ONE KILLED---A Perryton man, J.B. Patterson, was killed Monday night just west of Waka when this stationwagon struck the rear of a large oil truck. The accident happened about 8 p.m. Patterson was alone in the stationwagon.

Perryton Man Dies Monday In Car Wreck Near Waka

A Perryton man was killed Monday night in a car-truck collision one mile west of Waka on Highway 15. Dead is J.B. Patterson, 52,

of 119 N. Eden, Perryton. The driver of the truck, James Wilhite of Follett was not injured. The Texas Highway Patrolman who investigated the ac-

cident said Patterson's 1956 model stationwagon hit the rear of the Permian Corp. truck as the truck was turning off the highway into an unloading dock. The big trailer-truck was loaded with distillate.

Both vehicles were traveling east when the accident happened, the patrolman said. The accident was reported at 8:05 p.m.

The front end of the stationwagon was smashed almost back to the windshield. Damage to the trailer-truck was light.

Funeral services will be conducted at 2 p.m. Saturday in Boxwell's Funeral Chapel in Perryton. The Rev. Calvin Cook will officiate. Burial will be in Ochiltree Cemetery.

Mr. Patterson was a retired plumber and had lived in Perryton five months.

He is survived by two daughters, Mrs. John Dunn of Perryton and Mrs. H.B. Rinker of Spearman; a son, Keith of Perryton, a brother, R.A. of Perryton; a sister, Mrs. Troy Horton of Chico, Calif., and nine grandchildren.

Board Studies Needs Of School System

School board members took another long look at the needs of the Spearman School system, then went to work cutting any unnecessary extras out of a proposed bond issue.

Ten items out of the original 23 proposed items were eliminated completely, then the costs of others were trimmed.

The cost of two or three items are to get more examination before the board sets the amount of the bond issue and the items to be voted upon. This decision will be made at the next meeting.

Items to survive the elimination process were: paving parking lots at both ends of the new high school, these lots will run from Eleventh street back to the rear of the building; seeding of the front lawn at the high school and watering equipment; an athletic field house and practice field at the high school, this field will be made into a football field; backstops and nets for tennis courts on the parking lot, asphalt tile for the home economics department; a tractor and mowing equipment for school grounds; larger pressbox at football field; laundry equipment for athletic department, renovation of junior high school building and additional lights on parking lots.

The bank loan to the Hope district was ordered paid. This is for \$7,000.

The board approved the construction of another hog barn and shed at the school agriculture farm. Also, a light was approved for the farm in an effort to cut down on thefts at the farm.

Jack Oakes was given the job of making the annual school audit.

The board accepted a \$20 payment from the First Baptist Church for use of the fifth and sixth grade football equipment. The school board had earlier let the Royal Ambassadors use the uniforms, but the church asked to pay for the use of the equipment.

Police Investigate Minor Wrecks

City police officers investigated two minor accidents during the noon hour Saturday and Monday.

Saturday at 10:10 p.m. Jim Steve Ownbey and Irwin Delk were involved in a two car accident. Police officers said the Ownbey car was backing (Con't. on page 2)

Demo Rally In Gruver Tonight

Hansford County Democrats will have a dinner and rally tonight in the Memorial Building at Gruver. The barbecue dinner furnished by Sutphens of Borger will begin at 7 p.m.

Speakers at the rally following the dinner will be District Judge Max W. Boyer of Perry. (Con't. on page 2)

B&PW Club Undertakes Christmas Decor Drive

Two thousand dollars is the goal the Business and Professional Women have set for the Christmas Decoration Drive which will begin at noon Friday.

The women volunteered to conduct the drive in behalf of the Chamber of Commerce Christmas decorations fund. The money will be used to buy large 10 foot tall scrolls to go on the light poles along Highway 15.

This drive is a part of the

Chamber of Commerce's continuing effort to secure decorations for the main traffic arteries of Spearman. Last year new decorations were purchased for Main Street.

The drive will be kicked-off with a luncheon at Grunewald's Restaurant in Plains Shopping Center Friday.

The Xi Zeta Upsilon chapter of Beta Sigma Phi has agreed to purchase one scroll as a club project. Other organizations will be contacted and given a chance to help with this civic work.

Burglars Hit Gruver Store

Burglars hit the Hansford County Parts store in Gruver over the weekend.

Sheriff's officers investigating the burglary said the thieves took approximately \$50.

Absentee Ballots Now Available

Absentee voting for the General Election Nov. 3, began Wednesday. Absentee ballots may be secured at the County Clerk's office. The voting ends at 5 p.m. Oct. 30.

