WELFARE COUNCIL'S FIRST YEAR RECORD

About a year ago a group of people organized the Crockett County Welfare Council. It has a rather impressive record. Cases of emergency need have been met.

The council is made up of all persons who have given as much as \$25 or more. All matters are settled by vote of members. The council has no overhead. It sends no money out of town. A written record is kept of all receipts and disbursements, and the books are open to the public.

The fall meeting will be held Tuesday night at the courthouse at 7:30 o'clock, at which time the year's record will be reviewed and officers will be elected for the forthcoming year.

There seems to be a real need for such a fund, and we believe the first year's record will demonstrate that fact. The Red Cross and other nationwide agencies, as fine as they are, are limited in what they can do in certain difficult situations. For instance, cross functions only in cases of disaster-caused need, or where a person is or was connected with the armed services. The council is used in certain cases of continuing need. That leaves many needs which are local and temporary, some of an emergency nature. This is where the council comes in.

We had a case of serious illness which needed medical care beyond the ability of the family. We had the case of a mother trying to provide for a group of small children. There were situations where transients were stranded and had to get help to move. This is the sort of work the council has been doing.

Before the council was organized, it was possible that several cases or other groups might be helping the same person, without knowing it. Now all cases can be referred to this one fund, which prevents confusion and overlapping.

Two persons, a man and a woman, investigate each application for help. If it appears worthwhile, the committee passes it and the money is given through the local sheriff's office. This hook-up enables the local law officers to keep track of persons applying for aid.

All who work with the council receive their services without charge. An overhead is kept to a minimum, and amounts to practically nothing.

The council is absolutely democratic. All matters are done by a simple vote of members present. We have a charter to guide by, and this can be changed anytime by a simple majority vote. New officers are elected each year by the members.

We are anxious to make this a community-wide project. We need more members, both individuals and groups. We need to have a full representation of our members at the meetings, so that what is done will reflect the judgment of all. The council is anxious to make every dollar count.

If you believe in this kind of local action, why not come today night and help us? You will be under no obligation whatsoever, and no solicitations for funds will be made.

We had a drive for funds last week, and got a generous response. We have some money in the treasury.

Some of our members pay by month through the bank. Others make cash gifts at annual or semi-annual intervals.

Let's have a good turn out of all people this Tuesday night.

Pan Am Stakes Outposts To West Deep Discovery

8,500 Foot Test 1/2 Mi. South of Discovery Set

Pan American Production Co., Houston, has filed application to drill a 1/2-mile south outpost to Pan American Production Co. and Murphy Corp. No. 1 W. E. West, recently completed Crockett County Ellenburger discovery, 12 miles north of Ozona. It will be drilled as the No. 2 W. E. West.

The project will be drilled with rotary, with operations beginning when permit is received. Contract depth is 8,500 feet.

Location, on a 1,000-acre lease, is 660 feet from the south and east lines of 1-A Rannels csl.

The discovery was completed Oct. 12 for a daily flowing potential of 256 barrels of 44.4 gravity oil, no water, with gas-oil ratio of 1,550-1. Production was through a 16-64-inch choke and perforations between 8,072-8,088 feet. Completion was natural.

The Ellenburger was topped at 8,006 feet, minus datum point of 5,415 feet.

Operator suggested the field be designated as the North Ozona (Ellenburger) field.

The Farmer (San Andres) field of Crockett County has been extended one location west with completion of Plymouth Oil Co. No. 3-Z University, in 5-50-University, 10 miles southeast of Big Lake.

It was finalized for a daily flowing potential of 96.12 barrels of 32-gravity oil, no water, with gas-oil ratio of 812-1.

Production was through a 3-inch choke from open hole between 2,158 feet, where 7-inch casing was set, and 2,480 feet, the total depth.

Top of pay was picked at 2,158 feet on derrick floor elevation of 2,681 feet. Pay section was washed with 500 gallons of mud acid and fractured with 5,000 gallons.

Tubing pressure was 50 pounds; casing pressure, 180 pounds.

D. K. McMullan Pioneer Rancher, Dies At 93 Years

Father Of Ozonans Buried Saturday In San Angelo

Davis Kemper McMullan, a pioneer ranchman of West Texas and a colorful figure known throughout this area, died shortly after midnight Thursday in a San Angelo hospital at the age of 93. Mr. McMullan was the father of Frank and Ashby McMullan, both of Ozona, and was a frequent visitor here until a few years ago when he went to live with a niece, Mrs. Zona McMullan, in Snyder.

Funeral services were held Saturday afternoon from the Robert Massie Funeral chapel in San Angelo, with the Rev. G. N. Goldston, pastor of the First Christian church officiating, assisted by the Rev. B. O. Wood, pastor of the First Presbyterian church.

Mr. McMullan was born Oct. 10, 1861, in Dawson, Va. He farmed in Missouri as a young man and came to Texas to begin in the ranching business in the Snyder country. He ranched in Reagan, Val Verde, Tom Green and Seury counties.

Surviving are four sons, Frank and Ashby McMullan of Ozona, Floyd McMullan of San Angelo and D. K. McMullan, Jr., of Big Lake; three daughters, Miss Lewis Hersey of Big Lake, Miss Myrtle McMullan of San Angelo and Mrs. Allen J. Watts of Midland; twelve grandchildren and three great-grandchildren.

Pallbearers were grandsons, Frank, Johnny, Kenny, Leslie, Jimmie, Ronnie and Joe McMullan, and great nephews, Randolph and Bob McMullan.

