

Al Groebl Tells Of Differences With Tollett

DALLAS, June 19 (AP)—Albert P. Groebl of Big Spring testified today at the hot oil trial of the Cosden Petroleum corporation and three individuals that he became a director of the company at the solicitation of Raymond L. Tollett, president of the company and one of the defendants, and soon discovered that it was the company's practice to process illegally produced oil.

Groebl testified that he took Tollett to task about it and was informed that Tollett had instructed R. Weldon Thompson, former pipeline superintendent and another defendant, to run an average of 10 to 20 per cent "to make a good showing" for a New York man. Groebl said Tollett referred to another director of the company.

OPA And Owi Face Battle For Funds

WASHINGTON, June 19 (AP)—With some indications of at least partial success, the administration took hasty steps in the senate today toward salvaging the food subsidy program, left hanging on the brink of oblivion by a house revolt against the price rollback.

Acting Democratic Leader Hill of Alabama said strenuous efforts will be made to restore \$35,000,000 in Office of Price Administration funds cut off by the house and to lift a restriction against use of OPA money to finance the administration of subsidy payments.

There was less hope in administration quarters of restoring \$5,500,000 to the Office of War Information budget for OWI's domestic operations, and OWI Director Elmer Davis said he'll quit if the senate concurs with the house in abolishing these home-front activities.

Both Hill and Chairman McKellar of the senate appropriations committee declined to comment on house action to abolish OWI's domestic branch.

Davis told a press conference that if the senate concurs "there will be no OWI, and that is that." "It will be the job of somebody else to take care of whatever they choose to do in foreign information," he said. (The house left \$28,972,000 in the bill for foreign propaganda activities by the agency.)

Some senate Republicans indicated immediately it will be perfectly all right with them if the OWI is abolished. Among them Senator Nye of North Dakota, a member of the appropriations committee, said he supported the house action in trimming OWI and OPA funds.

"I don't think there is any such need to sell the American people this war as the plans of the OWI would seem to indicate," Nye said. As for OPA, Hill told reporters: "We will try to give the OPA what it must have to operate. I think the senate realizes that congress cannot destroy something in time like these without having something better to offer."

REVIEWING THE BIG SPRING WEEK

BY JOE PICKLE

A master post-war roads program, which has been recommended for the county, was outlined here last week by S. J. Treadaway, division highway engineer. It included roads from Big Spring to Snyder, from Big Spring to Gall and from Big Spring to the west county line as well as some lateral road jobs. Since the Garden City road already has been announced, this would touch every part of the county.

Transportation facilities rank high on the list of things which contribute to development of a community; and as a community grows, the country surrounding it increases in value and has its markets expand. Thus, it is possible to be confident that our commissioners court will see that the highway commission is given assurance that Howard county is and will be ready to cooperate.

A district OPA official asked B. F. Robbins, general chairman of local rationing boards, what per cent of the public adopted an unreasonable attitude in its dealings with the boards. "About two per cent," answered Robbins. The official was amazed, declaring the average elsewhere was about 10 per cent. He commented that he had either "a more patriotic citizenry or more diplomatic boards." Maybe he has both.

Newcomers have that distant look when natives talk about "shotgun" showers last week. Perhaps old timers won't mind repeating this explanation: A shotgun shower is the sort that will

ANOTHER COAL STRIKE SPREADING

It'll Spearhead The Invasion Army, Navy Join In Powerful Amphibious Force

WASHINGTON, June 19 (AP)—Organization of a powerful Army-Navy amphibious force which probably would spearhead American troops in any major invasion of Europe was announced today by the Navy department.

The Navy said that one of the objectives of the training program directed by Kirk and Rockwell was to eliminate differences in Army and Navy practices and terminology so completely "that there will be no misunderstanding in an actual operation."

Under the training courses of the amphibious forces, the Navy said, "thousands of naval officers and men have learned to take the newly-designed landing boats, ships and amphibious craft through heavy surf safely to selected beaches; and thousands of toughened Army troops have learned to swarm ashore from the landing craft and race for the beach to establish the spearhead of an Allied invasion."

Airfields In Sicily, Sardinia Smashed; Italy Rumored To Be Making Peace Bids

Reports Say Envoys Are In Algeria

LONDON, June 19 (AP)—Reuters said in a dispatch—wholly unconfirmed by other Allied sources and denied by the Axis—that there were rumors that high Italian peace envoys were in Algiers today as Premier Mussolini called his cabinet into another war conference.

Many Enemy Planes Are Shot Down

ALLIED HEADQUARTERS IN NORTH AFRICA, June 19 (AP)—American war planes, lashing out with their heaviest blows since Pantelleria collapsed June 11, blasted Axis shipping, troops and air fields today.

Official London and Algiers sources declared they had no information on the Reuters report from the French African capital that Crown Prince Umberto, an army group commander, and the deposed Marshal Pietro Badoglio had come to the Allied camp bearing the olive branch.

After 66 Days— Martial Law Lifted For Beaumont

AUSTIN, June 19 (AP)—Acting Governor A. M. Aikin Jr., announced tonight that martial law would be lifted at Beaumont at 10 o'clock tomorrow morning.

Eight American planes were lost as the mighty air arm punched at Mussolini's island fortresses, spreading destruction in Messina and Milo airfield in Sicily, and ripping at shipping, airfields and communications in Sardinia.

CAMP KITCH, June 19 (AP)—A six-wheel hooded truck struck and killed seven enlisted men and injured 15 others when the driver was blinded by dust late yesterday, the public relations office said today.

Impressive Cast Presented In Saroyan's 'The Human Comedy,' Playing At The Ritz

One of the most eagerly awaited productions in Hollywood, William Saroyan's "The Human Comedy," comes to the Ritz Theatre today and Monday with Metro-Goldwyn-Mayer's most impressive cast of the year.

Mickey Rooney, Frank Morgan, James Craig, Marsha Hunt, Fay Bainter, Donna Reed, Van Johnson, Ann Ayars, Dorothy Morris, Henry O'Neil and John Craven are but a portion of the names that highlight Saroyan's first story to be put on celluloid.

Clarence Brown, one of Hollywood's veteran directors, directed and produced. It was he who launched Greta Garbo to fame in "Flesh and the Devil," and later directed her in many of her outstanding films. Brown also has brought to the screen such epochal pictures as "Ah, Wilderness!," "Of Human Hearts" and "Edison the Man."

"The Human Comedy" is a picture to make Hollywood history. A timely story of Americans today. It offers Mickey Rooney an opportunity to run the gamut of dramatic emotions. Mickey laughs. He cries. He rages. He is humorously tender. As if that isn't enough, he sings church hymns. He runs races, as a high school student in a fictional town that could be any city in America.

Joining Rooney with Morgan was a master stroke of casting. There two have joined talents on the screen just once previously—ten years ago in "Broadway to Hollywood." As the picture's romantic leads, James Craig and Marsha Hunt play the finest roles of their careers, which have reached star proportions with recent performances.

Other star-making roles fall to Donna Reed, Van Johnson, Dorothy Morris and John Craven. Of all the young players in Hollywood, none is showing greater promise than these four.

The screenplay was written by Howard Estabrook.

Pur seals annually migrate 6,000 miles.

Human Story—Mickey Rooney, Frank Morgan and James Craig in a scene from William Saroyan's "The Human Comedy," which is featured at the Ritz theatre today and Monday. The book, one of the best-sellers and a Book-of-the-Month Club choice, has been widely hailed as a real story about real people. So, too, has the screen version.

'China Girl' Is Feature At The Queen

A beautiful girl, defying violence and terror, and a daring Yank, flying and fighting for victory, provide an exciting romantic adventure story against a flaming background of war in 20th Century-Fox's "China Girl," which is the feature for today and Monday at the Queen theatre.

Jungle Romance—Tarzan and his lady have moments for romance, even in such adventurous times as those depicted in "Tarzan Triumphs," latest jungle story about the original superman which is at the Lyric today and Monday. Johnny Weissmuller and Frances Gifford are in the leading roles.

Frigid Journey

PHILADELPHIA—A refrigerator car, sealed for 13 days with the temperature at 32 degrees, arrived from California containing: Fifty thousand pounds of potatoes, 12,000 pounds of ice and one pound of cat. The SPCA said the kitten thawed promptly when given a saucer of milk.

Even Tarzan Meets War's Adventures

Combining the thrills of modern warfare and the hazardous existence of the jungle into one film, Producer Sol Lesser introduces an explosive story as the basis of the new film, starring Johnny Weissmuller, "Tarzan Triumphs." The picture is at the Lyric theatre today and Monday.

The famous Edgar Rice Burroughs' character has added worries when he encounters for the first time the complexities of the present day war. German paratroopers invade the jungle to startle Tarzan, who is peace-loving man, and he is slow to realize their intentions until appeasement doesn't work with the Nazis. It is then that he makes war, bringing a rousing story of many climaxes to the screen.

For the first time in many years, Weissmuller is provided with a new leading lady with the assignment of the beautiful Frances Gifford. Her appointment to the part came about as no mere incident. Producer Lesser spent weeks searching for an actress to portray the role of "Zandra," a jungle princess, whose people are enslaved by invaders.

To be beautiful was one requisite for the role, and to be a capable thespian was another. The interpretation also called for the young lady to be of athletic inclination to keep up with the star in his various daredevil routines. Thirty candidates were tested for the role, and oddly enough Miss Gifford was the last of the group.

Draped in a revealing costume, called a "Zandrape" because worn by "Zandra," the heroine went before the cameras to meet with real life thrills almost as true as those pictured on the screen. Her life was saved by a falling arc lamp. . . She dropped from a short precipice in a scene, and her toe was stepped upon by an elephant. By all means, claimed the actress, it was by far the most eventful time of her life.

