VOLUME 8, NO. 6

THE HANSFORD PLAINSMAN, SPEARMAN, TEXAS 79081

SUNDAY, DECEMBER 5, 1976

Bob Klensdorf, territory manager for John Deere, presents Gene Cudd of Spearman with a plaque for holding a 40-dealer John Deere combine school, in Spearman this summer. Mr. Cudd is very active in local and civic affairs in Spearman and Gruver.

Teams play today

Raymie Porter had his best day of the year at Sunray Friday scoring some 17 points and getting as many rebounds for the Lynx. Reid scored 16 points and played his usual speedy and brilliant game as

the Lynx won against Texline 71-66 in a high-scoring affair. The win propelled the Lynx into the consolation finals Sat. afternoon at 2:30 in Sunray. The Lynxettes were upset by Stratford 50-49 and will play

after the boys game today at 4:00 p.m. in Sunray.

In other sports, the 7th and 8th grade teams are in Canadian and the 9th grade girls are in the finals at Guymon tonight, 6 p.m. The freshmen girls are the only unbeaten team in high school but coaches fear the Wolves, who the Freshmen meet tonight in the finals at Guymon, will be hard to defeat.

Last Swine Flu Clinic Set

A Swine Flu vaccine clinic will be conducted Monday, December 13th, from 7:00 to 9:00 p.m. in the Catholic Parish Hall, 907 S. Roland in Spearman.

The clinic is for EVERYONE over 18 and there is no charge.

The Rotary Club of Spearman will assist anyone needing a ride to and from the clinic. Call 2166 during the hours of the clinic.

This will probably be the final clinic before the flu season begins. It takes about one month to build up an immunity and flu becomes prevalent in the Midwest in January.

Introducing The Lynxettes

Carla Harper

This senior at S.H.S. is an outstanding basketball player. The daughter of Mr. and Mrs. Carol Harper has proven in her career already that she can play with the "best of them." Having already captured all-district honors in two previous years, she looks forward to many more honors this season. Carla stands just a shade over 5'7" but plays much taller in the games. She averaged around twenty-one points per game last year and led the team in free throws and offensive rebounds. She is an excellent defensive player and one who makes things happen because of her quickness and tenacity. She will be the floor leader for the Lynxettes this year and with her love for the game, her loyalty, her intelligence, her desire to excel, and her willingness to work should lead the team to many victories this season.

Carla not only is an outstanding basketball player but has been twice medalist at the regional U.I.L. golf meets. She also qualified for the regional meet in the hurdles in her first attempt at track last year.

Debbie Greene

Only a sophomore and has already been selected all-district basketball player and qualified to the state track meet. What is left for her to accomplish? Probably many more honors will be hers before her high school days have passed. Debbie is the daughter of Mr. and Mrs. Jimmie Greene. She is 5'8½" tall with great jumping ability and good quickness which enabled her to be the leading rebounder on the Lynx-ette team last season even though she didn't break into the starting line-up until after the Christmas holidays.

Debbie's physical ability, her willingness to work, her desire to excel and her ability to take coaching will someday cause us to almost forget some of the greats who have played at S.H.S.

Besides basketball interests, Debbie is a terrific track girl—state qualifier in the long jump, a member of the high school choir and a talented piano player. Watch for great things from Debbie Greene.

Clinic Opens

Monday was a red letter day in Gruver town with the Gruver Clinic opening its doors for the first time in over ten years. Primarily for healing the sick, not all is misery and sickness and aiding the wounded, the Clinic also has other facets—one of which is the delightful anticipation of new arrivals in this world. Dr. Thu welcomed new patient, Mrs. Steve Gilman. Monday afternoon at Mackie Wood, R.N. assists in one of the sparkling clean and

attractively draped examining rooms at the clinic.

Many hours of work has gone toward making the Clinic most attractive as well as most useful. Mrs. Tubba Hays (former Gruver resident) is the congenial receptionist who holds fourth behind the recently constructed office counter in the lobby. Much work is still to be done but what a great day for Gruver and everyone in this area when our Gruver Clinic once again came out from behind "closed doors" to be a landmark of hope and healing for our entire community.

Clinic hours are 9:00 to 12:00 and 1:00 to 5:00 P.M., Monday through Friday.

