VOLUME VI., NUMBER 80

SPEARMAN, HANSFORD COUNTY, TEXAS, 79081

THURSDAY, JULY 29, 1965

This column has just scored another big research scoop. We have found out why preachers can preach right on through the lunch hour every Sunday and never seem to notice the pangs of hunger that afflict the audience. They practice all week! We called a preacher's home this week during the lunch hour expecting to catch him there. He was not at home. He was still at the church. The time was 12:20!

Muleshoe may have the statue of the mule, but Spearman is getting miles of publicity from the live mules.

At a meeting this week of the Rolling Plains Mule Train the organization reported they had letters of appreciation from the Chambers of Commerce in Oklahoma City, El Reno, different officers of the Cowboy Hall of Fame and others, expressing their thanks for the great contribution the Mule Train made this summer to the opening of the cowboy museum.

The train, also, has requests from Dalhart and Pampa asking that they attend celebrations and enter in the parades. Glen Farris of the Cowboy Hall of Fame wrote the group that more people saw the wagon train than toured the Hall of Fame.

The train also has over 400 feet of film that TV stations took of the organization while it was enroute to Oklahoma City.

They made such a hit the organization has been asked to come back every year.

There has been some talk that the train will probably not roll again on a long trip because of the age of some of the members.

Don't bet on that idea. Any outfit that will stay on the road in the kind of weather the train had this year won't let a little thing like age bother them.

Council Assumes Operation of Community Building

Court Studies Other Areas' Herbicide Laws

Hansford County's Commissioners Court is studying the Herbicide law for controlling the use of herbicides for killing weeds in grain crops.

Judge Johnnie Lee said the court is getting information from other counties where it is in use and also talking to local farmers.

Lee said the court has learned that farther south where there are more broadleaf crops, there is self-control because all farmers have broadleaf crops.

He also said that some of the areas report that ground spraying and the use of pre-emergent weed chemicals have eliminated most of the aerial spraying.

Some of the local aerial spraying firms have indicated they can live with the law and continue spraying.

This proposed law would not do away with spraying for weeds, the judge said. It will only make destroying or damaging broadleaf crops a criminal offense. A farmer is liable now for any damage done by spray used on his crops.

The commissioners are investigating the possibility of having the law effective only after May 31, each year. Broadleaf crops are not up before then, and this would allow farmers to use aerial spray on weeds in wheat.

Judge Lee said many questions are to be resolved before decision is reached by the court, but they are working on the question.

City Councilmen voted Monday night to assume operation of the Community Building and see to the upkeep of the building.

The step was taken after several weeks of study and review of the situation. A citizens' board charged with the responsibility of operating the building, requested the city assume operation.

The request was made after

revenue from rent on the building dropped too low to pay utilities, insurance and upkeep.

Councilmen demurred from taking the building for a long time because it had been built by donated labor and funds. Also, because the operation of the building has been a problem.

New rules for renting the building and responsibility for its use will be drawn up. In earlier discussion, the council indicated they would be in favor of enough of a deposit from renters to pay for any damage to the building.

In the past the restrooms have been wrecked, holes knocked in walls and doors broken.

In other business Lee Phillips was appointed Spearman Fire Marshal, replacing John Fisher.

The council will meet Aug. 9 and 30. The annual city budget hearing will be held at the Aug. 30 meeting.

FBI Takes Californian

A California man has been removed from the county jail by the Federal Bureau of Investigation for violation of the Dyer act.

Johnny Wayne Kelly of Salinas, Calif., and another man were arrested last week while driving a stationwagon stolen in California.

The man riding with Kelly was a hitch-hiker and was released after investigation showed he had nothing to do with the theft.

It is alleged that Kelly tried to sell the stationwagon in Stinnett at a very low price and without a title. He was reported to the Stinnett police and they asked local officers to be on the look-out for the car.

The FBI entered the case because the Dyer act makes it a federal offense to take a stolen vehicle across a state-line.

Death Takes Father of Six

Funeral services were pending Wednesday for John Lake Figures Sr., who died in his home Tuesday.

Mr. Figures died about 1:30 p.m., after apparently suffering a heart attack.

His wife told the attending physician and police officers that he had complained of chest pains after eating lunch but returned to his job. A few minutes later he returned home feeling very ill.

He collapsed at the foot of the stairs leading to the bedroom. Mr. and Mrs. Figures and family live at the rear of 110 S. Bernice.

Mr. Figures was born Sept. 6, 1918 in Shreveport, La. He had lived in Perryton for two years before moving to Spearman three months ago.

He was a member of the Baptist Church in Palestine.

Survivors include his wife, Frances, six children, Mrs. Pat Gross of Perryton, John Jr., Jerry, Michael, Terry and Ricky Joe.

Max Hoobler

Max Hoobler Is MU Grad

Max Hoobler, son of Mr. and Mrs. Caylor Hoobler, 715 Cotter Drive, will graduate Saturday from the University of Missouri at Rolla, Mo.

Hoobler is receiving a degree in Chemical Engineering. He has accepted a position with the chemicals division of Pittsburgh Plate Glass Co., Corpus Christi.

Mr. and Mrs. Hoobler left for Rolla this morning to attend the graduation exercises.

The Hoobler's other son, Tom, graduated from Spearman High School this year and will enroll in Clarendon Junior College this fall.

Help Needed

Four volunteers who could help Mrs. Joe Chase administer treatments to a retarded child are needed.

Mrs. Chase said this week that she was in desperate need of help for one hour in the morning and one hour in the afternoon.

The treatment is a new method for helping retarded children. For it to be effective the treatments must be given regularly.

Mr. and Mrs. Chase live 15 miles northeast of Gruver.

Bus Driver Credited With Saving Child

A Greyhound bus driver who knows his first aid, saved the life of Regina Finney, 7, of Gruver last week when she was injured in a one-car accident six miles south of Canyon.

