

1965 Lynx Gridders Expected To Be Bigger and Tougher

Fourteen days from today, on Aug. 14, that annual fall disease, football will officially begin when prospective Lynx footballers take their pre-season physicals.

Coach Don Seymour is expecting 65-70 boys to take physicals on Aug. 14, draw uniforms on Aug. 15 and begin two-a-day workouts on Aug.

16. Now, the coach plans to work-out in shorts in the morning and in pads at night.

Texas Football magazine rates the Lynx as one of the four teams to be battling for the top place in the district race. The other three will be defending champion Phillips, Dalhart and Stinnett.

Spearman's chances in the race will depend on how well some of the holes left by graduation can be filled.

Gone is all-district and all-state honorable mention quarterback Johnny Crawford. He will be replaced by Senior Dave Clements. Clements is a little scrambling quarterback who throws well, can run and

proved to be a hard hitter as a defensive starter last year. He ran the team last year when Crawford would move to half-back.

Right behind Clements will be sophomore Charles Shield-knight. The big, strong boy is slower than Clements, but is cool under fire, passes with the best and is a hard hitter. He

will press Clements.

Another big replacement question will be replacing Jim Ownbey at the middle line-backing spot. Junior Randy Moore, a two-way starter as a sophomore at tackle, is scheduled to draw the assignment. He will have about two weeks to learn the new job.

A big stable of running will

be available, led by lettermen Ken Shufeldt and full-back Clayton Cochran. Coming up from the B-team are two big boys, fullback Jerry Holton, halfback Danny Robertson, plus some smaller faster runners. Among these is Gary Cates, a freshman speedster, who missed last year with an injured arm.

In the line there is experience and some good B-teams coming. Some of last year's freshmen are big enough to fight for positions. Gone are Wesley Brinkley, Larry Babbe and Richard Smith.

In the middle of the line there are lettermen Lynn Buzard, Skipper Robinson, both hard hitters, tackles Matt Brillhart and Moore. Big Harold Adkison is going to put about 200 pounds of tough beef in the fight, Gary Gray and Glenn Blodgett are two more varsity reserves last year who will carry plenty of punch.

Larry Butts is the only starting end returning. Rennie Berry will be tried at one end spot, along with converted quarterback James Schnell.

With 65 to 70 boys reporting for drills, no positions are settled. Many of the boys from the B-team and freshman squad last year have put on many pounds and will be contenders for positions.

This is the first time since 1959 and 1960 seasons that Spearman will have beef in the forward wall. This year's edition has been lapped with years of rugged competition and should be one of the toughest Lynx teams to take the field.

Coach Don Seymour has said little about the prospects for the team this fall, but from observations it is going to be no place for players expecting to go on past reputations.

.55 Inch Rain Falls

Spearman has received .55 of an inch of rain this week.

Mrs. Pat Cates measured .16 Sunday, .05 Tuesday and at noon Saturday it was .34 and raining. Amounts up to two inches were reported on farms southwest of town and an inch to the east.

HANSFORD COUNTY'S LEADING NEWSPAPER

The Hansford Plainsman

VOLUME VI., NUMBER 81

SPEARMAN, HANSFORD COUNTY, TEXAS 79081

SUNDAY, AUGUST 1, 1965

98 Per Cent Have Paid Their Taxes

Hansford County property owners paid over 98 percent of their county and state taxes, County Tax Assessor-Collector J. B. Cooke said this week.

The exact figure was 98.3 percent of the roll the official said.

Hansford County's total bill in 1964 was \$545,359.88. The state's portion of this was \$106,221. Besides the state bill, the county also collects for precinct road taxes, a tax for the water district and county school taxes.

Tax office employees are now working on the 1965 tax rolls and the tax statements will be put in the mail late in September.

2 Evangelists To Conduct Services Here

Two young evangelists will conduct services in music and messages at the Union Church beginning today and continuing through Wednesday.

Both young men, Gary Rees of Webb City, Mo., and Ray Grantham of LaVerne, Okla. are 18, and recent graduates of Midwest Bible Institute.

Both young men have long careers in music, both in school and in church work. Rees has been singing since he was five years old and has numerous TV appearances in his experience.

The two young men will sing, feature cornet and saxophone duets and at each service Rees will have a message geared to the times especially for Youth, but also applicable to adults.

Banquet Plans Are Cancelled

The kick-off banquet for the Christ for All Crusade Monday night has been cancelled.

Executive Board Chairman the Rev. Luther Berry said the banquet was cancelled when it was learned late this week that Evangelist Roy Gustafson would not be able to be here.

The banquet was cancelled and no effort will be made to have it later, as workers for the crusade will go ahead with other preparatory work for the November crusade.

