

# Black Cat Attacks Two Children Here Wednesday

Chief of Police, Wayne Pierce, made a plea this past week for the whereabouts of a black tom cat. The black cat with gray and white markings is reported as badly biting and scratching two children.

Carla Harper and Timothy Harper were playing in their yard at 1015 South Bernice when the cat attacked them. Authorities fear this cat may have rabies.

An extensive search was

made Wednesday to locate its whereabouts. Again Thursday and Thursday night the search went on with handbills being distributed Thursday afternoon to alert the public. Chief Pierce reports that the search

Thursday night resulted in the capture of 17 cats but they were unable to find the cat responsible for the attacks. Several searchers were bitten and scratched by cats but none seriously.

Chief Pierce reports a great number of reports Friday about the cat but they were still unable to find them.

Rabies shots must be given to the Harper children in the

event the cat cannot be located.

Authorities have asked all residents to be on the lookout for this cat and to keep children from playing with stray cats.

## Stars Will Meet Sunray

With the Little League regular season over the All-Star area tournaments start.

The area tournament will consist of 4 teams from Dumas, Sunray, Canadian and Spearman.

Spearman will meet Sunray in their first game Wednesday July 21, at 8 p.m. in Dumas.

The Spearman all-stars have been working out every night for the past week and the team is shaping together fine according to Coach Jim Sutherland.

The Spearman All-Star team consists of Kim Brock, Dennis Cockrell, Rex Cook, Bobby DeArmond, Tony Harper, Ronald Head, Frank Lemons, Ronald Schell, Fred Shield-knight, Pat Sloan, Gary Staggs, Marvin Wilkerson, Joe Grayson, Dee Vanderburg and alternates Rickey Driscoll and Mathew Lair.

The coaches for the team this year are Jim Sutherland and Woody Beck.

CLAUDE DOLLINS

## Youth-Led Revival Set By Baptists

A Youth-led revival meeting will be held in the First Baptist Church on July 23-25.

The evangelist will be Claude Dollins of Levelland and the song leader will be Bill Upchurch of Cleburn.

Friday and Saturday night services will begin at 7:30pm and Sunday services will be at the regular time.

Youth leaders for these services are pastor, Lonnie Hiller publicity chairman, Lynn Garnett; Visitation chairman, Susan Uptergrove; Hospitality chairman, Sue Bradford; Music Chairmen, Harold Adkison and Gary Gray; Refreshment chairman, Barbara Wilde and Food chairman, Mae Belle Witcher.

Because Of Raise In Valuation

## School Board Lowers School District Tax Rate

A 5¢ drop in school taxes and the approval of a new system of equal pay for teachers

dominated the Wednesday night meeting of the Spearman School Board.

With the raise in valuation this past year from 30% to 40% the board felt it was pos-

sible to give the property owners a decrease in taxes. The rate of \$1.88 was dropped

five cents to \$1.83 per \$100 evaluation.

The board felt it needed more money to operate on and the raise in valuation was sufficient at this time.

The board approved a schedule for teachers pay worked out by Supt. Bill Reeves and Orville Lathrop.

The schedule was determined after careful study of about 30 other schedules from towns on the plains. Supt. Reeves stated they wanted to work out some type schedule that would be above the average of these towns but not the very highest.

The pay increase is about \$12,000 under the increase pay budgeted for this year.

This schedule will give teachers holding a Bachelor's degree \$5,180 with a maximum in 10 years of \$6,800. Teachers with a Master's degree, \$5,832 with a maximum in 14 years of \$7,800. This schedule is figured with a \$182 yearly increment or increase.

The board also reviewed the project of raising the center of the football field and planting grass.

