MIDLAND, TEXAS, FRIDAY, OCTOBER 6, 1922

NUMBER 1

## MASONIC TOUR WAS OPENED ON TUESDAY

ONE OF A SERIES OF STATE-WIDE MEETINGS TO BE HELD AT MIDLAND

Midland is again preparing for a great Masonic meeting, and various committees have been appointed from local members to properly plan for the reception and entertainment of many distinguished visitors. There are among the various committees one on information, a reception committee, another for entertainment, a barbecue committee, etc., and it is expected that the visitors will be entertained as royally here as at other and larger points.

The Midland meeting will take place next Monday, October 9th, and it is a distinct honor to Midland that ours is one of only eleven cities and towns in the State which will have these meetings.

Following is a statement by the Dallas News, relative to this Masonic tour, dated Oct. 1st, and sent out from Wichita Falls:

What is expected to be one of the most important Masonic meetings held in this city in some time will take place Tuesday night when Grand Master D. F. Johnson, of Brownwood, accompanied by Wilbur Keith, of Dallas, special representative of the Masonic service and education committee of the grand lodge, accompanied by members of the speakers' bureau of that organization, will give a program in this city.

The Wichita Falls meeting will be the first of a series of 20 to be held in Texas under the direction of the committee. Grand Master Johnson will present at each of these meetings. The needs of the public school system, the Masonic high school at Ft. Worth, which is affiliated with the State department of education, and the duties of Freemasons to these institutions will be stressed.

### McDonald to Speak

A. F. McDonald, county school superintendent of Dallas, will be the principal speaker at Wichita Falls. He will use for his subject "Equality of Opportunity," based on bulletin No. 4 of the Masonic service association program of the United States. Grand Master Johnson and Mr. Keith will also be on the program for brief talks. From this city the grand master and his party will go to Amarillo, where a similar program will be conducted on Thursday, Oct. 5th, at which Judge E. C. Cummings, of Anderson, will deliver his interpretation of bulletin No. 4.

A special meeting has been arranged for Plainview on the night of Oct. 6th, when bulletin No. 3 of the Masonic service program, entitled "The Brotherhood of Man," will be given. The same program will be repeated at Lubbock on Oct. 7th.

At Midland on Oct. 9th James C. Jones, of Dallas, will deliver the address on "The Brotherhood of Man." Mr. Jones has presented his interpretation of this lecture, which is taken from bulletin No. 3, in fifteen different cities and towns of the State this year.

On the night of October 11th at El Paso there will be held a general Masonic service meeting with Berry B. Cobb, formerly of Sherman, as the speaker who will interpret bulletin No. 4. R. E. L. Saner, of Dallas, vice president of the American Bar Association and one of the most active Masonic workers of Texas, will deliver a special address on "Americanization." This address has been especially prepared by Mr. Saner and in addition to his appearance on the program at El Paso he has promised Grand Master Johnson he will speak at Midland on Oct. 9th, where a Masonic service meeting will be held, and also at Brownwood on Oct. 14th.

At the El Paso meeting Frances E. Lester, commissioner of Masonic service work for the southwestern district, which includes Texas, Arizona and New Mexico, will be present. He will speak on the progress of the work during the last year. The grand master of New Mexico and Arizona will be present with delegations from their respective jurisdictions.

The meeting at Brownwood on Oct. 14th promises to be one of the most interesting of the itinerary, as it is the home of the grand master and R. E. Yantis, grand commander of the Knights Templar of Texas. Past

Grand Commander Bert Hawkins is also a resident of Brownwood. In honor of these men and the fact that Brownwood is one of the leading college towns of Texas, the Masons of this State have promised a large attendance. Past Grand Masters W. M. Fly of Gonzales, and Dr. A. A. Ross, of Lockhart, will attend the Brownwood meeting and it is understood a number of the officers of the grand lodge will be present.

Among those who will be in the party with the grand master will be Frank Hartgrave, of Menard; Ed R. Bryan, of Midland, R. E. Saner and Wilbur Keith, of Dallas; Judge E. C. Cummings, of Anson; Frances E. Lester, of New Mexico, and the Rev. E. C. Johnson, of Pecos, a brother of the grand master.

### Brownwood Meeting

After the Brownwood meeting on Oct. 14th, there will be a lapse of one week until the meeting at Houston on Oct. 23rd. During that week special meetings will be held in East Texas. The Houston address will be delivered by Graham Baker, of Lockhart, who will also speak at the Austin meeting on Oct. 28th. Mr. Graham's address will be based on bulletin No. 5 of the service program, which is entitled "The Dignity of Labor." At Galveston on Oct. 24th Walter M. Pierson will speak on bulletin No. 4. The San Antonio meeting will be held on Oct. 27th and the same program will be presented in that city.

One of the main purposes of the State-wide campaign is to organize the State into Masonic service districts for perpetuating the work and getting it well organized before the meeting of the grand lodge in December at Waco.

A general meeting will be held in Dallas on Nov. 20th, the day before the opening of the Scottish Rite reunion. The Dallas meeting will include all counties in the northeast part of the State.

## BAPTIST RECEPTION WAS LARGE AFFAIR

FINAL TRIBUTE TO REV. HULL AND FAMILY WHO LEAVE FOR GATESVILLE

As a final tribute to Rev. O. J. Hull and family, who are leaving this week for Gatesville, the beautiful and spacious home of Mr. and Mrs. Clarence Scharbauer was thrown open to members of the Baptist church and friends of the departing pastor and his family last evening.

Rev. Hull has been pastor of the Baptist church here for four years and four months, and only recently accepted the call from the Baptist church at Gatesville, where he will go to begin his work in a few days.

Although a definite count of the people was not taken, it is believed that 250 is a conservative estimate of the crowd that attended this farewell entertainment, and each one of them went with love for the Hull family and with sorrow for the loss to the church and to Midland.

Judge J. M. Caldwell, in a brief address to the assembly, paid special tribute to the class of citizens Rev. and Mrs. Hull have been in Midland, leaders in all movements that were for the good of the community, and staunch defenders for the right when an issue arose. The pastor was commended for his splendid service among the young men of Midland, stating that under his leadership they had been brought closer together than ever before and had learned the power of co-operation and fellowship. Mrs. Hull, who has been teacher of the T. E. L. class in the Sunday School, and the various church societies for women, was characterized as the most willing and capable, as well as efficient.

(Continued to page 4)

## SHOW AND AUCTION SALE DISCUSSED

ROUND-UP CLUB MEETING AND BANQUET ADVANCE IMPORTANT MATTERS

Last Friday night fifty business and professional men, who were either members or friends of the Round-up Club, were invited to a banquet given in the dining room of the Llano Hotel in order to freely discuss matters of common interest to the entire community. It was indeed a jolly group of men who gathered there at the banquet board in order to enjoy the social life as well as discuss problems of the city. The music was furnished by the Oasis Four, enlarged to make it a quintet and all their numbers were loudly applauded. Homer W. Rowe was chairman and toast master and ably presided over the discussions. During the courses he gave all an intimation of the intended discussions as he read a list of subjects he felt it was necessary for us to discuss and get behind if possible. The first of these was the Stock Show and Auction Sale.

John N. Simpson discussed at length the purpose of the show and the reason for the organization of the Midland Hereford Breeders' Association. He also told of correspondence with buyers throughout the corn belt states, as they were trying to sell calves direct from breeder to feeder. The show will do much to advertise Midland cattle and interest all sections of the country in our productions. Billie Brunson, Cap. Wallace and Mr. Elkin contributed much information to the subject and at the conclusion a committee was appointed to co-operate with the Fair Association and render any help possible to make it a success.

The second matter of interest discussed was the question of the location of a free camp ground for the tourists. J. S. Cordill, C. S. Karkalits, and others spoke at length as to the necessity for such a place and the financial benefits to the business men of our community to be gained from the expenditure. A committee of five men were appointed to select a suitable place and make preparation for the camp in the near future. To date the committee has not agreed upon a suitable location but expects to do so in the very near future.

The district convention of Women's Clubs which will meet here next April was discussed and Paul Barron and W. Angie Smith told of the honor such a convention brought to a town and urged the men to get busy and see that the ladies had all the necessary encouragement and co-operation to make this a great occasion for Midland. The committee appointed has instructions to call upon all to make this a great success and we feel that it is now possible to say to the clubs that their wants and needs will be taken care of in this matter.

Other matters discussed were the possible future of the Midland & Northwestern, water at the stock pens for cattle, and paving Wall Street in connection with the Bankhead Highway. At a late hour the meeting adjourned with all feeling that some real needed forward movements had been begun.

If you love music of the better grade, attend the recital of Miss Jojo Evans tomorrow night at 8:15 in the Methodist church. Miss Evans will be assisted by Miss Lydie G. Watson, as accompanist, and Ned Watson, violin and cello.

Mrs. Langham has returned to her home in Oklahoma after spending the summer with her daughter, Mrs. E. R. Thomas.