Statement Solves Morse Burglary

The burglary of North Plains Irrigation at Morse was apparently cleared Wednesday when a man held in Pratt, Kan., admitted breaking into the firm.

Sheriff J. B. Cooke went to Pratt to interview two men being held there on burglary. After questioning the two, one man made a written statement telling how the firm was burglarized.

Cooke said the two would face trial in Kansas and Oklahoma had a request for them, so it would be a long time before Hansford County got a chance to try them.

Both men were from McAlester, Okla., and the 27-year old man signed the statement for Sheriff Cooke.

The older man has a prison record and Cooke said he would admit nothing.

"He would not admit that he even knew me until I told him I had put him in jail in Spearman," Cooke commented.

The older man has worked

in Morse before and had been jailed here.

In the statement, the younger man said the two had driven from McAlester to some little town in Texas, where the other man had worked.

He told how the pair broke the glass in the front door, went to the back, and loaded tools into the pick-up, also how some file drawers were opened.

The statement went on to say the two men loaded the pick-up, then drove back to Oklahoma. They sold some of the tools in Shawnee, Okla.

A credit card taken in the burglary at Morse led to the capture of the pair. They used the card several times in Okla., and officers got suspicious that they were working in Kansas as a series of Kansas burglaries fit their method of operation.

Kansas officers began watching for the pair and caught them in a Pratt firm, loading out tires.

HEAD CHERLEADER- Bette Brown starts training early for the coming season. Football players begin August 14. Plainsman photo

CLASS OF 1940--Teachers and students of the Spearman High School Senior Class of 1940 had a reunion last week-end. The students had a picnic Saturday and a get-together Sunday. (Front Row) Verna Gail Keim, Spearman; Doris Jean Wilmeth, Spearman; Buean Lyons, Spearman; Patricia Snider Pezzoli, Huntington Station, N. Y.; Virginia Head, Spearman; Estella Garnett Morris, Amarillo; Ruby Gunn, Pampa; Mary Haun Schumann, Friona; (back row) Mrs. W. H. Gandy, Spearman; Henry Horn, Wilmington, Calif.; Richard Shedeck, Spearman; Elmer Gunn, Pampa; J. T. Hitt, Bentonville, Ark.; Mrs. L. S. McLain, Spearman; Mrs. J. E. Womble, Spearman; Roy Lee Uptergrove, Spearman; Ernest Sheets, Dalhart; Cecil Reynolds, Spearman. Two attending are not in the picture, Willie Mackie, Clements and J. R. Keim. There were 37 members in the class of 1940. C & B Studio Photo

History Of County Is Club Program

The home of Mrs. Bruce Sheets was the meeting place for the book club on Tuesday evening July 27 at 7:30. Mrs. P. A. Lyon was guest speaker and gave the "History of Hansford County" which is an interesting and colorful account of early Hansford County.

Mrs. Sheets served a salad plate to members, Mmes. Clay Gibner, John Berry, F. J. Hoskins, Cecil Crawford, E. J. Copeland, O. C. Holt, Tom Etter, Miss Vera Campbell, guest speaker Mrs. P. A. Lyon and one guest Mrs. Wesley Daniel.

Mr. and Mrs. Chalmers Porter and boys recently returned from a vacation in Colorado in and near Colorado Springs and Denver.

Mr. and Mrs. Don Cruce and family were weekend guests of her parents Mr. and Mrs. Cecil Crawford.

Benjamin Franklin, 200 years ago, devised the first bifocal lens, explaining he was tired of carrying two pairs of spectacles.

Records show that a woman may have up to ten cesarean operations performed on her with little or no danger.

Skin divers should be aware of the danger of using ear plugs while diving, as the plugs can seal the external auditory canal and cause ear damage or they can be rammed deeply into the canal during a deep dive and do direct injury to the middle ear.

Mrs. Ooley Is Circle Hostess

The Naydean Brewer Training Circle met Wednesday morning July 28 with Reba Ooley hostess.

Mrs. Donna Helms presided calling the meeting to order, followed with prayer by Betty Fancher.

Joy Moore presented the prayer calendar and offered prayer for the missionaries.

Donna Helms and Betty Fancher were in charge of the program.

Books were filled in on Community Mission and leadership training.

Wanda Widener dismissed the group with prayer.

Attending were Mmes. Helms, Moore, Widener, Fancher, Barbara Sampson, Reba Ooley and one visitor, Mrs. Ruth Stiles.

Miss Jessie Hulme of San Saba, who has spent the summer with her sister Mr. and Mrs. Kenneth Thomas returned to her home last week.

Mrs. Don Fister and Donna of Irving, Bud Ainsworth and Miss Dorna Reed both of Dallas and Miss Linda Ainsworth of Amarillo are spending the weekend visiting their parents Mr. and Mrs. Cy Ainsworth.