This Saturday, December 4, from 10:00 a.m. until 2:00 p.m. is the time to get a headstart on your Christmas shopping. That's the day of the C.W.F. Gift Bazaar to be held at the First Christian Church, Spearman. There will be handcrafted items and baked goods for sale at the bazaar.

You'll see afghans, macrame, sleeping bags, quiet-time books, a bicentennial quilt, rosemaking, tote painting, aprons, purses, and many other items too numerous to name.

Friday, December 3, is the last day to place your orders for baked goods by calling one of the following women: Betty Jean Davis (659-3188); Betty Jo Vernon (659-2903); Gwen Smith (659-2367).

So make your Christmas shopping easy; shop the C.W.F. Bazaar on December 4 beginning at 10:00 a.m. See you there!

In the girls' bracket, the Rattlerettes struck for a 14-6 first period lead paced by Monica Gage, who scored seven points. The Rattlerettes surged ahead, 29-24, at intermission. The nip-nuck battle continued, and Spearman took advantage of the situation as they came from behind to win over the Rattlerettes.

Harper led the Spearman scoring attack with 28 points, and Christy Collier tossed in 16. Stinnett's balanced attack was led by Gage with 18, Teresa Doughten, 15, and Janice Pool, 14.

Stinnett guards dominated the boards with 21 rebounds to Spearman's, 12. Kimi Collier grabbed 15 caroms. Grace Throckmorton and Tamra Williams had three apiece.

Spearman's 5-11 sophomore guard Jonelle Comegys led the Lynettes defensive unit with seven rebounds.

The Lynettes advanced to the semi-finals of the tournament, and will play Stratford at 7:30 p.m. tonight, and Stratford Elks will meet Dalhart at 9 p.m.

The Spearman Lynx lost to Tucumcari, 89-77, in their first game of the Sunray tournament, but they actually led the Tucumcari team almost the entire game! Four of the starting five Lynx fouled out, or the locals might have won the game.

Steele led the Lynx in scoring with 9 field goals and one free throw. Mark Cunningham was second in scoring with 12 points, on three field goals.

The Lynx jumped into a 17-7 lead, but the Rattlers finally caught up with the Lynx at halftime!

After losing the opening game of the tourney, the Lynx met Texline in a 2:30 afternoon game on Friday.

Insurance Corner

Must you die to collect?

Fortunately for the insured, he need not die to collect money from a life insurance policy. Did you know that almost 60 percent of life insurance payments go to policyholders while they live? That's because most life insurance is of the "permanent" kind - policies that build up a substantial cash value over the years.

This cash value is a guaranteed asset which you can draw on whenever the need arises, such as when the time comes to pay for a youngster's college bills or when you retire.

Of course, life insurance is bought basically as a financial protection in case of death, and indeed one type of policy - term insurance - which covers you only for a specified period of time and does not accumulate cash value - is written only with that purpose in mind. But the beauty of permanent (or whole life as it is called) insurance is that it offers not only protection in death but real usefulness in life.

This information has been brought to you as a public service by John R. Collard, Jr. your one stop answer to complete business and personal insurance protection. Life, home, auto, group insurance, and profit-sharing plans. See John R. Collard, Jr., 405 Davis St., Telephone 659-2501.

decorations in the sanctuary. Refreshments were served by Mrs. Blackman to members, Mmes. Ed Garner, Jim Eakin, Clark Mires, Bert Sheppard, Kent Guthrie, Dick Countiss, Gary Woolley and Bob Pearson.

Wed In Sunday Service

Miss Geneva Blount and Jimmy Wheeler were united in marriage November 21, 1976, in a double-ring ceremony at the Church of Christ in Gruver. Brother Jim York, minister of the Gruver Church of Christ, performed the 2:00 P.M. ceremony before an arched candelabrum bearing white tapers.

Mr. and Mrs. O. R. Blount of Gruver, Texas, are the parents of the bride and Mr. and Mrs. Ed Wheeler of Burkburnett, Texas, are parents of the groom.

The bride, given in marriage by her father, wore a formal-length gown of pois de soie overlaid with chiffon. The empire-waist bodice was accented by three tear drops outlined in lace wedding bell edging and was covered with imported lace appliques. A

border of matching lace marked the waistline. The A-line skirt had a full ruffle around the bottom with rows of matching lace and wedding bell lace edging around the hemline. The full chiffon sleeves had short pois de soie under sleeves and were gathered on cuffs banded with lace and chiffon ruffles hemmed with wedding bell lace edging.

