THE Hansford PLAINSMAN Sunday

Spearman (Hansford County) Texas

October 11, 1982

Volume 12

Number 48

Eakin boys

The finals for Ranges I, II, and IV of the United Sheriffs Poses and Riding Clubs was held Sept. 25th and 26th. To qualify in each event, a contestant must be in the top five placings for the playdays held in his range. Mark and Matt Eakin were contestants in all nine events at the finals.

Matt rode in the Mini-Pee Wee Boys Division (ages 6 and under), and Mark rode in the Pee Wee Boys Division (ages 7-10). Matt placed first in all nine events which included barrels, pole bending, pylons, rings, golfette, flags, two-man relay, ribbon race, and rescue race. Mark placed first in barrels, pole bending, flags, and ribbon race; second in pylons, two-man relay, and rescue race; and fourth in rings. Matt and Mark won the buckle for the High-Point award in their age divisions.

Oct. 1st and 2nd a free fair horse show and Quarter Horse show were held in Guymon, Okla.

Oct. 1st was the pony and open horse show. In the pony division Matt Eakin and Bucky won 4th in halter geldings, 3rd in walk-trot, 6th in showmanship at halter, 2nd in costume, and 1st in barrels, pole bending, and flag race for ponies under 46" tall.

Mark won 2nd in costume, showmanship-at-halter, and halter geldings; 4th in walk-trot; and 1st in flags, pole bending, and barrels for ponies over 46" tall on Skeeter.

Monty Eakin rode in one event in the pony show, lead line for ages 5 and under and won 1st place.

In the open horse show held at 2 p.m. at Guymon, Mark won 6th in halter geldings, 4th in western pleasure, 3rd in reining, and first in barrels.

On Oct. 2nd, four Spearman youth competed in the Quarter Horse Show held at Guymon. They were Deana Turner, Will Jarvis, Bob Jarvis, and Mark Eakin.

Deana Turner won 2nd in showmanship-at-halter and Western Pleasure; 3rd in barrels, pole bending and hunt seat; and 4th in western riding. She also won the all around youth trophy.

Will Jarvis placed first in halter geldings, 2nd in Western Pleasure, hunt seat, reining, youth heeling, youth heading, and youth break-away; and first in youth tie-down calf roping.

Bob Jarvis got first in youth heading, youth heeling, break-away calf roping, and second in youth tie-down calf roping.

Mark Eakin won third in western riding and first in barrels and pole bending.

SHS Chorale Students Make All-District

The Spearman High School all-district choir, under the direction of Travis Angel, is one of the finest in the state of Texas. Pictured, bottom row, left to right; Jay Pack, Trenda Nuckles, Qynn Brown, Buddy Pool, Lisa Scroggs, Jeff Gressett. Back row, left to right; Le Ann Gibner, Preston Taylor, Greg Meek, ShaLynna Harris, Teresa Miesner, Cindy Hendricks, and Mr. Travis Angel. Absent was Joan Odegaard.

This past Saturday, October 2, at Tascosa High School in Amarillo, 500+ students representing Class A to Class AAAAA high schools in the Texas Panhandle auditioned for the All-District Choir.

The students were required to sing three different pieces of music for judges who scored them on correct notes and rhythms, vocal quality, and overall musicianship. Out of the students, only 16 per section were chosen.

These 16 students will have the opportunity to audition for the All-Region Choir here in Spearman on November 13. They will audition on three different pieces of music for the judges.

The district music numbers were: "Domine, Ad Adjuvandum Me Festina" by Martini, "Neighbors' Chorus" by Offenbach, and "Music Spread Thy

Voice Around" by Handel. Spearman had 23 students audition and 14 chosen. They are: Teresa Meisner, ShaLynna Harris, Cindy Hendrick, Trenda Nuckles, Lesa Scroggs, Lea Ann Gibner, Tracy Traylor, JoAnne Odegaard, Qynn Brown and also, Buddy Pool, Jeff Gressett, Jay Pack, Preston Taylor, and Greg Meek.

Hansford county was hit with strong winds and approximately .45 moisture early Friday morning.

Pets and productive farm animals have a new friend in town in the person of Dr. Darrell Yarbrough, doctor of veterinary medicine, now associated with Dr. Tom Latta's Veterinary Clinic.

An added bonus to the community is Dr. Yarbrough's wife, Carrol, a teacher with seven years of experience now teaching physical education in elementary and junior high school here.

The fact that the Yarbroughs decided to settle here is a tribute to the High Plains area for they are both natives. Darrell grew up at Canyon and Carrol is a native of Dumas.

They did undergraduate work at West Texas State University where she taught in the Amarillo school system while he did advance work and then taught another three years at Bryan while he did his advanced studies in veterinary medicine at Texas A&M University.

Although this will be Dr. Yarbrough's first formal practice, he noted with a grin:

"A&M has never backed off on standards. It's a tough course but when you graduate from there a doctor of veterinary medicine, you have had more practical activity than many vets get their first year of practice."

Yarbrough said he expected to be busy. There will be no specialty assignments as such, like horses, cows or pets.

"The doctor at hand when a case comes up--whatever it is--will handle it. One reason I decided on association with Dr. Latta was the large practice he has and with Dr. Glenn Blodgett ranging far afield to treat with agriculture animals, I am certain of being busy," Yarbrough explained.

That was the initial reason for deciding on Spearman and the Latta Clinic. There have been bonuses.

"I am amazed at the quality and smoothness of function of the school system here!" Carrol Yarbrough said. "And everyone is so friendly and helpful."

"And that goes for everybody in Spearman!" she added.

Dr. Yarbrough first said he had no hobbies but admitted then he enjoyed a few rounds of golf, some sets of tennis and some bird hunting in season, but...

"Patients come first for a doctor in any practice and a veterinarian is like all others. There is little to no time for hobbies that require much dedication."

Carrol's teaching profession makes similar demands, not in patient care but in planning and meetings and other time demands. So, she tries to match pace with her husband, the doctor, so that whatever they find time to do for relaxation, they do together.

Reportedly, this has marked prior community activities and involvements in other communities: things done together.

Even their names suggest it: Darrell and Carrol. Welcome!

Lynx lose heartbreaker 9-6

The SpearmanLynx opened their district play at Boys Ranch last night, losing a heartbreaker 9-6.

Dennis Randall dashed 60 yards on the first play from scrimmage, and scored on a 2 yard run to give the Lynx an early lead.

The Ranchers scored in the third stanza, and made their extra point to take a 7-6 lead.

The game was basically a defensive struggle, though the Lynx did outgain the Ranchers

Boys Ranch intercepted three Lynx passes and Spearman recovered three Rancher miscues.

The Lynx are now 4-2 for the SEASON*AND TRAVEL TO Canadian next Friday.

Last call for history book Volume II

The Hansford County History Book Volume II committee announced this week that the book has been proofed and is now at the publishers who are setting up the book. After they have the book set up and it is sent back here for final proofing there will be no more book sales.

So if you want this second volume to complete your Hansford County history contact Sylvia Robertson, 515 S. Archer Spearman, or Ada Joyce Stedje,

Gruver, at the Gruver Drug Store, Hansford Library or Station Master's Museum.

The cost of the book is \$46.20 including tax or \$49.20 if you desire to have the book mailed to you or mailed to someone else as a gift.

There will be only one publication of the book which contains 550 new stories plus other general history that there was not room for in the first Volume, so get yours now.

Fashion Showcase set for 1982

A 1982 Fashion Showcase will be presented by the Spearman Merchants and the Spearman High School Cheerleaders Sunday, November 14th at 2:30 p.m. in the high school cafeteria.

In the Fashion Showcase, women's, men's, teen's and children's fashions from local clothing stores will be modeled. Tickets to the 1982 Fashion Showcase are \$5.00 with children under 12 admitted for \$3.00. Refreshments will be served.

Team managers for the Spearman Lynx, left to right are Leonard Garrard, Brian Watley, and Ricky Blackburn. Coach Larry Lanier is proud of this fine group of managers. The team managers are very valuable to any football team, especially this fine trio.

Faye's Daze

I will certainly be glad when the Nov. 2 election is over, not that I am running for office or anything like that, but we get so much mail from the candidates, each telling all the bad things about his opponent, and about their own fine qualities. Nearly all of this goes in file 13, and file 13 is full and overflowing.

I was ill last week with what the doctor called acute sinusitis and didn't work. When I came back to work this week, the boss had another poster pasted just above my typewriter. It is even worse looking than the other one. This one is called Secretary Burnout. The drawing is indeed horrible and the descriptions are something else. First, comes permanent wrinkles from constant smile at deadline pressure, then hard of hearing from exposure to telephone duty & dictaphone, then teeth lost in fight over taking breaks and lunch, then ulcer from holding back urge to punch somebody out, then finger cancer from too many rewrites, retypes & paper cuts, hair frazzled from bad nerves; bad eyesight from deciphering poor handwriting (have you ever seen Billy Miller's handwriting), next bad posture from bending over desks, tacky clothing from 25 years of low pay, and last of all hand lost in Xerox machine.

Right now, I am looking for a poster of an over-the-hill, chest-fallen graying man whose feet hurt. If any of you run across such a sight, please let me know, I would even be willing to spend some of my low pay for such an object.

The following 'Little Red Hen' fable speaks for itself about the way our free enterprise system works in America.

Once upon a time, there was a little red hen who scratched about the barnyard until she discovered some grains of wheat. She called her neighbors and said, "If we plant this wheat, we shall have bread to eat. Who will help me plant it?"

"Not I," said the cow.

"Not I," echoed the duck, the pig and the goose.

"Then I will," said the little red hen. And she did. The wheat grew tall and ripened into golden grain.

"Who will help me reap my wheat?" asked the little red hen.

"Not I," said the duck.

"Out of my classification," said the pig.

"I'd lose my seniority," said the cow.

"I'd lose my unemployment compensation," said the goose.

"Then I will," said the little red hen. And she did.

At last it came time to bake the bread. "Who will help me bake the bread?" asked the little red hen.

"That would be overtime for me," said the cow.

"I'd lose my welfare benefits," said the duck.

"I'm a dropout, and I never learned how," said the pig.

"Well, if I'm the only helper, that's discrimination," said the goose.

"Then I will," said the little red hen.

She baked five loaves and held them up for the neighbors to see.

They wanted some and in fact demanded a share. But the little red hen said, "No, I can eat all five loaves."

"Excess profits," cried the cow.

"Capitalist leech!" screamed the duck.

I demand equal rights!" yelled the goose.

And the pig just grunted. And they painted 'unfair' picket signs and marched round and round the little red hen, shouting obscenities.

When the government agent came, he said to the little red hen. "You must not be greedy."

"But I earned the bread," said the little red hen.

"Exactly," said the agent. "That is our wonderful Cradle-to-the-Grave security system. Anyone in the barnyard can earn as much as he wants, but, under modern government regulations, the productive workers must divide their products with the idle. You must give four loaves to your neighbors."

And so life went on in the barnyard, as usual. But the little red hen's neighbors wondered why she never raised any more wheat or baked any more bread.

