Hot Delivery

RATON, N.M. — A garbage truck driver kept a cool head in a hot situation.

He was in an alley picking up trash when he saw smoke pouring from the back of his truck. He hopped in the cab and drove a block and parked in front of the fire station.

Firemen drove their big pump-truck out the front door and extinguished the blaze.

Mr. and Mrs. Jim Chockley and Mr. and Mrs. Lloyd Patterson of Gruver are now selling tickets for the annual Panhandle A & M Association Spring Banquet, April 16 at 7 p.m. at the PAMC Student Union. In Perryton J. T. Wright and Bill Helton have tickets.

Fred R. Harris, Senator from Oklahoma will be the guest speaker. Sen. Harris is a native Oklahoman whose distinguished service in the United States Senate has brought much national recognition to his home state.

Harris was chosen by the U. S. Junior Chamber of Commerce as one of the Ten Outstanding Young Men in the United States for 1965.

Because of his effective voice in the U. S. Senate and his influential role in several important legislative measures, Newsweek Magazine chose Senator Harris as one of the outstanding young men elected to Congress in recent years.

The Los Angeles Times called Harris "a master of Senate procedure" and the New York Herald Tribune said "Fred Harris is recognized as the new Bob Kerr of the Senate for his ability to work well with others and get difficult things done."

New York (NAPS)—Ancient Romans used tooth-picks made of the pleasant-tasting wood of the mastix tree, according to the makers of Stim-U-Dents interdental stimulators, a safe kind of modern tooth-pick. Primitive man literally worshipped his teeth; later on, tooth-brushing was a part of religious rituals.

30 Days For Flood

ARGONIA, Kan. —Gene York's prank cost the town 50,000 gallons of water and York 30 days.

York, 18, and two juveniles were arrested after someone opened three fire hydrants in Argonia and drained the city water tower.

York drew the 30-day sentence in Justice of Peace Court on a charge of "delivering the water upon the streets of the city."

Three-Week War Statistics

NEW DELHI — Defense Minister Y. B. Chavan told Parliament 3,252 Indians died in the three-week war with Pakistan in September and 8,249 were wounded.

After the Sept. 23 "ceasefire," he said, 459 Indians were killed, 1,348 injured and 15 captured in continuous border skirmishing. In addition 234 are missing.

The border has been quiet in recent weeks as both India and Pakistan implemented the Jan. 10 Tashkent peace declaration signed by the late Prime Minister Lal Bahadur Shastri and President Mohammed Ayub Khan of Pakistan.

In 20 years of post-World War II Big Eight basketball, Kansas State has the best record in league games at 175 won, 75 lost.

Scots Lose Salmon

GLASGOW, Scotland — A young salmon, tagged in the North Esk River of Scotland in November 1964, has been discovered in the feeding grounds of Greenland. Scotland has feared for some time that salmon migrate from here.

Last year representatives of the Scottish salmon fishing interests expressed great concern at the big increase in the amount of salmon fishing carried out by Eskimoes in the far north in recent years.

The fear in Scotland is that if too many salmon are caught in far-off waters an insufficient number will get back to their native rivers to spawn. An industry could be ruined.
