Indictments Returned By 112th Dist. Grand Jury

Four Defendants Involved; Three Women On Grand Jury

With three women serving on a grand jury for the first time in Crockett history, the 112th district court grand jury Monday returned six indictments against four defendants.

Four of the bills, charging theft by receiving and concealing stolen property, were returned against men O. I. Merrifield of Big Lake, was charged in two indictments with receiving and concealing stolen property and Henry Russell, formerly of Powell Field, was charged with theft in two indictments. The two men were charged in connection with the alleged theft of 12 joints of 3-inch pipe and 52 rods from oil fields in northern Crockett county.

Gary Jean Rhea was charged with forgery and passing in connection with a check cashed at the Ozona Oil Co. Rhea allegedly signed the name Chas. D. Rhea to a check. The fourth defendant named in the grand jury indictment has not been arrested. He is charged with swindling by bogus check.

Trial was set for June 6 by Judge Jim C. Langdon for all these indicted.

In civil actions, Judge Langdon entered an agreed judgment awarding \$2,250 damages to Aubrey Wolf in a suit against Traders General Insurance Co. in a workmen's compensation suit. In trespass to try title suit styled Shannon West Texas Memorial Hospital, et al vs J. F. Symonds, a judgment was entered for the plaintiffs.

Serving on the grand jury were Mrs. Williams, Mrs. Chas. Black, Bill Carson, Mrs. W. D. Cooper, Dick Henderson, Mrs. Buddy Phillips, Elie Hagelstein, Frank James, D. Paulk, Max Schneemann, Jr., W. West and Nip Blackstone.

Three Extensions Three Locations in County Fields

Farmer And Block 44 Fields Extended; Tests Spotted

Three Crockett fields have been extended and locations were staked for three projects.

The Farmer (San Andres) field was extended one location west with completion of Plymouth Oil Co. No. 4-S University, in 5-50-University, 10 miles southeast of Big Lake, for a daily flowing potential of 72 barrels of 30.2 gravity oil, with gas-oil ratio of 321-1.

Production was through a 14-64 inch choke and perforations between 2,498-2,504 feet in 5 1/2-inch casing cemented at 2,505 feet, the total depth. Top of pay was picked at 2,498 feet on derrick floor elevation of 2,650 feet.

Pay section was washed with 500 gallons of mud acid and fractured with 2,500 gallons. Tubing pressure was 150 pounds; casing pressure, 100 pounds.

4-H Club Achievements Reviewed In First Annual Awards Dinner; Carl Conklin Wins Mother Davidson Outstanding Member Trophy

Crockett county 4-H Club achievements and outstanding records of individual club members were reviewed and suitable awards presented to club members with such records at the first annual Achievement Awards program in the girls gym at the high school Tuesday evening.

Carl Conklin, this year's club president, won the coveted Mother Davidson Memorial trophy as the outstanding club member during the year. Winners of this award in past years were Jimmy McMullan, Erby Chandler, Tommy Sue Chandler and R. J. Everett.

R. J. Everett, a third-year member, won the Extension Service Gold Star award as an outstanding member. This award can only be won one time by a member. Previous winners have been Erby Chandler and Carl Conklin.

The awards program followed a barbecue supper served to members and boosters of 4-H Club in the gym. Supt. L. B. T. Sikes acted as master of ceremonies. Rev. J. Troy Hickman pronounced the invocation.

Judge Houston Smith introduced special out-of-town guests and Carl Conklin, club president, delivered the welcome address. Erby Chandler expressed the club's appreciation for the support of adult leaders and boosters.

Joe M. Glover of Fort Stockton, District Agent, Extension Service, was the principal speaker. Glover outlined the aims and some of the accomplishments of the 4-H program and complimented County Agent Pete Jacoby on his outstanding club and Ozona in general on its support of the program.

In addition to other awards, county show winners were presented again the awards they won in the January show. Silver belt (Continued on Page Two)

TS&GRA Directors Here Tuesday For Business Meeting

It will be strictly business for the Texas Sheep & Goat Raisers Association executives when the board meets at the courthouse in Ozona next Tuesday morning, April 12, at 10 o'clock, according to Vice President T. A. Kincaid, Jr., of Ozona.

The directors will waste little time in preliminaries before plunging into the work of resolving some still undecided issues, with particular reference to the National Wool Act of 1954 and its section 708 which deals with a proposed national referendum of sheep raisers on the question of deducting 1 cent per pound from wool incentive payments for the promotion of lamb and wool.

Other matters to come before the meeting are the TS&GRA attitude toward the American Sheep Producers Council and the question of a proposal to join with the National Committee of Industry & Agriculture on Tariff and Trade Directors and all others attending a state group.

Available at \$1 a plate at the counting the meeting will have lunch try club during the noon hour, after which the business meeting will be resumed if not completed during the morning.

Enthusiastic Audience Applauds Presentation Of Opera 'Carmen'

Music-lovers able to appreciate the musical art involved in an opera presentation and the unshoddy ear alike were charmed with the enchanting story of the fiery gypsy, "Carmen" as told in Biet's vigorous music, when the University of Houston opera workshop group presented the opera in English in the high school auditorium here Tuesday evening.

The opera troupe, under the direction of Bruce Spencer King, head of the voice department of the University School of Music, was presented here under auspices of the Ozona Music Club. The auditorium was full to within a few seats and many in the audience came from surrounding towns and as far away as San Angelo, Midland and Odessa.

An opportunity which many in Ozona had never had before and might never have again, to hear a full opera presentation on stage, brought many out of curiosity but from comments heard since the evening, it is scarcely possible that one in the audience was not delighted with at least some portion of the sparkling performance given by the near professional calibre cast.

Dorothy Hutchinson as Carmen, Joseph Truncate as Don Jose, Ruth Carter as Micaela, and Sam Schafer as Escamillo each gave a finished performance in their roles and exhibited fine voice training and ability. Miss Carter particularly charmed her audience with her wistful appeal as the peasant girl. Excellent in their supporting roles, too, were James Young, as Zuniga, the captain of Dragoons, Tommy Clark as Remendado, the smuggler, LaVerne Sneed and Jean McDonald as gypsy friends of Carmen and Arturo D'Albergo as Dancairo the smuggler and the gypsy chorus, Wayne Forest, David Pollack, Gordon O. Brown, Dixie Twombly, Patty Hicks, and Ethel Kinsman. Arlyn Sinclair headed the dancers who lent charm to the production.

