Second Bond Issue Planned

Rites Held Tuesday For John B. Berry

Funeral services for John Benjamin Berry, 56, a Spearman businessman, were con-

ducted at 2 p.m. Tuesday in the First Methodist Church.

Services were conducted by the Rev. Charles Gates, pastor of the church. Burial was in Hansford Cemetery with Boxwell's in charge of arrangements.

Mr. Berry drowned Saturday afternoon while on a fishing trip to Foss Lake near Clinton, Okla. He and Virgil Mathews were on the trip together.

The two men had returned to shore in their boat and Mathews went to get the car. When he returned, Mr. Berry was floating in the water. The coroner ruled the cause of death as drowning.

Mr. Berry was born Dec. 21, 1906 in Cheyenne, Okla., the son of Mr. and Mrs. Samuel T. Berry. He came to Spearman 27 years ago and had operated a dry cleaning business here since that time.

He was a member of the Methodist Church and the Masonic Lodge.

Survivors include his wife, Carrie Marie; a son, Mike of Odessa; three brothers, Bryan and Joe of Cheyenne, Okla., Tom Berry of Los Angeles; two sisters, Mrs. Allie Belle Maddus of Cheyenne, Okla., and Mrs. Ruby Douglas of Placencia, Calif.; and five grandchildren.

Board Hires 2 Teachers Monday Night

Two new teachers were employed in the Spearman Public Schools this week to replace two teachers who resigned at mid-term.

Terry Schneider of Darrouzett was hired to teach Algebra I in High School. He replaces Mrs. Brad Beedy who taught the first semester.

Schneider is a mid-term graduate of Southwest Oklahoma State. His major subjects in college were math and physics.

Miss Nancy Rae Kirk of Cashe, Okla., was employed to replace Miss Norma Thorpe as a commercial teacher.

She is also a graduate of Southwest Oklahoma State and her college majors were business and physical education.

Rhonda Riley

Young Pioneer Ready For Fort Worth Show

When the pioneer costumed women of the Rolling Plains Mule Train ride in the giant opening parade for the Southwestern Fat Stock Show in Fort Worth next week, a two-year old veteran of wagon train travel will be right with them.

Two-year old Rhonda Riley will be costumed right down to the high button shoes, but she will have to watch her skirts to keep from showing the tops of her shoes. Young ladies are larger now than they were sixty years ago, so Rhonda cannot button the top two buttons of her shoes.

While the dress and bonnet Rhonda wears are just copies from by-gone days, the shoes are straight from Old Hansford, by way of Brandt's store.

Rhonda's grandmother, Mrs. Earl Riley, found the old shoes in some of the old stock left in the Brandt store building. The store had been operated at Old Hansford and later Spearman by the late Fred Brandt.

The young mule train member is the daughter of Mr. and Mrs. Barton Riley. Her parents are members of the organization and Rhonda has been traveling by wagon since she was a baby.

Last year she traveled 1200 miles in the wagons and 500 of these were on the 32 day trip to Graham. Then, she was less than two years old.

On the trip she slept in the wagons all but two nights.

Those were the nights the train was in a storm at Jacksboro and she and her mother stayed in a motel.

During the 32 days in the wagon last summer Rhonda spent most of her time playing and sleeping while her mother drove the team. This year when the wagon train goes to Oklahoma City and the opening of the National Cowboy Hall of Fame, she will be able to drive. Her daddy has taught her to drive the mules during the past year.

In Fort Worth next week the men and women of the mule train will be featured in the parade and in the opening of the first performance of the rodeo.

Approximately 20 women will be in costume and riding on a Tally-Ho, which is about the same as a stagecoach. The men will all be riding mules. Because of the distance, none of the wagons will be taken to Fort Worth.

Last year the train group was featured in the parade and rodeo, then was on two different television programs.

Wagon training is great fun for Rhonda now, it will also give her something unique to talk about in years to come. In the year 2,000, while zooming across the country by rocket, how many other 38-year old mothers can tell their children about taking 32 days to travel from Spearman to Graham in a wagon train.

Spearman School District voters are going to be asked to vote on a \$360,000 school improvement bond issue sometime in the near future.

The new, and larger bond issue was decided Monday night after the board went over the recommended improvements for the Junior High and Elementary School.

These improvements and renovations of the entire old school building were recommended by architect John Work after he made a complete study of the building.

On Dec. 19, voters turned down a \$250,000 bond issue for

repairs of the Junior High, paving and lawn work at the high school and a new athletic field.

Besides the remodeling of the Junior High and Elementary building, the board will again submit to the voters the question of a new athletic plant, paving and planting the lawn around the new high school building.

A majority of the board approved the calling of the second bond issue. Jack Lovett opposed the second bond issue.

Lovett favors making the improvements, but he contended that an equalization of taxes within the district would provide enough money for the improvements to be made over a three year period. He said this would save the taxpayers of the district the interest on the bonds.

Lovett made a motion asking for a referendum on equalization of taxes to be placed on the ballot. This motion died for the lack of a second.