Favored Lynx Meet Stinnett Rattlers Friday

Can the rockribbed Spearman Lynx defense and power style offense overcome the Stinnett speed and passing game? The question will be answered Friday night when the Lynx meet the Rattlers in Stinnett at 8 p.m.

The Lynx shed their "also ran" reputation Friday night with the sound 25-0 whipping of the touted Sanford-Fritch Eagles and are now in the favorite spotlight.

The victory rocketed the Lynx into third place in the AA ratings of the Panhandle schools.

Stinnett now has a 1-1 district record. They fought Dalhart to a standstill before falling 21-0 two weeks ago. Friday they beat Shamrock by a narrow margin.

The Spearman coaching staff says the Rattlers have speed, a good passing game and they are tough both on offense and defense.

The Rattlers held Dalhart several times deep in Stinnett territory and were able to move the ball against the tough Dalhart team.

Several Rattler starters have been injured in earlier games, but most of them will be back

in action Friday night.

Coach Don Seymour says all of his Lynx came through the rough encounter with Fritch in good shape. They will all be ready for the second district encounter.

Dub Womble and Kenneth Plumlee can throw the ball for Stinnett. They have big Guymon Phillips to throw to at an end position and to give protection is Dennis Blagg, a 195

Lynx quarterback Johnny Crawford was selected as AA back of the week by the Amarillo Daily News this week.

Crawford got the honor for his outstanding offensive and defensive play against Sanford-Fritch. The big quarterback intercepted a pass and ran 30 yards for a touchdown, threw one touchdown pass, was a dangerous runner and played tough on defense.

Crawford, a senior, has been a regular for three years.

pound tackle and Marvin Hawthorne at 180, another stone in the forward wall. Spearman's quarterback,

Johnny Crawford has added glasses to his playing gear and it appears to have solved his range finding on passing. He laid several passes into his receivers' hands Friday night, only to have them go astray.

Tackle Ike Richeson has been working some in the middle of the defensive line and

should add plenty of help to the defenses. However, he will be slower than the small defenders.

In other district games Boys Ranch will meet Shamrock in a battle of twice beaten teams. The Ranchers have lost to Phillips and Dalhart and Shamrock has fallen to Fritch and Stinnett. The two pre-season giants of the district will be clashing in Phillips when the Dalhart Wolves take on the Phillips Blackhaws. Both teams have mauled Boys Ranch and Dalhart beat Stinnett. Phillips was open last Friday. Sanford-Fritch has an open date this week.

FRESHMAN RAMBLES--Lynx Freshman quarterback Charles Shieldknight drives over a would-be Dalhart tackler and the Lynx raced against the clock for a touchdown. The clock won. Spearman lost 28-16.

Three Home Games Scheduled Tonight

Spearman's non-traveling football fans will have all their

grid action here today (Thursday) when the Seventh, Eighth grade teams and the High School B team all play here.

The grade schoolers open action first with games at 5 and 6 p.m., with Dalhart grade teams. After the two preliminary clashes, the B-team will entertain Sunray.

While all this action is going on on Lynx field, Coach Perry Coursey and his freshmen will be in White Deer for a clash there. The Lynx varsity goes to Stinnett Friday night.

Victories were few for the undergraduate Lynx teams last Thursday. The B-Team was the only squad to come out with a victory in the sub-varsity level.

The B-Teamers had to come from behind twice to hang up a 22-20 victory over Stinnett in Stinnett.

Stinnett jumped into a first quarter lead of 14 points before the young ynx could get on the board.

In the second quarter Spearman scored twice and were

tied 14-14 when the half ended.

On the second play of the second half Stinnett broke loose and put the score at 20-14. Spearman tightened its defense and came back to get another touchdown and extra points to make it 22-20.

Jerry Holton had one touchdown and two extra points as did James Schnell. Steve Drake got the third Lynx score.

Dalhart's Wolf Pups used a strong rushing game to overcome Spearman's halftime lead and whip the Freshmen Lynx 28-16 here Thursday night.

Spearman scored twice in the second quarter and held a 16-14 halftime lead, but the Lynx were not able to protect it in the second stanza.

As the game ended the Lynx were driving and on the last play reached the Wolf 10 yard line.

Jimmy Brown scored one Lynx touchdown and Hal Shufeldt got the other. Quarterback Charles Shieldknight added the extra points.

In the grade school games, the Seventh grade was the only team to get any points. They were defeated 34-12 by Boys Ranch. The Eighth graders from Boys Ranch beat the Spearman Eighth graders 22-0.

