Here and There

INDIANS ON THE PECOS

There are abundant signs along the Pecos River that a fairly numerous race of people, presumably Indians, once inhabited the region. Many local ranchmen have explored caves on their properties and found objects which could only have been left by people living in a primitive condition.

A few years ago, Ted White, Np Blackstone and I sifted a few shovels of ashes from the floor of a cave on Ted's place through a hailscreen sifter and found several broken arrow points, bits of woven matting, and many wads of chewed-up fiber. We thought the fiber cuds might be wool, and since they can be brought up from far below the surface ashes, it seems fairly certain that they were left there by humans and deposited over a long period of time. Had they been animal cuds, it seems they would be mostly on the top.

The cave on Ted's place is fairly typical of the larger natural shelters along the Pecos, except that it is a very large one and was apparently inhabited for a long time. Some years ago a group of excavators from a Texas college dug out of it many tons of ashes and other material. There is still plenty left. Judging from the number of artifacts in the remaining ashes, and from the depth of the ash heap, a whole tribe must have lived there for several generations. Who were they? No one knows for sure. There are several theories, each with something to support it. Some students of Texas history say that before the Indians came to the Pecos region a race of "basket-makers" lived in the caves. They were so called because of the bits of woven fiber mats and sandals left in all the caves. Very little pottery has been found, and what has been found is not of the advanced type present in the pueblos of Colorado.

It has been supposed by some that the Pueblos, when they left the Colorado mesa about 1275, after a drought that lasted 75 years, came to the Rio Grande and Pecos waterbeds of Texas and New Mexico, whence a part of them seem to have disappeared. But the people who inhabited the caves of these two Texas Rivers do not seem to have been as civilized as the Pueblos were. They seem to have been itinerants, probably driven here by pressure of other tribes to the north.

The most reasonable theory seems to be that the Pecos and Rio Grande cave Indians were Mesquero Apaches. We know that the Apaches were pushed southward by pressure of white and Indian peoples hunting buffalo on the Staked Plains of Texas and New Mexico. The rather crude artifacts which are found in our caves suggest most the life that Apaches would lead. But here one man's guess is as good as another's.

I have been interested in the piles of rock which may be found on nearly every ranch in south and west Crockett County. The rock are broken and fireburned, suggesting their use in arrow-making, cooking, or some ceremonial activity. A footnote in Mrs. Madison's book, "The Big Bend," quotes from Espejo, a Spanish explorer who came this way in the early days' name to throw light on what the rockpiles were. Espejo says the Indians used them to cook sotol (which he says they called "mesal") hearts. Rock was piled up on the ground. A fire was built on the rock. When the rock was heated, a layer of grass or other greenery was laid over it. On this was placed the sotol hearts, and on top of them another layer of grass or leaves. In this moist heat the sotol baked, until the layers could be stripped off and eaten. Espejo said the Indians virtually lived on this diet in the winter months.

Although we are in the realm of guessing, this sounds like a good explanation of the fireburnt rockpiles. It also accounts for the wads of chewed-up fiber mixed in (Continued on Last Page)

Workers Lined Up For One-Day Gonzales Drive

Polio Foundation Fund Drive Directed By Mrs. McMullan

A crew of volunteer workers has been organized and is poised for the annual Gonzales Warm Springs Foundation fund drive set for Monday, October 3. Mrs. Ashby McMullan, drive chairman, announced this week.

The house-to-house canvass will be made in a one-day drive by a crew of 13 volunteer solicitors, Mrs. McMullan said. The annual drive for funds to support the Texas treatment center for polio victims will be extended over a two-weeks period and collection boxes for volunteer donations will be placed in business houses over the city during that period. But the workers who will make the one-day canvass hope to be able to make a creditable showing for Ozona in that whirlwind campaign.

The Gonzales institution's work is well known to most Ozonans since four children from here have been helped by treatments there in recent years. They are Andres Galindo, Mary Hope Garcia, Kay Thomas and Billy Troy Williams.

The following workers will make the Monday drive, Mrs. McMullan announced: Mrs. Clay Adams, Mrs. James Baggett, Mrs. Frank McMullan, Mrs. Bill Cooper, Mrs. Robert Cox, Mrs. Batts Friend, Mrs. W. E. Friend, Jr., Mrs. Jess Marley, Mrs. Max Schneemann, Mrs. Troy Hickman, Mrs. Marshall Montgomery, Mrs. Lindsey Hicks and Mrs. Boyd Clayton.

The campaign for the Gonzales Foundation is seeking funds from all over the state to carry on its program. This hospital of physical medicine and rehabilitation, approved by American College of Surgeons, American College of Physicians, American Hospital Association and Canadian Medical Association thru the Joint Commission on Accreditation of Hospitals, accepts patients from every part of Texas regardless of race, religion or financial condition.

In the history of the Foundation no patient who could be helped by the treatment program has ever been denied admittance for financial reasons.

"The money we raise will be spent in Texas to help Texas children," Mrs. McMullan pointed out. "I know the people of Crockett County will respond generously."

Soaking Rains Up Winter Prospects In Ranch Country

Week-End Falls Cover All of County With Needed Moisture

Rains that can truly be called soakers fell over all of Crockett County, and over a wide section of the West Texas ranch country during the past week-end and for many ranches blessed with July and August rainfall erased a threat of a winter feed bill.

Last Thursday it "set in to raining and rained just right" as one ranchman was quoted. The rain was slow and intermittent throughout the day and night with the result that from an inch to over two inches of moisture fell with no run-off. More rains came the next two following days, with heavy downpours reported across the south part of the county amounting in some areas to four to six inches.

Ozona recorded a little under two inches of rain during the period and areas to the south, east and west had that much and more. The rainfall was lighter to the north but most all sections reported fine rains.

Mrs. Roy Killingsworth and Beverly were in San Angelo, Saturday, and also went on to Sanatorium, Texas to visit Miss Lou Nell Beall.

Lions Try For Four Against Iraan Braves In Iraan Fri. Night

Ozona's 1955 Lions, with three victories already under their collective belt, will try for four Friday night when they invade the reservation of the Iraan Braves at Braves Stadium in Iraan, starting at 8 p. m.

The Lions rate as heavy favorites in this one, because they have won three in a row while the Braves have dropped their first two starts, and because the Lions boast much more experience than the Braves.

But the Braves are a "coming team" as witness their first game, a 32-6 defeat at the hands of Rankin and then 26-0 at Sonora. Coach Royce Smith, who comes to Iraan from Haskell, where his team last year went far in the state competition, is drilling his young lads, mostly sophomores, in fundamentals and instilling a lot of fight in them. Only 3 lettermen are back this year to form the nucleus for the Braves, but in their tailback Jesse Wade and a lad named Lindy Lyles, a star from last year's Junior High squad, they present a definite threat. Wade and End Jimmy White lead the Iraan defense.

