaning Miracle, on sale at Ratliff

Dates and Doin's

What happened when Bill S. went to San Angelo? Tommye S. has been very happy lately. Buddy, did you smile at her?

Who is Betty C. going with now? Do you know anything about that, Jamie?

Myrtle Mae E. was going down the hall saying, "Where's Cooper?" Where were you, Pat?

Sonny, why are you so eager to pick Alena up every day at dinner?

Carolyn and Dwight Mississippi are getting along fine. We think he's cute, too, Stuart.

Well, Carol B.'s mother finally let her go out with Jack. Did you have fun?

Heard in biology — "I Wish this class was over. I wish Red would sit down and — huh — Silas Cranford? You say, what spreads germs?"

In English II, long short, short, long, long, long. Must we, Miss Keopp?

Why was everyone in fourth period Algebra I so worried? Nearly everyone made over 10.

What's this section in tumbling called the B's? It certainly isn't the grade!

It seems that Ann B. and Benny F. are going together again. Did Martha B. just step out of the picture?

Seen at League Sunday night: Alena - Wilburn, Kenneth P. - Della Mae, Jimmie Mc - Ann R., Tom P. - Betty W., Charles G. - Sandra B., Rosie W. - Ronnie Mc., David P. - Ann B. Everyone seemed to have a good time.

Friday night after the ball game? Over at Ann B.'s? What took place? A dance by chance? Well, here's who was seen there: Charlie B. - Robbie K., Kenneth Jeanene, Carol-Hugh R., Benny-Martha, Jerry-Cecilia, Jimmie Mc-Ann R., Tom-Betty, Charles-Sandra, Wilburn-Marion, Bill M-Helen B. Refreshments were served and all had fun.

What's this about Bill M. and Helen Billings? Going together pretty strong!

Rosie and Ronnie seem to enjoy staying at home — Rosie still can't get out.

Della M. seems to be getting along okay with Kent C. and Kenneth P. What about that, Della?

Rosie and Sandra seemed to be pretty cold Friday! Wonder how come!

Buddy W. is still on the loose. Come on girls, don't give up!

What has happened to Bill and Vivian? Disagreement?

Something new has been added on the tank. What about that Juniors of '52 and '53?

What's this we hear about two certain girls hiding in the back

of Jody's car? Hear anything, girls?

Third period biology class is made up mostly of Vivian, Kenneth, Sonny and Alena — loud mouths!

Jane and Vivian seemed to have got stranded a few miles out of town. What was wrong? Out of gas? Flat tire?

Bill S. stayed out at Todd field all day. How come?

As long as the cheer leaders work so hard at planning our rallies, no wonder they've been huge successes. Something is constantly being added!

An added attraction at last Friday's pep rally? I'll say — But was it Coach Wilkins or Pelto? That was the question. Too many people were left wondering. Our guess was none other than Mr. Wilkins, but it seems as if this little "betrayal" had Mr. Pelto in mind.

Guess it backfired, huh? Better luck next time, Kenneth?

And you ask, "An added . . ."

In Newness

The '52 Ford has far more than new car looks. It's a truly modern car with low, sweeping lines plus the safety of Full-Circle Visibility. And underneath this beauty is a rugged chassis . . . stronger than ever with Ford's new K-bar construction.

Setting a new standard

In Power

Never has a low-priced car offered such high-compression power as Ford's 110-h.p. V-8 . . . most powerful engine in its field. No other low-priced Six can compare with Ford's high-compression, low-friction 101-h.p. Six!

In Value

Only Ford in the low-price field lets you choose from so many body, color and upholstery combinations. Only Ford gives you a choice of Fordomatic, Overdrive or Conventional Drive. And only Ford gives you the fine-car ride of Automatic Ride Control . . . the easier turning and parking of an advanced steering system.

Take a "Test Drive" at your Ford Dealer's P.D.A.P.

FORD-MERCURY TEXACO GASOLINE & MOTOR OILS

Competition is the life of the

OIL BUSINESS

The demand for oil increases every year.

Americans need more oil for more automobiles, for more airplanes, more ships, more high speed locomotives and more of many things besides.