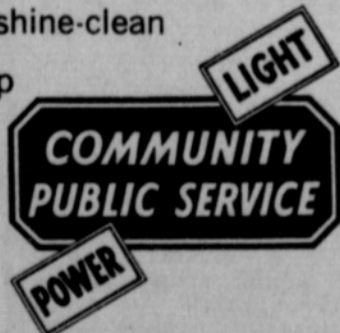

Denny Richeson made both of the touchdowns for the Spearman Seventh grade.

Meet The Presidents—

Dahlia Club President Enjoys Gardening

Although she has a three-year-old great-granddaughter, Mrs. Frank Davis, president of the Dahlia Flower Club, still enjoys cultivating new talents.

"At present I am learning to type and I am really enjoying it," Mrs. Davis said.

She started learning to knit last winter, taking lessons from Mrs. Charles Gates, and now enjoys knitting as a hobby. "Gardening is perhaps my favorite hobby," Mrs. Davis commented, "We especially enjoy our early bulbs and our rose garden." Mrs. Davis also collects cookbooks and enjoys a great deal of reading.

Mrs. Davis was born in Woodville, Tenn., but was raised at Lefors and Pampa in Gray County. She has lived 33 years at Route Two, Spearman.

A member of Dahlia Club for four years, Mrs. Davis is also a member of the Twentieth Century Club, the Spear-

man Home Demonstration Club and is now vice-president of the County Home Demonstration Council. She received a pin in 1962 for having been a Home Demonstration Club member for 35 years.

Mrs. Davis has other interests besides her club work. She and her husband have a daughter, Marjorie, who is Mrs. A. J. Curtis of Golden, Colo. They also have a 24-year-old grandson, Terry Curtis, who is the father of little Miss Lisa Curtis, their great-granddaughter.

Mrs. Davis' talent as a cook has won her a number of prizes in years past at the Tri-State Fair in Amarillo. Her baked products, canned foods, rugs and crochet pieces were all prize winners.

As president of the Dahlia Flower Club, Mrs. Davis has had a busy year. The club has helped the Spearman Girl Scouts for this year's project.

Mrs. Frank Davis

In other years, the club bought a television set for Hansford Hospital and has donated to the library.

Dahlia Flower Club members enjoy programs on gardening, flower arranging and other things of interest. Highlights of the club year are the dinner at the year's close and a Christmas party with the annual gift exchange.

In a short time, Mrs. Davis will hand the gavel of the presidency of Dahlia Flower Club to a new president. "It has

been a rewarding experience, serving as president," she commented.

Program on Thailand Given at Friendship Tea

The Twentieth Century Club met Thursday, October 8, in Fellowship Hall of the Methodist Church for its Friendship Day meeting.

Mrs. J.R. Keim, vice-president, presided at the business meeting.

Mrs. R.E. Lee gave the program on International Affairs and showed pictures taken on her trip to Thailand. She wore a costume typical of their dress and gave notes on their country and people.

Eranthus plumes in colors of brown, bittersweet and yellow, fall begonia leaves and stained wheat in a tall amber

glass graced the serving table. Bittersweet candles and transparent fall tinted oak leaves completed the arrangement. Mrs. J.R. Stump presided at the table, serving dainty sandwiches, frosted grapes, coffee and tea.

Guests attending were Mmes. Kenneth Pope, Sandra Ladd, David Wilson, Doyle Jackson, Jim Davis, Don DeArmond and Kenneth Evans.

Members present included Mmes. L.S. McLain, George Buzzard, Johnny Lee, Raymond Kirk, E.D. Mundy, T. D. Sansing, J.W. Davis, Guy Fuller, Joe Trayler, Clarence Renner, Deta Blodgett, C.U. Pope, Olin Sheets, Tom Sutton, C.A. Kleeberger, Dwight Hutchison, Jack McWhirter, Marvin Jones, P.A. Lyon, Dick Kilgore and R.W. Morton.

Hostesses for the meeting were Mmes. J.R. Keim, J.R. Stump, Everett Tracy, R.C. Fisher, V.N. King and Woodville Jarvis.

Mrs. Gates

Reviews Book

Coise Gates reviewed the book "Mission Mama" by Ruth Seanands for the October 12 meeting of the Dahlia Flower Club. The meeting was held in the home of Mattie Davis.

Myrtle Davis, chairman, presided at the business session during which plans for the coming year were discussed. Plans were also made for the groups Christmas party at 3 p.m. Dec. 7 at the home of Myrtle Davis. Vera McClellan requested that her name be put on the honorary member list.

