Streamlined body lines, ruggedness fore and aft, a heavier machine that still obtains a phenomenal fuel economy go to make up the new Studebakers now on display at the McDonald Automotive Co.

Restyling and profuse use of stainless steel offer a widening grilled effect for the new Studebaker front, lending the impression of strength and durability.

Flowing down rounded body lines are shining strips on some models while on others the effect is increased by doubling the use of the decorative steel.

Fenders are patterned for beauty and least resistance, and no longer is there any running board worry, for the motorist steps directly to the threshold. The front fenders blend harmoniously into the body lines, and the rear fenders flow out as easily as the front ones disappear.

Bumpers are heavier, more massive, and damage from flying gravel and rock is now blocked by body flange that merges directly into the bumper.

Inspirational Address Given By Odessa Pastor For The El Paso Presbyterial All-Day Meeting

Midland Chosen For 1942 Fall Meeting Place

Electing a new district chairman, naming Midland for the 1942 meeting place, and hearing an inspirational address were features of the afternoon session of the all day meeting of the El Paso Presbyterial, district two, at the First Presbyterian church Thursday.

Mrs. Roy Davis Cole of Colorado City is to be the new district chairman.

The inspirational address was given by the Rev. Thomas D. Murphy of Odessa, chairman of women's work, who spoke on "Making Our Homes Christian."

The Rev. Murphy pointed out that the greatest need in America today is religious instruction of youth. He declared that there is a decline in the number of Sunday school pupils and that it is the duty of each parent to provide children with a religious atmosphere in the home. He said that lack of such instruction was a prime factor in divorce; showing that one in six marriages ends in divorce where there is no church connection for the couple. But only one in a hundred Christian couples sought divorce.

The Odessa pastor urged consistent Christian living and a strict observance of the Sabbath.

A total registration of 60 persons was reported by Mrs. E. C. Boatler in charge of registration. Collection for the day was \$18.08.

Mrs. R. V. Middleton, retiring district chairman, spoke briefly of those with whom she had worked during the two years of the term.

Outstanding achievements of the auxiliaries were given by the presidents including Mrs. Charles Read, Coahoma, Mrs. Nellie Riordan, Colorado City, Mrs. S. L. Baker, Big Spring, Mrs. W. P. Knight, Midland, Mrs. P. D. Petty, Odessa.

The secretary committee's report was given by Mrs. J. J. Mueller of Colorado City.

Roll call by circles on the study book "Why Stand Ye Idle" showed Big Spring ahead with 23 members who had read the book. Midland second with 15, Odessa 13, Coahoma and Colorado City 12 each, making a total of 75.

Mrs. John W. Elliott, Midland, played a piano selection "Roses of October" by Anton Strelezki. The Rev. O. L. Savage had the prayer. Mrs. Pat Kenney played organ preludes in the morning and afternoon sessions.

Morning work was devoted to appointment of committees and a talk by Mrs. Thomas D. Murphy of Odessa on Assembly Wide information.

Highlights And Sidelights Of District Two Convention Held Here Wednesday

MRS. THOMAS D. MURPHY, who was main speaker in the morning session, certainly has a grand platform manner. She tells things simply but with such a manner that everybody is interested in it. Also her sense of humor that pops out every now and then can always keep a group entertained. . . . Presbyterial cake is a new one on us. But it's plenty good. The ladies served it at covered-dish luncheon Thursday. It's devil food with a thick chocolate icing and if you eat more than one piece you are a pig. (was she two!) . . . Whoever robbed their flower gardens certainly did a good job. The church was decorated with all sorts of flowers, as were the luncheon tables. All were in pretty autumn colors that made the church look grand. . . .

LOUIS STIPP, son of Mr. and Mrs. HUBERT STIPP, was the only young gentleman there but he certainly behaved like a grownup. Sat through all the sessions with his mother and wasn't a bit of trouble. . . . Got into a big discussion about the Presbyterian church choir which is being reorganized with Mrs. BRUCE FRAEIER as the director. The ladies are pleading for all and sundry to show up if they can make a note like a note at all. . . .

**The Newspaper's Prize Function
Is Presentation Of The NEWS —
Quickly — Impartially — Completely**

Bill and Anne Palmer live over on Church street in a nice little brick house. They might be people you know, because they're just average folks. They don't play an important part in world affairs, but they're mighty interested in the people who do. They like to keep themselves informed about what's happening where, and why—and they like to know about things that happen—WHEN they happen. So—they read the newspaper.

There's a lot of significance to that. There's a lot of Bill and Anne Palmers in the world and most of them are hungry for news of that world. Naturally they turn to the one source they can depend on, that they've ALWAYS depended on, ever since they were kids. Their newspaper. They KNOW that the prime function of that newspaper is the presentation of the News—quickly, impartially, completely. That's what your newspaper does for you. And it's an important job.