ALL-STAR SQUAD---This is the 1965 Spearman All-Star team. They play Sunray Wednesday, July 21 in Dumas. They are (front row, left to right) Rex Cook, Dee Vanderburg, Gary Staggs, Joe Grayson, Dennis Cockrell, Ronald Schell, Tony Harper, (second row, left to right) Ronald Head, Pat Sloan, Bobby DeArmond, Kim Brock, Marvin Wilkerson, Frank Lemons, Rickey Driscoll. Not pictured is Mathew Lair. Coaches are Jim Sutherland and Woody Beck.

## Funeral Services For Mrs. Jones Are Held

Funeral services for Mrs. Georgia Mathews Jones, a resident of Morse for 15 years were conducted Saturday at 3 p.m. in the First Methodist Church.

Mrs. Jones of 203 4th street in Morse, died Thursday afternoon in her home.

The Rev. Wade Griffith, pastor of the Asbury Methodist Church of Lubbock officiated, assisted by the Rev. Ivan Allan, pastor of the King Memorial Methodist Church of Childress.

She moved near Morse in 1901, and in 1926 moved to Spearman, then later moved back to Morse.

She attended the first funeral service in Lieb cemetery. The man's death was due to electrocution.

Burial will be in the Lieb

Cemetery near Morse by Boxwell Brothers Funeral Directors.

Survivors include a daughter Mrs. Luthera Dixon of Morse; a son, Hall Jones of Spearman; sisters, Mrs. W. R. Parks, Morse, and Mrs. I. R. Thompkins of Spearman; three grandchildren and four great-grandchildren.

Active pallbearers were Floyd Close, Lynn Davis, Don McCammond, Wilson McCloy, Wilson Buchanan, Chesta Lieb, H. B. Parks and Freeman Barkley.

Honorary pallbearers were Jake Vernon, Tom Etter, Ernest Lieb, Henry Reid, Rex Sanders, Lee McClellan, E. J. Copeland, Sam Cluck, Pete Cator, R. C. Womble, P. A. Lyon, Sr. and Jerald Scribner.

## Supervisor To Speak

## Herbicides Law Will Be Discussed Here

Walter Newcomb, assistant agriculture supervisor of Area 1 will meet with the Hansford County Commissioners Court. This meeting is scheduled for July 20 at 1 p.m. in the Court room.

Newcomb will discuss the Herbicides law and how it would be invoked in Hansford County.

This meeting stems from a complaint issued last week when a delegation of about 30 farmers went before the Commissioners Court requesting that a herbicide law be passed in Hansford County.

The State of Texas has passed this law and the commissioners will have to decide whether or not to make it a

law in Hansford County. This meeting is being scheduled to determine whether or not the people want the law.

The Herbicides law pertains to all hormone type herbicide substances producing a physiological change in plant tissue without burning, including 2,4-D and 2,4,5-T. This law will demand regulations on application of any herbicide.

The type regulations include a license to sell and to apply, and regulations on equipment distance from broad leaf plants, wind velocity and direction, records, and transport regulations.

The law states that all per- (Con't. on back page)

## Wheat Harvest Totals Are In

With wheat harvest all but over the total bushels harvested in Hansford County comes to a moderate climax.

In a survey made of elevators in Hansford County the total bushels produced in the county comes to an approximate 4,171,516 bushels.

The ASC office reports 206,115.15 acres allotted for wheat this year. Dirt and wind destroyed a great number of the acres of dry land wheat before it had a chance to produce. With the added loss of hail and downed wheat from rain the farmers seem fairly satisfied with this total.

County Agent, Robert Adamson reports an approximate 80,000 to 90,000 acres of wheat in the county being under irrigation which helped increase the total number of bushels harvested.

## Editor on Vacation

Mr. and Mrs. Burt McClellan are in Commerce this week with his parents, Mr. and Mrs. Arthur McClellan. Mrs. McClellan left last Sunday to spend several days in Memphis with Dr. and Mrs. W. C. Davis. Mr. McClellan joined her Wednesday night. On the way to Commerce they stopped in Decatur to visit her brother and his family. They should be back in Spearman Tuesday.