Annie Allen, chairman of the nominating committee presented the names of the following officers: President, Holly Riley; Vice-President, Edith Sheets; Secretary—Coise Gates; Treasurer, Ethel Hester and Reporter, Myrtle Davis.

The hostess served a salad plate to Mmes. Ethel Baley, Leora Bagley, Holly Riley, Edith Sheets, Vera McClellan, Mildred Daily, Annie Allen, Coise Gates, Myrtle Davis and Ethel Hester.

The next meeting will be the Christmas party on Dec. 7.

Mrs. Hutton Has Art On Display

Mrs. Ruth Hutton, local artist, has a display of her art work in Perry Memorial Library in Perryton during the month of October.

The public is invited to see the exhibit, sponsored by the Sorosis Club of Perryton, any time during the regular hours of the library.

A tea is usually held on the first Sunday of the month to honor the artist whose work is being displayed in the library but Mrs. Hutton had a previous commitment with the Amarillo Porcelain Club in Amarillo Sunday and could not have been present, so the tea was not held.

Day by Day

I guess the most universal desire in the world is the desire of all of us to be a success.

Here's a description of success that "hits the nail on the head" I think.

"Enjoy your job. Learn the dignity of performing well the most menial task. This is success."

These well chosen words, written by Helen Beaumont of Los Alamos, N.M. were published in the October Torch of Beta Sigma Phi in an article entitled "Enjoy Your Job". Mrs. Beaumont goes on to say "Wherever in all the world we have been promised that we will be called upon only to do what we enjoy? According to Genesis 3:19 'In the sweat of thy face shalt thou eat bread.' The Constitution of the United States offers 'the pursuit of happiness' not happiness itself.

"When we face any kind of job we dread, we should be prepared to fight—and conquer—ourselves. Nothing is more degrading than disappointing yourself.

"When we do any job halfway or in a sloppy manner we have made it menial, not only to ourselves, but to others. When people can truthfully say "Anyone could do that" of our efforts, we have lost dignity.

"All jobs—jobs in industrial organizations, the homes, school or church, wherever and whatever they may be are important. To me it is much like a large orchestra. All the musicians have their own music for their particular instruments.

"The cymbal players have only a few notes to play but the music would be ruined if the cymbal player didn't show up because he didn't have much to do anyway. (Let the conductor do it—he thinks he knows so much!) It would also create havoc if he brilliantly clapped his cymbals on each beat in order to prove he was just as talented as anyone else.

"The music, the accomplishment, the blending together of all the ingredients, the discipline of self, create success," she says, "I would rather have people think my talents are being wasted than to wonder what my talent is."

Mrs. Beaumont says that contrary to popular belief, success is not an accumulation of push-button machines for your mortgaged home. Dope peddlers have those things. When you are at peace with yourself you have achieved success.

...

Last week I had quite a surprise when two people asked the editor who writes "Day by Day". I guess I was egotistical in thinking people knew, in remembering some of the remarks I'd made recently about disagreeing with the editor, etc., I decided I'd probably better clarify the matter.

My name is Day and I have the courage to say in print that I disagree with the editor now and then, because he is my husband.

If you're one of the few observant people who notice things like volume numbers and datelines, you'll notice that this is the Plainsman's fifth birthday.

It was on October 15, 1959 that Plainsman Publishers, Inc., published the first issue of The Hansford Plainsman. Many, many changes have been made since then and another newspaper, The Sunday Plainsman, has also been established by the corporation. (It, by the way, celebrates its second birthday next Sunday).

There are many things I could say about how much we have enjoyed and appreciated the opportunity of becoming a part of this community and serving it as a weekly and semi-weekly news media. We have seen countless changes and phenomenal growth in Spearman in these five years that all of us hope is just a beginning.

We have tried to present, honestly and impartially, accurate accounts of the happenings in Hansford County. We have spoken out editorially when we felt the situation merited comment and have tried to exert a positive influence on a growing community.

As we begin our sixth year, we will be seeking to continue these policies and to grow in stature.

...

Elsewhere on this page you'll find a feature story concerning the president of the Dahlia Flower Club, Mrs. Frank Davis. This is the first of a series of stories concerning the presidents of local clubs. We think you will enjoy getting acquainted with the presidents and also learning about the projects, aims and accomplishments of the clubs in Spearman.

We appreciate the help we are getting in collecting information about the club presidents and will be contacting the heads of all the clubs as the feature is presented week by week.

Delores and Eddie Healer

Guests arrived at 7:30 dressed in colorful Mexican costumes.

Party decorations included a donkey pinata hanging from the center of the room and a mural of a senorita on one wall. Sombreros and clusters of corn sprayed gold were noted around the room.