Johnny Sheffield, who has been seen before as Tarzan, Jr., resumes his role again along with the famous chimpanzee, Cheta, that is part of the inseparable Tarzan family.

This Stops 'Em

DALLAS—Titles are routine on the tenth floor of the Mercantile building which houses many governmental agencies—but visitors still pause when they see this one: Office of Defense Transportation, Division of Railway Transport, Assistant Deputy Associate Director.

Also featured in the film are Alan Baxter, Sig Rumann, Myron McCormick and Bobby Blake, Henry Hathaway directed, while Ben Hecht, who wrote the screenplay, was also the producer.

The length of one degree of longitude along the equator is about 69 miles. About two and a half million trained workers in the U. S. are now turning out combat and cargo planes.

Top Star—An Academy Award winner and one of the top one of whose better roles has been in "This Above All," film story taken from the best-selling novel of wartime England. Tyrone Power is co-starred with her, and the picture is at the State theatre today and Monday.

Hideout—The enemy wants Johnny, but so does FBI! That's the background for this scene with George Montgomery and Lynn Bari, who, with Gene Tierney, are starred in "China Girl," a story of wartime suspense which is the Sunday-Monday feature at the Queen theatre.

Taxpayers Bear Burden Calmly

EDINBURG, June 19, (AP)—After several years at the job Hidalgo County Tax Collector Clay Everhard says the average citizen is pretty philosophical about the necessity of paying his taxes.

Out of about 65,000 persons in the county who pay some kind of tax, only about 500 of them have questioned their assessment throughout his administration of two terms, says Everhard. A few of them go into mild hysterics each time the word "tax" is mentioned, but on the whole the folks take it humorously. Everhard cited this letter just received: "I got your letter about what I owe you. Please be patient. I ain't forget you. As soon as some fools pay me, I pay you."

Increased Demand For Westex Oil Seen As A Certainty

This Section Must Help Meet Needs Of War Program

By BRACK CURRY
Associated Press Staff

Texas' oil wells will be flowing 2,000,000 barrels daily of petroleum products by the beginning of 1944 with most of the margin between current production and that figure coming from West Texas.

This is the inevitable conclusion arising from recent oil developments in Texas and in the nation.

Soaring crude requirements for domestic, export and war purposes have forced an upward revision of all previous estimates of demand upon Texas producing areas in the third quarter of this year and in the first quarter of 1944.

At The Churches—Rev. Moore To Give Special Sermon Series

The Rev. James E. Moore, pastor of the First Presbyterian church announces a series of sermons to start Sunday morning with the general subject as "A Good God and the Fact of Human Suffering."

The sermons have been prepared as pre-communion addresses which will be given Sunday and at services June 27.

This morning the Rev. Moore will speak on "The Fact of Human Suffering" and topic for the evening address will be "The Necessity of Human Suffering."

The third of his sermons will be given at services next Sunday entitled, "The Positive and Creative Forces of Human Suffering." The concluding address which will be given next Sunday evening will be "How to Suffer Victoriously."

Father's Day services will be observed this morning at the First Methodist church with the pastor, the Rev. H. Clyde Smith, delivering his sermon which was taken from Phil's words, "Behold the Man."

The choir will sing "Let Mount Zion Rejoice," with H. G. Keaton presenting the tenor solo part.

Dr. C. A. Long, district superintendent will be in charge of evening services, conducting a quarterly conference.

"Is the Universe, Including Man, Evolved by Atomic Forces?" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, June 20.

The Golden Text is: "To us there is but one God, the Father, of whom are all things, and we in him" (1 Corinthians 8:6).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "By the word of the Lord were the heavens made; and all the host of them by the breath of his mouth" (Psalms 33:6).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Infinite Mind creates and governs all, from the mental molecule to infinity" (page 507).

Says Russia Will Not Listen To Talk Of Separate Peace

MELBOURNE, June 19. (AP)—There is no question of Russia seeking a separate peace, declared Australian Minister to Russia William Slater today following his return from the Soviet Union.

The Russian people's morale is the highest in the world, he said.

The Australian diplomat thought an estimate of 4,000,000 Russian troops killed or wounded in the two year war with Germany probably was correct.

Another Soldier Expresses Thanks For Red Cross 'Dufflebag' Gifts

The evidence piles up to show how valuable are those little gift kits that the Red Cross makes up and sends to troops on the move and at foreign bases.

Many a letter comes from soldiers, expressing real appreciation for the gifts. Latest to reach the Howard-Glasscock chapter comes from a West Texan—T/S Oscar Williams, who is "somewhere in Central Africa." Williams' home is at Fort Stockton, and he has been a visitor in Big Spring. His letter follows:

Templeton Will Serve As 32nd Dist. Attorney

COLORADO CITY, June 19. (AP)—Appointment of Benton Templeton of Colorado City as special district attorney to finish out the unexpired term of Truett Barber, lieutenant (JG), USNR, has been announced by Barber. Under appointment by Barber, ratified by the district court, Templeton will take over the office when Barber leaves for active duty.

"By my filling a written waiver of salary and emoluments of office with the state comptroller of public accounts," Barber's statement said, "Mr. Templeton's services will be wholly without additional cost to the state." The 32nd judicial district is made of Mitchell, Nolan, Borden and Scurry counties.

Templeton is a former county clerk and a county judge of Mitchell county and has recently moved back to Colorado City after having served three years as trial examiner, motor transportation division, of the Railroad commission of Texas. Since his return he has been associated with Charles C. Thompson in the private practice of law.

Simultaneous War On Japs Revealed By Lloyd George

LONDON, June 19. (AP)—David Lloyd George, British prime minister in World War I, declared today that the Washington strategy conference had decided that "the war against Japan should be carried on simultaneously with that against Germany," reversing the Casablanca decision to concentrate upon Germany first.

The Washington decision "means more shipping," he said. "The demands upon our shipping will be—I will not say doubled—but increased."

Lloyd George said "the Americans, who are building far more than we are, will need their ships in the Pacific. We will need ours for Burma."

78th And 365th Teams Add Second Victories In Softball Chase

Both the 78th and the 365th aggregations kept up their winning ways in Friday's games in the AAFBS softball league, which has just swung into second half play. Thanks to a seventh-inning homer by Waller, the 78th salted away a 2-3 decision over the 1047th guard squadron, while the lads of the 365th banged Melcher for nine hits to beat the Medical detachment 5-1.

In the day's other tilt the North Maintenance was awarded a forfeit decision over the South Maintenance. This kept the North boys in the 1,000 class also, along with the 2022nd, the 75th and the 365th.

Waller, who just now is pacing the loop in hitting, rang up three bingles, his seventh-frame homer accounting for the 78th's win. Barley tabbed two hits for the 78th as did Hunter for the guardsmen. The line score:

R H E		
78th	001 010 1 3 3 4	
1047th	100 100 0 2 4 4	

Goltz and Ramsey; Harrell and Johnson.

Smith, twirler for the 365th, accounted for his tenth straight win (including first half games) in holding the Medicos to two blows. The loss was the second out of while his mates were winning—two for the medical detachment. Durham and Millard each tabbed two hits for the winners, one of Durham's being for four bases. Destel and Riesenman got the hits for the Medics. The line score:

R H E		
Medical	010 000 0 1 2 2	
365th	002 003 3 5 9 2	
Medical	010 000 0 1 3 2	
and Durham	

It was just a practice game between the 2022nd ordnance group and the 369th softballers Friday night, but it was a real test for Cpl. Leonard Hider of the 2022nd, because he came through with a no-hitter. The ordnance boys walked away with the game, 9-0. They have played two league games in the second half without a loss.

Big Purses Ahead For Count Fleet

CHICAGO, June 19 (AP)—If Count Fleet shakes off his ankle injury, he should have a good chance of shattering horse racing precedent during the combined Arlington-Washington 67-day meeting—the richest season in Chicago history, with purse and stakes distributions totaling \$1,500,000.

Winner of the Kentucky Derby, Preakness and Belmont Stakes, the Herts hurricane will try to become the first "triple crown" champion in history to sweep the \$80,000 Arlington classic July 14 and the \$80,000 American Derby Aug. 28.

Even Whirlaway failed to accomplish the grand slam in racing that the Count will be attempting. The Calumet Comet came to Chicago in 1941 wearing the "triple crown," but Attention beat him in the Arlington classic. Whirly, however, came back to capture the American Derby.

Gallant Fox in 1930 and his son, Omaha, in 1935 won the classic after taking the "triple crown," but they did not start in the Derby.

PHILADELPHIA, June 19 (AP)—Jeff Heath's home run started a four-run tenth inning that gave the Cleveland Indians a 10 to 8 overtime victory over the Chicago White Sox in the second game of a doubleheader today after they won the opener 5 to 4. The double triumph boosted them to a tie for third place.

PHILADELPHIA, June 19 (AP)—The second-place Washington Senators made it two in a row against the Philadelphia Athletics today, winning 6 to 3 despite Bobby Estelle's homer with none on in the fourth—his fourth circuit blow of the season and second in two consecutive games.

DETROIT, June 19 (AP)—A sharp single to left field by Roger Cramer in the twelfth inning scored Paul Richards from third and enabled the Detroit Tigers to nose out the St. Louis Browns, 4 to 3, today and even their series at a game apiece.

DETROIT, June 19 (AP)—The New York Giants clustered three runs in the third inning and two more in the seventh today to beat the Boston Braves 5 to 3 with old Carl Hubbell taking credit for his third straight triumph although he failed to finish.

Indians Climb To A Tie For Third Place

NEW YORK, June 19 (AP)—The New York Yankees beat the Boston Red Sox 2 to 1 today, but they had to go 12 innings in the longest game of the year in Yankee stadium, before Rolfe Hemsley's single with the bases loaded finally decided the struggle.

In the top half of the ninth an error by Third Baseman Bill Johnson let in a Boston run and in the last half of the same inning the Yankees tied the score as Judd, who had been wild throughout the game, lost complete control.