The stage setting for the opera was prepared by R. K. Wimberley and James Coker of the Ozona school faculty.

Roy Baker and Jane Clingman, regular stage managers for the production, were enthusiastic in praise of the preparatory work done by the local stage crew. Mrs. Ted M. White, Music Club president, expressed the club's appreciation for the help of all members and others in making the opera production a success here.

Most Parents Favor Polio Vaccine Plan If Report Favorable

Most parents of first and second grade pupils in Ozona have signed requests for administration of the Salk vaccine shots against polio in the event the coming evaluation report on the vaccine field trials is favorable, school authorities reported this week.

The report from the University of Michigan study of the vaccine trials is scheduled to be completed by April 12. All preparations have been made here to be ready to make the first injections on April 14 and 15 if the report is favorable, thus leaving time before the end of school to complete the immunization, which covers a five-week period.

Dr. H. B. Tandy, county health officer, says that the vaccine will be supplied by the State Health Department and there will be no charge to parents for the shots for all first and second graders. There will be 185 pupils in these two grades here to receive the vaccine, if all parents request it.

Crockett Fields Draw Locations For Tests

G. Stratton Jr., Waco, has filed application to drill the No. 1-E Shannon 3/4-mile north of production in the Noelke, Northeast gas field of Crockett County, 6 1/2 miles east of Iraan.

The project will be drilled with rotary to 2,500 feet. Ground elevation is 2,768 feet.

Location, on a 120-acre lease, is 5,940 feet from the south and 4,834.2 feet from the west lines of 2-GG-J. Wiley, Heirs.

Cities Service Oil Co. has filed application to drill its No. 2 Newman 3/4-mile northwest of production in the Ranch (Strawn) field of extreme north-central Crockett County, 13 miles southwest of Big Lake.

The project will be drilled with rotary to 8,400 feet, with operations scheduled to begin April 4, 1955.

Location, on a 650.57-acre lease, is 1,980 feet from the south and west lines of 9-A-BS&F.

Dick Henderson, Alford, Carson Named Trustees

Only 249 Votes Cast In School Board Election Sat.

Dick Henderson was re-elected to membership on the board of trustees of the Crockett common school district and two new board members, Bill Carson and O. Q. (Quebie) Alford, were chosen in the annual school board election here Saturday which saw only 249 votes cast in the county-wide election.

Alford beat out Joe Tom Davidson, a candidate for re-election to the board, by two votes, 149 to 147. Henderson received 213 votes to lead the field. Roy Pierson was fifth in the race with 79 votes. Carson polled 166.

The race between Alford and Davidson was resolved in the Powell and Todd Field boxes where Alford led with a two-box total of 26 to 3 for Davidson. Davidson polled a 17-vote lead in the courthouse box, 131 to 114. Henderson received 188 in the Ozona box, Carson 151 and Pierson 52. In the Todd Field box, Davidson got 2 votes. Alford and Pierson 18 each. At Powell, Davidson had 1, Alford 8, Pierson 7, Henderson 4 and Carson 1.

At the Owens Box it was Davidson 6, Alford 1, Pierson 0, Henderson 7 and Carson 7. At the Power plant box, Davidson received 7, Alford 8, Pierson 2, Henderson 7 and Carson 0.

In an uncontested election to membership on the county board, W. W. West, received 234 votes for trustee at large, and Hillery Phillips, Precinct 1, trustee got 222.

Henshaw Show Netted \$106 For Red Cross; Fund Total Now \$1922

The Echoes of Vaudeville show, a home-talent production sponsored by Bobby Henshaw, former stage, radio and screen performer, staged at the high school auditorium here recently, netted \$106.50 for the Red Cross Fund. H. W. Baker, chapter chairman, reported this week. Mr. Henshaw, now a salesman for the Selig Co. of Dallas, donated his time and talent in producing the show.

The Red Cross fund drive total to date is \$1,922.82. Mr. Baker said. The chapter quota was \$1,295 which was oversubscribed in a one-day drive to put the Ozona chapter the first in Texas making a March drive to go over the top and third in the Red Cross Midwest area.

Cemetery Assn. In Annual Meet Monday

Members of the Ozona Cemetery Assn. will meet in annual session Monday afternoon at 1 o'clock with members of the Crockett County Commissioners Court in the court's room at the courthouse.

The Association works with and under the Commissioners Court in the maintenance of the burial plot and the annual meetings are held with members of the court in session for the annual reports and discussions of maintenance problems. An invitation is extended to all those interested to attend the meeting.

Blind Shop Caravan To Offer Products Made By Texas Blind

The Texas Blind Shop Caravan, featuring products made by the blind in Texas, will make a one-day sale stop in Ozona next Thursday, April 14. The caravan will feature for sale to the public such items as ironing board covers and pads, corn brooms, door mats, mops, all manufactured by Texas blind workmen in Blind Shops or Lighthouses, which are non-profit organizations.

The caravan's stop here is being sponsored by the Ozona Lions Club.

4-H Wool Judging Team Wins First In District Contest

Crockett county's 4-H Club wool judging team, coached by County Agent Pete W. Jacoby, won first place at the District 6 judging contests held at Sul Ross State College in Alpine last Saturday.

The livestock judging team won second place, being nosed out of first place by only nine points. Both teams brought home banners and several team members won individual medals. The local wool judging team polled the highest overall score in a field of 12 FFA and 4-H teams, although they were not competing against the FFA group. In fact, the local team scored 100 points more than the Marfa FFA team which won the sweepstakes award for the highest score in wool and livestock judging.

Overall high individual in the wool and mohair judging contest was Carl Conklin; second and only one point behind was Erby Chandler, and Pierce Miller had third high score. All three boys received medals for their achievements. John Hickman was team alternate.