Methodists Plan New Parsonage On Site Near Church

Present Parsonage And Lot To Be Offered To Highest Bid

The membership of the Ozona Methodist Church in a congregational meeting Sunday night, September 25, voted to build a new parsonage as soon as possible. Without a dissenting vote, those present accepted a 4-point report of the Official Board's Parsonage Building Committee, which recommended that the present parsonage and land on which it stands be sold for the best price obtainable and proceeds be applied on cost of the new building.

The new parsonage will be located on land belonging to the church, which is situated just north of the present church structure. An architect will be employed to complete construction plans and supervise the building process.

In adopting the committee's report, the congregation also authorized the committee to continue its work and develop the project as rapidly as possible.

Since several local persons have expressed interest in the purchase of the old parsonage and land, it is thought that perhaps the committee will call for sealed bids, reserving the right to reject any or all bids. Title to the property would not pass to the purchaser until the pastor's family vacates the house.

Arrangements for financing the project are still to be made, but it is believed that the committee will cause to be made a canvass of the congregation to secure cash gifts and pledges sufficient, if possible to cover the cost.

Persons interested in bidding on the old parsonage should contact the pastor, the chairman of the Parsonage Committee, Jim Ad Harvick, or Tom Harrie at Foxworth-Galbraith Lumber Co., or wait for notice of date of bidding period to appear in The Stockman.

Kent Chapman Wins Place On Dramatic Group At N.T.S.T.C.

News was received this week that Kent Chapman, son of Mr. and Mrs. Joe Chapman has been selected to become a member of the "College Players," a student dramatic organization at North Texas State Teachers College, in Denton. Membership into the organization is secured through auditions only.

Sixty students were auditioned before professors of the Speech Department, and Kent won a position in the group. He will be cast in the first presentation of the fall season, "Dial M for Murder."

Lions Romp Over Melvin Bulldogs 32 To 0 In Rain

Visitors Gained Only 25 Yards Against Lion Defense

By Ernie Boyd

The Ozon Lions overcame an early epidemic of fumbles and crashed the Melvin Bulldogs 32 to 0 last Friday night in a game played on a wet field and during the last half in a brisk rain.

The win for the Lions was their third straight of the season and averaged last year's loss to the Bulldogs in Melvin.

Tackles Luis Vela and Jesse Marley sparked a rock ribbed defense that held Melvin helpless even when the Lions were having trouble early in the game with Juan Delgado and Roy Glen Sutton and unusually fine play from the ends and the outside linebackers were the key factor in Melvin being limited to 25 yards rushing during the contest.

Kent Babb, getting into his first game on the offense, returned a kickoff 80 yards for one touchdown and returned a punt 47 yards on another occasion in addition to picking up 16 yards in 6 carries from scrimmage.

Another new comer in the lineup was George Bunker. Bunker, filling in for the injured Babb, who was in turn in for the injured Orville Paulk, ripped off a 41-yard touchdown scamper in the third period in addition to picking up 8 yards on 2 other carries.

The Lions lost the toss and kicked to Melvin from the south end of the field. A nice crowd was on hand despite the wet conditions and threatening rain.

Melvin could not move and kicked, with Ozona coming into possession on the Melvin forty yard line. On the Lions first offensive effort, Mike Clayton picked up nine yards on a burst through tackle but on the second down Bobby Sutton was hit hard and fumbled with the Bulldogs recovery. San Angelo Dramatic Group To Present New Play Series In Ozona

Epsilon Sigma Alpha Sorority here again will bring to Ozona a series of top notch plays to be presented this winter by the San Angelo Community Theatre.

The first production to be shown here will be "Claudia", to be presented in the High School Auditorium here on November 12. "Ladies In Retirement" will be the second production, slated for February 25, and on April 14, the group will present "Trip To Bountiful".

Virgil Oden, former Ozonan, is producer and director of the San Angelo players. Neil Sanders is president and John Logan is vice president of the Community Theatre.

E. S. A. members here plan a ticket selling campaign starting soon. Adult and high school student tickets will be \$1.25 each or \$3.00 for a season ticket. For children from kindergarten age through junior high, the ticket price will be 75 cents for each play or \$2 for the season. Children under 5 will be admitted free.

All profits realized by the sorority from the plays will go toward financing its community projects such as Girls Scouts, Welfare Council, polio drive and Red Cross fund.

Ellenburger Wildcat Set In West Crockett

Ohio Oil Co., has filed application to drill a 7,500-foot rotary wildcat in Crockett County, eight miles southeast of Iraan. It will be the No. 2 Half & Bivens.

Operations are to begin at once. Estimated elevation is 2,250 feet. Location, on a 640-acre lease, is 467 feet from the south and west (river) lines of 60-1-I&GN.

The prospector is 1 1/4 miles north of Ohio (formerly Humphrey Oil & Gas and Pat Humphrey) No. 1 H. M. Half & Bivens, 8,330-foot wildcat failure abandoned June 16. The following tops were reported on elevation of 2,250 feet: Yates, 800 feet; Queen sand, 1,412 feet; Grayburg, 1,685 feet; San Andres, 1,795 feet; Simpson, 6,785 feet; and Ellenburger, 7,000 feet.

Woman's Forum Plans Community Promotions

The Woman's Forum was in charge of the assembly program in the high school auditorium Thursday, September 29. The Forum presented the program in connection with a Traffic Safety campaign which they are sponsoring.

The Student Council introduced Mrs. Chas. Black, Jr., president of the Forum, who in turn introduced Patrolman Joe Perry, of San Angelo, who addressed Junior Hi and High School students on traffic safety.

Also in connection with the program and campaign, members of the Forum have a wrecked car and traffic data on exhibit at the south end of the City park.

POLIO VACCINE AVAILABLE

A limited amount of polio vaccine is now available for all children under 10 years of age and for pregnant women. The vaccine shots can be secured at the local doctors' offices.

Property Owners' 1955 Tax Bill To Become Due Oct. 1

\$833,627 Tax Money Due State, County And Schools

A tax bill of \$833,627.18 will become due and payable October 1 for property owners of Crockett county. Around 85 percent or more of that amount will be due from oil producing and related properties in the county, with the balance due from landowners, livestock producers, business men and corporations operating in the county.

The total bill represents the amount due the county, the schools and the state of Texas on the county's total property valuation of nearly 29 million dollars. The state will collect the smallest amount on its tax rate of 42 cents on the \$100 valuation. The state's total is \$117,288.65. The county, on a tax rate of \$1.05, will collect \$303,125.05 and the schools, with a rate of \$1.50 will take in \$413,213.48, all conditioned on 100 percent collections.