Her matching hat was pois de soie covered with chiffon and imported lace and appliques and secured her chapel-length veil of illusion. The bride carried a cascade bouquet of white orchids, daisies, and yellow roses. Pausing on her entry, the bride gave her mother a yellow rose and upon leaving the altar presented her mother-in-law with a long-stemmed yellow rose.

Carrying out the lovely bri-

dal traditions of something blue, her garter; the something new was her beautiful gown made by her sister-in-law, Mrs. Nan Blount; something borrowed was her veil; and something old, her mother's wedding rings; and she wore a six pence in her shoe for luck.

Maid of honor was Frances Blount of Gruver and bridesmaids included Eula Henneser of Wichita Falls, Texas; and sisters of the bride, Cora Blount of Wichita Falls and Joyce Blount of Gruver. They wore identical formal-length gowns of mint green chiffon flocked with white roses over green taffeta designed with empire waists, scooped necklines, and short puffed sleeves. The full skirts had ruffles at the hemlines and the waistlines were marked with white velvet ribbons. They carried long-stemmed yellow roses.

Groomsmen were Darwin Watson of Wichita Falls; Tracy Wheeler, brother of the groom from Burkburnett; and brothers of the bride, John Blount and Bobby Blount, both of Amarillo.

The flower girl was Cathy Wheeler, daughter of the groom, who wore a white chiffon dress flocked with green roses over green taffeta. She wore a matching bonnet edged with lace and carried a white lace basket with yellow rose petals. The ring bearer was Jimmy Wheeler, son of the groom, who carried the rings on a white satin heart-shaped pillow.

Candles were lit by Cindy Pugh of Gruver who wore a dress of white chiffon over green with green flocked flowers.

For her daughter's wedding Mrs. Blount chose a formal-length dress of floral green knit accented by a yellow daisy corsage. The mother of the groom wore a formal-length green polyester dress with matching shawl and she wore a corsage of yellow daisies.

Guests were registered with a yellow feather pen by Mrs. Tammy Blount of Pampa. The music was presented by the Abilene Christian College Acappella Choir. Mrs. Helen Lee sang "Because" and "Whither Thou Goest".

"We've Only Just Begun" was recorded by the Carpenters.

Ushers were two brothers of the bride, Charley Blount of Pampa and Alford Blount of Amarillo.

Following the ceremony a reception was held in the Fellowship Hall of the Church. The reception tables were laid with lace over yellow centered by black wrought-iron candelabrum bearing green tapers and entwined with yellow and white flowers. The three-tiered wedding cake was decorated with yellow roses and was topped with white doves and wedding bells under an arch of white leaves. The punch bowl was coral and silver. The coffee table was covered with a yellow cloth and held the silver coffee service.

The wedding cake was served by Shelley Hornbaker of Amarillo and Tammy Blount of Pampa. Laura Blount and Barbara Blount, both of Amarillo, presided at the punch service and the coffee service.

Out-of-town guests included Mr. and Mrs. Alford Blount, Wayne and Lori, Mr. and Mrs. John Blount, Shelley and Jimmi, Mr. and Mrs. Bobby Blount, Robert Blount and Shelley Hornbaker, Mr. and Mrs. Jimmy Kirkland and son, and Mr. and Mrs. Richard Anderson, all of Amarillo; Mr. and Mrs. Charley Blount and Casey of Pampa; Mrs. Eula Henneser and Cora Blount, Wichita Falls; Mr. and Mrs. Ed Wheeler and Tracy of Burkburnett; Darwin Watson of Wichita; Cathy and Jimmy Wheeler, Fort Worth; Mrs. Oline Sheets, Spearman; and Mr. and Mrs. Clyde Barber and Freda, Dumas.

The serving table was laid with an ecru lace cloth and was accented by an arrangement of apricot daisy mums. The table was set with a silver coffee service. Refreshments of punch, coffee, and cookies were served by Miss Rajan Martin, Mrs. Chris White and Mrs. David Lewis.

Miss Wheeler was assisted with her gifts by Miss Christi Gressett.