Town and Country Extension Homemakers Club Meet

The Town & Country Extension Homemakers Club met October 5th, 1982 in the home of Cora Queener. President Cora Queener called the meeting to order.

A devotional was given by Pat Cudd.

Roll Call was answered to: "A Prospective Member."

One Communication, a thank-you from Gail Woodington, was passed around.

The minutes of the last meeting were read and approved.

Lynna Renner reported that December 11th, a social for members and husbands has been planned. It will be at Pat Cudd's home.

Delinda McLaughlin reported for the Recreation/Education Committee that each member is responsible to bring a minimum of \$10.00 worth of items for the Bazaar to be held during the Membership-Drive Salad Supper, October 28th at 7:00 p.m. We are each to put our clubs' initials & the minimum cost. Delinda also reported that the Veteran's Day program is scheduled for November 11th. She reminded us that we will meet with the Commissioner's October 11th at 10:00. Delinda & Sammye Goehring will represent our Club.

October 23rd is the 4-H Banquet. Karen Haruff needs 6 volunteers to teach different

4-H classes for 6 weeks. Contact her if you can.

The newly-elected Council officers are as follows: Paty Shepherd-President, Linda Winegarner-Vice President, Dixie Smith-Secretary and Penny Ralston-Treasurer.

Our Club will clean the Club Room October 28th at 1:30.

Lisa mentioned we can order scissors through Karen Haruff.

Penny Ralston gave the program on Club Membership.

Our next meeting will be held October 19th at Linda Close's home. Everyone will meet at Debi Rogers' at 1:00. The program will be on "Giftwrapping."

Members present were: Julie Adams, Pat Cudd, Denise Harbour, Janie Kunselman, Delinda McLaughlin, Lisa Pipkin, Cora Queener, Penny Ralston, Lynna Renner, Debi Rogers, Dixie Smith, Connie Steger, Gail Woodington and Sammye Goehring. Two guests present were Pam Edwards and Paula Foster.

SANCTIONS

TOKYO -- British Prime Minister Margaret Thatcher said recently that President Reagan's sanctions against European companies shipping equipment to the Soviet gas pipeline may induce European concerns to stop using U.S. technology in goods they produce for export.

Engagement Announced

Mr. and Mrs. Wilson Bruning of Gruver, Texas announce the engagement and approaching marriage of their daughter, Cynthia Sue, to Tony G. Wolff, son of Mr. and Mrs. Eugene Wolff of Brookville, Kas.

Cynthia is a 1975 graduate of Bruning High School, Bruning, Neb., and is employed as a bookkeeper at the Farmers Elevator Co-op Co., in Bavaria, Kas.

Tony is a 1970 graduate of Ell-Saline High School, Brookville, Kas., and is employed as a machinist at Westinghouse Electric Corporation in Salina, Kas.

A November 13 wedding is planned.

Ann Thom Services Held

Memorial services for Mrs. Ann Beck Thom, 81, were held at 10:30 a.m. Thursday in the First Christian Church of Gruver with Frank Buzzard and Roy Edwards, officiating.

Burial was in Gruver Cemetery by Boxwell Brothers Funeral Directors.

Mrs. Thom died Tuesday in Spearman. She had been a resident of Hansford Manor for the past several months.

She was born in Paris, Texas and moved to Hansford County in 1903. She was a retired schoolteacher and was a member of First Christian Church, Order of Eastern Star and China and oil painting clubs. She married R.L. Thom in 1950 in Kansas City, Mo.

Survivors include her husband; three sisters, Elizabeth McClellan, Spearman; Ollie Jarvis, Stinnett and Ailene Peiron of Seguin; and a brother, Ben B. Beck of Amarillo.

Chorale performs at WTSU Honor Choir Day

The Spearman High Chorale performed at West Texas State University on Honor Choir Day Saturday, September 25.

The choirs are chosen because of their past performances at contests and festivals. Only six area choirs are chosen from Texas and the Tri-State area each year.

The choirs sang in the morning for a guest clinician who then commented on their strong points and gave suggestions on how to improve. This year the clinician was the

distinguished Dr. Howard Swan who is visiting the WTSU campus as a Choral Professor.

The chorale sang "Praising Song" by Curtis and "Domine, Ad Adjuvandum Me Festina" by Martini under the direction of Travis Angel and accompanied by Carol Pack.

That afternoon, the choirs performed for each other and also heard the outstanding WTSU Chorale under the direction of Dr. Hugh Sanders.

Spearman is also represented

in the 50 voice chorale by Denise Blackburn, Becky Lusby, James Pierce and Bill Cope.

All of these students were once members of the S.H.S. Chorale and should be commended for being in one of the nation's outstanding choirs.

T-Bird Is On View

The Ford Thunderbird to be won at the annual T-Bird Ball is on view at Johnnie Crawford Ford on Main Street in Spearman until the ball on Saturday, November 6, 1982.

The T-Bird Ball is an annual fund raising event for the Hansford County YMCA, sponsored in '81 & '82 by the Sports and Recreation Committee of the Spearman Chamber of Commerce. The proceeds from the ball go to the local YMCA to help defray expenses of operation, pay the mortgage on construction during the first year of operation, which provided for the fitness center, second

floor aerobics and meeting rooms, office renovation and equipment purchases. The funds also help subsidize the costs incurred in youth sports programs, like baseball, soccer, direct them to her. Mike Cudd is chairman of the Sports and Recreation Committee of the Spearman Chamber of Commerce.

flag football, basketball and recreational programs at the YMCA building.

Concert Series Sunday

Members of the Community Concert Association of Borger are reminded of the first concert of the 1982-83 series which will be Sunday, October 10, 1982, at 3:30 p.m. in the Borger High School Auditorium. It will feature "Chaunticleer, A Feast of Fine Voices".

Any Spearman member of the Association who did not receive his membership card should call 659-2432.

"We often pardon those who weary us but we cannot pardon those whom we weary." La Rochefoucauld

T-Bird Ball committee members are in the process of contacting previous ticket holders. Deadline for purchase of tickets is October 10, 1982.

The ball will be held at North Plains International for the second year, with food being catered by the Perryton Shriners and music provided for entertainment and dance by a group called the Nickle.

Mona Beth Windom is general chairman of the ball and if you have questions you may

Former resident dies in Borger

Services were held at 2 p.m. Wednesday, Oct. 6 for Mrs. Clorene Taylor, 63, of Borger who was found dead in her apartment at the Borger Housing Authority complex, of smoke inhalation. Mrs. Taylor was pronounced dead at the scene Monday after the director of the authority called police after noticing that Mrs. Taylor had failed to pick up her mail for several days.

The Rev. A.J. Holster, pastor of the Collegeview Baptist Church officiated. Burial was in Highland Park Cemetery by Minton-Chatwell Funeral Directors.

Mrs. Taylor was born in Missouri and lived in Spearman and attended school here. She had been a Borger resident for 40 years.

Survivors include two sons, Mike Collins of Fritch and Tyler Collins of Wheeler; a sister, Irene McKinney of Amarillo; and a brother, George Rook of Spearman.

Hospital News

Patients at Hansford Hospital are Clara Jackson, Lilly Cox, Lydia Aimez and daughter, James Riley, Idella Randall, Gid Nobles, Danial Bynum and John L. Brown.

Dismissed were Eddie Subastion, Teresa Villine and daughter, Ora Sanders, Barbara Patterson, Shawn Manns and Hazel Gibner.

TO CUT EXPANSION

Business executives plan to cut 1982 spending on expansion and modernization 4.4 percent below last year after discounting for inflation because of slow sales and poor profits, according to the government.

MEASURE APPROVED

Congressional leaders approved a stopgap measure recently to end the furlough of nearly one-fifth of the 88,000 employees of the Internal Revenue Service, just as the layoff was officially beginning.

Wheat pasture stocker cattle meeting Tuesday

There will be a Wheat Pasture Stocker Cattle meeting on Tuesday, October 12, at 10:00 a.m. in the County Barn, Spearman. Dr. John McNeill, Extension Livestock Specialist and Dr. Tom Latta, Spearman, will be speakers. Suptens of Borger will cater the lunch, compliments of AGCO of Spearman, Inc. RSVP required by Monday, October 11. Call the Extension office - 659-2136.

Dr. McNeill will discuss receiving rations, internal and external parasites. Compudose and other implants, and how different management alternatives can affect profit.

Dr. Tom Latta will discuss vaccination program, proper care of vaccines, spotting sick cattle and their treatment.

Be an Extension Homemaker

If you are interested in joining or starting an Extension Homemakers Club in your neighborhood or community, please contact your county Extension Office whether you live in the city or the country. The telephone listing is normally under County Offices and may be listed as Cooperative Extension Service or Agricultural Extension Service. Ask for the Extension Home Economist who works with Extension Homemakers Clubs. The Home Economist can then put you in touch with the county council chairman or with presidents of local Homemaker Clubs who can inform you of meeting dates. She can also assist you in finding out how you may start a

club in your community. The County Extension Homemakers Council is nondiscriminatory and members are welcome, no matter what their age, race, color, national origin, creed, marital status or sex happens to be. (Some fathers raising families alone are finding solutions to their homemaking problems in Extension Clubs). The program is of interest to all income levels. If you work (nearly 30% of the present members are employed full or part-time), join or start a group with evening meetings. In local clubs Homemakers gain new knowledge and skills that improve the quality of life for themselves and their families. Practical

RECIPE

Pear Marmalade
By Sarah Anne Sheridan
Autumn means pear time--succulent sweet pears have a place at almost any fall meal. There are many ways to serve pears.
Baked Stuffed Pears
Pears
Pitted dates, seeded raisins or chopped nuts, tart marmalade or shredded coconut.
Pare and core pears. Stuff with dates, raisins or nuts mixed with either marmalade or coconut. Place close together in baking dish, cover bottom of pan with water. Bake slowly until tender.