## THE PRESBYTERIAN MEETING PROGRESSES

DR. A. F. CUNNINGHAM'S SERMONS INTERESTING LARGE AUDIENCES

Last Sunday morning the local Presbyterian church began their revival meeting with especially favorable circumstances greeting them upon every hand. Though the membership of the church is not large they are faithful and with the co-operation of all the other churches of the city the congregations have been most gratifying to those in charge of the work. The minister, Dr. Cunningham, is one of the strongest men in this denomination and it is indeed a rare opportunity for us to have him in our midst. We only regret that he can only spend one week with us, as his messages will do all who hear much and lasting good. He is a preacher who believes in staying with the Word of God and his sermons are like beginning a journey on the Scriptural Highway back at the beginning and coming on down to the very close of the way, for he uses his illustrations largely from the Word itself. This is a meeting which may not be numbered by a large ingathering of members but the fruits of these messages will ripen on through the years to come. On Sunday afternoon there will be a mass meeting for men and it is hoped that the church may be crowded to hear Dr. Cunningham. He has with him as a singer, Mr. C. F. Cunningham, who has organized his choir and is doing splendid work both as a soloist and as a director. Mr. Ned Watson is playing the violin with Mrs. J. M. DeArmond at the piano. Bro. Tenney and the local church are to be congratulated upon these services and they may truly feel that they are rendering a distinct service to the entire community.

Further announcements are to be found in our regular column for the churches.

## TO BE EXAMINED IN SWEETWATER TOMORROW

J. P. Inman left on the early train this morning for Sweetwater, where he will meet the State Board of Examiners in Optometry. Though Mr. Inman has successfully practiced optometry for 20 years and for that length of time has been a member of the association, the recent law enacted to suppress fakers and other incompetents requires the above appearance of all who practice optometry. On account of his long service Mr. Inman could have avoided this examination, but he did not care to do so. Instead he goes to Sweetwater and tomorrow will appear before the board and take the full standard examination, thus establishing that he thoroughly knows the business he has practiced so long and that the public may be safe in trusting him as an optometrist.

Since the opening of the season there have been two fires at the Gut-argin due to matches in the cotton. It seems men will never learn to be careful, as most big fires are begun as the result of carelessness.

Rev. J. T. Currie, in charge of the Centenary work of the West Texas conference and New Mexico, was a guest of his friend, Rev. W. Angie Smith this week. He reports that Midland is far above the conference average in the amount collected on pledges.

Guy Cowden returned from Valentine the first of the week where he had been visiting his sister.

E. R. Crews is spending this week in from his ranch in order to attend the Presbyterian revival.

M. J. Allen is in Midland from his ranch in New Mexico having driven through a number of horses.

Stacy Allen and John Howe have consolidated the two firms and now have only one plumbing firm in town.

D. Fasken has returned from a summer visit to his home in Canada. He will spend the winter at the headquarters of his ranch.

Rufus Scharborough, of Brownwood, was in Midland Thursday to adjust the loss by fire of the Stanton school house.

## DRY GOODS Snap Shot Specials

### Towels

We have just received ten dozen Turkish Bath Towels, rather twenty dozen of two numbers. We consider this the biggest towel value we have seen in years.

Ten dozen plain white size 23 x 45 inches, which we will offer as long as stock lasts for the price of only, each ..... 25c

Ten dozen red border Turkish towels size 20 x 40, just a little different to the ordinary towel, and these we offer for the same price, only, each ..... 25c

32 inch Standard Grade Percale, the yard... .. 17c

Midland, Texas

### SAN ANGELO FAIR FEATURES LIVESTOCK

Increased premiums in all divisions of its livestock show; those for the leading breeds of sheep and goats doubling prizes offered this year by any exposition in Texas except the State Fair, will be awarded at the San Angelo fair October 17 to 21, inclusive. San Angelo is the southwest's recognized livestock capital and accords full recognition to the industry which is literally its foundation.

The finest Herefords, Shorthorns and Aberdeen Angus of the range will compete for premiums in the beef cattle department totalling \$4,000. S. L. Henderson will be superintendent. Dairy cattle premiums are double the usual amount. Jerseys and Holstein-Friesians, presided over by Otto Atkinson, will draw \$1,200.

The sheep and goat show, in charge of N. S. Rives, offers special classes for Texas bred Rambouillet and Delaine sheep and Angora goats, as well as general classes on sheep that will be open to the world. Shropshires, Hampshires, Southdowns, Lincoln, Karalines and Karakules are included in this open division. Premiums total \$1,500.

A feature of the horse, mule and jack show will be colts sired by government stallions and bred by native mares on which the Remount Service of the United States army will offer premiums aggregating \$165. B. H. Hambrick is superintendent. The

strides made in swine raising will be shown in pens of fine Poland Chinas, Berkshires, Duroc Jerseys and Hampshires, in charge of Dr. W. Brown, Tom Green County agricultural demonstration agent.

Exhibitors and breeders from other states recognize the San Angelo Fair as second only to the annual show and sale of the Sheep and Goat Raisers' Association of Texas in the number of animals shown, quality being equal, and this exposition offers raisers an unusual opportunity for sales, full advantage of which is certain to be taken.

The hawks in this country follow close in the tracks of a railroad train, and fly near the ground. Small birds along the line, startled by the roar of the train, fly up in considerable numbers. In their fright they do not see the hawk, and before they get away he has replenished his larder.

### The Key That Unlocks the Door to Long Living

The men of 85 and 90 years of age are not the rotund, well-fed, but thin, spare men, who live on a slender diet. Be as careful as he will, however, a man past middle age will occasionally eat too much or of some article of food not suited to his constitution, causing indigestion or constipation, and will need a dose of Chamberlain's Tablets to move his bowels and invigorate his stomach. When this is done, there is no reason why the average man should not live to a ripe old age. adv Oct. 1mt.

## NEW ORLEANS WOMEN ENTHUSIASTIC

### AUXILIARY TO LEGION WILL ADD MUCH TO ENTERTAINMENT OF VISITORS

Hundreds of New Orleans women are hard at work polishing down to the last, plans for the entertainment of the annual national convention of the American Legion auxiliary to be held there, October 16-20.

Under the general chairmanship of Mrs. Joseph L. Fischer, the New Orleans committeewomen are handling a vast amount of details from the installation throughout the city of information booths to the arrangement for seating by states of eight to ten hundred delegates.

On Monday, October 16th, sessions will be opened, and the auxiliary members will parade from their headquarters at the Bienville Hotel to the convention hall to the accompaniment of music, flag waving and general enthusiasm.

The famous Southern Yacht Club will be the scene of the pages' tea, to be held Monday afternoon. The states are sending their prettiest girls—one from each—as pages, and the men guests will be, in addition to the distinguished Legionnaires, the younger officers from the English, French and Italian warship in port.

Nine hundred delegates will be entertained at the "States dinner" on Monday night. There will be a table for each State, arranged in geographical order. Guests of honor will be Mrs. Lowell F. Hobart, auxiliary national president; Mrs. Ida Clyde Clark, editor of Pictorial Review; Miss Mary Pershing, sister of General Pershing, and Miss Sara C. Bogless, secretary of the American Library Association. After the dinner, the guests will go to Jackson Square which will be turned into Paris for the French fete.

There will be 500 guests—distinguished persons in attendance at both the Legion and auxiliary conventions—at the reception to be held by the colonial dames at the Delgado Art Museum, the afternoon of Tuesday, October 17th. Three carnival balls in the evening will conclude the day for the auxiliary guests.

Seated by States in a large grandstand, the auxiliary women will watch the Legion convention parade the afternoon of October 18th. That night the only evening session of the auxiliary convention will take place. Afterwards, the women will be taken to a hut chow on the Mississippi river, which will reproduce the entertainments staged by welfare organizations in France.

Motor tours to the Old French Quarter and about the city will occupy the auxiliary women Thursday. The trips will be followed by tea at the Quartier Club and talks on historic New Orleans at Jackson Square. There will also be harbor trips, on Thursday, and at night a night bombing raid in imitation of the bombardments staged by the Germans at the front.

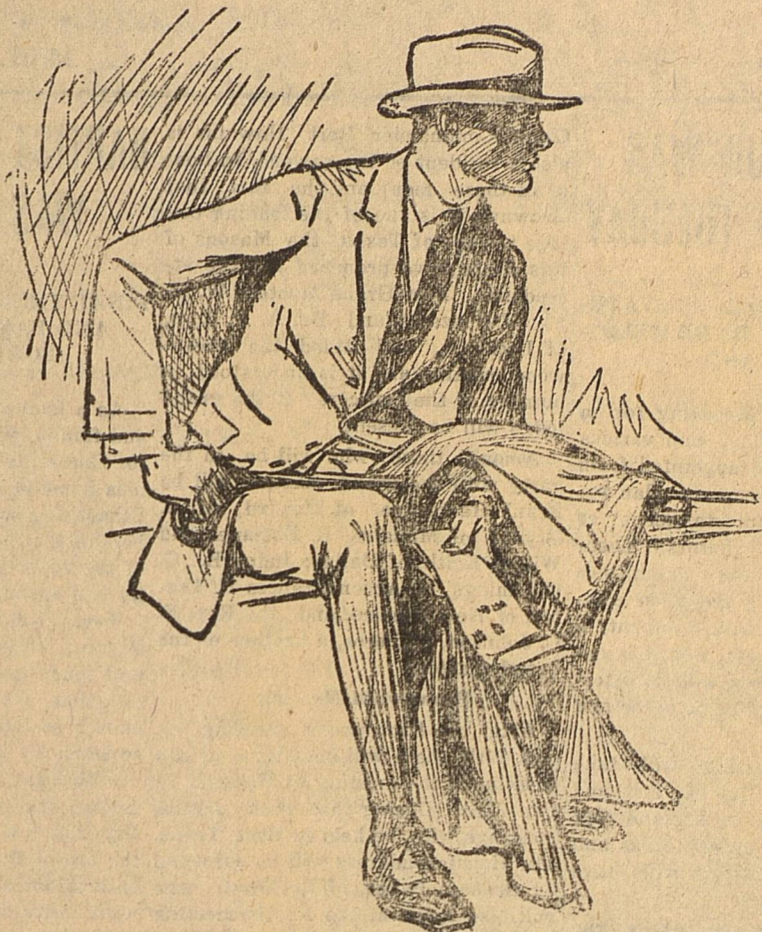

Friday, the last day of the convention, there will be a number of private parties.