With one out he walked Joe Gordon and Johnson in succession and served another wide pitch to Frank Crosetti, batting for Chandler. Mike Ryba replaced Judd and gave an infield single to lead the bases, then pinchhitter Ken Sears raised a fly that brought home the tying run.

Ryba and Johnny Murphy pitched stoutly till the last of the 12th when, again with one out, Charley Keller walked, John Lindell singled, Nick Eiten was passed purposely and Hemsley broke up the game.

Mort Cooper Wins 9th Of Season As Cards Edge Chicago Cubs

ST. LOUIS, June 19 (AP)—Morton Cooper, the Cardinals' "stop" pitcher, broke the world champions' 3-game losing streak today and won his ninth victory of the season, against three defeats, beating the Chicago Cubs, 4 to 2.

The triumph enabled the Cardinals to retain their 3-game National League lead over the Brooklyn Dodgers.

Cooper had a bad time of it in the fourth inning when the Cubs scored their brace of runs on four of their nine hits, but Stan Musial, Danny Litwhiler and Whitely Kurovski came to his rescue with potent stickwork.

Phil Cavarretta opened the Cubs' scoring frame with a single but was out down trying for second. Billy Nicholson struck out but then Cooper was staggered by Lou Novotny's double, Len Merullo's single and Harry Lowrey's triple.

Musial doubled and Litwhiler singled off Bill Lee for a Cardinal run in the sixth inning and the same combination clicked off the tying tally in the eighth. Lee, who had granted eight hits, was yanked and was replaced by Henry Wynn, but Walker Cooper beat out an infield single and Kurovski doubled for two more runs.

Gil Dodds Keeps Crown In National AAU 1500 Meter

Gunder Haegg To Appear In Meet Today

NEW YORK, June 19 (AP)—By way of warming up Randall Island cinder path for Gunder Haegg's Swedish sizzling tomorrow, Gil Dodds of Boston danced in with the National A. A. U. 1,500-meter championship today and California's contenders dominated the junior title competition.

Proving that there actually were some other fireworks to be set off in this two-day National A. A. U. meet besides the American debut of the swift Swede, Dodds turned in a snappy metric mile of 3:50 and successfully defended his crown by 30 yards.

Helping him along in demonstrating that Gunder's thunder in tomorrow's 5,000-meter dual with Gregg Rice wasn't the only noise in this party, two of the juniors gave the record books a going over for the entertainment of the 1,000 or so fans in the municipal stadium on this East River island.

One of these was the junior pole-vault standard, which was raised to 13 feet, 10 7/8 inches by Ivy Moore of the San Francisco Olympic club, as he brought home one of the six championships Californians captured during the day. The other was a 20.9 second dash for the 200-meter sprint, posted by George Guida, Villanova college's crack speedster and which lopped one tenth of a second off the old mark.

In addition to their half-dozen championships—three on the track and three a-field—the invading Californians also hit for six second places.

However, the icing on the cake today was the 1,500 meters, and in this one Dodds was the whole show, especially when his expected tussle with Don Burnham failed to materialize. Dartmouth Don, who has been working out with Haegg in the New Hampshire hills, wound up a well-walloped last.

War Production Must Be Stepped Up, Officials Assert

Ford Foremen Leave Jobs

DETROIT, June 19. (AP)—More than 500 Ford Rouge plant foremen, members of the Ford chapter of the Foremen's Association of America, walked out today and the question immediately arose whether their action would disrupt war production in the huge plant.

The dispute started, a company spokesman said, early this afternoon when several foremen posted an ad which appeared in a Detroit morning newspaper. The company asked them to remove the ad, and 28 foremen walked out in protest.

Foremen on succeeding shifts also refused to work, the walk-out reaching its height when 200 foremen in aircraft engine production failed to report.

Whether a walkout of foremen would stop production remained to be seen, but the question was whether production workers who are members of the United Automobile Workers—CIO—would go through a picket line should it be established by the foremen.

The walkout was unauthorized, a foreman's union spokesman said, adding that a meeting of the union was scheduled for tomorrow morning in Dearborn.

The advertisement placed in the paper was captioned, "we do not want to strike," but asked the question as to how long the group would be able to keep the members from striking unless the company agreed to accept the union's interpretation of wage clauses in an agreement.

Complacency Assailed By Patterson

WASHINGTON, June 19. (AP)—Undersecretary of War Patterson and War Production Board officials agreed today that the U. S. needs accelerated war production, but differed on the meaning of recent output figures.

Patterson, criticizing both labor and management for "over-confidence and complacency," declared production of supplies for the army ground forces fell 5 1/2 per cent below actual needs in May, or 3 1/2 per cent under April's output.

The WPB spokesman replied that overall arms production went up an estimated 2 per cent last month, and ground forces production is only about a sixth of the total. Concurring with Patterson's assertion that a great acceleration must be achieved if the nation is to exploit its military victories, he observed that it is erroneous to suppose the entire war production effort has suffered a relapse.

WPB Chairman Donald M. Nelson declined comment on Patterson's press conference statement, but a WPB official talked to reporters. He said the army ground forces program—which includes tanks, military, small arms and ammunition, signal equipment and other items—is only about one-sixth of the total war program, and happens to be the area in which the largest deliberate "cut backs" in production were ordered.

As a whole, production for May, on the basis of tentative figures, appears to be up about two per cent over the previous month, he asserted. This includes not only weapons and supplies for the ground forces, but also the navy, the air forces, maritime commission, and lend-lease. The spokesman noted that in some cases production had been cut back so that May production schedules were deliberately held beneath the actual output in April.

Recent WPB production reports have emphasized that the program is reaching the point where successive increases are harder and harder to achieve. Manufacture of artillery, WPB said, hit a greater volume in April than is scheduled for any month this year or next.

Patterson declared: "Management and labor must deliver the supplies on schedule and as planned, or the opportunity to exploit military successes will be lost."

He asserted production of all materials, except aircraft and radio equipment for ground forces, declined 3 1/2 per cent in May.

Patterson remarked, however, that aircraft manufacture increased 40 per cent in May compared with January, to a total of 7,000 army and navy planes.

He said production lapses mean that men in training camps will be

Women Leading Revival At The Church Of God

Evangelists Edith Little and Claudia Asher of Fort Worth are leading in a revival meeting at the Church of God, W. 4th and Galveston streets.

Mrs. Little, an experienced worker among children, has special services daily before the evening preaching for children and conducts Bible lessons and singing.

One of her leading messages of the week will come on Thursday evening when she will speak on "From Heaven to Hell and Back Again," telling how she recovered from a "writting illness by the mighty hand of God," after she had been given up to die. Among other subjects from which she will speak are: "The Trail of the Serpent," "America's Coming Dictator," "When the Songs Gone," "Escaping Iron Bars," and "Standing before God." Sunday evening she directs a costumed pantomime, "The Old Rugged Cross."

Miss Asher, who is blind, sings nightly, furnishing her own accompaniment on the accordion. She also preaches and on the evening she speaks, bookmarks of Braille, such as her special Bible, will be given to those who attend. Because of the limited size of the church building, the pastor, the Rev. G. G. Asher, urged those who plan to attend to come early.

AAFBS To Graduate Its Tenth Class On Thursday

Another group of crack bombardiers—the tenth thus far—will be loosed against the axis Thursday, when class 43-9 graduates from the Big Spring bombardier school. And 34 states have contributed to the Hitler-Hirohito headache this time.

Graduation exercises will be held at the post theatre at 9:30 a. m. Thursday, and all those cadets who have survived the rigorous 12 weeks training period will win their appointments

as flying officers and receive their silver wings from Col. Robert W. Warren, commandant of the school.

Principal speaker will be the father of one of the class members, Harry H. Tamplin of Troy, Ohio, Mr. Tamplin, a real estate and insurance broker, wins recognition as a typical American father touched by war. He has lost one son in combat, and now sends this other son into aerial battles in the cause of victory.

Mr. Tamplin arrived here Saturday evening, to be with his son on Father's Day.

Statistics on the class 43-9 show that the average age of the cadet is 23 years; average military service prior to becoming a cadet is 13 months; average service as a cadet is 5 months; of 56 college-trained cadets, the average time spent in college is 2 years; of the 5 cadets with civilian pilot training, the average flying time is 8 hours, and of the 23 cadets with military pilot training, the average flying time is 16 hours. 10 of the latter have soloed for an average of 14 hours.

Three From County Leave Monday For Nurse Training

Three young women from Howard county are leaving Monday to enter nurse's training, answering one of the pressing calls of their country which is desperately short of nursing talent both for civilian and military needs.

They are Bertie Mary Smith, daughter of Mr. and Mrs. Albert Smith, and Frances Allen, daughter of Mr. and Mrs. C. H. Allen, both of Big Spring; and Velma

Ruth Woodson of Coahoma. They will enter training at Hendrick Memorial Hospital in Abilene. Miss Allen and Miss Woodson are attending under Texas Federation of Women's Clubs scholarships.

Mrs. J. E. Hogan, director of nurse recruiting for this district of the TFWC, is anxious to talk to any young woman interested in nurse's training.

Catrina Nunes has been picked up by the constable's department on felony charges of "willfully failing to support wife and children."

Police Friday arrested William Gallaher for Odessa officers on theft charges. Saturday they had word from Phoenix, Ariz., that the man was wanted there on a felony charge of rape.

"Du Barry Was A Lady"
MGM presents Red Skelton, Lucille Ball and Gene Kelly in a Technicolor musical comedy with Virginia O'Brien, Rags Ragland and Tommy Dorsey and his orchestra.

Red, a checkroom attendant is in love with Lucille a singer in the club, but so is Gene and their grievances are many.

Red wins a lot of money in the sweepstakes and plans to marry Lucille much to Virginia's disappointment who loves him.