10K classic & fun run set

8.2 miles of fun. That's what is planned for Saturday, October 16, the fourth annual running of the Amarillo National Bank 10K Classic and Two-Mile Fun Run.
The 10,000 meter (6.2 mile) Classic and the Two-Mile Fun Run have become the most popular races in the area, and the 1982 edition is expected to improve on that successful history. Chip Gilmour, Amarillo National's vice president of marketing, said, "Over the last three years, our race has become an institution for area runners. I think the one thing that really sets our race apart is that we have something for everyone. It's a well-organized, certified race for serious competitors, and a fun outing for weekend joggers and spectators."
For 1982 Amarillo National continues to stress the entertainment value of the event. Free hot dogs and liquid refreshments are a regular feature, and a bluegrass concert will be continued by popular demand. In addition, there will be more music this year. Gilmour explained, "All of the festivities have previously centered around the start/finish line at the drive-up plaza at 11th and Taylor. This time the Caprock High School band will play at Ellwood Park. I know the spectators will enjoy it, and who knows, with some quick-paced accompaniment we might see a new record time."
With the two races drawing over 500 entrants, the organizers wanted to recognize as

many runners as possible. "Everyone gets a T-shirt when they enter," Gilmour noted. "We've also added a whole new awards category. The 100th, 200th, 300th, and last finishers of the 10K will get a special award. That way anyone may get a memento, if their timing is good."
For serious runners, one of the attractions is the race course itself. Shady, smooth, and flat, it encourages very fast times. New course records were set last year Bert Torres (30:02) and Donna Burge (38:05) in the 10K and by Bobby Cunningham (10:01) and Tammy Gilmore (13:13) in the Two-Mile.
This year the YMCA Running Club is sanctioning the race and providing time-keeping equipment. As in past Classics, the City of Amarillo will provide traffic control. But this year the races will start an hour earlier so there will be less traffic to contend with. (The Two-Mile is scheduled for 8:30 with the 10K to follow at 9:00. Awards will be presented at 10:15.) An aid station will be located at the halfway point, and split times will be given at 1, 3, and 5 miles.
For 1982 there are more age divisions for more meaningful competition. The age divisions for the 10K are:
Men--13 and under, 14-19, 20-29, 30-34, 35-39, 40-49,
50 and over;
Women--19 and under, 20-29, 30-39, 40 and over.
For the Two-Mile Fun Run, the age brackets are:
9 and under, 10-11, 12-13, 14-19, 20-34, and 35 and over, with separate categories for men and women. Advance entry fees are \$7.00 for the 10K and \$5.00 for the Two-Mile. Race-day registration will cost one dollar more. Applications are available at the YMCA, YWCO, local sporting good stores, or at Amarillo National Bank.

The tufted titmouse, a clever little bird, often lines its nest with hair that it daringly snatches from a squirrel's tail.

Hang handbags and belts from large shower curtain hooks on closet rods.

Pogues relate Uganda activities

Editor's Note—Following is a news report from Rev. and Mrs. Russell Pogue who are presently serving as missionaries in Uganda. Their address is Russell Pogue, Box 1734, Kampala, Uganda.

After writing our first news report to you, we wondered if there would be anything to write in the next one! Well it just gets more exciting all the time.

Let us tell you the most exciting first. We left the Uganda mission meeting at Nukuru, Kenya and drove 2 hours southeast to Nairobi, the capital city. Our trip was to buy a large supply of staples-cooking oil, dish soap, flour, sugar, eggs and etc. We arrived there Sat. July 31, ate a good supper and went to bed. We were awakened by the familiar noises of Kampala at 4 a.m. August 1. At 7:30 a.m. we found out the Air Force of Kenya had made an attempt to overthrow President Moi's rule. The battle started 1/2 mile from the apartment where we were staying. "Stay in your house" came the order. For the first time in more than 40 years the preacher didn't go to church on Sunday. The overthrow failed and we were able to move around on Tuesday, Aug. 3. On August 4th we could come to Kampala. We came and were glad to be home. It is no fun being a prisoner of war in your own apartment. The phone worked one time out of a hundred. We kept in touch with some of the missionaries and some friends from America who were in a down-town hotel. We are safe-no use to worry now!

Back up to the mission meeting July 24-31. On the way over I plowed the mission van under the rear end of the mission pick-up in front of me. 10,000 Kenya shillings damage. I'm glad it was done there, it would have been 100,000 shillings in Uganda. Oh yes-just \$1,000.00 American dollars will cover it all! Would you give an extra dollar to Lottie Moon to cover my little accident. No one was hurt.

Now back to the beginning—since we wrote last. First—we received a truck load of Bibles of all ages, sizes, versions, conditions, sizes of print to distribute free in Uganda. They were very graciously assigned to the preacher to prepare for distribution. Unpack each box, stamp them as a gift from the "Baptist of Uganda", insert a tract about the Bible and a card for enrollment in Bible Way Correspondence. Then rebox and distribute. We have just about finished that truck load, and now we have another. In all, we are to receive about 500,000 to give away. What fun!

Our Bible study groups from our church now number 28. The only reason there are not more—there are no more teachers to teach them.

Big news! Our church, Kampala Baptist Church has received property and we are now deep into planning a building with the \$130,000.00. On July 17, Dr. Alstair Walker from South Carolina arrived for a visit. It was his church in Spartanburg that gave the money. We had a wonderful "Ground Breaking" while he was here.

What's more—attendance is now at an all time high. A fine group from Eastland, Texas was here Aug. 7. The pastor is a former Uganda missionary.

What's more! While we were detained in Nairobi Aug. 3, our business manager and his wife along with their American guest had a car stolen from them at gunpoint. Their friend lost her passport, camera, purse and money! If you are still in the giving mood please put another sum in Lottie Moon to cover the car which is not likely to be recovered. This was near one of the missionaries home here in Kampala.

FROM MRS. POGUE.
I need to add my items to the rest of the letter. I am a "Martha", cooking many meals and refreshment snacks as we minister to the membership of our church fellowship. It is still great to be of service. My greatest excitement since the last newsletter was my trip with 5 women from Uganda to Brackenhurst Baptist International Conference Center for the all-African women meeting, a part of the Baptist World Alliance. Thanks to you who have shared special money with us. We provided transportation for this trip and scholarships for me and two of the women. There were 141 women registered from 2 African countries. It was a deeply moving meeting. The costumes we all wore were so colorful. You should see me in my "Busureti", Ugandan dress. The president, Mrs. A. Bamijoko, is a former Texas

W.M.U. Scholarship student from Wayland College. She sends love to all who helped pay her way. I met some old friends and many, many new ones from Africa. I pray I can share some of these good times with you in person when we come home.

I have now become a sign painter, too, as I painted a church sign. We had never had one before.

Thanks to the Valley Mills ladies for embroidery supplies for my Girls Bible Study group.

Our Ugandan mission staff has never been large. There are a total of 8 missionary couples. Two have been here and started furloughs July 17. Now there are four couples and the two of us volunteers to lead work for Baptist here in Uganda. We do have about 90 pastors. Many laymen have a church in "their village". They go there as often as possible to preach and lead the people to know Christ.

Things in our nation of Uganda seem better. Sugar is now only \$3.50 for 2.2 lbs. and corn meal is only 60 cents per 2.2 lbs. but petrol (gasoline) has gone from \$4.00 per gal. to \$5.25 per gal. A new Ford

Escort is \$15,000.00 U.S. dollars and a Mercedes is about \$35,000.00. Inflation is terrible for the nationals. The exchange rate has moved from 85 shillings per dollar to 100 shillings per dollar. It helps us, but oh these poor people.

Thanks to each of you for your love, prayers and interest.

Russell & Imogene
The Pogues has asked that we save our church literature and send it to them. They can use old quarterlies, old copies of Home Life, anything along that line.

The Baptist Young Women of Spearman have undertaken the responsibility for boxing it up and sending it to the Pogues.

If you have any old literature that you would like to send, you may drop it by the church. Your help is greatly appreciated and you are helping a worthy mission cause!

Here is the Pogues address if you would like to write them. They would be glad to hear from you.

Artist Of The Month

Art is, in my opinion, the very best outlet for everyone. It is something very young children and the very old can do and enjoy equally.

I began painting in 1957, taking portrait painting under Dord Fitz of Amarillo and continued to take lessons for over 20 years. My study then and now has been in learning all I can about the methods and styles of the Old Masters and the newer well-known artists and their methods.

I have painted mostly in oils, but have tried almost all media. Original oil painting is the most satisfying for me. I believe in doing original art work, not copies. One should use photos or set up a still life or just paint from one's own imagination. This art is then yours or an extension of yourself to live on after you. This is my way to leave footprints on the sands of time.

I have painted in many styles, from visual to abstract. Each painting should have something in it for everyone. If a painting makes a positive statement, it can be enjoyed. Everyone should learn to "read" the

message presented in a painting by the artist.

I teach art at my home studio which is the old "Santa Fe" depot from Darrououette. I have taught both adults and children, and they have done some very lovely paintings during the years I have been teaching.

I am married to James Sparks, and next summer we will celebrate our 50th Anniversary. We live on a farm about 12 miles SW of Spearman and are retired from farming.

We have three sons. Larry married Ann Vaughn and they have two children, Leean and Robert. Jerry is married to Anne Stouer, and he has a daughter, Abbie Ann, who is in college at Hays, Kansas. Evan married Carolyn Deese, and they live at Yuma, Arizona.

I do hope that you who see my paintings get some enjoyment from them. I surely enjoy doing them, and hope I can continue painting as long as I live.

"The Artist of the Month display is a project of the Spearman Twentieth Century Club, a Federated Club.

by Lometa Sparks

Revival Set for Faith Baptist Temple

The Faith Baptist Temple of Gruver will meet in the "Golden Age Center" with Pastor Charles Kingworth in a Revival Meeting.

The meeting will be October 15, 16 and 17. The revival will begin at 7:30 p.m. Friday and Saturday and at 11:00 a.m. Sunday.

The evangelist will be Dave Veazey from Amarillo Baptist Church.

Special music will be by Rev. Gerald Clark of Bible Baptist Church of Dumas; Rev. Ron and Vicki McMullan of Faith Baptist Church in Amarillo and Sue Jones of Fellowship Baptist Church in Spearman.

Stamp collecting is considered to be the world's most popular hobby. According to the U.S. Postal Service, there are more than 22 million collectors in the United States alone.

Post Office Closed Monday

The Spearman, TX Post Office will be closed Monday, October 11, in observance of Columbus Day.

No deliveries will be made on city or rural routes. Post Office Rental box and Special Delivery Service will be provided.

Due to the 8:00 a.m. arrival of holiday mail, processing of rental box mail will not be completed until 10:00 a.m.

T. Ray Robertson, Postmaster

Texas A&M engineer fears chemicals may affect water quality

COLLEGE STATION — The quality of some drinking water is a big question mark, says a Texas A&M University environmental engineer.

The average person consumes about half a gallon (two liters) of water every day from the kitchen tap, cooked food, coffee, tea and soft drinks.

But researchers in water quality aren't sure what effect, if any, is caused by minute levels of chemicals now being found with regularity in the nation's underground water tables, says Dr. Bill Batchelor of Texas A&M's Civil Engineering Department.