### CLYDE CROWLEY NOW DUE TO BE AT HOME

R. E. Crowley hands in a letter from his son, Clyde, who is soon to have a furlough from the navy, after a service of four years. It is addressed to his brother, Homer, and follows:

Just a few lines to let you know I am getting along fine. How is the wife? What are you doing now? I am coming home in a few days; I think will leave here about the 5th or 6th of next month. Will be home for about 15 days, then I will have to come back. Don't think I will be able to get home Christmas so I am coming home now. I am getting along fine now. Have quite a few things to tell you that I can't put in writing, so I will tell you when I get home. I am making \$92.40 per month now, all clear. About December I will be made chief, then my pay goes to \$99 per month for a year, then I get \$126 per month. I am in a good position now. I don't do any work. Just boss a gang of 10 men is all I have to do. I get every Saturday and Sunday off. Had 17 days leave this month and I am taking 30 days next month. My pay goes on just the same. Can't beat that in Texas, can you? For the past four months I have worked on an average of 30 minutes a day. No news out here much. Every day about the same. Let me hear from you before the 5th. Love to all, Clyde.

W. T. Whittenburg, prominent Ector County ranchman, was in Midland Monday on business. He reports cattle in good shape, but the range greatly in need of rain.

### Closed Car Luxury Unsurpassed The 1923 Six Cylinder Seven Passenger Sedan—\$2195

A dignified beauty and richness unexcelled by any closed car mark the new Buick seven passenger sedan.

Lengthening the body, lowering the top and raising hood and radiator have improved the streamline appearance made possible by the long wheel base and added attractiveness has been given by the handsome nickled drum-type head and cowl lamps.

The roomy Fisher built body is furnished in rich plush. Deep cushioned seats for five with two comfortable folding chairs accommodate seven grown persons with ample room for everyone.

The chassis has been improved materially and its easy riding qualities heightened by a new rear spring suspension. In the famous Buick Valve-in-Head engine, changes also have been made to increase dependable performance.

In every detail of body, chassis and power plant, this Sedan has no superiors among closed cars of even greater price.

## EGGS ARE HIGH

And getting higher, from all indications eggs will be selling for 75c to \$1.00 a dozen by Christmas. Why not buy a few nice spring pullets that are bred to lay and have your own fresh eggs at home. I have a nice lot of Rhode Island Red pullets that should be laying by Christmas or sooner that I'll sell very cheap considering their breeding.

S. H. BASHAM

## OIL DEVELOPMENT THE BIG SPRING FIELD

From The Herald.

While oil development seems to have taken a slump due to the cessation of drilling on a number of test wells on account of a water shortage, several of the big companies, including the California Company continue to quietly pick up acreage.

Another cause of the slow up in operation was the failure of the Le Sure and T. & P. wells to come up to the production expected, when placed on pump. It is now planned to shape these two wells up to be given shots.

After a long shut down, operations are to be resumed on the Smith well, six miles west of Colorado. Fishing for the tools at 2425 feet is now underway.

The California Company is drilling on their test on the Richardson tract, 5 miles south of Colorado. They are drilling below 150 feet at the last report we had.

The Etta Brannard test, between Westbrook and Iatan, is now about 3700 feet with drilling operations in progress.

They are drilling around 3400 feet on Riley's Murphy No. 1.

The collapsed casing in Coleman No. 1, of the Fletcher Petroleum Co., has been replaced and they are drilling around 2400 feet.

The Magnolia Co., is now making good time on their test four miles south of Iatan. They are drilling around 1800 feet. A good gas showing was reported last week.

The Read No. 1, northeast of Coahoma, being drilled by the Fensland Oil Company, is setting casing at 3100 feet to shut off water.

Work on the Stewart No. 1, and the Capps-Lucas No. 1 of the Maxwell-Johnson Company, is held up on account of water shortage. The Foster

No. 2 is also suspending operations due to a lack of water for boiler use.

At the Enders-Cushing Test

H. H. Enders, of Boston, president of the Cushing Ranch Drilling Association who is here to personally direct drilling operations on the Enders-Cushing well No. 1 on the Cushing ranch, is very optimistic over the outlook for bringing in a producing well.

Enders-Cushing No. 1 has now reached a depth of 4028 feet, the last 33 feet drilled through being a black shale or selenite—and the indications for this well being brought in a real oil well are indeed good. A black bituminous lime is now being penetrated.

It is planned to drill to a depth of 4300 feet in the hope of striking a big oil pool and if they fail to locate this pool it is planned to place a heavy shot about the 3882 foot depth, where the oil showing was good for a distance of 73 feet. Large crowds continue to visit the well daily and it will be one of the interesting tests until the well is completed.

The Sparkman well No. 1 of the Cushing Ranch Drilling Association is setting casing at 800 feet to prevent cavings, which have been giving them considerable trouble.

McEntire well No. 1 of the Cushing Ranch Drilling Association is shut down for casing.

Oil Showing in Sterling County Well  
A good oil showing was reported in the Sterling Oil Corporation's well, 10 miles northwest of Sterling City, this week and many visitors were attracted by the report. This well is now drilling around the 2500 foot mark.

### Card of Thanks

We wish to thank our friends and neighbors for their kindly ministrations rendered us in our recent bereavement in the loss of wife and mother.

W. T. GRAY  
AND CHILDREN.

## INTERESTING WEEKLY FINANCIAL REVIEW

Bond sales on the New York Stock Exchange in August, 1922, totaled \$312,718,000, compared with \$302,975,000 in July and \$227,964,000 in August, 1921. Sales this year were the largest recorded for any August and were helped materially by an unusually active miscellaneous bond market, writes the Industrial Service Department of the First National Bank of St. Louis in its weekly financial review. Continuing: Daily sales averaged: miscellaneous, \$8,254,185; liberty issues, \$3,327,963; all bonds, \$11,582,148, and all bonds August, 1921, \$3,443,111.

Liberty issues totaled \$89,855,000, the lowest in many months, against \$114,284,000 in July and \$127,718,000 in August, 1921.

Trading in French, Belgian, British, colonial and Canadian issues aggregated \$20,132,000, against \$17,590,000 in July and \$16,350,000 in August, 1921. French activity dominated this group, the government and Seine turnover was \$8,320,000 and municipal sales were nearly \$1,500,000 more. Other European loans—Italian, Czechoslovak, Norwegian, Swedish, Swiss, Dutch and colonial, Danish and various municipalities contributed \$9,419,000 against \$12,618,000 in July and \$3,858,000 in August, 1921.

Sales in Japanese issues were normal at \$2,356,000 against \$2,629,000 in July and \$1,339,000 last year. Mexican issues adopted a waiting attitude. Latin-American bonds aggregated \$6,919,000 against \$5,500,000 in July and \$9,289,000 in August, 1921. Brazilian issues were most active. Total of foreign and United States government bond loans, \$129,724,000, was 41.5 per cent of the month's trading.

Eliminating all the foregoing foreign issues from miscellaneous leaves \$182,994,000, second highest total since 1904, against \$147,763,000 in July and \$74,770,000 in August, 1921.

### The Ideal Purgative

As a purgative, Chamberlain's Tablets are the exact thing required. Strong enough for the most robust, mild enough for children. They cause an agreeable movement of the bowels without any of that terrible gripping. They are easy and pleasant to take and agreeable in effect.

## OIL DEVELOPMENT THE PECOS FIELD

From the Pecos Enterprise.

Work at the Toyah-Bell well for the past week has been mostly pumping and storing oil in the large tanks, which will be used later as fuel when the Granger-Green Drilling Company moves their rotary outfit to the site of the Ramsey No. 2 well.

It was necessary to remove the pump from the Toyah-Bell only once this week, and that was yesterday, and then they found the pump in good shape. Forty barrels of oil was pumped out of 903 feet of the well, and Mr. Ramsey estimates the well is making from 40 to 50 barrels of oil every 24 hours.

The gas not sold, at that, as they have lowered the expense of fuel, about 50 per cent. Gas pressure is on the increase, too, as a week or so back the flow would burn only for a short time and then go out. Now gas is used under the boilers and at night it is lighted up out in the yard and continues burning all night.

A water well was put down 60 days ago, and a good flow was reached at 34 feet. Wednesday they tested out the well and after 200 barrels of water had been pumped out, the well still showed no weakening. The quality of the water is equal to that obtainable in Carlsbad.

### The Bell Well

After months of efforts to get the gas cased off and the water shut off below the gas, it seems that a perfect water shut off has been secured in the Bell well, and better time is being made than at any time since the gas was struck last March. The formation is now a white lime that is looked upon as favorable. The gas is maintaining an even, steady flow and the boilers are making more even steam than they did when fuel oil was being used.

Ira J. Bell, who has just returned from a trip east, visited the well today and gives it as his opinion that it is just a matter of sticking to business and a matter of time until the field was first discovered.