Soil Conservation Is Topic At Meeting of Ozona Woman's Forum

"Soil, like freedom, is not appreciated until it is in danger," Bob Scott, district soil conservationist, told members of the Ozona Woman's Forum Thursday when he spoke to the group on the history of soil conservation, using the topic, "Our Rocks Grow Larger."

Soil conservation was first practiced in the time of Nebuchadnezzar in Babylon but has been neglected in modern America to the point of real danger. The present Soil Conservation program began in the United States in 1938 when a dust cloud from Texas blew over Washington, D. C.

The problem in this area is more soil production than saving from erosion, Mr. Scott said. He gave a demonstration of water penetration of soil on covered and bare soil and exhibited samples of native grasses. Pictures of the type of dams being built under the Soil Conservation Service program which, Mr. Scott said, might be adaptable as flood control dams on the 15,000 acre watershed of Johnson Draw north of Ozona, were shown.

In the nautical language of topic designations for the Forum programs this year, "Salvage the Cargo" was the topic for the day's program, under the leadership of Mrs. J. S. Pierce, III. Mrs. Pierce spoke on flood control possibilities for Ozona.

Virgil (Gil) Oden, former Ozonan, now director of the San Angelo Community Players, spoke on the play "Arsenic and Old Lace," presented here Saturday night under auspices of the Epsilon Sigma Alpha Sorority.

Hostesses were Mrs. Abe Caruthers and Mrs. James Childress. Others present were Meses, Carl Appel, T. J. Bailey, Boyd Baker, Charlie Black, Jr., Nip Blackstone, John Coates, L. B. Cox, III, Ele Hagelstein, Fred Hagelstein, Jim Ad Harvick, B. B. Ingham, Jr., Pete Jacoby, Brock Jones, Jess Marley, Beecher Montgomery, Marshall Montgomery, P. C. Perner, Joe Sellers Pierce, III, C. O. Walker, Jack Williams, Joe Williams, Dempster Jones and Charles Williams.

J. G. Hufstедler in Training at Ft. Bliss

FORT BLISS, TEXAS — Pvt. J. G. Hufstедler, 22, son of Mr. and Mrs. Ross Hufstедler of Ozona recently began eight weeks of Army basic training in the Artillery Center at Fort Bliss, Texas.

We will spend his first eight weeks of basic military training on fundamental subjects such as rifle, machine gun, bazooka marksmanship and familiarization with Army technical subjects. This first phase of training is climaxed with a one week maneuver in the field.

Melvin Noses Out Lions In Non-Dist. Tilt

Confused Officials Is Credited With Key Block For Melvin

By Ernie Boyd

A powerful Ozona rally ran out of time last Friday night in Melvin and the Lions came out of a non-district clash with the Bulldogs on the short end of a 26 to 20 score.

Again it was a case of the Lions being too slow in starting. This time the Lions spotted the Bulldogs a two touchdown lead before getting down to the business at hand and even though the Lions tallied three times in the final half and had the ball on the Melvin fourteen when the contest ended, it was not enough.

The ball game from the beginning was a weird affair that brought the crowd to their feet time and time again and had the Ozona stands on their feet throughout most of the final quarter.

The Lions won the toss and chose to receive, facing a slight wind. Hale returned the kickoff to the twenty, and from there the Lions drove to the Melvin 12 where a fumble brought the drive to a halt.

Melvin struck back quickly, Garner rambling through the leaky Lion defense to the forty with the last Lion on the field making the stop. The Lion defense stiffened and had apparently contained the drive when Moore broke over the middle and with the help of a block from the referee, which took Sam Martinez and Charles Hale out of the play, went all the way.

The Lions received but couldn't go and after the kick the Bulldogs spearheaded by fullback Sutton drove sixty yards for the second tally, with Sutton going over from the 8.

Following the kickoff the Lions drew a penalty of 15 yards for clipping but the officials didn't know where to start from (now the referees were really lost) and before the Lions got very far the half ended.

Coming back with apparent determination in the second half, the Lions smothered the Bulldogs receiver deep in his own territory but were penalized fifteen yards for reasons known only to the official and the Bulldogs managed to get partially out of the hole. The Lions however were not to be denied and smothered three running plays before tackling the kicker before he could get off his punt.

Three plays sputtered for only 5 yards, but on fourth down Sammy Martinez swept left end for 11 yards and the score. Not to be out done on the Bulldogs drove 65 yards with Sutton going over.

With the third quarter running out Charles Hale took a handoff from Bobby Martinez and despite the whistle which was blown for (Continued on Page Three)

Mrs. Murle Burt, Ozona Resident 8 Years, Dies

Funeral Service Held Wed. In Broken Bow, Okla.

Mrs. Murle Armstrong Burt, 50, wife of Seth Burt, died early Sunday morning in the Ozona hospital after a long illness.

Mrs. Burt had been a resident of Ozona eight years, Mr. Burt being connected with the oil business here. A school teacher for 18 years in Illinois, Mrs. Burt was born in Omaha, Ill., on August 21, 1904. She and Mr. Burt were married on August 15, 1943, in Kansas City.

The body was transported to Broken Bow, Okla., where funeral services were held Wednesday afternoon. Local arrangements were handled by Cody Funeral Home.

Surviving are the husband and one daughter, Martha Kay Burt, 9.