And just as one merchant competes with another for your business, oil companies compete for it, too—for the gallons of gasoline and quarts of

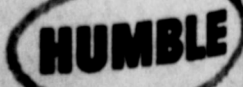

motor oil you buy; to supply the ships, the locomotives, the industries, the airplanes.

The competition is intense, and it spreads throughout the industry. Oil companies compete with each other to find and produce more oil. Pipe line

companies vie with each other to develop low cost transportation. Refineries compete to supply more and better oil products. Salesmen compete on the basis of quality products and the service rendered.

It's a good thing, this competition, a healthy thing. It is the life of the oil business; it keeps the industry vigorous, progressive, enterprising.

But its chief benefit is to you and other Americans. Competition within the oil industry discovers and develops a natural resource necessary not only to modern living but to national defense. It supplies you and the country with continuously improved petroleum products; today, two gallons of gasoline do work that required three in 1925, but the gasoline costs no more than it did then.

SOUTH ELEMENTARY NEWS

led by their fast breaking QB, Meinecke, the Bears defeated Jones' Longhorns 13-0 Friday...

The game this week will be between the Mustangs and Longhorns. Kick-off time will be at 7:00.

Safety Patrol this week will include the following boys and girls: Mrs. Green's and Mrs. Womack's 5th grade rooms...

GNIP

Some people just don't wait till Christmas to use mistletoe, do they? My Mary Lou?

Maureen N. has sure been paying a lot of attention to her books lately. It seems Don Lott can't make his mind between B. A. M., M. J. or J. W.

Tylene has a new heart throb. Would it be Herman C.?

What's this we hear about Peggy Trotter and R. J. Everett?

Cecilia, what happened to you and Jerry?

There seems to be some romance brewing between Jacquelyn W. and Lou L.

What is the big attraction over a high school for a girl who's name we won't tell but whose initials are Rebekah Thompson?

I wonder if Mike C. has got up the nerve to ask a certain girl in junior high to go steady yet.

There happens to be a tangle between a guy named Tom R. and two dolls named Peggy T. and Mary Lou J.

EDITORIAL

Since school has started we have had only one junior high football game, that was in Eldorado on Thursday, the 25th of September.

After the game, the Eldorado group invited us to a victory dance and refreshments, but the football boys could not go.

When we play Thursday, we are going to try to beat Iraan and let's really show everyone what school spirit means!

MRS. WHITE'S SIXTH GRADE

School started off just fine in Mrs. White's sixth grade this year. The second week we elected class officers. They are Student Council president, Jerry Carlman;

In geography we are studying Europe.

Mr. Clark is our math teacher. We like him very much.

We had a surprise party for Mrs. White Tuesday afternoon. We have nineteen pupils in our room.

We thank Mills and Becky for their fans during hot weather.

After a lot of fun going over there, the cheerleaders and twirlers finally got in Eldorado Thursday night for our first Junior High game of the season.

Our twirlers are: Gayle Cunningham, Ladye Everett and Nancy Maddoux. Cheerleaders are Peggy Trotter, Mary Lou Johnson, Cecilia Cooke, Lou Nelle Beall and Johnny T. Clark.

After the game, Eldorado gave a dance for Ozona and Eldorado. They were very nice to us.

All in all we had a wonderful time and hope to have that much fun at all the games.

In the Eight grade about two weeks after school started, we elected our room mothers. They are as follows: Mrs. Chandler, Mrs. Cooke, Mrs. Mullens and Mrs. Robinson.

The eighth grade elected as editor of the paper, a boy and girl sports editor and a "What If" editor.

We have been studying about Indians and made a model Indian village on our table.

We also painted a mountain scene on brown paper and pasted it behind our village.

The fifth grade girls have been playing a softball tournament. Green's Peacocks have won one game and Womack's Wildcat's have won two games.

Vaughn-Lemmons Wedding Rites in Colorado Springs

The wedding of Mrs. Pearl Barger Vaughn of Colorado Springs, Colo., and Howard Max Lemmons of Ozona took place Saturday afternoon, Sept. 6th, in the Little Chapel of the First Presbyterian Church of Colorado Springs with Rev. Howard E. Hansen performing the marriage ceremony.

The bride wore a formal afternoon gown of beige tissue taffeta with brown accessories and carried a bridal bouquet of brown and green orchids and yellow fuji mums.