H. T. Stewart of Lubbock.

saw the Finney car overturn. He quickly stopped his loaded bus and jumped out with his first aid kit.

Stewart found the child with a severe gash in her arm. He used a set of tweezers to close an artery cut in the arm until he could apply a tourniquet.

Highway Patrolman James Cadenhead credited Stewart with saving the little girl. "She had already lost a pint of blood," the officer said.

The child was taken to Neblett Hospital in Canyon for treatment and was released the next day.

Cadenhead said the bus driver has saved two other wreck victims in previous accidents by speedily administering first aid.

Mrs. Lanelle Finney, 24, Regina's mother, was driving the car when a rear tire blew out and she apparently lost control of the car. It went off the road and turned over.

Also, in the car was Belton Finney, 6, and LaQuita, 3. The mother and other children had only minor injuries.

They were returning to Gruver, after visiting relatives in Tulia. The husband, Dick, is employed by Buddy Etling and the family lives northeast of Gruver.

Four Involved In Accidents

Four young men have been involved in three separate auto accidents during the past week.

Sammy Pingleton received facial lacerations when his car went into a ditch west of Gruver. The accident happened early Sunday morning.

Frank Sutherland was driving a car which hit the bannister on the Horse Creek bridge. He told officers that he hit the railing to avoid another car. Bill Womble was in the car with Sutherland.

Ken Shufeldt was not hurt when the car he was driving was involved in an accident. The car was damaged.

CHAMPION--Bob Hohertz gets a good tee shot off as he is on his way to winning the annual Spearman Golf Club tournament here Sunday. Hohertz shot a 65 on 18 holes to win the tourney. Plainsman Photo

Mrs. William Thomas Womble

Horton-Womble Vows Are Read

The First Baptist Church of Merkel was the scene Friday, July 23 at 7:30 p.m. of the wedding of Miss Mary Jane Horton and Lt. William Thomas Womble.

The bride is the daughter of Mr. and Mrs. Buster Horton of Merkel and the bridegroom's parents are Mr. and Mrs. A. C. Womble of Morse.

Double ring vows were exchanged by the couple before an altar arrangement of yellow roses flanked by baskets of greenery and candles in candelabra. The Rev. Jimmie Jenkins of Cottonwood officiated.

Prince Altom of Cisco sang "Because", "The Wedding Prayer" and "Whither Thou Goest", accompanied by Johnny Hardesty of Merkel, who also presented traditional wedding music.

Escorted to the altar and given in marriage by her father, the bride wore a formal gown of silk organza designed with a bateau neckline trimmed with hand-embroidered Alencon motifs and a modified bell-shaped skirt which ended in a chapel-length train.

Her elbow length veil of illusion fell from a crown of seed pearls and she carried a bouquet of white roses.

Mrs. Tom McAninch of Merkel was matron of honor and other attendants were Miss Beth Dunagin of Merkel and Mrs. James Paul Shanks of Baird. The feminine attendants wore identical yellow crepe two-piece floor-length dresses and each carried a single long-stemmed yellow rose.

J. J. Wood of Gruver served as best man and groomsmen were John Powell Clayton of Tulia and James Paul Shanks of Baird. Ushers were John Willis of Plainview, Truman Martin of Snyder and Robert Rhode of Silverton.

Connie Shields of Pringle and Deloris Horton of Abilene

were flower girls and Alan Shields of Pringle and Ray Horton of Ft. Rucker were ring bearers.

When the couple left on their wedding trip the bride wore a green two-piece suit with beige accessories.

Lt. and Mrs. Womble will travel along the Gulf Coast to Ft. Benning Ga. where he will be on active duty. After a two months tour in Georgia, the couple will be at home in Baltimore, Maryland.

Day by Day

Bette Thompson of the Amarillo Globe Times writes one of the most entertaining columns I've ever read. This little story was in her column last evening. I think it is priceless and hope she won't mind loaning it.

"Somebody was telling about the very biggest computer in the world... its operators decided to find out what really happened when the universe was created... so they spent weeks feeding information into it, checking and re-checking to be sure it had all the information it needed and no more... and finally the big moment arrived... everybody gathered around and somebody pushed the button... the computer whirred and sputtered and began to emerge... breathless, they all bent over and read, "See Genesis 1:1."

...

The college fever has invaded our little hamlet, at least as far as this year's freshmen girls are concerned. I guess going off to college for the first time is one of the most exciting days in a young girl's life. If you know any of this group very well, I'm sure you can readily tell this is true.

It's refreshing to listen to these young moderns quibbling over which college offers most, even though I did flinch a little when I heard some future Tech-sans call one of my old alma maters "Buffalo High".

But never mind, absorbing a little of the bubbling enthusiasm was worth it.

...

Read somewhere that a woman is like a newspaper because: they both have forms; they bear looking over; they have a good deal of influence; there's small demand for the bold faced type; they always have the last word; there's no demand for back issues; and every man should have one of his own and not go borrowing his neighbor's.

...

Thank goodness for good cooks who are generous enough to share good recipes with me. This light and luscious pineapple dessert, compliments of my husband's favorite aunt, is quite possibly the easiest recipe I've ever tried, yet it's truly delicious.

PINEAPPLE DESSERT

1 pint cream, whipped
1 large can crushed pineapple
1 large box vanilla wafers
Whip cream, add sugar to taste and 1 tsp. vanilla flavoring. Drain pineapple just a bit, mix with whipped cream. Line bottom of 9" x 13" dish with whole wafers, then cover wafers with 1/2 of the cream-pineapple mixture. Add another layer of wafers and remainder of cream mixture. Top with vanilla wafer crumbs, rolled fine. Chill overnight in refrigerator.

...