**Mrs. Archer Is Hostess**

The Naydene Brewer Circle of the WMU met in the home of Ann Archer on Wednesday morning July 14.

Cokes and cookies were served the group during the meeting.

Eleanor Douglas presided at the business and Dot Ammons read the minutes followed by reading the prayer calendar.

Joy Moore displayed the mission books and was also in charge of the program titled "The Home, Relating to World Missions".

Parts were given by Wanda Adamson titled 'Family Learning', Eleanor Douglas on 'Family Vacationing', Wanda Widener on 'Family Giving' and Barbara Reger gave the concluding part on 'Family Praying'. Prayer by Eleanor Douglas closed the meeting.

Attending were Sue Holt, Wanda Widener, Wanda Adamson, Joy Moore, Frankie Brandt, Barbara Reger, Dot Ammons, Eleanor Douglas and hostess Ann Archer.

**WMU Circle Has Meeting**

The Kezzia Mae Sewright Circle of WMU of the First Baptist Church met on Wed. July 14 in the home of Viola Hutton.

Prayer calendar was read and prayer offered by Betty Uptergrove.

The program "The Tithe, the Minimum Requirement" was in charge of Betty Thomas. Assisting were Lorella Read, Alma Bradford and Betty Uptergrove.

Attending were Addie Novak Linda McAlister, Dana Hazelwood, Ruby Wilbanks and the hostess Viola Hutton.

Meeting closed with prayer by Betty Thomas.

Wesley Carmichael, nephew of Ray Lackey, and his friend Jack Coursey both of Springville, Indiana were Tuesday and Wednesday overnight guests in the Lackey home. The boys were enroute home from a vacation trip to Calif.

**Mrs. Reneau Is Hostess**

Mrs. Wendell Reneau was hostess for the Faith Luthern Circle when they met Wed. evening July 14.

Mrs. Jewel Ward called the meeting to order and conducted the business session.

The opening meditation was given by Fern Welch and Thelma Reneau brought the offering meditation.

The lesson taken from Eph. 4-6 was titled "Walking in Love" and was given by Mrs. Reneau.

The next meeting on Aug. 11 will be held in the home of Mrs. Ronald Schaffer.

Attending were Delphine Kopke, Thelma Reneau, Helen Langenheim, Fern Welch, Betty Ward and Alma Ward of Gruver.

The first U.S. commemorative stamp was issued in 1893 to honor the World Columbian Exposition.

**Farmers Look For Grain Sorghum Midge**

Texas farmers should start looking for sign of sorghum midge, says Weldon Newton, associate Extension entomologist, Texas A&M University. The small orange fly is best seen as it crawls over spikelets of young grain sorghum in early morning.

Destroying thousands of dollars of grain every year, midge is one of the most damaging insects attacking Texas grain sorghum. Usually farmers are unaware of midge until tell-tale "blighted" or "blasted" heads begin to appear. Then it is too late to attempt control, Newton adds.

He explains that sorghum midge, whose adults are about one twelfth of an inch long, overwinter as larvae in cocoons which are attached to spikelets of Johnsongrass. About the same time that Johnsongrass begins to bloom the midge matures and flies to fields of grain sorghum where heads are beginning to

emerge from the boot. The females deposit their eggs on spikelets of young heads during a four to ten day period following booting. The eggs produce maggots that bore into and consume the internal portion of the seed.

The only economical way to control midge is by destroying the females before they deposit their eggs. This requires precise timing because it must be done during the four to ten day period when adults fly to the young heads.

Many growers choose to apply insecticides immediately after head emergence if midge damage occurred the previous year. Others prefer to inspect their fields and determine the need for treatment depending upon the number of adult midge among newly emerged heads.

"Research shows that best results are obtained if insecticides are applied when approximately 90 percent of the

heads have completely emerged from the boot," Newton reveals. "The application should be repeated after three to five days if adult activity continues."

