

Scouts Need Donations For Painting Barrels Soon !!!

Have you sent your donation to Boy Scout Troop 78 for painting your trash barrel? Very few people have and the troop is stuck with a big paint bill.

Troop Scoutmaster Jack Lovett said this week the boys are still lacking about \$125 having enough money to pay the \$277.60 spent for paint and brushes used in the task.

When the project was finished the troop had painted 1467 trash barrels with heat resistant aluminum paint.

Lovett said 18 to 23 scouts worked three full eight-hour days and one half day in painting this number of barrels.

Lovett said the project was undertaken as a city improvement project and not a fund raising gesture, but the boys do need to get enough money to pay for the paint and brushes.

Monday night members of the city council passed a resolution commending the troop for this outstanding city project. Councilmen said the project did more to improve

the looks of the entire town than anything that has been done recently.

The city also voted to purchase all of the extra paint the troop had on hand, so the boys would not have the freight expense on returning the excess paint.

Everyone who wants to send a donation toward paying for the project should either give the money or mail it to Slim Cates At Cates Men and Boys Wear Store in Spearman.

LITTLE TOUGHIES-- This 1963 Pocket-size edition of the Spearman Lynx looked like real toughies at Panhandle Friday. They meet Boys Ranch here Friday. Front row, (left to right) Leroy Callaway, Skipper Robinson, Ronald McDonald, Don Archer, Larry Babbs, Bill Blackburn, Johnny Crawford, Mac Crawford, David Batson, Mike Morris. (Second row) Larry Roberts, Mart Brillhart, Dave Clement, Gary Haner, Mike Babbs, Larry Sell, Danny Martin, Jim Ownbey, Richard Smith, Barl Blevins. Third row, Manager Bobby Campbell.

SEYMOUR SAYS—

'Boys Ranch Will Not Be Easy'

"Don't expect the Boys Ranchers to be easy. They have some good boys!" warned Spearman Lynx coach Don Seymour this week.

Seymour's new breed of Lynx, the mean hungry kind, meet the Boys Ranch Roughriders here Friday night at 8 p. m.

The coach said the Ranchers have three or four outstanding boys. Halfback Tom Alvarez will score anytime he gets loose. He scooted over the 100-yard dash in close to the 10 second mark in the district meet last spring.

Seymour had plenty of praise also for end Charles Littlejohn and quarterback Alan Reeves. He added that the entire group of Ranchers

were good, hardhitting boys.

Johnny Johnson was the big reason for the one-sided score in the Sunray-Boys Ranch game last week. He broke free four times and scored each time. Johnson is going to break on lots of teams before the season is over, Seymour predicted.

Seymour and his group of assistant cat trainers have the Lynx ready to go Friday night. One or two boys have been nursing a few bruises, but nothing that will not be gone by Friday night.

We are all in good shape Seymour said.

Some of the holes in the defense that showed up Friday at Panhandle have received spe-

cial attention this week in practice sessions.

The starting line-up for the Lynx will remain about the same as last week with Leroy Callaway and Don Archer at ends, Clayton Cochran and Mac Crawford at tackles, Wesley Brinkley, Skipper Robinson and Larry Babbs trading out at guards, and Bill Blackburn at center.

In the backfield it will be Johnny Crawford at quarterback, Mike Morris and either Larry Butts or Ronald McDonald at halfbacks and David Batson at fullback.

Spearman fields a team that will average approximately 150 pounds and the backfield has a heavier average than the line. However, the forward

wallripped big holes in a larger Panhandle crew Friday night as the backs rolled up big yards. Spearman won 30-22.

Golf Tournament Set for Sunday

A tournament for all golfers will be sponsored Sunday at the Spearman Golf Course by the First State Bank of Spearman.

The tournament will begin at 2 p. m. and there will be nine holes of competition. There will be a first, second and third place winner in four flights.

Bank officials urge all golfers to enter.

City Trims Budget \$50,000 For 1964

Spearman's City budget has been trimmed by \$51,872 for the 1964 fiscal year. The reduced budget was approved Monday night by the City Council.

This coming fiscal year the city will spend \$354,775 as compared to \$406,647 this year.