However, as a means of encouraging early payment of taxes to augment county and state treasurers, a system of declining discounts which have been in effect several years will be operative again this year. For payments made in October, the county and state will allow 3 percent discount. The discount will drop to 2 percent in November and 1 percent in December, with no discount after December. No discount is allowed on the school remittances.

Because of the fact that lands of the University of Texas in this and other counties of West Texas are not taxable for school purposes, there is a difference in valuations for county and state purposes and for school purposes. The valuation in this county for state and county purposes is \$28,869,505, a rise of \$1,074,795 over last year, and for school purposes \$27,547,560, a difference which means a drop of nearly \$20,000 in tax money for the schools because an attorney general of Texas ruled that the constitutional amendment voted by the people did not authorize taxation of University lands for school purposes.

Crockett county taxpayers are reminded that their poll tax payments should be included with tax payments. Poll tax assessments will not be included in tax bills soon to be mailed from the local collector's office. In remitting taxes, after discount deductions, add \$1.75 for each poll tax, this tax, like that for schools, carrying no discount allowance.

Those potential voters who reach the age of 21 during the next calendar year will be entitled to an exemption and the right to vote. Application must be made for exemption certificate. Those who reached the age of 60 before Jan. 1, 1955, may vote without a poll tax receipt.

San Andres Discovery In North Crockett Co. Rates 170 Bbls. Daily

Crockett County has gained a San Andres discovery and a second offset to it has been staked.

Plymouth Oil Co. No. 1-0 University, San Andres discovery in 13-49-University, nine miles south of Big Lake, was finalized for a daily flowing potential of 170 barrels of 21.9 gravity oil, plus 42 barrels of acid water, with gas-oil ratio 938-1.

Production was through a 5-16-inch choke and perforations between 2,550-96 feet in 5 1/2-inch casing set at 2,728 feet.

The same operator has filed application to drill the No. 3-0 University, as a one-location south offset to the discovery.

It will be drilled to 2,700 feet with rotary.

Location, on a 329-acre lease, is 1,068 feet from the south and 2,310 feet from the west lines of 13-49-University.

The same operator's No. 2-0 University is a one-location west offset to the discovery. It will be drilled to 2,700 feet.

CIVIC CLUB FINANCES

From the viewpoint of many people who appreciate live entertainment features such as traveling shows of various sorts, it is well for such organizations to be brought to town under the sponsorship of some local organization.

And we have no argument with these people for we like to see any kind of entertainment that is worthwhile brought to Ozona. But there are many organizations or troupes of so-called entertainers on the road who are not able to stand on their own feet from an entertainment standpoint and who depend on their sponsoring organization to assist them in a shake-down of local merchants in one kind of advertising scheme or another to guarantee them a handsome profit whether or not their program draws any cash customers.

Most of these schemes offer the sponsor a "cut" out of the take for advertising space on an elaborate program folder, but the lion's share of the total contributed by local merchants is taken away by the traveling troupe. The merchant contributes to the local organization because its representative accompanies the traveling solicitor, not because he thinks the advertising space on the program, which will be seen by a relatively small group of readers at best, will be of any benefit to his business, but because a good friend and neighbor and member of a respected local group asks him to do so.

Business men along the main street are always handy for the solicitor and most of the time they bear the largest share of all finance drives. But business men

are individuals and citizens and most of them do not mind carrying their share of these burdens along with other citizens. But when it comes to fattening the purse of the out-of-town promoter who uses the long discarded program advertising scheme it leaves a bad taste. Local civic groups who need finances for their worthwhile projects will experience no difficulty in making up their budgets with a house-to-house solicitation of business houses and individuals. Or any number of local talent productions could be promoted with wholehearted support from the community and the net monetary gain, we dare say, would be several times that which the out-of-town show would produce—and all of the money would stay at home. It's simpler and easier, yes, to sponsor the traveling troupe, take what they want you to have and nobody have to work. But is it fair to the merchants who have to dig up several hundred extra dollars to be carried out of town with no chance ever to come back into their tills?

The fall season brings the traveling shows out by the dozens and the small towns are their targets. We suggest that club officers take a good look at the plan of

these people and if it includes a local solicitation for funds on one promotion scheme or another that some alternative plan be worked out for meeting the organization's financial needs.

FRIDAY BRIDGE CLUB

Mrs. H. B. Tandy was hostess to the Friday Bridge Club, September 23, at the House of Flowers Tea Room. Fall flowers were used as decorations, and a salad plate was served to the following members and guests attending. Lions Romp Over —

(Continued from page one)

Melvin found the Ozona line too tight and kicked, with Johnny Ramirez making a short return. Three plays later, the Lions had a net yardage on a third down. Sutton went back to kick and the ball got away from him with the Bulldogs taking over deep in Ozona territory.

The Lions smothered the Bulldog ball carriers on three plays, to see a fourth down pass up a new first down on the third. Luis Vela and Roy Sutton nailed Brown for a yard loss, and then a bevy of Lion forwards headed by Ben Friend swarmed the Bulldog center for a fourteen-yard loss. In more plays found the Bulldogs combining two more losses and the Lions took over just as the quarter ended.

On the first play of the second quarter, Mike Clayton took a pitch and rumbled twenty-five yards into the clear before he lost his footing and fell out of bounds. On the next play Bobby Sutton cut over tackle, picked up two nice sweepfield blocks and sped over the goal line for the first score. The play covered twenty-six yards. Sutton converted the extra point. The Lions lost little time extending their lead. Melvin directed the kickoff and tried to get into the air. A pass intended for a short receiver was picked off by Johnny Ramirez and the

Lion safety man was on his way with Juan Delgado putting the key in the door with a crushing block which cleared the way to the goal line. Over all, the interception return covered forty yards. Mike Clayton converted to make the score 14 to 0.

The Lions misfired on the next drive to spoil a forty-seven yard punt return by Kent Babb. Robert Martinez taking the ball on his first offensive effort, ripped eleven yards to the Bulldog six only to lose the ball and stall the drive.

With the half coming on, it looked like all the scoring had been completed, but the Bulldogs had to kick and on first down Bobby Martinez went thirty-three yards on a keeper, and in two plays the Lions had another score with Clayton cracking over. This time the conversion effort died with a fumble.

The next score came on the most spectacular play seen in the Lion park in some time. The Bulldogs kicked off and Babb took the ball on his own twenty paces 90 yards for the score. Babb went the last fifty with a convoy of five blockers.

The final tally of the day came late in third quarter when George Bunger slipped off left tackle, skillfully eluded several tacklers, and cut back to complete a forty-one yard touchdown run.

Rain began to fall at the half and as the game progressed and more and more subs got into the contest, the issue began to even up, but Melvin could not muster an offense even against the reserves and the game ended with the ball in mid-field.