He says that seving, toxaphen endrin, parathion, carbophenothion, diazinon and ethion are effective insecticides for sorghum midge control. Farmers should obtain additional information concerning concentration, methods and time of application from their local county agent's office.

**Mrs. Holt Gives Lesson**

Alma Reed Circle met Wed. morning July 14 with Mrs. Don Jones.

Mrs. Don Jones, circle chairman conducted the business. Mrs. Ruth Lackey read the prayer calendar and Mrs. A. F. Loftin led in prayer.

Mrs. Wren Holt gave the lesson on the Missionary Message of the Bible.

Present were Mmes. Marie Berry, Wren Holt, A. F. Loftin, Ernestine Gray, Virginia Fowler, Ruth Lackey, Joan Gilley and hostess Edrie Jones.

**Circle Met In Guthrie Home**

The Betty Morris Circle met Wednesday morning in the home of Delores Guthrie.

Mrs. Ray Devers led in the opening prayer. Barbara Howe read the prayer calendar and also led in prayer.

Peggy Archer brought emphasis on Community Missions for July and August.

Gowonda Golightley gave the program "The Tithe" and also closed the meeting with prayer.

Attending were Peggy Archer Delores Guthrie, Barbara Howe, Omega Chisum, Eva Adkison, Gowonda Golightley and one visitor Mrs. Ray Devers.

Mr. and Mrs. John R. Miller and Barbara went to Ponca City last week to visit relatives. His mother Mrs. John Miller Sr., came home with them for several days visit. Monday John and his mother visited in Clayton, N. Mexico with a sister-in-law of Mrs. Miller Sr., Mrs. Ida Shields, who is 91 years of age. They returned home on Tuesday.

# Record Automobile Tourists Travel Through Texas in 1964

More tourists traveling by automobile entered Texas last year than in any prior year in history.

During 1964 automobile visitors to the State added the impressive total of \$524,739,000 to the Texas economy. This was more than enough to rank the Visitor Industry high on the list of the State's most important sources of revenue.

In addition, the Texas Tourist Council estimates that nearly 2.5 million visitors came to Texas by commercial carriers, adding more than \$150 million to the total spent for tourist services. The Texas Highway Department's annual survey of out-of-state visitors shows 11,757,000 tourists came to Texas by automobile in 1964. The length of the average visitor's stay was 5.6 days and he traveled 1,020 miles while in the State.

Last year the average party consisted of three persons. Average cost per day per person was \$7.97, while the average cost per party was \$23.91. Expenditures per person were up 12 cents per day from 1963.

The Texas Highway Dept. has long recognized the importance of the travel industry to the State's economy. Through its Travel and Information Division it strives to bring visitors to Texas in ever-increasing numbers. This is done by publicizing the State's attractions and providing information and

descriptive literature to prospective visitors. Last year the Department serviced 704,000 inquiries for the traveling public.

Eight Travel Information Bureaus are operated by the Department at key point-of-entry locations and in the rotunda of the State Capitol in Austin. These information centers played host to 492,000 visitors last year, of which 225,000 were from out-of-state and 267,000 were Texas residents.

The hospitality centers provided visitors with current travel information, descriptive literature on points of interest, State Highway maps, information on scenic and historical attractions, special events and state parks. Current road condition information is also made available to the highway traveler at the centers.

During 1964 the Texas Highway Department received via mail and filled 212,000 requests for all types of information about the State. Some 18,000 of this total were coupons received by the Texas Tourist Development Agency as a result of its media advertising program.

Data covering out-of-state automobile travel to Texas in 1964 were collected and analyzed by the Travel and Information Division of the Texas Highway Department. The sample included nearly 10,000 Texas visitors traveling by automobile.

Comments contained on the completed survey forms indicated nearly 92 per cent were favorably impressed with the Lone Star State. Things impressing Texas visitors most were: Texas Highways, Texas, Texas Texas Highway Department Tourist Information Centers.