Miniature sombreros were given as favors to the men and the women received bright red paper roses for their hair.

Guacamole salad, brown beans, Spanish rice, beef ta-

cos, and enchiladas were served buffet style and pecan pralines were served for dessert.

Enjoying the supper and games afterwards were Messrs. and Mmes. Lawton Guthrie, Bill Strawn, Gene Sparks, Bill Partridge, David Hutto, Dee Allen, Winfred Lewis, Eddie Healer, Brad Beedy, Don Floyd, Jim Fox, Edward Dear, Burl McClellan, Louis Schnell, Jim Davis, Earl Novak, Bobby Nollner, Joel Lackey, Bob Hohertz, Mrs. Ray Martin and Mrs. Jane Meek.

Attending were Mmes. Fred Daily, Pope Gibner, Clay Gibner, Jess Womble, Sada Hoskins, Joe Trayler, Deta Blodgett, Guy Fuller, Ned Turner and the hostess.

October 17 the hostess will be Mrs. Nolan Holt.

Draft Up In November

The state draft quota for November calls for 307 men, compared to 236 for October, Colonel Morris S. Schwartz, state Selective Service director, said Wednesday.

The state quota of 207 for November is the Texas share of a national call for 8,600 men, all for the Army.

The state Selective Service director also announced that state draft boards will forward around 2,900 males for Army mental-physical examinations in November, all of whom will be 18-year-olds.

These tests for 18-year-olds are the result of President Johnson's action early this year which ordered the Director of Selective Service and the Secretary of Defense to examine all newly-registered men who are out of school and available for service. Males married at age 18 and those known to be in school at that age will not be examined.

Colonel Schwartz stressed that these youths will not be considered for armed forces service at this time. Normally, draft for service is about age 22.

The 18-year-olds who fail the Army's mental examination will be referred by draft board letters to local offices of the Texas Employment Commission.

Youths who get the letters are under no compulsion to visit the TEC offices, but may go if they feel the government can benefit them.

The November quotas already have been figured and sent to the state's 137 local boards.

Recent Sunday dinner guests of Mr. and Mrs. James Lair were his parents, Mr. and Mrs. T.G. Lair from Canyon and her parents, Mr. and Mrs. W. H. Tarbox.

Party Honors Sonny Nollner

Mr. and Mrs. James Lair entertained Saturday night with two tables of bridge to celebrate Sonny Nollner's birthday.

Pie and ice cream were served to Winfred and Lucille Lewis, Louis and Barbara Schnell, Sonny and Mary Faith Nollner by the hosts.

Church Women Hold Workday

Women of the First Christian Church met Oct. 7 at the church for a workday. They sorted, packed and mended clothing to be sent to the needy at Hereford, and also altered curtains for the church, waxed and polished furniture.

A covered dish luncheon was enjoyed at noon.

Attending were Margaret Evans, Virus Wilbanks, Hazel Wilbanks, Nan Nicholson, Eleanor Reed, Mae Floyd, Kay Vernon, Jean West, Sandy Russell and Ruth Bryan.

The first Wednesday of each month will be workday at the church.

The Morse Code

MUSTANGS WIN FIRST GAME
Thursday night the Morse Mustangs defeated the Sunray Bobcats "B" team by a score of 30-12. This was the first win for the Morse team since football was reorganized here two years ago.

The Mustangs normally play eight man football and Sunray is an eleven man team. Consequently the coaches compromised and used a combination. When Morse had the ball, Sunray used an eight man defense. When Sunray went on the offense, the Morse boys used an eleven man defense. Coach Rufus Graves of Morse had only 12 men in uniform while Sunray fielded a squad of 17.

The Mustangs scored touchdowns in each of the first three periods on runs of 3, 1, and 8 yards by Gerald Ray Scribner, and added an extra one on C. W. McKnight's fumble recovery in the Sunray end zone. Allen McCloy ran for one 2-point conversion and Mike Johnson passed to McCloy for another one.

Morse led 13-9 in first downs and threatened four other times to Sunray's three. The visitors pushed over single counters in the second and third periods.

This Friday night the Mustangs play Patton Springs here in their second conference game. Game time is 7:30 p.m.

On Thursday night the Junior High football team will go to Follett to play. Game time will be 6:30 p.m.

PEEWEEES PLAY DUMAS

Morse peewee football team

played a team from Dumas on Saturday afternoon there. For the second time since the peewees were organized, the Morse boys lost a game. The score was 16-6.

