SPEARMAN, TEXAS

THURSDAY, JANUARY 14, 1965

MOTHERS MARCH SUNDAY

Parents Urged To Enroll First Graders

Parents of children who will enter the first grade in Spearman schools this fall are urged to place their children on the school census rolls now.

The annual school census is now being taken and all children born on or before Sept. 1, 1947 or after Sept. 1, 1959 should be placed on the census.

All children in school, including the local kindergartens, have received census blanks to be completed by their parents.

Parents of children who will be first graders this fall are asked to get a census blank from Mrs. Fay Palmer in the School Superintendent's office at the High School.

It is essential that all parents or guardians of school age children enroll their children in this census. This is the information used by the state in allocating state school funds to the district.

If there are any questions about filling out these census blanks, please call Mrs. Palmer at the Superintendent's office, 3233, any time between 8 a.m. and 5 p.m., Monday through Friday.

Teams Play At Ranch

Friday Night

The Spearman Lynx and Lynxettes will be playing at Boys Ranch Friday night, but facing two different schools.

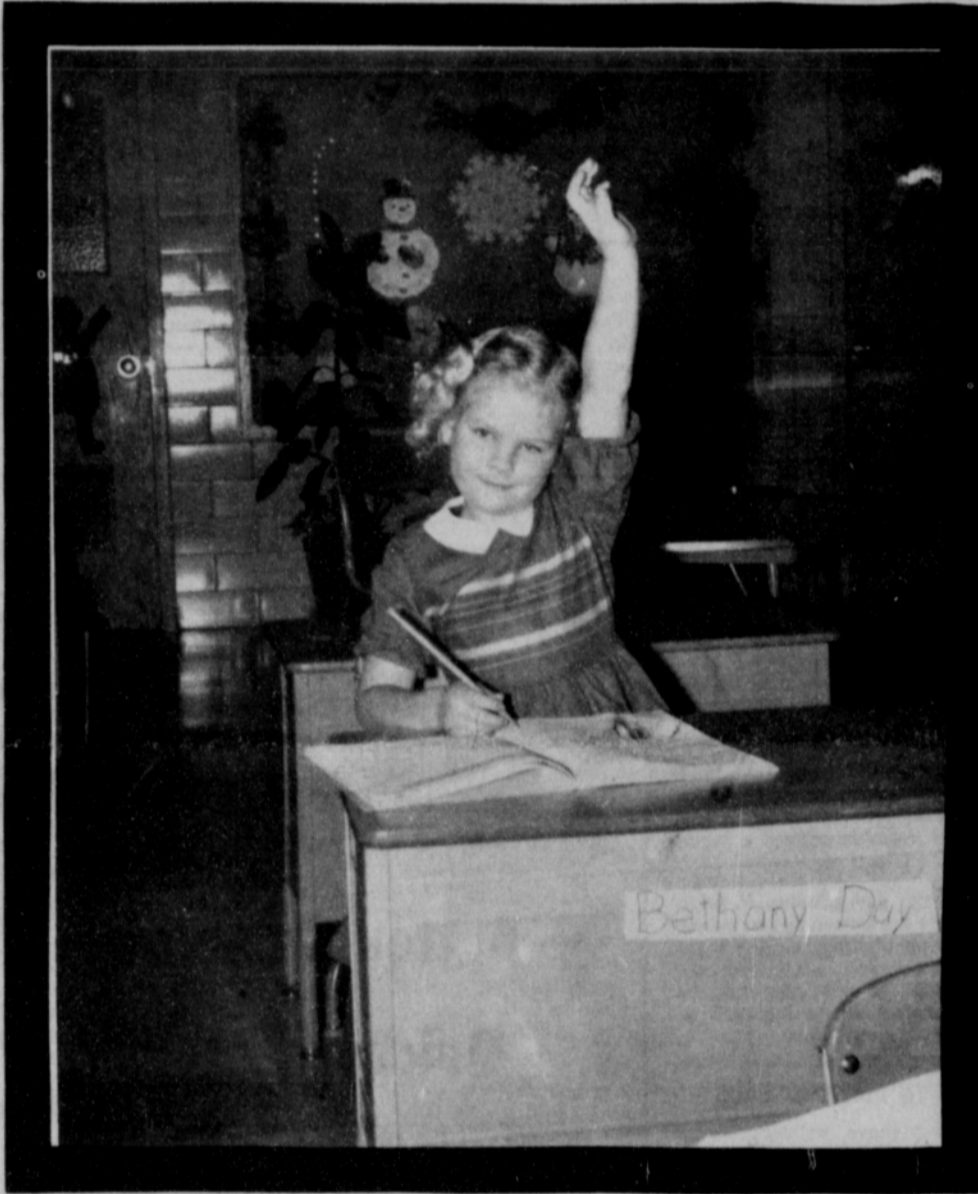

The Lynx will be trying to shake the last quarter jinx as they meet Boys Ranch in the new Ranch Gym. This will be a district encounter for the Lynx who have come so close to victory, but are still seeking the first district win.

For the girls it will be a tooth and nail battle against Tulia. This will be the third meeting for the two teams. They each have one victory in the earlier meetings this season.

It will be split action for the two teams next week. Monday the Lynxettes will go to White Deer for a non-district tussle. Tuesday the Lynx will meet the high scoring and league leading Phillips Blackhawks.

This will wrap-up the first half of district play for the Lynx. The Lynxettes completed the first half of their schedule Tuesday night with a victory over Stinnett.

CATCHING UP--Hansford County's own March of Dimes Poster girl, Bethany Day is rapidly catching up with her first grade studies after missing five weeks of school for open heart surgery. She is just one of the many children your March of Dimes gifts help.

PLAINSMAN PHOTO

County MOD Poster Girl

Spearman and Hansford County has its own March of Dimes Poster Girl this year according to County Chairman Mrs. Virgil Mathews.

The young girl is Bethany Day, daughter of Mrs. Jeanine Day, a first grader in the Spearman School.

The youngster underwent open heart surgery in Dallas Dec. 8, to correct a heart defect she had at birth. The March of Dimes National Foundation helped finance the surgery.

Bethany was out of school five weeks, but her teacher, Mrs. Nellie Payne, says she is rapidly catching up with her classmates in her studies.

"She does not use the operation as a crutch", Mrs. Payne said. Some days she has to rest more than the other students, but she works hard in class.

The surgery has helped the child in her school work, according to Mrs. Payne. She says she has always been a very quick student, but now she has more motor control and her writing is improving rapidly.

Mrs. Payne says it is won-

derful that Bethany could have the heart defect corrected so she can lead a normal life. She is an above average stu-

dent in her studies and soon will be able to participate in all school activities, the teacher added.

Junior High Remodeling Cost \$160,000

Repairs and renovations costing \$160,000 will make the Spearman Junior High School building into a first class school building.

Architect John Work of Amarillo told the Spearman School Board this week that this much work will give the district a sound and up to standard building with another 15 to 20 years of use.

Work said the building would last much longer, but the rapid changes being made in school curriculums would probably make the building obsolete by then.

Work spend several days inspecting the building and preparing his cost estimates.

He recommended lowering the ceiling in each classroom, repairing and putting new cov-

erings on the floors, repairing and repainting all the walls, new chalkboards, repairing the steam heating systems and putting thermostatic heat controls in each room. Also, more storage space in each room.

New and more lighting fixtures would be installed in each classroom. Work told the board the present lighting is below the minimums being put in new schools.

Work's investigation showed the building to be structurally sound in most places and the masonry work to be in good condition.

He said the only two places needing structural work are under the floor of the second floor auditorium and under the floor of the old gym.

Work recommended a steel

Fund raising activities for the Hansford County March of Dimes Drive will be concentrated during the next two weeks, according to County Chairman, Mrs. Virgil Mathews.

The annual Mothers' March for funds in Spearman and Gruver will be Sunday afternoon at 1:30 p.m.

The second big fund raising activity, the radio auction sale

and hootenanny, will be the following Sunday afternoon, Jan. 24.

Members of Rho Rho and Xi Zeta Upsilon chapters of Beta Sigma Phi sorority and individual volunteers will conduct the Mothers' March in Spearman.

In Gruver the march will be conducted by a group of mothers under the direction of Mrs. Leon Chapman.

Women will have literature to give at each home and donation envelopes to leave at the homes where no one is home. These people may mail their contributions to the county chairman.

Dord Fitz, outstanding artist and teacher has donated some of his work to the radio auction. Besides Fitz, 15 local artists have donated paintings to be sold for the March of Dimes.

Besides the large collection of art, local merchants and individuals will donate items to be sold.

A battery of local men will act as auctioneers for the radio auction and the hootenanny. The program is broadcast by KBMF-FM in Spearman.