Annual Carnival Of P. T. A. Monday Night In Park

With the new wiring system installed in the downtown park, the stage is all set for the annual P. T. A. Carnival which will be reeled off in a one-night stand next Monday night.

The eat stand, where hot dogs, sandwiches and drinks will be on sale for supper, will open at 6 p. m. and the carnival stands will open at 6:30. There will be the usual carnival stands, including bingo, the cake walk, hoop-la, shooting gallery, cat stands, wishing well, picture show, fishing stand, country store, etc.

The annual carnival is the only money-raising event of the P. T. A. The finance committee, headed by Mrs. Ele Hagelstein, is in charge of planning the carnival, with a corps of volunteers who man the various stands and attractions. Other members of the general committee are Mrs. A. F. Burton, Mrs. Haskel Leath, Mrs. John Coates and Mrs. Ralph Jones, with the P. T. A. president, Mrs. James Baggett, heading the general planning.

Welfare Council To Elect Officers At Meeting Tues. Night

The Crockett County Welfare Council will have its fall meeting at the courthouse Tuesday night, October 26, at 7:30 o'clock, according to J. Troy Hickman, chairman. Organized about a year ago, and made of up local citizens and groups for the purpose of relieving local needs, the council has handled around 50 cases to date, from funds contributed by members.

Applications are screened by a committee of two and aid is given through the county sheriff's office. The council is directed by a board of managers elected annually. The new officers will be elected at the forthcoming meeting.

All who are interested are invited to attend, whether they are members or not. A member is a person who has contributed as much as \$5 to the council fund for the year.

Since the work of the Red Cross is limited to disaster relief and that of the county's relief fund is also limited, the Welfare Council takes care of situations where people need temporary emergency financial help. It seeks to provide a unified and organized approach to the problem.

"We believe that the council's record during its first year of life proves the need for it," said Mr. Hickman.

Former Ozonan Is Director Of Cast In 'Arsenic & Old Lace'

An Ozona product, Virgil (Gil) Oden, returned last Saturday night to his home town to exhibit his handiwork, a well-directed cast of amateur actors who presented the play, "Arsenic and Old Lace" with professional quality before an appreciative Ozona audience. Oden, son of Mr. and Mrs. Virgil Oden and a grandson of R. J. Cooke of Ozona, has been employed as director of the San Angelo Community Players, a dramatic group which numbers many drama graduates and experienced amateurs among its members.

The Play, first in a series of three to be presented here under the auspices of the local chapter of Epsilon Sigma Alpha sorority, was well received by the large Ozona audience.

Following the play, Mr. and Mrs. Taylor Deaton were hosts to members of the cast, the production staff and crews at their home. Others present for the reception were Mr. and Mrs. Roy Coates, Mr. and Mrs. Charles Ratliff, Jr., Mr. and Mrs. Max Schneemann, Jr., Mr. and Mrs. Bud Harrison, Mr. and Mrs. Chas. S. Ratliff, Mr. and Mrs. James Isbell, Mr. and Mrs. Floyd Moss and Mrs. Johnny Clark.

The next play to be presented by the San Angelo group will be "January Thaw" which will be presented here in February.

Lions Launch Into District Play Fri. Night

Triple Bill in Store For Fans, Juniors Play Tonight

Ozona football fans may gorge themselves this week-end with a triple bill in store, Chick Womack's Junior High School unbeaten squad playing Eldorado tonight, the Lions launching into district play Friday night with Menard as opponents and the B squad matching Sonora Saturday night.

Starting at 6:30 tonight (Thursday) the Juniors, undefeated to date and with only one touchdown scored against them, take on a reputedly strong Eldorado Junior team.

Coaches Hickman and Cleere have been drilling their charges this week in preparation for Friday's night district test against Menard. The Lions last Friday dropped a close decision to the Melvin Bulldogs, 20 to 26, at Melvin in their last pre-conference game of the season. From here on the play is "for keeps" and the next five games, against Menard, Eldorado, Junction, Eden and Sonora, in order, will go into the District 6A football record book. Three of the district games, Menard, Junction and Eden, will be on Lions Field here, with Eldorado and Sonora away.

The Lions emerged from the Melvin game in good physical condition and coaches have been busy this week combing out the psychological cobwebs to condition their lads for the crucial test Friday night.

Beginning with the first district game, kick-off time has been moved to 7:30 p. m. the time slated for start of the Menard game Friday night.

Wildcat Seeks Ellenburger Oil East of Elkhorn

Two Other Projects Seek Extensions To Midway Lane

Crockett County has gained locations for a deep wildcat and two field projects.

Chambers & Kennedy, Midland, has filed application to drill a 7,850-foot rotary wildcat, the No. 1 Hugh Andrews, 16 miles northwest of Ozona and 2 1/2 miles east of the Elkhorn (Ellenburger) field.

Operations on the project are to begin Oct. 24. Elevation is 2,640 feet.

Location, on an 80-acre lease, is 660 feet from the north and west lines of 43-UV-GC&SF.

The prospector is also 2 1/2 miles northeast of the two-well Todd, East (Ellenburger) field, which produces from 6,930-6,950 feet.

The Elkhorn (Ellenburger) field produces from pay at an average depth of 7,185 feet.

Shell Oil Co. will drill its No. 22 Chambers County School Land one location west of production in the Midway Lane 1399 field, 15 miles northwest of Ozona.

The project will be drilled with cable tools to 1,400 feet, with operations beginning immediately. Estimated elevation is 2,640 feet.

