Opening of Public Schools Scheduled for Monday Morning

ASSIGNMENT OF FACULTY, PUPILS IS MADE PUBLIC

Customary Programs Mark Beginning of Fall Term

The 1935-1936 sessions of the Midland public schools will open Monday morning at 9 o'clock with appropriate programs at the various buildings. The public is invited to attend these exercises, school officials announced.

This program for the day, after the opening exercises, will consist of enrollment, classification, and assignment of work for Tuesday. Pupils will be enrolled and classified Monday morning, and at 1 p. m. free text books will be issued and work assigned for the next day.

"It is important that pupils enter the first morning," said Supt. W. W. Lacey. All pupils of high school grade will be assigned to the senior high school building; pupils in the fifth, sixth and seventh grades will be assigned to the junior high school buildings; pupils in the third grade, living north of the T. and P. railroad and west of Carrizo street, will be assigned to the junior high school building; pupils of the fourth grade living north of the railroad will be assigned to the junior high school building; pupils of the first and second grades, living north of the T. and P. railroad, and pupils in the third grade living north of the railroad and east of Carrizo street, will be assigned to north elementary school; pupils in the first, second, third and fourth grades, living south of the railroad, will be assigned to south elementary school.

Basin Oil Activity Returns to Normal

Howard County Gets Seven Completions For the Week

By PAUL OSBORNE
Featured by completion of seven producing wells in Howard county, oil activity in West Texas returned to about normal last week after a relatively quiet week previously.

In all, 19 wells were taken off the active drilling list, in addition to the seven completions in Howard county there being five other new wells, the twelve totaling 5,937 barrels of new daily potential production. Two locations were temporarily abandoned, four locations made sometime ago were scratched off as abandoned, and one operation was marked off as a failure.

Ask Old Pictures For Collection

Have you old pictures? A collection of pictures of Midland and vicinity in old days is now being made and pictures of the following things are badly needed:

Midland's old courthouses; old school houses and classes; old churches; Henry M. Hall and W. J. Moran beside a huge flow of water from a well east of town; Dr. W. K. Curtis home; old jail; old livery stables. Bring these or any other old pictures to the library or call Mrs. Ola Dublin Haynes at 230 and they will be called for.

Since the pictures are being framed before being displayed, those who have picture frames not in use are asked to lend them for use in the collection.

OBJECTIONABLE ADVERTISING

The loud-speaker advertising nuisance is bad enough when it remains at home; but when it travels into a neighboring city to create a feeling of animosity against Brownwood and its business enterprises it is adding insult to injury.

"There is a certain code of ethics existing between most neighboring towns and their business houses that ordinarily prevents an occurrence similar to that which took place in Coleman recently," editorially observes The Coleman County Chronicle. "A business firm in Brownwood disturbed the entire business section of Coleman by sending a loud-speaker equipped automobile up and down the streets telling in tones that could be heard all over the city of the merits of a certain Brownwood business house, and encouraging Coleman citizens to satisfy their wants at that particular place."

The Coleman paper points out that Brownwood as a community is "scarcely to be blamed for this breach of etiquette," but that if the situation had been reversed "in all probability some complaint would have been heard from Brownwood or, to say the least, from Brownwood firms in the same line of business as that advertised by the visiting loud speaker."

"Surely there are numerous business firms in Brownwood that merit the patronage of the citizenship of that city, and the same holds true of Coleman. But a line should be drawn somewhere in regard to the methods of out-of-city firms in bringing their places of business to public notice. Unethical advertising that forces itself upon the people does more harm than good, and surely has an unpleasant backfire."

Brownwood people and business enterprises regret the unfortunate breach of etiquette of which the Coleman newspaper justly complains. It certainly did not reflect the neighborly spirit that exists in this city toward Coleman, and toward every other community. Brownwood business concerns invite the patronage of the people of Coleman and of every other city, offering them whatever service they may require which can not be secured in their home towns; but Brownwood extends its invitation in an ethical manner, speaking certain unwritten laws as to neighborliness.