I probably should make some reference to the pretty August pin-ups at the bottom of this page but I've been busy trying to figure out whether or not the judges will be agreeable to naming two "Miss Americas" in about 1985 and I didn't have time to think of anything appropriate.

Mrs. Thomas Dan Whitson

Miss Damron Weds Thomas D. Whitson

In a double ring ceremony Thursday at 7:30 p.m. in St. John's Methodist Church of Lubbock, Miss Donna Lee Damron, daughter of Mr. and Mrs. A. J. Damron of Lubbock, became the bride of Thomas Dan Whitson, son of Mr. and Mrs. Jack Whitson of Spearman.

The bride's brother, Ray Cox, vice-president of Southwestern College in Winfield, Kan., officiated.

Given in marriage by her father, the bride wore a floor-length gown of satin peau de soie which was designed and made by her mother. The gown was trimmed with Alencon lace and seed pearls and the fitted bodice featured a traditional neckline and long sleeves which ended in points over her wrists. The skirt terminated in a long scalloped train and her elbow length veil of illusion was attached to a satin pillbox. She carried orchids and feathered carnations atop a white Bible.

Miss Elaine Hobbs was maid of honor and Mrs. Paul Caillet of Houston, sister of the bridegroom, and Mrs. Bob Whitson sister-in-law of the bridegroom, were bridesmaids. Miss Frances Whitson, sister of the bridegroom and Miss Sandra Damron, cousin of the bride, were bridesmaids. Shawn Cox of Winfield, the bride's niece, was junior bridesmaid.

The feminine attendants wore light blue floor-length dresses of taffeta with overblouses of blue eyelet material. They carried single white roses and wore blue pillbox hats with short veils.

Bob Whitson served as his brother's best man. Groomsmen were Jerry Felder of Spearman, Darwin Davis of New Deal, Jim Tom Roddy of Lancaster and Jerry Damton of Sudan. Ushers were Bill Barkley of Spearman and Ronnie Wood of Lubbock. Miss Betty Davis and Miss

Jerrie Cheatham lighted candles. Ellen Cox was flower girl, Paul Cox of Winfield was ring bearer.

Music was presented by Mrs. Coleman Cowan, organist, and Mrs. Jack Paige of Fort Worth, soloist.

After receiving guests in the Garden Room of the church, the couple traveled to interesting points in Texas and New Mexico. The bride wore a peacock blue suit of Italian silk with black accessories and an orchid corsage.

The couple will reside in Tulia where Whitson is the manager of Roland-Gordon Agricultural Chemical Company.

The bride was graduated from Lubbock High School and is a senior elementary education major at Texas Tech. The bridegroom was graduated from Spearman High School and received his bachelor of science degree in agricultural education from Texas Tech.

Mrs. Hudson Attending HE Conference

Mrs. Frances Hudson, home-making teacher in the Spearman High School, will participate in the State In-service Education Conference for Homemaking Teachers to be held at Hotel Adolphus, Dallas, July 26-30, with the meeting theme, "Home Economics - Dual Purpose."

The first general session opened Monday night in the Grand Ballroom of the hotel with guest speaker, Dorothy Emerson. Miss Emerson is a Consultant on Citizenship Leadership from Washington, D. C. Her talk was on "Developing Confidence for Community Leadership"

The Morse Code

Mr. and Mrs. John Thompson took Don Kelly and Gary Robinson waterskiing at Lake Fryer on Sunday afternoon. John came home the loser from this trip, however, as he sprained his ankle so severely he is now on crutches. Others attending the outing were the Bill Wilsons of Gruver.

Mr. and Mrs. A. C. Womble and Margaret, Mr. and Mrs. R. C. Womble and boys, and Mr. and Mrs. Jim Shields and family attended the wedding of Tommy Womble and Mary Jane Horton which was held at Merkel on Friday evening. Enroute home, the R. C. Wombles visited with Rev. and Mrs. Wayne Burt who live in Abilene. He is a former pastor of the Morse Baptist church.

Mrs. Daphne Womble and Mrs. Roy Stevenson of Ft. Worth were through Morse last week enroute to Colo. They visited the Robin Giblins and other friends.

Visitors in the Desmond Kelly home Sunday were Danny Barkley of Gruver, the Doyle Dortchs of Spearman and the Tom Dortchs of Morse.

Becky and Charis Fleming are visiting relatives in Amarillo this week. Also visiting are Vicki and Teresa Dortch. They are spending the week with their uncle and family, the Pat Blankenships of Elvins.

Mrs. Wilson McCloy took the electric camp delegates

to Amarillo on Monday to catch the bus for Cloudfroft. The camp is being sponsored by Southwestern Public Service. Delegates from Morse included Phillip Fleming, Sylvia Parks, Bill and Doug McCloy.

Mr. and Mrs. Henry Reid attended a baseball game at the new Astrodome in Houston over the weekend.

Mr. and Mrs. Tom Dortch visited in her parents home, the A. L. Blankenships of Gruver, on Sunday afternoon. Mr. Blankenship has just recently come home after a stay in the Berger hospital.

The community park has a new face. Until recently the huge June rains had caused the weeds to almost smother the park. Several people helped to mow the park last week and it looks like a different place. Also, the water from the new well is now available, and the ladies are happy to have all the water they need for irrigation purposes.

Mr. and Mrs. Don Jones and children returned home Sun. from a weeks vacation and sightseeing trip spent in Colorado. The Jones took a camp trailer going to the Great Sand Dunes near Alamosa, Durango, Silverton, Grand Junction and the Colo. National Monument, coming home by way of Gunnison and the Royal Gorge. On Sunday they spent the day with their parents at Pampa and visited with a great aunt Mrs. Cecil Garrett who was a guest in the C. A. Jones home. Billie Jones stayed in Pampa to spend the week with his grandparents Mr. and Mrs. W. R. Morrison.