Location, on a 1,120.5-acre lease, is 330 feet from the south and 2,640 feet from the east lines of the northwest quarter of 4-Chambers csl.

Gulf Oil Corp. will drill its No. 15 Chambers County School Land one location northeast of production on the west side of the Midway Lane 1399 field.

The project will be drilled with cable tools to 1,450 feet. Operations are to begin when permit is received.

Location, on a 1,107-acre lease, is 330 feet from the north and 2,392 feet from the west lines of the southwest quarter of 4-Chambers csl.

Fort Worth - Mature cattle opened the week on a fully steady basis at Fort Worth this week. Fat steers and yearlings maintained prices in line with last week's advances as numerous loads and smaller lots of choice fed steers and yearlings sold in the \$21 to \$23.75 bracket.

Plainer and medium steers and yearlings drew \$12 to \$18 with rambhans around \$10. Fat cows sold from \$8.50 to \$12.

Good and choice fat calves sold from \$15 to \$19 and common and medium offerings sold for \$10 to \$14, with culls from \$8 to \$10. A few fancy heavies sold above \$19 but sparingly, and they were usually of light yearling weights.

Good and choice stocker steer calves cleared at \$17 to \$20.50.

Fat and feeder lambs opened on a steady to easier basis at Fort Worth Monday with some bids and sales 50 cents lower and others steady in the uneven trade. Quality of the offerings had a great deal to do with some of the

apparently weaker sales, since the more desirable kinds were pretty scarce in the day's run. Yearlings and older sheep were fully steady. Fat yearlings drew \$12 to \$14 and culls sold around \$9. Fat lambs cashed at \$16 to \$18, the right kind quotable over that. Medium and lower grade lambs sold around \$10 to \$16. Stocker and feeder lambs cashed at \$11 to \$15.50.

Slaughter ewes sold from \$4.50 to \$6 and breeding ewes \$6 to \$10, some yearling ewes above that range. Old bucks sold around \$4. Old wethers drew \$6 to \$11.

The USDA last week announced that wool under the new National Wool Act of 1954 would be supported at 106 percent of parity. This would be 62 cents per pound. The program is an incentive type program aimed at raising the production of domestic wool to 300 million pounds. Support can go up to 110 percent under the Mohair draw - a support price of 91 percent of parity or 70 cents.

fourteen on the next play with McMullan being hauled down on the fourteen. However it was too late, the game ended.

The Lion defense faltered for the first time this season, only Jean Marley and Jody Jones were up to usual form. The Lion offense operated smoothly during most of the last half and looked very good with Hale at half and Martinez at quarter. Offensively Hale, B. Martinez, S. Martinez and Ronnie McMullan did particularly well.

The Lions picked up 289 yards rushing and 47 passing for 336 yards while Melvin picked up 239 rushing and 49 passing for a total of 288. In first downs the Lions had 17 to Melvin's 15.

Sutton of Melvin led the ball carriers for the night with 105 yards on 24 carries. Ronnie McMullan had 90 yards on 17 carries, while Sam Martinez had 87 yards on 4 tries. "Tadpole" Hale had the best average for the night with 77 yards on 7 tries but actually only four of these were of- fensive running efforts.

Jim Patrick is able to be out after being confined in a San Antonio hospital for several weeks for treatment for a heart condi- tion.

Father's Part In Child's Education Stressed By Speaker

Mrs. Sidney Bolding, president of the 6th District of the P. T. A., stressed the importance of the father's part in the education of the children during her talk to the P. T. A. at the last regular meeting, Oct. 18. She discussed the aims of the P. T. A. and outlined what was expected of parents and teachers in the education of children.

During the business meeting, the yearly budget was presented and accepted. The legislature chair- man, Mrs. Charlie Black, distrib- uted some pamphlets discussing the pros and cons of eleven amend- ments to the Texas Constitution, coming up for vote in the general election on Nov. 2.