The initial radio auction and talent show was held last year and lasted five hours. The five hours work raised approximately \$2,000 for the drive.

Mrs. Mathews has served as County Chairman for four years and each year has increased the amount of money raised for the National Foundation.

C-C Officers, Directors To Be Installed

New officers and directors of the Spearman Chamber of Commerce will be installed tonight (Thursday) at a dinner in Grunewald's Restaurant.

Harry Cowan, Manager of the Borger Chamber of Commerce will install the new officers and charge them with the duties of their offices.

James Bramlett will be installed as President of the Chamber of Commerce. Bramlett was recently re-elected to a second term as leader of the Chamber. J. L. Brock was also re-elected Vice President. Bob Skinner is the newly elected Treasurer of the organization.

The new directors are Jack Oakes, Bill Turner, Eltzey Vanderburg, Winfred Lewis and Kenneth Evans. Guy Fuller is the new city appointment as a member of the Board of City Development.

The outgoing directors are Roy McClellan, Tommy Gooch, Joe Trayler, Gene Cudd and E. J. Copeland. Sam Greenway is the retiring board of city development member.

This year's general membership banquet is planned for early February.

Lions Cancel
The joint Spearman, Perryton Lions Club Ladies Night for next Tuesday night has been cancelled because of schedule conflicts.

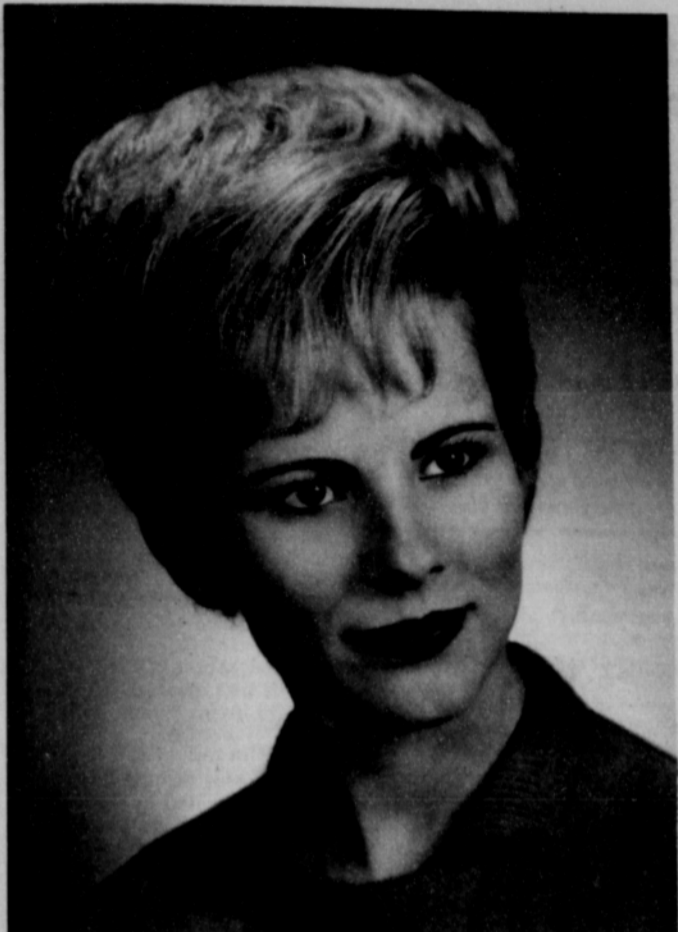

January 31 Is Tax Deadline

This is the last month for paying your Texas Poll Tax. The deadline is Jan. 31 when the tax office closes.

The poll tax is required for voting in state or local elections, bond elections and any other election in Texas below the federal level.

There will be a school board election this year with three members to be elected. Also, three city councilmen will be elected this year. There will probably be some bond elections, also.

Support The March Of Dimes

Engagement Announced—

Mr. and Mrs. J.C. Rhea announce the engagement and approaching marriage of their daughter, Karen, to Dean Sparks, son of Mr. and Mrs. Burnie Sparks of Gruver. An early February wedding is being planned.

Annual Past Noble Grand Banquet Held by Lodge

The Spearman Rebekah Lodge #290 held their annual Past Noble Grand Banquet Jan. 7 in the Banquet Room of Grunewald's Restaurant. The tables were appropriately decorated for the occasion. The invocation was given by Iva Longley and Sylvia Wilcox, Mistress of Ceremonies, introduced the incoming and outgoing, past and affiliated Noble Grands.

Margaret Kirk was the speaker for the evening. Attending were Iva Longley, Dorothy Longley, Sylvia Wilcox, Lou Ethel Ellsworth, Inez Holland, Ruth Caro, Rose Cummings, Juanita Boxford, Deanna Kenny, Thelma Kenny, Wanda Golithly, Helen Condo, Sam Condo, Barbara Fickling, Mildred Chamberlain, Thelma Scott, Gladys Richardson, Frankie Duryee, Margaret Kirk, Harold Fickling and Ina Mae Hughes.

Day by Day

This year it should be easier than ever to collect funds for the Mothers March of Dimes drive. Since a little Spearman first grader, Bethany Day, has successfully undergone open heart surgery, sponsored by the National Foundation, the benefits of such a drive are brought close to home. Elsie Mathews, county chairman, says she'll take Bethany to Amarillo next Tuesday for her post-operative examination. The pretty little girl seems to be recovering rapidly from the serious operation and has been back in school since the holidays. The annual Mothers March will be conducted in Spearman and Gruver Sunday afternoon, Jan. 17 beginning at 1:30. In Spearman the workers will meet at 1:15 at the hospitality room of the bank. Rho Rho and Xi Zeta Upsilon Chapters of Beta Sigma Phi conduct the march in Spearman each year but Elsie says she would appreciate help from other organizations and individuals too. Other local March of Dimes fund raising schemes include the radiothon Jan. 24 with art work donated by numerous area artists not to mention Amarillo artist and teacher Dord Fitz. I should think one of his paintings would draw a lot of "dimes" for the drive. There will be donations from various merchants and individuals too. Saturday the Rainbow Girls are planning a Kidnap Coffee, with proceeds going to the drive and that night Mr. and Mrs. George Collard will honor their daughter, D'dee with a dance on her sixteenth birthday. Instead of giving her gifts for her birthday, D'dee hopes her guests will contribute to the March of Dimes if they so desire. Since the March of Dimes funds go toward research in birth defects among other things, to say it is worthwhile is an understatement. If you are not at home when the sorority volunteers call, you'll find an envelope at your door and you can still help by mailing your contribution to the county chairman, whose address will be on the envelope.

Back when I was in high school I remember selling cookbooks published by the Fort Worth Optimisses as a money making project. This recipe for Deva's Frozen Salad is from that book. I have made it numerous times and it is delicious. It makes 18 servings so I usually just make half the recipe.

Deva's Frozen Salad

1 cup cream cheese	2 tsp. cream
1 tsp. lemon juice	1 cup crushed pineapple
1/2 cup marshmallows (quartered)	1/2 cup pecans
1 cup Royal Anne cherries	3/4 cup mayonnaise
2 cups whipping cream	1 banana, chopped

Work cheese, cream, lemon juice and salt. Add pineapple, nuts, cherries and banana. Fold in mayonnaise and whipped cream. Freeze. This is best served almost frozen. Allow to thaw just momentarily before serving.

Of Interest to Women

Club Meets Monday In Collard Home

The home of patron member, Mrs. John R. Collard, was the scene of the Monday night meeting of the Music Club. Mrs. Russell Townsend was hostess for the evening. The program began with the singing of the federation hymn by the club. Mrs. Max Baggerly and Mrs. Rue Sanders played as a piano duet "On the Road to Mandalay" by Ole Speaks and "Stars and Stripes Forever" by John Phillip Sousa. Mrs. Tom Sutton gave Chapter 4 of the study course "What to Listen for in Music." Attending were a guest, Mrs. Max Baggerly, patron member, Mrs. John R. Collard, and members, Mmes. Robert Brandt, Henry Cornelius, Charles Gates, Don Knox, Frank Massad, Oscar Mullins, Jack Oakes, Rue Sanders, Tom Sutton, J.D. Wilbanks, Ronnie Schaefer and Miss Linda Webb and the hostess.

Fashion Expert Will Speak to Homemakers

Miss Helen Wright, Special Field Representative for the Educational Division of Simplicity Pattern Company, New York City, will present an illustrated fashion lecture entitled "Be Your Own Designer" to all interested homemakers in this area, Tuesday, Jan. 19. The meeting is scheduled to be held at Spearman High School auditorium at 2 p.m. (with non-members who are interested in sewing invited to attend.) Miss Wright will present 17 complete costumes with inspirational emphasis on styling and the promotion of originality. Local Spearman homemakers will act as models. Many new fabrics will be seen and the construction techniques used in sewing with them will be explained. The pastel hues which dominate the Spring color scene make this wardrobe particularly attractive. Miss Wright has traveled nation-wide for Simplicity

Pattern Company for over six years. She is highly qualified for her position as a sewing consultant in both education and experience. You are urged to attend this most enjoyable and informative show, especially if you make your own clothes.