Team and individual honors won by the livestock judging team consisted of high team in sheep and hogs and second high in cattle judging. R. J. Everett was third high individual in hogs, fourth in sheep and ranked ninth overall high individual. Roy Mann was second high individual in sheep and fourth overall individual. Geo. Bunger was fourth high individual in cattle judging and ranked second in overall total. Roy Mann and George Bunger each received medals for their achievements. Eenny Friend was team alternate.

Mrs. Hattie M. Cozby, Native Ozonan, Dies At Home In Dilley, Tex.

Mrs. Hattie M. Cozby, a native of Ozona, died at the family home in Dilley, Texas, Saturday March 26, after an extended illness.

Mrs. Cozby was born in Ozona July 18, 1914, daughter of the late Mr. and Mrs. Ralph McKinney. She married George W. Cozby Oct. 27, 1932, at Sonora. She was a sister of Mrs. Ernest Brownrigg and Allen McKinney, both of Ozona.

Surviving are the husband and three children, Mack Cozby, 20; Judy Beth Cozby, 16, and George Wayne Cozby, 6. Mrs. Cozby was a member of the Baptist Church since childhood and was an active worker in the church. She also taught piano classes in Dilley.

Funeral services were held Tuesday, March 29, at 10:30 a. m. in the First Baptist Church at Dilley, the Rev. Lewis Stukeby, pastor officiating. Burial was in Dilley City Cemetery.

Out-of-town relatives attending the funeral were Mr. and Mrs. Ed Deland of Sinton, Texas; Mrs. Jake Fielden and son, Douglas, of Wilkiston, N. D.; Mrs. Ernest Brownrigg of Ozona, all sisters; and brothers, Pat McKinney, El Paso; Arthur McKinney of Silver City, N. M.; Sidney McKinney of San Angelo and Allen McKinney of Ozona.

Rotary Club Easter Egg Hunt Sunday At 2 In Cooke Pasture

Ozona Rotary Club's annual Easter egg hunt will be staged next Sunday afternoon starting at 2 o'clock in the Bob Cooke pasture just south of town on the Del Rio highway. Entry to the hunt area will be the first gate on the right south of Mexico point.

The hunt will be for children from two to 12 years. There will be nearly 100 prize eggs to add zest to the hunt. Parents are asked not to bring children to the hunt area before 1:50 p. m.

To Seek Signers Of Petition For Hospital Bonds

Woman's Club Members Circulate Petition Asking Election

Circulation of a petition to the Commissioners Court asking that body to call an election in Crockett county on the question of issuing \$200,000 in county bonds for the purpose of building a new county hospital was scheduled to start this week. The Ozona Woman's Club, Mrs. Max Schneemann, president, has agreed to circulate the petition to get the required number of signers to call the election.

The plan for a new hospital to replace the present county hospital, which would be converted to use as a courthouse annex, was launched by the Hospital Board, a citizen group named by the Commissioners Court to supervise operation of the hospital. The proposed structure will be modeled after a 24-bed hospital at Spur, Texas, whose basic plan, with some changes, is to be proposed for Ozona. The cost estimate has been placed at 200,000.

Location for the new hospital, if approved by the voters, has not been selected, but the board has an offer to donate a site on the northwest side of Ozona from J. W. Owens.

In a statement of the county's financial condition with reference to bonded indebtedness and allocation of levies for bond retirement, County Judge Houston Smith listed the county's bonded indebtedness, after bonds falling due this year are paid, at a total of \$232,000. This amount includes a balance of \$140,000 in county road bonds, \$25,000 in fire station bonds and \$67,000 in swimming pool bonds. All these issues are ten-year bonds.

Levies for retirement of the fire station and swimming pool bonds, and the new hospital bonds if they are voted, come from the fourth class or permanent improvement fund, limited to 25 cents on the \$100 valuation. Levies already made from this fund, '03 for the fire station bonds, '05 for the swimming pool bonds and '03 for the cemetery and park fund, total 11 cents. The remaining 14 cents, Judge Smith said, goes for labor and upkeep of the courthouse, janitor supplies, labor and upkeep on the fire station, labor on parks, street lighting, water and sewer service for parks and buildings.

The levy for retirement of the proposed hospital bonds would come out of the remaining 14 cents of the fourth class levy. Judge Smith pointed out. Presently, this levy, based on 100 percent tax collection, would yield \$37,800. Presuming the \$200,000 issue would be 10-year bonds, with \$20,000 principal due each year, the judge, using 2 percent as the interest rate on the bonds, set the first year's necessary levy at \$24,000, of which \$4,000 would be 2 percent interest on the entire issue. This would levy \$13,800 with which to pay the upkeep expenses from the fourth class fund. "The additional expenses would have to be paid out of some other fund," the judge commented in the prepared statement. Presuming a continuing 2 percent interest rate, the necessary levy would decrease \$400 annually as each \$20,000 bond was retired.

Stocker calves and yearlings \$16 to \$22.

A good recovery from the lows of last week in sheep and lamb prices continued at Fort Worth Monday. Average prices of most sheep and lambs were fully \$1 and in sport \$1.50 to \$2 above the extreme low spots of last week's trade.

Good and choice fat Spring

lamb drew \$20 to \$23, and shorn fat lambs cashed at \$19 down. Old wethers drew \$13 down. Old ewes sold from \$5.50 to \$7, and old bucks drew \$4 to \$5. Yearling muttons sold around \$16 down.

LOST — Blue Parakeet. Answers to name of "Blue Boy." Finder please phone Mrs. Ray Piner, Phone 314.

Fort Worth — Cattle and calf prices were inclined to be on the steady side in most cases today at Fort Worth. Buyers were slow to a number of factors as to the trend, despite the fact that runs reported around the country were somewhat below earlier.

Most important factor in the weakness of fat cattle and fat calves is the expected domination of the Easter dinner tables by ham and turkey. Nationwide promotion of Easter hams as handled by the National Livestock and Meat Board has all the purveyors of meat certain that ham will dominate the holiday board.