Freshman Bobby Sutton led the ball carriers for the night but by a very narrow margin. Sutton ricked up 50 yards on seven trips which gave him a one-yard edge over George Bunger who had 49 yards on three carries. Mike Clayton got 46 yards on seven attempts and Robert Martinez had 37 yards on six attempts. Martinez had only a slight edge over Bobby Martinez who picked up 35 yards on seven carries.

Over all the Lions picked up 263 yards rushing in addition to punt, kickoff and intercepted pass returns, to Melvin's 25 yards rushing and 9 yards passing.

In first downs the Lions held a 10 to 4 edge and on punts the

Lions kicked once, that by Sutton for 46 yards, as compared to seven kicks by Melvin for an average of 29.4.

Miss Nancy Perdue Is Honored At Gift Coffee Saturday

Mrs. J. T. Keeton, Mrs. A. C. Hoover, Mrs. Ben Williams, Mrs. Walter Dunlap, Mrs. James Childress, Mrs. Pleas Childress, and Mrs. Lowell Littleton were hostesses at a gift coffee Saturday morning, September 24, in the Baptist Fellowship hall, complimenting Miss Nancy Perdue, bride elect of Bill A. Hall.

Miss Mildred North and Mrs. Troy Dale greeted guests at the door and presided at the bride's book. In the receiving line were Miss Perdue, honoree, Mrs. Doyle Perdue, the honoree's mother, Mrs. Chas. Ratliff Jr., Mrs. Andy Nelson, Mrs. A. C. Hoover, Mrs. J. T. Keeton, and Mrs. Walter Dunlap.

Presiding at the coffee service were Mrs. Hubert Baker and Mrs. Ben Williams. The table was laid with a white Italian cutwork cloth over a pink background, and centered with an arrangement of pink queen's wreath and purple thistle as were the other bouquets used in the decorations. The gift tables were laid with pink and white or-gandy cloths.

Others in the house party were Misses Alena Faye Powers, Genelle Childress, Pat Cooper, and Mesdames James Nettleton and T. J. Bailey. Miss Mary Jo Ward furnished the background music. Approximately 50 guests attended.

Following Is The Law Passed By The Texas Legislature, effective May 12, 1955:

H B No. 531

An Act making it unlawful to bring or carry intoxicating beverages into any enclosure, stadium or field where athletic events sponsored or participated in by the public schools of this State are being held; providing for the confiscation of such beverages and providing for a penalty for a violation hereof; and declaring an emergency.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. It shall be unlawful for any person or persons to bring or carry into any enclosure, field or stadium, where athletic events, sponsored or participated in by the public schools of this State, are being held, any intoxicating beverage or to have any intoxicating beverage in his possession while in or on said enclosure, field or stadium.

Section 2. Provided that if any officer of this State sees any person or persons violating the terms of Section 1 of this Act, he shall immediately seize such intoxicating beverage and shall within a reasonable time thereafter deliver same to the County or District Attorney who shall hold same as evidence until the trial of the accused party and shall thereafter dispose of same.

Section 3. Any person or persons violating the provisions of this Act shall be guilty of a misdemeanor and upon conviction shall be fined any sum not less than Twenty-five (\$25) Dollars and not more than Two Hundred (\$200) Dollars.

Section 4. The fact that there is not presently a law prohibiting the possession of intoxicating beverages within the enclosure, stadium or field where athletic events, sponsored by the public schools, are being held, and the morals and welfare of the public school children are in jeopardy creates an emergency and an imperative public necessity that the Constitutional Rule requiring bills be read on three several days in each House be suspended and this Act shall take effect and be in force from and after its passage, and it is so enacted.

Passed the House April 5, 1955. Passed The Senate, April 28, 1955
Approved May 12, 1955 Effective May 12, 1955.

EDITORIAL

Are you proud to be an American? What does it mean to you? Of course it means "life, liberty, and the pursuit of happiness." As long as it doesn't interfere with the rights of others, each person is entitled to "freedom of speech, press, and freedom from fear." This means that you must always be on the look out for other peoples' rights as well as your own.

Ozona High School has always obeyed this policy and will continue to do so. I'm sure. Because of this, we have always been complimented on our conduct every where a group goes. If we want to maintain this, we must always be aware of the fact that people are looking to you to see how a true Lion acts. What kind of impression will you leave in people's minds? One, your fellow classmates can be proud of?

COMIN' AND GOIN'

Friday night, September 23, the Twirlers were hostesses to a dance out at the country Club. Soft music, good eats, and gaiety were the "highlights" of the get-to-gather. The best things in life are free, of course, but isn't it a pity that most of the next-best things are so expensive?

The Homemaking Department reports that they are coming a long fine on their sewing problems. We are looking forward to seeing these garments.

Most men need two women in their lives — a secretary to take everything down and a wife to pick everything up.

We have several students in school that were born in Sept. We wish all of them a very happy birthday.

Sympathy is never wasted except when you give it to yourself.

Another game "in the bag"! We are extremely proud of our Lions and again, want to wish them "Good Luck" in their following games.

If you never stick your neck out, you'll never get your head above the crowd.

Saturday, October 8th, the Seniors will sell sweets in the park. Come and help the Seniors — Satisfy that sweet-tooth.

Don't find fault — find remedy. Anybody can complain.

The Juniors will sell mums for the Homemaking game. Give your best gal a beautiful mum.

One good way to test your memory is to remember the things that worried you yesterday.

CLASS NEWS Senior Class

September 27 the Seniors Class met under the direction of their sponsors to discuss the float and several other things.

Ann Baggett gave a report on the progress of the float committee and Janie Adams gave a treasure report.

Carl Conklin appointed a committee to put a stand in the park for the sweet sale October 8. This committee consists of Jerry Beasley, Benny Friend, Lloyd West, Thomas Purdon, Brock Jones, and Mike Clayton.

The class then decided that the cheerleaders, band members, and twirlers of the class would work on Thursday nights at the Junior High football games.

OZONA HOMECOMING OF 1955

Ozona Public School's first Homecoming was held November 12, 1949. Visitors came from as far as the states of Washington and Arizona to be present for the festivities. The same event will occur again in Ozona, October 7 and 8, 1955, sponsored by the Ex-Student Association.

On Friday night, October 7, a football game between Ozona and Rankin will start the festivities of the homecoming.

Registration will be Saturday, October 8, at 9 a. m. in the high school auditorium which will be followed by a program at 10 a. m. On the program Casey Moore will speak. Mr. Moore is a well-known country philosopher from Hearn, Texas. He was formerly a small town barber.

Barbecue dinner with all the trimmings will be served in the town's park at 12:00. The admission will be a dollar per plate.

There will be a parade at 3 p. m. down main street of town consisting of the Ozona band, floats, and various vehicles. The present

day high school classes will each enter a float along with the floats of ex-students and various business houses.