NOTICE OF CALCULATION OF EFFECTIVE TAX RATE AND PUBLICATION OF ESTIMATED UNENCUMBERED FUND BALANCES

I, Alice Peddy, Chief Appraiser for the Pringle-Morse C.I.S.D., in accordance with the provisions of Sec. 26.04 of the Property Tax Code, have calculated the tax rate which may not be exceeded by more than three percent by the governing body of the Pringle-Morse C.I.S.D. without holding a public hearing as required by the code. That rate is as follows:

\$.541 per \$100 of value.
The estimated unencumbered balances for Maintenance & Operation fund: \$ 324,617
The estimated unencumbered balances for Interest & Sinking fund: \$ -0-

*14. Frozen Interest and Sinking Tax Levy of Over-65 Homesteads with Frozen Taxes.....	\$ -0-

II. CALCULATION

MAINTENANCE AND OPERATION (M&O) TAX RATE FOR 1981

1. (A) 1982 Total Taxable Value of All Property (Assumption No. 8).....	\$ 99,954,181
(B) Subtract 1982 Taxable Value of New Improvements Added (Assumption No. 9).....	\$ 7,419,855
(C) Subtract 1982 Taxable Value of Property Added by Annexation (Assumption No. 10).....	\$ -0-
(D) Subtract 1982 Taxable Value of Over-65 Homesteads with Frozen Taxes (Assumption No. 12).....	\$ 119,090
(E) Adjusted 1982 Taxable Value for Calculation.....	\$ 99,415,236
2. (A) 1981 Total Tax Levy from the 1981 Roll (Assumption No. 1).....	\$ 519,250
(B) Subtract 1981 Taxes Levied for Maintenance and Operation on Property in Territory that Has Ceased to be a Part of the Unit in 1982 (Assumption No. 5).....	\$ -0-
(C) Subtract 1981 Debt Service Levy (Assumption No. 3).....	\$ -0-
(D) Subtract 1981 Taxes Levied for Maintenance and Operation on Taxable Value of Property Becoming Exempt in 1982 (Assumption No. 6).....	\$ 19,176
(E) Subtract 1981 Taxes Levied for Maintenance and Operation on Taxable Value of Property Lost Because Property is Required to be Appraised in 1982 at Less than Market Value (Assumption No. 7).....	\$ -0-
(F) Subtract Frozen Maintenance and Operation Tax Levy of Over-65 Homesteads with Frozen Taxes (Assumption No. 13).....	\$ -0-
(G) Adjusted 1981 Tax Levy for Calculation.....	\$ 500,074
3. (A) Adjusted 1981 Tax Levy for Calculation (2G above).....	\$ 500,074
(B) Divided by Adjusted 1982 Taxable Value for Calculation (1E above).....	\$ 92,415,236
Multiplied by \$100 Valuation.....	\$.00541 x \$100
(C) Calculated Maintenance and Operation Rate for 1982.....	\$.541/\$100

INTEREST AND SINKING RATE FOR 1982

4. (A) 1982 Tax Levy Needed to Satisfy Bonded Indebtedness or Debt Service (Assumption No. 11).....	\$ -0-
(B) Subtract Frozen Interest and Sinking Tax Levy of Over-65 Homesteads with Frozen Taxes (Assumption No. 14).....	\$ -0-
(C) Adjusted 1982 Tax Levy for Debt Service.....	\$ -0-
(D) 1982 Total Taxable Value of All Property (Assumption No. 8).....	\$ -0-
(E) Subtract 1982 Taxable Value of Over-65 Homesteads with Frozen Taxes (Assumption No. 12).....	\$ -0-
(F) Adjusted 1982 Taxable Value for I&S.....	\$ -0-
(G) Divide the Adjusted 1982 Tax Levy for Debt Service (4C above) by the Adjusted 1982 Taxable Value for I&S (4F above).....	\$ -0-
Multiplied by \$100 Valuation.....	\$ -0- x \$100
(H) Calculated Interest and Sinking Rate for 1982.....	\$ -0- / \$100
5. (A) Calculated Maintenance and Operation Rate for 1982 (3C above).....	\$.541/\$100
(B) Add Calculated Interest and Sinking Rate for 1982 (4H above).....	\$ -0- / \$100
(C) Calculated 1982 Effective Tax Rate.....	\$.541

1982 Effective Tax Rate is the tax rate published by the Tax Assessor, as required by Sec. 26.04 of the Property Tax Code

Continued on next page.

III. MAXIMUM TAX RATE

Pringle-Morse I.S.D.

1. (A) Calculated 1982 Effective Tax Rate (5C above).....	\$.547/\$100
(B) Multiplied by Three Percent (3%).....	\$	x.03
(C) Equals Amount of Increase Allowed by Code.....	\$.016
(D) 1982 Maximum Tax Rate (1A + 1C, above).....	\$.557/\$100

1982 Maximum Tax Rate is the tax rate which, if exceeded, triggers the public notice and public hearing requirements of Sec. 26.04 of the Property Tax Code.

Space Center director is Texas A&M graduate

COLLEGE STATION — The new director of the Johnson Space Center (JSC) in Houston, a graduate of Texas A&M University, forms another link in a long association between the National Aeronautics and Space Administration (NASA) and Texas A&M.

Gerald D. Griffin, former deputy director of the Kennedy Space Center in Florida and the Dryden Flight Research Center in California, received his de-

gree in aerospace engineering from Texas A&M in 1956. He will take over the position held for the past 10 years by Christopher C. Kraft. Kraft had been a visiting professor at Texas A&M.

Among the links in the long-standing relationship with the university, NASA provided funds to build the Olin E. Teague Research Center on the Texas A&M campus. The visitor center at JSC was named in memory of Teague last summer.

Texas A&M's research association with NASA spans more than a decade, with the space agency funding projects

at a level of about half a million dollars annually. Texas A&M also held, until last year, the longest running contract ever granted to a university by NASA.

To make your chicken cutlets, debone frozen chicken breasts when only partially thawed. Use a thin, sharp knife. The meat will hold its shape and leave the bone easily.

Many stamp ideas suggested

What do the devil, a cat in "Room 8" and the "10 Most Wanted" individuals in the U.S.A. have in common? They all have been considered, but not recommended, as subjects for U.S. commemorative stamps.

Proponents for the stamp honoring the devil even suggested Hell, Michigan as the ideal place of issuance. Students in Room 8 wanted some way to pay tribute to the cat that came to study with them each day. And what better way to get word-or picture-around about the 10 most wanted persons in the country than on postage stamps?

Although the Postmaster General has the last word in the selection process, a Citizens' Stamp Advisory Committee screens thousands of stamp proposals submitted each year. Their job isn't easy. Each suggestion, no matter how unusual, must be considered. Some of the more imaginative ideas include the one to issue a stamp honoring "Whoada Tom," described as the world's champion hog caller. The first daylight bank robbery also has been suggested. Another person came up with a creative twist—an issue honoring the pretzel industry. To add a different taste, it was suggested that beer-flavored glue be used on the reverse side of the stamp.

The Citizens' Stamp Advisory Committee, comprised of artists, historians, graphic design specialists and stamp collectors, meets six times a year to review and narrow down the many proposals. The 15 to 20 subjects that make the grade each year usually are based on national importance, social impact or historic significance.

Clergy marriages not free from marital problems

Ministers marriages may be made in heaven, but they're lived out on earth — a place where even husbands and wives in the clergy encounter problems, according to the results of a study conducted by a Texas A&M University graduate student.

In the study of 30 clergy and 30 lay couples, Scott E. Barber found that clergy couples experienced as many marital problems as those not in the ministry.

Researcher says managers should reward performance

COLLEGE STATION — Bosses who get upset over employees coming to work late or socializing on the job often care more about them putting in the time than putting the time to use, says a Texas A&M University management professor. "Managers who focus on time

usually concentrate on the wrong things," says Dr. David Van Fleet, an expert in time management and organizational behavior.

"They're saying being on the job is the important thing, but what's really important is doing the work." The professor pointed out that some people with lenient working hours who are regularly tardy, normally leave a little early to lunch and get back a

little late may do more than others who are on time. "Workers do what they perceive as necessary to get rewards," Van Fleet said. "Managers should concentrate on rewarding performance, rather than worrying about time."

"Laughter is an instrument of happiness," John Dryden

GUYMON LIVESTOCK AUCTION

October 6, 1982 1864 Cattle 59 Hogs

Our Auction was \$1.00 to \$2.00 higher on our feeder steers weighing 600 to 800 pounds and \$1.00 higher on our feeder heifers.

Studying role-taking can help to improve aggressive behavior

COLLEGE STATION — Aggressive boys may improve their behavior by learning to view a situation from another person's perspective, according to the results of a study conducted by a Texas A&M University graduate. Jody Ann Gilberg, who recently received a Ph.D. in educational psychology, conducted the study with 30 boys aged 13-

19 who had been identified by their teachers and counselors at a Southeast Texas private school as aggressive.

"Aggressive kids have difficulty viewing the world — from another perspective, said Gilberg, who recently assumed a position as school psychologist with the Texas Department of Corrections Windham School System. "Our study helped the students to see themselves from the perspective of others. Before the study began many of the boys couldn't even understand what it was like to be in someone else's shoes."

Recycled wastewater may be a solution to water shortage woes

COLLEGE STATION — Although seven-tenths of the Earth's surface is water, there is hardly more than a drop of fresh water for drinking and industrial use, says a Texas A&M University researcher specializing in recycling treated wastewater. Research has already given planners an idea of the limits on available groundwater, said environmental engineer Dr. Bill Batchelor.

Figures provided by the federal government more than a year ago revealed that the nation's fresh water supply was being reduced daily by 21 billion gallons more than rainfall could replace.

Batchelor says recycling relatively clean wastewater for industrial or agricultural use could provide a practical alternative to reducing our consumption.

Get Banvel 10G Herbicide and get bindweed on the spot.

Spot treat problem areas between crops with Banvel 10G Herbicide.

You've harvested your crop. Now you can see how scattered your weed problems are. So there's no need to treat every acre. Instead, hit problem areas with a Between Crops Application of Banvel® 10G Herbicide.

Banvel 10G controls the toughest broadleaf weeds, including bindweed, lakeweed, blueweed and Canada thistle, plus many more annuals, biennials, and perennials.

A granular herbicide, Banvel 10G is not only effective, it's downright easy to use. Carry a bucket of Banvel 10G on the tractor or keep one in the back of the truck. When you spot a problem area, just throw some on. For treating large areas, use a Cyclone™ hand spreader.

Banvel 10G dissipates through soil moisture and is taken up by weed roots. Then Banvel translocates throughout the entire weed, killing root-tip to leaf-tip.

When you see problem weeds scattered around, get effective control with a Between Crops Application with Banvel 10G Herbicide. See your ag chem supplier today. And get control on the spot.

Velsicol Chemical Corporation 13612 Midway Road, Suite 333 Dallas, Texas 75234 (214) 387-1396

Never slice bread when it's still hot from the oven. You'll get neat, even slices if you wait until the loaf is cool. The loaf will slice better on its side.

Run out of paper coffee filters? Cut a paper towel to the right size.

For hot, buttered corn, fill a large quart jar with hot water and sticks of butter. When butter melts and floats to the top, dip in the cobs and pull out slowly.

Who's Ahead?

Here's a quick quiz.

- Which country has the world's most productive work force?
 - Japan
 - U.S.A.
- Which country spends the most for research and development?
 - Japan
 - U.S.A.
- Which country exported more goods last year than any other in the world?
 - Japan
 - U.S.A.

Some of the smartest business executives in America might fail this test. They might answer "Japan" to all three questions. After all, Japan's gains in these areas have been impressive, as has their press.

But in fact, points out Motorola, Inc., the space-age electronics company, recent Department of Labor's Bureau of Labor Statistics figures show real gross domestic product per employed person—the national measure of productivity of Japan behind the United States by 31%.