The incident at Coleman points emphatically to the need for local laws barring the loud-speaker nuisance from the streets, not only in Brownwood but in every other city. As an advertising scheme it is a racket that ought not to be tolerated.

Livestock Shipping Falls Off In July Reflecting Drouth

AUSTIN.—Texas livestock shipments declined sharply in July in comparison with the like month last year, reflecting the huge government drouth relief purchases a year ago. It was pointed out by Dr. F. A. Buechel, assistant director and livestock expert of the University of Texas Bureau of Business Research.

Total shipments for the month were only 3,903 cars, against 8,539 cars during July last year, a decline of 54 per cent. Cattle shipments of 2,331 cars represented a decline of 47 per cent; calves, 699 cars, a decline of 41 per cent; hogs, 129 cars, a decline of 80 per cent; and sheep 245 cars, a decline of 3 per cent. Aggregate shipments of all classes of livestock during the first seven months of the year were 33,399 cars, against 36,795 cars during the corresponding period last year.

There are two main reasons for the wide disparity between shipments during July this year and the similar month last year," Dr. Buechel said. "First, the number of head of livestock on farms and ranches has been greatly reduced as a result of the government's livestock destruction program last summer induced by drouth, and sec-

and, the remaining livestock furnishes the best medium for marketing the abundant feed and pastureage which prevails throughout most of the State. The result is that this year livestock will be held on the farm and ranch as long as it is economically feasible in order to market the maximum of this abundant grass and feed crop through a limited number of livestock and at the same time to improve the quality of the cattle as a result of the better "finish" which adequate feeding gives.

"Farmers and ranchers, moreover, are justified in their confidence that prices of livestock will hold up well for a good many months. If present prospects for the continued upward trend of business materialize, as seems highly probable, consumer demand for meat promises to strengthen, which is the most healthful sustaining force any commodity can have. Moreover, feeders from the Middle West will bid aggressively for the Texas cattle."

"The falling off in shipments of cattle in comparison with last year is greatest in those districts in which drouth conditions were most severe a year ago, as might be expected. Shipments of cattle and calves to the Fort Worth market showed only a moderate decline in comparison with the sharp decline of Texas livestock to the other large markets. The number of sheep to the Fort Worth market increased substantially over last year. Shipments of Texas cattle to Illinois, Iowa, and Nebraska are running well ahead of a year ago."

'Scarface' Powerful Drama of Racketeer

Racketeering in all its ramifications, particularly that branch which centers its activities in the illicit liquor traffic, is forcibly pictured in "Scarface," the Howard Hughes epic now showing at the Ritz. The result is a vehicle which for sheer dramatic power has seldom been equaled upon stage or screen, as has been attested by stage and film producers, playwrights and public officials who have witnessed the picture at private previews.

Rackets, as newspaper readers have long since learned, are illegal activities organized upon a business basis, and it is the working of this tremendous organization which is pictured so forcibly in "Scarface." After all, it is admitted publicly that rackets are the bane of the country, and it is confidently predicted that "Scarface" is pictured with such powerful authenticity that it will go a long way toward correcting the evils of crime. Hughes has made an underworld picture called "Scarface" for United Artists that points the way to ending the racketeer.

Hughes points out that the gangster shows no mercy and none must be extended to him. Wipe out the racketeer, down with the gunman and show no mercy whatever to the mobsmen who are responsible for the loss of millions of dollars in property every year, and the taking of innumerable lives. "Scarface" tells of the rise and fall of Tony Camonte, and the leading role is played by Paul Muni, famous character actor. Ann Dvorak, a new leading woman, is on the cast, and William Boyd, Karen Morley and other players of importance.

Our Modern Homes

There are still people who can imagine that they had rather live back in the olden days than to live at the present day.

We do not believe that when these people tell us this that they are as sincere as they think, for who of us would give up our automobile for the horse and buggy, and who of us would give our beautiful bath room to be replaced with a tin tub? This would be asking too much, wouldn't it? Well, did you know that there is as much difference in the style and pattern of Plumbing Fixtures of today as there is in the horse and buggy and the automobile of today? Don't let your plumbing get out of date. We make liberal allowances on all old fixtures for new ones.