At 4 p. m. all public school buildings will be open for inspection including the new cafeteria of which we are justly proud.

The celebration will be climaxed with a big public dance starting at 9 p. m. at the Ozona Country Club. At press time, plans are not complete on the dance.

We hope that all the ex-students of Ozona will return and help us make this homecoming the biggest and best ever!!!

JUNIOR CLASS

Again this year the Juniors Class is going to sell mums for the Homemaking game. If you want one, contact one of the Juniors or they will contact you. The mums are priced \$1.25.

The room mothers, Mrs. Early Chandler, Mrs. Cleophas Cooke, and Mrs. Lott are working on a float for the home coming parade.

THE SHADOW

Mike Clayton, the Shadow trailed you on Monday, September 26th. You picked up Carolyn Stuart for school at 8:00. Then for first period you came to Mr. Leath's speech class and sat behind Benny. Yes, the Shadow saw you. You made a speech on the finer points of the Chevrolet. And then when the class began to talk about President Eisenhower, I heard you exclaim, "I'd never make a good President," cause I'd have all the communists killed!

After speech you went to your club, football of course. The Shadow knows!!!

Then after activity period I saw you walking down the hall with Carolyn. You had on blue jeans, wide belt, and a very pretty white shirt trimmed in navy blue. You went to your locker for books and then on to Chemistry.

In chemistry you sat in front of Carolyn and were really talking

to her seriously when Mr. Brents called the class to order. Then you went to study hall for 3rd period and tried to study.

You left for lunch and again picked up Carolyn at 12:15. When the bell rang for the 4th period you went to metal works. You worked on your flower pot holder, it's very pretty indeed.

After you got back from metal works you found Carolyn and went to study hall again. The two of you sat at the back table and were so deeply engrossed in conversation you couldn't have possibly known there was a Shadow around. You also worked so hard on your oil theme, and after you had copied it over for the third time I heard you mutter, "If Mr. Harlan makes me copy this over again I'll tell him to jump in the creek!"

In English sixth period, you asked if the objective complement referred to an object or subject. Then you talked in whispers to Carolyn for about five minutes. Yes, the Shadow heard!!! Then all of a sudden you got a pain in the back of your neck, and you began to pound your neck furiously! Did you really think that would help? After a little while you very carefully put your foot up on the desk in front of you, but that just didn't work because Mr. Harlan put a quick stop to that!

The bell rang and school was over and the last the Shadow saw of you, you were making a fast exit out the side door. But who will the Shadow trail next week? Only the shadow knows!!!

MEET THE NEW FACE

If you have seen someone wandering through the halls these past few weeks you did not know, it was probably Mr. Barber the new vocational agriculture teacher. So let's get acquainted. Here are some facts you might like to know about his life before he came to Ozona.

He was born in Edgewood, Texas in Vanzant County on July 8th, 1927. He graduated from Edgewood High School in 1944 and has attended the following colleges since then: East Texas State and Sam Houston State, University of Houston, and of course, A&M. He

has an M. A. in agriculture.

Before coming here he taught vocational agriculture in Garden City, Texas.

He is married and has two children, Judy, 4, and Randy Craig, 4, months.

He has been teaching six years. This year makes it seven so lets make it a good seventh one for him.

When asked how he liked Ozona he said he liked it "mighty fine." Here's a great big Texas welcome from all of the high school and junior high school students to Mr. Barber and hope he keeps on liking Ozona "mighty fine." We are glad to have him here in our school system.

ASSEMBLY

Last Friday, September 23, 1955, we were privileged to hear a nice assembly, brought to us by James Ferguson, minister of the Church of Christ and Douglas Green who is a teacher at the South Elementary School. We heard several selections on the guitar and piano. It was the first of our assemblies and we are quite sure it is one of the best we will have.

THE HEADLINER

Hello, students! It seems the school is well under way in only four short weeks, with everyone busy with homework and a few tests to study for.

From what I hear our football team is doing great. With them winning, it sure should help the morale and spirit of school. Remember, however, even when losing, keep your spirit and chin up.

Everyone sure is busy trying to decide on what clubs they would like to join. I looked over the list of clubs while I was in Mr. Harley's office and I can clearly see why there would be a big discussion. There are so many fine clubs to be stretched into only two days. Too bad, everyone can not belong to each one of them.

While eaves dropping in on a conversation, I heard the word homecoming mentioned. I listened closely and found that the Ozona Homecoming would be October 7 to 8. It seems that all the ex-students are invited to return and visit the schools and join the celebration. Everyone wants this one to be a big success and with everyone working together it should not be. (Continued on Page Five)

Junior High Notes

Tuesday afternoon, Coach Lewis carried 31 of the smaller boys of Junior Hi to Rocksprings to play the Junior Hi boys a game of football at 4:30. The game was an outstanding success in every way other than the score. Rockspring won 7-0.

To open the game Ozona received and during the first series of plays, made one first down; that on a 10 yard run by Deeny Holden at left end. Rocksprings tried three line plays and were stopped for no gain due mostly to the work of Leslie Deland.

After receiving a punt the Ozona lads went to work and looked as if they would score only to have an intercepted pass spoil the bid on the Rocksprings 20. Passes from Bill Meinecke to Killingsworth for 12, and to Ybarra for 11 featured this drive.

The next series of plays during the second quarter found Rocksprings seeing too much of Jimmy Freeman as he got three of the tackles during this series and then recovered a fumble after Deland jarred the ball loose from the carrier. Allen and Ybarra were also in on tackles in this drive.

The next time Ozona had the ball a penalty stopped what small gains were made. The next time Rocksprings had the ball they failed to go in four tries, and lost 5 yards due to the defensive work of Deland, Abers, Rivera and Ybarra as the half ended.

Rocksprings began the second half on their own 45 yard line and had to punt on the 4 with 11 to go, due to work by Meinecke, Ybarra and Deland again. Freeman was also in on three tackles. After Holden returned a punt for 20 yards putting Ozona in business on the Rocksprings 30, a pass from Meinecke to Freeman was good for 12 and another pass, this time good for another 12. Then a bad pass over the head of Meinecke was good for a loss of 20, killing the chance.

Stokes recovered a fumble on the first play giving Ozona another chance. However, they were unable to gain and Meinecke got off a 60 yard punt to the 20 yard line and a beautiful tackle by Rivera.

In the last quarter Coach Lewis played all of his boys and as a result the smaller boys were unable to hold the larger Rockspring boys. Rockspring scoring on a 20 yard run in the final minute of the game. During this last period, boys who showed up well on defense were Sikes, Killingsworth, Friend, Allen and Blackstone. All boys played a bang-up game and we were quite proud of the showing. One of the highlights of our trip to Rocksprings was the courtesy shown our boys and coaches. At least a dozen approached us to tell how much they appreciated the action of Coach Womack in their game here last year, when the score was held down by using substitutes.