A rust colored shasta daisy corsage accented by a miniature wedding band was presented to Miss Wheeler by hostesses, Mmes. Lloyd Buzzard, Irvin Davis, Waymon Etheredge, Herman Boone, Roy Lee Uptergrove, Ray Gressett, Bert Sheppard, Don Floyd, Ray Gibson, Clark Mires, F. W. Thomas, Glenn Day, Walter Woolley, Douglas Connelly, and Garland Head.

Special guests present were Mrs. Ed Wheeler, mother of the bride-elect, Mrs. Brad Beedy, mother of the groom, and Mrs. Bill Beedy, grandmother of the groom.

Girl Scout Banquet Set

Girl Scouts, their mothers, fathers, brothers and sisters are invited to attend the Girl Scout Banquet Saturday, Dec. 11, at 6:30 p.m. at the High School cafeteria. The food will be prepared by the cafeteria personnel and will also be served by them. There will be a charge for the meal, 75 cents for children up to 12 years of age, and \$1.25 for adults. After the meal there will be an auction to sell the things that the girls and their leaders have been preparing. Mr. Ed Dear will be the auctioneer and this is the way each troop makes extra money. There will be an extra treat for all that are young at heart. The HO HO man, Santa Claus, will make an appearance with goodies in his pack. Girl Scouting is more than selling cookies and nuts each year, it is involving each family in special things during the year, and the girls have worked quite hard and faithfully on the items that will be auctioned. What better thing could you give to? Let us each support our daughters' troop. Mark your calendar for a great time. Food, fellowship, fun and boosting the Girl Scouts of Spearman--what more could you ask for. SEE YOU AT THE BANQUET!!!

Peggy's Pointers

The beauty of many fall flowers and leaves may be preserved to enjoy indoors during the winter months. Following are some ways you can preserve autumn foliage. Heavy textured leaves such as oak and magnolia are most attractive when placed in a simple container or combined with other foliage. Remove an inch or so of the bark and cut slits into the stem. Place the stems in a solution of one part glycerin to two parts water. Rub the foliage with glycerin once a day. Remove from the solution when the leaves take on a pliable texture and change color. Oats and rye, as well as goldenrod, cockscomb, statice and straw flowers may be dried by tying in small bunches and hanging in a dry place. Many flowers also may be dried successfully by burying them in sand (if sand is not available, a mixture of one part borax to one part white cornmeal may be used.) Sift the sand to remove anything which may damage the petals. Pick flowers at full bloom during the warmest part of the day. The lightest, brightest flowers seem to turn out best. Cover the bottom of the box used for drying the flowers in with sand. Open-faced flowers such as zinnias and blackeyed susans are placed face down. Thick-centered flowers such as roses and marigolds are placed face up. Do not be concerned with long stems--length can be

added with wire. Carefully cover the petals with sand. To prevent the centers of thick-centered flowers turning dark, remove them from sand as soon as the outer petals dry--usually four to five days--and hang to complete the process. It usually takes up to two weeks for other types to dry. For use during the holiday season, evergreens may be preserved to prevent their becoming brittle. This applies also to table-top size Christmas trees, but will not work for large trees. Crush the stems and place in a solution of four tablespoons micronized iron plant food, two cups of light corn syrup and four teaspoons chlorinated household bleach. While atmospheric conditions and the age of the foliage will influence the finished product, you will soon have the basis for many beautiful arrangements, with a small investment of time and money.

Annual Music Club Program Planned

The Spearman Music Club is sponsoring its annual Christmas program at the First Methodist Church on Thursday, December 13, at 7:30 p.m. Everyone is invited to come share these beautiful melodies and the warmth of this Christmas season. The program will feature the

Club Chorus under the direction of Mrs. J. L. Brock, accompanied by Mrs. Rue Sanders at the piano and Mrs. E. N. Pack, flutist. There will be a variety of piano and organ duos and other special group selections. The Club has been organized since 1956 and has been

promoting music in the community. One of the club projects has been to give a scholarship to a deserving music major and our recipient this past year was Mrs. Rosemary Burkhart. Mrs. Kurt Shedeck, President, urges everyone to make plans to attend this special Christmas event.

Revised Edition of Trunk Book Out

The fad of redoing trunks is still on according to Dorothy Mae Groves. She has found that her book, "Heirloom Treasures from Antique Trunks" is still being used as the best guideline. Dorothy Mae has enlarged her book to 36 pages with 23 new photos, along with a new complete cover with updated pictures. It is now generally believed that seals with their human-like faces were the factual basis for stories about mermaids.