Dumas scored both touchdowns in the first half. The Morse Colts buckled down the last half and Dumas found it hard to move the ball. The Morse tally came in the third quarter and they threatened again in the fourth.

4-H CLUB

Fifteen members attended the Morse 4-H Club meeting Oct. 7.

Allen Dixon, Allen McCloy, Patricia Henderson and David Johnson of the Junior Leaders presented the program. They spoke about the workshops they attended this past summer.

County Home Demonstration Agent Linda Webb told of the different subject matter groups and each member of the Morse 40H Club signed up for what they wanted to be in this year.

MORSE HD CLUB

The Morse HD Club met in the home of Mrs. Jack Crowl Thursday afternoon. Following the roll call and devotional, a short business session was held.

The program was presented by Mrs. Flavil Ayers of Spearman who was a delegate to the THDA convention. She shared information gained in the workshops at state and related many interesting highlights of her trip.

Recreation was led by Mrs. Jack Johnson.

Members present were Mmes.

Graves Return From Vacation

Mr. and Mrs. Sam Graves have returned from a 5 week vacation spent on the coast and visiting relatives.

The Graves drove to San Antonio and joined his sister and her husband, Mr. and Mrs. G. N. Snow. Both couples traveled to the Port O'Connor and Aransas Pass areas of the gulf coast and camped in travel trailers. They planned to go to Zapata but the high water headed them off.

The Graves came back via Lubbock where they visited with their daughter and family, the Narrel Wilsons.

They returned to Spearman and left their car and trailer and went by bus to Oklahoma City where they visited his brother, Mr. and Mrs. W.L. Graves, then went to Manhattan, Kans. to visit their son, Albert Graves and family and on to Wichita, Kansas where they visited her sister and other relatives.

The Graves had planned a two month holiday but said 5 weeks was plenty long to be away from home.

Mack Dortch, Tom Dortch, Lynn Davis, M.W. McCloy, Besse Henderson, H.B. Parks, Jack Johnson, and guests Roberta Kelly, Flavil Ayers, G. Reiswig, Eddie Hurley.

IRRIGATING WHEAT

Andy Erhart, associated with wheat research at the Garden City, Kansas Experiment Station, will present a program on irrigating wheat at the Gruver young farmer's meeting which will be held Thursday, Oct. 15 at 7:30 p.m. in the Ag building in Gruver. All interested farmers are invited to attend this meeting.

SAD BUT TRUE

This scene took place at a supermarket check-out counter. Check-out girl: "The amount is \$12.91."

Customer: "No wonder the farmers are getting rich."

These items were in the basket: 6 bottles of soda pop, 3 pairs of nylons, 2 long-playing records, 4 lb. ice cream salt, 1 box corn flakes, 1 long-handle mope, 1 egg beater, 1 quart of milk.

The groceries (corn flakes and milk) came to 62 cents. The farmer's share of the sale was only 14 cents.

MILO RESIDUE MANAGEMENT

The residue from a crop of milo or corn is valuable in the maintenance of soil productivity and should be considered as an asset instead of a liability.

The approximate 6000 lbs. of residue from a 5000 lb. milo crop contains about 85 lbs. of

total nitrogen, 25 lbs. phosphorus (P205), and 125 lbs of Potassium (K20). With good management these nutrients can contribute substantially to the requirements of the next crop.

Perhaps of greater importance is the effect of the residue on the maintenance of improvement of the physical structure of the soil as reflected in better water intake and retention, and better tilth.

Many farmers follow the desirable practice of shredding stalks immediately after harvest and the question of whether or not to apply nitrogen to speed up the decomposition often arises. It is evident that for maximum protection against erosion much of the residue should remain on the surface.

Surface applied nitrogen on exposed residue cannot be expected to greatly speed up the decaying process and a portion of the nitrogen can be lost to the atmosphere if left on the surface. Nitrogen applied to the residue should be worked into the soil at least partially if the organisms are to be active.

Another factor to consider is that decomposition slows down as soil temperatures drop, and it proceeds fastest when soil temperature is ideal for plant growth. If the residue is likely to be a problem in next years cropping operation, nitrogen applied ahead of land cultivation can speed up residue breakdown. On the heavier soils it may be practical to apply all of the nitrogen needed for next years crop provided the nitrogen is not left exposed on the surface.

The practice of applying sufficient fertilizer to take care of residue decomposition while the next crop is growing is quite satisfactory if you remember to use enough to take care of both the residue and crop requirement.

Lower Prices Hurt Farmers

An increased demand for farm products, increased farm production and stocks, increased production expenses, and lower prices for farmers make up today's general agricultural situation, reports John G. McHaney, Extension economist, Texas A&M University.