Brummett Is Guest Speaker

Orville Brummett was the guest speaker for the Kimberly Junior Club when the members met Friday, Jan. 8 at the Farm Bureau Community Room with Mrs. Sandra Ladd and Mrs. Kenneth Pope serving as hostesses. Mr. Brummett, a local druggist, discussed the Food and Drug Administrations and what effect it has on the manufacturer, druggist and consumer. A short business meeting was held with Mrs. Doyle Jackson, president, presiding. Attending the meeting were Mmes. Jackson, Bill Wilmeth, and the hostesses.

Holtons, Conreys Are Bridge Hosts

The Saturday Night Bridge Club met this week in the Home Demonstration Room with Mr. and Mrs. Richard Holton and Mr. and Mrs. Kenneth Conrey as hosts. Richard Holton and Mrs. Sid Evans were the high scorers. Bob Skinner and Mrs. Kenneth Conrey had the low scores. Members attending were Jimmie Hicks, Messrs. and Mmes. Bob Skinner, Jimmy Linn, Garland Head, Winfred Lewis, Sid Evans, Edward Dear, Sam Watson and the hosts. Guests attending were Mrs. Wilson McClellan and Messrs. and Mmes. Roy Bulls and Wilis Sheets.

Epiphany Service At WSCS Given By Mrs. Adamson

The Women's Society of Christian Service of the Methodist Church met Jan. 6 at 9 a.m. in the church parlor. Patty Sheppard opened the meeting with prayer. Dorcas Collard presided at the business meeting. The minutes were read and approved and officers reports were given. Each member was encouraged to attend the Sub-District meeting at Darrousett Jan. 12. Margaret Adamson presented a program for the Epiphany service. Refreshments were served by the hostesses, Mmes. Jack McWhirter and Kenneth Williams to Mmes. John Allen, P.A. Lyon, Hubert Hays, John Seil, John Trindle, T.D. Sanning, Sid Beck, Roy Jones, Doug Grimes, Bruce Sheets, Dwain Bowen, Bert Sheppard, Larry Brummett, Charles Gates, Garland Head, Robert Adamson and George Collard.

Kidnap Coffee To Benefit MOD Drive

If you find yourself being kidnapped Saturday morning by a group of girls and taken to the Excel Chevrolet showroom for coffee, it will all be for charity. The Rainbow girls are having a "Kidnap Coffee" Saturday morning from 9 to 10:30. The girls will serve free coffee, punch and doughnuts. Any donations received by the girls will benefit the current March of Dimes drive for funds.

Club Welcomes New Members

The Hansford HD Club met Monday afternoon in the home of Mrs. Ellzey Vanderburg. Mrs. Clyde Whitehead, president, presided at the business meeting. The program was presented by Linda Webb, agent, who illustrated her talk on color in the home with slides. New members, Mrs. Bob Crawford and Mrs. Lenzie Anderson, were welcomed by the club members. Attending were Mmes. Gordon Parrish, F.S. Ayers, Lenzie Anderson, Virgil Floyd, Herb Howe, L.W. Rosenbaum, Daniel Sheets, Clyde Whitehead, Bob Crawford and guests Mrs. A.W. Mobley and Linda Webb and the hostess.

Mrs. Garnett Is HD Hostess

The Spearman HD Club met Friday afternoon in the home of Mrs. B.J. Garnett. Mrs. W.H. Tarbox, president, conducted the business meeting. The demonstration on "Color Schemes for the Home" was presented by Linda Webb, Home Demonstration Agent. Attending were Mmes. Virgil Hull, Frank Davis, Carl Hughes, W.H. Tarbox, W.A. Ellsworth, H.H. Crooks, W.A. Schubert, Richard She-deck, Eleanor Reed, Claude Jackson and new member, Mrs. Sam Condo, visitors Mrs. E.W. Fielding and Linda Webb and the hostess. Weekend guests of Mr. and Mrs. James Sparks were her brother and his family, Mr. and Mrs. E.L. Buchner of Amarillo. Mrs. Roscoe Nelson and Donna were in Amarillo Monday.

Miss Webb Gives Club Program

The Happy Homes HD Club met Jan. 7 in the John Vardell home. Linda Webb, home demonstration agent, gave the demonstration on "Color Schemes for the Home". Attending were Mmes. Bernard Barnes, Jimmy Cummings, Gordon Cummings, Oscar Mullins, W.E. Sparks, Don Hendricks, Burton Schubert, Fred Groves and F.B. Schubert.

Annual Business Meeting Held by 20th Century Club

Members of the Twentieth Century Club met Thursday, Jan. 7 in the home of Mrs. Wesley Garnett for an annual business meeting. Mrs. D.E. Spoonmore, president, presided and new officers were elected. Co-hostesses for the meeting were Mrs. Guy Fuller, Mrs. Tom Sutton, Mrs. O.C. Holt and Mrs. Garnett. Refreshments were served from a table covered with a white cloth and centered with an arrangement of fruit in a bowl flanked by candles in gold holders. The unusual arrangement, all in gold, was a handmade Christmas gift received by Mrs. Garnett. Mrs. O.C. Holt presided at

the coffee service and Mrs. Guy Fuller served the cake. The program, "Why We Have a Council of International Clubs" was presented in an interesting manner by Mrs. G.R. Kilgore. Attending the meeting were Mmes. H.H. Cheavlier, Carl Archer, Jack McWhirter, C.A. Kleeberger, Joe Traylor, O.C. Holt, Wesley Garnett, Tom Sutton, Johnny Lee, Olin Sheets, G.R. Kilgore, Guy Fuller, C.U. Pope, E.D. Mundy, Woodville Jarvis, Deta Blodgett, J.R. Keim, Fred Holt, W.J. Massie, J.W. Davis, J.R. Stump, P.A. Lyon, Nolan Holt, R.C. Porter, Pete Fisher and Everett Tracy.

Bridal Shower Is Courtesy For Miss Roxie Eaton

Roxie Eaton was honored Saturday afternoon with a bridal shower in the home of Nicki Keyser. Miss Eaton was presented

with a white carnation corsage by the hostesses, Mrs. Bill Gaither, aunt of the honoree was a special guest. The serving table was covered with a white linen cloth and was centered with an arrangement of white carnations. Appointments of silver and crystal completed the setting. Punch, cake and cookies were served to the guests. Misses Toni Morgan, Nicki Keyser, Nancy Wilmeth and Cindy Henderson presided at the serving table. Hostesses for the courtesy were Misses Carol Close, Nicki Keyser, Toni Morgan, Nancy Chick, Cindy Henderson, Patty Heidelberg, Penny Gaither and Sue Stubblefield.

Birthday Dance To Honor D'dee Collard; March of Dimes Drive Will Benefit

Mr. and Mrs. George Collard are honoring their daughter D'dee at a teenage dance on her sixteenth birthday on January 16 at 7:30 p.m. in the Spearman Community building. All high school and teenagers are invited. D'dee has requested that

no one bring gifts. Instead, if anyone wishes, they may make a contribution to the March of Dimes to help in the fight against birth defects. George Wilhite, popular radio announcer and local DJ of KBMF-FM radio station will

spin the records and chat with the young people during the evening entertainment. There will be plenty of refreshments. D'dee says, "Come on kids, let's show the OLD FOLKS how to put this March of Dimes campaign over the top."

Farm Specialist Speaks To Young Farmers Tonight

Linear Farm Programing will be discussed at the Young Farmers and Ranchers Organization meeting tonight at 7:30 p.m. in the High School Vocational Agriculture Shop in Spearman.

James Murphy, Area Farm Management Specialist, will discuss this method of farm planning.

The new farm group was organized here this year with Doug Moore as President, Jimmy Greene as Vice President and Claude Pearson, Secretary.

It cooperates with the Future Farmers of America organization and high school agriculture teachers, Jerry Jackson and Jerry Felder act as advisors for the group.

Agriculture education is the purpose of the organization and thus far this year there have

been programs on midge control, beef futures and beef cattle sickness and control.

All farmers and others are invited to attend the meeting and all young men between 18 and 35 are invited to join the group.

Dropouts Problem In Mexico

As with some educators in the United States, officials in Mexico's National Association of Education Technicians also are worried about the "dropout" rate.

