MOD Drive Tops \$3,500 In County

With collections not yet complete, Hansford County has again set a new record amount of money raised for the March of Dimes this year. County Chairman, Mrs. Virgil Mathews reported this week that collections in the county totaled \$3,548.77, with some money still out.

The largest single fund raising event was the talent show and auction held in the school auditorium and broadcast on KBMF-FM of Spearman.

This six hour long show raised \$1,967.25 from the auction of merchandise, painting and tote paintings and talent.

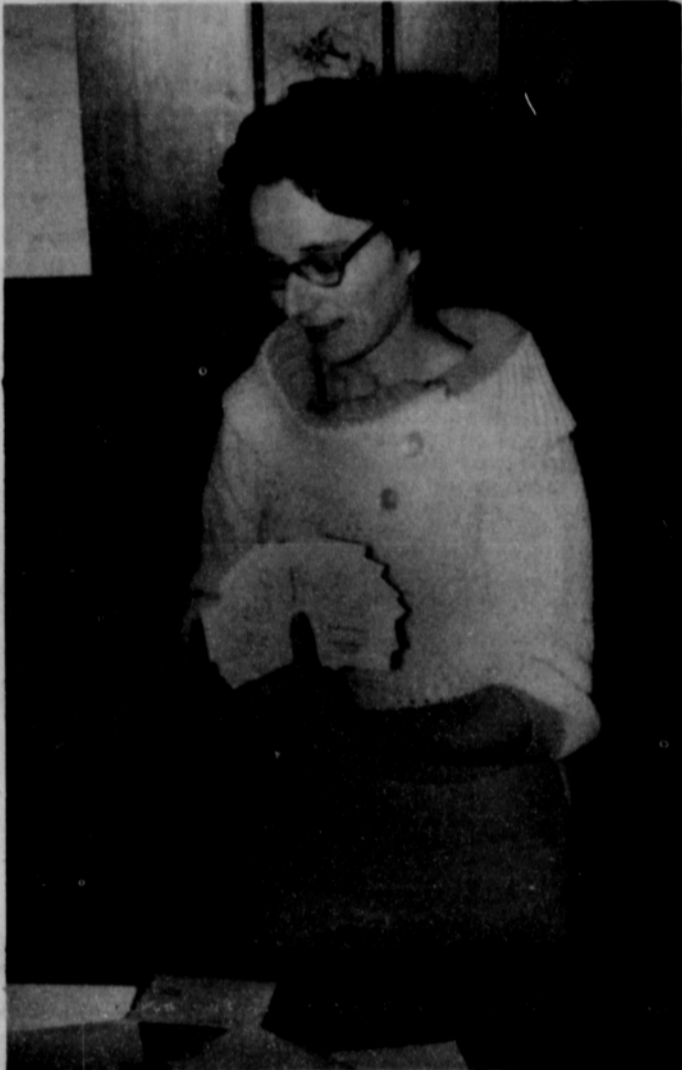

Bids were taken from listeners in the radio audience and a large crowd in the auditorium. Auctioneers sold everything from cans of soup to cans of peanuts.

Mrs. Mathews said she and all the March of Dimes workers and the children who will be helped with this money wish to express their appreciation to everyone who worked on the drives and all who donated to the drive.

In Spearman the members of the Beta Sigma Phi Sorority and other volunteers collected \$695.26 on the Mothers' March.

In Gruver the mothers raised \$760.40 on the Mothers' March. School children, teen-age activities and private donations to the fund added another \$139.86.

Mrs. Mathews said there were still canisters to be picked up and some other activities to be reported upon.

PLENTY OF TICKETS- Mrs. Sam Wysong, secretary in the Chamber of Commerce office displays a handful of tickets for the Chamber of Commerce banquet Monday night. The tickets are on sale for \$2.50. PLAINSMAN PHOTO

Noted Educator Is C-C Banquet Speaker

Spearman's annual Chamber of Commerce membership banquet will be held in the Junior High School Cafeteria at 7:30 p.m. Monday, Feb. 1.

Dr. Floyd Golden, noted educator, and after dinner speaker will deliver the main address. Dr. Golden is education consultant for Rittenberry and Rittenberry architects in Amarillo.