Proposed CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

HOUSE JOINT RESOLUTION NO. 81 proposing an Amendment to the Constitution of the State of Texas, amending Section 51-a and Subsections 51a-1 and 51a-2 of Article III so that the same shall consist of one section to be known as Section 51-a; providing that the Legislature shall enact appropriate legislation which will enable the State of Texas to cooperate with the Government of the United States in providing assistance to and/or medical care on behalf of needy aged persons over the age of sixty-five (65) who are citizens of the United States or non-citizens who shall have resided within the boundaries of the United States for at least 25 years, needy persons under the age of sixty-five (65) who are totally and permanently disabled and who are citizens of the United States, needy blind persons over the age of eighteen (18) who are citizens of the United States, and needy children under the age of twenty-one (21) years who are citizens of the United States and to the caretakers of such children; providing rehabilitation and any other services included in the Federal legislation providing matching funds to help such families and individuals attain or retain capability for independence or self-care; and for the payment of assistance to and/or medical care for, and for rehabilitation and other services for:

(1) Needy aged persons who are citizens of the United States or non-citizens who shall have resided within the boundaries of the United States for at least twenty-five (25) years and are over the age of sixty-five (65) years; (2) Needy individuals who are citizens of the United States who shall have passed their eighteenth (18th) birthday but have not passed their sixty-fifth (65th) birthday and who are totally and permanently disabled by reason of a mental or physical handicap or a combination of physical and mental handicaps; (3) Needy blind persons who are citizens of the United States and who are over the age of eighteen (18) years; (4) Needy children who are citizens of the United States and who are under the age of twenty-one (21) years, and to the caretakers of such children.

The Legislature may define the residence requirements, if any, for participation in these programs.

The Legislature shall have authority to enact appropriate legislation which will enable the State of Texas to cooperate with the Government of the United States in providing assistance to and/or medical care on behalf of needy persons, and in providing rehabilitation and any other services for:

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

ices included in the Federal legislation providing matching funds to help such families and individuals attain or retain capability for independence or self-care, and to accept and expend funds from the Government of the United States for such purposes in accordance with the laws of the United States as they now are or as they may hereafter be amended, and to make appropriations out of State funds for such purposes; provided that the maximum amount paid out of State funds to or on behalf of any individual recipient shall not exceed the amount that is matchable out of Federal funds; provided that the total amount of such assistance payments and/or medical assistance payments out of State funds on behalf of such recipients shall not exceed the amount that is matchable out of Federal funds; provided that if the limitations and restrictions herein contained are found to be in conflict with the provisions of appropriate Federal statutes as they now are or as they may be amended, to the extent that Federal matching money is not available to the State for these purposes, then and in that event the Legislature is specifically authorized and empowered to prescribe such limitations and restrictions and enact such laws as may be necessary in order that such Federal matching money will be available for assistance and/or medical care for or on behalf of needy persons; and provided further that the total amount of money to be expended per fiscal year out of State funds for assistance payments only to recipients of Old Age Assistance, Aid to the Permanently and Totally Disabled, Aid to the Blind, and Aid to Families with Dependent Children shall never exceed Sixty Million Dollars (\$60,000,000).

Section 1. That Section 51-a and Subsection 51a-1 and 51a-2 of Article III of the Constitution of the State of Texas be amended, and the same are hereby amended, so that they shall hereafter consist of one section to be known as Section 51-a of Article III, which shall read as follows:

"Section 51-a. The Legislature shall have the power, by General Laws, to provide, subject to limitations herein contained, and such other limitations, restrictions and regulations as may by the Legislature be deemed expedient, for assistance to and/or medical care for, and for rehabilitation and any other services included in the Federal legislation providing matching funds to help such families and individuals attain or retain capability for independence or self-care, and for the payment of assistance to and/or medical care for, and for rehabilitation and other services for:

"Nothing in this Section shall be construed to amend, modify or repeal Section 31 of Article XVI of this Constitution; provided further, however, that such medical care, services or assistance shall also include the employment of objective or subjective means, without the use of drugs, for the purpose of ascertaining and measuring the powers of vision of the human eye, and fitting lenses or prisms to correct or remedy any defect or abnormal condition of vision. Nothing herein shall be construed to permit optometrists to treat the eyes for any defect whatsoever in any manner nor to administer nor to prescribe any drug or physical treatment whatsoever, unless such optometrist is a regularly licensed physician or surgeon under the Laws of this State."

Tire Service Offered To F B Members

The Hansford County Farm Bureau has entered into an agreement with the Texas Agricultural Service Company of Waco, a recently incorporated, wholly-owned subsidiary of the Texas Farm Bureau, to set up a retail tire sales program for its members according to Robert Novak, local county FB president.

One of the world's largest tire manufacturers, General Tire and Rubber Company of Akron, Ohio, is manufacturing tires for TASCOCO under the exclusive brand name "Safemark." Several other state Farm Bureaus are already marketing the "Safemark" tire which is produced at the GT&R Waco plant.

All standard sizes in the premium deluxe grade of passenger car tires and first-tire premium truck and tractor tires will be offered Hansford County Farm Bureau members Novak said. The cost will be the factory price plus a very nominal distribution charge which will make them available to members "at a very substantial saving," the county FB president declared.

Owens Sales Co., located at Spearman, and Gruver Farm Supply located at Gruver has been named the authorized Farm Bureau Tire Servicing Agent's for the county, Novak said. Tires can be purchased directly from him by any Farm Bureau member by presenting his current membership card. Members actively engaged in farming or ranching may buy any tires they need for personal vehicles. All other member will be limited to passenger car tires.

"This is strictly a service-to-member program instituted to help cut costs of production and thereby increase net income of our members," the county FB leader explained.