Wounded cold at the engagement party, he dreams that he is King Louis XV and Lucille, his mistress Madame Du Barry.

In court he hears that Gene is leading a revolution against him in an effort to take Du Barry away from him and hang him.

Gene is captured, sentenced to the guillotine, but Du Barry pleads for his release. Awakening he turns to Virginia's arms.

Meet the Stars With Luis Rosado

Rod Cameron is the personification of the strong silent man, the type that girls always dream about. But that sterling personality has not been able to be put to full use on the screen, although he has appeared in several pictures. But his type never gives up, instead they keep punching, until eventually the break comes his way. So tired of being on the sidelines, Rod asked for and received his release from the studio where he was under contract. Since then, he has been spotted in pictures where his talent finds the proper expression.

"This fighting sequence reminds me when I was playing basketball," he said when he joined me after the scene was over. "You keep bouncing that ball until you finally get in the basket for a score. The idea is to get rid of your interference and then get ready for the kill. It's the same thing." Such wasn't the case in his first motion picture, I guess he was the one playing interference, since when he went to see his work in "The Old Maid," his role had found its way to the cutting room floor. However, that didn't discourage him. He was going to carry the ball—and he was going to score. He was through running interference. He got a term contract with a major studio, but it didn't prove anything. He was willing to learn, but he also wanted to put his learning into practice. The only practice he got was when the studio wanted to test someone for a role, Rod was called in to stooge. Then he was given a few small roles which never amounted to much. Several other studios recognized talent in him and borrowed him for bigger roles. He made good in these roles—among them "The Kansan."

After he received his release from his studio, Rod found himself deluged with offers to sign contracts with other studios. He tried to reason with himself about such offers. A contract, as far as he was concerned wasn't a guarantee of steady work and that was what he wanted. Then Harry Sherman for whom he had made several pictures, made him an offer. He is to make so many pictures a year for him for a period of five years. That's the kind of a guarantee Rod was looking for, and without hesitation signed the contract. His first assignment will be "Wherever the Grass Grows," in which Rod will continue his upward climb.

So, it looks as though Rod is through running interference and will carry the ball, get it into the basket and score. His present role is just the beginning—watch him add score after score, as soon as the opportunity is given him. And it looks as though it's here.

The highbrow complications of advanced psychology are reduced to pantywaist plausibility in the unreeling of any Western film. Without exception every blood and thunder outdoor epic has one "good guy" and a girl with a heart of gold. This simplification of the stuff of life has done more to make Junior appreciate the business of living than all the First Readers piled from here to the moon.

Some day soon some guy will take the trouble of making a comprehensive survey of cowboy thrillers. The chances are that he'll find them to be, not only the biggest money-makers in the business but also of invaluable aid in the launching of young America's education. Junior can more quickly understand why the good guy shoots the bad guy than the story of the birds and the bees. And with the world in wild confusion. It's much more important for Junior to know about good guys than to know about birds and bees.

It's been sometime since gray-thatched, movie-wise Harry Sherman discovered that telling Junior about good and bad guys was a most profitable pastime. Sherman turns out horse-operas with the ease and regularity that most people assume in brushing their transparent dentures.

At the moment, Sherman is mixing, in high and mighty manner, the good guy, the bad guy, and the girl with the heart of gold for a super-colossal thriller called "The Gunmaster." Albert Dekker, Clare Trevor and Barry Sullivan play the top roles in the famous true story of Marshall Bat Masterson of Dodge City and his fight with King Kennedy, the cattle rustler.

In the scene we watched, Dekker shoots and kills one of the bad guys. But first Sherman is very careful to establish the dark character of the victim. This shady guy is shown knocking off a defenseless sheriff in cold blood. Junior is now satisfied that this gunman is "bad" and will soon get his "just due" which he does as soon as Dekker's guns start blazing. Come to think of it, Sherman runs a Sunday school on a national scale and in a manner most painless to Junior. He establishes "right" from "wrong" and glorifies the strong arm of the law.

The Parents-Teachers Association owes Harry Sherman more than a note of thanks. They should arrange to have him awarded a doctor of humane letters for having simplified advanced psychology and having made Junior a man long before his time.

Freddy Marjorie Reynolds supplies Bing Crosby with romantic ideas in Paramount's "Dixie."

Rita Hayworth is the typical girl to adorn any cover, as you will see in "Cover Girl," her next picture for Columbia.

Reviews of Previews

The autograph hunters are among the phenomena of Hollywood. At film premieres, at footlight first nights, at the Hollywood American Legion prize-fights, and wherever the film stars are to be found, so also are to be found the signature seekers, swarming in the lobbies and along the aisles.

They are, in a way, a great bother. But they are a sign of success, and the biggest of stars pay them respect accordingly. They are, Hollywood has long since decided, well worth the trouble. Anyway, Hollywood has just got back at them for any inconvenience they may have caused by making a picture about them. The picture is "The Youngest Profession," produced by Metro-Goldwyn-Mayer. The main acting assignments are handled by two youngsters, Virginia Weidler and Jean Porter, playing the parts of autograph fans. But the cast is packed with full-fledged stars, making guest appearances. Among them are Greer Garson, Walter Pidgeon, and William Powell.

The story begins when the youngsters are assigned by their fan club, "The Guiding Stars," to form a reception committee for the arrival in their town of Miss Garson. Not only do they see their idol, but they have tea with her, and they meet Walter Pidgeon. Young Miss Weidler's ecstasy is short-lived, however, because she has soon got herself involved in what she is mistakenly led to believe is a romance between her father, as played by Edward Arnold, and his secretary, as played by Ann Ayars. But before the daughter can act upon a determination to run away and join the Salvation Army, domestic tranquility has been restored — and William Powell has been discovered staying in the apartment next door!

From the critical viewpoint, "The Youngest Profession" is brightly and refreshingly played. And if all the autograph fans go to see it, it will be, from the commercial viewpoint, an outstanding box-office success.

"The Leopard Man" is another of the exceptionally well produced thrill films from the RKO-Radio studios. The plot begins when Dennis O'Keefe, in the role of a press agent, provides his actress-client, as played by Jean Brooks, with a black leopard to use as a pet for publicity purposes. The leopard turns out to be not so tame as advertised. A young girl is killed, and a maniac is set loose on a series of crimes. The press agent finally solves the crimes to make amends for the trouble he has started. James Bell, Isabel Jewell, Margaret Landry, and the Latin dancer, Margo, are in the cast.

Warner Baxter, long-time veteran of Hollywood movies, is back at work on the screen after several so-called "retirements." His return vehicle, this time, is Columbia's "Crime Doctor," with Baxter enacting the principal role in an adaptation of the radio mystery stories. Margaret Lindsay, John Lital, and Ray Collins are supporting players.

SHORT FOR EVENING

Long evening gowns are completely a thing of the past as far as Hollywood is concerned. I saw Barbara Stanwyck at Ciro's last week with hubby, Robert Taylor, and she was just one of the multitude wearing short evening dresses.

Barbara's dress, adapted from a gown she wears in her new picture "For All We Know" was of black crepe with a sheer yoke at the top. The yoke was outlined with bright Roman striped taffeta, highlighted with matching sequins on the stripes. Her companion cape was a three-quarter black fallie lined with the same bright Roman striped fabric. A tiny black hat, sprinkled with colorful sequins to match the dress, completed her costume.

Anna Gwynne was also decked out in a new outfit when she showed up at Ciro's with film director Arthur Lubin. Anna was wearing a charming short after-dark dress designed especially for her by Universal stylist, Vera West. The material was a synthetic crepe in Anna's favorite shade of soft grey blue. The fullness of the skirt was brought to the front in a looped drape effect almost resembling a bow knot. The moulded bodice had a low yoke of nude soufflé, outlined with flower petals of self material in a lei effect. The actress wore slaty blue veiling, dotted with blue sequins, over her hair and repeated the same sequin motif on her matching long blue suede gloves.

Another interesting fashion item picked up on what the Hollywood stars wear to go night clubbing was that tailored suits worn with high heeled pumps and either colorful flower bedecked smocks, or no hats at all in the style spotlight. Rita Hayworth, beautee by Orson Welles (watch this twosome) sat right next to me, and Rita's lovely reddish brown hair arranged in a long bob provided a charming contrast for her light blue gardenia suit. Rita's accessories included crepe blouse, gloves, suede shoes and handbag in the exact brown shade as her hair.

Traveling down to the Philharmonic Auditorium where the Los Angeles Civic Light Opera Season is presenting a two months' season of gay operetta, I discovered that the "short" evening dress was also very much in evidence. In fact, one evening both Ann Miller and Claire Trevor vied for the "best dressed woman" honor. Both wore short evening dresses. Ann's was of pale blue with a purple flower splashed over one shoulder. Her accessories were purple. Claire chose sophisticated black. Her dress was a beautifully draped model with short sleeves and a decollete neckline. Incidentally both stars are appearing in new Columbia pictures, Claire in "Right Guy" and Ann is completing "What's Buzkin, Cousin."

Q. Miss Geraldine Hilton, Shawnee, Okla.: I would like a brief biography of Barry Nelson.

A. Barry Nelson was born Robert Neilson in Oakland, California, on April 16, the son of Trygve and Betsey Neilson. He was educated in Oakland and high schools and went to the University of California.

He is six feet one inch tall, weighs 155 pounds, has brown hair and blue eyes. First he played in high school plays and later in the Cavalcade of the Golden West at the San Francisco Exposition, and Macbeth at college where he was discovered by a talent scout. Until that time he had intended to become a psychiatrist. His first picture was Shadow of the Thin Man opposite Donna Reed. He next appeared in the dramatic "Johnny Eager" with Robert Taylor and Lana Turner. Some of his other pictures are "Dr. Kildare's Victory," "A Yank on the Burma Road," "Rio Rita," and "The Human Comedy." He lives in Hollywood with his parents (he is unmarried). He is now under contract with Metro-Goldwyn-Mayer studios.