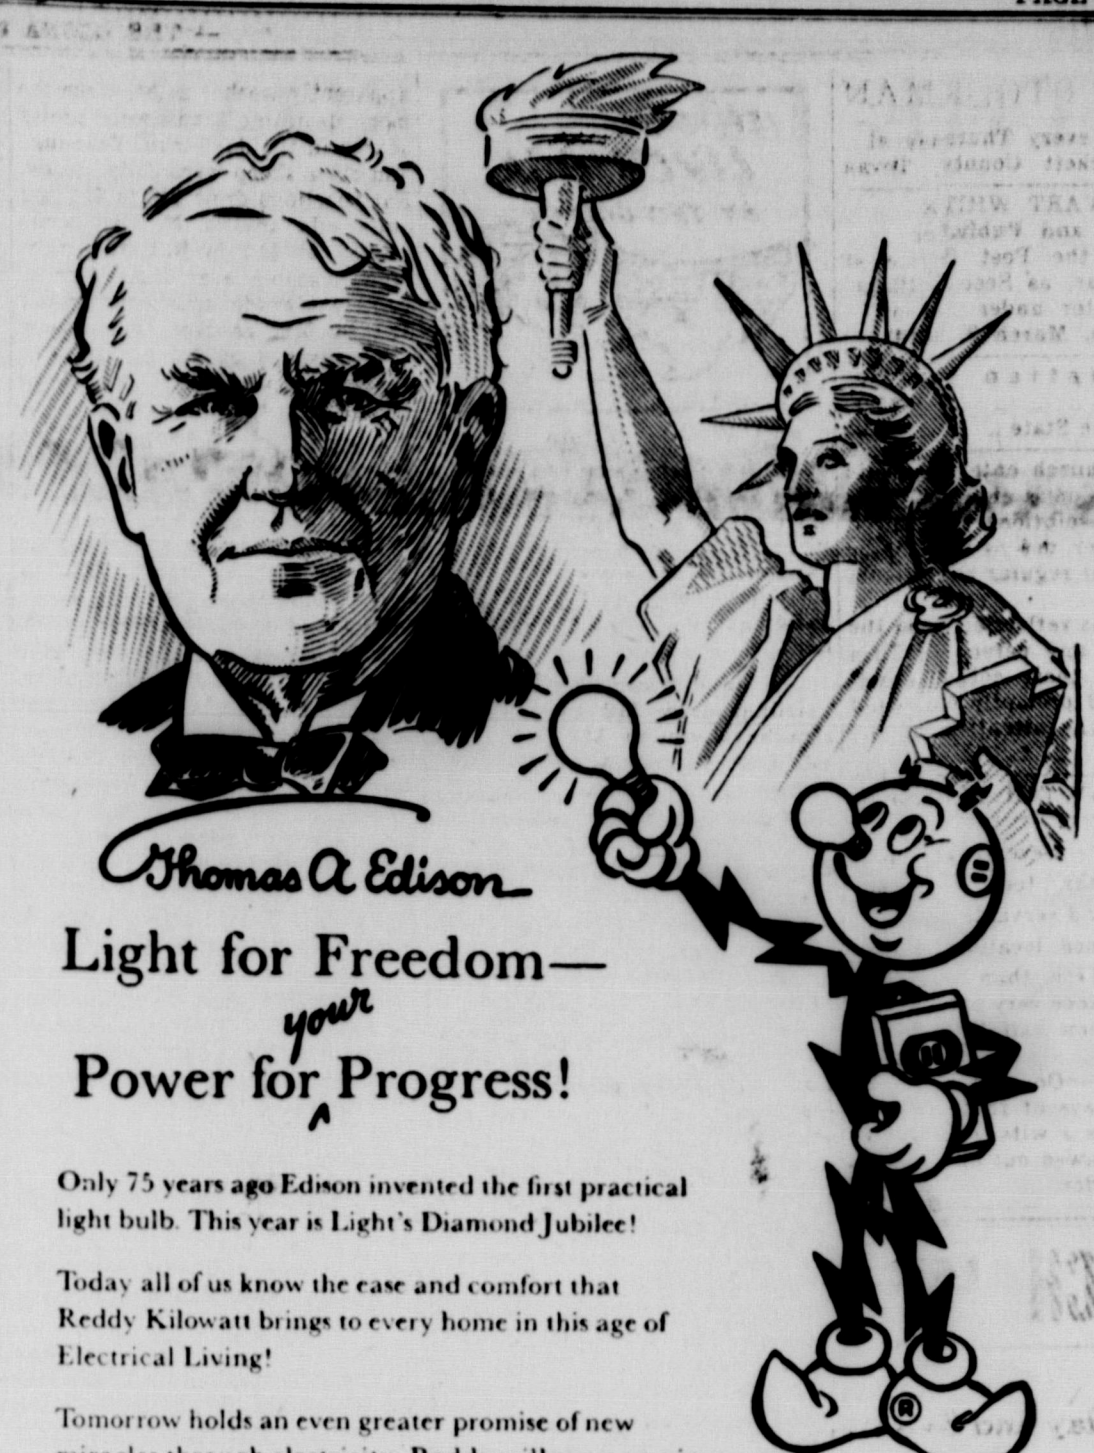

Mrs. Frank Noe gave a report on the fence that is under consid- eration, and was asked by the president of the P. T. A., Mrs. James Baggett, to turn the report, when it is completed, over to the project committee. The project com- mittee consists of: Charlie Apple- white, chairman; C. O. Walker, Mrs. Early Chandler, Mrs. Pete Jacoby, and Mrs. Roy Pearson.

A motion was made and carried that the president be sent to the State Convention of the P. T. A. in Corpus Christi on Nov. 17, 18, and 19. It was included in the motion that someone be sent to accompany Mrs. Baggett on the trip.

Superintendent Sikes announced that the open house at school will be held on Nov. 2. The regular classes will be held as usual, and parents are invited to visit any of the class rooms they wish. The school asks that parents do not discuss their problems with the teachers at that time, as it would disrupt the schedule.

New FORD THUNDERBIRD

A personal car of distinction
...with Trigger-Torque performance

You'll be delighted at the wealth of conveniences the Thunderbird offers. Two tops are available, a disappearing fabric top... and an easy-to-lift hard top. The extra-wide vinyl upholstered seat is foam-rubber-cushioned... power-operated 4 ways. Windows roll up... by power, if you like. There is a tachometer... and a clock with a sweep second hand. There is a telescoping steering wheel. And you can have power steering and power brakes.

Something totally fresh is here—a bewitching new all-steel beauty that sets the styling footnote for other Ford cars to come.