The association said primary school dropouts ran an annual 77 per cent in the 1946 to 1951 period and still was up to an "alarming" 70 per cent.

The latter percentage, the association asserted, referred to pupils quitting early—in a year or so—after starting their primary education in urban schools. The association said the dropout rate in rural schools often ran as high as 98 per cent.

Association figures showed that overall, 10 per cent of all pupils enrolling in primary schools in 1961, 1962 and 1963 quit after the first year of instruction.

Future Readers of The Plainsman

Mr. and Mrs. Aubrey West from Beaver, Okla. are the parents of a son, Billy Lee, born Jan. 5 weighing 8 lbs. 5 oz.

Mr. and Mrs. Richard Laudick are the parents of a son, born Jan. 8 weighing 5 lbs. 12 1/2 oz.

Mr. and Mrs. Kenneth Wayne Coates are the parents of a daughter, Brenda Collier born Jan. 11 weighing 7 lbs. 11 1/2 oz.

Mr. and Mrs. Archie Johnson from Gruver are the parents of a daughter, Georgia Michelle, born Jan. 9 weighing 6 lbs. 7 oz.

Mr. and Mrs. George Warren Davis from Gruver are the parents of a daughter, Margaret Yvette, born Jan. 8 weighing 6 lbs. 5 1/2 oz.

Mr. and Mrs. Charles Loyd Kerbo of Hitchland are the parents of a daughter born Jan. 12.

Mr. and Mrs. Harvey Purcy are the parents of a son born Jan. 13.

Southern U. S. factories produce 77 per cent of all wood bedroom furniture.

WATCHING--Phyllis Patterson (12) looks back over her shoulder to see if her lay-up shot goes in the basket. Vicki Wilde and Karen Gibson race in for a possible rebound while Stinnett guards wait, also. Spearman won the district game.

Plainsman Photo

HANSFORD HOSPITAL NEWS

Patients in Hansford Hospital this week are Pauline Macartor, Hartley Simmons, Lorraine Davidson, Paul Owens, Roy Halford, Jean Purcy and son, Jenny Kirbo and daughter, John Hutchison, Marie McCown, Sandra Collier, Marie Coates, Ella Cypert, Clif Overton, Lola Sutton, Newell Allen, Josie Hayes, Bob Hayes, Bud Beeson.

Dismissed were Margaret Johnson and daughter, Earl Archer, Reba Hunter, Vonda Keim, Shirley Sevane, Ruth Gumfory, Linda Osborn and daughter, George Willhite, Lottie Nolder, J.E. Busch, Carolyn Pearson, Laura Short, Sheryl Harris, Lois Hull and daughter, Linda West and son, Betty Mitchell, Irene Laudick and son, I.V. Pierce, Liza Seider, Lucille Crossland, George Stone, Cleo Walker, Inel Walker, James Ownbey, Samuel Ortego, Steve Mayhall, Nell Frame, Kate Gray, Nick Nemsgerm, Jesse Tompkins, Mary Davis and daughter and Colleen Coates and daughter.

Containers Oversize For Cabinet Shelves

It's no news to housewives who buy large economy sizes, but the Home Makers Guild of America has discovered that an eight-inch higher container will not fit into 56 per cent of the medicine cabinets in American homes, and that oversize containers of products ordinarily kept in a medicine cabinet are kept in 22 other locations in the home.

Data processing comes up with the information that the American medicine cabinet has an average of 3.3 shelves, that the bottom shelf is about 7 inches high and the upper shelves 5 inches. Average width is 15.5 inches and depth, 4 1/2 inches.

Indoor Plants Beautify Decor

Many tropical plants are brought north to decorate the indoors with flowers and foliage. Some of these are brought outdoors in summer, but most of them remain indoors all-year. Included are gardenias in the flowering plants, others are purely for foliage.

Foliages range from the large-leaved Ficus, or fig, Philodendrons, variegated Dracenas, small palms, spotted-leaved Godseffiana and hundreds of others. Lemon and orange plants make fine decorations.

The indoor decor of many homes can be given an air of luxury by use of tropical plants, which come in many sizes, from those costing only a comparatively few cents up to several dollars or more. Tropical plants are available at many nurseries.

Idea for Ham Kebobs

When you want to use ham for kebabs, alternate the meat on skewers with pineapple chunks and green pepper slices.

Cornmeal Mush, Bacon

Easy brunch course; broil slices of molded cornmeal mush with bacon and apple rings.

Pecans, Walnuts Best

When recipes for cakes and cookies call for "nuts," it's well to use pecans or walnuts.

Grated Parmesan

Ever add a little grated Parmesan cheese to an olive oil and vinegar dressing for tossed green salad? That addition of cheese is many a good salad cook's special secret!

Pepper for Beefsteak

Pound coarsely crushed black pepper (use the heel of your hand for the "pounding") into thin tender beefsteak and pan-fry in butter.

Aluminum Takes Heat

Aluminum and stainless steel cooking utensils reflect heat. Thus, they require a hotter temperature than glass, porcelain enamel or cast iron cooking ware, according to the Gas Appliance Manufacturers Association which recommends lowering the oven temperature 25 degrees when baking with pans other than steel or aluminum.

KITCHEN 'ISLAND'

The popular trend to "open" kitchen design has brought a new idea to kitchen planning—the free-standing unit, or "island." Use of the free-standing unit often adds new counter-top and storage space.

COLOR CUES

While gay splashes of bright colors are becoming increasingly popular throughout the home, there is still a need for soft pastels. In the bathroom, for example, soft pastels are always in good taste.

TO FRESHEN WOOL

To remove wrinkles, crush marks and cigaret odors from sweaters and other woollens, put them into the dryer with two or three damp sponges and tumble. No heat is necessary.

Extra Shortening

When baking powder dough is to be used for apple dumplings, it's a good idea to add extra shortening to the dough.

A bachelor is a man who didn't have a car when he was in college.

WEEKEND VISITORS

Weekend guests of Mr. and Mrs. Vernie Rosson were Mr. and Mrs. Roger Williams of Lindsay, Okla. They also visited with the Ted Berrys in Texhoma, Okla.

Fifty years ago minding one's children really did not mean obeying them.

Oldtimer: One who remembers when "working mother" meant a woman with a lot of kids.

Hansford Farm News

News From The

County Agent

By Robert Adamson

In a household that uses gas or electricity, can the husband still be raked over the coals?

4-H LIVESTOCK PROJECTS

4-H members of Hansford County are busy feeding and grooming their animals for the Hansford County Stock Show which will be held in Gruver March 12. The following 4-H members are feeding calves; Spearman 4-H Clubs—Jerry and Roy Hawkins, Bonnie and Scott Vernon, Bailey Lee Patterson, Glen Mackie, Roy Clay Jackson, Jo Linda Lee; Morse 4-H Club—The McCloys—Mark, Doug, Bill, Allen, Monte, Delbert and Cheryl, Alva Henderson, Wade Parks, Jerald Ray, Roy and Johnny Scribner; Gruver 4-H Club—Dwight Gillispie, Genna Green, Davy Barkley, Mike and Alfred Ralston, Angie Cator, Ginger Hart, Wes Maupin and Joe Dondlinger.

Lamb feeders are Beverly and Gary Heath and Andy Hoel of Gruver.

Swine feeders—Ben and John Wheeler, Kelly Rosenbaum and Bailey Lee Patterson of Spearman.

This makes a total of 29 calves, 3 lambs and 4 pigs that Hansford County 4-H members will show.

PHOSPHORUS

With green grazing becoming limited, beef cattle producers need to give special consideration to supplying phosphorus for their herds. This mineral is deficient at times in all sections of Texas, with late summer, fall and winter being critical periods in all areas.

Cows fed phosphorus supplements where the deficiency occurs may average as much as 200 pounds heavier than those not receiving the supplements, says Uel D. Thompson, Extension animal husbandman, Texas A&M University. Calves may weigh 50-70 pounds more at weaning age, calf crops can be increased as much as 30 percent and cows may conceive earlier after calving.

Practical methods of supplying phosphorus to range cattle include soluble phosphorus in drinking water and phosphorus supplements in mineral feeders.

Where the water supply of cattle can be controlled, adding phosphorus to the water may be the most satisfactory method, points out the husbandman. Monosodium phosphate may be added to water troughs by hand, while there are automatic dispensers which add the desired amount of mineral solution to a given amount of water.

Where the mineral is added by hand, recommendations generally call for one-fourth ounce of monosodium phosphate per eight gallons of water or one-fourth ounce per head daily. A stock solution of two-and-one-half pounds of this phosphate per gallon of water or 100 pounds to 40 gallons of water is recommended when using an automatic dispenser. This machine automatically proportions the mineral to the water.