As for research and development, National Science Foundation figures show that the United States spends three times more than Japan spends.

In exports, the International Trade Statistics Yearbook shows that even in manufactured goods alone U.S. exports have a dollar value about 39% greater than exports from Japan.

So Japan may be gaining, but it hasn't beaten America. In many areas, Japanese industry hasn't even caught up, which is not to say that the challenge from Japan is a hollow one. It is real.

**Cappi Cooper
Homecoming Queen**

1982 GREYHOUNDS FOOTBALL HOME-COMING QUEEN—Cappi Cooper, daughter of Mr. and Mrs. Carl Cooper, was chosen as the 1982 Greyhounds Homecoming Queen, preceding the Homecoming game between the Hounds and the Canadian Wildcats.

Scientists seek cure for oak tree blight

COLLEGE STATION — A team of federal, state and university scientists has joined forces against the blight that is killing thousands of beautiful oak trees throughout Central Texas.

Pathologists and entomologists from the Texas Forest Service, Texas A&M University and the U.S. Department of Agriculture Forest Service, are collaborating in an effort to find a cause and, they hope, a cure for the oak problem.

The scientists say it is unclear what disease or set of diseases is causing the problem. Two potential culprits which are caused by a fungus, oak wilt and oak decline, have been implicated.

"No doubt other diseases are involved in this complex problem," said project coordinator Dr. Ronald F. Billings of the Texas Forest Service, part of the Texas A&M University System. "Hopefully, our investigation will provide pathologists with the opportunity to clarify which diseases are the most important cause of the dying oaks."

**NOTICE OF CALCULATION OF EFFECTIVE TAX RATE
AND PUBLICATION OF ESTIMATED UNENCUMBERED FUND BALANCES**

I, Alice Peddy, Chief Appraiser for the City of Spearman, in accordance with the provisions of Sec. 26.04 of the Property Tax Code, have calculated the tax rate which may not be exceeded by more than three percent by the governing body of the City of Spearman without holding a public hearing as required by the code. That rate is as follows:

\$.5086 per \$100 of value.

The estimated unencumbered balances for Maintenance & Operation fund: \$ 33,210

The estimated unencumbered balances for Interest & Sinking fund: \$ -0-

Chief Appraiser
October 8, 1982

Calculations Used to Determine Effective Tax Rate

I. ASSUMPTIONS

1. 1981 Total Tax Levy From the 1981 Tax Roll.....	\$ 256,086
2. 1981 Tax Rate (\$.4439 M&O and \$.2061 I&S.....)	65 /\$100
3. 1981 Debt Service (I&S) Levy.....	81,179
4. 1981 Maintenance and Operation (M&O).....	174,907
5. 1981 Taxes Levied for M&O on Property in Territory that Has Ceased to be a Part of the Unit in 1982.....	-0-
6. 1981 Taxes Levied for Maintenance and Operation (M&O) on Taxable Value of Property Becoming Exempt in 1982.....	72,101
7. 1981 Taxes Levied for Maintenance and Operation (M&O) on Taxable Value of Property Lost Because Property is Required to be Appraised in 1982 at Less than Market Value.....	-0-
8. 1982 Total Taxable Value of All Property.....	\$50,153,521
9. 1982 Taxable Value of New Improvements Added Since January 1, 1981.....	400,510
10. 1982 Taxable Value of Property Added Since January 1, 1981, by Annexation of Territory.....	-0-
11. 1982 Tax Levy Needed to Satisfy Bonded Indebtedness or Debt Service.....	78,763

II. CALCULATION

MAINTENANCE AND OPERATION (M&O) TAX RATE FOR 1982

1. (A) 1982 Total Taxable Value of All Property (Assumption No. 8)....	\$50,153,521
(B) Subtract 1982 Taxable Value of New Improvements Added (Assumption No. 9).....	-400,510
(C) Subtract 1982 Taxable Value of Property Added by Annexation (Assumption No. 10).....	-0-
(D) Adjusted 1982 Taxable Value for Calculation.....	\$49,753,011

2. (A) 1981 Total Tax Levy From the 1981 Tax Roll (Assumption No. 1).....	\$ 256,086
(B) Subtract 1981 Taxes Levied for Maintenance and Operation (M&O) on Property in Territory that Has Ceased to be a Part of the Unit in 1982 (Assumption No. 5).....	-0-
(C) Subtract 1981 Debt Service (I&S) Levy (Assumption No. 3).....	81,179
(D) Subtract 1981 Taxes Levied for M&O on Taxable Value of Property Becoming Exempt in 1982 (Assumption No. 6).....	174,907
(E) Subtract 1981 Taxes Levied for Maintenance and Operation on Taxable Value of Property Lost Because Property is Required to be Appraised in 1982 at Less Than Market Value (Assumption No. 7).....	-0-
(F) Adjusted 1981 Tax Levy for Calculation.....	\$ 174,907

3. (A) Adjusted 1981 Tax Levy for Calculation (2F above).....	\$ 174,907
(B) Divided by Adjusted 1982 Taxable Value for Calculation (1D above).....	\$49,753,011
Multiplied by \$100 Valuation.....	.003516 x\$100
(C) Calculated Maintenance and Operation (M&O) Rate for 1982.....	.3516 /\$100

INTEREST AND SINKING RATE FOR 1982

4. (A) 1982 Tax Levy Needed to Satisfy Bonded Indebtedness or Debt Service (I&S) (Assumption No. 11).....	\$ 78,763
(B) 1982 Total Taxable Value of All Property (Assumption No. 8)....	\$50,153,521
(C) Divide the Adjusted 1982 Tax Levy for Debt Service (I&S) (4A above) by the Adjusted 1982 Taxable Value for I&S (4B above)....	(\$ 78,763 ÷ \$50,153,521) = .001570
Multiplied by \$100 Valuation.....	.001570 x\$100
(D) Calculated Interest and Sinking (I&S) Rate for 1982.....	.1570 /\$100

5. (A) Calculated Maintenance and Operation (M&O) Rate for 1982 (3C above).....	.3516 /\$100
(B) Add Calculated Interest and Sinking (I&S) Rate for 1982 (4D above).....	.1570 /\$100
(C) Calculated 1982 Effective Tax Rate.....	.5086

1982 Effective Tax Rate is the tax rate published by the tax assessor, as required by Sec. 26.04 of the Property Tax Code.

III. MAXIMUM TAX RATE

1. (A) Calculated 1982 Effective Tax Rate (5C above).....	.5086 /\$100
(B) Multiplied by Three Percent (3%).....	x.03
(C) Equals Amount of Increase Allowed by Code.....	.0153
(D) 1982 Maximum Tax Rate (1A--1C above).....	.5239 /\$100

1982 Maximum Tax Rate is the tax rate which if exceeded, triggers the public notice and public hearing requirements of Sec. 26.04 of the Property Tax Code.

WASHINGTON, D.C.—Congressman Jack Hightower meets with the Hon. Eiichi Nakao, head of a Japanese trade delegation, in Hightower's Washington office. Mr. Nakao is a member of the Diet or Japanese Congress, and is in the U.S. visiting with key members of Congress on American-Japanese trade issues.

Rep. Hightower urged Mr. Nakao to tell his government that Japan should allow the importation of more Texas and American farm products. Presently Japan maintains tight import restrictions but is under pressure to liberalize its trade policies in view of a Japanese trade surplus and a weakened U.S. economy.

Porter awarded fellowship

William Porter, is among 41 medical students from the United States and Canada who have been awarded fellowship enabling them to have eight-to-ten-week experiences assisting mission doctors in developing countries. The fellowships are through MAP International, the Christian world health organization.

Made possible by a grant from the founder of Reader's Digest, the MAP-Reader's Digest International Fellowship began in 1971 and has enabled more than 700 medical students to assist mission doctors in 53 Third World countries. Prompting careers in health missions for many of the fellowship recipients, the program commonly offers surgical and diagnostic experience.

MAP (formerly Medical Assistance Programs) International is a humanitarian agency that also meets health needs of disadvantaged people in developing countries by providing medical supplies, emergency relief and programs of community health development.

William Porter, son of Mr. and Mrs. R.C. Porter of Spearman, and a student at the University of Texas will be departing January 1983 for Memorial Christian Hospital in Pakistan.

Irwin Named Clements Chairman

AUSTIN—Kenneth Irwin, former mayor of Gruver, has been named Hansford County Chairman for the Governor Clements Campaign.

Irwin, who served 14 years as mayor, is president and chief executive officer of the Gruver State Bank.

He is a graduate of the University of Missouri and of the Harvard Graduate School of Business' Institute for Financial Management.

"I supported Governor Clements in his last campaign and I think he has done an effective job in managing our state government," Irwin said. "I think he is the man who can meet the challenges that are ahead."

For campaign purposes, the state is divided into 18 regions. Hansford County is in Region XI, which is headed by Regional Chairman Wales Madden, III, of Amarillo.

At Dawning

An alarm clock has been described as a mechanism to scare the daylight into you.

—News, Boone, Ia.

DPS Investigates 4 accidents

Sergeant Charles Henderson, Area supervisor of Hansford County, reports that for the month of September the Texas Highway Patrol Troopers investigated a total of 4 accidents in this county. There were 4 injury accidents with a total of 4 persons injured. In District SB, which includes the top 31 counties of the Texas Panhandle, there were 194 accidents investigated by the Texas Highway Patrol. Highway Patrol Captain Bob Russell reports that the Texas Highway Patrol Troopers investigated 8 fatal accidents with a total of 8 persons killed, 77 injury accidents with a total of 113 persons injured, and 109 property damage accidents.

If further information is desired please contact: Texas Highway Patrol, Box 31960, Amarillo 79120-1960 or call 806-359-4751.

Prepared by Safety Education Service.

Plant a seed of education

Consider the marigold. A tried and true addition to any garden, its bright golden color suggests the many golden opportunities growing along the way through education. With education we are able to pluck these chances to improve our daily lives. But, just as the flower fades and dies, life's golden opportunities slip away if we do not pick them as they bloom.

Extension Homemakers hold the seed of education—it is yours to plant, for the asking. Through Extension Homemakers, each educational program is a golden opportunity to learn by doing.

An Extension Homemaker is an off-campus student of the Texas A&M University System, studying and sharing knowledge of Extension Home Economics.

Memberships are open to all regardless of race, creed, color, sex, national origin, or age.

The fellowship of clubs may be enjoyed with a feeling of belonging—a chance to learn and grow together.

For those who wish to take advantage of the educational benefits of Homemaker programs but are unable to participate as club members, there is the Members-at-Large program. Educational material is received by mail. They are invited to participate in county-wide educational programs.

Extension Homemakers' programs cover such areas as Leadership, Citizenship, Family Life and Family Resource Management, Cultural Arts and International Understanding, and Young Extension Homemakers.

For further information call 659-2030 or visit the County Extension Home Economics Office in the Court House Monday through Friday, 8:00 a.m.-5:00 p.m.

Buzz by to see us, you'll be "blooming" glad you did.

