YMCA - ROTARY **AUCTION**

Dick Elbert and Robert Elliott, co-chairmen of the Auction are busying themselves with making the upcoming Auction on April 12 the best ever.

YMCA Board members and members of the Rotary Club are busy contacting business and professional persons about donations for the Auction.

Traditionally, a variety of merchandise goes up on the block, from a van, to a model van for youngsters to glue and paint. There have been items for the fart, and ranch, the

nursery to the bedroom. Also, many tools and household appliances. Many professionals have offered gift certificates for services and savings bonds have been auctioned. A new dimension will be original works

The Board of the YMCA will also have again this year a booth selling soft drinks and home baked goods.

Consistently high yields.

You write the letter. We'll buy the stamp.

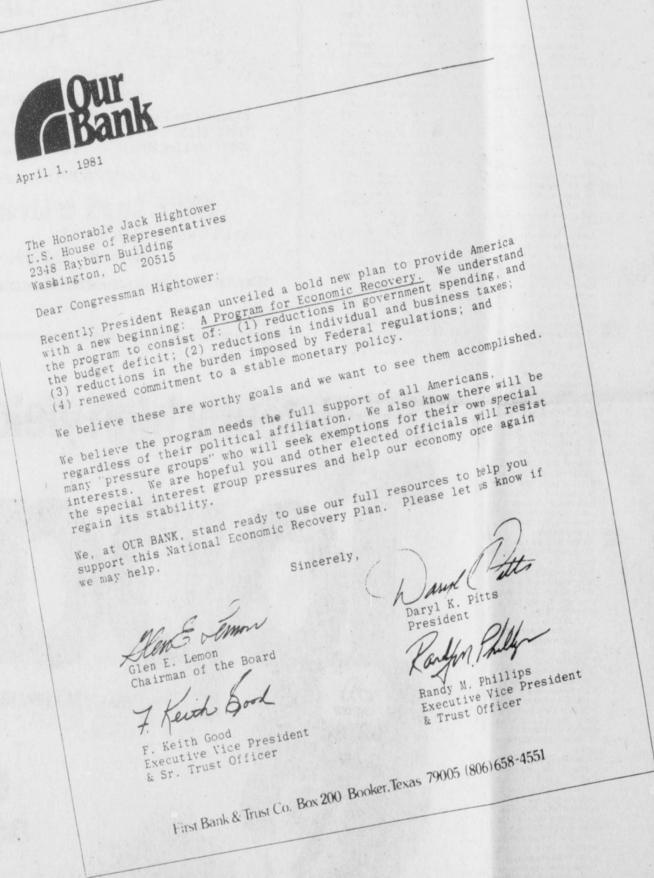

We need your help!

On March 10, 1981, President Ronald Reagan proposed revisions to the fiscal 1982 budget, which was submitted to Congress by the Carter Administration last January. Under the Reagan proposal, fiscal 1982 Federal spending would be cut \$48.6 billion. And total expenditures would be scaled back to a total of \$695.3 billion. A modest 6.1 percent increase over the 1981 level.

We, at Our Bank, feel it is time the Federal deficit be brought under control. If the deficit and inflation are not curtailed in a determined effort, we are all losers. Congressional approval of the spending cuts proposed by the President won't come easily, and there is no simple solution to our problem. But one thing is clear: Congress must feel there is a broad consensus of support for President Reagan's proposals to cut and reduce Federal spending and taxation.

That's where you come in. The success of the Federal budget cuts depends upon the grassroots support. We want the "national interests" to take precedence over the many "special interests" that make themselves so obvious in Washington. To accomplish this, we need your help.

We ask you to write the men and women who represent us in Washington, expressing your support of the President's budget proposals. And the postage stamps are on us. Here's a copy of Our Bank's letter:

Glen E. Lemon Chairman of the Board

F. Keith Good
Executive Vice President
& Senior Trust Officer

Daryl K. Pitts President

Randy M. Phillips Executive Vice President & Trust Officer

If your are interested in making a personal commitment by letting your elected officials know how you feel, write the letter and do one of the following:

- 1. Bring your letter by Our Bank and we'll mail it.
- 2. Call and we'll mail you a stamp.
- You mail the letter and we'll pay you for the stamp the next time you're in Our Bank.

Anyway, the stamp is on us.