Q. Don Richmond, Box 78, Fontana, Calif.: Has Tim Holt given up pictures for good? Where can I get a picture of him? Where can I write to him care RKO Studios, Hollywood, Calif., and request a picture of him. Use the same address to write to Bonita Granville.

A. Tim Holt has given up pictures for the duration, but not for good. He is in the Army now, but you can write to him care RKO Studios, Hollywood, Calif., and request a picture of him. Use the same address to write to Bonita Granville.

The Bill Lundigan-Martha O'Driscoll romance is no more... and Bill's steady gal is Marguerite Chapman who won't have him much longer. Because Lundigan will be a Marine by the time you read this... Sgt. Joe Louis will give boxing shows at a lot of Camps, the moment "This is the Army" is finished... The Fox studio is doing a little arguing with Dorothy McGuire, for whom stardom is predicted when "Claudia" (just completed) reaches the theatres. Seems the studio wants Dorothy to have a house, a car, a servant and to wear dresses. SHE wants a small apartment, no servant—and to wear slacks. So far, no decision... Hit-parader Jean Edwards is going to get a build-up just like Giney Simons and Dinah Shore got in their boost to bigger and better things... Her that both Mary Martin and her husband, Richard Halliday dropped a lot of their own money when Mary's show, "Dancing in the Streets" folded before hitting Broadway...

It's Lee Bowman's story. About the fellow who said to his gal, "Since I've been having dates with you I can't sleep, I can't eat, I can't drink!"

"Why not?" asked his sweetie-pie.

And he answered, "Because I got no money!"

It's a big radio executive that Bonita Granville is seeing in her dreams... Love Joe Lewises crack about a certain movie queen, viz: "She'd never live to be as old as she looks"... Hit-parader the space to tell you just how much Kay Kyser has contributed toward the War Effort. He merits a medal from every branch of the Armed Forces... Did you know that Rita Hayworth, Orson Welles and Joe Cotten have been doing a "Magic" Act together around the various camps for the entertainment of the soldiers? Orson does the tricks, with Rita and Joe acting as "stooges"... There's a very prominent and very rich gal forgoing badly over the Betty Lamour-Capt. Bill Howard nuptials... Over at Paramount the other night, they showed "Desert Victory" to about a hundred employees—for no special reason except that they had expressed a desire to see it. Next morning, thirty of the audience called in and doubted the War Bond purchases they had pledged the day before!... Arleen Whelan, who left Hollywood because the going was tough, is now absolutely the toast of Broadway—where she has made a hit in the show, "Doughgirls." You can bet she'll be brought back here for much more in the way of salary than she had ever hoped to get before. Same old story... Dolores Moran says the reason she doesn't go out with Hollywood wolves, is because she "can read between the lies!"

What a combination! Charles Boyer, the Ritz Brothers and Dick Powell, doing a round of the night-spots together... They may deny it—but nobody would be the least bit surprised if Gail Patrick and Freeman Gosden were secretly one... Jack Carson has dropped thirty pounds. A combination of the fit—and boxing with Minsky Callahan... Eleanor Powell is now handling all of Glen Ford's fan-mail for him while he's in the Marines... Director King Vidor, now making "America" one of the biggest pictures in his career, has also written a song for it which will be used in the film itself. Called, "Lord, Send Down Your Love"... Susan Hayward, back in Hollywood. Left a big Argentine beef Patrick very lonesome in N. Y... The March of Time filmed a lot of scenes at the Hollywood Canteen, as part of their "Hollywood at War" film. All the "regulars" who work there week in and week out, were on hand—including Hedy Lamour, Joan Leslie, Fred McMurtry, Basil Rathbone, Marcia Hunt, Olivia di Havilland, Dinah Shore, Anne Shirley—and oh—so many more...

A bunch of the boys were sitting around in a local tavern the other night, talking about and longing for "the old days." Bert Lahr almost broke into tears reminiscing about a vaudeville act he did years ago, "It was a very funny act," said Bert. "I'll never forget when we played Terre Haute—and me wearing a big putty nose..."

"Yeah," interrupted Groucho Marx,—"and it's about time you took it off, too!"

Of course everyone knows how Betty Hutton "knocks herself out" when she sings a song—such energy! She's that way at parties, too—and will burst into music at the drop of a hat—or even just the drop of a suggestion. Watching her one evening just before he went away, Bob Hope cracked, "Boy—if that gal had wings and a propeller—Hitler wouldn't have a chance!"

Tony Martin has been transferred to the Air Corps Gunnery School at Yale University. Which is where they send the better soldiers... Eddie Bracken may soon have a coast-to-coast radio show of his own... Janet Blair just got a new contract at Columbia—with a big salary boost... Ensign John Howard, in Hollywood for a few days furlough. He's been put in charge of a mine-sweeper... Modesty note: When Jimmy Stewart first went to Gowan Field, Idaho, they gave him the usual questionnaire to fill out. Alongside the question which asked his occupation, Jimmy wrote, "Actor!"

Gail Russell is Paramount Studio's newest star bet. She adds to her future status in the picture "Uninvited."

Scouts Close Week Of Camp

Big Spring district Boy Scouts terminated a successful week of camping in the city park extension area Saturday with most of the 35 attending earning a leather neckerchief as a camp emblem.

Practically all advanced in rank or earned a merit badge, said E. D. Norris, field executive, who was in charge. Moreover, there was considerable interest in marksmanship, life-saving and swimming and handicraft. The food was good and plentiful, added Norris.

Friday evening three boys were elected to the Order of the Arrow, national camping fraternity, and will be initiated later. Saturday at noon presentation ceremonies were held for camp emblems and all scouts, regardless of whether they were with units doing their own cooking, were guests of the camp. A few Cubs were special guests.

Troop No. 1 was announced as the camping winner with troop No. 4 ranking second. Competition in this division was so keen, said Norris, that some troops moved their sites three or four times.

Scouts presented S/Sgt. Grady Simpson, who was camp cook with a knife sheath, a camp emblem and a resounding cheer. Norris was assisted in operation of the camp by Don Betts, Odessa, field scout executive.

Band Rehearsals Start This Week

Summer band rehearsals and classes will get underway this week, starting with registration at 10 a. m. Monday, Dan Conley, director announced.

He urged all members of the high school, the junior high school and the beginners band to register and asked that any youngster who wanted to learn to play in the band also register.

Approximately 20 Junior high band members graduated into high school at the end of May. In addition there are from 10 to 15 grade school students in the beginners band and 25 to 30 returning high school band members.

Later there will be classes for the reeds, brass section, percussion instruments and possibly still others in drum majoring and in marching, said Conley.

The summer band season has been delayed pending the completion of most of Vacation Bible schools, according to Conley, since many of the players were participating.

County's Tire Quota Due To Be Lower For Months

Howard county, which got along on 55 per cent of its tire needs during May, will have to manage on about 32 per cent in June and possibly even less in July.

This was the conclusion to be drawn on the basis of statements by Sonora Murphy, chief clerk of the local rationing board. It was given emphasis only last week by a joint meeting of the tire panel, headed by Sam Eason, and the gasoline panel, headed by Sam Goldman, together with B. F. Robbins, general chairman, and Walter Wilson, Lubbock, assistant district rationing officer.

The condition is general, Wilson told board members, and prospects are that the public will have to get along for many months yet on fewer and fewer tires.

Miss Murphy said that last month the board was able to service roughly 55 per cent of the grade one applications. The quota has been cut in half for June, yet the demand, if anything, has increased. Granting it holds steady, the percentage of certificates will be only about 32 per cent.

Robbins emphasized the necessity of getting along on the absolute minimum of driving. Although none made a statement to

Crop Goals Will Be Met In Area If Weather Permits

Farmers over the 20 counties in district No. 6-north are going to over produce on their war crops if they get an even break on the weather, A. H. Jeffries, AAA field representative, said here Friday.

Cotton production may be a little below normal due to the unseasonal weather in much of the district, but there is still considerable planting of this standard crop.

There will be the heaviest grain yield that the area has ever known, Jeffries predicted. Moreover, where the cotton acreage is dropping, peanut acreage is increasing in a large number of the counties.

This is not true in Howard county, said M. Weaver, administrative assistant, for farmers are electing to go the grain sorghum route.

Cane is practically disappearing from the picture here this year as farmers swing to legira which many favor as fodder over cane and which also is a heavy grain producer.

In addition, continued Weaver, acreage to maize is spurring. The big swing is to a Wheatland type maize—a dwarf that stands straight and long after frost and which may be harvested with a combine.

Since there is a \$1.52 Cwt. bottom on grain this year, the swing to maize and legira not only promises to furnish feed for vital livestock but to prove highly profitable as well. In past years some have let early season grain go as low as 40 cents Cwt.

Approximately half of the 30 who have sought interviews to date are qualified, reported Capt. Hury, who added that there is a crying need for men who are skilled in their civilian trade fits them for service with the engineers.

Some of the types of men (and there is a place for 7,000 a month) most needed include foremen, construction carpenters, well drillers, quarrymen, utility repairmen, electricians, bridge builders, powder men, riggers, etc.

Major Robert Hoover, Dallas, pilot of a flying fortress which led a formation of nearly 50 U S bombers on raids over Sicily last Thursday, is known to many around Stanton. He married the former Leta Eason, Stanton, in 1938 and she and their son now reside with his parents in Dallas.

Auto Tax Stamp Sales Picking Up

Auto tax stamp sales are picking up at the end of the week, Postmaster Nat Shick reported Saturday.

Before closing time, he counted 388 of the stamps sold since they were offered first the fore part of the week. More than half of this number was sold Saturday.