City Manager Ken Conrey, who prepared the budget, said the reductions in the capital outlay and operating expenses will make the saving. Capital outlay was reduced by \$62,500 and operating expenses by \$27,805.

The total reduction of \$91,327 is offset by a temporary increase in the debt service of approximately \$40,000.

At the same time the budget was adopted the city council adopted a tax rate of \$1.50 per \$100 valuation. The city

property is on the tax rolls at 35 percent of its true value. This is unchanged from past years.

The budget for the coming year shows the city gas, water and sewer systems to produce \$230,780 during the coming fiscal year. The general fund receipts from taxes and non-ad valorem revenues will give the city a estimated \$124,035 income. Taxes are expected to yield \$75,800 and the other \$48,225 will come from the non ad valorem revenues.

In other action the council accepted the resignation of Police Chief E.J. Counts. He will return to the Borger Police force where he was working before coming to Spearman over a year ago.

The police reported to the council that 41 tickets were issued last month. The City Corporation Court levied \$716.50 in fines during the month.

Councilmen also went over a long list of delinquent city utility bills and instructed City Manager Ken Conrey to discontinue service to those who were not trying to pay the bills.

Bob Baley Dies at Home

Bob Baley, about 80, was found dead in the front yard of his home at 2:10 p. m. Wednesday by neighbors. He lived at 310 S. Roland.

Mr. Baley, a retired barber, had apparently started mowing his yard when he was stricken with what the examining physician said was a heart attack.

Funeral services will be announced by Boxwell Bros. Funeral Directors of Spearman.

Neighbors said Mr. and Mrs. Baley left in their car, then he returned shortly and started to mow his yard.

Mr. Baley came to Spearman in 1923 from Old Mobeetie and was a barber in Floyd Hays Barbershop for 33 years. He has been retired for the past few years.

Survivors include his wife of the home; and two daughters, Mrs. R.E. Underwood, who lives in Albuquerque, N. M., and Mrs. Estelle Camp of Yuma, Ariz.

Callaway Is Best Lynx On Defense

The first award for outstanding defensive play by a Spearman Lynx was given this week to defensive halfback and offensive end Leroy Callaway.

Coach Don Seymour said the winner of the award will be a guest of the Jaycees at breakfast Thursday morning and will be recognized for his outstanding defensive effort.

The award is made by the coaching staff after they have graded the film of Friday's game. Each player gets a score, figured like a batting average. An outstanding effort on any play gives the player a double plus and that helps his overall score.

Callaway, a 132 pounder, got his double plus when he jarred the Panther safety man loose from a punt and gave Gary Haner a chance to recover the ball. The Lynx scored after getting the fumble.

Callaway and part of the Lynx coaching staff were guests this morning at the Jaycee meeting.

Services For New Parking Rules Given For Kenneth Reed Football Field

Funeral services for Kenneth Reed, 16, were conducted at 10:30 a.m. Tuesday in the First Baptist Church of Gruver. The Rev. A. G. Purvis, pastor, officiated.

The Gruver High School boy was killed in a one-car accident Sunday night 22 miles northwest of Spearman.

Reed and his school friend Jerry Evans, attended the movie in Spearman. Evans had just been let out at his home about 10 minutes before the accident occurred.

Highway patrolman Charles Pryor said the car missed a turn and turned over two times. The accident and youth were discovered about 8 a.m. Sunday by a motorist.

Kenneth Warren Reed was born in Dalhart in 1947. He had lived in Amarillo for 10 years and in the north part of Hansford County for the past three years.

He was a member of the Gruver High School Choir and the Future Farmers of America.

The time for entering and the details on the games will be announced next week.

An expensive seeding and rebuilding of the Spearman football field and surrounding area, plus a danger factor has led to the establishment of a new parking policy at the field.

No cars will be allowed to park inside the field this year.

School officials said this was necessary because \$2500 has been spent on improving and reseeding the field and practice area at the south end of the playing field. Cars would ruin this area for practice.

At the north end of the field the heavy congestion of pedestrian traffic makes it unsafe to have cars parking in that small area.