### The Laura Well

Mr. Heller, manager for the Sunshine Federal interests, was in town today and states that drillers, at the Laura are making satisfactory headway. Yesterday afternoon a bearing on the rotary outfit was broken which delayed operations but Green and Granger hoped to be working again this afternoon. They were down to the 2420 foot mark when the accident occurred and it is believed they have passed all quick sand trouble and will be going good and making splendid headway within the next three or four days.

### Hershenson Well

Drilling at Hershenson well continued for the past week, but was halted yesterday again when their large bit again broke due to defective material. Arrangements are now being made to secure another bit to avoid all further delays. Work will be resumed as soon as possible.

### The Willoughby Well

C. H. Willoughby, of the Willoughby Petroleum Company, is now in East Texas endeavoring to raise money with which to carry on the work. The Enterprise has had no report from that well this week.

## SPEECH OF GOV. NEFF ACCEPTING NOMINATION

Ladies and Gentlemen of the Convention:

For the second time I sought and, by the partiality of my friends won, and now, with grateful thanks accept, at the hands of the democracy of my native State, its nomination for the second highest office beneath the American flag, the governorship of Texas. My heart swells with pride and melts with gratitude as I think of those, who, by their vote of confidence at the ballot box in July, made this hour possible. To you, and through you to my friends scattered throughout the State, I acknowledge myself debtor, to one and all, in the coin of appreciation that can only be fully discharged by the faithful performance of duty.

When, as your governor, I took the oath of office in the presence of God, mother, wife, daughter, son and fellow-citizens, I gave my hand and heart to Texas. From that hour to this, my constant thought has been the honor of my State, and the happiness of my people. To faithfully and efficiently meet the welcome obligations of this exalted office, should I for a second time be privileged to assume its duties, will be my highest ambition.

No man who holds the office of governor could or should do more nor less than obey the mandates and perform the duties imposed upon him by the

## OLD FRIENDS

Lasting friendships and built upon years of close association. Old friends are of great value to one another only after their relationship has been cemented by time. The most satisfactory banking connection must be built up. Opportunity to use all the facilities of this bank arise only occasionally. It takes time to become familiar with your requirements. We place great value upon our old friends—our long established depositors. May we, in time, count you among them?

MEMBER  
FEDERAL RESERVE  
SYSTEM

### Midland National Bank

Midland, Texas

laws and constitution of his country. The laws therefore will be enforced, property protected, the individual and inalienable rights of man upheld, peace maintained, and the channels of commerce kept open, under the law, by the law, and in accordance with the law, while I am your governor. The corrompt and the commune, capital and labor, the employer and the employee must, all alike, bow in humble obedience at the feet of the law of the land.

Strange as it may sound to some, I, as your governor, have not felt called upon to commend every laudable undertaking nor to condemn every worthless enterprise that might here and there in Texas have followers. The law defines my duties. They are responsible and exacting. I alone can discharge them. The remaining five million citizens of the State have obligations not less binding than mine. They are the ones to ring out the false and ring in the true. I am, I must and shall remain the servant of all. The governor of a great people and a great State has no right to get off in one corner of his country, and, with a handful of his constituents, say "I am for these and against the rest."

That I might in the highest, the noblest, and the truest sense render service to all, I have not permitted myself, since I became your governor, to become a member of, or align myself with, any commercial, social, secret, sectional, racial, or ecclesiastical organization that had even a tendency to separate our people into sects or sections. All men, Christian and pagan, Jew and Gentile, Catholic and Protestant, rich and poor, white and black, those who speak classical English and those who articulate in a foreign tongue, the upper ten and the lower ten thousand, have, one and all, looked alike and fared alike, and shall continue to look alike and fare alike, officially, while your present chief executive is in the governor's office.

The fight for right is never ended. The poet was wrong when he sang, "Truth crushed to earth shall rise again." Truth, though it possesses the attributes of immortality, will wither and die among its worshippers unless it has able, active, champions and wise courageous defenders. In the battle now being waged in Texas for the vital things of civilization, let the thinking men and women in this State who do things, realize that this is their contest. In this struggle for law and order, for industrial freedom, for civic improvement, for the righteousness that exalteth a nation, we are going to win. Let no faint heart be discouraged. Wrong may come on prancing nags with fluttering flags, but on the open field of battle beneath the white light of day, right is triumphant.

"Truth forever on the scaffold, Wrong forever on the throne, Yet that scaffold sways the future, And, behind the dim unknown, Standeth God within the shadow, Keeping watch above his own."

Our cause is just. We may not win today; we may not win tomorrow, but the third day is coming when an aroused public conscience is going to roll away the stone that hinders, and from out the grave where truth and justice and honor too long have slept is going to emerge, conquering and triumphant, a Prince of Peace, proclaiming to our people a new day, a new hope, and a new civilization. Looking to this high end, and with a determination to fight on, and on, and on, until the victory is won, I now, in

the presence of this splendid assemblage of Democracy's representatives, accept your nomination for governor, and if your nomination is confirmed at the polls in November, I shall rededicate and reconsecrate my all in service to Texas.

Mr. and Mrs. O. J. Currie were in from their ranch south last week to attend the Skaggs-Currie wedding.

**Sheriff's Sale**  
The State of Texas,  
County of Andrews.

Notice is hereby given that by virtue of a certain Order of Sale, issued out of the honorable district court of Mitchell County, Texas, on the 22nd day of September, 1922, by W. S. Stoneham, clerk of said court, for the sum of seven hundred ninety-four and 20/100 dollars, interest and costs of suit, under a judgment, in favor of Floyd Shock, in a certain cause in said court, No. 3948, and styled Floyd Shock vs. J. C. Boydston, T. J. Free, M. A. Darden and C. M. Watson, and placed in my hands for service, I, John Speed, as sheriff of Andrews County, Texas, did, on the 28th day of September, 1922, levy on certain real estate, situated in Andrews County, Texas, described as follows to-wit:

The west one-half (W. 1-2) of section No. twenty-four (24), in block No. A 31, public school lands in Andrews County, Texas, and containing 320 acres of land, more or less and levied upon as the property of J. C. Boydston, T. J. Free, M. A. Darden and C. M. Watson, and that on the first Tuesday in November, 1922, the same being the seventh day of said month, at the court house door of Andrews County, in the town of Andrews, Texas, between the hours of 10 a. m. and 4 p. m., by virtue of said levy and said Order of Sale, I will sell said above described real estate at public vendue, for cash, to the highest bidder, as the property of said J. C. Boydston, T. J. Free, M. A. Darden and C. M. Watson.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in The Midland Reporter, a newspaper published in Midland County, Texas, the nearest newspaper to said Andrews County, Texas.

Witness my hand, this 28th day of September, 1922.  
JOHN SPEED, Sheriff,  
Andrews County, Texas.

C. C. WATSON, Editor and Propr.

Entered at the Post Office at Midland, Texas, as second class matter

One Year - \$2.00 Six Months - \$1.25

FRIDAY, OCTOBER 6, 1922

Charley Witcher, of Odessa, was a pleasant visitor this week.

Mrs. Pearl Smith, of Odessa, was in Midland this week, shopping.

Judge J. T. Cross, of Odessa, was in Midland this week on business.

S. R. Simpson and W. H. Miller, of Lamesa were business visitors here this week.

Mesdames S. O. Richardson and F. E. Rankin left this week for a visit with friends and relatives in Rankin.

O. B. Holt has been real sick at his ranch north, but was brought to his home in Midland the last of the week.

Pearl Rankin was in Midland this week from his ranch south and reports the range awfully dry.

Marvin Cowden, of Pecos, is the guest of his brother-in-law, Dr. Jno. B. Thomas.

Morris Holt, of Abilene, is a guest in the home of Dr. Jno. B. Thomas.

Paul Barron was a business visitor to Stanton Thursday of this week.

J. H. Williamson spent the last of the week in Stanton, consulting as to plans for the school.

Mrs. L. C. Majors, of El Paso, is in Midland this week to attend the revival.

Ira Henderson, of Odessa, was in Midland this week, greeting friends.

S. R. McKinney, of Odessa, was in Midland this week attending to business.

Allen Connell, of Judkins, was a visitor in Midland this week.

Porter Rankin returned this week from a business trip to Rankin and Big Lake.

Hugh Rogers, of Ft. Worth, was in town this week on business.

C. A. Dean and J. D. Fox, of Houston, stopped off in Midland as they were driving through.

C. E. and J. B. Sutphen, of Andrews, were in Midland this week, stopping at one of the hotels.

Attorney Tom Garrard has been holding district court in Odessa this week for Judge Chas. Gibbs.

Mrs. Andrew Norwood will leave this afternoon to spend the week end with her husband in Big Spring.

W. A. Hyatt returned this week from a business trip to Ft. Worth.

Don Davis is spending part of the week in town from the ranch north.

E. R. Thomas returned Thursday of this week from his ranch.

W. A. Hutchison spent last week in the Seminole and Andrews country on business.

Lige Davis is spending this week in the Davis mountains on business.

## MANY RIO GRANDE FLOOD SUFFERERS

### RED CROSS HAS ASSISTED LARGE NUMBER BUT HUNDREDS YET IN NEED

Information received at the headquarters of the Southwestern division of the American Red Cross in St. Louis last week stated that up to the present time a survey conducted by the Red Cross in the Rio Grande Valley has revealed 1,510 families affected by the flood.