Proposed CONSTITUTIONAL AMENDMENT NUMBER SEVEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. SENATE JOINT RESOLUTION NO. 7 proposing an Amendment to the Constitution of the State of Texas providing for the exemption from local ad valorem taxes of the property of certain charitable organizations, provided such organizations meet certain conditions and requirements and expend at least One and One-half Million Dollars (\$1,500,000.00) annually on free medical and hospital care for the indigent within the State of Texas; providing for the necessary election, form of ballot, proclamation and publications.

PREAMBLE WHEREAS, The Legislature finds and declares that there is a need for the operation of hospitals by private charitable enterprises which will furnish free medical and/or hospital care for the indigent in Texas; and

WHEREAS, The operation of such hospitals and the furnishing of such free medical care and hospitalization for the indigent in Texas will add to the welfare and well-being of the State of Texas and its residents and citizens; and

WHEREAS, The need for the operation of such hospitals and the furnishing of such free medical care and hospitalization for the indigent is especially great in counties having a population in excess of one million two hundred forty thousand (1,240,000); and

WHEREAS, It is found and declared to be the Public Policy of the State to foster and encourage such operation of hospitals as aforesaid; now, therefore,

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. The Constitution of the State of Texas is amended hereby, by the addition of a new Section to Article VIII thereof, to be numbered Section 2-A, and reading as follows:

"2-A. The properties of any charitable trust or organization, if such trust or organization is dedicated to, and operates a hospital furnishing free hospital and/or medical care for the indigent within the State of Texas, shall be exempt from all ad valorem taxes levied by any taxing entity, except by the State of Texas itself, provided:

"(1) such trust or organization has expended for free hospital and/or medical care within the State of Texas, during the calendar year next preceding, a sum of not less than

One and One-half Million Dollars (\$1,500,000.00); and, further provided,

"(2) after such exemption has been in force and effect for one full calendar year, the amount expended for free hospital and/or medical care, within the State of Texas, amounts to not less than One Million Eight Hundred Thousand Dollars (\$1,800,000.00) for the calendar year next preceding; and, further provided,

"(3) such trust or organization is exempt from United States income taxes;

"(4) such charitable trust or organization maintains its domicile and operates a hospital or hospitals in a county having a population of more than one million two hundred forty thousand (1,240,000) according to the last preceding Federal Census, and such exemption shall apply only to the properties of such charitable trust or organization located within the county of its domicile.

"Proof of compliance with all applicable conditions stated above, shall constitute a complete defense to any suit for ad valorem taxes levied or attempted to be levied by any taxing entity other than the State of Texas itself.

"This Amendment shall be self-enacting."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

FOR the Amendment exempting the property of certain charitable organizations from local ad valorem taxes provided any such organization meets certain conditions, and expends at least One and One-half Million Dollars (\$1,500,000.00) annually for free hospital and medical care for the indigent within the State of Texas. AGAINST the Amendment exempting the property of certain charitable organizations from local ad valorem taxes provided any such organization meets certain conditions, and expends at least One and One-half Million Dollars (\$1,500,000.00) annually for free hospital and medical care for the indigent within the State of Texas.

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and Laws of this State.

Proposed CONSTITUTIONAL AMENDMENT NUMBER SIX ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 11 proposing an Amendment to Article III of the Constitution of the State of Texas authorizing loans to students at institutions of higher education; creating the Texas Opportunity Plan Fund and making provisions relating thereto.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding a new Section to read as follows:

"Section 50b. STUDENT LOANS. (a) The Legislature may provide that the Coordinating Board, Texas College and University System, or its successor or successors, shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed Eighty-five Million Dollars (\$85,000,000). The bonds authorized herein shall be called 'Texas College Student Loan Bonds,' shall be executed in such form, denominations and upon such terms as may be prescribed by law, provided, however, that the bonds shall not bear more than four per cent (4%) interest per annum; they may be issued in such installments as the Board finds feasible and practical in accomplishing the purposes of this Section.

"(b) All moneys received from the sale of such bonds shall be deposited in a fund hereby created in the State Treasury to be known as the Texas Opportunity Plan Fund to be administered by the Coordinating Board, Texas College and University System, or its successor or successors to make loans to students who have been admitted to attend any institution of higher education within the State of Texas, public or private, including Junior Colleges, which are recognized or accredited under terms and conditions prescribed by the Legislature, and to pay interest and principal on such bonds and provide a sinking fund therefor under such conditions as the Legislature may prescribe.

"(c) While any of the bonds, or interest on said bonds authorized by this Section is outstanding and un-

paid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the sinking fund at the close of the prior fiscal year.

"(d) The Legislature may provide for the investment of moneys available in the Texas Opportunity Plan Fund, and the interest and sinking funds established for the payment of bonds issued by the Coordinating Board, Texas College and University System, or its successor or successors. Income from such investment shall be used for the purposes prescribed by the Legislature.

"(e) All bonds issued hereunder shall, after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under this Constitution.

"(f) Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such acts shall not be void because of their anticipatory nature."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment authorizing the Legislature to provide for loans to students at institutions of higher education to be known as the Texas Opportunity Plan.

"AGAINST the Constitutional Amendment authorizing the Legislature to provide for loans to students at institutions of higher education to be known as the Texas Opportunity Plan."

