## LYNX, RATTLERS DEADLOCK

### Fumbled Kick-off Sets Up Rattlers' Lone Scoring Chance

KEEPER - Quarterback Charles Shieldknight (with the ball) picks up needed yards behind the blocking of Hal Shufeldt (40). Lynx Steve Holton is in the background. This play to each side was a big gainer for the Lynx at crucial times.

A rugged defense and some great clutch running carried the Spearman Lynx to an 8-8 tie with the big Stinnett Rattlers in Stinnett Friday night.

A miscue on the second half kick-off set up Stinnett's lone score and was the only time they were able to get beyond the Lynx 40-yard line.

A couple of fumbles and penalties at critical times hurt the Lynx in their efforts against Stinnett's bulk.

It was the educated foot of Randy Moore that kept the Rattlers back in their end of the field most of the night. He punted five times for a 38-yard average.

Spearman threatened once in the second quarter, but failed to score six points. They did get a safety after giving up the ball though.

The drive started on the Stinnett 48 when Charles Shieldknight recovered a Stinnett fumble.

Hal Shufeldt and Bobby Smith did the footwork in the drive, but it was a 32-yard strike from Shieldknight to end Har-

ley Reeves that put the Lynx within striking distance.

Reeves was dropped on the 15, and from there Shufeldt, Smith and Jerry Holton got to the three with a first down. On the next play the ball got away and the play lost four yards. Smith and Shieldknight tried three times but could not get the yards and Stinnett took over on the three.

Seven plays later Stinnett was forced to punt from their own 24. The snap from center went over the head of Teddy Gaddis to the end zone. End Mike Hendrick was in on Gaddis and he had to fall on the ball in the end zone, giving Spearman two points.

Stinnett got a free kick from the 20 and Spearman failed to move the ball out to the 40 where Steve Holton, James Schnell, and Randy Moore dropped Shields for an 11-yard loss as the half ended.

On the opening kick-off of the second half, the Stinnett kick-off got away from a Lynx back and bounced to the Spearman 28 where Stinnett

recovered.

It took the Rattlers eight plays and on off-side penalty against the Lynx to score. The Rattlers were facing third down at the Lynx six when Spearman jumped off-side and gave Stinnett a first down at the Lynx three. Shields got only one, then big Keeton Johnson bulled over for the score. Spearman broke up the pass for the extra points, but the officials rulled pass interference and Stinnett got a second try from the one. Johnson made it this time to put Stinnett ahead 8-2.

Spearman started its scoring drive with the kick-off at the Spearman 28. The first three plays went for naught and Moore punted. A Rattler got too enthusiastic with an elbow and Spearman got a first down on the 15-yard penalty.

With a first at their own 45 yard line, Shufeldt put his head down and started moving the ball. He got help from Smith and Steve Jordan as they bulled the ball down to the Stinnett 19. On second down, Spearman was penalized five yards for being in motion.

With second and 10, Shieldknight went to the air only to have the ball batted down. On the next play Shieldknight was not to be denied. The big quarterback had his head in one man's middle and was dragging two more when he was stopped at the 13 with a first down.

Shieldknight, Holton and Shufeldt went on to the five where on fourth down, they needed two. Shufeldt slammed into the line and when the chain was put on the ball, the Lynx had the first by one inch.

Holton hit for one, then Shufeldt slammed the ball across with a foot to spare. Teddy Gaddis blocked the Shieldknight try for the extra point.

After two punt exchanges, Smith gave Spearman the ball at the Stinnett 42 on an intercepted pass. With less than a minute to play, Spearman went into the shotgun offense and Shieldknight hit Reeves twice and Smith once to move the ball to the Stinnett 29.

On the last play Shieldknight dropped a short pass to Steve Holton who was an ineligible receiver. The penalty would have been 15 yards, but the game was over.

Should the results of the game be necessary to decide the district title, Spearman was leading in penetrations two to one. However, since Phillips is far in the lead, it is doubtful that the game will decide the title.

### Morse Takes District Lead

Morse's rampaging Mustangs took a firm hold on first place in the District 5-B eight man football race by beating first-ranked Roaring Springs 24-8 Friday night in Roaring Springs.

Roaring Springs had been rated first in the district. Mike Johnson, Alva Henderson, Eddie Papay and Jesse Vera tallied for Morse.

This was the second district win for Morse. They routed Patton Springs last week 52-14.

Morse has three more district contests. They go back south next week to play Guthrie, then come back north to play Darrouzett there on Nov. 4. The last game is with Estelline at Morse. Estelline beat Morse for the title last year.