There are but a few more weeks left to put your heating plants in shape for the winter months and to fix your water cutoff so it is in working shape. Music, Speech Arts, Dancing Classes Re-Opened by Teachers

September and school days—there is an affinity between the two. New faces in town, new plans to think about, new activities to engage in lend a zest to living that has sometimes become a drab thing in summer's heat. Along with their new arithmetics and grammars, boys and girls will soon be turning over new sheets of music and conning over new readings. In other words, the Fine Arts classes are sharing in the bustling activity that marks the opening of a new term.

Classes in the speech arts, in piano, in string instruments, and in dancing will all be conducted this year, giving opportunity for Midland to carry on its tradition of excellence in musical and literary lines.

The Watson school of music, long-established here, will reopen its long-term classes Monday. Miss Lydie G. Watson, teacher of piano, brings to the school long experience and the advantage of study at Galloway Female College at Searcy, Arkansas, at Landon Conservatory in Dallas, and the American Conservatory in Chicago. She has specialized in child training and has studied under Louise Robyn, Spencer Allen, and Silvio Schiotti. Both she and her brother, Mr. Ned Watson, teacher of string instruments, have studied pedagogy under the president of the American Conservatory. Mr. Watson has also studied various phases of string music under Sevek, under Kleffman, and under Siegel, all of Chicago.

Miss Georgia Goss will open her studio of dancing for the second year. She will teach at 1704 W. Missouri, giving instruction in tap, acrobatic, ballet and character dancing.

Miss Goss pursued her studies in both Oklahoma and California during the vacation months. In Oklahoma, she returned to Barnsdale to the studio of Jean Runyon where she formerly studied and worked as assistant teacher for further work.

In Los Angeles she studied tap with Fanchon Marco, ballet at the studio of Ernest Belcher, and modern dancing under Doris Carl. She also studied with Carma Lita studio.

Miss Leona McCormick's studio of speech arts will initiate its fall term Thursday.

Miss McCormick, who has taught here for several years, specializes in work with children of pre-school age, teaching them physical education, folk dances, songs, and dramatics.

Cotton on Eli Whitney Farm
WESTBORO, Mass. (U.P.)—The farm originally owned by Eli Whitney, inventor of the cotton gin, soon will harvest New England's only cotton crop. Victor Despres, who lives on the farm, has an acre of cotton in full bloom.

Hen Egg Torpedo-Shaped
LENTON, Ind.—A hen's egg, resembling a miniature torpedo, has aroused misgivings of the populace, who, recalling tales of a similar egg laid in the West shortly before the World War, regard it as the harbinger of international strife.

FEMININE FANCIES

BY KATHLEEN EILAND

Have you noticed the presence of a number of smartly dressed, efficient-looking young women on the street the last two days? The teachers are with us again and we are glad to see them.

Did you ever notice that so many efficient teachers have that indefinable fine-drawn look on their faces? As if some constant strain had keyed them too high and had somehow burned away all grossness leaving only the finer qualities of character evident in their features.

Perhaps it is only a mark of the profession as any one of us who works truly must be marked by whatever labor we do.

Doctors, we have noticed, seem to have a serene consciousness of power that gives dignity to their presence.

And newspaper people are popularly supposed to be alert and nervous. After a lifetime of newspaper work, maybe we'll know whether the supposition is true.

There is only one thing that might make us restless at the return of the teachers. That is seeing all the new fall clothes they are wearing when necessity compels us to keep on wearing summer clothes for a few weeks more.

We vote for weiner and marshmallow roasts as the best September pastimes. They are jolly, informal, and require little effort of preparation.

Maybe we're part gypsy, in spirit at least, but there is something about watching a bonfire on a crisp autumn night that is more exhilarating than many gatherings under glaring chandeliers.

A certain Midland woman who wears clever clothes told us the other day that she is going to wear green this winter. Green, we think, is a particularly nice color for fall wear, somehow chiming in with leaves and chilly windy days.