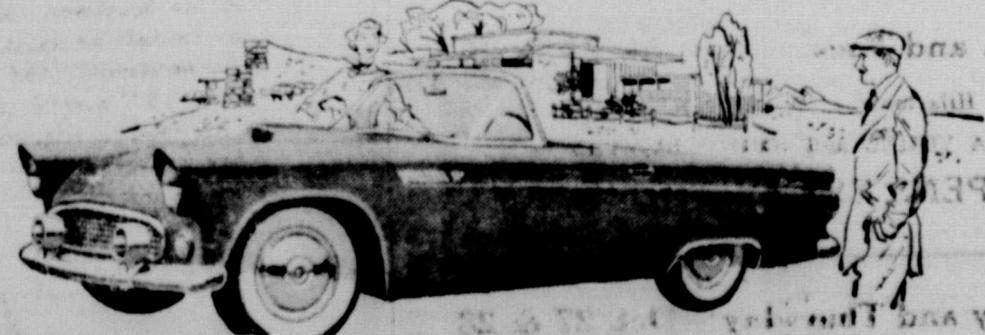

But, styling gives the merest hint of what the Thunderbird has to offer. In traffic and on the open road the Thunderbird's Trigger-Torque performance is literally a revelation. Here is hair-trigger response... fleet, liquid agility... backed by a reserve of swift, sure power to meet safety's every demand. Trigger-Torque performance stems from Ford's new Thunderbird Special V-8—a high-torque engine with 4-barrel carburetor, dual exhausts, wide-opening valves and Ford's famous low-

friction design. And you can have the Thunderbird with the transmission of your choice—Conventional, Overdrive or new Speed-Trigger Fordomatic.

Ford's Ball-Joint Front Suspension not only velvet-cushions your ride, it also allows the Thunderbird to handle with utmost ease—to corner with greatest stability.

But, more important, the Thunderbird is the product of the same advanced engineering... the same manufacturing... that have made Ford products so dependable, so value-full and so desirable to so many.

Lions Rally Not Enough To Overcome Melvin Bulldogs

By Brock Jones

The Melvin Bulldogs beat the Ozona Lions 26-20 last Friday night. The Bulldog's scored in each of the four quarters showing fine power, deception, and a stout defense.

The Lions threatened in the first quarter, but a fumble stifled this scoring effort. Melvin took over, but the Lions held them for downs and forced them to kick. The Bulldogs proved that the punt is an offensive weapon by forcing Ozona deep into its own territory, from there Melvin held Ozona for downs and set up its first score. Melvin scored early in the second quarter, and from then to the half the two teams seemed at a deadlock.

The Lions kicked off to begin the second half and held Melvin for downs and took over at mid-field, from where they lost no time in pushing the ball over the goal for their first touchdown.

From then on it was a case of which team had the ball, as Ozona scored twice more and Melvin pushed across two more also.

With three minutes left in the ballgame, Melvin had the ball on its own forty-five, first and ten, three tries netted them eight yards, and the attempt to make the first down was smothered in the Ozona line and the Lions took over.

With the clock running out the Lions made good gains, both on the ground, and in the air. When the game was over the Lions had the ball on Melvin's 20 yard line and seemed to be knocking at the door once more.

Outstanding on offense for the Lions were: Jody Jones, Ronnie McMullan, Sammy Martinez and Charles Hale. Juan Delgado turned in his usual fine performance at guard.

On defense the Lion standouts were: Johnnie Ramirez, Antonio Rodriguez, Lloyd West, and Mike Clayton.

The Lions meet Menard at Lions Stadium next Friday night in their first District effort. The ballgame promises lots of action and thrills—so let's see everyone out there yelling and stomping and waving your flag. The boys should be ready so let's

ALL GET MENARD

Fads and Fashions

Most of us find blouses and skirts a girl's best friend in dressing for school. Pat Cooper has a black blouse that fastens with two huge gold buckles. Liz Pearson has a skirt with mandarin collar that zips up the front. Charlene Galbraith's is covered with aqua and black lightning bugs. Aleatha Brown wore a lavender middy with matching flowers. Cecilia Cooke matched her red middy with a wool plaid skirt. And skirts... Carolyn Stuart's grey felt is decorated with black leaf like designs. Sarah Hick's is almost black with white flecks and narrow white belt. Ann Baggett wore a white skirt with tree branches drawn, complete with bird nests and blue gilt eggs.

Janice Spencer and Carol Friend have the most unusual belts this week. Janice's has a spiked gold ball hanging from a chain, Carol's is narrow and a sort of pinkish lavender.

ASSEMBLY PROGRAM

By Beverley Killingsworth

In assembly last week L. D. Kirby awarded prizes to Kent Chapman and Ann Ratliff for their themes, "Oil Industry Role in the American Way of Life".

First prize of ten dollars went to Kent Chapman and second prize of five dollars went to Ann Ratliff.

We are certainly proud of our two Seniors.

SPEAKING OF STARS

By Joyce Henderson

Bob Hope isn't ending his association with Paramount so some have heard. He is just asking for good stories through his own company, Hope Enterprises, and wants that written in his new contract.

A year ago Jane Russell's "French Line" raised the blood pressure of all people. Today Jane's "Big Rainbow" opens soon but this one has a Breen office seal attached.

The Debbie Reynolds — Eddie Fisher engagement, known to themselves, will be made public when Eddie comes to the coast for a month in December. He is mad for the girl and she is the same.

The new Marilyn Maxwell surprised all her friends with her new fresh material and the way she puts on over her songs.

Frank Sinatra is just now furnishing the home he bought on the edge of a golf course at Palm Springs. I bet it's real "gone" don't you??