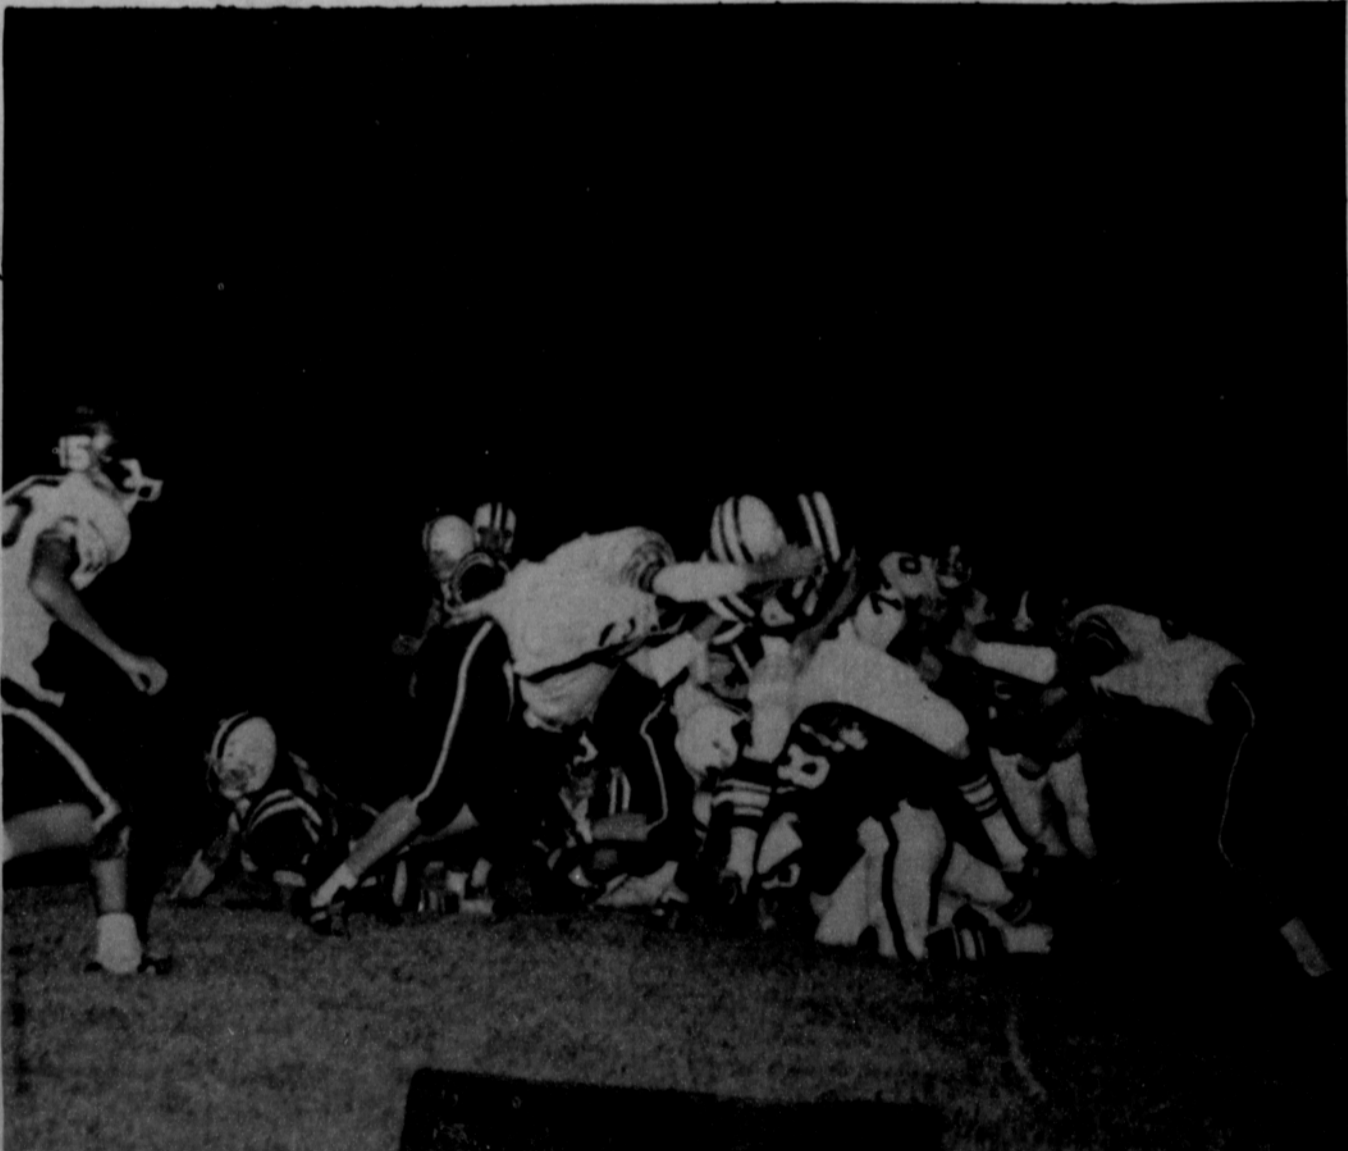

### Revival Begins At Local Church

Revival services will begin today at the First Assembly of God Church in Spearman and continue for the next two weeks.

The Rev. Lewayne Schaeffer will be the evangelist for the services. Services will be held each week-day evening at 7:30. Sunday services will be at the regular time.

There will be special music at each service.

Pastor of the church, the Rev. Roger Rounsaville extends a special invitation to everyone to attend each service.

play. After two plays failed, Hutchison took off on a sweep behind the blocking of Brown, Brown and James Lemons.

Lemons got the first down on another sweep, then two more efforts put the ball to the one yard line. Brown scored on a quarterback sneak when the entire Spearman line rolled the Rattler defenders back. Burk kicked the extra point to make the score 13-6.

Spearman kicked off and set up the second touchdown. With the clock showing less than 30 seconds and Stinnett trailing seven points Stinnett tried to throw the ball into the gale.

They threw the first ball out of bounds to stop the clock, then tried for a big gainer in the air. Everything went right except the ball. It stopped in the air about four yards short of the receiver, but Jim Brown was there.

He got the ball at the 50 and with the wind at his back, soon had all the Rattlers in the same position. He scored untouched. The try for the extra point kick was fumbled.

This 19-6 win was the third one of the year for the valiant 13 B-teamers. They won their first game of the year, then did not get back on the winning path until last week when their numbers had been reduced to 13 players.

The dedication of these 13 is fantastic. Thursday night Jimmy Brown played with broken shoulder pads because there was no one to replace him while they were repaired. The pads were fixed at half-time, but he tore them up early in the third quarter.

Howard Klos collapsed after the game. He had been playing with the flu.

Homecoming is Oct. 28.

Miss Kathy Crawford's son spent last weekend here visiting her parents, Mr. and Mrs. Cecil Crawford. She returned to Arizona Monday.