Tickets are on sale at the Chamber office for \$2.50 per plate. Chamber Manager Don Floyd urges everyone to purchase tickets in advance.

Floyd stressed that this banquet theme will be the work that is to be done in the future, instead of what the chamber has accomplished in the past year.

There will be brief reports from the different major committees of the chamber as to their programs of work for the coming year.

Officers and new directors of the Chamber were installed in a small meeting earlier this month, so they will only be presented at this banquet.

Dr. Golden is Past-President of Eastern New Mexico University at Portales, N.M. He was one of 40 educators selected to go to Russia and study their educational system.

Dr. Golden is a student of the Russian economic situation.

He travels all over the nation speaking to different groups and

will be speaking in Seattle next week, after the Spearman banquet.

Local Voters Will Decide School Bonds February 20

Voters of the Spearman Independent School District will vote again, Feb. 20, on a larger school improvement bond issue.

This time the voters will be asked to vote on three separate issues which will total \$360,000. The money to be used at the Junior High School, High School and Athletic plant.

This election will be the second in just two months on school improvement bonds.

Voters by a two-to-one majority on Dec. 19 turned down a \$250,000 bond question.

In that election much opposition was voiced because more money was being spent on the athletic field and facilities than on education.

In this election the board more than tripled the amount of money for the school, \$180,000, and have hired an architect to completely remodel the inside of the build-

ing and add new science laboratory equipment if the bond question passes.

Major work in the junior high school building will be lowering the ceiling in each classroom, installing new lighting, new floors, repainting all the walls, adding new chalkboard in the oldest of the two buildings, new fixtures and repairs in the restrooms and dressing rooms, some structural repairs under the auditorium and in the old gym.

Architect John Work told the board that a wooden support beam placed under the rear of the auditorium was not safe and should be replaced with a steel beam.

Work said he also expected to find termite damage under the floor of the old high school gym and this would require structural repair and treatment of the ground under the floor.

These were the only two structural defects Work said he found and the building should be good for another 15 or 20 years after it is remodeled. He said structurally it will last many years longer, but changes in scholastic requirements will make it obsolete.

The proposed bond issue will raise the tax rate from \$1.88 to \$2.01. The bonds will be 15 year bonds and the extra \$110,000 in this issue will increase the rate only one cent over the rate proposed for the \$250,000 bond issue voted upon earlier.

Howard Kenyon told the school board this rate is possible because most of the bonds will mature in the last two or three years, after the current bonded indebtedness is paid off.

The other two issues on the bond election will be \$118,000 for a new athletic plant. This will include a new dressing room, grandstands, curbed dirt track, and concession stands and rest rooms.

The new field will be built behind the new high school in the southwest part of Spearman.

At the present time Spearman does not have a practice field, nor dressing facilities at the old field. High school teams must go to the gymnasium at the junior high school, 11 blocks from high school, dress, then walk six blocks to the football field for workouts.

On game nights the teams must dress at the gym, then go by bus to the field. There are no dressing room facilities for the teams' use at the half.

The present bleachers and lighting system at the old field are inadequate. There were overflow crowds at all but one home game this last season.

At the high school the money will be used for paving additional parking areas, seeding grass on the lawn and some tennis courts. The new million dollar windowless high school has been used for a year and as yet has no lawn or watering system.

Poll Tax Deadline Saturday About Half Are Registered

About half of the persons old enough to vote in Hansford County have paid their poll

taxes this year. The deadline is Saturday when the county tax office closes.

The tax office said they had sold approximately 1,000 poll taxes at noon Wednesday. Sheriff Cooke was at the plants selling poll taxes Wednesday afternoon.

The poll tax is a requirement for voting in the upcoming school bond election, the school trustee election and city elections this year. There may also be some other local and state elections requiring a poll tax for voting.

Horizon, Texas Managements Announce Merge

A merger of management of two oil companies is giving Spearman the area headquarters for another gas company.

Everett Tracy of Horizon Oil and Gas Co. will become operations manager for both Horizon Oil and Gas and Texas Gas Producing Co. It was learned this week.

Tracy said the co-owner of Horizon, N. Bruce Calder, is also President of Texas Gas and he is combining the management of the two companies.

Tracy said now the operations of the two companies in this area will be directed from the Spearman office.

Credit Meeting Set February 3

W.L. Veale will be the principal speaker at the annual meeting of the Spearman Retail Credit Association.