Mr. and Mrs. Henry Horn and sons Jay and Craig of Wilmington, California spent the weekend with Mr. and Mrs. Cecil Crawford and attended the 25th class reunion of the 1940 graduates of Spearman High School. Mr. Horn made his home with the Crawfords here during his years in the 8th grade through his high school and one year of college. This was the first time the Crawfords had met his wife and children.

Methodist Women Again Selling Own Cookbooks

The WSCS of the First Methodist Church held a general meeting on Wednesday morning July 28 at the church with Mrs. Bruce Sheets, hostess.

Mrs. Doug Grimes, presi-

dent, presided at the business session. At this time it was announced that a re-order has been made on the cook books and they are again available. Anyone wishing a copy may contact any member of the WSCS or call Mrs. Doug Grimes at 3352.

The program was given by Miss Mary Ellen Barkley and Lloyd McWhirter on several phases of youth work.

Attending the meeting were Mmes. Bruce Sheets, Ray Martin, Doug Grimes, Robert Adamson, Bill Strawn, John Allen, Roy Jones, P. A. Lyon, Wesley Daniel, Freeman Barkley and the guest speakers Mary Ellen Barkley and Lloyd McWhirter.

Branch of Family Plans Reunion

The Thomas Franklin Womble branch of the Womble Clan will hold their annual re-union on Sunday, August 8th, 1965, in the Range Riders Club house, in Dalhart. This is an all-day affair complete with basket lunch.

Mr. and Mrs. H. J. Vernon met their daughter at the Amarillo Airport on Saturday of last week. Mary Frances who is employed in Denver spent this week with her parents. They left for Denver on Saturday to take her home and will spend some time vacationing in Colorado.

Mrs. Larry Combest and Tonya of Amarillo were last weekend visitors of her parents Mr. and Mrs. Jesse Davis. Mrs. Joe Cotter of Wichita, Kansas was also a weekend guest in the Davis home.

Mr. and Mrs. Orville Brummett and family returned Monday after spending a few days vacationing at Colorado Springs. While there the Brummetts were caught in the flash flood near Seven Falls.

Mr. and Mrs. Andy Rhodes returned this week from Ojo Caliente, New Mexico, where they spent a week taking mineral baths. While there they enjoyed visiting Mr. and Mrs. Floyd Mitts and the W. A. Lathams and Davis'. Mrs. Rhodes reported that Lucy Mitts is much improved and they will probably stay another week before returning home.

Mr. and Mrs. Jesse Davis recently returned from a weeks vacation spent in New Mexico and Colorado.

Lyndel Taylor of Lakin, Kans. niece of Mr. and Mrs. Bruce Sheets is visiting this week in the Sheets home. Peggy and Janet Taylor came on Thursday and all will stay with the Sheets while their parents are on vacation.

Legal Notice

Notice of Board of Equalization meeting:

City of Spearman, Texas

In obedience to an order of the Board of Equalization regularly convened and sitting, notice is hereby given that said Board of Equalization will be in session at the City Hall, City of Spearman, Hansford County, Texas, at 10 a.m. until 12 p.m., and 2 p.m. until 4 p.m. Saturday the 14th day of August 1965 for the purpose of determining, fixing and equalizing the value of any and all taxable property situated in the City of Spearman, Texas, until such values have finally been determined for taxable purposes for the year 1965, and any and all persons having business with said Board, are hereby notified to be present.

Done by the order of the Equalization Board of the City of Spearman, Texas, this the 22nd day of July 1965.

Auto Expense Varies With Individual

Automobile costs and maintenance expenses vary with each car and owner, says Mrs. Wanda Meyer, Texas A&M University Extension home management specialist.

Gasoline and oil costs for the same make and model may vary as much as 50 percent. This variation is caused by factors such as how a car is driven, the type of driving such as city, flat country, or mountain driving, the loads carried, the general condition of the vehicle and tire pressure. Oil consumption is equally variable.

Maintenance costs vary even more than gas and oil costs. The owner of a new car may have no more expense than five or six lubrication jobs and a gallon of anti-freeze.

The type of driving and driver are both factors in determining tire costs.

High speeds, warm climates, hard cornering, rapid acceleration and quick stops all contribute to fast tire wear. The motorist who must replace a set of tires every year may spend from \$60 to \$200 depending on the size and type of tires he chooses.

Most motorists carry insurance on their cars. Insurance premiums are listed under fixed costs because they do not fluctuate with the number of miles driven. To determine insurance costs, add the premiums of all policies you carry that are directly related to car operation.

License and registration fees should be treated in the same way as taxes. Determine what you spend for license and registration fees and add the total to your fixed costs.