FRESHMAN NEWS

The freshman class is now thoroughly acquainted with practically every nook in our high school building, of course there's still a thing or two we don't know but we're learning and are beginning to feel at home.

We all thought Freshman Day was going to be last Monday but found out in time not to wear our short skirts and trousers until next Monday.

Plans are really rolling for that Thanksgiving dance! The Freshmen may be sponsoring it but we hope it will suit every class to a T.

The Freshmen, like eager beavers, are looking forward to all coming events and gay activities.

THE BAND NEWS

By Darlyn Alford

Last Friday after seeing the boys off with a big pep rally the Ozona Band packed up and left for Melvin. At 2:30 p. m. the buses pulled out. The trip was doing fine until the bus decided to quit running on them. Some of the students and Mr. Brentz, after a bit of studying, decided that the water hose was broken. As luck would have it there was a house on the other side of the road and some of the more energetic students went hiking to the house and brought back some water. The bus made it to Menard where they had it fixed. In Menard they had a nice refreshing meal and once again they were on their way. After a few details of freezing because people would not put their windows up they drove into Melvin about 7:15 p. m.

From the bus everyone went straight to the school and changed to their uniforms. The band presented the "Goodnight Ladies" show and it was said to be better than it has ever been. They left Melvin about 10:30 p. m. and stopped in Eldorado to rest up before the home stretch.

About 2:30 the band hit home, tired, cold and hungry, but every one had a wonderful time.

4-H CLUB

By Mike Clayton

The 4-H Club had a meeting Monday night, Oct. 11 to elect new officers for the year 1954-55. The officers are: President, Carl Con-

lin; Vice President, Sonny Henderson; Secretary, Erbie Chandler, and Reporter, Mike Clayton. The group also elected as pro tem leaders, to serve whenever County Agent Pete Jacoby is not present, Mr. James Baggett and Mrs. E. H. Chandler.

The 4-H is off to a good start this year, with a large number taking part. It is good to see some of the younger people take an interest in it too, as sometime in later life they will use the knowledge they gain in the 4-H Club.

Dear Rosie and Betty,

Gosh, last week turned out to be quite a week. Thursday was a happy day for all. We saw Hugh and Carol; Johnny and Carolyn; Charles and Sarah; Charley and Ann R. and John and Greenie at the work-in. We also saw Stiney and Jerb alone, now don't you know they were making someone's heart break.

Oh!! Guess who the new couple holding hands in the hall is? No one but "Jan and Benny". She sure looks cute in that Gold jacket. I bet it's warm too. Eh! Benny.

Friday night at the Ball Game a few old faces appeared. Buster was home from college and so was Jimmy. The McMullans were well too. It seems as Buster has been represented as Kinney was there making the rounds. As he doesn't know who is going steady he just loves them all. After the kids had all gotten home from the ball game Benny and Jan; Mike and Wanda; Jody and Sandra; John and Greenie all went to the M&M for something to eat.

Saturday night turned out to be quiet a night for Minnie, now she is singing "Oh Happy Days" as she and Stiney are going steady. There were a lot of dates that

night such as Johnny and Carolyn; John and Greenie; Jody and Sandra; Benney and Jan; Minnie and Stiney; Mike and Wanda, and Brock and Peggy. All but Carolyn, Greenie and their Johns were at the Country Club dancing. But like good little Samaritans they were at the school house seeing a play.

By the way, I just got some hot news. It's about Johnny and Carolyn. Gosh, it seems so funny that someone can be going steady one day and broke up the next one. Well it seems that they're both on the loose for someone to catch now.

Well I guess we'd better close for now and study for a while. So long till next week, Janice, Carolyn, and Greenie

SCIENCE CLUB NEWS

October 4, the Science Club met for the second time. They elected officers for the club. Sherid Brownrigg was elected president. Earl Deland was elected vice-president and reporter. Jim Burton was elected secretary-treasurer. Projects were also discussed at this meeting.

SOCIAL EVENTS

The past week, as you all know, has been a very busy one. Some were glad to see the "ole 'port cards" and then there were some who weren't so nappy. But let's work real hard this next six weeks and maybe we'll all have "A's".

Saturday night some went to the walk-in and some to the drive-in and others went to see the play. But afterwards the kids wanted something to do, so we all drifted out to the Country Club and danced awhile. Sunday, some went to league and some to the drive-in.

Don't forget the game Friday and 'member — "Holler real loud".

Assembly Highlights Feature WSCS Meet

A review of the Fourth Assembly of the Woman's Society of Christian Service featured the meeting of the Ozona Methodist WSCS Wednesday morning at the home of Mrs. P. C. Perner, Mrs. L. B. Cox, Jr., Mrs. M. R. Flippen and Mrs. Paul Perner were assisting hostesses.

Ladies Golf Assn. Installs Officers

Members of the Ladies Golf Assn. met Wednesday for their regular monthly luncheon, golf and bridge play Tuesday noon. The luncheon table was centered with a fall arrangement of pumpkins, fruit, vegetables and leaves. Pauline Montgomery, retiring president, installed the new officers for the coming year and each was presented a corsage in fall colors. Pauline presented Marge McMullan, the new president; Velma Marley presented Marjory Ramsey, the new vice president; Katy Jones presented Velma Marley, the new recording secretary-treasurer, and Gladys Pierce, in the absence of Lillie Baggett, presented Wanda Stuart as reporter. Eileen Childress, who was absent, will be the new corresponding secretary.