The annual meeting will be held at 7:30 p.m. Wednesday, Feb. 3, in the meeting (Cont on page 2.)

Basketball Homecoming Is Friday

The basketball King and Queen will be crowned Friday night in the Spearman High School gym between the Lynxette and Lynx games with Dalhart.

This will be the second time the two teams have met Dalhart. The first games in Dalhart, the Lynxettes won and the Lynx lost.

After the game there will be a homecoming dance.

This will be the last home game for the Lynxettes in their regular district race.

Tuesday the two teams go to Shamrock, then the following Friday the teams play in Stinnett. The boys play Boys Ranch here Feb. 9 and finish the season in Phillips on Feb. 12.

C of C Changes Meeting Plans

The regular twice monthly Chamber of Commerce Board of Directors' meetings are being changed to directors and members meetings, beginning this Friday.

Guests Attend Fashion Show

Wives of members of the Panhandle Livestock Association were feted with several activities in Amarillo Monday during the cattlemen's convention.

At noon a luncheon and fashion show was held in the Amarillo Country Club. Mrs. Ben McIntyre was one of several hostesses for the occasion and among her guests from this area were Mrs. Ralph Blodgett, Mrs. Winfred Lewis and Mrs. Everett Cain, Jr.

Fashions were from Colbert's and approximately 250 women attended.

Mrs. Goodall Is Hostess to Group

Alpha Delta Kappa met with Mrs. Eula Goodall in Gruver Monday night. Co-hostesses were Mmes. Evalyn Fowler and Vera Anderson.

Mrs. Fern West conducted a short business meeting with plans for the spring hat party for Feb. 15 discussed.

Mrs. Ona Faye Watkins entertained the group with colored slides of the New England tour.

Mrs. Goodall played selections on her antique organ which brought back early memories of the Panhandle.

Refreshments were served to Mmes. Charles Theis, Fern West, Elva Lee Sheets, Dee Deere, Mathilda Entekin, Louise Archer, Ruth Mary Whitson, Eula Goodall and Ona Faye Watkins.

The honeymoon's over when all the baby talk around the house is done by the baby.

Of Interest to Women

Films of African Tour Are Shown By Mrs. R. E. Lee to B&PW Club

Mrs. John Bishop, Mrs. Virgil Floyd, Mrs. V.N. King and Mae Bretz were hostesses to members and guests of the Business and Professional Women's Club Thursday night in the

Hospitality Room of the First State Bank.

Mrs. R.E. Lee showed films of her recent trip to Africa and told of her experiences on a sightseeing safari while there.

Coffee and cookies were served from a table covered with a white cutwork cloth over green and centered with an exotic arrangement of tropical flowers in various shades of yellows and of tropical greenery. The arrangement was presented to Mrs. Lee.

Attending were Carol Scroggs, Ola Mae Henry, Penny Pearson, Gladys Richardson, Ludie Lovett, Vera Campbell, Leona King, Sada Hoskins, Mabel Jameson, Deta Blodgett, Mabel Edwards, Jesse Bratton, Lura Belle Crawford, Jenny Massad, Mrs. Homer Cluck and Mary Hart from Gruver, Rhoda Overton, Lucille Lewis, Merle Fryer, Eleanor Sanders, Mae Bretz and Messrs. and Mmes. Virgil Floyd, John Bishop, Russell Welch, Harold Howerter, J.W. Walker and Rex Sanders.

Mrs. Charles Martin Honored at Shower

Mrs. Charles Martin was honored Saturday night with a post-nuptial bridal shower in the Hospitality Room of the First State Bank.

Guests called between the hours of 7 and 9 p.m.

The hostesses presented Mrs. Martin with a pink rosebud corsage. Mrs. Howard Good-

rich from Gruver, mother of the honoree, and Mrs. R.E. Martin, mother-in-law of the honoree, received white carnation corsages.

The serving table was covered with a white crocheted cloth over pink and was centered with an arrangement of pink roses accented with a white dove. Pink tapers completed the setting. Silver and crystal appointments were used.

Coffee, punch, mints, assorted nuts and white cakes decorated with pink rosebuds were served.

Mrs. James Martin served the coffee and Mrs. Ames Scroggs served the punch. The hostesses presided alternately at the guest register.