Mrs. Adams Hostess To Escondida Club At Bridge Friday

The Escondida club met with Mrs. Harry Adams, 606 N. Marientfeld, as hostess Friday afternoon. Club guests were Mrs. R. C. Crabbe of Shamrock and Mrs. Jimmie Greene.

In bridge games for the occasion, Mrs. H. B. Prickett was awarded prize for high score. Guest prizes were presented to Mrs. Crabbe and Mrs. Greene.

At the tea hour the hostess served a salad plate to guests and the following club members: Mesdames Prickett, R. L. Miller, E. C. Hitchcock, Butler, S. S. Stinson, and J. R. Norris.

Bethel Lynn Eiland Is Honored with Birthday Party

In honor of the fourth birthday of her son, Bethel Lynn, Mrs. Troy Eiland was hostess at a party at her home, 907 North D street, Saturday morning at 9 o'clock.

She was assisted by her sister, Mrs. Byron Brown of Roswell, New Mexico, and by Mrs. Chas. Sherwood.

Indoor games furnished amusement until the refreshment hour when guests were ushered into the diningroom. A pink-iced birthday cake bearing white candles in pink rosebud holders was the center of attention. Table decorations stressed the pink and white color scheme as did the refreshments served.

Present were: the honoree, Camilla Crawford, Marshal Crawford, Geraldine Vick, Joanne Vick, Betty Lee Hays, Gene Hays, Chris King, Hazel King, Patsy Collins, Edith Ray Collins, Charles Sherwood, Jo Boy Reynolds, Eileen Eiland, and Lois Dee Eiland.

Personals

Mrs. Stella Hattox of Wink was here Friday.

Mrs. C. M. Clark of Crane was a visitor here Friday.

Miss Elsie Barcus was in Midland Friday enroute to her school at Mc-

Camey from Ruidoso, N. M. Melba Nixon left Saturday for Abilene where she will enter McMurry college. Mrs. Nixon accompanied her.

FOR GOOD, LOW-COST

LOOK FOR THE FORD SIGN

THE Ford Motor Company very early decided that good service was as necessary as correct design and efficient manufacturing.

To give you service that measures up to factory requirements, Ford dealers' mechanics are factory trained. The modern, efficient equipment they use, such as the Ford Laboratory Test Set, saves you time and money. Charges are low, because uniform flat rates prevail. Perhaps one of the most noteworthy savings has been effected through the Ford Factory Engine Exchange Plan, which eliminates the old-fashioned costly overhaul.

Today we believe that Ford dealers and those garages which display the "Genuine Ford Parts" sign combine to provide the most complete, most satisfactory type of service available anywhere. Use these facilities and get the utmost in performance and economy from your Ford car or truck.

Your Ford dealer always lubricates your Ford in accordance with factory specifications. He has the modern equipment and skilled mechanics necessary to do good work.

Typical of the modern, scientific equipment used by Ford service stations is the Laboratory Test Set, which quickly and accurately checks engine and electrical performance.

At less cost than an old-fashioned overhaul, you can exchange your present Ford engine for a factory-reconditioned one under assembly. Many other units are also included in this service.

Mrs. M. W. Alcorn reported. Visitors at the school Monday, Sept. 2, for opening exercises included Mr. and Mrs. Irvin Graham, Mr. and Mrs. W. B. Brooks, Mr. and Mrs. Charlie Collier, and Mrs. Paul Brooks.

Friday afternoon a school party was held and the larger girls made and served candy.

Visitors included Asa and Charlie Collier, Barnett Collier, Mrs. J. C. Brooks, and Mr. and Mrs. Irvin Graham.

The school is planning a special program for the literary society Friday night.

Notebooks to be used in the primary grades this year will be the same as those used in the practice school at East Texas State Teachers college, Mrs. Alcorn, primary teacher, announced.

McClintic has enrolled eight students to date, Miss Hazel Self, teacher, reported Saturday.