The ceremony was followed by a reception in Margaret Honnen Parlor of Hansen Hall, an annex of the church.

The groom, who is completing his law course at the University of Texas, has served with the armed forces in both World War II and the Korean War.

Following a honeymoon trip to Monterey, Mexico, the couple is now at home at 3904 Maplewood Road, Austin, Texas.

Six Big Games in Southwest Conference Play This Week-End

Humble Oil & Refining Company broadcasts this week-end include six big games featuring several of the most highly-rated teams in the nation.

Kicking off at 1:50 p.m. Saturday will be Texas versus Notre Dame from Memorial Stadium in Austin.

Broadcast of the Baylor - Washington State tilt begins at 1:50 p.m., Saturday with announcers Bob Walker and Jerry Doggett.

Ves Box and Dave Russell will bring the clash between Texas A & M and Kentucky to listeners direct from Kyle Field in College Station at 8:00 p.m., Saturday.

T. C. U. versus Arkansas will be aired at 8:00 p.m., Saturday direct from T. C. U. Stadium in Fort Worth with Bill Michaels and Dave Smith announcing over stations WFAA-WBAP-570, Dallas-Fort Worth; and KTST, San Antonio.

The Cotton Bowl in Dallas will be the scene of action as S. M. U. meets Georgia Tech. Broadcast time is 8:00 p.m., Saturday and the microphones will be Charlie Jordan and Eddie Barker.

Broadcast of the Rice-L. S. U. tilt begins at 8:05 p.m., Saturday with announcers John Ferguson and Coit Butler describing the play from Rice Stadium in Houston over stations KTRH, Houston; WRR, Dallas; KFJZ, Fort Worth; and KABC, San Antonio.

Misses Tibba and Dixie McMullan, daughters of Mr. and Mrs. Frank McMullan of Ozona, attending Draughon's Business College, Abilene, are among the high ranking students whose names appear on the Honor Roll this month.

Mr. and Mrs. Ele Baggett and Alice Ann and Richard of Lufkin, are spending a vacation with Mr. Baggett's parents, Mr. and Mrs. E. B. Baggett, Jr., of Ozona.

Mrs. D. B. Dunlap is under treatment in the Ozona Hospital this week.

Cities Service to Drill Deep Wildcat in Western Crockett

Cities Service No. 1-B Hobbs will be drilled as a 7,500-foot rotary wildcat in northwest Crockett county, nine miles northeast of Sheffield.

Drilling, on estimated elevation of 2,735 feet, will begin Sept. 30. Drillsite is on a 234.83-acre tract and 1,068.85 feet from the north and 665.4 feet from the west lines of section 7-GG-C&SF.

It is 3/4-mile west of Cities Service No. 1 Hobbs, abandoned Aug. 11, 1947 at a total depth of 5,890 feet on elevation of 2,433 feet.

That project reported the following tops: Yates, 1010 feet; Grayburg, 1690 feet; San Andres, 1,800 feet; Glorieta, 2,130 feet; and Clear Fork, 3,120 feet.

It is also 3/4-mile northeast of Cities Service and Southland No. 1-G Owens, shut-in gasser bottomed at 5,992 feet in the Wolfcamp. It logged an initial production of 35 million cubic feet daily and 37 barrels of distillate.

Greatest Show, Prison Rodeo Opens Sunday

HUNTSVILLE. — The most thrilling show staged in the entire Southwest will open just outside the walls of Texas' State Penitentiary, here, next Sunday, October 5th. And, when the gates of the rodeo chutes in Prison Stadium arena swing open at 2:00 p.m., Texas' Annual Prison Rodeo will be on for the 21st year.

Convict cowboys, allegedly the most reckless in the nation, had a taste of what is in store for them at a try-out session in the big prison arena last Sunday.

Very little doubt remains in their minds that they will mount some of the buckin'est critters ever seen in anybody's rodeo arena.

South Elementary P.T.A. Holds Meeting

Parents and teachers of the South Elementary School held the first meeting of the Parent-Teacher Association for the new year Wednesday afternoon of last week.

In order that there might be close coordination between teachers and parents working within the P.T.A. organization, it was decided to name a parent and a teacher for a joint presidency for the organization this year.