Henry M. Baker, director in charge of disaster relief, who is at McAllen, Texas, stated that disaster relief workers have been covering the different areas of the Valley and the above report was made by the workers at the close of their work August 12th.

Eighty-four families have been assisted by the Red Cross, receiving a total of \$5,916.97 rehabilitation, such as seed, feed, household goods, clothing, necessary medical attention and maintenance. It is estimated by the Red Cross workers that there are 225 more families that must be assisted.

It is pointed out that only the most emergent cases are receiving attention at the present time, due to the great lack of funds. Each case is carefully investigated to find the family resources, liabilities, damage done by the flood, and the Red Cross worker site in consultation with the family to discover the actual needs. No awards are made by the Red Cross unless it is shown that the family actually needs assistance.

"The cotton picking situation," said Mr. Baker, "has relieved our disaster relief problem greatly. We have been able to put all the Mexicans and some Americans to work at cotton picking, consequently it has not been necessary to assist many of these families. If the disaster had occurred at another time of the year it would have greatly increased the problem."

Mr. Baker is assisted in his work by the Rio Grande Valley Red Cross advisory committee, composed of a representative from every community in the Valley. This committee consults with the director, passing on all difficult cases and establishing necessary policies and procedures. In this way every community is kept in close touch with the work.

Up to the present time receipts total \$11,477.00 of which \$10,000.00 was donated by the American Red Cross, and \$1,000.00 by the American Rio Grande Land and Irrigation Co., of Mercedes. "This donation of \$1,000 from the American Rio Grande Land and Irrigation Company," said Baker, "is the most substantial that we have received so far and is greatly appreciated by the American Red Cross."

The total disbursements for relief amount to \$5,916.97. "We are greatly handicapped," said Baker, "for the lack of funds. If the 225 families which still need assistance are to be properly taken care of we shall have to have an additional fund of close to \$10,000." The Red Cross is conducting its relief work in the Rio Grande Valley at the official request of the Rio Grande Valley Chamber of Commerce.

Many pathetic stories are coming to Red Cross headquarters from families that have been hard hit by the flood.

At the close of the job all the books of the Red Cross Rio Grande Valley disaster relief will be audited by a Valley auditing committee and the result of their audit published.

Mrs. Lige Davis is in Ft. Worth this week with her daughter, Mrs. Ben Dublin.

Mr. and Mrs. J. P. Archer and son, Jack, returned from Dallas the first of the week.

## ROUND-UP CLUB TO BE MAINTAINED

### A SPIRITED MEETING LAST FRIDAY EVENING RENEWED ENTHUSIASM

At the conclusion of the Round-up banquet last Friday night the question of the future of the club was brought up and discussed at length with a general consensus of opinion that by all means the club should continue in the future. When put to a vote it carried unanimously and new officers and directors were elected as follows: President, Jack Biard; vice president, C. S. Karkalits; secretary, Paul Barron. Directors, W. W. Brunson, M. C. Ulmer, W. Angie Smith, Homer Rowe, and Elliott Barron.

During the discussion of this question it could be seen that the men of our city are interested in the club provided we have one which will be able to deal with civic problems and attend to matters of common interest to all. We appreciate the social features and they are splendid, but they must be subordinated to the matters of interest to the community as a whole. It is indeed gratifying that the Round-up Club is to be continued and we bespeak the support of the business men of our town to its success. There are things such a club can do which cannot be done in any other way and the city can receive free advertisement which could never be secured through any other channel. Let us then unite our forces behind this club and rally to the work and make it a success.

It is all Midland has in a way of an organization for men and we have hope that it may yet resolve itself into an institution of commercial activities. This hope, too, has always been entertained by the business men who promoted and have maintained the club's activities.

## BAPTIST RECEPTION WAS LARGE AFFAIR

(Continued from page one)

cient pastor's wife that had ever been in Midland. W. A. Dawson spoke on behalf of the Baraca class, bringing out some of the same testimony about the untiring efforts of the Hull family, and presented Rev. Hull with a beautiful pair of cuff lengths as a gift from the Baraca class, which has been taught by the pastor since he has been here.

C. S. Karkalits then presented the honor guests with a chest of silver, of unusual value, as a parting offering from the church and friends of the Hulls. Rev. Hull and Mrs. Hull both replied at some length with fitting talks, thanking the Midland people for their wonderful spirit, and expressing their appreciation of the co-operation that had been accorded them during their period of residence in Midland. They laid strong emphasis on the fact that they were provided with one of the best pastor's homes in Texas, and Mrs. Hull stated that she had never been more than glad to open this home to the various entertainments and services that have arisen in connection with the church work. The pastor and his wife expressed their desire that a new pastor would be found that would continue the progress of the church in a bigger and better way than ever, in keeping with its growth.

Vocal solos were rendered by Messrs. Percy Mims and Thomas, and their selections met with considerable applause. Miss Annie Wall rendered an excellent piano solo in her usual skill, and was likewise given quite an ovation.

Orchestral numbers were furnished by Miss Lydie G. Watson, Messrs. Ned Watson, R. V. Hyatt and J. M. Gilmore, who played classical and lighter music with an ease and rhythm that added much to the spirit of the occasion.

Brick ice cream and cake were served, and were made up in attractive colors, with the letter "H" daintily worked into the refreshments.

The beautiful arrangement of the Scharbauer home, the wonderful spirit which pervaded this party, and the sadness of the departing friends cannot be fittingly described in prose, but the memory of the occasion will long, if not forever, be one of the bright spots in the lives of all who attended.

Mr. and Mrs. Foy Proctor have returned to their ranch southeast after a week visiting in the Seminole Country.

Miss Ciella Denton was up from Big Spring for the week end with her mother.

Mrs. O. B. Holt spent part of this week on the Holt ranch north.

#### BADGETT WELL COMES IN AS GIANT SALT PRODUCER

The first big gusher in the Mitchell County field blew in Sunday afternoon and has been producing from 5,000 to 10,000 barrels all the week. The big gusher, however, is not producing oil, but rather a strong salt solution. The well is said by oil men of Colorado to be a mystery as it is the first of its kind known to the local oil

### fraternity.

Casing out the strong gas pressure, which was encountered at 1050 feet several days ago, drilling was resumed last week and Sunday afternoon when a depth of 1100 feet had been reached the big gusher came in. A solid stream of water and salt is being thrown from the well, going from fifteen to forty feet above the crown block. Several acres surrounding the well is covered with salt and presents the scene of winter following a snow storm.

Roaring of the well is plainly heard for a mile away. The glistening white formation hurled into space from the well is plainly visible for a distance of five miles. Ditches have been made, turning the solution into the Colorado river and it was claimed late Wednesday afternoon that the strong brine had reached Colorado in its flow down the stream. The well is 15 miles northwest of town—Colorado Record.

### Sheriff's Sale

The State of Texas, County of Midland.  
By virtue of an Order of Sale issued out of the honorable District Court of Runnels County, on the 22nd day of September, 1922, by the clerk thereof, in the case of Miss Lucile Howard versus J. Roland Dublin, and Mrs. Annie Mae Jenkins and Morris Jenkins No. 3014, and to me, as sheriff, directed and delivered, I will proceed to sell for cash, within the hours prescribed by law for sheriff's sales, on the first Tuesday in November, A. D. 1922, it being the 7th day of said month before the court house door of said Midland County, in the town of Midland, Texas, the following described property, to-wit:

Being one hundred and sixty acres of land, more or less, the southwest one-fourth of section No. 14, block 39, township 1-south, certificate No. 3126, T. & P. Ry. Co., being a part of the same land awarded by the commissioner of the general land office to A. J. Hipp, on December 7, 1896, described by metes and bounds as follows, to-wit: Beginning at the original southwest corner of said survey No. 14. Thence north 95.04 varas to a stake for the northeast corner of this tract. Thence east 95.04 varas to stake for the northeast corner hereof. Thence south 95.04 varas to stake for the southeast corner hereof. Thence west 95.04 varas to the place of beginning, levied on the 5th day of October 1922, as the property of J. Roland Dublin, and Mrs. Annie Mae Jenkins and Morris Jenkins to satisfy a judgment amounting to \$1246.97 in favor of Miss Lucile Howard, and costs of suit.

Given under my hand, this 5th day of October, A. D. 1922.  
W. E. BRADFORD, Sheriff, Midland County, Texas. adv 1-3t

### DAGGETT-KEEN "LEADS"

For the month of September Daggett-Keen broke all previous records in the amount of business handled. We sold for our shippers over \$434,000.00 worth of live stock and stood first in business by selling 7,162 cattle, 8,355 calves, 6,933 hogs, 1,613 sheep, consisting of 471 carloads. This record is indeed gratifying to us and we want to take this opportunity to thank our loyal friends and customers for making it possible.

**LARGEST PARADE EVER  
IN NEW ORLEANS**

The largest parade ever held in New Orleans will be seen October 18, when 40,000 members of the American Legion in column of platoons march down Canal Street in review during the Legion national convention there.

Nearly 100,000 visitors and delegates are expected to attend the convention and fully one-half of them don uniforms and join in the parade. More than 100 bands will be scattered throughout the parade in which they will be judged for the national convention band contest.

A cenotaph commemorating the soldier dead will be erected on the parquette of Canal street directly opposite Gold Star mothers' tribune at which all veterans will pay tribute to their fallen comrades with a salute as the column passes it. The route of the parade will cover a distance of approximately four miles and the head of the column is expected to reach its destination before the rear guard has passed the reviewing stand.