These stamps, costing \$5, must be on every motor vehicle used after June 30. Because there are approximately 5,000 of these due to be sold in Howard county, Shick urged that as many as who can arrange to secure them in the next few days and avoid a last minute rush.

He also suggested that firms with several employees could contribute greatly to faster service by arranging for one person to buy all stamps needed by personnel of the company. "We sell 100 as quickly as one," he said.

More women are turning out for the food conservation series at West Ward school under Miss Mildred Atkinson. Every woman who can possibly arrange it ought to sit in on these sessions. They're worth their weight in gold—and food its weight in gold—figuratively (and almost literally).

Not much is being said about our oil play right now, but it is daily growing more intense. Before so terribly long, there should be an announcement about another important series of explorations for the county. A big company has secured an option of a big spread on the McDowell ranch. Investments are increasing around the northern extension to the East Howard pool, and Standard has arranged for 32 tests in the Westbrook pool of Mitchell county. More tests are coming up for the new Vincent pool.

Action of the chamber of commerce directors in voting to ask CAB to permit an airline to re-submit its brief on a different basis for north-south airline service may be taken as a good sign. It means this project may be kept alive and that some day we may get the service. Big Spring simply can't afford to be left out of this development.

Engineers Offer Ratings For Skilled Men

Civilians who are subject to induction but who have not been called may volunteer and receive ratings if they qualify as experienced skilled workers.

Capt. Earl R. Hury, post engineer at the Big Spring Bombardier School, is granting interviews to men who believe they may qualify for a place with the corps of engineers. Those given classifications report to their induction boards and are sent to induction centers and referred to the division engineer who places them in camps best suited for their type of experience.

For instance, bridge builders, carpenters, heavy pontoon builders, bull dozer operators, etc., might go to Camp Claiborne, La.; mine detection applicants, tank trap and gun emplacement builders might go to Fort Belvoir, Va., and those who wish air borne engineering experience to Jefferson Barracks, Mo.

French factions near agreement. ALGIERS, June 19. (AP)—Belief that the long-standing dispute between French factions may be ended officially Monday grew today after both Generals Charles De Gaulle and Henri Giraud and their followers indicated increasing satisfaction over a proposed compromise plan for control over the French military forces.

The compromise, which would install De Gaulle as defense commissioner and retain Giraud as commander in chief, will be considered Monday by the committee for national liberation.

Losers Nine Years' Worth Of Points. CLEVELAND, June 19. (AP)—The Office of Price Administration today prohibited a Cleveland war plant president from purchasing rationed canned goods for nearly nine years.

OPA Commissioner F. S. Glover announced Carl H. Kinzig, president of the Kinzig Tool Co., had been deprived of use of 5,088 blue ration stamps, enough to last eight years and 10 months at the present ration allowance.

BOMB HITS

The company party held last week was a hummmmm-dinger. We had one "casualty" at the affair though, Cpl. "Clumsy" Ybarra, who had to fall and break his hand. First Sergeant Saunders, also known as the jitterbug kid, won honors at the party as the jitterbugging jitterbug that ever jitterbugged. Corporal Bauer danced and danced, till he was "danced out." It didn't take long, did it, Corporal, with that G.I. shoe deal. Sarge Grobe was a good boy for the night. In fact he didn't even do much dancing. Of course it could have been due to the fact that someone stole his gal, but don't quote us on that—cause that's just a guess. The sergeant sure has been on good behavior lately. Pfc. Porter did a swell cut with a pretty maiden to take the prize as the best waiter, beating Lieut. Cashman, and his lady friend out by a nose (literally speaking). "Pappy" Pfc. Pester was waiting around by himself, and seemed to be having a fine time. Lieut. McCoy hitched himself to a pretty arm, and spent most of the evening dancing with her.

Our softball team really deserves some credit. They've been making quite a record for themselves. In the first game of the second round they noosed out the Medical Detachment by a score of 4 to 2, with "P-B" Haider winning their own game with a home run. What's this about a pitcher "not supposed to hit." Haider always has been different. Fitcher Haider also was the topic of conversation here a few days ago, when he lost a truck load of men, himself, and the truck in town. We had to use bloodhounds to locate 'em. Haider blamed it on a dust storm.

Sgt. Clark returned from furrough with a claim of having eight hundred smackers. We haven't seen eighty cents as yet. Sergeant Backer after playing with an odd looking black animal for about two hours the other day, discovered it to be a tarantula. Was he surprised—or was he. . . . See you!

Here Are Some 'Possibles' On The Ration List

WASHINGTON, June 19. (AP)—Coal, milk, clothing, and electricity head the list of possible new rationing programs—although perhaps none may ever come to life—officials said today.

Speculation on new programs was heightened by publication of testimony on the Office of Price Administration budget, in which funds were asked against the contingency of six more rationing programs starting July 1.

Officials who declined to be quoted asserted positively however that neither these nor any other new rationing programs has been ordered or is expected to be ordered.

Besides milk, it was understood a few other foods or beverages were considered remote possibilities.

The above list was described as unofficial, and OPA declined to give even the house appropriations committee any specific information, claiming that any official statement on a rationing possibility might merely cause hoarding, buying ahead or uneconomical use of a commodity or service, and that the repercussions might be particularly embarrassing if it developed that no rationing was necessary.

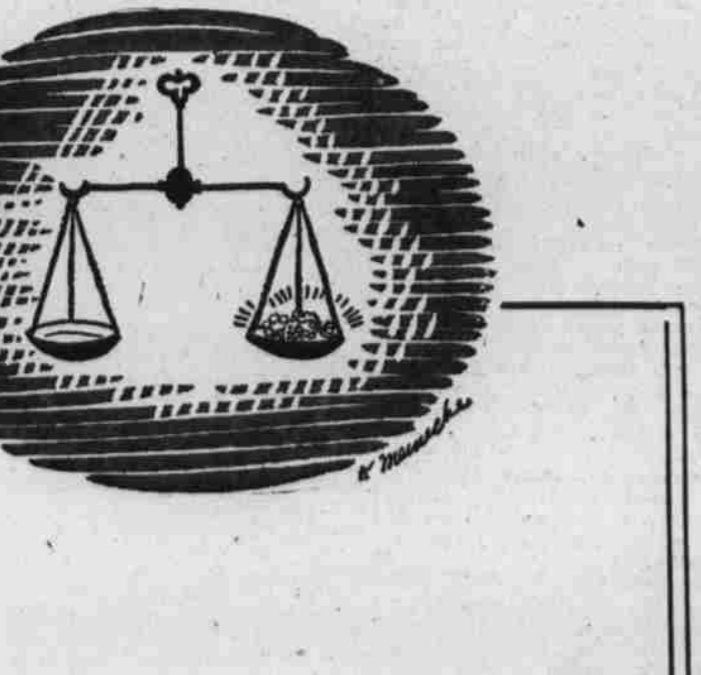

The coal strike and transportation difficulties lie behind the remote possibility of coal and electricity rationing, officials said. If either occurs, it might be on a local rather than national basis.

The threat of clothes rationing was eased considerably recently by improvement in wool supplies, but labor shortages are still a factor to be considered.

In the interest of conserving your car for "the duration," the Traffic Cop suggests that proper lubrication . . . and the use of quality lubricant . . . is mighty important.

So is it important that your motor be given the advantage of a powerful gasoline with anti-knock qualities.

Members of the Girls' Service Organization are working out plans for activities at the USO in order that they may prove more than merely dancing and game partners for the soldiers who visit the local USO club. Chairmen have been appointed to head committees which will handle correspondence to hometown newspapers, etc.

Mary Ruth Dilts, who has had five years experience as a professional dancing instructor, has volunteered to teach the service men ballroom dancing Friday evening at the soldier center from 8:15 to 9 o'clock. All service men who do not know how to dance are urged to attend classes.

Betty Bob Dilts has been named chairman of a committee which will send newspaper clippings concerning soldiers of the Big Spring Bombardier to their hometown newspapers and Patsy Stalopson was made chairman of nickelodeon operation.

Ross Clarke, USO director, has started gym classes for all USO hostesses and members of the Enlisted Men's Wives club, and sessions are held Monday and Thursday at 9:30 a. m. Showers and dressing rooms will be made available at these times for the use of the women class members.

While serving for a period of 30 years as director of physical education in YMCA's, Clarke has supervised physical training for a large number of business and professional men and industrial leaders. During his service with the YMCA, he also conducted numerous classes for women and girls. Special attention has been given matters of underweight and overweight in all of Clarke's groups.

All hostesses and club members are urged to take advantage of this free training.

A new feature has been added to activities at the USO club, "Sing Song Night," which is held every Monday evening at the club with Helen Dudley as pianist.

Thursday evening, the GSO girls will be hostesses for a swimming party and picnic at the city park. All enlisted men are invited to attend and are asked to buy their own swimming tickets. All GSO girls are invited to attend and are asked to bring a basket lunch.

Tired and hungry from their long train ride, this first group of WAAACs to arrive at the Big Spring Bombardier School was in the mood for food, and not even the photographer could get 'em to pause long enough to pose. The eleven auxiliaries and three officers who were in this advance contingent, are here to pave the way for the larger group of WAAACs soon to be assigned to the Big Spring school.

One of the first things these eleven WAAACs did when they arrived at the Big Spring Bombardier School was to invade the line. They got a big kick out of those rows and rows of twin-engined bombing planes. Pictured right are Auxiliaries Mary Peters, Kansas City, Mo., and Felcia Huskey, Summersville, Mo., who were thrilled at the sight of those 100 pound practice bombs at the Bombardier School.

Jerry Haynes, Pfc. Odom, Jr. Wed In Roscoe

Word has been received here of the marriage of Miss Jerry Haynes and Pfc. Robert Odom, Jr. The couple was married Wednesday afternoon, June 18th in the Roscoe Methodist parsonage reading the ring ceremony.