Extremist Resolutions

THE DEMOCRATIC PARTY may not be held accountable for the thoughts and actions of all its members--but it's high time national leaders repudiate some of the resolutions passed at the recent conference of Young Democrats of 13 western states.

The line taken by the conference couldn't be more anti-American if it had been written in Moscow. As a matter of fact, it's the same type of thinking as that espoused by the Kremlin's propaganda machine.

We refuse to believe that the far-left policies coming out of the conference are sanctioned by many regular members of the Democratic Party. Some of the Eastern liberals and Americans for Democratic Action crowd might go along with the questionable resolutions passed by the Young Democrats in Berkeley, Calif., but they're pretty leftist for the rank and file.

Among the 32 resolutions approved by the conference were these:

1. That the United States resume diplomatic relations with Cuba.
 2. That a non-aggression pact be signed between the North Atlantic Treaty Organization and the Communist Warsaw Pact countries.
 3. That the United States withdraw its troops from South Viet Nam.
 4. That the House Committee on Un-American Activities be abolished.
 5. That the McCarran Internal Security Act be repealed.
- The action in Berkeley moved Rep. Edward J. Derwinski, Illinois Republican to state: "I appeal to the President to repudiate these extreme leftwing views and further to free the Young Democrats from the fanatical leftwing groups which have clearly seized control of that organization."

If President Kennedy doesn't reject the line of thinking coming from the Western Young Democrats conference, other responsible Democratic leaders should take the initiative and diavow the line taken in the resolutions.

One thing is for sure--the Berkeley conference must have made leftwingers around the world gloat to see their propaganda, advanced by an American political organization.

Mrs. James O. Davis

Vanderburg - Davis Nuptials Read in First Baptist Church

In an impressive candlelight ceremony Saturday, September 7 at 7 o'clock in the evening, Miss Linda Kay Vanderburg, daughter of Mr. and Mrs. Everett E. Vanderburg of Spearman became the bride of James O. Davis, son of Dr. W. C. Davis of Memphis.

The Rev. Luther Berry, pastor, read the double ring vows in the sanctuary of the First Baptist Church before an altar arranged with baskets of white chrysanthemums and greenery. Seven-branched candelabras holding white ca-

thedral tapers were noted behind the altar arrangement and spiral candelabras were placed at either side. Pom pom chrysanthemums and greenery tied with white satin ribbons marked the bridal aisle which was covered with a white aisle cloth.

Mrs. Marvin Jones, organist, presented a prelude of nuptial selections and also accompanied Richard Fancher as he sang "I Love You Truly" and "Always". Traditional wedding marches were used for the processional and recessional.

Escorted to the altar and gi-

ven in marriage by her father, the bride wore a formal wedding gown of candlelight peau de soie. The low sculptured neckline and elbow length sleeves were accented with a cummerbund enhanced with appliques of French lace embroidered in pearls. The pearl encrusted appliques on the sheath skirt were repeated on the long back panel which fell over the chapel length train.

Her bouffant veil of imported candlelight illusion fell from a re-embroidered French lace pill box. She carried a white Bible which her mother

carried in her own wedding crested with a white gardenia. Short white gloves completed her attire.

Miss Nelda Jean Vanderburg attended her sister as maid of honor and Mrs. Jon Webb of Corpus Christi, college roommate of the bride, was brides matron. They wore identical long sheath dresses of silk ottoman in a moss green shade designed with short over-jackets. Their matching shell hats were of the same moss green ottoman and they carried single white spider chrysanthemums.

Bill Davis of Gainesville was his brother's best man and Jack Vanderburg, brother of the bride, was groomsman. David Duncan of Memphis, Zack Fisher, Edward Dear, and Burl McClellan, brother-in-law of the bridegroom were ushers. Zack Fisher and David Duncan also lighted the candles.

Mrs. Vanderburg chose for her daughter's wedding a sheath of sheer wool in a fawn shade with beige accessories and a white gardenia corsage.

Wedding guests were registered in a white leatherbound bride's book by Mrs. Douglas Moore.

The bride's parents were host at the reception immediately following the ceremony in fellowship hall of the church.