Legion state departments will march in order of their gain in membership during the last year, led by a guard of honor consisting of men drawn from the army, navy and national guard. Percentages of increase will be announced by national headquarters in time to place departments in their proper position in the column. Foreign war veterans who are not affiliated with the Legion will be in line in order of their country's entrance into the war.

**INFORMATION BUREAU  
PROHIBITION UNIT**

Having observed front page publicity by certain papers to occasional shooting of moonshiners and bootleggers by federal officers, always in defense, and the correspondingly meager publicity when officers are shot and killed, Federal Prohibition Commissioner R. A. Haynes said:

"I have noted with deep regret the number of enforcement officers assaulted and assassinated in line of duty, forcibly brought home to me by the shooting near this city of Agent George T. Palmer and Agent George E. Elliott, by alleged bootleggers. Three enforcement agents within the past month, leaving dependent families, have sacrificed their lives for the government, and the records of the prohibition unit reveal that 24 noble men have tragically given their lives in helping to enforce the 18th amendment. That the press generally will respond in denunciation in the same spirit as communities are responding with financial aid to victims' families, I have no doubt. Many of these men unhesitatingly offered their lives for their country on the fields of France, returning home to suffer heroes' deaths in the land which they fought to protect. It is well that the public fully realize the risk to which our agents are subjected in all parts of the country—even in the shadow of the national capitol—the splendid sacrifice which these brave, patriotic men are making in an effort to enforce constitutional law, and to banish the dangerous moonshiner and unscrupulous bootlegger, with their output of poisonous liquor, from our midst."

**More Homes and  
Better Built Homes**

*This is the Important thing*

This is the age of quality, not how cheaply can I build, but how well, should be your thought when you pore over home plans, when you consult architects, contractors and lumbermen.

A well built home is a life time asset.

Phone FIVE EIGHT.

**Burton-Lingo Co.**

Thirty-five Years in Midland

**Notice of Dissolution**

Notice is hereby given that the partnership heretofore existing between S. H. Stamps and J. D. McDurmon and doing business under the firm name and style, City Meat Market, did, on the 11th day of September, 1922, dissolve by mutual consent, the said S. H. Stamps selling his entire interest in said business to the said J. D. McDurmon, and the said Stamps is now and since the above date in no way connected with said business. All accounts due City Meat Market are to be paid to the said J. D. McDurmon, and likewise he is responsible for and will pay such obligations as City Meat Market may have incurred.

Witness our hands this 11th day of September, 1922.

S. H. STAMPS,  
J. D. MCDURMON,  
adv. 51-4tpd.

**LESS WHISKEY BEING  
SMUGGLED FROM MEXICO**

"Since my last report a great many violators of the prohibition law have appeared before the U. S. district judge and plead guilty, and the sentences in each case have been very satisfactory. I can see a tendency on the part of the courts and juries to be severer in the punishment of violators," says Director David H. Morris, in a report to Commissioner Haynes. "We are receiving very good co-operation from the local authorities and from time to time men who have not helped us before are coming in and offering their assistance. The newspapers continue to champion the cause of prohibition, and I believe that it is having quite a good effect. Reports of the agents indicate that there is not so much flagrant violation of law as has been in the past."

"There is less whiskey being smuggled across from the Mexican border and some of the large operators will soon be apprehended. The majority of the whiskey which was coming out of El Paso in autos has been stopped. The fact that there are so many roads leading out of El Paso into this State makes the problem a difficult one, but not beyond control."

**HIGH AMERICAN STANDARD**

Income tax returns for the year 1920 were made by 7,259,944 individuals. When it is considered that this is about one-fourth of the adult population of the United States, and that a large percentage of those returns represent at least two adults in each case, and when added to this the consideration that exemptions from income taxes in the United States are by far the highest in the world, this is a remarkable record. It serves to emphasize, what all economists know, how much higher is the living standard of the average men in the United States. With all our talk about hard times—and 1920 saw the beginning of the depression—we are more prosperous than most other countries even when times are hardest for us. The plain truth is there is no other country in the world, and there has never been a country in all history, in which prosperity was so widespread among the people as in the United States today. The fact that we have more automobiles than all of the rest of the world put together—practically one to every three families—serves to emphasize this fact—Ft. Worth Star-Telegram.

**DELINQUENT TAX LIST**

List of Lands and Lots Delinquent on March 31, 1922, for the taxes of 1921, in Andrews County, to date of attached certificate, reported in compliance with provisions of law.

(Name of owner; Abs. No.; Surv. No.; Blk. No.; Original Grantee; No. acres; total taxes.)

O. D. and MYRTLE COOK: Abs. 598, W. 1-4 sec. 8, blk. A 19, O. G., A. Hollebeke, 160 a.; abs. 650, sec. 35, blk. A 19, O. G., P. von Hollebeke, 715 a.; abs. 651, W. 1-2 sec. 9, blk. A 19, O. **Our word for it!**  
*You'll never know how delicious  
Corn Flakes can be till you  
eat Kellogg's*

Positively—the most joyously good any-time-cereal any man or woman or child ever put in their mouths! Such flavor, such crispness! Such big sunny-brown Corn Flakes! How you'll relish a generous bowl-filled-most-to-overflowing; and a pitcher of milk or cream! Never was such a set-out! Never did you get such a universal vote as there'll be for Kellogg's Corn Flakes! Big folks and little folks will say "Kellogg's, please, mother!" Leave it to their tastes—and yours! Prove out all we say!

For, Kellogg's Corn Flakes are a revelation in flavor; a revelation in all-time crispness! Kellogg's are never tough or leathery or hard to eat! Insist upon KELLOGG'S—the original Corn Flakes—the kind in the RED and GREEN package!

### Miss Lydie G. Watson

Student of  
Gallowag College, Searcy, Ark.  
Landon's Conservatory, Dallas, Texas.  
American Conservatory, Chicago, Ill.

now has her Studio open for the term 1922-1923 and will be pleased to greet her former pupils and enroll any new students who seriously desire to study music. She will maintain a south side studio as well as one at her residence. Call upon her personally or phone her at 88.

### AMERICAN ROYAL READY SOON

#### INTEREST THROUGHOUT ENTIRE WEST AND SOUTH-WEST GROVS

Interest in the American Royal at the Kansas City stock yards November 18 to 25 continues to grow. The entire West and Southwest has come to look on the new show in the new building as being the West's and Southwest's own great livestock show and will patronize it accordingly. The steel superstructure to carry the roof is in place and the entire building with its seven acres of floor space will be enclosed within 10 days and will be ready for occupancy, complete in every detail about thirty days before the Royal is scheduled to open. A great deal of care is being exercised in selecting judges and superintendents as the new Royal proposes to make the 1922 exposition, the opening event in the new building, one that will set a pace for all shows to come.

The complete list of judges and superintendents will be announced early next week, and will include many of the most notable live stock men in the country, men who know how to handle live stock shows and give the exhibitors service and as notable an array of men as ever passed on cattle, horses, mules, hogs, sheep, poultry and pet stock in any show ring.

Entries in all individual classes of cattle, swine, sheep, horses and mules close October 10th and exhibitors should take notice of this fact.

Entries are coming in from every section of the country and the management is laying out the floor plans to conform to the interest that is being shown in each individual section. The poultry section will be a very important division this year. Great activity is being shown and many entries promised. H. L. Kempster, of Missouri University, will be in charge assisted by Chas. Swan, of Lansing, Kansas, and Fred Kelm, of Seneca, Kansas.

Complete arrangements have been made for the Messiah chorus, the curtain raiser, that will be put on by the Bethany Oratoria Society, Lindsberg, Kas., on Saturday night and Sunday afternoon, November 18 and 19 for the dedication of the New Exposition building. This is the biggest musical event ever staged in Kansas City.

The industrial exhibition will be an entire show in itself. Here will be shown the best of modern farm appliances and machinery and accessories,

everything that the farmer uses, with many objects of use in clothing and foods. Domestic science appliances and materials will be stressed, and no event of a similar nature and comparable to this one has ever been put on in the central west.

The American Royal with all its phases will be a miniature world's fair and the United States, Canada and Mexico will participate in it this year on a big scale.

There will be something for every man, woman and child that lives on a farm, or is interested in farming, and the city folks will find at the American Royal this year something to interest them and something that has never been presented at any American agricultural show before.

The music for the Royal is being selected with care and will be both band and orchestra. The night horse show events will be the most brilliant to be put on at any central western show this season and even eclipsing the Madison Square Garden show in New York City.

#### MARKET ASSOCIATION ADEQUATELY FINANCED

The cotton marketing associations of eight cotton growing States, which together make up the American Cotton Growers' Exchange, have been adequately financed for the new season, says Farm and Ranch. Continuing: The war finance corporation has granted the various associations a credit of \$57,500,000. In addition each State Association will undoubtedly receive bank credits for many millions. North and South Carolina have each been granted a credit of \$10,000,000, with Texas following with a credit of \$9,000,000. The question of finance has been solved and one great obstacle in the way of the success of co-operative marketing of the South's predominating money crop has been removed. There is no reason to believe that other plans in the marketing scheme of the association will not work out equally as well. If such proves to be the case, advocates of organized effort to handle soil products collectively will have won a great victory.