Named to serve as presidents this year were Mrs. Rodrigo Machado for the parents and Mrs. T. J. Bailey for the teachers.

Discussion centered on the P. T. A. project for the year and the plan to provide milk or fruit juice for the kindergarten children.

All parents of children in school are urged to attend the P.T.A. meetings during the coming year.

RUPTURE SHIELD EXPERT HERE

H. M. SEVNAN, widely known expert of Chicago, will personally be at the Cactus Hotel, San Angelo, Tuesday only, Oct. 7.

Mr. Shevnan says: The Zoetioe Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location, but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in ten days on the average case.

Mr. Shevnan will be glad to demonstrate without charge. 6509 N. Artesian Ave., Chicago 45 Large incisional hernia or rupture especially solicited.

Home Missions Study For W.S.C.S. Meeting

The W.S.C.S. of the Methodist Church met Wednesday morning in the home of Mrs. Abe Caruthers for its monthly program. Co-hostesses were Mrs. John Coates, Mrs. Oscar Kost, Mrs. W. R. Baggett and Mrs. D. B. Pettit.

"Christ and Complete Living" was the topic with Mrs. Charles Williams, Sr., as leader.

"Al Ye Are Brothers" was the devotional topic led by Mrs. L. B. Cox, Jr. Mrs. Evart White discussed "Winning Human Rights by Home Missions." Mrs. Williams gave the closing prayer.

Present were Meses. T. A. Kincaid, Jr., Joe Clayton, W. R. Baggett, Evart White, Ele Hagelstein, Madden Read, Hugh Childress, Sr., F. B. Jeffery, Charles Williams, Jr., Joe Pierce, III, N. W. Graham, M. B. Flippen, H. B. Tandy, Abe Caruthers, Oscar Kost, L. B. Cox, Jr., John Coates, Pete Jacoby, D. B. Pettit, Charles Williams, Jr., Stephen Perner, J. A. Fussell, Max Schneemann, Hugh Childress, Jr., Paul M. Hallcomb, N. D. Blackstone, Lindsey Hicks, Paul Perner, Miss Mabel Whited and one guest, Mrs. Nat B. Read.

On Oct. 8, the Sunshine Circle will meet with Mrs. Ele Hagelstein, the Willing Workers with Mrs. L. B. Cox, and the Jenny King with Mrs. J. M. Baggett.

Mrs. B. B. Ingham, Sr., is under treatment in a San Angelo hospital. Mrs. Ingham suffered an attack of virus pneumonia. She was reported recovering satisfactorily this week.

Diane Phillips, daughter of Mr. and Mrs. Arthur Phillips, is recovering in the Clinic Hospital in San Angelo from an appendectomy.

W. E. West, pioneer Crockett county ranchman and financier, is reported seriously ill in San Angelo this week.

Mrs. H. A. Elledge spent last week in Pecos visiting her grandson, Henry Patrick and family. She enjoyed a trip with the Patrick's to Carlsbad Caverns during the week.

Miss Lenora Ann Harvick Becomes Bride of Ulmer Busby in Church Ceremony Here Tues.

A double ring ceremony in the First Methodist Church here at 5:30 Tuesday afternoon united in marriage Miss Lenora Ann Harvick, daughter of Mr. and Mrs. S. M. Harvick of Ozona, and Ulmer Busby, son of Mrs. D. Hudson Busby and the late Mr. Busby of Laurel, Miss. Rev. J. Troy Hickman, pastor, performed the ceremony.

The bride, given in marriage by her father, wore an original gown by Joel in bridal blush pink, with chantly lace etched on billows of nylon tulle over satin forming the full skirt with demitrain, a tight fitting bodice with portrait neckline and tight fitting sleeves, also of chantly lace, which came to a point over the hands. The Juliette cap and veil were of matching chantly lace and nylon wedding tulle. Her bouquet was a shower of stephanotis tied with ribbon and tulle and centered with a Victoria rose, carried on a white prayer book.