Sheltered mineral feeders offer protection from wind and rain and thereby lessen waste. The weathervane type is satisfactory if kept level and treated with a rust preventive, says Thompson. Having the feeding trough 12-18 inches above the ground will permit calves free access to the minerals. The feeding box should be divided so that only salt may be supplied in one compartment and additional minerals in the other.

A mixture of one part salt and two parts steamed bone-

meal by weight is recommended for self-feeding where phosphorus is highly deficient. Half and half mixes are best under borderline conditions whereas bonemeal without salt is recommended in saline areas, as in sections of the Gulf Coast. Where salt is fed in mixtures to control protein supplement intake, bonemeal should be fed alone.

Additional information on phosphorus and other minerals needed by beef cattle is available at the county Extension office.

Tax Return Should Be Filed Today

If you are a farmer who earned at least two-thirds of your 1964 gross income from farming, you should file your estimated 1964 Federal income tax return on or before Friday, January 15, 1965, according to Hubert B. Hamill, Administrative Officer of the Amarillo office of Internal Revenue Service. You should use 1040-ES in filing this return.

However, you do not need to file this estimate if you file your final return on Form 1040 and pay in full any tax due by February 15, 1965.

"Farmer's Tax Guide" which furnishes detailed information on this subject, is available upon request from the Internal Revenue Service.

Holt News

Mrs. Phil Jenkins was hostess to a surprise housewarming Tuesday afternoon Jan. 5 honoring Mrs. Shirley Sealey. Gifts were received by the honoree and refreshments were served to Mmes. Wesley Jenkins, Owen Pendergraft, Richard Gaines, C.W. Kirk, Travis Reger and Dale and Maude Rosson.

Mrs. Pate Grigsby of Amarillo was Tuesday luncheon guest of her sister, Mr. and Mrs. Wesley Jenkins.

Friday night dinner guests of Mrs. Maude Rosson were Mr. and Mrs. Eldon Smith and family of Spearman.

Mrs. Martha Batton returned home Thursday from a two weeks vacation visiting her daughter, Mr. and Mrs. Dorman Sims and family of Minot, N.D., and also other relatives in Oklahoma City.

Weekend guests of Mr. and Mrs. Owen Pendergraft were Mr. and Mrs. Gerald Gray and Loretta of Ulysses, Kans., Mr. and Mrs. Eugene Ottaway of Tyrone, Okla. Saturday the Ottaways left by jet from Amarillo to Australia to spend a couple of months with their son and family, who is in the air force.

Mr. and Mrs. John Campbell transacted business, visited relatives and friends in Mangum, Okla. and also attended graveside services for a friend Mrs. Lizzie King Wednesday.

Mr. and Mrs. Charles Davis spent a week visiting relatives in Tucumcari, N.M., Tulia and Lockney.

SCD Having Tour Of Dam Site

The Hansford Soil Conservation District is sponsoring a tour of the Canadian River Dam Friday, January 15.

The tour will be organized at Cedar Lanes Bowling Alley in Borger at 1 p.m. The tour will begin at the dam site at 2 p.m.

Construction is scheduled to be completed this spring so this will be the last chance to see the dam before completion.

Everyone is invited to attend.

Monday night guests of Mr. and Mrs. Gordon Parrish were their son and his family, Mr. and Mrs. Jerry Parrish from Salida, Colo.

Mr. and Mrs. James Cummings visited in Panhandle over the weekend with her parents, Mr. and Mrs. J.O. Murray.

Mr. and Mrs. Harold Groves recently returned home after traveling by train to Northern Indiana to visit her parents, Mr. and Mrs. Noble Rouch of Lakesville, Indiana.

In Training--Bud Williamson, shop foreman at North Plains Truck and Implement, tries some new tools at the International Harvester Training School in Amarillo recently. The course was on diesel engines and hydraulics.

Williamson Completes Factory Course At International Harvester School

Bud Williamson of North Plains Truck & Implement, has just completed a factory training school of three days at Amarillo. This was held at International Harvester Company and was conducted under the direct supervision of Dan E. Dunscomb, IH District Service Supervisor.

The course of instruction covered the subjects of hydraulics and diesel engine service, plus shop manage-

ment.

The purpose of the school was to provide specialized education on farm tractor service so that tractor owners can secure the most efficient operation of their tractors.

Williamson became acquainted with new servicing techniques on the new International Harvester tractors and took refresher training for service work on previous mod-

els. He also worked with new shop equipment so that he could quickly and efficiently diagnose engine troubles.

This training is a part of the annual program which is presented by International Harvester Co. so that its field representatives and dealers service men can maintain their education at a high level and provide the very best in tractor service to their customers.

Discover the difference in the '65 Chevrolets (As different from other cars as they are from each other)

CHEVROLET—As roomy a car as Chevrolet's ever built. Chevrolet Impala Sport Coupe

When you take in everything, there's more room inside this car than in any Chevrolet as far back as they go. It's wider this year and the attractively curved windows help to give you more shoulder room. The engine's been moved forward to give you more foot room. So, besides the way a '65 Chevrolet looks and rides, we now have one more reason to ask you: What do you get by paying more for a car—except bigger monthly payments?

Corvair Corsa Sport Coupe

CORVAIR—The only rear engine American car made.

You should read what the automotive magazines say can touch its styling. They say if you haven't driven a new Corvair Corsa with a 180-hp Six Turbo-Charged! think there's nothing else this side of the Atlantic that you just don't know what you're missing.

Drive something really new—discover the difference at your Chevrolet dealer's

Homemaking Notes

by Linda Webb
 HD Agent

As 1965 rushes in and meets us head on, there are several activities in which homemakers of the area will be interested.

An illustrated fashion lecture entitled "Be Your Own Designer" will be presented in Spearman by Miss Helen Wright, special field representative for Simplicity Pattern Company, New York City.

Miss Wright will present 17 complete costumes in newest spring styles, explaining sewing techniques used on new fabrics, and styling techniques.

Local homemakers will serve as models for the fashion show.

This program will be presented for your enjoyment and information, free of charge, Tuesday, Jan. 19, in the Spearman High School auditorium at 2 p.m. All interested homemakers in the area are invited, including visitors from outside Hansford County.

Rebecca Hutchison, daughter of Mr. and Mrs. Dwight Hutchison, returned this week from San Marcos where she competed in the State "Make It With Wool" contest. Although she was not one of the two winners at state, she reports having a very valuable learning experience in attending the state contest.

To continue my subject from last week on duties and responsibilities of club officers, I would like to talk about secretary-treasurers.

Your job consists of the following things, and perhaps others your club expects of you.

1. Keep records of the club.
 2. Keep roll and record of attendance. Announce the subject of roll call before you begin.

3. Keep and write minutes; read them at each meeting. Minutes should include the following items for most efficient use: (1) kind of meeting (2) name of the organization (3) date and place (4) who presided and who was secretary (5) whether minutes of the previous meeting were approved as corrected (6) name of person who made each motion (7) what disposition was made of the motion (8) signatures of secretary and president (after approval).

4. Write letters for the club and compile club reports; Correct procedure says that the secretary may remain seated when calling the roll, but should stand while reading the minutes.

The treasurer, of course, receives the club money and arranges for its safe keeping. He pays bills authorized by his club, and keeps a record of money that may be examined at any time. A treasurer's report should be given at each meeting, and an end-of-year report be made.

Complete records should show about each transaction; the date; to whom paid or from whom received; for what; and, how much.

Treasurer's books do not have to be kept elaborately, but the above information recorded about each bit of money taken from or put into the club treasury will eliminate many questions and mathematical headaches in the long run.

Next week, hints for club reporters.

A thought: The post office effort to speed the mails certainly get results. Bills are coming faster all the time.

Alaska, as well as Continental United States, is divided into four standard time zones.

Gooney birds are believed to be the most fearless animal on earth.

Atlantic City resorts entertain 16,000,000 guests a year.

Social Calendar

THURSDAY, JANUARY 14, 1965 Rho Rho Chapter of Beta Sigma Phi will meet at 1 p.m.

FRIDAY, JANUARY 15, 1965 The Arts and Craft Guild will meet at 2:30 p.m.

SATURDAY, JANUARY 16, 1965 A birthday dance honoring D'dee Collard will be given by her parents, Mr. and Mrs. George Collard at the Community Building at 7:30 p.m. All high school students and teenagers invited. Donations may be made to the March of Dimes.

MONDAY, JANUARY 18, 1965 Xi Zeta Chapter of Beta Sigma Phi will meet at 9:30 a.m. in the Farm Bureau Building.

TUESDAY, JANUARY 19, 1965 An illustrated fashion lecture will be presented by Miss Helen Wright of the Simplicity Pattern Company in the high school auditorium at 2 p.m.

The Town and Country HD Club will meet at 2 p.m.