Marge McMullan in her welcome address, urged everyone to get all members active again and encourage new ones. We are looking forward to a good year with these wishes, no drought, no flood and moderate rains.

Marge McMullan and Marge Ramsey will present a prize to the golfer making the most improvement in one month in a ringer tournament. Players are requested to play around and post first scores and then each succeeding round ring the hole number on which your score is improved.

The San Angelo Country Club has invited us to a one-day tournament on November 9, with luncheon.

Golf winners for the day were Velma Marley, Marge McMullan and Dorothy Pierce. Bridge winners were Roberta Cooper and

Florence Taylor.

Others present besides those mentioned were Charlotte Phillips, Donna Beth Davidson, Bonnie Thomas, Jeanie Williams, Mary Clayton, Dorothy Montgomery, Winnie Williams and Ada Pierce.

Fall in love with your car again...

Remember how proud you were of your new car when you saw it in the showroom? We'd like to do all we can to keep that car as close to new as possible.

We know that next to your home, it's your biggest investment and therefore deserves the best care in the world. To us this means more than just keeping it supplied with top-quality gasoline and oil. It means extra service—the kind of service that makes your car a pleasure to drive while you own it, makes it worth more when you trade it in.

Making friends with your car is our business. And making that friendship pay off for you is our job in America's competitive and progressive oil industry. So why don't you bring your car in today—and find out for yourself that we mean all we say!

Smitty's Not-So-Silent Partner

Dropped into Smitty's gas station last week and met his new partner who turned out to be a bird.

"What'll it be?" asked Smitty. "Here I had a chance to answer and a strange voice 'Fill her up! Fill her up!' And there was Smitty's partner—one of those parakeets perched next to the pump.

"Took me a month," Smitty said, "but I finally taught him to talk. Those magic words. It's sure paid off—he's had a good influence on my customers."

The Basic Idea Behind the All-New 1955 PONTIAC

On Display October 29 and 30

ABOUT 30 years ago General Motors Corporation presented to America a new car called Pontiac. This new car was the direct result of a very specific idea.

The idea was this: to create a car which took its style, its engineering principles and its features from the very best and most expensive in America—and to build these into a car priced just above the very lowest!

Naturally, such an idea produced a wonderful and highly popular car—a car which millions of satisfied owners have driven with outstanding pride and pleasure.

Now, nearly three decades later, an entirely new Pontiac has been created for 1955—a car completely new from the ground up!

One thing, however, about the 1955 Pontiac remains unchanged—its basic idea—to offer the American public the very finest car that can possibly be built to sell at a price within easy reach of any new-car buyer.

When you see the new Pontiac on Friday or Saturday—Oct. 29 or 30—you will be immediately impressed by its remarkable new styling. No other car in the world looks like this new Pontiac!

When you drive it you will be astonished at its performance. For the 1955 Pontiac introduces the powerful new Strato-Streak V-8, an all-new engine that has already proved in more than 3 million test miles!

When you price the new Pontiac you will come face to face with the basic Pontiac idea—you will be agreeably surprised that so much car, so much sparkling newness, so much luxury, so much downright goodness can be priced so near the very lowest.

We cordially invite you to come in on Friday or Saturday and see for yourself what a superb all-new General Motors masterpiece has been created to carry the wonderful name "Pontiac" for 1955.

United Parents Honor Teachers At Barbecue

United Parents Organization honored high school, junior high and South Elementary teachers with a barbecue supper Thursday night at the South Elementary. Barbecue was prepared by Cleophas Cooke and served by the food committee of the organization.

Teachers were introduced to the parents by Supt. L. E. T. Sikes. Armando Reina, president of the U. P. O., introduced Bekie Diaz, chairman of the contact committee, whose duty, the president informed the meeting, was to maintain contact between parents and school authorities, keeping parents informed of the progress and needs of their children.

The next meeting of the organization will be at 8 p. m. following the Junior High football game here tonight. Topic for discussion will be financing the milk project in the South Elementary school, placing of street signs and house numbers in Lima addition and the beautification work at the cemetery. All parents are urged to attend.

CARD OF THANKS

We wish to express publicly our thanks to Judge Houston Smith, Commissioner Ralph Jones and the other members of the Commissioners Court for their fine job of cleaning and improving the cemetery.

We're out to make a Record
— and how can we miss with a hit like this ?

We're shooting for the biggest October in Buick history and we're willing to go all out to make it.

Right now, Buick is outselling every other car in the nation—regardless of price class—except two of the so-called "low-priced three."

So you know that it has the combination of horsepower—room—comfort—performance—and styling too good to miss.

And it isn't hard for you to figure out that Buick dealers must be offering the kind of prices and trade-ins that the public goes for—because you can't make record sales these days unless you have everything it takes to make a winning combination.

Come in and see us, and you'll know what we mean.

Here's the big 3-Way Bonus we offer in Buick today

- 1. Advanced Styling** — the very look of tomorrow, with long, low glamor lines, sports-car snap, and that trend-setting panoramic windshield that most other cars won't have till 1955 or later.
- 2. Better Buy** — a lot more automobile for your money — more room and power and ride comfort and solidity of structure — plus the higher resale value of a car that will still be fresh and new-looking well into the future.
- 3. Top Allowance** — from the tremendous volume that has put Buick into the top 3 of the nation's best sellers. So you get the benefit of our soaring success in the form of a higher trade-in allowance on your present car. Come in and check!

This New Buick Special V8

2-Door, 6-Passenger Sedan