The room was decorated with pink roses and shasta daisies, and pre-nuptial music was played by Mildred Haney.

Mrs. Odom is the daughter of Mr. and Mrs. L. A. Haynes, and is a 1943 graduate of the Roscoe High school where she taught music during her senior year. She was crowned queen of the Fluvanna high school in the fall of 1941-42 school term. The bride is the granddaughter of Mr. and Mrs. H. H. Haynes of Big Spring.

Pfc. Odom, son of Mr. and Mrs. Bob Odom of Otis Chalk, is a 1941 graduate of the Forsan high school and attended John Tarleton college. In July of 1942 he volunteered for service with the army air force, and attended a sheet metal school in Los Angeles, Calif. At present he is stationed at Kelly Field, and is in the ground crew of the AAF.

The bride was attired in a two piece suit of soldier blue crepe with white and black accessories. She wore a shoulder corsage of white carnations. For something old she wore her mother's wedding ring. Something borrowed was a Bible.

Following a brief wedding trip the couple will be at home in San Antonio.

These newly-arrived WAAAC officers at the Big Spring Bombardier School are busy preparing for more WAACs, expected to arrive soon. Reading from left to right are 3rd Officer Alica J. Armstrong of Mangum, Okla., the Mess and Supply Officer; 2nd Officer Miriam W. Hawthorne of Miami, Fla., the Commanding Officer; and 3rd Officer Sara E. Walker of Bellevue, Pa., the Executive Officer.

Auxiliaries Busy Preparing For More WAACs Who Will Arrive For Duty At Bombardier School

Many a curious GI have passed the WAAC area this past week, anxious for a glance at the auxiliaries who have spent a busy seven days getting their barracks in order, and incidentally adding a feminine touch to the Big Spring Bombardier School!

They're army to the Nth degree and yet they still wear make-up, light nail polish and have dates which prove that even though they have chosen to do their bit for Uncle Sam, they're still human.

Unlike the army posts where they were formerly stationed, they have built-in bath tubs with show-

er curtains, modernly designed lavatories and scads of mirrors. A peep into their barracks shows a cross section between a summer camp with double deck beds, and a girls' dormitory, appointed with neat dressing tables with overhead lights and plenty of cabinet space.

The cabinets bring to mind wardrobes which are complete, appropriate and designed from the latest modes. Included are summer khaki uniforms, winter OD's, skirts, khaki and OD caps, and a fatigue dress made of green and white seersucker, overcoats, and a utility coat which is styled in a simple line with an attached hood. Underthings are rayon in light khaki shades. The girls are issued four pairs of rayon and four pairs of cotton hose. When they are worn out, they're salvaged and new ones are issued.

A well equipped laundry room, complete with four ironing boards, built-in tubs and clothes lines is in the building with the barracks for the girls who launder their own things.

The administration building is one story with a south wing running east and west. The L extends to the north and the west end. The south wing contains living quarters for Commanding Officer Miriam W. Hawthorne.

There is also a living room and bath. The orderly room is located at the center entrance, and to the west is the beauty shop which will be fully equipped to keep the WAACs looking their best with hair-dos 'off the collar.' Scheduled to be one of the most popular spots in the area is the canteen and recreation room where WAACs will be allowed to bring their dates. Bright curtains, a nickelodeon and ping pong tables will add a cheerful note to the appearance.

Officer Hawthorne, who was formerly with the air warning service in Miami Beach, Fla., received her commission at Fort Des Moines, Iowa, August 25, 1942. Back in high school she was society editor of the school paper and went in for golf and other sports. More than pleased with the girls now under her command, Officer Hawthorne states "If anyone had told me women could live together and get along a year ago, I wouldn't have believed it, but it's surprisingly the attitude the girls have. If one gets too loud in the barracks, it's another of the girls who call her down, not an officer. Believe it or not the girls take it good naturally, and there's a feeling of comradeship. They lend each other shirts, double date, and get along like sisters."

When asked if the girls ever cause trouble, the officer replied, "I've never had a bad WAAC yet, and I am sure that I will not have here." Auxiliaries are given gigs for misbehavior, and when a person gets five gigs, they're up for company punishment which usually means that passes are taken away. As for the guard house, they're unheard of.

Volunteers Helping At Red Cross

At last Big Springers are coming through with flying colors in contributing time to work which is being done at the Red Cross surgical dressing room. According to reports from Mrs. Bernard Fisher, a chairman of the volunteer service room, a steady stream of workers are doing their bit in diminishing the stock of 18,000 4 x 4 bandages and 60,000 2 x 6's which must be completed soon.

To fall back on the job now would be just as bad as never answering the call, so all local women are urged to continue work each week. The rooms are open Tuesdays through Fridays from 9 to 11 o'clock, and from 1 to 5 o'clock. Captains, women capable of teaching new workers the methods of folding bandages, are at the room at all times.

Seventeen persons were listed as gold star workers Saturday with Mrs. Joe Robnett, Mrs. M. L. Musgrove and Mrs. Bernard Fisher ranking first, having served a total of 75 hours at the Red Cross room. Stars are posted on the honor roll for every 25 hours contributed to work at the room. Other gold star workers include Mrs. Jake Bishop, Mrs. R. L. Beale, Mrs. T. S. Currie, Mrs. Albert M. Fisher, Mrs. Rose Frank, Mrs. M. K. House, Mrs. J. G. Potter, Mrs. Kyle, Mrs. Mary Locke, Mrs. M. W. Power, Mrs. H. A. Stegner, Mrs. Jimmy Tucker, Mrs. Charles Vines and Mrs. J. C. Velvin.

Mrs. R. Elmer Dunham has been chosen chairman of the honor roll for the month of June and hours are tallied the first of every week. Mrs. Fisher stated that the next check should reveal that the next check should reveal star workers.

Food Conservation Course To Be Concluded Thursday Afternoon

Today, when every housewife is faced with the same daily problem of what to serve the family, keeping account of food rationing and not going over her allotment of coupons, it would be well to take advantage of 1943 Victory gardens by canning up fruits and vegetables for consumption next winter.

In an effort to help American housewives solve their canning problems, and to help them learn the proper methods of preserving foods, the government is sponsoring courses in food conservation throughout the country under the direction of home canning demonstration agents.

Monday will begin the last week of courses to be held in Big Spring with Miss Mildred Atkinson, assistant home demonstration agent and instructor of home economics at Sterling, as instructor for the class which is being taught at West Ward School. Highlight of the Tuesday meeting will be a demonstration of can-

Trainmen Ladies To Have Picnic Tuesday Night

Plans for a picnic which will be held Tuesday evening at the city park were discussed Friday afternoon when the Trainmen Ladies met at the WOW hall at 2:30 o'clock.

All auxiliary members and their families are invited to attend the entertainment which starts at 7 o'clock. Anyone who does not have transportation to the park is urged to call Mrs. R. O. McClinton.

The meeting was devoted to semi-monthly business with Mrs. R. O. McClinton, president, in charge. All women were urged to assist at the Red Cross surgical dressing room from 5 o'clock on Wednesday afternoon.

Those attending the meeting were: Mrs. M. C. Knowles, Mrs. E. O. Hicks, Mrs. Albert Smith, Mrs. R. W. Rogers, Mrs. W. D. Davis, Mrs. C. W. Rogers, Mrs. W. E. Rayburn, Mrs. G. B. Pittman, Mrs. J. C. Burnam, Mrs. W. E. Phillips, Mrs. H. W. McCannessa, Mrs. G. C. Ragsdale, Mrs. Frank Powell.

Exercises Mark Close Of School

Daily vacation Bible schools at several local churches concluded their two weeks program Thursday and Friday of this week, with picnics and commencement exercises at various churches.

Final enrollment at the First Christian Church totaled 66 children. Closing program was held Friday evening with Mildred Creath, superintendent, presiding.

Special awards were made in the three departments and children participated in the program which included scripture readings, skits and song numbers. Diplomats with gold stars were presented to students with perfect attendance records.

Wesley Methodist
Closing program for the Bible school at Wesley Memorial Methodist church was held Friday with Mrs. W. L. Forterfield, principal, in charge.

Approximately 80 children were enrolled for the class, and will be presented with certificates at Sunday school today. Staff for the two weeks course just completed included: Mrs. J. C. Pittard, pianist, Mrs. H. M. Drake and June Coleman, teachers in the beginners' department; Mrs. D. R. Childers and Mrs. Velma Bryant, primary department instructors; Mrs. J. T. Morgan and Cecil Nabors, teachers in the junior department.

The Rev. Ivey Bohannon, pastor of the Nazarene church announced Saturday that closing exercises for the daily vacation Bible school would be held today at Sunday school. Thirty-eight pupils were enrolled for the course, and teachers included the Rev. Bohannon, Mrs. Bohannon, superintendent Mrs. B. Y. Dixon and Evelyn Hall.

East Fourth
East Fourth Baptist church ranked first in enrollment with a total of 163 children enrolled and 117 attending the last session Thursday. Graduation exercises were held Thursday evening, and the school was closed with a picnic at the city park Friday evening.

Candlelight Wedding Vows Read For Miss McCaulley, Cpl. Haley

Before an altar banked with ferns and flanked with tall baskets of white gladioli and abasas daisies, Miss Virginia McCaulley and Cpl. Woodrow Haley were married by the bride's father, Chaplain Fred A. McCaulley of Camp Fannin, in the auditorium of the First Baptist church Friday evening. Chaplain McCaulley was assisted by the Rev.

Dick O'Brien, pastor of the church. Double ring wedding vows were read by candlelight at 5:30 o'clock. Cathedral tapers in slanting candleholders marked the place where the wedding party stood. The bride, given in marriage by W. C. Blankenship, wore a gown of ivory satin, fashioned in simple lines with pointed sleeves.