The Texas Turkey Federation and the National Turkey Federation are also pushing turkey as an Easter dinner specialty and being in this drive and the ham promotion Easter lamb trade took a tumble last week.

Western seaboard wholesale meat buyers, the No. 1 handlers of lamb, fully expressed fears for the market last week in the face of the all-out ham drive.

Another factor that weakens the cattle trade is the continuation of sub-normal moisture in the Southwest and the accompanying blowing of the soil. The most optimistic cattle buyers are wary of going into the summer without a season in the land, and much of the South needs rain right now.

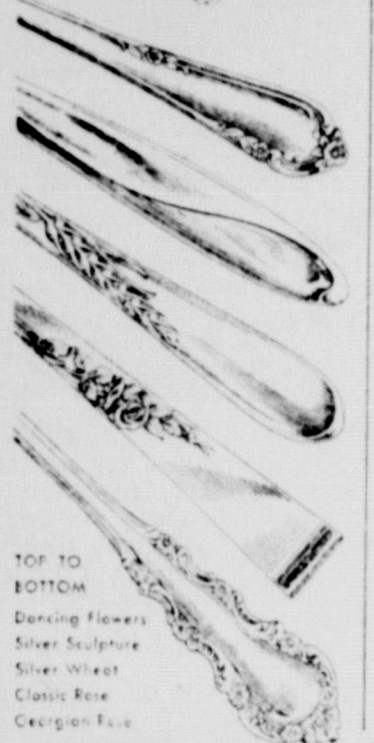

Steers and yearlings and calves opened steady to 50 cents lower. Stockers and feeders were 50 cents lower. Fat calves and bulls sold about steady at Fort Worth Monday. Top fat cattle were club steers sold at \$26.50, some commercially fed cattle at \$23 and \$24. Fat cows drew \$14.50, and canners and cut-aways from \$8 to \$12. Bulls \$10 to \$13. Fat calves \$21.50 down.

CLASS HISTORY OF THE SENIORS OF 1955

We began our school days in 1942 in a small building located where the gym is now. That is, we began kindergarten. Our teacher was a great favorite of ours, we called Miss Francis. Only a few of the original 13 are graduating with us this year. They are: Kent Chapman, Hugh Russell, Jody Jones, Lynn Parker, Sonny Henderson, Charlie Black, and Barbara Fields.

In the first grade we set out with high hopes of learning all there was to know and getting out of this place. Our teacher that year was Miss Collins. As far as gaining any students to graduate with us this year, we failed. But we almost made it. Della Mae Mason joined us that year.

Finally on to the second grade where we gained the second girl to graduate with us this year, Sammie Houston. Our teacher that year was Miss Charnquist. This was the year that Jody first started on that uphill training program that would prepare him for his later athletic life. First he asked a teacher to call his mother to come take him home because he was tired. Having his request refused, he sat for awhile on the front steps and tried to hide his tears from his classmates. After giving this up, but still not giving in, he just walked home to await Barney's return.

In the third grade we made up for our slow growth in the second. This year our teacher was Mrs. Smith, the most feared teacher of our elementary years. She also impressed herself upon our minds by teaching us to write. We gained our football, basketball, or all-around athlete that year, Ronnie McMullan. Our third graduating girl moved here that year, Ann Ratliff. That was the year that Kent showed his dramatic abilities. If anyone remembers that was the year we had several plays. I think Kent was the letter H in spelling out the word health (the last health).

The fourth grade was another good year this year we gained Robert Freeman, Nancy Perdue, Sherald Brownrigg, and Sandra Brewer. Our teacher that year was another favorite, Mrs. Plunkett. She taught us our multiplication tables.

The fifth grade was a very poor one, we didn't gain a single person. Our teacher this year was Mrs. Deaham. This year we learned how to make push-pulls and ovals.

In the sixth grade Myrtle Mae Everett joined our class. We were very proud of ourselves, we were finally in Junior High with more than one teacher. Mr. Cathy was our home room teacher. This was the year that most of the boys began learning how to drive. Well anyway this was the year a lot of them got their motorscooters.

In the seventh we got Pat Cooper. It seemed like the girls were finally catching up with the boys. Mr. Hawk was our home room teacher that year.

Curtis Bruton was the single person added to our graduating class in the eighth grade. We remember this year because it was the one that teachers came and went with the wind. I imagine everyone will remember our home room teacher, and also, the principal, that year, Mr. Skinner. Some heads may be a little sore remembering the knots they used to get so often. Then after graduating we had a wonderful dance in the girls gym.

The 9th grade saw us starting on the last lap of our school days. Our sponsors that year were Mrs. Cody and Miss North. This year we gained Lucrecia Montes, Guadalupe de la Rosa, Serafin Maskill, Antonio Rodriguez, and another athlete, Sammy Martinez. I'm sure everyone remembers initiation day. I know the girls do anyway, and from hearing the boys talk I'm sure they do too.

Then in the 10th grade the boys got to work recruiting and Charles Goodman and Herman Carrol joined us. This year our sponsors were Mrs. Koepp and Mr. Smith. This year Kent really came through with his acting abilities and everyone in the class was proud of him for his performance in "Minor Miracle".

Then in our Junior year Pattie

Hardesty, Freddy Shoubrouk, Charles and Johnny Sowders joined us. This year our sponsors were Mrs. Cody and Mr. Smith. We gave our junior play "Night of January 16" with much success. And then there was the never-to-be forgotten Jr-Sr Banquet.

Finally our goal was reached. Johnny Butterfield, Earl Berry, Aleatha Brown, and Hilda Montes made our graduating group complete. Our sponsor this year is Mr. Leath. This year was spent mostly in working in those concession stands.

In looking back over the years I think I speak for all the seniors when I say we sincerely hope that you juniors have the fun, the friendship, and the success that we, the seniors, of this year, feel that we have had.

TENNIS MEET

Saturday the semi-district tennis meet was held in Ozona. Players from Sonora, Eldorado and Ozona represented this half of the district.