Maid of honor was Miss Rosalie Friend, cousin of the bride. Mrs. Donald Dwyer of San Antonio, sister of the bride, was matron of honor and Mrs. Roe Ellis Sumrall of Sonora, sister of the bridegroom, was bridesmaid. All wore full length taffeta dresses of melody rose, designed by Anglo, featuring skirts with side drape of taffeta and tulle, strapless draped bodices with spencerian jackets. They wore Mary Queen of Scots hats of matching taffeta and tulle with seed pearls. They carried colonial bouquets of pink carnations and caspia with streamers and background of matching pink satin ribbon. The bride's mother wore an Elizabethan original in navy sheer and lace with matching velvet hat and shoes. Her corsage was of pink roses.

Serving his brother as best man was Colen Busby of Laurel, Miss. Groomsman were Martin Harvick, brother of the bride, and Harold Wallace of Sonora.

Vows were exchanged before an altar decorated with white albatross mums with feverfew. Large baskets of the same flowers flanked the chancel, and two sets of 7-branched candelabra held white cathedral tapers. The family pews were marked with white satin ribbons and white carnations.

Mrs. Victor I. Pierce, aunt of the bride, played pre-nuptial music on the church organ and the traditional wedding marches. She accompanied Jim Ad Harvick, brother of the bride, who sang "At Dawning" and "Thine Alone" and "The Lord's Prayer" at the close of the ceremony.

A reception was held at the home of the bride's parents. Baskets of mums, arrangements of carnations and sweetheart roses were used in decorations. The dining table was centered with an arrangement of white carnations and feverfew. The white cake was a double wedding ring decorated with white roses and lilies of the valley. Serving were Mrs. Joe T. Davidson, Mrs. R. A. Harrell, Mrs.

Stephen Perner and Mrs. T. A. Kincaid, Jr.

With Mr. and Mrs. Harvick in the receiving line were Mrs. D. C. Luya of Laurel, Miss., sister of the groom, and members of the wedding party. Mrs. W. E. Friend Jr., was at the door. Mrs. H. B. Tandy and Mrs. James Childress furnished background music at the piano. Others assisting in the reception were Mrs. Frank McMullan, Mrs. V. I. Pierce, Mrs. Max Schneemann, Mrs. Hillery Phillips, Mrs. Evert White, Mr. and Mrs. James A. Harvick, Mr. and Mrs. Martin Harvick, Mr. and Mrs. Eugene Miller, Mrs. Ira Carson and Donald Dwyer.

The couple left for a wedding trip in Mexico. For going away the bride wore a Paul Parnes original suit in black and rose wool faille with pinched waist waistcoat and tapering skirt with dull black button trim. Her accessories were of black suede.

The bride is a graduate of Ozona High School and of Gulf Park College in Gulfport, Miss. She attended T.C.U. in Fort Worth last year. Her husband was graduated from Strengthford High School in Laurel, Miss., and attended Mississippi Southern, Hattiesburg, Miss., and Eliasville Junior College, Eliasville, Miss., where he played both football and basketball. He is employed by the Humbe Oil & Refining Co. with an exploration crew stationed at Sonora, where the couple will live.

Out-of-town guests included Colin Busby, Mrs. D. C. Luya, Robert L. Sellers and Kenneth Blue, all of Laurel, Miss., Mr. and Mrs. E. E. Sumrall, Mr. and Mrs. Bryan Hunt, Mr. and Mrs. James C. Lowe, Mr. and Mrs. Kenneth Walters, Mr. and Mrs. John Edge, all of Sonora, Mr. and Mrs. Campbell Hines and Miss Lucy Ann Hines of Barnhart, Mr. and Mrs. H. L. Voelker and Lawrence Clifton of Big Lake, Mrs. George Bean and Mrs. Joe Bean of San Angelo, Mrs. H. P. McClanahan of Ballinger, Mrs. Joe Teague of Slaton and Mr. and Mrs. Donald Dwyer and sons, Don, and Richard of San Antonio.

JONESES HAVE DAUGHTER

Mr. and Mrs. Brock Jones are the parents of a daughter born Tuesday morning in the Ozona hospital. The baby weighed 5½ pounds and had not been named at midweek. Mr. and Mrs. Jones have two other children, Brock, Jr., and John. Mr. and Mrs. John Bailey of Ozona are grandparents.

FOR SALE — Good used electric kitchen range and electric water heater. Will sell both or either cheap. J. Troy Hickman, Phone 13.

FOUND — Pair gold rimmed eye shades. Owner may recover shades by paying for this ad at the Stockman office.