During the game, money was raised by the parents of the Rocksprings Junior High players for

the purpose of paying for the meals of the Ozona players. Many of the parents came down to talk with us and tell us how much they enjoyed the game. They refused our request to pay for the meals and said, "We were their guests".

We are nappy to welcome Janie Adwell as a new student, in our seventh grade. She comes to us from Waxahatchie, Texas.

In an election held this week, Sally Baggett, was chosen Editor of the Cub's Purr, Junior Hi school paper. Camille and Charlotte Adams were selected as assistant editors. A staff will be completed this week.

Gary Thomas, son of Mr. and Mrs. Gene Thomas, and one of our Cub team members last year, is now attending school in Hobbs, New Mexico.

Mr. and Mrs. Bill Baylor of Houston are guests of Mrs. Baylor's parents, Mr. and Mrs. Bert Couch. Mrs. Baylor is the former Mickey Couch.

Martha Flowers Is Hostess To M. Y. F.

Miss Martha Flowers was hostess to the Methodist Youth Fellowship group at her home Sunday, at 6 p. m.

Mrs. Roy Killingsworth was a principal speaker for the evening and spoke on "The Lights in the Halliday Home," an article written by Mary Martin and taken from the Guide Post, a non-denominational magazine published by Norman Vincent Peale.

Those attending were Ann Baggett, Carol Blackstone, Erby Chandler, Francis Childress, Joe Clayton, Becky Davidson, Carol Friend, Chris Hagelstein, John Hickman, Sarah Hicks, Alma Ingham, Jerry Jacobs, Beverly Killingsworth, Don Lott, Jessie Marley, Dorothy Dee Melton, Joe Pierce, David Sikes, Bobby Sutton, Mark White, Alleane Young, Jake Young, Martha Bailey, and Martha Flowers. Others present were Mrs. R. L. Flowers, Mrs. Roy Killingsworth, Mrs. Joe Clayton and Mrs. Troy Hickman who took several pictures of the

group. A salad plate was served to the guests.

Mr. and Mrs. W. E. Pittman of Brownwood were week-end guests of Mrs. Pittman's parents, Mr. and Mrs. Henry Anderson.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman
September 23, 1926

The building rush is getting down to business with several new business houses, the new hotel, and the Methodist Church nearing completion. A building which will house five firms is being erected for Mrs. Paul Perner, a new building for Joe Oberkampff, and a new drug store for W. E. Smith. The old Methodist Church was sold to Pleas Childress for \$2500.

The Purple and Gold of Ozona High School trotted out on the field of combat for the first grid contest season Friday, when they journeyed to Winters, according to Coach J. S. McCreary. Robert Augustine is captain of this year's team and has been working hard to put the team in shape. Besides Captain Augustine, other members of the team are Earl Deland, Howard Graves, George Bunker, P. C. Coates, Bob Weaver, Walter Kyle, Edwin McCollum, Clayton McCollum, Cam Longley, Cal Word, Dock Lee, Bill Friend, Roy Sapp, and J. B. Miller. Winters swamped Ozona, 104-0.

The Literary Department of the Ozona Woman's Club held its first meeting of the year in the home of Mrs. Pleas Childress. Mrs. Frank Friend, Miss Carolyn Fox and Mrs. Lyles gave talks introducing the year's course of study. Mrs. Elizabeth Speer, Executive Secretary of Texas Prisons and Prison Labor, addressed the meeting. The attendance was good.

Mr. and Mrs. C. T. Brazington have been here sometime getting things in readiness for the opening of Ozona's new \$130,000 hotel. A musical program is being arranged for the evening and other elaborate features will be worked out later.

Business was halted, clerks and customers doffed hats and gather-

ed 'round an improvised Altar at the Flowers Grocery Thursday morning when a Mexican couple from Sheffield were joined in wedlock by the Rev. Stanley Haver, pastor of the Ozona Methodist Church. At the conclusion of the ceremony, Richard Flowers, manager of the store, presented the bride with a pound can of Maxwell House coffee as a wedding present.

Scott Peters, Warren and Boyd Clayton attended the baseball game in Big Lake Monday.

Walter Young, son of J. W. Young of Ozona, delivered approximately 600 head of mutton lambs to Jack Mansfield of San Angelo, Wednesday. The lambs averaged 62-3 pounds and sold for 9 1/2 cents.

Bruce Drake of San Angelo this week purchased between 1000 and 1100 ewes and from 700 to 800 lambs from Son Lawhorn of the old Buck ranch north of town.

Harold Baker sold 250 lambs this week to Mrs. Martha Young and her son Jake Young. The lambs were from the Baker ranch near Big Lake.

Misses Lulu May Events and Marie Doty were the guests of Mrs. Will Adams at her ranch for the weekend.

Mr. and Mrs. P. C. Perner had as guest, Mrs. Perner's mother, Mrs. Louise McDaniel of San Angelo, Sunday.

Mrs. C. O. Spencer, Janice Spencer, Susie Schneemann and Suzann Dale attended the Texas-Tech game in Lubbock Saturday.

Miss Vivian Baggett and Miss Rebecca Baggett of Barnhart were in Ozona, Sunday.

M. H. Goode, Jr., who lives near Sheffield on the old Cannon ranch, and Miss Nell Perta Lee of Sanderson will be married Saturday September 25, at Sanderson. They will leave immediately after the ceremony to spend their honeymoon in San Antonio.

Students leaving for college this week are Hugh Childress, Jr.,

Royce Smith and Frank Russell for Texas Tech, W. T. Childress and T. A. Kincaid, Jr., A&M.; Roy Ward, Elizabeth Odum, Willie Sue and Marshall Montgomery, University of Texas; Mary Augustine, C. I. A. Hester Bunker, Baylor, Lucille Ingham, T. C. U.; Margaret Friend, Sul Ross; Alice Henderson, Westmoreland; Mary Sue Montgomery, Holten Arms, Washington, D. C.; and Bud Kincaid, Schreiner Institute.

The Drennan Hotel has installed a new dinner bell which rings ten minutes before each meal. Adv.

Mrs. Warren Clayton entertained with a forty-two party in honor of Mrs. Bob Murchison and Mrs. Evert White on Wednesday afternoon in the attractive home of Mrs. Max Schneemann. Present were Mesdames Hurst Meinecke, Harold Baker, Homer Adams, Albert Bailey, Sherman Taylor, Maury Morrison, Joe North Jr., Bob Murchison, Max Schneemann, Ury Smith, and Evert White. Misses Edna Bennett of Ft. Stockton, Rachel Schrader, Cora Lee Kittles, Leta Graham, Gertrude North, Elizabeth Childress, and Emma Phillips. Mrs. Clayton served a delicious chicken and salad course.