Others of the thousands of comments related to vacation sites, prices, size of the State, Texas attractions and recreational facilities. Only 8.2 per cent of the total comments were derogatory in nature.

An estimated 37 per cent were visiting Texas for the first time. Over 52 per cent of the total visitors to Texas last year were here for vacations. Some 30 per cent were visiting family and friends and 18 per cent came to Texas for business reasons.

Motels were a heavy favorite for overnight accommodations with 58 per cent selecting these roadside facilities. Of the remainder, 20 per cent were housed in private homes 7 per cent stayed in hotels, 7 per cent camped out and 6 per cent had their own trailer accommodations. Two per cent of those polled reported no preference.

Businesses catering to the

basic needs of the traveler are the first to feel the impact of the tourist dollar. However every segment of the Texas economy benefits as this income spreads throughout the state in a demand for services supplies and labor.

A recent study of the Texas visitor's expenditures indicates the travel dollar is spent as follows: Automobile, 30¢; Food and refreshments, 27¢; Lodging, 24¢; Clothing, 9¢; Souvenirs, post cards, etc., 4¢; Entertainment, 3¢; Drugs, 1¢; Other expenses, 2¢.

Last year tourists from all 49 other states came to Texas. Distant California was first in total numbers with 1,786,000. Neighboring Louisiana was a close second with 1,740,000. Oklahoma was third with 776,000. Florida was fourth with 647,000.

Department studies indicated the vast majority of Texas visitors traveled by automobile. This agrees with the American Automobile Association findings that nationally 90 per cent travel by private conveyance. To bring the "big picture" of the Texas Visitor Industry into better focus, the Texas Highway Department has included a commercial carriers section in the 1964 report.

The Texas Tourist Council, which is headquartered in Austin, undertook this phase of the study. It polled the various commercial carriers in an effort to obtain information upon which an estimate could be based that would reflect the approximate number of visitors who came by airlines, buses and railroads. Its poll indicated that some 2,461,000 persons used commercial transportation and this group added \$154,771,000 to the automobile total.

The Council reports that interstate airlines played the most important role of the commercial carriers. During 1964 they brought to Texas 1,770,000 out-of-state travelers who remained an average of four days and spent \$17.50 per day.

Another 691,000 visitors came to Texas by bus and railroad. According to the Council's figures their average stay and rate of expenditure were approximately the same as that of the automobile tourist.

In addition, many visitors came to Texas in 1964 via private craft and commercial ships. This group could not be included in the report since estimates were not available.

Working 14 hours a day once was called economic slavery. Today it's called moonlighting.

Mrs. A. F. Holland entered Northwest Texas Hospital in Amarillo on Thursday and underwent surgery on Friday morning. David and Jay Holland are staying with their grandmother Mrs. Lawrence in Plainview while their Mother is hospitalized.

Mrs. Jerry Morris, Terry and Ginny recently returned from a vacation spent at Hannibal Mo., visiting her sister Mrs. Kenny Zeiger. Her mother Mrs. Adaline Toohey of Omaha met her there and was also a guest in her sisters home.

Mr. and Mrs. Everett Vanderburg visited Tuesday in Pampa with his parents, Mr. and Mrs. E. F. Vanderburg.

Monday overnight guests of Mr. and Mrs. Ray Devers were Mr. and Mrs. Bill Smith of Shidler, Okla. The Smiths were enroute home after spending a few days fishing at Red River.

Recent guests of Mr. and Mrs. W. A. Ellsworth were her brother and family Mr. and Mrs. John Janow and family and her mother Mrs. Mary Lou Janow all of Roswell. The Janows were enroute home after visiting another sister, Mrs. Bertha Knight and Martha Knight at Woodward, Okla.