The serving table was laid with a white satin bridal cloth and centered with a white three tiered colonaded cake topped with a miniature bride and bridegroom. Mint green punch, nuts and dainty mints were also served. Table appointments were of crystal and silver.

The bridegroom's table was covered with a brown linen cloth and encircled at the edge with clusters of grapes. A chocolate cake centered the table and coffee was served from a silver service.

Misses Joan Greene, Mary Vernon, Susan Brown of Plainview and Marianne McCarthy of Casper, Wyo. presided at the refreshment tables.

When the couple left for their wedding trip to Colorado, the bride wore a Chanel suit of sea blue wool with accents of green and matching accessories. Her corsage was a white gardenia.

The bride is a graduate of Spearman High School and Texas Technological College, Lubbock, where she received her BBA degree this spring in Marketing.

The bridegroom graduated from Memphis High School and attended the University of Arizona and North Texas State University before graduating from Southwest School of Printing, a division of Sam Houston State College in Huntsville.

The couple will make their home in Spearman where the

Miss Karen Kirk Becomes Bride of Bruce Fiedler

Miss Karen Kirk, daughter of Mr. and Mrs. C. W. Kirk of Stinnett, became the bride of Bruce Fiedler, son of Mr. and Mrs. John Fiedler of Rockaway Beach, N. Y. in a double ring ceremony recently in the First Methodist Church of Stinnett. The Rev. Oland M. Butler was the officiating minister.

Mrs. Janet Reger, sister of the bride, was matron of honor. Best man was Lewis Bernstein of Rockaway Beach, N. Y.

Given in marriage by her father, Karen wore a dress fashioned of white chiffon. Her veil of silk illusion was fasten-

ed to a ring headpiece. She carried a bouquet of pink rosebuds with lace and white ribbon. The altar was decorated with baskets of pink and white gladioli.

Immediately following the exchange of nuptial vows the couple left for a three weeks honeymoon in Colorado. Upon their return, they will reside in Albuquerque, N. M. where Mrs. Fiedler plans to continue at the University of N. M. for a degree in elementary education. Mr. Fiedler will receive his BS degree in geology in February from the university.

bridegroom is co-publisher of The Hansford Plainsman and Sunday Plainsman.

Dr. and Mrs. W. C. Davis and Mr. and Mrs. Burl McClellan hosted the rehearsal luncheon on the day of the wedding.

Quartet tables were laid with white linen cloths and centered with bronze pom pom chrysanthemums. An arrangement of bronze chrysanthemums and white wedding bells highlighted the serving table.

Mrs. Edward Dear, Mrs. Don Floyd and Mrs. Zack Fisher assisted with hostess duties.

Out of town guests attending the wedding were Mrs. A. W. Howard, Dr. and Mrs. W. C. Davis, David Duncan and

Dr. Roddy Bice all of Memphis, Mr. and Mrs. Bill Davis, Sharlu, Teri Ann and Carl Pat of Gainesville, Mr. and Mrs. E. F. Vanderburg of Pampa, Fred S. Vanderburg, Fred Jr. and Gay of Pampa, Mr. and Mrs. Leo Shuler of Perryton, Mr. and Mrs. Charles Guthrie of Perryton, Mr. and Mrs. Brown Ross, Mrs. Martha Johnson and Chrissy all of Stratford, Mr. and Mrs. L. GEHL MIX-ALL

Assures You of Quality Feed

You're sure of the quality of your feed when you grind and mix your OWN home grown grains . . . no worry of getting someone else's moldy or low-quality grains mixed into your feed. And, best of all, you can mix your feed when you want it—entirely at your convenience—in your spare time. Mix-All means one-time handling of the feed as against 5 or 6 times when you're taking it to the local mill. This adds up to a great labor and feed savings as you use low-cost home grown grains with large volume purchases of concentrates and supplements. The ladder at the rear of the machine is standard equipment on the Mix-All . . . enables you to examine the inside of the mixing tank through the top inspection opening. The inspection cover is spring-loaded . . . keeps the weather out and feed dry.