Lee Germany was in the first of the week from his ranch in Ector County. Reports the country awfully dry but cattle holding up all right.

**A Pronounced Success**  
The uniform success that has attended the use of Chamberlain's Colic and Diarrhoea Remedy in the relief and cure of bowels complaints, both for children and adults, has brought it into almost universal use so that it is practical without a rival and as everyone who has used it knows, it is without an equal. Adv Oct 1mt

### HEAVY RECEIPTS ON KANSAS CITY MARKET

Chas. M. Pipkin, Kansas City market correspondent, writing from that point last Monday notes that the receipts of 42,000 cattle and 10,000 calves were the largest on any Monday this year, and because of the heavy run trade was rather slow in starting. The few good to choice fed cattle offered held steady, and practically all other classes developed a decline. However there is an enormous demand and the general market shows no indication of being glutted. Hog prices held steady Saturday with trade active. Lambs were weak to 25 cents lower and sheep about steady.

Receipts Monday were 42,000 cattle, 10,000 hogs, and 14,000 sheep, compared with 36,500 cattle, 8,000 hogs, and 19,000 sheep a week ago, and 36,600 cattle, 6,150 hogs, and 15,250 sheep a year ago.

The bulk of the cattle here Monday came from the big pasture sections and they sold down 15 to 25 cents. Well wintered summer grazed steers were weak to 15 cents lower, and full fed steers scarce and steady. The early trade was delayed some by late trains, but once started killers bought freely. There was a fairly good demand. Canners and cutters were in liberal supply and they sold lower. Many ranching sections are making the final cleanup for the season, and that accounts for the large run of thin cows. Veal calves were 50 cents lower and heavy butcher grades off 25 cents.

A large number of country buyers were here Monday and the general indications are that trade in thin cattle will remain large. Prices for choice kinds were steady and the plainer kinds were off 15 to 25 cents.

Though more eastern markets reported a decline in hogs, prices here were fully steady with trade active. The top price was \$10 and the bulk of the offerings sold at \$9.65 to \$9.95. Pigs sold up to \$9.85. The general tendency in the market is to reduce the price spread. Choice hogs in all weights under 240 pounds are selling at a 15 cent range.

The various markets reported the largest supply of sheep this season and prices were quoted lower. Here lambs were off 15 to 25 cents and sheep nearly steady with last week. Choice lambs sold at \$13.75 to \$14.00, and fair kinds at \$12.25 to \$13.50.

Trade in horses and mules showed no feature. Prices remained steady.

#### PRaise CHALLENGE TO KU KLUX KLAN

Washington, Sept. 26—The political campaign in Texas against the Democratic nominee for the United States senate on account of the Ku Klux Klan is attracting attention of eastern newspapers.

The Washington Star tonight, under the caption, "Challenging the Ku Klux," says editorially:

"The Ku Klux Klan is now under direct challenge, and it is to be hoped the challenge spreads and puts the organization definitely out of business.

"In Texas the opponents of the Klan, accusing the Democratic nominee for United States senator of being in sympathy with it and representing it in his candidacy, have put up a candidate, a Democrat, against him, and this independent is to receive in addition to the support of independent Democrats, the solid support of the Republicans of the State, who are well organized and have votes to deliver.

"The movement may not succeed on this first trial—Texas has for years been rigidly 'regular' in politics—but the step shows courage and is in the right direction.

"In Georgia, the headquarters of the Klan, Gov. Hardwick, standing for re-nomination, took his political life in his hands and lost it in the interests of open as against secret government. He declared, not for the disbandment of the organization, but for the unmasking of its members. He may rise again. He deserves to.

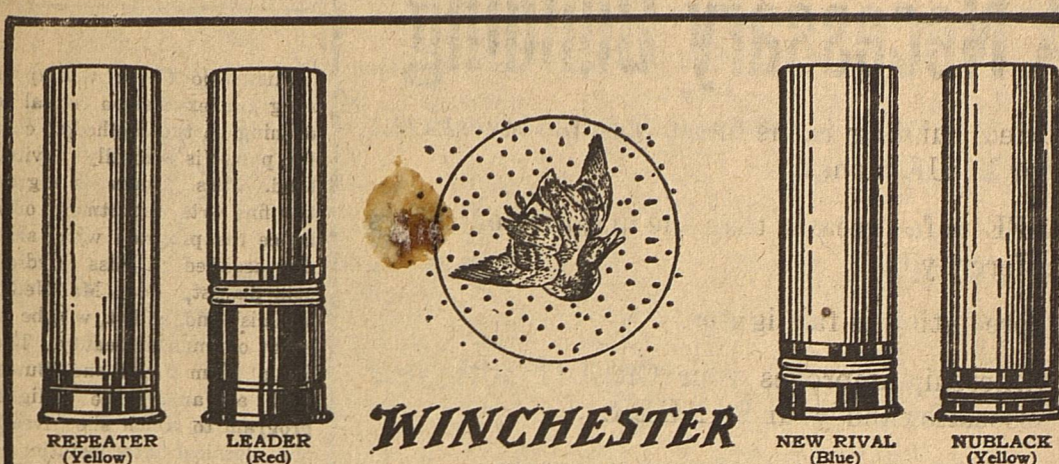

"The biennial general convention of the Protestant Episcopal church, which closed its sessions at Portland, Ore., Saturday, declared against 'secret organization which stir up strife between man and man and set race against race and creed against creed.'

"We need no invisible empires, no invisible eyes, no tiger's eyes in the conduct of our public affairs, but open government openly administered."—Dallas News.

#### MAKING TELEPHONE INSTRUMENTS

The Western Electric Company is setting a high ace in telephone manufacturing. Its 210-acre plant employing nearly 30,000 people, near Chicago, produces about 90 per cent of the world's vocal transmission apparatus. It is turning out more than 900,000 telephone instruments a year.

### Go Get 'Em, Boys! Duck Season Open 16th

WINCHESTER

#### PERFECT PATTERN SHOT SHELLS BRING DOWN THE GAME

WINCHESTER SHOT SHELLS GIVE A PERFECT PATTERN because they are loaded with just the right pressure and with a specially devised system of wadding.

Winchester carefully tested primers, used in these shells, assure complete ignition of every grain of powder before the charge leaves the muzzle. Winchester Shot Shells do not hang-fire nor misfire, the two greatest evils in shotgun shooting.

Winchester Shot Shells are scientifically waterproofed so that they will not swell after wetting. They remain unharmed by exposure to sun, heat or cold.

Winchester Shot Shells function properly under all conditions.

There are four types of Perfect Pattern Shot Shells, to meet every shooting requirement. Two are smokeless and two are black powder.

The four kinds of Winchester Shot Shells are listed below:

Repeater Shells—Yellow—loaded with both bulk and dense smokeless powder, maximum load for 12 gauge, 3 1/2 drams powder, 1 1/4 oz. shot.

Leader Shells—Red—loaded with both bulk and dense smokeless powder. High cupping for strength, maximum load for 12 gauge, 3 1/2 drams powder, 1 1/4 oz. shot.

New Rival Shells—Blue—loaded with black powder, maximum load for 12 gauge 3 1/4 drams powder, 1 1/2 oz. shot. Loaded with No. 2 Winchester primers.

Nublack Shells—Yellow—are same as New Rival except that cupping has two corrugations instead of one.

#### STATE PRESS THINKS THIS MAN EARNED MEDAL

C. E. Merseberger, manager of the Southwestern Bell Telephone Company at Shiner, has been awarded a gold medal in recognition of completion of his 25 years' service with the company.

Twenty-five years of service and faithfulness to the company and to the people of Shiner can be truly said to be a pretty good record for any telephone man. A quarter of a century of running down trouble, answering and adjusting misunderstandings, dealing with temperamental "hello girls" and generally keeping things going can not be set down as one long picnic. Think of it—a quarter of a century of complaints; probably some of them were in the newspaper, too—complaints behind his back, complaints over the telephone with great three-cornered cuss words hurled from that safe distance; complaints

that showed up only at bill paying time; complaints just for the sake of complaining. Why, the chances are that Mr. Merseberger has heard more grumbling and growling than any man in all Shiner. The company gave him a medal. Shine r should at least rejoice with him in the receipt of it.