THURSDAY, JANUARY 21, 1965 The Jaycees will meet at 6:30 a.m. at Grunewald's Restaurant.

The Happy Homes HD Club will meet at 3 p.m.

March of Dimes Tot Fights Back

INSPIRING MILLIONS of volunteers working across the nation in the 1965 March of Dimes campaign is self-reliant Mickey Heinicke, 4, Denver, Colo., born with birth defects of open spine and excess water on the brain. Above, the pretty National March of Dimes Girl dutifully practices her exercises directed by Lou Shannon, physical therapist. Left, Mickey plays a solo game of soccer to improve her sense of balance and strengthen her legs. Some 250,000 infants are born yearly in U.S. with serious birth defects. Contributions to the March of Dimes support research and treatment centers seeking cause and cure of these cripples.

dians and sage brush."

TAX ESTIMATES DUE -- R. L. Phinney, administrative officer of the Internal Revenue Service, reminds farmers and ranchers that Friday, January 15, 1965, is the final day for filing their estimated Federal income tax returns for 1964. That is unless they have arranged to file their final return on or before February 15.

Phinney said that farmers and ranchers who do file estimated returns on January 15 and pay the tax due on the estimate have until April 15 to file final returns and pay balances of taxes due.

Tax law defines a farmer or rancher as one who earns two-thirds or more of his gross income from farming or ranching.

OPTIMISTIC NOTE FOR OILMEN -- Dr. Robert B. Williamson, research associate with UT's Bureau of Business Research, says Texas oil producers have grounds for cautious optimism concerning 1965.

He notes that while mid-December stocks of Texas crude were at the lowest point in 16 years, prospects for greater demand were in view. State crude oil production allowable for January was raised to the highest level in two years.

Williamson reports that the U. S. Defense Department, an important oil and gas customer, plans to increase its military purchases of petroleum fuels by three per cent during the fiscal year ending in June, 1965.

He points out that crude production rose one per cent the first 11 months of 1964, and oil and gas well completions also were up fractionally.

INAUGURAL INVITATIONS -- Some 40,000 Texans have received invitations to the two big state political-social events of the season -- the gala Democratic victory dinner on January 25 and the inauguration of Governor Connally and Lt. Gov. Preston Smith on January 26.

Party leaders hope to set new attendance and financial records at the \$25 a plate dinner.

Speaking will be limited to a minimum for political functions, probably confined to Connally, Smith and House Speaker Byron Tunnell.

Inauguration ceremonies will be simple and brief.

REDISTRICTING DELAY? -- High Texas political leaders have not given up on thwarting federal court-ordered legislative redistricting on the basis of population alone.

Connally, Smith and Tunnell all have made known their support of efforts to amend the U. S. Constitution permitting state senates to be selected with consideration given to geography, as well as head count.

Tunnell was chairman of the resolutions committee, at the recent General Assembly of the States, which called on all states to petition Congress for a constitutional convention on reapportionment.

Look for two resolutions to be introduced on this subject during the 1965 session of the Texas Legislature.

One will call for a constitutional convention to consider an amendment reserving to states the right to determine makeup of their subordinate political subdivisions.

Another version may simply urge Congress to submit such an amendment for ratification by three-fourths of the states.

Actions by 34 state legislatures would be necessary to require Congress to call a federal convention. Apparently, a simple majority vote of Congress could set the convention in motion. A two-thirds majority in Congress is necessary for outright submission of an amendment to the states.

Under a federal court decision, Texas lawmakers have an August 2 deadline staring them in the face for completion of legislative redistricting.

HIGHLIGHTS AND SIDELIGHTS

From The State Capitol

AUSTIN -- Just one year and four months ago, the state law establishing the office of Regulatory Loan Commissioner -- called the "Loan Shark Law" -- went into effect.

Opening of that state office marked the end of more than 36 years of legislative battles over regulatory control of loan companies.

Actually, that part of the law which provides for the licensing of those making loans of \$1,500 or less, once they meet rather rigid licensing standards, didn't become effective until December 23, 1963.

Since that time, some 1,800 loan offices have been licensed. Commissioner Frank Miskell says that 22 examiners have made a thorough check of the books and records of 724 offices.

Also, the agency's enforcement division has investigated 154 complaints by individuals against lenders. According to Miskell, 72 of the complaints involved alleged overcharges or refund shortages. But most of the investigations revealed that borrowers had not been overcharged. "They just woke up to the high cost of borrowing money."

Forty of the complaints involved charges of harassment or unreasonable collection efforts. Investigation of these led to the discovery that some complaints were unjustified. Also, some were beyond the jurisdiction of the Loan Commissioner. These have been referred to district courts.

Other complaints ranged from hip-pocket (unlicensed) lenders to concealment of facts that should have been revealed in license applications. At the close of the agency's first year of operation, all but four of the cases were classified as "settled."

Miskell says that the "big

ones" -- the complaints that will be subject to public hearings and possible revocation of license -- will be coming up early in 1965.

EGG PRODUCERS GET REMINDER -- Agriculture Commissioner John C. White reminds egg retailers and industry men that after January 1 all egg containers must bear the license number of the grader-packer.

Number identifies eggs and fixes responsibility for grading or labeling violations, White said. Also it is aimed at preventing out-of-state firms from shipping eggs into Texas without paying required fees.

Producers who sell eggs from their own flock on an ungraded basis do not have to have a license number.

New provision of the law was passed by the Texas Egg Marketing Advisory Board last summer. License numbers were assigned on September 1 when the annual re-registration period began.

BOB HOPE TALKS TEXAS -- A special premiere of a film designed to tell the "true story" of Texas will be held in Austin on January 13, when "Bob Hope Talks Texas" will be shown to Gov. John Connally, members of the Legislature and other State officials.

Film was produced through efforts of the Texas Industrial Commission. It was financed by 14 industries and chambers of commerce. Purpose is to sell persons in other states and other countries on Texas and its business, industry and tourist attractions.

E. B. Germany, chairman, said the commission hopes that the film will have some impact on plant location decisions -- and that it will "hit at the image that Texas is all cowboys, in-

Money Returns Depend On Way You Irrigate

Many farmers over the irrigated belt of Texas have been watering their crops for years. James Valliant, Water Engineer for the High Plains Research Foundation, reports there is a large difference in the returns due to the way a farmer irrigates his crops.

Valliant's research has proved that time of irrigation on the crops grown in this area is more important than just putting on water. Due to the physiological growth of plants, there are times when the water is more beneficial than at other times. Proper timing of irrigation in balance with the correct fertilizer level appears to be one of the answers to maintaining high yields on less water and added income.

James states that high yields alone might not make the most money. With his research at the High Plains Research Foundation, James is working toward the most economical return per dollar invested. With this in mind, Valliant's research is

geared toward developing the highest practical irrigation efficiency in the production of crops.

Irrigation methods developed by the Foundation are based on the stage of growth of the crop and its water requirement at that stage. This along with the proper fertilizer balance will give the farmer the highest return in net dollars with grain sorghum. Plots with additional irrigations had higher yields, but lower net returns.

The Foundation's irrigation research program under Valliant has been extended to cover all of the principal crops grown in Texas. With each of the different crops timing of the irrigation water has made the difference of profit or loss.

"If we as farmers wish to maintain our present high standard of agricultural economy, we must get the maximum efficiency from our ground water for irrigation," Jim Valliant says. "This would mean to maintain a practical effi-

Lynxettes Double Score Of Stinnett Rattlerettes

The expected close contest with the Stinnett Rattlerettes failed to materialize as the Spearman Lynxettes rolled to a 48-24 win here Tuesday night.

Spearman started slow as the forwards had trouble finding the range, but guards Bethany Donnell, Susan Hutchison and Robbie Ownbey held the speedy Stinnett forwards to two points during the first quarter, then Vicki Wilde and company started the scoreboard to clicking.

Wilde carried the scoring punch the first half with some fine close in work with her hook shots. She led the scoring with 22 points.

Stinnett's small, fast team kept the Lynxettes scrambling

all the time. Their guards stopped Phyllis Patterson cold the first half allowing her only two points. She began rolling the second half and collected 18 points for the night.

Spearman was leading at the quarter points, 7-2, 28-10 and 32-19.

The victory gave the Lynxettes a solid grip on first place in the district race, having now beaten all the teams once by one-sided scores.

The game had been close all the way, but Spearman had managed to have the lead at the half and at the end of three quarters. The quarter scores were 10-10, 23-20 and 38-36.

Both teams hit 20 field goals and Spearman had the best free throw average by making 6 of 12. However, Stinnett

Last Second Goal Beats Unlucky Lynx

A long, last second shot which bounced around on the rim until after the buzzer stopped, then fell in, gave the Stinnett Rattlerettes a 46-48 win over the Spearman Lynx here Tuesday night.