Several patrons were present Monday at the opening of the term including: Mr. and Mrs. Herman Fisher, Mrs. Ward, and Mrs. J. L. Daniel.

J. W. Davis, who was hurt Wednesday by a horse falling on him, was not seriously injured and lost only one day from school because of the accident.

Despite the rain, a fairly large crowd of patrons attended the opening of school at Prairie Lee Monday, Pr. A. M. Bryant reported.

Thirty-five pupils were enrolled Monday and the number had increased to 54 by the end of the week, this number representing an enrollment in all grades through the tenth.

Three sedans are now running as school buses.

The school's athletic program will begin in a week or two.

"The school spirit is good," Pr. Bryant said, adding that the teachers hope not only for a profitable but also for a pleasant year.

Tumbleweed Patrol Officers Elected By Girl Scouts

Three officers of Tumbleweed patrol were elected at the meeting of Chaparral troop, Girl Scouts, at the home of Mrs. L. G. Lewis, 714 W. Kansas, Saturday morning at 10 o'clock. They were: Patrol leader, Freddie Fae Turner; second, Eleanor Wood; patrol scribe, Jean Lewis.

At the next meeting, a scribe and treasurer for the troop will be elected as well as the other patrol leaders and seconds.

Plans for the fall activities were discussed at the Saturday meeting at which 12 girls were present.

The troop will meet Thursday afternoon at 5 o'clock at the home of Mrs. Lewis for a weiner roast. Each girl will bring food and be prepared to pass the fire building test.

Doris Dunagan left Saturday to enter McMurry college at Abilene.

Mrs. P. C. McCracken, librarian of North Texas State Teachers college, visited the county library Friday night.

Fluddubs
BY JESS RODGERS

How About That Press Box, Dr.? It's still holding out. Friday afternoon we went out to see this year's edition of the Bulldogs engage in a stiff workout, including a scrimmage. There was not enough time to see the game, but to form two teams. Reasons given by spectators included everything from spavins and asthma to female trouble. That is their female friends are giving them trouble.

Despite the fact that all the boys were given a list of plays during the spring training season there are several of them that have no idea of anything but shows you. If he uses the same line of chatter against opposing teams this fall that he uses in practice sessions he can go into the foot business as soon as the season is over. He will get many a one during the games.

Little "Horse" Parker is proving to the rest of the boys that a little man can be a tough man. Weighing about 130, ringing wet, he takes everything that the larger boys can hand out and then calls them sissies.

There is no doubt that Leche Collins is a brother of Tom, who made quite a name as a lineman a few seasons ago here. Leche called time out in practice the other day, while he doctors a foot.

LOOKING AROUND

The Pecos Eagles are taking out the Big Spring Steers on the night of Friday the 15th and are basing their hopes for victory on the fact that Big Spring is dedicating a remodeled stadium. It will take more than an old superstition to stop the rampaging steers. They have their minds made up on going somewhere in the state race this season.

The Eagles have 26 out for practice this year and are shaping up very rosate. Indeed, according to the Pecos scribe.

From McCamey, who will tackle the Bulldogs here September 27th, comes word that they have six let-terms back from the team this year but are likely to be handicapped for reserve strength as only 20 are reporting for daily practice.

"Bo" Pottee, member of the McCamey baseball teams for the last few seasons, is the new sports scribe for the McCamey News.

From Monahans, they are on the Midland schedule for November 15th, comes the report that about 30 boys are out for daily practice and prospects for a good team are the brightest in several years.

The new Football Annual, just

recently released, is worth two-bits of anyone's money who knows the difference between the coach and the water wagon. Get it? All representative universities are mentioned and it is illustrated with more than 600 all-star pictures.

Last year's teams are reviewed and the chances of the teams for this year comes in for comment.

Ralph "Primo" Miller, Rice Institute tackle, is getting more national publicity than probably any other player in the country. He was only a substitute last season but he is practically already on this year's All-American. He was recently selected on the all-time Rice team and Fred Thompson, Arkansas coach, and Matty Bell at S. M. U. rate him the best tackle they have ever seen in the conference.