Five or six out of every 100 social drinkers may become excessive drinkers, and one or two of every 100 possible may become chronic alcoholics.

Radioisotopes to locate brain tumors have been used for more than 15 years.

Consumers Will Decide On Beef Industry's Future

American consumers--193 million today and more tomorrow--will decide if the beef industry is to grow and prosper, John B. Armstrong of Kingsville predicted here this week.

Armstrong, a livestock producer and an official of the Santa Gertrudis Breeders International, told participants at the third coordinated Beef Improvement Conference at Texas A&M University that per capita consumption of beef has jumped 47 pounds per person since 1935--up to an estimated 100.5 pounds in 1965.

Last year, per capita consumption of all meat hit a new record of 174 pounds, compared with 142 pounds in 1935, he added.

It has been estimated that about 85 percent of the retail purchases of food in the U.S.

are made by women. "It's comforting to beef producers to know that on both 'his' and 'her' food list, beef ranks first," Armstrong told the approximately 500 men and women attending the conference.

"There are now 41 percent more people in the United States than there were 30 years ago. And we're producing 143 percent more meat. Supplying that much more meat to 193 million Americans has resulted in an annual production of beef, veal, pork and lamb approaching 33 billion pounds. Beef production alone will reach nearly 19 billion pounds this year, or 4 billion pounds more than total meat production in 1935," he said.

While increased consumption of meat can be attributed in part to a higher standard of living plus the fact that Americans just plain like meat, it is doubtful that these factors alone would have moved consumer demand to its present high degree of enthusiasm.

A major factor, Armstrong said, has been that more Americans have been learning more about how best to enjoy and utilize meat products--and why meat is essential to good health. Research and education programs for consumers will become increasingly important in the future, he predicted.

70 percent of the over 65 population of Texas has one or more voluntary health insurance policies.

Stance fatigue is a fatigue produced by quiet standing, sometimes observed when a soldier or guard blacks out after long standing at attention.

One of the simplest of chemical compounds--water--is composed of two hydrogen atoms (H2) and one oxygen atom (O)--hence H2O.

The human heart, about the size of a fist, pumps or circulates blood through blood vessels in all parts of the body at the rate of about 4,000 gallons a day.

More than 40,000 persons die of snakebite throughout the world annually, mostly in Asia and Africa, with only about 25 in the U. S.

There were 604 major new drugs made available from 1941 through 1964 in the U. S., nearly two-thirds having originated in the U.S.

Have their hope set . . . on God, Who giveth us richly all things to enjoy.

—(I Tim. 6:17)

His will for us is abundant supply of all that we need to make life happy, secure, and complete. God's supply is not limited to time or place. We need to know that God's law of increase is constantly active in our life and affairs, and we are richly and bountifully prospered.

Mrs. Hall Jones and Mrs. Bob Parris and daughter Nicole went to Ulysses, Kansas, last Wednesday to visit their Mother and Grandmother, Mrs. Alice Winger.

Mrs. Albert Graves, Becky and Debby of Raleigh, N. Carolina, and Mrs. Sam Graves spent Wednesday in Pampa visiting Mr. and Mrs. Lewis Meers and Mr. and Mrs. H. L. Meers and family.

Mrs. Albert Graves and daughters left today (Sunday) for Wichita, Kansas to visit her parents and from there will soon return to their home in Raleigh, N. Carolina.

Motorists Warned To Take Precautions Against Fires

Motorists beware--range season is just around the corner as dry weather conditions persist over most areas of Texas. Thousands of Texas' 100 million grassland acres go up in smoke every year because of carelessness, says G. O. Hoffman, Extension range specialist, Texas A&M University. The grass you see when traveling along the highway

is the rancher's winter hay crop, like money in the bank to him. The stockman has worked hard to produce this grass, so help him keep it by preventing grass fires from a carelessly flipped burning match or cigarette.

Grass is more than just "cowfeed." Besides producing tasty steaks and lamb chops, grass produces food and cover for deer and quail, prevents muddy water from running

into lakes and streams and killing fish and making water recreation unpleasant.

Not only is grass important to the rancher, but you also have a stake in it. Take a look at what it has to offer you. When hunting season rolls around, you want a fat buck to hunt or a large covey of quail for the dog to point. Without grass and cover these will not exist.

The old fishing hole offers some pleasant hours of fun to you--unless a careless passer-by caused a fire that filled the lake or stream with silt from an unprotected range area. Your favorite picnic spot can be turned into a charred

wasteland by careless smokers or campers.

Keep these things in mind when you start to throw that next cigarette or match out of the car window. Help the rancher and help yourself. He put those fire precautions there to protect his most valuable natural resource--grass.

The average American spends more than four times as much for liquor and tobacco as he does for medicine and drugs.