The game was tied 46-46 with 45 seconds left in the game. Stinnett took the ball down court and started working for the last shot of the game. Just before the buzzer sounded Kenneth Plumlee got a shot off from outside the free throw circle.

The horn sounded as the ball was in the air, it bounced on the rim twice, rolled around the rim, then fell in for the winning points.

William Blackshear and Guymon Phillips led the Stinnett and game scoring with 13 points each. Bob Phillips was high point man for Spearman with 12.

got more chances and made 8 of 17 for the difference in the score.

Spearman committed 14 fouls to Stinnett's nine and Spearman's Ken Shufeldt fouled out of the game.

In the last three minutes Spearman built up a 44-40 lead, then let it slip away. Stinnett went ahead 46-44, but Lynx Bob Phillips tied the score with a good fake around his defender for a close in lay-up shot. It was then that Stinnett got the last and winning shot.

State to Lure Winter Tourist

AUSTIN, Jan. 6 Texas will try by newspaper and radio advertisements to get a bigger share of the midwestern winter vacation market.

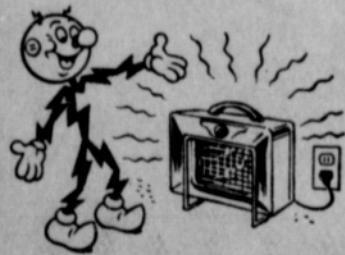

The State Tourist Development Agency Wednesday an-

nounced plans for a six-week advertising campaign, concentrating on Chicago, St. Louis, Cleveland, Cincinnati and Detroit. It will start next week.

Texas ranks fourth in the nation, behind Florida, California and New York as a winter vacation spot, the agency said.

Cost of the program is set at \$13,245.

Warm up those hard-to-heat areas with a Portable Electric Heater!

Whenever you need extra warmth for comfort, a portable electric heater quickly banishes the chill. Just plug it in, flip a switch and bask in radiant, sun-like electric heat. A portable electric heater is ideal for warming up hard-to-heat areas on extra-cold days . . . or for quick comfort in places like a garage workshop where other heat is not available. Move it from place to place as needed. No plumbing or venting needed. See your appliance dealer soon for a portable electric heater and have extra warmth when you need it this winter . . . electrically!

KARR SERVICES HELD

Funeral services for Frank Karr, Sr., of Morse were held at the First Baptist Church Friday afternoon with Rev. Harold Fleming conducting the services.

Mr. Karr died in Northwest Texas hospital in Amarillo early Wednesday morning.

Survivors include his wife, Luella; two sons, Ronald of Pueblo, Colo., and Frank, Jr. of Gruver; one daughter, Mrs. Thel Fern Ausmus of Pueblo, Colo., four sisters and a brother.

Pallbearers were Lloyd Cole, Grant Miner, Gerald Scribner, L.M. Womble, Tom Birch and Perry Dixon.

Burial was in Leib cemetery.

Johnny Brumley, superintendent of Morse school, attended the Administrators Advisory Conference on Education held in Austin last week.

Morse basketball teams entered the Canadian tournament last weekend and lost their first games to Wheeler. In the second round, the boys won over Higgins by two points and the Morse girls lost to Higgins.

Mrs. Roy Jones and Mrs. A.M. Putman and Mrs. J.D. Hance from Perryton spent last Monday in Amarillo.

Mr. and Mrs. Clyde Whitehead, Jr. visited Sunday afternoon in Dumas with Mr. and Mrs. Gene Humphreys.

by four points. This put the Morse boys in the consolation finals against Canadian. Canadian proved too much for the Mustangs.

Morse junior high will enter the Springcreek invitational tournament this weekend. Hard luck has struck the Morse boys again as Mark McCloy cracked his arm Saturday and will be out of action. Earlier in the season the same thing happened to Bobby Nye.

Mr. and Mrs. Terry Cave and children of Amarillo have been visiting in the home of his sister and family, Mr. and Mrs. Harold Fleming.

Larry Kelly left last week to enter the armed forces. He was sent to Ft. Polk, La.

Mr. and Mrs. Bill Knight of Stinnett were visitors in the home of Mr. and Mrs. Lex Board Tuesday night.

Mr. and Mrs. George Cator of Nara Visa, N.M. visited with the Wilson McCloy's Sunday afternoon.

Ray Lanners recently graduated from recruit training at Naval Training Center in San Diego.

Mrs. Ella Parks and Mr. and Mrs. Ernest Leib went to Big Springs on Saturday to attend the funeral of a relative.

Friday afternoon a group of ladies surprised Mrs. Effie Jarvis of Pioneer Manor Rest Home in Spearman with a birthday cake and party. Mrs. Jarvis was observing her 91st birthday. Those attending the party were Leslie McCloy, Lily Johnson, Mary Gillispie, Maudie Henderson, Besse Henderson and Verna Jarvis.

Drinking And Driving Don't Mix Any Time

AUSTIN, TEX. — One of the major factors contributing to motor vehicle fatalities and accidents during the Christmas-New Year's holiday season is drinking and driving, the Texas Safety Association reports.

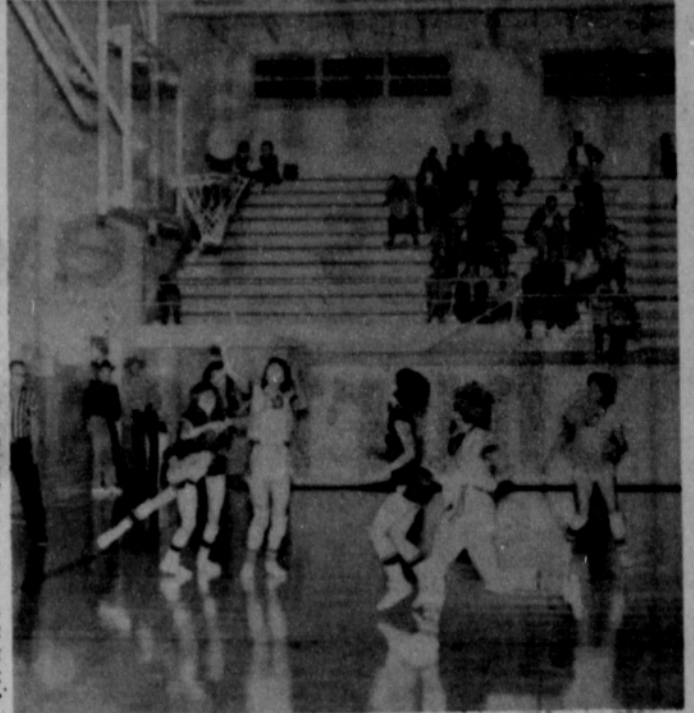

"This fact is borne out by studies of many accidents. One survey shows drinking drivers are involved in more than half of the fatal Christmastime accidents. During the balance of the year, they are involved in about one out of three," J. O. Musick, TSA General Manager, said.

"Many persons have the idea that a few drinks will not affect their driving ability. This is not true. The scientific fact is that the critical judgment of a driver and his ability to react quickly in emergencies are seriously impaired after only a few drinks."

He pointed out that while a very intoxicated person may be able to perform the mechanical functions of driving, such as starting a car, getting it going and steering it, he does not have the judgment and the reflexes to do these things safely—even after a few drinks.

"When alcohol enters the stomach in the form of a beverage, it is absorbed through the walls of the stomach and the small intestine into the blood stream. The blood carries the alcohol to all parts of the body which contains water, including the brain," he explained.

"In the brain, alcohol first depresses the area of higher functions, which includes judgment, social restraint, etc. Next, it attacks the simple motor functions, reaction time and vision. Balance, coordination and sensory perception are the next faculties to be impaired. Concentrated drinking will eventually lead to stupor, coma and

TWO OF 22--Vicki Wilde has two Stinnett guards standing on one foot as they watch Vicki shoot from the side. Wilde scored 22 points as Spearman won the district game. Plainsman Photo

even, if continued steadily, death."

Contrary to popular belief, coffee or other stimulants will not overcome the effects of alcohol. Only time and body processes will accomplish this. The most important factors contributing to alcoholic influence are the amount of alcohol absorbed into the blood and the amount of time allowed for the elimination of this alcohol.

The liver is the organ of the body which breaks down the alcohol into usable food. Alcohol is also eliminated through the lungs and kidneys. This combined process takes about three hours for each ounce of pure alcohol. In terms of the usual intoxicating beverages, it takes about one hour to elimin-

Orange Cranberries

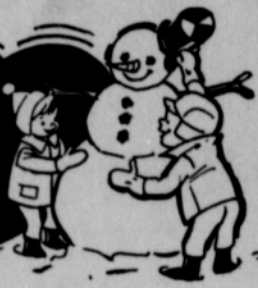

Give a can of whole cranberry sauce a fresh flavor by adding a ground whole orange to it. Wash the orange, quarter and remove any seeds before putting through the food chopper. After you mix together the cranberry sauce and orange allow the flavors to blend for several hours before serving.

ate each bottle of beer or each ounce of whiskey.