Mr. and Mrs. W. E. West returned last week from a 3 month's tour abroad. They included England, Italy, France, Switzerland, and Germany on their itinerary.

The Church of Christ feels very grateful to the school board and faculty, for granting the privilege of teaching the Bible in connection with the school. We esteem this the greatest privilege that could possibly come to us, and we assure you that we shall do our very best to instill into the hearts and lives of the boys and girls, the great principles advocated by the great Teacher of Men. — Walter Cook, Pastor of Church of Christ.

Johnny Cooper, son of Mr. and Mrs. F. M. Cooper, and guard on the Junior Hi Football team had an emergency appendectomy last Thursday, at the local hospital. He will be off the team for some time. The Junior Hi team will be host to Grandfalls this afternoon at 4:30.

Committee Reports Heard At Woman's Club Meet Tuesday

The Ozona Woman's Club met Tuesday at the home of Mrs. V. L. Pierce with Mrs. Taylor Word assisting as hostess.

During the business session, officers and chairmen of committees gave reports.

Mrs. Ben Lemmons, finance chairman, announced that the Club is sponsoring a program to be given by a group of magicians, on Thursday, October 6, at the High School Auditorium.

Miss Mildred Ralston, federation counselor, urged that members of the Club support improvement projects, continue study of comic books, work for more Federated Club members, and read The Club Woman.

Mrs. Hortense Davenport, Americanism chairman, summarized possible projects of her committee.

Mrs. S. M. Harvick, public affairs chairman, gave resolutions of the National Convention at Philadelphia.

Mrs. Evert White, chairman of city beautification, spoke on local civic projects and asked that the Club take some positive action on them. The Club decided to offer its support and cooperation with other organizations on civic projects.

The program, observing Federation Day, used the theme, "Federated Women Light the Way." Mrs. Will Baggett, the Club's only charter member, was leader. The invocation was said by Mrs. John Bailey. A vocal solo "The Collect", was sung by Mrs. H. B. Tandy. Mrs. L. B. Cox Jr., President of the club, gave a description of the General Headquarters building in Washington, D. C. A recording "Know your Federation" was given by Mrs. V. L. Pierce, and Achievements of the Federation was discussed by Mrs. J. A. Fussell.

The program was closed with the Club singing the Federation Song.

Mrs. Floyd Henderson, Mrs. Roy Killingsworth, and Mrs. Bailey Post were welcomed as new members. Other members present were Mesdames: Hortense Davenport, Taylor Word, Alma Roach, John R. Bailey, Blanche Lemmons, J.

A. Fussell, Roy Killingsworth, Evert White, Bailey Post, O. L. Sims, S. M. Harvick, Hubert Baker, N. W. Graham, Will Baggett, L. B. Cox Jr., Chas. Williams, Frank McMullan, Stephen Perner, Floyd Henderson, P. O. Hatley, Victor Pierce, Joe Pierce, H. B. Tandy, P. T. Robison, and Miss Mildred Ralston.

CUBS CAMP OVERNIGHT

Joe Ramirez, Cub master of Cub Scout Pack 63, will head an over-

night camp and cook-out for members of the Pack Friday night. Cubs have picked a site on Cooke's place at the south end of Ozona. About fifteen boys have already signed up to make the trip and several other adult and Scout leaders will accompany the group.

Mr. and Mrs. Harry Atkins of San Diego, Calif., and Mr. and Mrs. Claude Matthews of Well, N. M., visited here with Mrs. W. T. Goodson of the city of the week.

**Jenny King Circles
Holds Indian Study**

The Jenny King Circle of the
Woman's Society of Christian Ser-
vice of the Methodist Church, met
Wednesday morning with Mrs. B.
B. Ingham, Sr., for the study on
Indian Americans.

Mrs. Victor Pierce, the study
leader, gave a review of the In-
dian's first coming to America by
the Bering Strait. Mrs. Howard
Lemmons gave the devotional. Mrs.
Lemmons recited the 23rd Psalm,
and then read it in Indian version.

The worship center held a Bible
with miniature Indians and rocks
from the Reservation. The Indian,
"Off and On the Reservation"
was given by Miss Mildred Ral-
ston. "Arts and Crafts of the A-
merican Indian" with a display
of Indian blankets, beads and pot-
tery, was told and shown by Mrs.
Dempster Jones.

Mrs. T. A. Kincaid Jr., gave a
talk on the Indian ceremonies,
dances and exhibitions that she
witnessed at Gallup, New Mexico,
the past summer.

The health of the Indian was
told by Mrs. Bailey Post. Mrs. H.
C. Collett gave a sketch on the
life of Ira Hamilton Hays.

Those present were: Mrs. Mad-
den Read, Mrs. Paul Perner, Mrs.
Joe Piece, Mrs. Dempster Jones,
Mrs. H. C. Collett, Mrs. Howard
Lemmons, Mrs. T. A. Kincaid Jr.,
Mrs. Bailey Post, Mrs. Victor
Pierce, Mrs. B. B. Ingham, Sr., and
Miss Mildred Ralston. The Circle
will meet October 12, with Mrs.
Paul Perner.

Mrs. Vic Pierce and Mrs. S. M.
Harvick were honored at a lun-
cheon in Alpine, Saturday, Septem-
ber 24, by Mrs. Miles Pierce at
her ranch home. Mrs. Pierce and
Mrs. Harvick attended a Spiritual
Uplifting Mission held at the Me-
thodist Church in Alpine, under
the leadership of Mrs. Mary Welch
from Henderson, Texas.

Week-end guests in the home
of Bud Halbert of Sonora, were
Miss Joan Holt and Miss Kay
Kirby of Del Rio, formerly of
Ozona.

**Betty Baggett Named
Sweetheart Of Pecos
Co. Sheriff's Posse**

From Ft. Stockton Pioneer:
Miss Betty Baggett, daughter of
Mr. and Mrs. Jack Baggett, was
elected sweetheart of the Pecos
County Sheriff's Posse at its meet-
ing last Thursday, and Miss Gwen
George, former Sweetheart for two
successive terms, was elected spon-
sor of the Posse. She is the daugh-
ter of Mr. and Mrs. Olan George.

The position of sponsor carries
with it much of the work of or-
ganizing of the special events of
the All-Girl Rodeo which the posse
sponsors here each spring.

The Posse also is sponsoring the
Quarter Horse Show here on Sat-
urday afternoon, Oct 8, in con-
nection with the Pecos County
Livestock Show, Fall Fair and
Homecoming.

Damon McGilvray and Ray Clav-
er are organizing the horse show,
and reported to the Posse mem-
bers that they are planning for a
record number of entries.