The world's first adhesive postage stamp, the Penny Black, was issued May 6, 1840 in Great Britain. It was not until 1847 that the United States adopted adhesive stamps for use on mail.

**NOTICE OF CALCULATION OF EFFECTIVE TAX RATE
AND PUBLICATION OF ESTIMATED UNENCUMBERED FUND BALANCES**

I, Alice Peddy, Chief Appraiser for the Spearman I.S.D., in accordance with the provisions of Sec. 26.04 of the Property Tax Code, have calculated the tax rate which may not be exceeded by more than three percent by the governing body of the Spearman I.S.D. without holding a public hearing as required by the code. That rate is as follows:

\$.68 per \$100 of value.

The estimated unencumbered balances for Maintenance & Operation fund: \$ 22,876

The estimated unencumbered balances for Interest & Sinking fund: \$ -0-

II. CALCULATION

MAINTENANCE AND OPERATION (M&O) TAX RATE FOR 1981

1. (A) 1982 Total Taxable Value of All Property (Assumption No. 8).....	\$235,248,655
(B) Subtract 1982 Taxable Value of New Improvements Added (Assumption No. 9).....	6,964,218
(C) Subtract 1982 Taxable Value of Property Added by Annexation (Assumption No. 10).....	-0-
(D) Subtract 1982 Taxable Value of Over-65 Homesteads with Frozen Taxes (Assumption No. 12).....	847,260
(E) Adjusted 1982 Taxable Value for Calculation.....	\$227,437,177
2. (A) 1981 Total Tax Levy from the 1981 Roll (Assumption No. 1).....	\$ 1,735,008
(B) Subtract 1981 Taxes Levied for Maintenance and Operation on Property in Territory that Has Ceased to be a Part of the Unit in 1982 (Assumption No. 5).....	-0-
(C) Subtract 1981 Debt Service Levy (Assumption No. 3).....	-0-
(D) Subtract 1981 Taxes Levied for Maintenance and Operation on Taxable Value of Property Becoming Exempt in 1982 (Assumption No. 6).....	143,439
(E) Subtract 1981 Taxes Levied for Maintenance and Operation on Taxable Value of Property Lost Because Property is Required to be Appraised in 1982 at Less than Market Value (Assumption No. 7).....	33,976
(F) Subtract Frozen Maintenance and Operation Tax Levy of Over-65 Homesteads with Frozen Taxes (Assumption No. 13).....	4,869
(G) Adjusted 1981 Tax Levy for Calculation.....	\$ 1,552,724
3. (A) Adjusted 1981 Tax Levy for Calculation (2G above).....	\$ 1,552,724
(B) Divided by Adjusted 1982 Taxable Value for Calculation (1E above).....	\$227,437,177
Multiplied by \$100 Valuation.....	.0068 x \$100
(C) Calculated Maintenance and Operation Rate for 1982.....	68/\$100

INTEREST AND SINKING RATE FOR 1982

4. (A) 1982 Tax Levy Needed to Satisfy Bonded Indebtedness or Debt Service (Assumption No. 11).....	-0-
(B) Subtract Frozen Interest and Sinking Tax Levy of Over-65 Homesteads with Frozen Taxes (Assumption No. 14).....	-0-
(C) Adjusted 1982 Tax Levy for Debt Service.....	-0-
(D) 1982 Total Taxable Value of All Property (Assumption No. 8).....	-0-
(E) Subtract 1982 Taxable Value of Over-65 Homesteads with Frozen Taxes (Assumption No. 12).....	-0-
(F) Adjusted 1982 Taxable Value for I&S.....	-0-
(G) Divide the Adjusted 1982 Tax Levy for Debt Service (4C above) by the Adjusted 1982 Taxable Value for I&S (4F above).....	-0-
Multiplied by \$100 Valuation.....	x\$100
(H) Calculated Interest and Sinking Rate for 1982.....	-0- /\$100
5. (A) Calculated Maintenance and Operation Rate for 1982 (3C above).....	68/\$100
(B) Add Calculated Interest and Sinking Rate for 1982 (4H above).....	-0- /\$100
(C) Calculated 1982 Effective Tax Rate.....	68

1982 Effective Tax Rate is the tax rate published by the Tax Assessor, as required by Sec. 26.04 of the Property Tax Code

3. INTRODUCTION OF MR. ROBERT J. MYERS, PERRYTON OPERATIONS
MANAGER WITH GENERAL TELEPHONE COMPANY AND DISCUSSION ON EFFECTS OF DEREGULATION OF THE TELEPHONE COMPANY.

Cisco Defeats WT's JV

Cisco Junior College put 21 points in the first half and added 14 points in the second half to beat the West Texas State Junior Varsity 35-14, Friday, October 1st at Cisco.

The Wranglers jumped to a 14-0 lead on an 11-yard run by Randy Pippin and a 4-yard scamper by quarterback Johnny Yglecias.

A 77-yard run by former Tascosa running back Wade Hunt gave Cisco a 21-0 lead at halftime.

Cisco padded the lead with a 50-yard pass from Yglecias to Willie Williams in the third to make it 28-0.

WT finally got untracked in the third quarter with a 25-yard pass from Tod Mayfield to Randy Dean.

But, Cisco running back Eugene Carroding broke loose in the fourth quarter and scampered 42 yards for the last score of the game for Cisco.

The Buffaloes were able to score one more touchdown in the fourth quarter when Ray Getman recovered a fumble in the end zone.

Ted Kopsinski kicked both extra points for WT.

"So you take away the four plays of over 60 yards each that were touchdowns, commented coach Frank Blateri, we would have still been in the ball game."

"We were inside the twenty four times and failed to score any points," added Blateri.

The Buff's season record is 1-2.

The game this week, October 8, against Lubbock Christian has been cancelled.

The next game for the West Texas State Junior

Varsity is Thursday, October 14th, at Texas Tech. Kickoff is set for 7:30 p.m. in Lubbock.

WTSU JV
Buff's
Schedule

The 1982 junior varsity football team at West Texas State University is under the direction of Frank Blateri, who is in his first year at WT.

The Buffaloes, with a record of 1-1, have six remaining games, including five road trips.

The schedule is as follows: Fri, Oct. 8 at Lubbock Christian College at 2:00 p.m.

Thurs., Oct. 14 at Texas Tech University JV (Shrine Charity Bowl) at 7:30 p.m.

Sun., Oct. 24 University of Oklahoma JV at 2:00 p.m.

Mon. Nov. 1 at Panhandle State University at 6:45 p.m.

Thurs. Nov. 11 at Ranger Junior College at 7:30 p.m.

The following pages have a brief sketch on the 1982 junior varsity football squad at West Texas State University, located in Canyon, Texas.

For further information on the WTSU junior varsity team, please contact the Sports Information Office.

Cal Kuphal-Sports Information Director, Bill Kurtz-Graduate Intern, or Gary "Twx" Noel-Student Assistant.

Cake Sale Set

Postal service
quiz

1. The first series of commemorative stamps issued in 1893 paid tribute to whom? a) Ponce de Leon b) Christopher Columbus c) Sieur de la Salle d) George Washington.

2. In what year did the first U.S. Christmas stamp appear? a) 1962 b) 1902 c) 1847 d) 1840.

3. Who was the first black woman to appear on a U.S. postage stamp? a) Sally Hemings b) Phillis Wheatley c) Sojourner Truth d) Harriet Tubman

4. Who was the first person to be honored as part of the Performing Arts & Artists Series? a) Jimmie Rodgers b) George M. Cohan c) Will Rogers d) W.C. Fields

5. Who was the first American baseball player to appear on a U.S. postage stamp? a) Babe Ruth b) Jackie Robinson c) Lou Gehrig d) Ty Cobb

ANSWERS: 1. b, 2. a, 3. d, 4. a, 5. b.

YMCA Boxing

YMCA boxing begins Tuesday, Oct. 12 at 5:30 p.m. at the YMCA. Boys ages 7 thru 15 are eligible to box. There is no YMCA membership required. Boys ages 16 to 25 interested in boxing can qualify thru the USA/ABF for the Olympics. Coaches are Eugene Yarbrough and Butch Lasater.

The Cub Scouts will be having their annual Father & Son Cake Sale on Thursday, October 14th, at 7:00, at the County Barn in Spearman. Each Cub Scout and his father bakes a cake from "scratch" and decorates it with no assistance from Mom. These cakes are auctioned off to the highest bidder at the sale.

This is our one and only fund raising activity for the year. The generous support by Hansford County citizens last year made it possible for us to have a very successful year in cub scouting. We were able to have many activities for the boys including a summer day camp, a visit to Alibates Flint Quarry where the boys learned how arrowheads are made, a pinewood derby car race, many craft activities, several cookouts and many special den projects. This was all accomplished without any other fund-raising selling schemes and also without having to deny any boy the opportunity to participate because of his financial circumstances.

If you are unable to attend but would like to purchase a cake or "make" a contribution, please call Ginger Turner-659-3134, Jo Linda Hutchison 659-2285, Kathy Beck 659-2866, or Janice Mayfield 659-3342.

Thank you again for your generous support in the past.

1982 Maximum Tax Rate is the tax rate which, if exceeded, triggers the public notice and public hearing requirements of Sec. 26.04 of the Property Tax Code.

Paul Lopez Gets Hurt as...

Boys Ranch 'Lassos' JV Lynx

The JV Lynx played their toughest and most roughest games thus far in the 1982 season Thursday evening, October 7. First of all, they lost on of their most impressive backs, and outstanding Lineman, Paul Lopez. Paul has been a big plus to the JV Lynx. He can do many things, like block for Luis Nava or Mack McLain, even for Karl Bynum, all good runningbacks. Paul also protects his quarterback, he can run with the ball, by faking off his opponents. Paul has great hands and can catch the ball and take off like a scared jackrabbit escaping from an Eagle—he runs awful fast when he has the ball. On Defense, Paul is an excellent linebacker. He sacks the quarterbacks, the backs for losses and so forth. The JV Lynx are gonna miss Paul Lopez on the field. Paul is also a Junior. When he was assisted off the playing field on to a pick-up truck to go to the hospital, he was in pain. The JV Lynx lost an excellent Offensive and Defensive End, Jeff Graves, last week against Dalhart. Jeff has superb hands, he can catch and fly with the wind for extra yardage. Jeff helps his backs out by blocking downfield. Officially, Jeff has a fractured ankle. Jeff is a Sophomore. The JV Lynx will also miss Jeff, they missed him against Boys Ranch. (Back to the Game) The game was against the ever-so-tough Boys Ranch JV Roughriders. **NOTE FROM SPORTS DESK:** There were a few more JV Lynx hurt, either at practice or something. Those hurt and on the side-lines for Thursday's game were James Davis, Ernest Bowen. James has a broken arm. He is

used as a tackle. James is a very good player for the JV Lynx. Ernest is a good linebacker. Roy Vasquez had a neck-injury. Roy got hurt in practice. He is a Sophomore. Roy does an excellent job on Defense as well as Offense. Roy was hurt pretty badly, that Coach John Roller, the JV coach, decided not to use him in the Perryton, Dalhart or Guymon game. He used him sparingly in the Boys Ranch game. Now, the final score was 21-0. It was not an embarrassing or humiliating loss, but a tough and rough loss. Just ask the guys, they'll tell you word for word. It was so rough that there were more unsportsman-like penalties than there were of any other kind of penalty. The JV Lynx were hit with only one, the rest were on the opposite team, when they got caught. The Captains for this game were #78, Joe "Cool" Gomez a Junior, and Kevin Slaten, #70, a Sophomore. Both did an excellent job for the JV Lynx in this game. Both teams had excellent defenses, as neither team could make any points. All of a sudden, the JV Lynx fumbled on their own 19 yard line, with the JV Roughriders recovering. With 1:51 left in the 1st quarter, the JV Riders tried a field goal, this real teeny, weeny fellow got in there and booted the ball thru the uprights, giving the JV Riders a 3 point lead, it was a 33 yard field goal. The quarter ended that way, 3-0, Boys Ranch ahead. Once again, like last week, the JV Lynx opponents wanted to "go thru the middle", they could barely get a half-a-yard last week—Dalhart, that is, and this week Boys