Carolyn Stuart and Martha Bailey, who play girls doubles, first won their game with Eldorado players, then lost in the second round to Vicki Archer and Lenni Meyhew of Sonora. Ann Ratliff, playing girls singles, also won the first game with an Eldorado opponent, then lost to Betsy Ross of Sonora. Jerry Gillum and Sonny Henderson, playing boys doubles, lost their match to the Sonora doubles team. In the boys singles division Hugh Russell won his game with Billy Bob Ellingson of Sonora and will represent Ozona in the district meet.

CLASS PROPHECY

L. Kent V. Chapman

Well, here we are — the year 1955 — it's been a long time since our graduation from high school way back in May, 1955 hasn't it? We've come a long way in these past ten years and learned a lot too! I'm so happy to have been asked to come back here and give you people an account of the whereabouts and doings of the class of '55. It took a good bit of research and digging in the dirt but, I have found out what most of the old class is doing now.

I've come a long way from the school auditorium — I'm working on Broadway in the "Seven Year Itch." Marilyn Monroe is the co-star. Do you remember that scene where Marilyn stands over the grate and her skirts are blowing up? Well, I'm the one underneath, with the fan.

I just almost didn't make it tonight — when my plane started to take off in New York, it ran over a hanger — Johnny Butterfield was a good pilot. I met my good friend Dr. Parker on the plane — he's a famous surgeon now you know — he said he had been to the movies last night, and saw Seraphin Markill and Guadalupe de la Rosa — they're the new Jane and Tarzan of Hollywood you know. I got a letter from Hugh Russell the other day — he says that Freshman English sure is tough out at Sul Ross.

I was out at the Blue Lagoon one night last month — its real fancy joint. Pat Cooper works their in the floor show — she is the floor show — but, it was a cold bite so Pat couldn't go on — she catches cold easily.

Fred Shoubrouk makes more money than anyone in the old class — he lives in Holland and hires his head out to block hats on.

This will really take a little imagination, but believe it or not, Sandra Brewer has been in the nunnery for the past three years.

Charlie Black has a ranch that covers 3-4 of Texas and half of New Mexico and Arizona — he has a nice income.

Jody Jones has written many books — they call him the second Dr. Kinsey.

Sonny Henderson has come up in the world — we don't see much of him he's so busy traveling around the world on personal appearance tours as Mr. Universe.

Ronnie McMullan is a college professor no less — Patty Hardesty has been taking the same course under Ronnie for the past 5 years — and it's not that she can't pass it!

Aleatha Brown did just what she always said she would — married once for money, once for love, and now she happily married in love.

Hilda Montes Rodriguez and her husband Antonio run the Little Mexico Cafe now.

You remember John Sowders — Well, if you go to the circus John will sell you a ticket to see Barbara Fields as Greenie the Fat Girl.

Charles Goodman has been winning the Mexican Road Race a lot but he isn't going to enter this year — they couldn't pick enough of him up off the road to do any good with.

We all know who the hi-school shop teacher is — Herman Carroll.

I'm not sure whether this was a dream or not but, I think Sammy Martinez is the head football coach at A&M and they have won the Pasadena Rosebowl game for the past three years.

Sammie Houston has already achieved her greatest ambition —

she wanted to have a dozen kids she told me during our Senior year and here it is only ten years later — well, we all knew that Sammie was an exceptional girl.

It looks like Nancy didn't ever quite land her Bill Hall — she's still chasing the boys same as ever — never say die Perdue!!

I'm going to Villa Acuna Sunday to see Lucrecia Montes fight the bulls.

Curtis Bruton should be around later on tonight — he stepped right under the hat and took over where Hurst Laws left off.

Sherald Brownrigg has invented a radio and television, stove and refrigerator, washing machine and iron combined. All you have to do is tell it what you want — and it does it.

I always knew Earl could do it — he made a record breaking flight around the world in 15 minutes.

Robert Freeman is the DiMaggio of this decade — only he hasn't found a Marilyn yet!

If you listen to Clint, Texas nowadays this is what you get — "Girls, are you looking for a big, handsome, rich, young man who will make you happy for the rest of your life? Just send your name and address to Clint, that's C-L-I-N-T, Clint, Texas, and we will send you Charles Sowders — free!!!!"

Ann Ratliff has made quite a name for herself in the designing world — she designs all of Myrtle Everett's clothes for her movies.

And there they are — all 32 of 'em — did you think that's what they would be doing 10 years ago? Thank you.

SENIOR CLASS WILL BY ANN RATLIFF

We, the Seniors of 1955, have many valuable assets. We feel that our generosity in passing on a few to you will better prepare the faculty, and the Juniors, for next year. To the faculty we leave all

our knowledge, except a bare picktion which will be necessary to sustain life.

Individually, we bestow the following possessions to the Juniors to Silent West.

Charlie Black — Leaves his loud voice to Martha B. and Susie S. for next football season.

Curtis Bruton — leaves his fine pick-up to Naomi Mc. and Jane Ruth Adams so they won't have to ride the bus to school next year.

Sandra B. — her ability to strangle Carolyn Stuart, hoping she will make the most of it.

Aleatha B. — her bright red hair to Janice Spencer, knowing she will appreciate it.

Sherald B. — leaves his knack for missing school to Earl Deland, Johnny B. — his skill on the con- net to Carl Conklin.

Herman Carroll and Charles Goodman — leave their straight A's to Roy Mann and Thomas Pardom.

Kent C. — leaves his height to Orville Paulk, thinking he needs it.

Pat Cooper — her drums to Jay Jones and Darlene Alford.

Myrtle E. — interest in shorthand to Charlene C.

Barbara Fields — leaves her nick-name, Greenie Bean to Ann Baggett.

Robert Freeman — leaves his fine track record to Buskey H. Patty H. and Nancy P. — leave their old fashion smile to Sarah Hicks thinking it will be very becoming.

Sonny H. — his unending school spirit to Miss Clayton.

Sammie Houston — long hair to Jean Price and LaNell Bingham.

Jody Jones — leaves the name of Jones to Brock, hoping he will live up to it.