## Last Minute Explosion Gives Spearman Win

Spearman's valiant 13 whipped the big Stinnett B-Team here Thursday night 19-6 in a windblown affair that exploded in the last minute.

Spearman's 13-man B-team had the freshman squad backing them up, but only one of the freshmen got into the tough

action against the big Rattlers. Fullback Joe Hutchison put Spearman in the lead with a 69 yard gallop that started out as a routine blast into the line.

The tough, explosive little blaster found some running room and with some good blocking down field, went 69

yards for the score. Quarterback Jim Brown failed to get the points.

Stinnett tied the game at 6-6 on a 25-yard pass play, but failed to get the extra points.

The wind hampered the passing efforts and it looked like a defensive battle as both teams turned in strong defensive games.

Bruce Brown's foot set-up the tie breaking situation. Brown hung a high punt in the wind and P.A. Lyon III raced down field to cover the punt. Lyon killed the ball on the one yard line as it rolled out of bounds.

The defense held Stinnett inside the five and forced them to punt. Spearman got the ball on the Stinnett 25 with just over two minutes to

## Gladiola Flower Club Luncheon In Buzzard Home

The Gladiola Flower Club met Thursday for their last fall meeting of the year with a luncheon in the home of Mrs. Lloyd Buzzard.

During the business session conducted by Margaret Adamson, officers for the new year were installed. Installed were Betty Jean Davis, president; Carolyn Wood, vice president; Wanda Brown, secretary and reporter; Lil Turner, treasurer; Patty Spoonemore, historian; Jackie Banks, flower chairman; Dorothy Buzzard, park chairman.

Three arrangements were displayed. Jackie Banks brought a borrowed bouquet of yellow mums and two arrangements of mixed fall flowers in hollowed out pumpkin shells, which were used as centerpieces for two

luncheon tables.

Winners for arrangements for the year were Jo Larson and Sylvia Robertson with Margaret Adamson, the winner of the specimen.

The program titled "Many Ways to Create a Surprise" was given by Dorothy Haner.