Increasing personal income and an expanding population point to continued gains in consumer demand for farm products through the remainder of 1964. McHaney contributes income gains to increasing employment, rising wages, larger dividends, surge in corporate profits, and reduction in income tax rates.

Output of farm products continue to increase and will likely total above last year's level, says McHaney, and stocks of most crops were larger at the beginning of the present marketing year. Crop indications as of July 1 were brighter than those a year earlier, and the uptrend in yields is expected to continue.

Production of livestock and livestock products in January-June, 1964, period was four or five percent above last year

and is expected to total a little above 1963 during July-December of this year.

Production expenses have been rising steadily in recent

years, the economist points out. During the first half of 1964, the index of prices paid by farmers for production items was slightly higher than a year

earlier and will remain high during the rest of this year.

Prices received by farmers in the first half of 1964 averaged two percent below last year.

Homemaking Notes

by Linda Webb
Home Demonstration Agent

The hunting season is getting into full swing in every part of the country. Wild game may be coming to your house soon, if members of your family are fond of hunting wild birds and beasts.

Proper care and cooking of any wild game is necessary to get full enjoyment from the hunt.

Game meat adds variety to meals and is high in nutritive value. If the hunter properly cares for the game after it is killed, the homemaker can prepare delicious and palatable game.

An extension bulletin entitled, "Wild Game Care, Cooking", is available at the County extension office. Included in the 15 page booklet are helps on caring for the game from the field to home, suggestions on home care and preparation hints, for serving delectable game at your table.

Here are a couple of sample recipes from the booklet.

BRAISED DOVES

Salt and pepper the doves and dredge in flour or a combination of flour and corn meal. Heat fat in heavy pan, such as a dutch oven. Brown birds quickly on both sides. Remove most of the fat; add a small amount of water, cover and simmer 1 hour over low heat. Serve hot.

ROASTED PHEASANT

1 pheasant
1 quart boiling water
3 stalks celery
1 onion
1 teaspoon salt
1/8 teaspoon pepper
4 strips bacon
1 cup water

Put pheasant in pan and pour boiling water over bird and into cavity. Put the celery and onion in bird. Do not sew up. Sprinkle with salt and pepper. Place in roasting pan and put bacon over breast. Add 1 cup water and roast at 350 degrees uncovered, 2 hours or until

Dorcas Class Enjoys Party

The Dorcas Sunday School Class of the First Baptist Church was entertained with a "come-as-you-are" party Friday morn-

tender. Serves 6 to 8.

ATTENTION—Those who are interested in the "Make-It-With-Wool" contest. The entry forms for this contest must be in to the County Extension office by November 1. There is still time to enter the contest, and entry blanks are available at the County Home Demonstration Agents' office. Send the entry forms, completely filled out, to Linda Webb, Home Demonstration Agent, Box 997, Spearman.

If a county run-off is necessary in any division, arrangements will be made soon after November 1, and the contestants involved will be notified.

ing in the home of their teacher, Donna Helms.

Elaine Floyd, Fashion Twenty representative demonstrated the proper use of cosmetics for the class.

A white elephant exchange was held following the demonstration.

Coffee and doughnuts were served by the hostess to Sarah Gooch, Jerry Keyes, Betty Davidson, Martha Straw, Ann Frye, Kitty Cook, Wanda Brown, Marilyn Jackson, Pat Francis, Wanda McIver, Edith Cage, Pat Denham, Melba Rook and Elaine Floyd.

Lynxettes Begin Workouts Seek Fifth Championship

The pitter-pat of the roundball will begin today in Lynx gym as Coach Dean Weese begins rebuilding his Lynxette basketball machine.

Today, Oct. 15 opens workouts for girls' basketball, but they cannot play or scrimmage another school before Nov. 1.

Weese, has had district champions for the past four years. In 1961 he took the Lynxettes to the state finals before losing to Buna. Last year the Lynxettes lost to Friona in the first round of the regional tournament, but were still rated third in the state after Friona breezed to the state title.

Weese is not optimistic about his girls' chances this year. He has his high scoring forwards, Phyllis Patterson and six footer Vickie Wilde returning and has tall Barbara Wilde to add another 5' 10" girl to the forwards. However, he can find no height for the guard end of the court.

Joan Hackley and Sharon Close are gone to college and 5'10" Kathy Pattison decided not to play basketball this year.

Susan Hutchison has been moved to the guard position to go with Robbie Ownbey and Bethany Donnell. This trio is a super tough defensive trio, but are all under 5'6".