Sammie M. — Ability in basketball to his brother Bobby, Jan (Continued on Page Seven)

OPERA
By Carol Blackstone

Ozona music lovers were thrilled Saturday night when the University of Houston brought the warm, impetuous music of Bizet's "Carmen" here. The libretto was in English, rather than the usual French, and heightened the enjoyment of all. The Ozona Music Club contacted Bruce Spencer King, head of the music department, and was responsible for the group being brought here. R. K. Wimberley built the sets and various members of the speech club assisted in lighting effects. Grand opera is a rare treat in Ozona and many of the high school students and townspeople attended.

BUY YOUR ANNUAL!!

If you had wandered through the halls of O. H. S. Friday you might have thought certain people were going just a little crazy. But everyone was normal it was just the annual staff getting all excited about their '55 annuals and wanting everyone to be sure and buy an annual. Oh, yes, have you bought your annual yet? If you haven't you really must. I know that you will want one to renew your memory of all the good times you had in ole' O. H. S. when you are old and your memory is bad. If you realize that you must have one you can get it from any member of the annual staff. The price \$3.50 or you can pay \$1 down and the \$2.50 later.

In case you're wondering why it was so quiet here last weekend it was because the wool team and livestock team of the 4-H were gone.

They went to Alpine for the 4-H and FFA wool and livestock judging contests.

We are happy to say that both of our teams placed. The wool team first and the livestock team second.

The wool team is composed of Carl Conklin, Erby Chandler, John Hickman, and Pierce Miller. Carl Conklin, Erby Chandler and Pierce Miller won high individual honors in that order.

The livestock team is composed of Roy Mann, George Bunger, R. J. Everett, Benny Friend and Charlie Black.

Congratulation boys on your good showing.

Big news about Buick's 4-Door Riviera

THIS brand-new kind of automobile — the sensation of all the Auto Shows this year — is now rolling off the Buick assembly lines in volume numbers. That's the first news.

And the second is just as wonderful — this dramatic new model is very definitely everything that eager buyers hoped it would be.

For the 4-Door Riviera is the first "hardtop" ever available with separate doors for rear-seat passengers — plus rear-compartment room big as a Buick-size family sedan.

It comes breezing in with all the low-lined sweep and wide open visibility of Buick's original 2-Door Riviera — and with luxurious new spaciousness in

its sizeable and full-length 4-door body.

With windows down, no posts appear for the rear doors, and you get a completely unobstructed view at both sides.

You find rear doors are hinged at their front edges to swing wide and free, and assure easy entrance and exit.

And you'll find legroom, headroom and hiproom extra-generous both front and rear — with interiors tailored in fabrics and patterns specially reserved for the 4-Door Riviera.

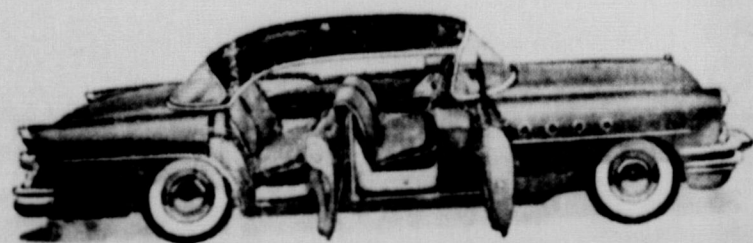

Best of all, this new Buick beauty comes off the line in both the low-price SPECIAL Series and the high-powered CENTURY Series.

So you can pick your 4-Door Riviera with the potent performance of a 188-hp or 236-hp Buick V8 engine — the swift get-away and gas saving of Variable Pitch Dynaflo® — the velvet stride of the Million Dollar Ride — the long list of Buick bonus features at no extra cost — and all at "great buy" prices that have helped more Buick into America's "Big Three" of best sellers.

But — better come see us about the 4-Door Riviera now.

With all-out production — and a prompt order — this newest excitement in cars will be yours that much sooner.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

LOWEST-PRICE CAR

IN "ALL 3" TO GIVE YOU ALL THIS IS PLYMOUTH!

TOP SIX

The *thriciest, smoothest* six in the low-price 3—that's Plymouth's Power-Flow 117! Its high compression ratio, combined with exclusive Chrome-Sealed Action, gives you more power from less gas, and velvet-smooth performance. You'll enjoy lightning acceleration, thanks to a special metering system in the carburetor. And the PowerFlow thrives on regular, not premium grade, fuel.

TOP SIZE

The *biggest, longest, roomiest* car of the low-price 3—that's Plymouth! Brilliant new *Forward Look* styling gives you more glamor outside, more luxury inside; plus the new Full-View windshield; swept back to give the greatest visibility in the low-price 3. And Plymouth's big size means you and your passengers will enjoy the smooth, steady ride that only a truly big car can give you.

TOP VALUE

Plymouth is the only low-price car to give you at no extra cost such extra value features as: electric windshield wipers, Safety-Rim wheels and an independent parking brake for greater safety... Oriflow shock absorbers for a smoother ride... an Oilite fuel filter and oil bath air cleaner for lasting economy. See and drive a Plymouth today—see why it's your best-buy low-price car!

WHY PAY UP TO \$500 MORE FOR A CAR SMALLER THAN PLYMOUTH?

Don't be fooled by the claims of so-called medium-price cars that they cost practically the same as Plymouth. When you compare price tags you'll find

that, *model for model*, Plymouth sells for much, much less than medium-price cars, and gives you more car for your money!

HIGHLIGHTS AND HIGHLIGHTS State Capitol

Vern Sanford Press Association

Two big projects of the state's water conservation program won in the Senate.

Sen. Dorsey Hardeman's state bond issue for all projects. It calls for a general amendment vote in the House. The other is an enabling act to start operations if and when an amendment is passed.

Opponents of this, and on \$200 million bond bill for all projects have delayed final action. They don't have enough votes.

Tax Blank

Hostile revenue and committee shunted Rep. Hays' \$160 million-a-year tax bill to sub-committee.

They levy a 1-cent tax on gasoline and repeal the sales tax. Opponents would bring a 19-cent cut in oil prices, costing Texas \$10 million a year.

Committee left buried the emboldening Gov. Shivers' tax program. It included a 4-cent gas tax and a 4-cent boost in the 4-cent tax.