Guests of Mr. and Mrs. Sam Graves this week were their daughter-in-law Mrs. Albert Graves and daughters Becky and Debbie of Raleigh, N. Carolina and her mother Mrs. Johnson of Wichita, Kans. Mrs. Graves and her mother went back to Wichita on Fri. but Becky and Debbie stayed for a longer visit. Mrs. Albert Graves will arrive on Sunday to spend the next 2 weeks with the Sam Graves.

Mr. and Mrs. Sam Graves visited last week end with their daughter and family Mr. and Mrs. Narrel Wilson and children of Lubbock.

Mrs. Madie Edwards and her grandson Paul Van Cleve of Bell, California, spent last week end in Portales, N. Mex. visiting Paul's paternal grandparents Mr. and Mrs. W. A. Van Cleve.

### Fifteen Meet In HD Room

Fifteen members of the Spearman Chapter of the Business and Professional Woman's Club met at noon July 8th at the Home Demonstration Club. A luncheon was served the group by the As-

sembly of God Church ladies. The order of business discussed by the group included a discussion of the proposed club project, the publication of the club yearbook, and a district planning session to be held in Amarillo, Sunday, June 11, at 2 p.m. Members present included Mrs. Mary Lou Wysong, Mae Bretz, Mildred Róles, Muriel Fryer, Ludie Mae Lovett, Belle Crawford, Sammie

Bishop, Jettie Davis, Mable Jameson, Leona King, Mable Edwards, Mae Floyd, Lou Howter, Mae Farrea, and I.I. Turner. Mrs. Bob Hohertz, Lynn and Jeffery were in Canadian this week to visit her parents Mr. and Mrs. Van Petree, Elizabeth Hohertz who has spent some time with her grandparents came home with her mother, but Lynn stayed for a longer visit.

"Stay Safe and A live in '65" is the slogan for National Farm Safety Week, July 25-31. For 21 years rural families throughout the nation have been observing the week. For many state and local groups it represents a high point in their annual safety activities. The Texas Farm and Ranch Safety Council urges full cooperation in the promotions soon to be announced.

The Texas Crop and Livestock Reporting Service said prices received by Texas farmers and ranchers on June 15 for all farm products were 6 points above May 15 prices and 11 points higher than a year ago. Increased prices for livestock led the way.

If you want superb waffles, use plenty of melted butter or margarine in the batter!

### Check For Chinch Bugs

If homeowners notice yellow or brown patches in their St. Augustinegrass lawns, they should check for chinch bug infestation, says W. H. Newton, assistant extension entomologist, Texas A&M University. He points out that many severe cases of lawn damage by chinch bugs have been reported in Texas this year.

Chinch bug damage is usually caused by nymphs (young) which congregate on sheaths of lower leaves and suck juices from grass plants. This results in wilting and eventual death of the grass.

Adult chinch bugs are one sixth of an inch long, have black bodies, reddish yellow legs and fully developed wings. Newly hatched nymphs are bright red with a whitish band across the back, Newton adds.

If chinch bugs are present in insufficient numbers to cause yellow or brown patches to appear, they can usually be found by parting grass in damaged areas and making close observations. They will appear as small black or red bugs with white markings on their backs.

Newton explains that a gallon can with both ends removed can be used as a sure detection for chinch bugs. This is done by forcing one end of the can two or three inches into the ground and filling it with water. Any chinch bugs present will float to the surface within five minutes. The can should be placed at the edge of the damaged area.

Control measures should be started immediately if chinch bugs are found. Ethion, Trithion and Diazinon are among several insecticides which may be applied either as a spray or dry granular form. Lawns should be wet when sprays are applied. Granular forms do not require lawns to be wet when applied but they should be washed into the turf mat after application.

The entire lawn should be treated thoroughly, giving particular attention to areas obviously infested. Continued observation for chinch bugs should be made because one insecticidal treatment rarely prevents damage for a whole season.

Newton advises homeowners to check with local county agents for recommended insecticides and method of application for chinch bug control.