A luncheon of ham, salads, hot rolls, coffee and tea was enjoyed by Margaret Adamson, Jackie Banks, Wanda Brown, Betty Jean Davis, Dorothy Haner, Estelle Jackson, Jo Larson, Sherry Partridge, Sylvia Robertson, Gwen Smith, Patty Spoonemore, Lil Turner, Carolyn Wood, Pat Reeves, Dotty McKay, Judy Wood and the hostess.

## Seventh and Eighth Grades Take Stinnett on 24-0 Wins

Spearman's Junior High teams found the hunting good in Hutchinson County Thursday night as the Eighth and Seventh grades both whipped Stinnett 24-0 in two games.

The Eighth grade rolled on undefeated and with only a tie to mar their record as they toyed with the Stinnett group.

Tommy Loveday led the scoring with two touchdowns and two extra points. Henry Flores scored one. Phil Windom ran over two points extra points and Eddie Richeson was the last player to touch a Stinnett fumble as it went out of the end zone for a Spearman safety and two more points.

Robert Archer scored one touchdown for the Lynx only to have it redflagged off the scoreboard.

Coach Jerry King was well pleased with his team. Everyone saw action and the second team was successful in a goal-line stand at the three to tum back a Stinnett scoring try.

Joe Bob Grayson led the attack for the Seventh grade who got their offensive efforts cranked up for the first time this season for the 24-0 win. Grayson got all three of the seventh grade markers and Stump scored the extra points.

stration Farm is to demonstrate the value of research findings of the Foundation to achieve more "take-home money" for the agricultural industry on a farm-wide basis.

The first year of operation of this new venture by the Foundation was considerably handicapped by early hail and heavy rain, just as many farmers have experienced. The 1966 season has thus far been free from severe adverse weather conditions and excellent progress has been made in its operation by manager, Don Staggs. The Foundation staff assisted in the planning of the new operation, using the research findings achieved at the Research Foundation Farm at Halfway.

The High Plains Foundation Farming System is achieving results found through many years of research results on this System at Halfway. Cotton has been interplanted with grain sorghum and also castors on five different acreage areas. The grain sorghum harvested from the interplanted acres yielded 7,250 pounds per acre and it was ready for harvest ahead of the solid planted sorghum. The solid planted

grain sorghum yielded 6,350 pounds per acre.

A sprinkler irrigation system has been successfully used this year. A lake pump has also been in operation, utilizing the accumulated tail and rain water received in the playa lake on the farm. Irrigation methods involving proper timing and minimum application for maximum results proven from years of research at the Foundation were found to be successful on a commercial farm basis. Fertilization rates recommended by the Foundation staff also were successfully applied to large acreages of various crops. All major soils of the High Plains are found on the Demonstration Farm.

Dr. Collister said that utilization of the J. Frank Triplett Research and Demonstration Farm is another step in the Foundation's program of giving the agricultural industry information which will make farming more profitable on the High Plains.

W. J. Lewis entered the Highland General Hospital in Pampa this week for tests and observation.

## State 4-H Dress Revue Report By Miss Hutchison

Rebecca Hutchison reports a most worthwhile experience and an enjoyable time from her trip to the State 4-H Dress Revue held at the State Fair in Dallas Oct. 13-15.

The 45 girls modeled a large variety of current fashions from slacks and ponchos, cow-girl western pants and jackets, madras play clothes, sunback dresses, dressy wool coats and

dresses to evening formals. Miss Jackie Block, fashion director of Titcher-Goettinger's Department Store of Dallas, gave the girls modeling tips and moderated the two revues given for the public at the fair grounds.

The girls were divided into four groups and each group chose the top 3 from their group. Then these 12 girls were voted on by each girl. Rebecca was in this top group to compete for the finals. The winner made an all-cotton costume—a black simulated leather coat, worn over a black and white houndstooth check dress. Her accessories were a black leather jockey cap and knee high black boots. This costume was made of the same material and similar pattern as last year's winner.

The girls enjoyed their tour of the Apparel Mart, one of the largest wholesale clothing markets in the southwest which was displaying the coming spring fashions.

Rebecca wishes to thank everyone who made her trip possible.

## High Plains Research Shows Value Of Program

The second year of operation of the 504 1/2 acre J. Frank Triplett Research and Demonstration Farm of the High Plains Research Foundation is showing the value of the Foundation's research program

as applied to a typical West Texas farm, according to Dr. Earl Collister, Executive Vice-President and Director of the Foundation.

The purpose of the J. Frank Triplett Research and Demon-