Hostesses for the courtesy were Mmes. Mae Bretz, George Buzzard, E.D. Clement, H. H. Crooks, Virgil Floyd, Orville Fullbright, Ervin Hester, Howard Keyser, Junior Lusby, J.H. Martin, James Martin, E.E. Martin, Barton Riley, Earl Riley, J.W. Pipkin, Ames Scroggs, Preston Smith, J.P. Vernon and Doris Weston.

An estimated 17 per cent of the population of Mexico has no shoes. Thirty years ago 89 per cent were shoeless.

Meet The Presidents —

Mrs. Doyle Jackson Is Head of Kimberly Club

"We hope that by belonging to a Federated Women's Club we can accomplish things we could not in a single club," Mrs. Doyle Jackson remarked in speaking of the Kimberly Junior Women's Club of which she is president. The club was organized by the Twentieth Century Club recently and federated the same year.

One of the club's most popular projects is that of honoring a senior high school girl in a "Girl of the Month" project. This is to recognize a girl each month who excels in not only scholastic achievement but one whose personal traits the club feel entitle her to the honor.

Mrs. Jackson, her husband and two sons live on a farm at Route 1, Stinnett. Tim is a fifth grader and Terry is in the second grade at Spearman Elementary School.

A resident of Spearman for the past 12 years, Mrs. Jackson was born in Granite, Okla. and raised in Plainview.

She has been a member of the Kimberly Club since it was organized, having also served as president last year, and is also active in the Holt Home Demonstration Club in Hutchinson County.

"I enjoy sewing and crocheting," Mrs. Jackson remarked. "And now I have a new hobby, that of collecting antiques." Her antique collection is small

but she does have one highly-treasured piece, an 80-year-old wall clock, brought from Germany by her brother who was in service.

Mrs. Schubert Hosts HD Club

Mrs. W.A. Schubert was hostess Friday afternoon, Jan. 22, to the Spearman Home Demonstration Club.

Mrs. H.H. Crooks, vice president, conducted the business meeting. Yearbooks were filled out and secret pals were revealed.

Mrs. Claude Jackson and Mrs. B.J. Garnett will take the training on meat cookery for February.

The program was an open discussion on old-age home projects. A subscription to Reader's Digest was sent to Pioneer Manor.

Attending were Mmes. E.W. Fielding, Carl Hughes, Claude Jackson, B.J. Garnett, Richard Reimund, H.H. Crooks, Richard Shedeck, W.A. Ellsworth, John Kenny, a visitor, Mrs. E. S. Uptergrove and the hostess.

Americans drank more milk last year, increasing from 125 quarts per person in 1962 to 126 quarts in 1963.

Open Discussion Is Club Program

The Hansford Home Demonstration Club met Monday afternoon in the home of Mrs. Daniel Sheets.

Mrs. Clyde Whitehead, president, conducted the business meeting.

The devotional was given by Mrs. Daniel Sheets in the absence of Mrs. Elzey Vandenburg.

The program was an open discussion of "Our Old-Aged Home Project."

Attending were Mmes. Flavel Ayers, Lenzie Anderson, H.H. Chevalier, Bob Crawford, Virgil Floyd, Herb Howe, Roscoe Nelson, L.W. Rosenbaum, Clyde Whitehead, Gordon Parrish and the hostess.

Day by Day

We read many depressing reports about what this new year may bring. These assorted predictions from "Changing Times," the Klipinger magazine, make you think for a moment at least, about some of the good things we have to look forward to.

"About 7,233,000 children will stop outgrowing their shoes every couple of months.

About 194,100,127 Americans will not be hurt or killed in an auto accident.

Nearly 12,190,000 girls will outgrow the Beatles.

About 750,000,000 acres of forestland will not burn up.

About 44,503,000 couples will stay married.

About 55,502,000 citizens will file tax returns on which the arithmetic is absolutely correct.

About 11,000,000 teenagers will not drop out of high school and over 600,000 of those who go on to college in 1965 will stay there four years.

One out of every 4.3 golfballs hooked or sliced into a tree will bounce back onto the fairway.

Over 20 billion dollars worth of auto loans will be paid off.

And all year long, there will be only one Friday the thirteenth.