Teacher-Officer Staff Selected by First Baptist Church

Teachers and officers of the Sunday School of the First Baptist Church met Monday night for their first supper meeting of the new church year. The primary department served the meal while the superintendent of the Sunday School, Roy Sewell, had charge of the program of the evening. Plans and projects of the school were discussed by the leaders.

The following Sunday School staff has been approved by the church to lead: General superintendent, Roy Sewell; associate superintendent, Lowell Littleton; general secretary, Mrs. Gertrude Perry; associate superintendent and substitute teacher of the adult department, Ira Carson; secretary, Mrs. Alice Baker; Senior Men's Bible class, Walter Dunlap; Men's class, A. F. Burton; Young Men's Class, Roy Thompson; Dorcas Class, Mrs. Doyle Perdue; Fidelis Class, Mrs. T. J. Bailey; Homemakers Class, Mrs. Jack Brewer; Ruth Class, Mrs. Blake Woolbright.

In the newly created young people's department, Mrs. Lowell Littleton will serve as superintendent assisted by T. J. Bailey as associate superintendent and secretary. Marvin Beaver and Earnest Dunlap will serve as teachers.

NOTICE OF REWARD

I am offering \$500 Reward

for apprehension and conviction of guilty parties to every theft of livestock in Crockett County — except that no officer of Crockett County may claim the reward.

V. O. Earnest Sheriff, Crockett County

IT'S THE DOBBS WESTWARD

Stop Taking Harsh Drugs for Constipation

End Chronic Dosing! Regain Normal Regularity This All-Vegetable Way! Taking harsh drugs for constipation can punish you brutally! Their cramps and griping disrupt normal bowel action, make you feel in need of repeated dosing. When you occasionally feel constipated, get gentle but sure relief. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. It's all-vegetable. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, oldest and one of the finest natural laxatives known to medicine. Dr. Caldwell's Senna Laxative tastes good, acts mildly, brings thorough relief comfortably. Helps you get regular, ends chronic dosing. Even relieves stomach sourness that constipation often brings.

Try the new 25¢ size Money back if not satisfied. DR. CALDWELL'S SENNA LAXATIVE Contained in pleasant-tasting Syrup Pepsin

In the intermediate department Mrs. R. C. Joiner will be the superintendent with Dr. H. A. Gustavus and Mrs. James Childress teaching. The junior department will be headed by Ben Williams, assisted by Miss Marie Williams as associate superintendent and secretary. Mrs. P. L. Childress, Jr., Mrs. Hartley Johnigan, A. C. Hoover and Troy Williams will teach in the junior department.

Mrs. A. F. Burton is the new superintendent of the primary department to be assisted by Mrs. O. C. Webb, Mrs. H. A. Gustavus and Mrs. Tommy Harris, Jr., will serve as teachers.

The staff of the beginner department is headed by Mrs. Marcel Sledge. The teachers for the department will be Mrs. J. B. Monroe and Mrs. R. C. Lambert. Miss Marion Mock will be the pianist.

The nursery department is headed by Mrs. Roy Thompson to be assisted by Miss Mary Dell Koepp with Mrs. D. L. Merritt and Mrs. S. E. Carnes serving as teachers. Mrs. Gordon Aikman will head the Cradle Roll.

With this slate of teachers the Sunday School of the First Baptist Church has high expectations for the coming year.

Here and There By J. Troy Hickman

games. That would be the fair thing for the local squad, and also for local sports fans and taxpayers whose money makes the game possible.

Moral courage is of a higher order and is more rare than what is sometimes called physical courage. Moral courage may mean that when you have made a mistake, admit it, and get out of it the best possible way. And to heck with

what anyone thinks or says. Let's have the moral courage to forfeit this Pecos game!

Mr. and Mrs. Joe Patrick have returned from a vacation trip to northern New Mexico. They were accompanied by Mr. and Mrs. John Patrick of Pecos, former Ozonans.

SON TO ASHBYS Mr. and Mrs. Frank Ashby, Jr. of Midland are the parents of a son, named Frank Charles Ashby III, born Saturday in a Midland hospital. Grandparents are Mr. and Mrs. C. B. Hubbard of Ozona and Mr. and Mrs. Frank Ashby Sr., of Midland.