Her veil was of bride illusion and fell from a Juliette cap of seed pearls. She carried a bouquet of white gladioli, carnations and stephanotis and her only ornament was a strand of pearls. The bride's sister, Mrs. Robert Baker of Mount Calm, was master of honor, and was attired in a gown of aqua taffeta. She carried a colonial bouquet of spring flowers. Bridesmaids, all dressed in shell pink net and lace formals were Magha Miller of Waco, Joyce Blankenship and Mary Louise McCaulley of Woodville. Lighting tapers were Muriel Floyd and Ann Blankenship who wore white formals.

W. C. Blankenship, Jr., carried the rings on a white Bible, and Mary Sue Blankenship and Glenn Coffey were flower girls. As pre-nuptial music, Miss Fowler of Midland sang "Because" accompanied at the organ by Mrs. C. W. Norman. The Rev. Robert Baker of Mount Calm, brother-in-law of the bride, sang "Oh Promise Me." The traditional wedding marches were played and during the ceremony, the organist played "I Love You Truly" and "To a Wild Rose."

Cpl. Haley, son of the Rev. H. A. Haley of San Diego, Calif., was attended by Sgt. James Watts. Ushers included Pfc. Robert Bralley, Pvt. Herman Loebs, Cpl. William J. Laidlaw, Jr. Mrs. Fred McCaulley, mother of the bride was attired in a moss green formal and her corsage was of gladioli.

Mrs. Haley was graduated from the Waco high school and Baylor university, and has been teaching in the Big Spring schools. Cpl. Haley, graduate of the Chickasha, Okla., high school, was graduated from Baylor university.

A reception was held in the W. C. Blankenship home following the ceremony, and entertaining rooms were decorated with floor baskets of salmon pink gladioli, shasta daisies and other spring flowers. Refreshments were served on a table laid with an ivory and white tablecloth, and a three-tiered wedding cake topped with a miniature bride and groom standing beneath an arch. Cpl. and Mrs. Haley cut the first slice of cake, and refreshments were served. Mrs. Baker presided at the table, and Mary Lou McCaulley at the guest book.

Mrs. Lee Kidd of Paris was an out-of-town guest attending the wedding, and around 50 persons attended. The couple will make their home here where Cpl. Haley is stationed in the administration department at the Big Spring Bombardier School.

A rehearsal dinner was held in the Blankenship home Friday evening preceding the ceremony, and Mr. and Mrs. Bill Maxwell entertained with a luncheon in her home at 1 o'clock Friday afternoon honoring the young couple. Tables were laid with white linen cloths and centered with mixed bouquets of spring flowers.

Those attending were Chaplain and Mrs. Fred McCaulley and Mary Lou McCaulley of Tyler, Mrs. Bob Baker of Fort Worth, Mrs. Miller of Waco and Mrs. Kidd of Paris, Mrs. Charles Maxwell, Helen Jean Maxwell and the hosts, Mr. and Mrs. Bill Maxwell.

Cpl. and Mrs. Haley were honored at a dinner given in the R. C. Crane home Monday evening. Dinner was served and gifts presented to the honored guests. Those attending were Mrs. Warren Edson, Emma Cecil Nalley, Junia Johnson, Leut. and Mrs. Ernest Coverdill, Mrs. Johnson, Mrs. Ruby Culver, Mr. and Mrs. W. C. Blankenship and Cpl. and Mrs. Haley.

Mrs. and Mrs. Alton Underwood and children are visiting in Midland this week-end with Mr. and Mrs. Herbert Cox.

Joint Concert To Be Presented This Evening

Second group will include "Goliath's Cakewalk" by De Bussey, "Clair de Lune" by Debussy and "Malaguena" by Lecocq. Miss Blount will sing "The Star" by James H. Roger, "Pale Moon" by Logan and "Winds in the South" by John Scott.

War Stamps Are Given For Prizes At Bridge Party

Mrs. John Davis entertained with a party in her home Friday afternoon and members of the Entre Nous club were guests. Roses and daisies were used in decorations about the entertaining rooms, and bridge was entertaining for the afternoon. Defense stamps were given as prizes and high score went to Mrs. Hollis Webb. Mrs. Garner McAdams and Mrs. C. Y. Clinckscale binqued.

Refreshments were served, and those attending were Mrs. Herbert Johnson, Mrs. R. F. Bluhm, Mrs. R. L. Pritchett, Mrs. Guy Stinebaugh, Mrs. Hollis Webb, Mrs. Garner McAdams, Mrs. C. Y. Clinckscale and the hostess, Mrs. John Davis.

Mrs. Herbert Johnson will be the next hostess.

Cosden Chatter

Kathleen Underwood: What new face has brightened the field office. Could it be that of Beatrice Stacey? Our former employee, Mrs. Margie Kirk and her husband are on a trip to see another ex-Cosdenite, Mrs. Mary Lou Dunlap and her husband now living at College Station.

Mr. and Mrs. Carl Herrod, Mrs. Herrod, the former Omega McClain, are now honeymooning in Dallas. She will return to the drudgery of a working girl again Monday morning.

Visitors in the office this week included: L. B. Walker, Jack Hank, U. W. (Pug) Hagemann, R. D. Hale. Curtis Hale has returned as an employee of this company. H. C. Stipp went to Austin Monday on company business returned Wednesday.

Otto Peters has been running around the office with a patch on his head. Looked bad for awhile but he finally put out the news that it was a carbuncle. Jack Smith has an added attraction in his office. The lady's name is Mrs. Sue McCormick. Pfc. and Mrs. W. E. Ramsey spent last weekend in Chillicothe, Texas. Mrs. Ramsey's vacation starts July 15th.

Mr. C. S. Edmond's vacation starts today. Due to conditions and because he is patriotic, he plans to spend a quiet vacation at home. Bill Smith has gone to Stamford on part of his vacation and will return Monday. Leonard Blackwell has gone on his vacation to Fort Worth, Mrs. Sam Heiner accompanied him to join her husband who is also on his vacation.

Willard Hendrix and Mr. Smith of the sales department were on the sick list this week, but both have recovered and have returned to work. Mr. and Mrs. W. C. Newton have received word from their son, Cpl. Raymond Newton, that he has been hospitalized in New Guinea for tropical fever. He reassures his parents that it is "nothing serious," and that he is getting along nicely. Cpl. Newton has been in the South Pacific area for about a year.

Cpl. Phil Tucker Puts His Talent To Use As Entertainer For Troops

There's nothing in this country boy in the make-up of Cpl. Phil Tucker, but paraphrase the quip about the rural lad and you have Phil—you can take him out of show business, but never show business out of Phil!

Seven months ago when Chicago backed up a concentrated drive for army and navy recruits, Phil slowed down between acts at the supper club where he appeared, and decided it was curtains on his career for the duration. He had been taking wedding for some time, and had thought of getting into the navy as a welder, but later decided on the army in the medical corps.

Following his basic training, the 22 year old comedian was transferred to the Big Spring Bombardier School where questioners discovered the secret he vowed to keep. . . . he was an entertainer and 49 Uncle Sam that was as important as any other key man in the service. Promptly, he was transferred to special services section, and began to appear in floor shows at post dances, USO programs and camp shows. This week, he returned to the field for several days before

TOOK TO THE DITCH STOCKHOLM, June 19. (AP)—Field Marshal Baron Carl Gustaf Mannerheim barely escaped death when he was caught in a sudden Russian artillery barrage during an inspection at the front two weeks ago. Stockholm source said today, Mannerheim threw himself into a ditch.

Yeah, A Corporal

This is Cpl. Phil Tucker, but he has discarded his uniform temporarily for that of one of his song-and-dance specialties that are going over so big in the army air force programs. Tucker is one of the luminaries of the shows put on by Special Services.

continuing a tour of West Texas with the WAAC recruiters. The cast, composed of WAACs and service men have presented shows in Marfa, Alpine, Odessa, and Lamesa.

Back when Tucker was still sporting knee breeches, his family was on the stage in Chicago, featured in a family act. Winters were spent in school, and summers on the stage. In '34, he teamed up with a dancing partner and played night spots in the Spangler Banner.

Windy City, Phil relates in review that his first partner gave up dancing to become a newspaper reporter, while another enjoyed pie and thick steaks to the extent that the act became too bulky.

The last partner was Penny, a green eyed beauty, "five foot two," with a beautiful voice and a decided talent for dancing. Like many other teams, their work developed into a romance, BUT then came the draft.

Phil admits that his first sight of Texas was somewhat a let-down, what with no skyscrapers, screeching taxis and 5 a. m. editions, but no sooner had he hit the camp than strangers became friends, and now he thinks the army's tops. "No regrets" says Phil, "There are good Joes in these camps and they're a swell audience. They know their entertainment, and can bring out the best in a fellow."

Recalling some of his most embarrassing moments while working in Chicago, Phil relates that he and Penny were playing in a Chicago night spot, doing their best to make a hit. At the end of the routine, Phil was to pull his partner off the stage, she going through one door and he through another. Instead, Penny hit the prop rather than the door and landed back on the stage with a bruise on her nose and other extremities. The crowd howled, thought it part of the act, and called them back for three encores.

Even though their billing was at its peak when he went to camp, Phil has good prospects with George Abbott and other Chicago producers, just as soon as the show across the pond folds up. Now, everything would be swell with Phil if the army would only consent to drafting Penny!

Tucker relates that the only show he ever missed since he was five years old was last week in Lamesa. He and Chaplain James L. Patterson were to take part in a program at the Lamesa Flying School. Somewhere between here and there, the car had a flat tire, and Phil spent a worried 30 minutes having nervous prostration. A passing car took him to the field, and he arrived at the post theatre just as they were closing with "The Star Spangled Banner." When asked by the commanding officer if he wouldn't like to go ahead and give his number anyway, Phil, always quick with an answer, replied, "No Sir, nothing follows the Star Spangler Banner."