Conveniently Located Concentrate Hopper

This low-mounted, easily accessible hopper allows you to add concentrates or additives to your feed. Simply slide off the cover and pour in your additive . . . thorough mixing with the feed is obtained automatically. Bag guide stop lets you put a bag right down into the hopper without worrying about it getting caught in auger. It's another bonus feature from Gehl.

THE MORSE CODE

Adoption of a policy handbook and an achievement award system were two main items of business at a meeting of the Morse school board recently.

The policy handbook is the first such bulletin published by the Morse Independent School. It is designed to help the employees, parents and citizens of the community to understand better the responsibilities, obligations, duties and relationships of all concerned in the operation of the school. Many policies were taken from actions of the Board of Trustees as recorded in the minutes of the few past years. Written policies of other schools were studied to determine good regulations and practices.

An achievement awards program as recommended by the administration was adopted by the board. This system is based on the idea of giving recognition to those who excel in all other fields of endeavor outside of athletics. An award of achievement will be presented to each student having earned 100 points during a current year. Points will be given for leadership such as holding student council and class office, cheerleaders, activities on the school paper and annual; scholarship; literary events, library assistants and office staff, prompt and regular attendance.

Near the end of the school year an "Award Night" will be held at which time all awards will be presented and recognition given to outstanding students. To qualify for these awards a student must carry at least four academic subjects and meet the approval of the award council as to behavior, class work, attendance and general conduct toward the school at all times.

Three jackets of achievement will be awarded during the 4 year high school period under the award system. If a student receives a jacket for participation in athletic events then he will not be entitled to a jacket for achievement, but may receive a trophy of achievement.

Students in the Morse school will be dismissed Monday, Sept. 16 to attend the Tri State Fair at Amarillo according to John Brumley, superintendent.

Students will not be excused from classes on any other day to attend the fair. The school will not send a bus this year.

The first meeting of the Morse PTA will be held Tuesday, Sept. 17 at 7:30 in the school auditorium. At this meeting the school faculty will be honored with a reception.

Morse Lions Club will meet Thursday (tonight) at 7:30 in the school cafeteria. Directors meeting will be at 7:00 p. m. Morse HD Club will meet with Mrs. Tom Dortch today at 2 p. m. All members are reminded to bring their rum-

mage to the meeting.

A coffee was held in the home of Mrs. Desmond Kelly Friday morning given by the teachers of the Good News Club. Purpose of the coffee was to explain the years work to the mothers in the community. Teachers of the class are Virgie Kelly, Lovenia Thompson, Annie Clifton and Beth Dortch.

Mrs. Joe Hagan of Sunray visited with Mrs. Besse Henderson Sunday.

Mrs. Kenney Is Honored

The 4-H Pals Club honored Mrs. Byron Kenney, former Home Demonstration Agent, with an Anticipation Party August 28 in the home of Mrs. P. A. Lyon, Jr.

This was the final event in completing their Recreation Project for the year. The favors, refreshments and games were planned, made and given by the girls. Favors included napkins in the shape of an infant's gown and miniature storks made from safety pins.

Mrs. C. E. Blackburn, local florist of Boxwell Bros. Flower Shop gave the girls a demonstration prior to the party on the making of the centerpiece used for the party and the corsage which were both presented to the honoree.

The opening of gifts by Mrs. Kenney concluded the party.

Those attending were Mrs. Kenney, Mrs. Glen Mackie and Cathy, Mrs. Dwight Hutchison and Rebecca, Judy Womble, and the hostesses, Mrs. P. A. Lyon, Jr. and Catherine.

DAY BY DAY

BY DAY Mc CLELLAN

I've noticed that people in this part of the Panhandle are not as interested in preserving the remembrance of the Confederacy as they were I grew up just a hundred miles or so further south.

I can't figure out if I've moved to a land of "Yankees" or if it's just that a hundred years is a long time to keep remembering.

I often remember though my music teacher who was a staunch and active member of the U. D. C. (United Daughters of the Confederacy), and whose stirring patriotism to everything "grey" and "Rebel-colored" even included teaching me all the songs of the old South.