Confirmed last week's re-administration forces had the two single-shot re-elections and pinned new hopes on Chairman Stone's omnibus bill. It would permit financing any of the 100-odd projects.

Delaying Action

Session speculation arose up. Sen. Phillips saw his filibuster fall this week to the wagon.

It was all over, weary Sen. Phillips suddenly discovered the talks had killed two full bill periods in the Senate. One House bill passed.

adjournment May 11. That would mean his calling a special session on taxes and the appropriation bill. Appropriations must be in effect Sept. 1 to keep the wheels of government turning. He would have control in a special session, lacking now.

"Open Door" Bills Attorney General Shepperd has expressed "deep hope that action will be taken on the Open Door to Good Government bills during this session of the Legislature."

Most of the bills have been reported favorably by House committees, he pointed out, but some still are being held for further committee study.

"They are sound, logical proposals to aid better government in Texas, to give the people a bigger voice and to more quickly reveal official wrong-doing," he said. Shepperd referred to 13 bills dealing with full public disclosure of public records and funds. All are pending in the House of Representatives.

HS Senior Girls May Win Silver Prizes

This Spring any high school senior girl who registers her sterling pattern with Wesley Sawyer Jewelry here will be given a sterling silver teaspoon free of charge as a graduation gift, without any obligation whatsoever.

In addition, any girl who chooses a sterling pattern by Reed & Barton, Silversmiths, of Taunton, Massachusetts, will be eligible to win one of 126 valuable sterling silver prizes in the "Sterling For Graduation" Contest now being conducted at The Wesley Sawyer Jewelry.

To be eligible to win one of the prizes, which include a complete sterling service for 8 in handsome chest, plus 125 other valuable awards, a high school senior girl simply registers her sterling pattern with the store and drops her name and the name of her pattern in the Hope Chest on display at the store. That's all an entrant is required to do. In this Contest there is no essay to write, no jingle to complete, no obligation whatsoever.

OSCAR KOST

LEONA BENDER, popular radio star of KTSA says, "Every woman knows light Karo is best for cooking... and on the table..."

it's Karo for me, the best-tasting waffle syrup of 'em all'

Yes, indeed... biscuits go like hot cakes when you pour on plenty of delicious Karo waffle syrup. There's nothing like it for good eating. Satisfyin' flavor. So rich it stands right up on top of biscuits (keeps 'em light and fluffy). Keep Karo on your table morning, noon and night... it tops anything!

Ask your grocer for Karo waffle syrup, in pints and quarts

Here's why MORE PEOPLE ARE BUYING PONTIACS than ever before!

1. You can buy a big, 200-H.P. Pontiac for less than many models of the lowest-priced cars and much less than stripped economy models of higher-priced makes!

2. Only Pontiac gives you luxury-car size plus the sensational Strato-Streak V-8!

Biggest car at its price (122 and 124 wheelbases) • Most powerful car at its price • Only car at any price with distinctive Vogue Two-Tone Styling and the riding and driving ease of the Shock-proof Chassis.

You don't have to look far to find the reason for the tremendous surge to Pontiac. No further than the fact that only Pontiac produces cars that compete with the costliest in size, smartness and power, yet carry a price tag that is well under many in the lowest-price field.

That's what brings people in to see and drive a Pontiac—a value story they simply can't afford to overlook. And once they do—once they get a close-up of America's most distinctive styling... once they sample the superlative roominess and comfort of

Pontiac's luxury interiors... once they try the pulse-racing thrills of exclusive Strato-Streak V-8 performance—they lose interest in every car but this.

Come in and get the rest of the story. See, drive and price this high-powered future-fashioned beauty. You'll find that if you can afford any new car you can easily afford a Pontiac.

derrick floor.

The project reported the following tops: The Permian lime and shale, 1,160 feet; the Permian sand (Yates), 1,400 feet; the Permian evaporites, 1,530 feet; and the San Andres, 2,127 feet.

The Block 44 Shallow field of Crockett County has been extended 1/4-mile southeast with the completion of C. E. Marsh II No. 1 Humble-University, in 15-44-University Lands survey, five miles southwest of Barnhart.

It finalized for a daily pumping potential of 13 barrels of 29.6 gravity oil plus 85 per cent water.

Production was from open hole between 1,725 feet, where 5 1/2-inch casing was set and 1,770 feet, the total depth. Pay section was fractured with 5,000 gallons.

Top of pay was picked at 1,725 feet on elevation of 2,702 feet, derrick floor.

Thomas & Doss, San Angelo, has filed application to drill the No. 11 Shell-Sorg Estate one location north and slightly west of production in the World field 18 miles south of Big Lake.

The project will be drilled to 2,600 feet with rotary.

Location, on a 240-acre lease, is 1,650 from the north and 990 from the west lines of 51-BB-GC&SF.

Shell Oil Co. will drill a 1/4-mile southwest stepout to production in the Tippett field, 12 miles southeast of McCamey. It will be the No. 1-B Forristall.

Rotary drilling to 6,500 feet will begin immediately. Estimated elevation is 2,500 feet.

Location, on a 320-acre lease, is 5,812 feet from the northeast and 1,320 feet from the southeast lines of 41-31-H&TC.

Haynes and V-T Drilling Co. will drill its No. 3 University (Ohio-B) 1/2-mile southeast of production in the Farmer (San Andres) field, 15 miles southeast of Big Lake.

The project will be drilled with combination tools to 2,650 feet, with operations beginning immediately. Elevation is 2,721 feet.

Location, on a 160-acre lease, is 990 feet from the south and 330 feet from the west lines of 9-50-University.

Robert T. Brown has filed application to attempt to re-complete the former C. S. Jones et al No. 1 State, depleted producer in the now two-well Howard Draw (Shallow) field 22 miles west of Ozona. The project will be reworked as the No. 1-F University.

Old total depth is 1,335 feet. The project was originally completed for a daily pumping potential of 23 barrels of oil, pay section unreported.

Location, 1/8-mile south of production, is 2,310 feet from the south line and 330 feet from the west lines of 36-30-University.