Even though spelling used to be one of my favorite subjects, I've found that in newspaper work, especially proofreading, that I seem to get worse and worse every year and to lean on Mr. Webster's dictionary more and more often.

Carol Ellis of the Priona Star has heartening news for poor spellers though.

"Here's great news for poor spellers! A new book has been published in England called "The Awful Spellers Dictionary." This may help solve a problem that has plagued poor spellers for ages. The problem being that you must know how to spell a word before you can look it up.

"Most of us tend to spell words just as they sound. So the person who thinks the word "centurion" is spelled with an "s" or the word "phenomenal" with an "f" can look it up first the wrong way. Next to it will be the correct spelling."

Sounds like a long-overdue volume, doesn't it? Could be as revolutionary as "modern" math.

I think Texas is finally catching on--concerning tourist trade. We've finally started advertising all the varied attractions of our state and even on a small scale it should begin to pay off rather quickly.

So many people back east admittedly think of Texas in terms of cactus, endless plains and hot, dry deserts and wasteland.

I think it's a marvelous idea to pick a cold, stormy day in New York City, say, to advertise "what to do when winter slush gets in your shoes--come to a bigger than life vacation in Texas and meet spring halfway."

After all, we have Padre Island, "just like Miami Beach, except you can see the water", the Alamo, and Six Flags Over Texas, not to mention mountains, lakes, forests and coastline.

I'm trying to think what the Texas Panhandle can boast about as a tourist attraction. We do always have "the world's best kept secret" --Palo Duro Canyon.

Who knows, a lot of city-slickers might really be impressed with our one little claim-to-fame.

Lynx Lose to Eagles; Game Close Until Half

The Sanford-Fritch Eagles took advantage of Spearman Lynx mistakes and outgunned them 62-44 there Tuesday night. Fritch beat the Lynx with field goals, 21-14 and at the free throw line, 20-16, to pile

up the score. Spearman stayed close most of the first half. They were trailing only 14-10 at the end of the first quarter and 32-25 at the end of the half.

In the last half Jim Kirkland hurt his leg and left the game and Bob Phillips fouled out. These two were leading the scoring with 10 points each. With them gone Fritch pushed far ahead.

The Lynx could not get the ball to the goal on either free shots or field goal tries. They also lost it numerous times to Fritch on bad passes or dribbling before they got a chance to shoot.

Spearman made less than half of their free shots, 16 of 35. Fritch hit 20 of 35 attempts.

Jaycee Meeting Scheduled Tonight

All Spearman Jaycees are urged to attend a meeting in the Blodgett-Linn building lounge at 7:30 p.m. Thursday, Jan. 28.

Lynxettes Wallop Sanford-Fritch 55-23

A good shooting percentage from the floor and tough defensive efforts paid off for the Spearman Lynxettes as they walloped Fritch 55-23 there Tuesday night.

The Lynxette forwards took only 38 shots from the floor, but they made half of them. The girls, also, hit 17 of 28 free throw attempts.

Guards Kathi Pattison, Robbie Ownbey, Susan Hutchison and Bethany Donnell led the defensive work. They limited Fritch to five field goals during the game. Fritch made one field goal in each of the first

two quarters, two in the third and one in the fourth.

Pattison led the Lynxettes in rebounding with 13 recoveries.

Phyllis Patterson hit the scoring trail for 25 points. She hit seven field goals and 11 of 12 free shots to total up her points.

The Wilde sisters each had four field goals, but Vicki hit three free shots to Barbara's one. Vicki had 11 points and Barbara 9.

Johnie Vernon drilled in four field goals for eight points. Gibson scored on two free shots for 2.

Spearman led the scoring by quarters 15-3, 21-10, 45-15 and 55-23.

Homemaking Notes

by Linda Webb
Home Demonstration Agent

The Simplicity fashion lecture given by Helen Wright January 19 was a great success. I want to publicly thank each and every person who helped with the program. Mrs. Wayman Edwards, who provided the fabric from her shop for stage decorations; Mrs. B. J. Garnett; Miss Edith Wilson, the District Home Demonstration Agent; Gloria Knox who acted as ramrod in my absence; and, all the models who did such a nice job with the costumes.

Prettiness and soft detail are emphasized by the '65 spring fashions. They present a general air of femininity, from sportswear to evening wear.