A revised 200-page handbook that brings up to date USDA suggestions for safe and effective use of insecticides against specific agricultural and household pests is now available. Agricultural Handbook No. 290, "Suggested Guide for Use of Insecticides to Control Insects Affecting Crops, Livestock, and Households--1965" can be purchased from the Superintendent of Documents, Government Printing Office, Washington, D. C. 20402, for \$1.

Ninety-seven percent of the nation's homemakers served chicken to their families last year. This represents a 4 per cent increase over 1956, when the last previous survey was made, nutritionists with the U. S. Department of Agriculture say.

Smart shopping of summer sales is a challenge to homemakers. One of the delights of a shopping trip is to discover a real bargain, says Mrs. Elsie P. Short, Texas A&M University Extension home management specialist. An item is no bargain if you don't really need it, no matter how economically it may

be priced. Don't go overboard on bargain-buying just for the sake of buying, she cautions. Take a close look at the inviting advertisements which feature special sales, discounts, and savings. For example, if an item is advertised at "20 percent off," does this refer to the "list" price, the price tag, or the price at which it was originally selling? Is 20 percent a sizable reduction or a small one?

Many people prefer to buy well-known brands of merchandise. There's nothing wrong with this policy if you're aware that a specific company may manufacture the product in several price lines not of equal quality. A low price line is sometimes designed as "promotion merchandise" that the retailer can use for sales or a "special purchase."

Here are some basic consumer information guides to aid you in shopping:

Read ads carefully. Look for precise information, such as detailed descriptions of sale items. Model numbers on appliances, for example, permit a quick, accurate check on price comparisons among stores.

Consider off-season buying. There may be less choice of items, but this need not be a disadvantage when purchasing standardized items such as socks or white goods.

Understand guarantees. Know who is responsible for fulfilling the guarantee agreement. Have the terms of the guarantee been cut along with the price?

Examine all sales items carefully. Be a sharp shopper.

STAR-SPANGLED SAVINGS PLAN FOR ALL AMERICANS

## Union Drive To Be Held

Texas Farmers Union is planning an upswing in effort in Hansford County in the near future and hopes for an increase in membership. Mr. Kenneth Moss, Paducah, Texas, Farmers Field Man, was in Spearman recently to confer with county members regarding Farmers Union business. He plans to return to the area within the next two weeks, with Mr. Jay Naman, Texas Farmers Union president of Waco, expecting to visit at a later date about the first week of August.

Any questions concerning Farmers Union insurance may be directed to Mr. Ted Springer, 1314 Bellaire Street, Amarillo, if the present county members are unable to answer them, or until such time as an agent may be assigned to this county.

## Herbicides --

(Con't from Page 1)  
sons engaged in the application, for hire, must execute a surety bond in the penal sum of \$20,000 and all equipment bonded for \$2,000. The farmers in Hansford County wanting to raise broad leaf plants have brought on the request for controls on spraying.

## S S Bill Changes Camp For Union Youth To Be Discussed

The social security changes that will become effective because of the new Medicare bill will be explained to Lions Club members at their regular meeting this week.

Gerald Mulder, district social security representative from Amarillo, will be present to explain the effect of the Medicare bill. Following his talk a question and answer session will be held.

The Lions Club will meet Tuesday at noon at Grunewald's Restaurant.

## Camp For Union Youth

Information regarding the Farmers Union Youth Camp at Bailey, Colorado may be obtained from Jenna V. Ownbey, Hansford County Publicity Chairman for Farmers Union, or from Mrs. Phillip Smith, Sunshine Ranch, Panhandle, Texas.

The camp dates are from August 1 through 7th, and young people under the age of 18 are permitted to attend with room for parents and adults to come as counselors or house parents. Applications must be in by July 23, 1965.

Bailey is southwest of Denver in the beautiful Colorado mountains. Youths from both Texas and Illinois will attend this camp.

LOUISVILLE — Sign on a Louisville restaurant: "Cook and waitress mad. Business as usual during altercations."