Coach Jimmy Kirts calls him the greatest lineman in the country today. Another reason why Rice is liable to be the first school ever to repeat as champions.

If you think that the names of the Notre Dame players are hard to remember, look over a few from other schools: Maniac, Fordham; Stydahar, W. Va.; Moncewicz, Holy Cross; Patanielli, Michigan; Waslock, Colgate; Skorowski, Purdue; Kjeldsen, Coll. of Pacific; Fuardo, Georgetown; Chrusz Northwestern; Enconomos, Penn. State; Miskovsky, Okla.; Zbovovski, Washington and Guckeyson of Maryland. Play a poor radio announcer when those boys play.

Gar Davidson, Army coach, says that after what Dixie Howell did to

Stanford the eastern schools will all take up a wide open system of attack this season. The system has been the only one in the Southwest Conference for a decade.

IT'S TOO GOOD TO BE TRUE

BIGGER IS THE NAME, MY FRIENDS. CORNELIUS, BIGGER, AND THIS IS MY BROTHER, AMOS. CORNELIUS AND AMOS ARE BIGGER AND BIGGER. HA-HA! NIFTY JOKE, EH?

I MUST WARN YOU, AMOS IS A TRIFLE TOUCHY—A GOOD FELLOW, MIND YOU, BUT IT'S BEST TO—AH—LEAVE HIM ALONE.

IS HE GOIN' OH, MY, YES! THERE'LL BE A JOLLY CROWD, LOVABLE CHARACTERS EVERY ONE.

WELL, NO TIME TO TALK, MY FRIENDS. RETURN TO YOUR HOMES, AND WAIT UNTIL A TAXI CALLS FOR YOU. I—AH—AM KEEPING OUR SAILING DATE A SECRET.

POULTRY

Rules and Regulations

- All entries and awards in this department shall be subject to the General Rules and Regulations published in the premium list.
- Entries close 12:00 a. m. Saturday, October 19, 1935.
- Where there is no competition in a class no cash premium will be paid, only ribbons being awarded according to the merit of the exhibit.
- Poultry showing any symptoms of disease will be excluded from exhibition, removed from the grounds and returned at once to the owner.
- Any poultry entered for competition in this department must be entered in the name of the actual owner, who shall also be a breeder of the variety entered.
- The American Standard of Perfection as adopted by the American Poultry Association, shall be the guide of the judges or judge in awarding premiums, show to be judged by comparison.
- The terms "Cock," "Hen," etc., are thus defined:
 - Cock—A male bird 12 months old or over.
 - Cockerel—A male bird under 12 months.
 - Hen—A female bird 12 months old or over.
 - Pullet—A female bird under 12 months.
 - Old Pen—One cock and four hens of the same variety.
 - Young Pen—One cockerel and four pullets of the same variety.
 - Pair—One male and one female, same variety.
 - Flock of fowls—One cock and eight hens, same variety.
- Any exhibitor found guilty of an attempt to deceive by falsifying entries showing a bird twice under the same class or another class, or otherwise, shall forfeit all premiums won as well as entry money.
- No exhibitor will be allowed to handle any specimen but his own, and any person other than the judge, the superintendent, or his employee found opening any coop or handling any of the birds without the permission of the superintendent, will be barred from the exhibition.
- The classification and arrangement of all exhibits will be done by the superintendent.
- No stock shall be removed from the exhibition until the close of the Poultry Show, except when affected by disease, and in such case only upon the written permission of the Manager or Superintendent.
- All birds entered in this department positively must be on the grounds and cooped not later than 12 Noon, of Saturday, October 19th, 1935. No exception will be made to this rule.
- For general information of visitors, the name and address of each exhibitor will be placed on each exhibit after birds are judged.
- Judges must not award prizes to an unworthy exhibit. It is the intention that no premium of any kind shall be given an exhibit that is not worthy or deserving. This rule must be strictly adhered to, whether there is competition or not.
- All coops must be shipped express prepaid and will be returned express collect to the designated address.