Ranch was lucky to get a whole yard. The JV Riders had the ball in JV Lynx territory, they had a 3rd and short 1—meaning half-a-yard, well the JV Lynx middle held. Now it was 4th and half a yard to go, everyone in the stands knew it was going to be a quarterback sneak, the question was could they be stopped. Well, Joe "Cool" Gomez, #78, burst thru his opponent and busted the quarterback for a yard loss, the JV Lynx took over. Excellent Defense by the JV Lynx!! The JV Riders made a touchdown, the Point After Touchdown was no good. The score was at the half, 9-0. Believe-you-me, Coach Roller was in that dressing room, pumping the guys spirits up. (Paul Lopez was already taken to the hospital). It also had rained a little. Before the JV Lynx came back, it rained again. I mean it poured like mad. Neither team could do much in the beginning during the down-pour from the sky. The fumbles were really something now, with the down-pour. The JV Lynx fumbled deep on their side of the field. The JV Lynx Defense held, the JV Riders' brought their "little guy" to try a field goal, this time it was closer, but the ball could not get there. The score remained the same. The JV Lynx then had to punt. **NOTE FROM SPORTS DESK:** Last week against Dalhart, the deep-snapper, Teddy Vela, was having trouble snapping the ball. This week against Boys Ranch, Teddy put the ball right on Steve Burke's—the best punter and place kicker the JV Lynx have—hands where all he had to do was drop and

kick! I'm sure Steve was relieved as well as Teddy. Steve hit an excellent 45 yarder, but another little teeny weeny fellow got the ball and went down the sidelines, after the reverse was attempted and completed, like a greased pig at a fair. He could not get caught or touched. It was an 80 yard return for a touchdown. The PAT failed again, and the score was now 15 to nothing, in favor of the JV Riders. Near the end of the 4th quarter, the JV Riders knew they could not go thru the JV Lynx line, as Dalhart figured out also, so they started throwing. They had a touchdown throw, making the score 21-0, the PAT was attempted, but like the others, it missed by a long shot, the final score was left at 21-0. By the way, Steve Burke attempted a field goal, but it was not high enough. Steve has a good foot with good strength, he will be ready next time to attempt and make a field goal. The JV Lynx will be hosting the Canadian JV Wildcats. The first time these two teams met, the first game of the year, Canadian won, but they also played at their home-place. The JV Lynx will be playing against Canadian at Lynx Stadium on October 14 beginning at 6:30 p.m. By the way, this is the first time that the JV Lynx have lost at home since "last year".

8th Lynx Get 'Branded'

As the 7th Lynx had the "thrill of victory", the 8th Lynx had the "agony of defeat". They have an excellent roster of players, and the players themselves play great, it is time for them to win a game, and although it wasn't against Boys Ranch, the time will come, and Canadian is next, it just might be them. The final score in the 8th grade game was 34-0. Now, the 8th Lynx did have some Offense, but could not score. They have excellent players on their team, Allen Mires, Mike Pearson, Mark Garnett, Kevin Kenney, Dusty Hill, Monte Beck, Ray Saldivar, Wade Burgess, J.W. Hardy, Darwin Hanson, Tommy Flores, Jesse Lozano, Allen Garder, Ricky White, Trevor English, William Volden, Mark Allen, Norman Hill, Daniel De La Rosa and Scott Taylor. These guys have promising futures. They can play good ball. Once they break that barrier between them and the endzone, no one will be able to stop them, not even the Perryton 8th Raiders!! These guys have potential, their personnel is excellent. Sometimes the 8th Lynx have great plays, sometimes they don't. So far, the 8th Lynx have not scored, but once they do, like I said, they will be hard to stop.

FFA Sweetheart JoAnne Odegaard

Each year the FFA—Future Farmers of America—get together and choose whomever they want to be the FFA Sweetheart. The Sweetheart will be introduced to all the FFA parents at the annual FFA Banquet.

This year a young lady by the name of JoAnne Odegaard was chosen. JoAnne is very active in extra-curricular activities at Spearman High School. She is an active member in FFA, as well as FFA—Future Homemakers of America, FCA—Fellowship of Christian Athletes, Choir, Student Council—being a Sophomore Representative and the musical group Celebrate. JoAnne is the 15 year old daughter of Roger and Elaine Odegaard. She is a member of the Church of Christ. JoAnne is also active in the Rodeo Club and was the 1982 Sophomore Attendant at Homecoming.

FFA SWEETHEART 1982-83—JoAnne Odegaard is the 1982 FFA Sweetheart. JoAnne is show with her escorts at Homecoming, #85, Gary Thomas and #33, Dennis Randall. They seem to be congratulating her for being the 1982 Sophomore Attendant at Homecoming and the FFA Sweetheart!

7th Lynx Enjoy 'Thrill of Victory'

The "Thrill of Victory" was experienced for the first, and not the last, time by the 7th grade Lynx!! They, coached by Ken Rutherford, were in a 0-0 deadlock with the toughest team of the conference, the Boys Ranch 7th grade Roughriders, at Boys Ranch even, until the last 30-seconds of the game and all broke loose—meaning "wild horses". Excellent play, perfect teamwork. As y'all recall, the 7th grade Lynx have already put 12 points during the season on the board—one was an aerial touchdown from Justin Ooley to Kevin Nelson and the second was a running touchdown by Brett Davis. The game was deadlocked at 0-0. Now, believe me, there are two very tough teams to play against, especially at their "home-place", one is Dalhart and the other is Boys

Ranch. These are also the most roughest games of all. So the fans that made it to Boys Ranch were excited and on their feet cheering on the 7th grade Lynx to victory, as a matter of fact a tie would have been fine with the 7th Lynx, a tie-in-a-way is the same as a win, except you share the win. Imagine all the fans on their feet, screaming and jumping and cheering because their team is about to tie the game with a very tough and rough team, the Boys Ranch team. Remember the last second, slow motion, running by Burt Reynolds in the movie "The Longest Run", that is how, right now, in the minds of all the 7th Lynx and their fans, the play is being "replayed" in their minds. The 7th Riders throw a pass, the pass is completed but to a 7th Lynx player, instead of a 7th Rider. The player is Alan

Williamson, Norman Scroggs, Vernon Tindell, Scott Swan, Kevin Nelson, Tim Woolley, Calvin Garrard and Kirby Taylor. Each one of these guys did an excellent job for their team during the year, as well as in this tremendous victory over Boys Ranch. Aw, the taste of victory is so sweet!! The 7th Lynx will now be traveling to Canadian to be meeting, for the second time this year, the Canadian 7th grade Wildcats. The 7th Lynx are ready for the "kitties" this time and boy do they have plans for them!! The game is scheduled for Thursday, October 14, beginning at 5 p.m. Canadian better beware, because the 7th Lynx have now tasted the sweetness of victory and plan to defeat and de-claw the Canadian Wild-kitties. Go on over to Canadian and cheer on the 7th Lynx. Coach Ken Rutherford did an excellent job!!

Beeson. Alan, #63, intercepts the ball and runs down the field with excellent blocking by his teammates, he then fumbles the ball on the 5 yard line, his teammate—the quarterback—Justin Ooley picks the ball up and rams it in for the sole touchdown of the game. That is what you call excellent teamwork, by Alan and Justin and by all their teammates for blocking for them. That was one exciting ballgame, and one that proves that the 7th Lynx are an improving ballclub. They still have a few rusty parts, but they are getting "shinier and shinier" as the year progresses!! Those on the 7th Lynx team other than Justin and Alan, include Brett Davis, Tony and Andy Herndon, Chris Lopez, Will Black, Carl Urban, Junior Ochoa, Steve Moore, Larry Dunn, Oscar Anaya, Ray Dunaway, Lester Sullivan, Jeff

Calendar of Events

- OCTOBER 11--This is the beginning of the 2nd-6 weeks.
- OCTOBER 14--The JV Lynx will host the tough Canadian Wildcats at Lynx Stadium beginning at 6:30 p.m. Also the Steering Committee will meet in the Sewing Room at 1:36. Josten's will be at the high school for ring orders during the lunch break.
- OCTOBER 15--The Lynx will travel to Canadian to meet the Wildcats for the 2nd 1982 District game. The game will begin at 7:30. The Drivers Ed Test will be taken at 9:00. The high school will again be on the Alternate Bell Plan with the Pep Rally at 2:30.
- OCTOBER 18--The 1-Act Play Directors will have a meeting.
- OCTOBER 19--The PSAT Test will be taken in the morning.
- OCTOBER 20--Balfour will take ring orders. PSLA at Amarillo.
- OCTOBER 21--The JV Lynx will travel to Dalhart to meet the Lobos beginning at 6:30.
- OCTOBER 22--The Lynx will host the Dalhart "Golden" Wolves in a tough game at Lynx Stadium beginning at 7:30 p.m. The high school will be on the Alternate Bell Plan with the Pep Rally at 2:50.
- OCTOBER 23--There will be a Cross Country Meet at Dumas.
- OCTOBER 26--This will be a College Day at WTSU--West Texas State University in Canyon.
- OCTOBER 27--This will be Frank Phillips College Day at Borger.
- OCTOBER 28--The JV Lynx will travel to River Road and meet up with the Wildcats for the first time this year. The game will begin at 6:30 p.m. Josten's will be at the high school for invitation orders at 8:10.
- OCTOBER 29--The Lynx will host the River Road Wildcats for the 4th game of the District Season beginning at 7:30 p.m. The high school will be on the Alternate Bell Plan with the Pep Rally at 2:50.
- OCTOBER 30--The Lynx Band will go to Amarillo to compete in a Marching Contest. The high school will have their annual Halloween Carnival. More details and information will be provided by the high school.

As you can see, the high school has plenty of events to accomplish. Be looking for more details on the Halloween Carnival. The Student Council will bring some in.