The more alcohol there is in the blood, the longer you must wait until you can drive safely.

The normal driver's chances of having an accident are increased with each additional drink taken within a given time period.

Party at Garnett Home Honors Bill Greenway

Bill Greenway was honored Saturday night with a surprise "going away" party in the home of the Wesley Garnett's. Hostesses for the occasion were Lynn Garnett and Carla Archer.

Refreshments of cookies, sandwiches, punch, various candies and relishes were served to the guests.

The group played games and comedy films were shown.

Attending were Barbara Kitchens, Janie Beck, Katy Archer, Linda Spoonemore, Jean Harbour, Kay Schroder, David McClellan, James Schnell.

Eastern Star Has Meeting

The Spearman Order of the Eastern Star held a regular meeting January 1 in the Masonic Hall.

Mrs. James Sparks conducted the business meeting.

Nineteen members were present for the meeting.

Gary Cates, Doug Lackey, Phillip Renner, Monte Black, Lonnie Morris, Randy Moore, Rennie Berry, Glen Blodgett, Steve Jordan, Jerry Holton and the hostesses.

Bill and his family plan to move to Hugoton, Kans. within the next few days.

Rebekahs Have Call Meeting

The Spearman Rebekah Lodge #290 held a call meeting Jan. 5 in the IOOF Hall.

Caro Lee Frantz, Noble Grand, conducted the business meeting. One new member, Kenneth Longley was initiated.

Certificates of Perfection were presented to Thelma Kenny and Helen Condo.

Refreshments were served to Caro Lee Frantz, Ruth Caro, Inez Holland, Sylvia Wilcox, Lou Ethel Ellsworth, Deanna Kenny, Thelma Kenny, Jackie Hall, Dorothy Longley, Iva Longley, Zina Longley, Helen

Lee Richardson, Pioneer Resident Dies in Granite

Funeral services were held Friday in Granite, Okla. for Lee Richardson of Granite and formerly of Spearman who died Wednesday, Jan. 6. He would have been 101 years old in June.

Mr. Richardson was the grandfather of Mrs. Ted Berry of Texhoma, Okla., the former Laura Ann Dodson of Spearman.

A pioneer resident of Hansford County, Mr. Richardson homesteaded at Old Hansford in 1901. In order that his daughter could go to school, the family moved to Goodwell, Okla. in 1910 where he owned and operated a general store. He later served as Deputy Sheriff and City Marshall in Texhoma, Okla.

In the late twenties, Mr. Richardson moved back to Spearman where he made his home with his daughter, the late Mrs. Isa Dodson.

Condo, Lois Gaither, Barbara Fickling, Ina Mae Hughes, Kenneth Longley, Sam Condo and Harold Fickling.

Miss Nancy Wilmeth Is January Girl of Month

Miss Nancy Wilmeth, daughter of Mr. and Mrs. Ernest Wilmeth, has been chosen January Girl of the Month by the Kimberly Junior Woman's Study Club.

Miss Wilmeth is an active officer in both Pep Squad and F.T.A. Other activities include society editor for the

school paper and a member of Howard's Pen House. Nancy is a member of the First Methodist Church of Spearman.

Her hobbies include painting, cooking and collecting rocks.

Nancy spends most of her time at lab practical. "I believe the system of setting up night study halls was the most favorable asset Spearman has ever accomplished."

Miss Wilmeth's future plans upon graduating are to attend Sam Houston State Teachers College and major in elementary education.

Scout News

Brownie Troop 253 met at Girl Scout House Tuesday, Jan. 12 at 3:30. The Brownies met in Brownie ring and held a business discussion, an activity period and worked on trefoil plates.

Rhonda Jones served refreshments to Vicki Crawford, Debra Davis, La Donna Day, Mary Lou DeArmond, Gena Field, Pam Frye, Karon and Sharon Hamilton, Katrina Kelp, Marcia Larson, Michele Mackie, Rita McMahon, Theresa Pearson, Dixie Sheppard, Linda Sutton, Brenda Thomas and Leaders Jo Larson and Mary Jane DeArmond.

Women's Bowling Tournament Set

The Hansford County Women's Bowling Association will hold their Fifth Annual Bowling Tournament Feb. 12, 13 and 14.

Entry forms are now available at Bowl Mor Lanes. Dead line for returning entries is midnight, Jan. 29 so plan to enter now and get your entry forms to City Association Secretary, Joyce Jones, 821 Townsend, Spearman.

Grain Sorghum Research Report Given for 1964

Seventy grain sorghum hybrids were tested and compared in the research program at the High Plains Research Foundation in 1964, with testing under the supervision of Barry Love, associate agronomist.

Of these hybrids, 34 were of equal value in yielding ability, and among these 34 hybrids ranged from 7,165.4 to 6,286.6 pounds per acre. These 34 hybrids are the largest number to be listed as of equal value in any year since research began at the Foundation. This shows an increase in the number of grain sorghum varieties found to be acceptable for high and profitable yield in West Texas.

Testing of grain sorghum for the various commercial seed companies started in 1960 with 52 hybrids and varieties. The test has grown to seventy in 1964.

The information on the seventy entries in the hybrid grain sorghum tests and the 2, 3, 4, and 5 year average yields will be included in the 1964 research report now being prepared for the supporters of the Foundation. The chemical composition of the grain will also be reported for each hybrid.

There were eight hybrids that had a four-year yield average of above 7,000 pounds per acre. Four hybrids also averaged above 7,000 pounds per acre in the five-year yield record at Halfway.

"The grain sorghum testing program is a service performed for the seed and grain industry and farmers to provide information on the hybrids best adapted to the area. If farmers will select the best adapted hybrids for their individual farming operation. It will greatly increase their profits." Dr. Earl Collister, Director of the High Plains Research Foundation, said in commenting on the research results.

A Heartbroken Mother Asks, 'WHY?'

Why was my baby born defective? Why was this precious gift of life denied?

One in every ten American families experiences the suffering caused by the birth of a seriously defective child. So many of these babies die. So many are disfigured or crippled for life. So many are clouded in mind.

This is a national tragedy. It must be stopped. You can help by giving to the March of Dimes to support research and treatment.

Adults Classed as Superior Students

BLOOMINGTON, Ill. Adults may take more time to learn than do children, but their maturity, background and experience make them better students, a leader in the field of adult education pointed out in an address here.

Dr. Eugene I. Johnson of Washington, executive director of the Adult Education Association of the United States, addressing training directors of an insurance firm here, advised teachers to take into account individual differences and increased maturity of adults.

Ever baste ham that is being baked with apple juice or cider?

Lonely Ones Urged To Say It in Plastic

IBIZA, Spain —Officials of a campaign to keep the beaches clean have asked lonely women not to toss bottles into the sea with romantic notes inside.

The bottles, it is pointed out, frequently break on the rocks, and the broken glass is dangerous on the beaches. From now on, plastic bottles will be available for such purposes.

JEST A MINUTE

Conscience is that still small voice that quells a wicked thought, then adds: "Besides, you might get caught."

MOD Art Sale Set January 24

One of the largest art sales in local history will be staged here, Sunday, Jan. 24, for the March of Dimes.

Dord Fitz has donated some of his work for the sale. Fitz is a national known artist and has been teaching classes here for several years.

Local artists who have donated include Mildred Hindergardt of Gruver, Blanche Fuller, Ruth Skinner, Anne Archer, Hazel Gibner, Nelda Sheets, Margaret Womble, Charlene Bullis, Freda Sheets, Laura Pearson, Ruth Bryan, Beth Phelps, Ruth Hutton, Lemmie Russell and Vera Beth Hicks.

The art will be sold at the radiothon for the March of Dimes.

Dorcas Class Has Social

The Dorcas Sunday School Class of the First Baptist Church held its monthly social Monday night in the Hospitality Room of the First State Bank.

Ernestine Gray spoke to the class on the Girls Auxiliary work.

An Indian theme was carried out in room decorations. The serving table was centered with teepees and various other Indian pieces.

Sandwiches, cake and punch were served.

The Indian theme was also used in the games played the following: Dorleen Burrell, Doris Holdeman, Wanda Winer, Patsy Choate, Don Helms, Wanda McIver, LeAnn Smith, Ann Frye, Ernestine Gray, Wanda Brown, Mari Straw, Edith Ann Cage and Denham.