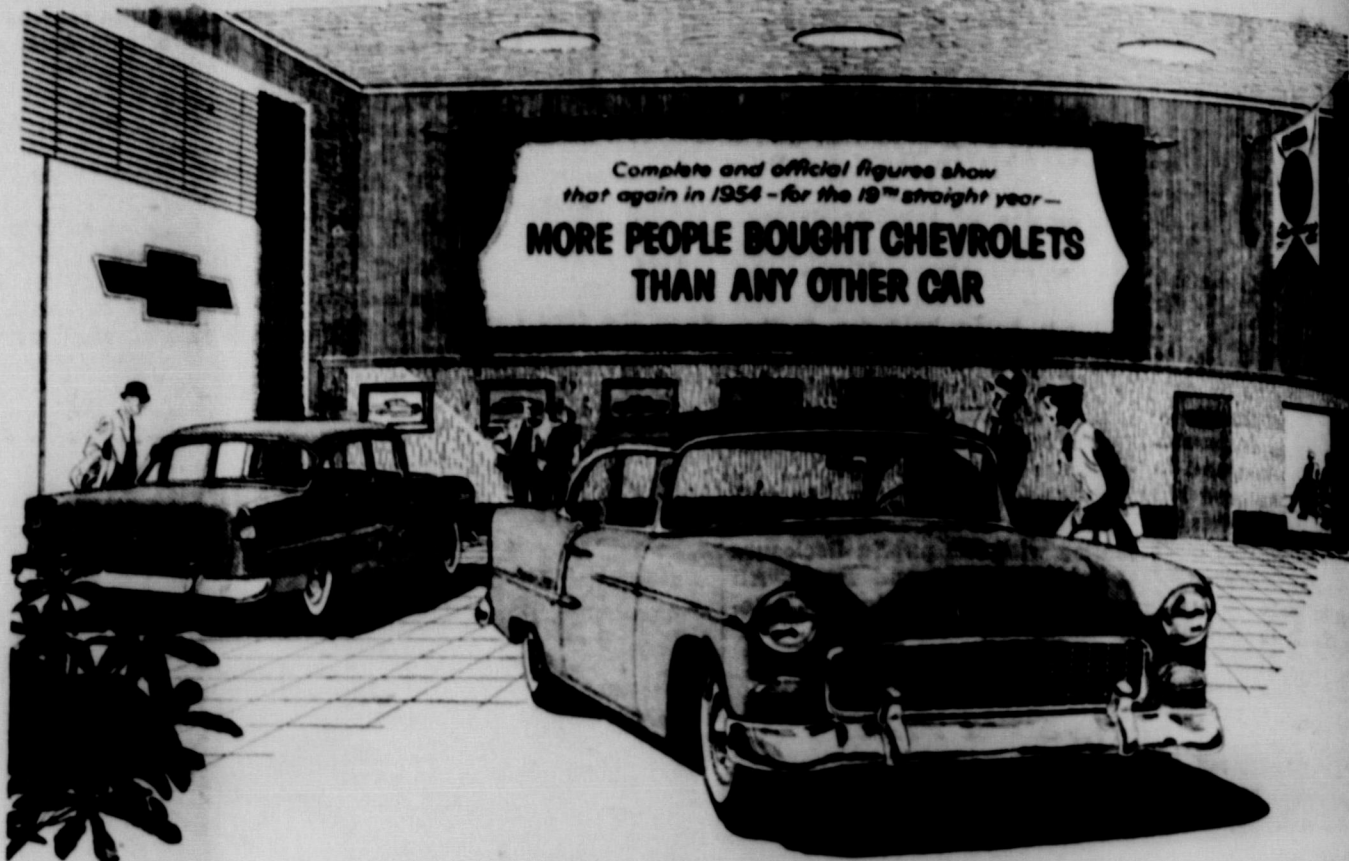

W. S. C. S. STUDY SESSION

Woman's Society of Christian Service met Wednesday morning at the Methodist Church for the second lesson on the book of Mark, being taught by Rev. Troy Hickman. The last in the study series will be next Wednesday, April 13, at the church.

Present were Meses, S. M. Harvick, George Harrell, Troy Hickman, Joe Pierce, H. B. Tandy,

Floyd Henderson, Nip Blackstone, W. T. Stokes, Pete Jacoby, Allie Lock, N. W. Graham, T. A. Kin-

caid, Jr., W. R. Baggett, Taylor Word, J. S. Pierce, III, O. D. West, B. C. Flowers, J. A. Fussell, R. A. Harrell, Victor Pierce, Bill Baggett, Howard Lemmons, Early Baggett, B. B. Ingham, Sr., Johnie Henderson, Charles Williams and H. C. Collett and Miss Ralston.

No other low-priced car even comes close to matching these important Chevrolet advantages . . .

If you're planning to buy a new car, the one you just can't afford to miss seeing is Chevrolet—for 19 straight years America's best-selling car. The Motoratic Chevrolet offers you so much more than the other low-priced cars that it's hardly fair to compare them. And even the high-priced cars don't have all the advantages that today's Chevrolet offers you.

The beauty's built in—not bolted on! Chevrolet's beauty is inherent in the basic contours of metal and glass. There's no excessive bolted-on ornamentation to go out of style overnight.

The Body's by Fisher!
You see Body by Fisher on lots of the high-priced cars—and only Chevrolet has it in the low-price field!

Today's most modern engines!
That goes for Chevrolet's new V8 and two new sixes as well. All bring you a modern 12-volt electrical system—double the voltage of other low-priced cars. Then Chevrolet's new "Turbo-Fire V8" has the shortest piston stroke in the industry!

A drive to suit your driving!
There's silky, peppery Powerglide (even

better this year!), new Overdrive (both extra-cost options), and a new Synchro-Mesh transmission that's as smooth as they come.

All the power helpers you want!
Windows, seat, steering, brakes—all are available with built-in "muscles" to make driving as effortless as you wish. They're optional at extra-cost—and worth it!

Come take the key!
There have never been so many good reasons why you should drive a Chevrolet!

Over Ten Million Chevrolet owners—Two Million more than any other car!