Betty is the granddaughter of
Mr. and Mrs. E. B. Baggett, Jr.,
of Ozona and of Mr. and Mrs.
Gene Linthicum of Barnhart.

Wednesday morning in the home
of Mrs. Ray Piner.

Mrs. L. B. Cox III, led the mis-
sionary study on Indian Americans
discussing problems of the educa-
tion, health, government and churches
of the American Indians. The
closing prayer was by Mrs. Floyd
Henderson.

The Circle will meet October
12 in the home of Mrs. H. B. Tandy
to continue the study topic on A-
merican Indians. Present for the
Wednesday meeting were Mrs. L.
B. Cox, III, Mrs. H. B. Tandy, Mrs.
Floyd Henderson, Mrs. J. S. Pierce

**Helicopter Stops
For Gas Refill At
Station Near Sonora**

Mr. and Mrs. Jimmie Simmons
who own and operate a station
just east of Sonora, say they wait
on all sorts of people, and service
every kind of vehicle from limou-
sine to hot rod to tractor, but Jim-
mie was faced with a most unusual
customer this first of this week.
As he sat in his chair under the
trees in the park next to the sta-
tion, a helicopter came to earth
and axied over to the gas pump.
Seems the fellow was just about
out of gas and stopped for an
emergency refill. Jimmie put in
20 gallons of Ethyl — enough to
get him to the nearest landing
field and some aviation gas.

The Simmons like all progres-
sive merchants, try to anticipate
the needs of their customers and
stock accordingly, but Jimmie says
he doesn't plan to install an avia-
tion gas pump. The demand is too
spotty.

**"TEST SHOWED
28 Times More Profit
WITH PURINA STEER FATENA"**

R. E. Spangler,
Assistant Manager
PURINA RESEARCH
FARM

"In one of our tests with 160 steers, the lot on Steer Fatena returned 28 times more profit than those fed no supplement. The Steer Fatena lot made 6 times more profit than a group fed a single-source protein. All steers in this 195-day test got the same quality hay and were fed Livestock Mineral free-choice."

"Purina Steer Fatena did a better job, because it stimulated bacterial activity in the rumen . . . used grain and roughage to better advantage. The Steer Fatena steers carried more weight, better finish . . . brought more money."

Whether you feed light cattle or heavy cattle, whether your roughage is of good or poor quality, there's a Steer Fatena to help you get the most beef from your grain and roughage. Come in. Let us help you work out a profitable feeding program.

1. We'd like to show you some of the things that make the Ford one of America's finest cars . . . though it's one of the lowest-priced. Let's start with these long, low lines. Looks like it hates to stand still, doesn't it?

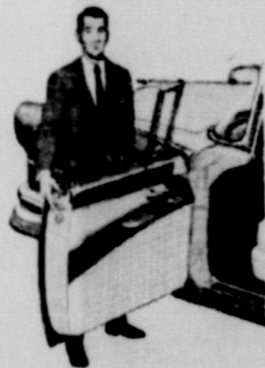

Let's take
a walk around
the NEW '56 FORD!

2. Here, on your left, is the inspiration for the styling of the '56 Ford—the famous Ford Thunderbird. Look at those broad, flat hoods, for example. Here is styling that will stay in style.

3. Here's what you ride on. This frame has five cross-members including a special K-bar member up front. It can really take it! By the way, the control arms of Ford's Ball-Joint Front Suspension are angle-mounted to cushion out the head-on as well as the up-down shock of bumps.

4. The new 202-h.p. Thunderbird Y-8 will give you a new lease on driving enjoyment. It's available in Fordomatic Fairlane and Station Wagon models. You can have the "GO"-packed 176-h.p. Y-8 in Fordomatic Mainline and Customline models, or Ford's new 137-h.p. Six is available in any model.

5. Note the deep-center design of this new Lifeguard steering wheel. The wheel rim is over three inches above the post to help cushion the driver in case of an accident. It's a feature of new Lifeguard Design which Ford spent over two years developing . . . to give you added protection in case of an accident.

6. This Lifeguard cushioning for instrument panel and sun visors is optional. It gives you extra protection when thrown forward in an accident. You may also have optional seat belts to help keep occupants securely in seats.

7. Here's Ford's new Lifeguard door latch. It's another member of Ford's new Lifeguard family. A double-grip locking engagement reduces the chance of doors springing open under unusual strain of impact. Chances of serious injury in accidents are less when passengers remain in the car.

with the ashes of old caves. Whether these people were Apaches, or some other similar tribe, there certainly were a good many of them. Indications are that they may have lived here for half a century to a century. Where they went and why they left, no one knows. Perhaps the country had droughts then, just as we do today. They may have gone in search of a better lot.

Football Highlights On Humble TV Feature

Carefully edited highlights from four football games will be featured next week on The Humble Company's TV program, Texas in Review. Kern Tips will describe the highlights taken from the Texas A&M-University of Houston, Baylor-Maryland, TCU-Arkansas and Rice-LSU games.

Another feature will be films of the exas Tech Museum at Lubbock. Cameramen visited the museum to record the opening of a display called "First Forty Years in the Development of the Plains." This display consists primarily of relics used on West Texas ranches in the 1880's.

Other films will show the opening of a center for crippled children of West Texas.

A prize of \$100 will be awarded the best float in the homecoming

Work Of National Polio Foundation Praised By Speaker

Mrs. R. O. Pearson, Texas State Advisor on women's activities for the National Foundation for Infantile Paralysis, was guest speaker in Ozona at a public meeting in the Methodist Church fellowship hall Thursday afternoon, September 22nd.

Her inspiring message served to acquaint the public with the history, activities and accomplishments of the National Foundation and of the assistance rendered the Foundation by the various women's organizations and mens' service clubs. Mrs. Pearson praised the public cooperation given in connection with the Salk vaccine program and stressed the need for continued cooperation in the future work of the Foundation.

Mrs. Pearson was sponsored by the local chapter of Epsilon Sigma Alpha Sorority. Mrs. Charles Ratliff, president of the local chapter welcomed the guests and Mrs. Howard Lemmons presented the speaker.

Following the talk by Mrs. Pearson, the E. S. A. entertained with a reception. Yellow chrysanthemums were the centerpiece for the white linen cut-work table cloth on the refreshment table, presided over by Mrs. James Isbell. Punch, cookies and mixed nuts were served.

The Sorority presented Mrs. Pearson with an antique lavender stone and pearl brooch and earring

set. Mrs. Pearson also appeared as guest speaker at the Lions Club luncheon Thursday.

Mr. and Mrs. Kerry S. Tandy, formerly of Austin, were visitors in the home of his parents Dr. and Mrs. H. B. Tandy this week.

They have moved to Coolidge, New Mexico to make their home, where Mr. Tandy will be associated with Anaconda Copper.