Proposed CONSTITUTIONAL AMENDMENT NUMBER TEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. SENATE JOINT RESOLUTION NO. 47 proposing an Amendment to Section 4, Article III, Constitution of the State of Texas, to provide four-year terms of office for State Representatives.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 4, Article III, Constitution of the State of Texas be amended to read as follows:

"Section 4. The members of the House of Representatives shall be chosen by the qualified electors for the term of four years; but a new House of Representatives shall be chosen after every apportionment, and the members elected after each apportionment shall be divided by lot into two classes. The seats of the members of Class A shall be vacated at the expiration of the first two years, and those of Class B at the expiration of four years, so that one-half of the members of the House of Representatives shall be chosen biennially thereafter. Representatives shall take office following their election, on the day set by law for the convening of the Regular Session of the Legislature, and shall serve thereafter for the full term of years to which elected and until their successors shall have been elected and qualified. Except in case of an election to fill a vacancy, and except in the first election following each re-apportionment, a person who has been elected to the House of Representatives shall not be eligible to be a candidate again for membership in the Legislature until the term for

which he was elected has less than one year remaining."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of the state at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment to provide for a four-year term of office for State Representatives."

"AGAINST the Constitutional Amendment to provide for a four-year term of office for State Representatives."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the constitution and laws of this state.

Sec. 4. In the event the Constitutional Amendment proposed in this Resolution is adopted by the people of Texas in the election in November, 1965, then the Governor of Texas is directed not to issue a proclamation for the election and not to publish notice thereof for the Constitutional Amendment proposed by House Joint Resolution No. 1 of the 59th Texas Legislature, since the provisions of said House Joint Resolution No. 1 are included in this Resolution. But, should this proposed Amendment be rejected by the people of Texas in the election in November, 1965, then the terms and provisions of House Joint Resolution No. 1 shall be and remain in full force and effect and shall be proclaimed and published and submitted to the electorate in November, 1966, as provided in said House Joint Resolution No. 1.

Homemaking Notes

Home Demonstration Agent

It is definitely ice cream weather! And what is better than ice cream made in an old fashioned ice cream freezer? Just more of it, I'd say. Of course, I am one of home-made ice cream's biggest fans.

There are many ice cream recipes around, but I'd like to pass on to you some of my favorite--they may be yours, too.

Vanilla Ice Cream
6 eggs
2 cups sugar
2 tbsp. vanilla
whipped cream or can of Carnation evaporated milk

Beat eggs and add sugar, small amount of milk, and cream. Pour some milk into freezer can first to make mixing in can easier. Pour in mixture; add milk to fill to two inches of top of can.

Fresh Peach Ice Cream
Use vanilla ice cream recipe and start freezing same as above but be sure to leave room in freezer can for peaches.

Add juice of half lemon to sliced peaches. Use either pint or quart of peaches with sugar added to your taste. (Very ripe peaches mix through the ice cream and give a more uniform taste. Frozen peaches are just about as good as fresh ones.) As soon as ice cream is mushy enough that peaches can be stirred in without settling to bottom, add peaches and complete the freezing.

Refrigerator Ice Cream
2 eggs
3 cups milk
1 cup thick cream
1 1/2 cups sugar with tiny touch of flour
1 teasp. vanilla

Beat eggs, add sugar and milk. Whip cream and add. Add vanilla. Put in freezer tray and let freeze until slushy. Scrape out into mixer bowl and beat with electric mixer.

Let it freeze a little harder and mix again. Thorough beating with electric mixer is secret of making it taste just like freezer ice cream.

Cooked Vanilla Ice Cream
3 cups milk
2 1/2 cups sugar
2 heaping tbsp. flour
6 eggs

1 1/2 cups whipping cream
2 tbsp. vanilla
Scald milk in double boiler. Mix sugar and flour; add eggs and beat until creamy. Pour into freezer; add whipping cream and then enough milk to fill to about two inches from top.

The Last Note: The world really isn't any worse. It's just that the news coverage is so much better.

SCIENCE ON DISPLAY—Dr. B. H. Amstead, right, assistant dean of the College of Engineering at the University of Texas, explains the workings of a "magnetic bottle" to two participants attending the Texas Nuclear Science Symposium, held last June 6-9 at the University. Listening attentively are Alton Miihlhouse, left, spring graduate of Clifton High School, and Kent Appleby, superintendent of schools at Clifton. Miihlhouse will enter the university this fall to study electrical engineering.

ACCENT ON YOUTH

Alton Miihlhouse is typical of the youths who attend the Texas Nuclear Science Symposium each year under the sponsorship of Community Public Service Company. Designed to interest youngsters in science careers and to inform them of the progress being made by investor-owned utilities in developing a nuclear-fusion method of generating electricity, the Symposium is co-

sponsored by member companies of the Texas Atomic Energy Research Foundation (TAERF) and the University of Texas. TAERF's research in controlled nuclear fusion is privately financed by Community Public Service and nine other electric companies in Texas. This long-range project eventually may result in a more economical method of generating electric power.

HOW LONG DID IT TAKE YOU TO COURT YOUR WIFE?

Did you happen to see her ... walk up to her ... ask her to marry you ... call in the minister ... right on the spot?

Certainly Not

It probably took a lot of calls and trips, movies, flowers, candies, and a lot of putting your-best-foot-forward tactics. You had to sell yourself. She had to know all about you.

Shirley Ayers On Crutches

The five weeks of confinement in a body cast is over for Shirley Ayers and she has a smaller cast she can now walk on crutches.

Miss Ayers underwent surgery in Oklahoma City early this summer to have one leg shortened, so she can walk without a built-up shoe.

Miss Ayers broke a leg when a child and it failed to grow properly, so she has had to walk with the corrective shoe. This operation made both of her legs the same length.

The girl said she wanted to thank everyone who sent cards, flowers and visited her during the five weeks in bed.

"I did not spend a single evening alone, someone visited me every evening," the popular Spearman High School graduate said.

Miss Ayers said if she does everything she is supposed to do, then this second cast will be off on August 24.

She said she would probably have to learn to walk again, just as she had to learn to sit up again after being in the cast so long.

PAIN...

the early warning system

Pain functions as the body's early warning system. When an external injury occurs, the brain receives the pain "alarm". Blood is routed to the main internal organs. This happens at once, but pain often lingers on. Because of this, modern medicine is continuing its fight against prolonged pain.