Putting on wheat

T

hey've been weaned, sold, resold, shipped. They're stressed. Don't add to that stress when you worm them. Insist on TBZ®, the no-stress, no-setback cattle wormer and get the most out of your stocker cattle. TBZ is available in easy-to-use paste or bolus form.

Division of MERCK & CO., INC.
Rahway, New Jersey 07065, U.S.A.

TBZ (thiabendazole) is a registered trademark of Merck & Co., Inc.

TBZ cattle wormer, no stress, no setbacks.

Free red maple trees given by foundation

The National Arbor Day Foundation is giving three free Red Maple trees to new Foundation members joining during October, 1982.

The Red Maple is one of the hardiest, fastest-growing shade trees, growing several feet per year. Its leaves turn a beautiful red in the fall. Three three-to-four feet trees will be shipped this fall, postage paid, with enclosed planting instructions. The trees are guaranteed to grow, or they will be replaced free by the Foundation.

The free Red Maple trees are part of the Foundation's effort to promote fall tree planting.

"Fall is an excellent time to plant trees because the roots establish themselves over the winter and support faster tree growth in the spring," John Rosenow, foundation executive director, said. "However the advantages of fall planting are often overlooked. That is why the National Arbor Day Foundation is making this special offer."

The National Arbor Day Foundation, a nonprofit organization, is working to improve the quality of life throughout the country by encouraging tree planting. The Foundation will give three free Red Maple trees to new members contributing \$10.00 or more during October.

To become a member of the Foundation, and to receive the free trees, a \$10.00 membership contribution should be sent to FREE RED MAPLES, National Arbor Day Foundation, Arbor Lodge 100, Nebraska City, NE 68410, by October 31, 1982.

Liz Carpenter to speak at Amarillo

Liz Carpenter, renowned author, journalist and 32 year veteran of Washington Journalism, will be in Amarillo to speak at the Fourteenth Annual Book and Author Dinner, sponsored by the Friends of the Amarillo Library, Saturday, Oct. 9, at 7 p.m., at the Hilton Inn.

Although Ms. Carpenter is most famous for her role as press secretary to President Lyndon B. Johnson, she began her career as a reporter for the DAILY TEXAS, University of Texas Student Newspaper, and worked at a variety of journalism jobs, according to Friends' president Bob Watson. She and her husband, Leslie Carpenter, established and co-managed the Carpenter News Bureau covering the Washington beat for 11 newspapers in the southwest. She is also author of the best-selling *Ruffles and Flourishes*, and currently serves as consultant to the Friends of the LBJ Library.

Ms. Carpenter has been president of the National Women's Press Club (1954), was founder of the National Political Women's Caucus (1971), has been named by *Ladies Home Journal* as the Outstanding Woman of the Year in the field of Public Affairs and Politics (1977), and was former Assistant Secretary of Public Affairs, U.S. Department of Education.

According to Watson, who will also be Master of Ceremonies, a brief annual business meeting and election of officers will precede the address. Jerry Hollighsworth is chairman of the nominating committee; other members are Mrs. R.E. Casperson and Louise McDaniel.

Reservations must be made through the library office (378-3054 Ext. 2251) by Oct. 8. Cost of the meal is \$10 a plate, and no money should be sent with reservations, according to Mrs. Joyce Cowley, Friends' treasurer. Mailing address is Box 2171, Amarillo 79189-2171.

Authors to be honored are residents or former residents of the 25 counties of the Texas Panhandle who have published a book since he Book and Author Dinner Oct. 24, 1981. The authors this year include Dr. Wilma Jo Bush and Kenneth Waugh; John R. Erickson, J. Evetts Haley, Ruth Holladay and Nick Travis; Jerry McDonough, R.L. and Pauline Robertson; Jerry Sinise, Donna Skinner, Melba Steele, D.J. Day Stubben, Robyn Turner, Mike Wall, Larry Willoby, Bruce McGinnis and Merrill Winsett. Anyone knowing of an author who should be honored, is urged to contact the library, 378-3051.

The meeting and dinner are open to the public. The Friends of the Library annually bring an outstanding speaker for the program as a gift to the community.

New film previews Texas

Governor's Mansion

All Texans can now take a special tour of the Governor's Mansion by viewing "A HERITAGE RESTORED", a new 16 mm color film available now throughout Texas by Friends of the Governor's Mansion.

The 20-minute film takes Texans inside the 126-year old mansion that has been home to all Texas governors and their families since 1856. The film highlights the recently completed major restoration of the mansion initiated by Governor and Mrs. Bill Clements, and offers glimpses into the colorful personal histories of some of the mansion's former residents.

The film provides a narrated walk-through of the house with a look into each of the ten public rooms. Sponsored by Friends of the Governor's Mansion through private donations, this film is available on loan, at no cost, to civic groups, church associations, conventions, service leagues, heritage organizations and other interested groups across Texas.

Local schools should contact their Regional Resource Center of the Texas Education Agency to schedule the film for classroom teachers.

The only charge is the one-way return shipping and handling. To schedule a loan copy of this film for your group, please contact: MPA, Inc., at 211 E. 7th Street, Suite 101, Austin, Texas 78701 or call 512/474-8671.

Disaster field offices set up

LUBBOCK, October 7.—On September 27 temporary disaster field offices were established in Amarillo and Lubbock and extended office hours effected in the Grand Prairie Processing Center to accommodate disaster victims as a result of the Economic Injury Disaster Loan declaration for 68 West Texas Counties. The deadline for filing applications under EIDL Declaration No. 599900 is June 23, 1983.

The Amarillo office will close at 6:00 p.m. this Saturday, October 9, 1982 and all further inquiries should be made to the Area 3 Disaster Processing Center, 2306 Oak Lane, Suite 110, Grand Prairie, TX 75051, telephone (214) 263-9924, or to the Lubbock Office. The Grand Prairie office is open from 8:00 a.m. to 4:30 p.m. Monday thru Fridays, to accommodate applicants. It will be closed Monday, October 11, for a holiday.

The office in Lubbock will reopen at 8:00 a.m. on Tuesday, October 12, 1982 and have revised hours of 8:00 a.m. to 5 p.m. Monday thru Fridays until further notice. The location will remain at 1611 10th Street, Suite 200, Lubbock, Texas 79401. The telephone number for the Lubbock office is (806) 762-7481. The Lubbock office will also be closed Monday, October 11, for the holiday.

Oil & Gas Mineral Owners

short course at PSU

Enrollment for the Oil & Gas Mineral Owners short course offered by Panhandle State University and the Texas County Farm Bureau will close Tuesday, October 12. The short course will be conducted from evenings October 19, 21, 26 and 28 beginning at 6:30 p.m. All meetings will be held in the McKee Library Auditorium on the PSU campus in Goodwell, Oklahoma.

This course is designed to keep mineral owners abreast of changes in laws, new ideas in leasing, and the marketing of oil and gas. It will be taught by Douglas E. Burns an attorney and petroleum engineer from Woodward, Oklahoma and A.L. Hutson an OSU Area Economist from Duncan. Mr. Burns will conduct the first three sessions and will discuss the basics of oil and gas mineral ownership, leasing and rights of both surface and mineral owners. Mr. Hutson will conduct the last session and cover tax considerations.

The short course is offered for one hour of credit. Enrollment must be completed by October 12 so that all books and materials can be ordered. The enrollment fee is \$50.00. That amount includes all books and materials. Brochures containing that information about the course and an enrollment blank have been placed in banks and grain elevators around the five-state area. Information and enrollment blanks may also be obtained at the Texas County Farm Bureau office in Guymon and at Panhandle State University. Individuals may use the enrollment blanks and enroll by mail or go by the office of Adult Education, Room 101 Sewell-Loofbourrow, Panhandle State University Goodwell, Oklahoma and complete the application in person. Information concerning the short course will be sent upon request. Persons desiring information to be sent may call (405) 349-2611 EXT 269.

Hightower Awarded

Small-Business Honor

Rep. Jack Hightower has earned the "Guardian of Small Business" Award—and an endorsement for re-election—from the National Federation of Independent Business (NFIB) for his outstanding voting record on small-business issues.

The nation's largest small-business group presented Hightower with the award because he voted with a majority of NFIB members 73 percent of the time.

On announcing the award, NFIB President Wilson S. Johnson said, "The voting record of Rep. Hightower this Congress demonstrates that he is responsive to the needs of his state, because small businesses create the majority of new jobs and if left to flourish, will be a major factor in restoring economic growth."

House members were rated on 22 recorded votes during this session of Congress. Issues ranged from cutting the budget to raising unemployment taxes and forcing the government to pay its bills on time. Those members of Congress who did not have recorded votes on at least 70 percent of the issues included in the ratings were not eligible for the award.

NFIB is a non-profit, non-partisan organization representing 45,622 small-business owners in

Texas and more than a half-million independent businesses across the country.

Farm Bureau

Sets Convention

The Hansford County Farm Bureau will hold its county convention, October 18, at 7:30 p.m. in the Morse Community Building.

All members are urged to attend. There will be an election of directors, and voting on resolutions.

George Washington and Benjamin Franklin have appeared on more U.S. postage stamps than any other persons.

The first stamp exhibition was held in 1852 in Brussels, Belgium, according to some philatelic sources. This one-man show was arranged by Phillippe Vandermaalen, a Belgian geographer.

The Cardinal Spellman Philatelic Museum in Weston, Mass., a suburb of Boston, is considered to have one of the most complete stamp collections in the United States. Dedicated in 1964, the museum is located on the campus of Regis College.

NOTICE OF CALCULATION OF EFFECTIVE TAX RATE AND PUBLICATION OF ESTIMATED UNENCUMBERED FUND BALANCES

I, Alice Peddy, Chief Appraiser for the City of Gruver, in accordance with the provisions of Sec. 26.04 of the Property Tax Code, have calculated the tax rate which may not be exceeded by more than three percent by the governing body of the City of Gruver without holding a public hearing as required by the code. That rate is as follows:

\$.4789	per \$100 of value.
The estimated unencumbered balances for Maintenance & Operation fund:	\$	1,284
The estimated unencumbered balances for Interest & Sinking fund:	\$	641

Chief Appraiser

October 8, 1982

Calculations Used to Determine Effective Tax Rate

I. ASSUMPTIONS

1. 1981 Total Tax Levy From the 1981 Tax Roll.....	\$	104,913
2. 1981 Tax Rate (\$.41 M&O and \$.19 I&S.....)	\$	59/\$100
3. 1981 Debt Service (I&S) Levy.....	\$	32,007
4. 1981 Maintenance and Operation (M&O).....	\$	72,906
5. 1981 Taxes Levied for M&O on Property in Territory that Has Ceased to be a Part of the Unit in 1982.....	\$	-0-
6. 1981 Taxes Levied for Maintenance and Operation (M&O) on Taxable Value of Property Becoming Exempt in 1982.....	\$	2,754
7. 1981 Taxes Levied for Maintenance and Operation (M&O) on Taxable Value of Property Lost Because Property is Required to be Appraised in 1982 at Less than Market Value.....	\$	-0-
