Women Must Learn to Serve Beer

Beer has been legalized. Now women throughout Texas will have to realize that they must learn to serve the beverage or else face spending evenings alone while the husb and has his beer with friends.

A well-known cooking expert says that there are several tips that should be followed in serving beer. The beer, even though 3.2 should be limited, but not the foods. The table and the food should be made as attractive as possible.

New York, American, Swiss and Edan cheese; sausage; a man's salad (made of pickled onions and slices of oranges covered with a taste of anchovy paste; all sorts of biscuits (preferably hard) and crackers, crisp rye bread and pietzels, and plenty of mustard and pickles—this is what to place on the table.

The husband should be made to feel that the party is his. Allow he and his friends to spread their own sandwiches. The table should be placed on one pile and the table centered with flowers.

Electric lights, not candles, should be used. The glasses should be icedearly and a large bowl placed on the table to empty them in.

The economist repaided "Limit the beer, but not the food. What the men really want, even though they do not realize it, is just an appetizer before the food it; eaten."

RED TAG SALE

- Starts -

SATURDAY SEPTEMBER, 16

About a quarter of a century ago, we initiated the first Red Tag Sale ever held in Midland. Any old timer will tell you that our first sale was a real success.

NOW COMES ANOTHER RED TAG SALE! And by that we mean that every article in our large store will be "red tagged" with the sale price on it.

It is almost impossible to quote all the special Red Tag Sale prices that will prevail during this sale, which starts tomorrow and which perhaps will last through Saturday, September 30 —it may last longer and it may not last that long.

COME INTO OUR STORE! CHECK THE PRICES ON THE RED TAGS! SEE FOR YOUR-SELF THAT WE ARE OFFER-ING BARGAINS LONG TO BE REMEMBERED!

There is no limit on the amount that you can buy—and there will be nothing reserved. It may be that our supply will be limited occasionally; in such an event, we shall list the limited articles on our "Loud Speaker." And we will not sell to merchants for resale. THIS BARGAIN SALE IS FOR OUR CUSTOMERS AND PROSPECTIVE CUSTO-MERS.

We want everybody to take advantage of this sale. We realize that conditions are not what we would like for them to be, and we are having this Red Tag Sale with that idea in mind. ALL SALES MUST BE FOR CASH ONLY. Please do not ask us to make tickets - everything must be paid for before it leaves our place of business.

OUR GUARANTEE: The same iron clad rule of your money back if our merchandise is not what we represent it to be applies to every article offered during this sale.