Walter Rogers Discusses Cigarette Question

THE CIGARETTE ISSUE

The question: Does cigarette smoking cause lung cancer? Some eminent medical scientists and others say YES. Others equally eminent medical and other scientists say NO. One eminent psychologist stated that the statistical evidence used to support findings that cigarette smoking caused lung cancer could be used in the same manner to prove that divorce causes lung cancer.

The facts: The facts are that it has never been proven biologically that cigarette smoking causes lung cancer. Millions of dollars have been spent in laboratory and other tests to prove that inhalation of cigarette smoke is the primary cause of lung cancer. The testimony from all witnesses before the Congressional Committee on this subject was to the effect that inhalation of cigarette smoke had never caused lung cancer in laboratory animals, although the matter has been under experimentation for more than 60 years. It has been established, however, that certain hydrocarbons, many of which are present in polluted air breathed in many of the cities of this nation, have and do cause lung cancer in laboratory animals. This is a matter of record in the hearing and also in the Surgeon General's report on this subject.

The real issue: The underlying and real issue in the cigarette controversy was never properly publicized. Simply, it was this: Should the Congress of the United States meekly surrender its Constitutional legislative powers to a Federal bureau not directly answerable to the electorate of this nation? The cigarette issue was used as a smoke screen in a veiled attempt by a Federal bureau to further encroach upon the Constitutional legislative powers of the Congress. Those of us who undertook to protect and preserve those powers were subjected to a malicious, false, and unfounded attack by a syndicated columnist. Strangely enough, this particular columnist has long supported absolute centralized power in the Federal bureaus and boards over the freedoms and the rights of Americans. Strangely enough, he is the same columnist who has so often visited in Russia and has paid compliments to Khrushchev as well as many of the practices of the Russian economy. He has the right to his beliefs and his philosophies, but by the same token I have the right to my belief that true representative government will be destroyed if the Congress of the U. S., made up of the duly elected Representatives and Senators, is required to surrender legislative powers to appointed boards, bureaus, and agencies.

I do not smoke, chew, or dip, and have not used tobacco in any form for more than 14 years. It is my personal belief that any young person who takes up the tobacco habit is very, very foolish. However, tobacco is the livelihood of many, many Americans and constitutes the basis for a substantial segment of our economy. If tobacco can be established biologically as the primary source of lung cancer it should be placed in the same category as marijuana, heroin, opium, and any other drug. Its production and sale should be forbidden. Such proof has not been produced after more than 60 years of experimentation. I, as a free American, subscribing to the guarantees of our Constitution do not propose to write the death sentence of a substantial segment of the economy of the United States and the world on unsubstantiated conclusions of government-paid employees

who are not willing to advocate prohibition of cigarettes, but who are willing to spend millions of dollars of taxpayers' money (by their own testimony) to brainwash the American people that their opinions are correct. A good example of their findings is contained in the Surgeon General's report which I quote: "Although smokers are different from non-smokers psychologically and socially, there are many differences among smokers and non-smokers, so that some

smokers may be like some non-smokers." Frankly, I think tax money could be spent for much better purposes and more effective results. If they are of the opinion that cigarette smoking is the primary cause of lung cancer, they should be honest enough to demand absolute prohibition of cigarettes.

I shall continue my efforts to preserve the Constitutional legislative powers in the Congress, which is the body directly answerable to the electorate.

More than 90,000 accidental deaths and about 45 million accidental injuries occur each year in the United States.

An estimated six million persons in the United States have some degree of hearing loss.

THE MEANS OF GRACE

I believe God's Holy Spirit works through certain means. Just as a farmer uses a tractor or a plow, so the Holy Spirit uses means which are commonly defined as The Word of God and the Holy Sacraments.

The emphasis is that both Word and Sacrament should be emphasized. The Sacraments are not magical things, nor is the emphasis only on the Word. He who belittles the sacraments belittles both Christ and the Word.

The sacraments are dependent upon the Word for the

word of God fixes the value of the sacrament. Some say baptism or Lord's Supper don't save. I Peter 3:21 states "Baptism does now save us," or Matt. 26:28 says concerning the Lord's Supper "Unto the remission of sins."

Thus in the sacraments there is an inter-communion, an inter-action between God and man. It is God who reaches into our lives and creates faith and maintains it. Without the Word, baptism is simply water and not baptism. Or the bread and wine are simply that without the Word. But God's Word makes them

means, ways that the Holy Spirit reaches into our lives to strengthen, guide, forgive us. They in no way limit Jesus, in fact it is still Jesus and His Word that bring power to the Word and Sacraments.

Thus it is the work of the Spirit to make us partakers of salvation. This is alone God's work and He uses means to bring this to us.

If the sacraments are under estimated in value, as some do, the grace of God is also frequently underestimated. Salvation becomes something I help achieve by a particular kind of conversion. It can easily become a form of legalism where there is only one way to approach God. How we need to guard against extremes of magical sacramental formulas or underestimate their value.

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

HOUSE JOINT RESOLUTION NO. 5 proposing an Amendment to Section 49-b, Article III of the Constitution of Texas so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Board and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for

not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price therefor, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the

moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund hereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to

Texas veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and March 31, 1955, and who upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds hereafter issued and sold by said Board may be used by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All moneys attributable to the bonds issued and sold pursuant to the Constitutional Amendment adopted on November 6, 1956, shall be credited to said Veterans' Land Fund and may be used for the purpose of purchasing additional lands, to be sold as provided herein, until December 1, 1965; provided, however, that so much of such moneys as may be necessary to pay interest on such bonds shall be set aside for that purpose. After December 1, 1965, all moneys attributable to such bonds shall be set aside for the retirement of such bonds and to pay interest thereon; and when there are sufficient moneys to retire all of such bonds, all of such moneys then remaining or thereafter becoming a part of said Veterans' Land Fund shall be governed as elsewhere provided herein.