One of my best learned lessons was that we never refer to the "War Between the States" as the "Civil War". That was because, as far as my music teacher was concerned, the South had actually seceded from the Union, and so therefore it was a war between two distinctively different "Nations" and not a civil war.

Since I've heard about the War Between the States for so many years and in such a vivid way, I was particularly interested and amused by this explanation of why the South was defeated, a fact I've never quite been able to understand anyway.

"Sen. Sam J. Ervin, Jr., North Carolina Democrat, reports that a constituent is

seeking to enlist his aid to write an American history on the basis of the true story of Lee's surrender at Appomattox which the constituent discovered recently in the diary of an eyewitness ancestor.

"The ancestor, a private who was familiar with his commanding general, wrote that mass Robert E. Lee, having licked the Yankees, was prepared to march on to Washington, raising the stars and bars over the Capitol, and sleep in the White House.

"Lee stopped at Appomattox, according to the diary, to rest for the triumphal march. General Ulysses S. Grant marched into the court house. Lee assumed from Grant's careless dress that he was an orderly and handed over his sword for cleaning. When he discovered Grant's true identity, Lee was too much of a gentleman to embarrass a guest, so he let the surrender pass without protest.

Hear About Summer Trips

The Morse Community 4-H Club began the new year of work Monday night Sept. 9 with a meeting held in the school auditorium. President, Don Kelly, led the pledge of allegiance and the 4-H Club pledge.

Allen McCloy told about touring the college farm and of several experiments which are being carried on with animals and plants at the farm. Don Kelly described the church services in the First Methodist Church in Lubbock which the group attended and also the recreation enjoyed by the Junior Leaders while they were in Lubbock.

Judy Gillispie gave a report on District 14-H Electric Camp at Cloudcroft, N. M. which six of the Junior Leaders attended.

Alan Dixon and Allen McCloy reported on the AIC Convention at Lincoln, Nebr.

Election of officers will be held and a meeting time will be discussed.

The Way I See It

Robert Cordes, Pastor Oslo Lutheran Church ONE AMONG SO MANY

Many people fail to exercise their right to vote with the logic of what will one vote do among so many. Or some fail to write their congressman with the same philosophy in mind—they would never pay attention to my thoughts.

Mass man tends to feel his personal convictions do not count. He grows accustomed to being overwhelmed by law, by bureaucracy, the "sense of the meeting", or by regimentation. Eventually he loses all desire to express himself.

Are you important? You may feel insignificant among the crowd. Let me assure you God knows you as an individual. He even sent His Son to be the substitute for your sins.

Jesus paid for the guilt and penalty of your transgressions. He loves you as an individual.

A danger always exists that Christianity become impersonal especially in larger congregations. The sermon is preached, the hymns sung and out the door we file. We may not know many of the people by name who worshipped. Home we go into the mass of the world to be swallowed up again by its speed and greed.

But Christianity was never meant to be impersonal. As a believer in the Lord Jesus Christ you are to feel you are important to the Lord's work. He expects you to speak up or to give positive example by your living that you are a child of God. He created you. He saw human civilization fall but also loved you in Christ by dying on the cross as your substitute. This the world is to see in your life.

As an individual you are important. Do not ever get the idea in this world of bigness and massive onslaught that you don't count. Stand up and be counted---and especially as a believer in the Savior Christ the Lord. God still believes in the dignity and importance of the individual person. You are important in His sight.

Mr. and Mrs. Oscar Mullins went to Woodward where they met Mrs. Gordon Mullins and sons and Margaret Ann. Margaret Ann returned home with her parents after spending 10 days visiting relatives at Ponca City.

EQUITY

THE COMMON

IS THE MAJOR MEDICAL CAUSE OF SCHOOL ABSENCES IN TEXAS.

The common cold continues to be the largest single factor contributing to the 19.1 days per school year the average Texas student is absent from school according to a recent study. Statistics show that Texas students are far above the state of Washington where the average is 10.5 days. The national average is 18.9. Children of elementary school ages have five times as many colds as adults so they need even more protection.

Since the first onslaught of colds strikes the schools almost as soon as the children assemble for the school year, parents should be reminded that the best defense against colds is prevention.