Groups of colors are again more significant than any single shade. Graduations of tones from misty pales to snappy brights will be offered.

Delicate face powder tints are exceptionally lovely in soft woollens, crepes and slubbed silks; these shades include pink ivory, alabaster, blush, flesh and cream.

Corals are strongly favored for spring prominence, and fresh greens are receiving a good deal of attention. Navy blue, paired with white, neutrals or other colors will often be seen too.

Fabric designs have gone wild in a flurry of pattern-with-pattern looks, lots of dots, carnival stripes, checks, abstract plaids, and modern abstract styled prints.

Sculptured and dimensional fabrics, offer top fashion news. Lace is a leading fashion highlight, too, and lavish embroidery and applique-work further enhance many fabrics.

Sheer fabrics such as chiffon, voile, georgette, chambray, dotted swiss, and others have a romantic, fragile look in new, not so fragile, polyester blends.

Supple crepe is a highlight, starring in cotton, silk, miracle blends, and sheer wools.

Subtle surfaced textures will stay on as classic fabric notes. Novelty knits in a variety of new stitches and new fiber mixtures create unusual surface effects.

Stretch is the fabric for active people. It allows maximum comfort, better fit and increased wrinkle resistance, among its many attributes.

Mock leather is one of the newest textile developments, which lets you wipe off stains, and iron away wrinkles. It can be washed or dry cleaned. You will be seeing plenty of this.

In a thimble, this is fashion news for spring. Sounds great to me—how about you?

The last note: I sometimes wonder if something doesn't go out of romance when a girl nestles her head on a boy's shoulder and her hair spray cracks.

Study Hall Attendance Announced

Students attending night study hall at Jr. High School January 25 were Ronnie Howarter, DeAnna Sheets, Richard Booth, Bobby Smith, George Warren, Donlane Whitefield, Danny Hendricks, Keith Hutton, Carol Booth, Marie Chitwood.

Students attending January 26 were Jerry West, Randy Weston, Danny Hendrick, Joe Clement, DeAnna Sheets, Hazel Lesley, Steve Holton, P. A. What to do until an emergency happens

Emergencies have practically no sense of fair play. And almost always pick the worst possible time to happen.

People seem to prefer the day your insurance lapses to trip on your sidewalk, for example.

And the car usually waits until your bank account registers empty before demanding expensive repairs.

There's no fighting it. But you can be ready. By tucking away some reserve funds in Savings Bonds.

Bonds, themselves, are emergency proof. You can't lose the money you invest in them, even if fire, flood, robbers or plain carelessness causes you to lose the Bonds.

And when something expensive happens, you can just take them into any bank and get yourself solvent again.

In the meantime, Uncle Sam uses your Bond dollars to handle other urgent matters, like taking care of your freedom.

Buy Bonds where you bank or on the Payroll Savings Plan where you work. Get yourself really prepared and you might even discourage a few emergencies from ever happening.

Keep freedom in your future with

Texas Congress of Parents and Teachers Certificate of Superior Achievement

Awarded to **WAKA** Parent-Teacher Association for
superior membership enrollment that included both parents [or guardians]
of each child in school, all school faculty members, and other adults for
the 1964-1965 membership year.

Dated this 23 day of November 1964.

Mrs. W. J. Danforth
STATE PRESIDENT

Waka P-TA Receives Membership Award

For the third consecutive year the Waka Parent Teacher Association has been awarded the Superior Achievement Certificate for having 100 percent membership

in the organization. The Waka P-TA is one of two organizations in District 19 to receive the award this year. All of the parents of chil-

dren in school are members of the P-TA and others with no children in school belong and increase the total membership to 62.

The Tiger of the year was just named Car of the Year by Motor Trend.

If that isn't enough of a hint, try Quick Wide-Track. (This is their year.) Or Turbo Hydra-Matic, the new transmission you can order that does away with roaring between shifts. Coupled with any of the quicker engines for the '65 Pontiac, it saves the roaring for whenever you need it. When you don't need it, the extra-potent engines let you just loaf along. This loafing gives you the kind of economy you wouldn't expect from a looker like the '65 Pontiac. See your Pontiac dealer. He'll show you all 32 Pontiacs that are the "Car of the Year." They're the buy of the year, too.