"All of the moneys attributable to any series of bonds hereafter issued and sold by said Board (a 'series of bonds' being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold

shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000.00; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law"; and

"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000.00; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law."

If it appears from the returns of said election that a majority of the votes cast were in favor of same Amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

At Union Church

Young Evangelist Will Conduct Service Here

Gary Rees of Webb City, Mo., and Ray Grantham of Laverne, Oklahoma will have special services at Union Church, 3120 Endicott, Spearman, Aug. 1, 3, 4. The services will begin promptly at 8 o'clock.

Gary is 18, and graduated from Webb City High School in 1964. He was a member of the National Honor Society, Thespians, and National Forensic League. While in school he was soloist in several operettas and also directed a Junior High Operetta. He was a member of Debate and Extemporaneous Speaking Teams. He graduated from Midwest Bible Institute on May 13, 1965.

Gary began singing in revival meetings at the age of 5, and was featured in the Midwest and on the Pacific Coast as soloist in meetings. He was featured on T.V. and made numerous appearances on radio in Anchorage, Alaska. Among the songs he sings are 16 that he has composed. For

the past six months, he has been the pianist for the Ambassadors Quartet of Kansas.

Ray is 18, and graduated from Laverne High School in 1964. He was president of the Student Council, President of FFA, Vice President of Band, and received the Junior Master Farmer State Degree, which is the highest degree offered in the State of Okla. Ray also graduated from Midwest Bible Institute in May.

Ray and Gary are both soloist and will also sing duets. Another feature is their saxophone and cornet duets. Ray also directs the singing.

Each service, Gary will bring a Biblical message geared to the times, especially for Youth, but also applicable to adults.

Geo. R. Bollinger, Pastor, gives the public a cordial invitation to come and enjoy the ministry of these young men.

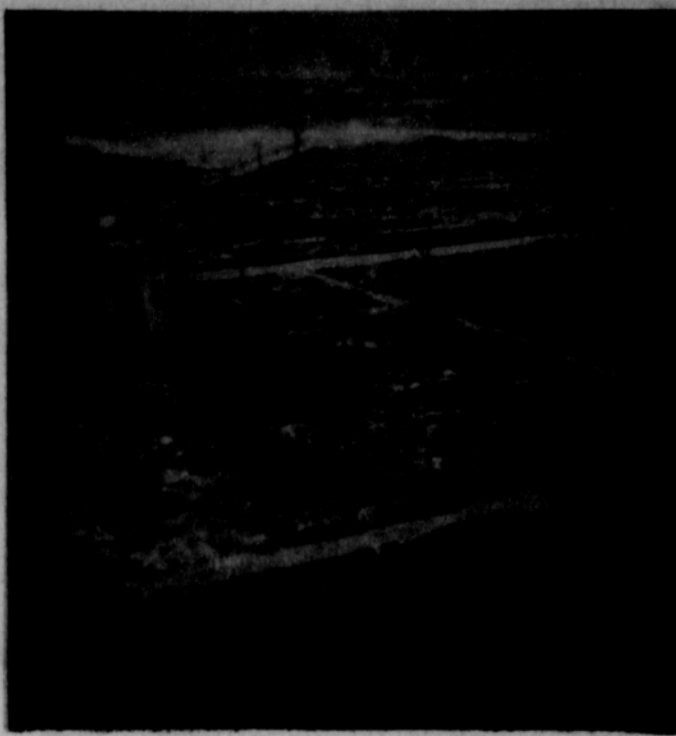

Crusade . . .

(Con't. from page 1.) meet with the workers in the crusade, ministers of area churches and layworkers from these churches, at the banquet.

This banquet will be held in the Fellowship Hall of the Methodist church at 7:30 p.m. Gustafson will be the principal speaker.

This non-denominational crusade will open its headquarters in the old Chambers building Monday, Aug. 2. The headquarters will be open until after the crusade in Nov.

Last week the executive committee for the crusade

Atomic Destruction Remembered by Berry

On August 6, 1945, just 20 short years ago, the awesome atomic era was born with the destruction of Hiroshima, Japan, by the first atomic bomb.

Program On Gardening Is Given

The home of Mrs. A. W. Mobley was the meeting place for the Delphinium Flower Club's second meeting in July.

President, Mrs. W. A. Ellsworth called the meeting to order and conducted the short business session. Roll call was answered by Hints and Ideas from The Lone Star Gardener.

The program was given by Mrs. Cecil Crawford. She spoke on "Therapy in Gardening", bringing out many interesting ideas for gardens.

pastor of the First Baptist Church of Spearman, was then a seaman on the destroyer USS McKeene.

The ship was in dry-dock in San Francisco when the bomb was dropped, but shortly afterwards it sailed for the Far East. On Christmas of 1945, then Seaman Berry was in Hiroshima and took this picture.

"The city was still just rubble," he remembers.

It was years later before the Rev. Berry entered the ministry, but he said then he felt a wall should be built around that area of great destruction, so people who wanted to start an atomic war could be taken there to see what atomic bombs could do.

New

Merchandise

Some of the new things we purchased at market recently are already here. We want you to come and see them.

We have the new Stotter Ice Tea Glasses. They look like frosted glass, are dishwasher proof, will retain heat or cold and best of all, they do not sweat, so they do not need coasters.

If you are a jigsaw puzzle fan we have the new round puzzles with 500 interlocking pieces. These will test your ability.

Also now are the KayDee linen towels and fiber glass salad bowls to match.

To make room for many new things we have bought, we are having a sale on all our Corning ware and electric appliances. You can save some money.