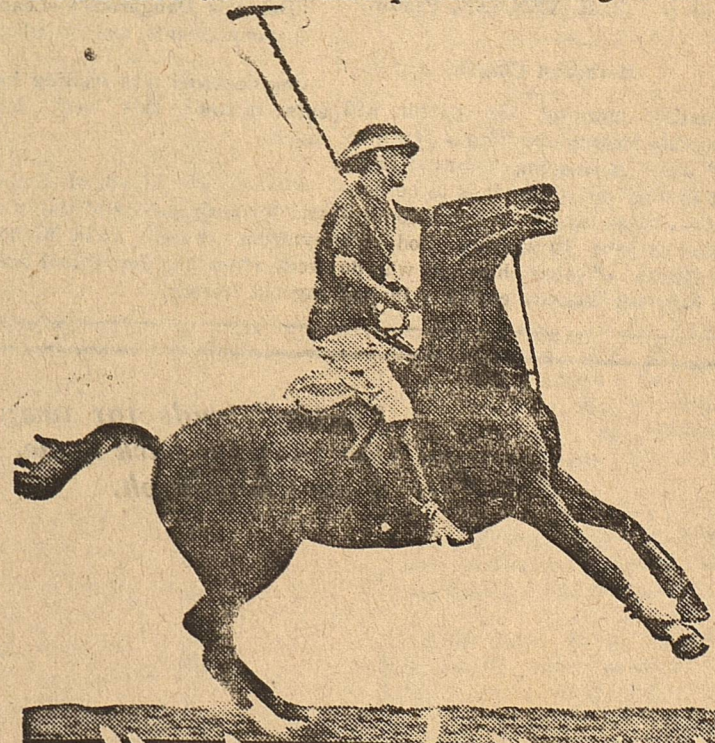

#### No Substitute Offered

Say what you will about druggists offering something "just as good" because it pays a better profit, the fact still stands that 99 out of 100 druggists recommend Chamberlain's Colic and Diarrhoea Remedy when the best medicine for diarrhoea is asked for, and do so because they know from what their customers say of it, that it can be depended upon. adv Oct 1mt

#### WHO'S WHO IN AMERICA

In the latest edition of "Who's Who in America," which attempts to record information pertaining to the most conspicuous living Americans, there are the names of 337 Texans whose efforts and achievements are considered worthy of special distinction among the country's notables. Of this number, there are 39 members of the University of Texas faculty. Dallas heads the list of Texas cities with 59 citizens mentioned, and Austin follows with 57 distinguished residents. The new book for 1922-23 carries the names of 24,278 persons prominent in their particular line of work or official position, and of this number there are many educators.

#### Fred Roe at Philadelphia Country Club

Fred Roe, Coke county rancher and polo pony breeder and trainer and one of the best polo players in this country, will head the San Angelo Polo team that will play on Tuesday, Thursday and Saturday at the San Angelo Fair against a team from Brady headed by Lee Dows. Mr. Dows schooled polo ponies in San Angelo in 1911 for Frank Conover and Dick Waring. He is also a fine horseman and one of the best polo players in this part of the country.

The San Angelo team will consist of Fred Roe, Captain and No. 3, Dick Waring, No. 4, back; Len Mertz, No. 1; and Major Alex Jones in charge of the Government stallions in Texas, No. 2.

On alternate days local players, or horsemen who have never played polo but who would like to get a chance to learn the game will be given an opportunity to play. Joe Bevelin, who is in charge of the polo at the fair, is anxious for young men in this part of the country who would like to play to get in communication with him at once so that some matches can be arranged for Wednesday and Friday.

Mallets and balls will be furnished players who will bring in their horses and experienced polo players will be on hand to coach novices and give them instruction in the game. San Angelo is the center of the polo horse market of Texas and should have more polo players. The sport is one of the finest in the world and no country is any better adapted to its play than West Texas. The polo games are attracting the most attention of any sport that will be seen at the Fair this year. Mr. Roe and Mr. Waring are both experienced players and have taken part in some of the best games in this country. Len Mertz was a member of the team of the 7th Cavalry when he was stationed at Ft. Bliss.

HENRY M. HALFF

MIDLAND, TEXAS

"Well! Strong!"

Mrs. Anna Clover, of R. F. D. 5, Winfield, Kans., says: "I began to suffer some months ago with womanly troubles, and I was afraid I was going to get in bed. Each month I suffered with my head, back and sides—a weak, aching, nervous feeling. I began to try medicines as I knew I was getting worse. I did not seem to find the right remedy until someone told me of

CARDUI

#### The Woman's Tonic

I used two bottles before I could see any great change, but after that it was remarkable how much better I got. I am now well and strong. I can recommend Cardui, for it certainly benefited me."

If you have been experimenting on yourself with all kinds of different remedies, better get back to good, old, reliable Cardui, the medicine for women, about which you have always heard, which has helped many thousands of others, and which should help you, too. Ask your neighbor about it; she has probably used it.

For sale everywhere. R. 53

MIDLAND SOCIETY

MISS LYDIE G. WATSON, Editor Phone 88

Miss Jojo Evans will appear in a song and expression recital tomorrow evening at the Methodist church, and the public is cordially invited to attend. Miss Evans is a graduate of the fine arts department of Kid-Key, hence the program which she will render, assisted by Miss Lydie G. Watson, pianist, and Mr. Ned Watson, violinist and cellist, will be a musical event of unusual beauty.

Mrs. George Gray returned Saturday morning from a two months' visit to Los Angeles, Calif., where she was the guest of her daughter, Mrs. Robert O'Connor and family.

Mrs. John Haley returned Wednesday night from Belton and Temple where she was called by the death of her brother, Attorney J. H. Evetts. Many friends join The Reporter in an expression of deepest sympathy to Mrs. Haley and other sorrowing relatives in this hour of their great affliction.

Mrs. Lige Davis left Friday for Ft. Worth to be with her daughter, Mrs. Ben Dublin, who last week was the victim of the unfortunate accident, which resulted in the loss of one of her eyes. It was a terribly unfortunate circumstance and all Midland sorrows with Mrs. Dublin as well as those of the hunting party, which terminated so disastrously.

Mrs. B. P. Harrison left Tuesday afternoon for Ft. Worth for a brief visit before going to Dallas to join her daughter, Mrs. Clyde Barron.

Mr. and Mrs. J. W. Parks left Friday for Clifton, called there by the death of Mr. Parks' niece.

Mrs. C. B. Dunagan left this week for Dallas to visit her daughter, Mrs. Z. E. Wilkins.

Skaggs-Currie The wedding bells jingled on last Saturday evening at 8 o'clock at the residence of Mr. W. H. Skaggs, whose lovely and accomplished daughter, Maurine, was being married to Mr. Henry Currie. In the presence of relatives and a few chosen friends, Rev. I. H. Teel, of the Christian church, spoke impressively the words of the ceremony that united them as husband and wife. Mr. Currie and bride will reside near Rankin, where he is engaged in business. The best wishes of the many friends of this happy couple go with them.

Art Exhibit a Charming Success

Mrs. Liston Dunaway, an artist of exceptional ability, is a recent acquisition to the Midland fine art teachers, and one whom we predict will immediately win recognition. On last Monday afternoon Mrs. Dunaway gave an art exhibit and from 3 till 6 the pretty rooms were thronged with our ladies who were delighted with the exquisite hand painted china and other works of art. Mrs. Dunaway taught in Odessa last winter, thus some of her former pupils assisted her in courtesies Monday afternoon pouring punch, receiving, etc. They were Mesdames W. E. Carter, B. C. Hendricks, F. A. Gibbons, J. T. Cross, A. Q. Cooper, Miss Jewell Ratliff and Mrs. Chas. Goldsmith. These ladies also each had beautiful pieces on display, among which was a complete dinner set painted by Mrs. Goldsmith, and which evoked many expressions of admiration. We are glad to welcome Mrs. Dunaway, and students wishing to study art can see her at her studio in West Midland.

The T. E. L. embroidery club of the Baptist Sunday School were delightfully entertained by Mrs. W. H. Williams and Mrs. Barbara Wall, Friday afternoon, Sept. 29th at the home of Mrs. Wall, 34 being present. The afternoon was spent mostly in conversation and listening to informal talks of the class. Mrs. Hull, who has been our faithful and efficient teacher, expressed her profound regret that this would be her last meeting with the class and desired that they should

CHURCH NOTICES

Presbyterian Church

We are very much pleased at the interest and attendance on the meeting which is being held under the leadership of Dr. A. F. Cunningham. We take it that this is an evidence both of a splendid spirit of co-operation on the part of the Midland people and the blessing of God on our efforts. We regret that circumstances make it impossible to continue the meeting longer than Sunday night, but since this is so we would earnestly urge all concerned to make these remaining services to count for the most.

There will be no services on Saturday. We plan three services for Sunday. The morning service will be held at the Presbyterian church. In the afternoon at 3 o'clock a special service for men will be held at the Methodist church. Dr. Cunningham's subject for this service will be "A True Diagnosis." Every man and boy in Midland is urged to be present at this meeting. If you have doubts as to whether it will be worth while we challenge you to ask those who have been hearing Dr. Cunningham regularly.

On Sunday night the services will be held at the Methodist church and will begin at 7:30 with a song service. At that time the subject will be "The Haven of Rest." We do not have an opportunity every day to hear a man who can so open to us the truth of God's Word as can Dr. Cunningham. Let us use the opportunity to the utmost.

B. K. TENNEY, Pastor.

Methodist Church

Sunday morning the pastor will bring the message on "Jesus the Savior" which it was impossible to bring last Sunday morning. It is to be hoped that there may be a large congregation present to worship God with us. Those of other churches who do not have services are cordially invited

to be with us at any time they can be present. We are glad so many have been attending the Presbyterian revival this week and hope you will attend the other and remaining services. Sunday afternoon in the Methodist church, Dr. Cunningham will speak to men only and Sunday night we will dismiss our regular services and the closing service of the revival will be conducted in the Methodist church at 7:30. Let the house be crowded at these two services.

W. ANGIE SMITH, Pastor.

Christian Church

Sunday School at 9:45 a. m., at which time services for the day will be announced. Attend preaching and Lord's supper at 10:50 a. m.

We will join with others in the evening meeting being conducted by Dr. Cunningham, of the Presbyterian church. Let the day be one of spiritual activities.

I. H. TEEL, Pastor.

Catholic Church

Mass will be on every third Sunday of the month and on the fifth Sunday when there is a fifth Sunday in the month. Beginning of mass at 10 a. m.

Epworth League

Leader—Bernice Norwood. Subject, "The Folly of Procrastination."