Hansford Farm News

Farm Workers' Earnings To Be Reported by Feb. 1

Farmers in the area were informed today that annual reports of the earning of their farm workers are due in the office of the District Director of Internal Revenue by February 1, 1965.

Farm employers who fail to file a yearly report on the earnings of their farm employees and to pay the social security taxes due are subject to penalties and interest charges on the unpaid taxes.

Al Geldon, Amarillo social security district manager, and Campbell, District Director of Internal Revenue at Hansford, noted that the earnings of most farm workers are covered under social security. A farm employee, to be covered, must be paid at least \$150 in wages by his employer, or work for the employer on 20 or more days during the year for

cash wages figured on a time basis (rather than on a piece-rate basis).

For 1964, the social security tax rate is 3 5/8 percent each for employer and employee on cash wages up to \$4,800. The tax amount must be entered on Form 943 (Employer's Annual Tax Return for Agricultural Employees) together with the total amount of cash wages paid to each farm worker.

The completed form must be filed with the District Director of Internal Revenue at Dallas, on or before February 1, 1965.

Texas' oldest non-metropolitan newspaper, the Huntsville Item, Friday began its 115th year of continuous publication with a record of never having missed an issue since its founding in 1850.

LONELINESS TEST

Josiane Laues, 26, a midwife taking part in an experiment to test the effect of loneliness, Friday completed a month underground, but thought it was still only Jan. 2. In a near-by cave, Antoine Senni has spent 46 days underground. He believes it is still late December.

Top Bowlers Here Sunday

Some of the best local bowlers will bowl some exhibition matches Sunday at 6:30 p.m. against two top teams from Amarillo.

A men's team and a women's team from Amarillo will be here to bowl the local team.

The public is invited to see the matches.

Automobiles killed an average of 118 Americans every day last year, National Safety Council figures show.

In 1963, a survey shows, only 5 per cent of the visitors to Europe were on their first trip, as compared to 55 per cent in an earlier poll made in 1955.

Farm Labor Day Program Has Begun

Farmers of the North Texas Panhandle have been notified by Texas Employment Commission that their 1965 Farm Labor Day Program started this week. Notification was made by Charles J. Warner, manager of the Berger office which serves some seven northern Panhandle counties.

The Farm Labor Day Program is designed to intensify the efforts of the Texas Employment Commission to locate qualified farm and ranch workers to fill the area needs of our farmers and ranchers. This includes a state wide clearance program, which permits the Texas Employment Commission to project the labor needs of this area to any section of the state.

The Farm Labor Day provides a common meeting place for farmers and ranchers seeking workers and for workers seeking employment, which in turn minimizes time and travel for both parties.

A Farm Labor Day will be held each Monday during January, February and March in the Spearman Farm Labor Office of TEC, which is located at the County Court House. Richard L. Curtis is in charge of this office and will conduct the Farm Labor Day Program. Curtis invites farmers of Comanche, Hutchinson, Ochiltree and Hansford Counties to come in and tell what they will need in way of farm labor and meet the applicants each Monday.

Try drawing a lead pencil lightly over a zipper that clogs. Soft, heavy lead pencil often lubricates the zipper teeth so they work well again.

If your cotton draperies need a midwinter pickup, here's a tip for quick-cleaning them.

Just put draperies in the dryer with a damp terry towel and let the dryer run on the cotton cycle.

Draperies will come out fresh-looking and free of dust and wrinkles.

Tests Set For 4,500 by Army

State draft boards will forward around 4,500 males for Army mental-physical examinations in February 2,644 of whom will be 18-year-olds, Colonel Morris S. Schwartz, state Selective Service director, said Tuesday.

These tests for 18-year-olds are the result of President Johnson's action in 1964 which ordered the Director of Selective Service and the Secretary of Defense to examine all newly registered men who are out of school and available for service. Males married at age 18 and those known to be in school at that age will not be examined.

Colonel Schwartz stressed that these youths will not be considered for the armed forces at this time. Normally, draft for service is about 22.

Only 119 men are scheduled for induction in the month of February, compared to 229 for January. This is the lowest induction call since July 1964, when the quota was 119.

The state quota of 119 for February is the Texas share of a national call for 3,000 men, all for the Army.

The February quotas already have been figured and sent to the state's 137 local boards.