The coach did get one bit

of good news this week. Forward Linda Bengé received the go ahead from the doctors and can begin working out. She lettered as a reserve last year, but has been sidelined since the season was over with an injured knee.

Weese expects about 38 girls

to report today for workouts and in the group are some B-teamers from last year who will be trying for the vacancies.

Among these B-teamers is Linda Leslie, who was promoted to the varsity for the play-off games.

Club Meets In Donnell Home

Pat Donnell was hostess to the Bid-A-Bit Bridge Club Thursday night.

Ruth Hutton won high and Pat Donnell had second high.

Attending were Ruth Hutton, Mary Lee, Gwenfred Lackey, Mabel Jameson, Helen Etter, Lucille Lewis, Nicky Cotter, Carrie Marie Berry, Vi Whitson, two guests, Barbara McClellan and Mary Cornelius and the hostess.

Mr. and Mrs. Ellzey Vanderburg, Mr. and Mrs. I. V. Pierce, Larry Rogers, Juanita Tucker, and Helen Dry attended the annual ASC State Convention in Austin Thursday through Sunday of last week. The Spearman office won the travel award for having the most persons travel the greatest number of miles to attend the convention.

Mobley Rites Held in Dallas

Funeral services were held Wednesday morning, Oct. 7 in Dallas for Mrs. Emery Mobley, sister of A. W. Mobley of Spearman.

Mrs. Mobley passed away Tuesday morning Oct. 6 at the age of 83. She had been a resident of Young Memorial Home in Dallas for the past several years.

Mrs. John Trindle, Janice and Connie attended the wedding of their cousin, John Ray Hocking, in Booker Saturday night.

Routine Matters On Council Agenda

Routine reports from the different city departments occupied the agenda of the brief City Council meeting Monday night.

Police Chief Wayne Pierce made a report of his department's activities during September.

During the month officers investigated one reported criminal assault, three burglaries and one theft. Pierce said investigation showed there were no grounds for criminal assault report. One of the burglaries was outside the city limits and was turned over to County authorities, a second was in a residence and was not discovered by the owner for about two months. The third burglary was at Cut Rate Grocery and is still under investigation.

The theft was merchandise

from a business and was cleared by the accused paying for the merchandise.

Officers also investigated four trespassing complaints, four malicious mischief complaints, and one dog bite complaint.

Officers also issued 13 moving traffic violation tickets, nine non-moving, violation tickets and three parking tickets.

The animal control department picked up 20 dogs and one goat during September. Nineteen of the dogs were destroyed after being impounded for 10 days.

The Corporation Court assessed fines totaling \$256 in September.

Newly elected fire chief Lee Phillips reported his department did not have a fire call in September. The VFD has

completed an inventory of equipment and has requested bids on fire hoses, boots and bunker coats.

The department now has 18 members, with three being added during September.

The Council instructed the city's legal council to start condemnation proceedings of

the property needed on the east side farm road 760 for widening the drainage ditch.

Gilley Infant's Services Held

Graveside rites for Louise Gilley, one-day old daughter of Mr. and Mrs. Lloyd Gilley of Spearman were conducted at 1 p.m. Monday in Hansford Cemetery.

The infant was born Saturday and died at 7 a.m. Sunday in Hansford Hospital.

Graveside rites were conducted by the Rev. Luther Berry, pastor of the Spearman First Baptist Church. Boxwell's of Spearman was in charge of the interment.

Survivors besides the parents, include one sister, Carrie Lynn of the home, grandparents, Mr. and Mrs. Buck Wheeler of Perryton and Mrs. Viola Gilley of Ada, Okla.

Legion Post Meets Tonight

The American Legion Post #154 for Hansford County will meet in regular session Thursday evening, Oct. 15 at 8 at the Veterans Memorial Building. Delegates will be selected at this meeting to go to the District Convention in Amarillo Oct. 17 and 18.

Chili Supper Set by P-TA

The Spearman P-TA will sponsor a chili and hot dog supper before the homecoming game Oct. 23. The supper will be from 5 to 7 p.m., and will be in the grade school cafeteria.

Admission Charged To 7th, 8th Games

Admission to all Seventh and Eighth grade football games is 25 cents for students and 50 cents for adults, Spearman school officials announced this week.

There is no admission charge for freshman and B-team high school games.

INCOME STEADY

Although realized net farm income has remained relatively steady for the past decade, averaging about \$12 billion annually, the number of farmers and ranchers has declined steadily from 4.8 million in 1954 to 3.5 million at the present. Thus the average income per farm is rising this year to about \$3,500 compared with about \$2,500 in 1954.