Good Old Days--

(Continued from page 2)

Cowden homes in South Midland; Ben Ethridge's meat market and delivery cart; saloon and barber shop where the Piggy-Wiggly now stands; the frame Christian church built about 1891; the first section house at Germania, Rube Reid, F. E. Rankin (Porter, a very small lad, following along) and others.

Another sort of wild life is shown in a street scene, "Christmas Day in Midland." Everybody was there but Santa Claus.

"The Weather? Yes, we've always had it—Gen-u-wine sand storm in 1894 and flood in 1914.

Education? Yes, some—The old Midland College and its 1911 football team. These boys would look a little queer in uniform today: Charlie Roll, and John Dublin, Dunn Reiger, West Aycock, Mike Garrett, Wyatt Griffin, Jack Frost, Rollin Garrett, Rutledge Isaacks, Clarence Ligon, Frank Heard, and Lewis Storey.

Pictures of old men include a group of Civil War Vets who heard Gen. John B. Gordon speak on "The Last Days of the Confederacy" in Midland, July, 1902, and a picture of the last three surviving charter members of the Cattle Raisers' Association, H. C. Bedford, Joe Graham, and Dan Gardener had this distinction. Ervin E. Smith of Bonham, famous photographer of cow country subjects made this photograph.

But watch Midland celebrate! Cowboy Carnival (de luxe) 1898; fairs, rodeos, Fourth of July celebrations of 1909 to 1916.

Watch Midland celebrate next month! Another REAL show!

Newspapers of interest on display include "The Staked Plain," published July 22, 1886; "The Midland Gazette," May, 1905, and "The Live Stock Reporter," June 10, 1905. These were all published in Midland.

Prize ribbons and badges of other fairs are reminiscent of people now gone from the scene.

Come to the library. See for yourself these and other items which will be exhibited until after the Midland Fair, Oct. 19-23.

TO POST

Mr. and Mrs. Troy Eiland and family and Mrs. Byron Brown of Roswell, N. M., went to Post Saturday to visit Dean Robinson and other relatives. Mrs. Brown, who is Mrs. Eiland's sister, has been visiting her here for the past two weeks.

VISITS BROTHERS

Mrs. Bert Stone of Abilene has been visiting in the homes of her brothers, J. Homer Epley and W. G. Epley, for a few days. She has just returned from a summer vacation in Colorado Springs.

MISS STANLEY RETURNS

Miss Ninia Lee Stanley, daughter of Mr. and Mrs. A. M. Stanley, has returned from Los Angeles. Miss Stanley spent the summer visiting her sister, Miss Sarah Stanley. She also spent a few days in El Paso, visiting relatives and friends.

TRANSFERRED HERE

Mr. and Mrs. C. Y. Barron and children, Billy and Dolores, have moved back to Midland from Hobbs where he has been in connection with his position with the Atlantic Pipe Line Co.

VISITS MILES FAMILY

H. T. Shipman and wife of Peean Gap spent the week end visiting J. C. Miles and family at their home three miles south of Midland.

Canada's hog population is estimated at 3,648,900 head.

wrecker, but merely shown that his rights are quite as important as hers. Later in his turn, he will have to be handled too.

Unless children get this idea ingrained pretty early, there will always be trouble. In some families when one child gets a new boat or a new doll, the rest demand balm.

There should be a balance so that no one child is shown favoritism. Otherwise, sporadic giving has its good points. After four years of age there should be little envy.

It takes managing indeed. Through sheer habit a child learns to give up cheerfully. There is nothing worse than the quarrelsome family who watch each other like cats lest one gets an extra tid-bit thrown his way.

WELCOME TEACHERS!

To the old ones—we're glad to have you back. . . . To the new ones—we bid you welcome and hope your stay in Midland will be a pleasant one.

IF YOU'RE SMART YOUR HOSE ARE DARK!

Time's come to go dark in hosiery and thanks to Kayser, dark hose are now clear and shadowless. All their lovely new dark hosiery shades are "Mir-O-Kleer", which means that every pair is 'the reflection of perfection'—flawless, streakless!