In the coming election the bond questions will be presented to the voters in three separate questions. Remodeling and repairing the Junior High building, \$180,000; paving and lawn seeding and watering equipment at the High School, \$62,000 and a new athletic field, grandstands, practice field and dressing rooms, \$118,000. This will make the total bond issue \$360,000.

The school trustee election was called for April 4, the first Saturday. This year there will be three board members elected.

Members finishing their terms are Jack Lovett, Dr. D.E. Hackley and Lloyd Buzzard.

Persons wishing to seek a place on the school board may file at the School Business office in the High School building.

Two Injured In Car Wreck

Two persons were injured when their car struck several head of cattle on the farm-to-market road south of Spearman about 7 p.m. Sunday night.

Injured were Mr. and Mrs. Pedro Garcia who live between Halfway and Cotton Center in Hale County.

The attending physician said Garcia received a laceration on his chin. His wife was the most seriously injured with severe lacerations around the face and head, a broken nose, multiple contusions and bruises on the legs.

Mrs. Garcia apparently hit the windshield of the car in the crash.

Garcia said he was meeting a car and it dimmed its lights and he dimmed his, when he saw the cattle on the road, he was too close to stop.

Four animals were killed in the wreck and others were crippled so bad they had to be destroyed.

There were three children in the car with Mr. and Mrs. Garcia and none of them required treatment.

Garcia was treated and released from the hospital. Mrs. Garcia was hospitalized overnight for observation.

City Hires New Manager

Spearman now has another City Manager.

Darce Forshee, 38, of Boise City, Okla., was hired Monday night by the City Council to replace Kenneth Conroy.

Forshee is City Manager and Manager of the Utilities in Boise City. He was City Manager in Sunray before going to Boise City three years ago.

The new manager and his family will be moving to Spearman in the near future.

Conroy will move to Weatherford, near Fort Worth, Jan. 29, and assume the duties of City Manager there on Feb. 1.

Last week in a story in this paper, the City Manager's salary was incorrectly listed as \$10,000 per year. The correct salary is \$675 per month and \$100 per month car allowance, for a total of \$8,300 per year and the manager furnishes his own car.

In other business the council amended the animal control ordinance. The amended ordinance allows officers to file charges on dog owners who allow their dogs to run loose.

Prior to the ordinance change the animal control officers had to catch the dogs and place them in the dog pound before the owner had to pay for getting the dog out of the pound.

Two Drives Set Sunday

A double-barrelled March of Dimes fund raising campaign will be staged here Sunday afternoon with the annual Mothers' March and the Radiothon auction of merchandise and paintings.

The Radiothon and talent show will be staged in the High School Auditorium and the show is open to the public who would like to attend.

The show and auction will be broadcast on Spearman radio KBMF-FM and there will be a battery of telephone workers to take bids on items offered.

The show will begin at 1 p.m. and will last most of the afternoon, or until all the merchandise is sold.

The Mothers' March will begin at the same time with members of the two Beta Sigma Phi chapters and other volunteers. (Con't on page 2.)

SHATTERED STUMP— This was all that was left of a telephone pole at the corner of Kenneth and Collard Streets Tuesday morning. The pole was struck by a car and broken off. The two men in the car were not injured. (See story inside.) Plainsman photo

Young Homemakers Learn How To Be Better Hostess

The Young Homemakers Club met January 12 in the social room of the Home Economics Dept. Refreshments were made by the Home Economics girls and the FHA girls took care of the children.

Penny Pearson, president, conducted the business meeting.

Plans for a pot luck supper to be held Feb. 4 in the Home Economics Dept. with the Young Farmers Club were discussed.

Several recipes were handed in which may be picked up at local grocery stores.

The program "Being A Better Hostess" was given by Linda Webb, Home Demonstration Agent.

Attending were Georgia Gaither, Patsy Gates, Joan Gilley, Dorothy Groves, Frances Hudson, Vera Longley, Penny Pearson, Marilyn Groves, Verna Word, Isabelle Marshall, Sandy Russell, Wanda Schubert, Dadeeda Bruce and the guest speaker, Miss Linda Webb.

The next meeting will be February 9 at 2 p.m. in the Home Economics Dept. The program will be on "Good Grooming". A nursery will be provided.

Hearron Infant's Funeral Held

Graveside rites were held Wednesday in the Gruver Cemetery for Lucy Ann Hearron, infant daughter of Mr. and Mrs. Calvin Hearron of Star Rt., Guymon, Okla. Rev. Paul De Wolfe of the Assembly of God Church in Gruver officiated.

The baby died Tuesday, January 19. She is survived by her parents, and nine brothers and sisters.

Hall Rites Held In Oklahoma

Funeral services for Mrs. A. W. Hall, 62, were conducted at 2 p.m. Thursday, Jan. 14, in the First Baptist Church of Morris, Okla.

Burial was in the Senora Cemetery in Henrietta, Okla.

Mrs. Hall died at 10:15 p.m. Tuesday, Jan. 12 in her home at 204 East C. Ave., in Spearman. She had lived here five years.

Survivors include her husband of the home; and children, Mrs. Lee Moss of Dumas, Mrs. Junior Jacobs, Jr. of Morris, Okla., Mrs. Charles Dorton of Randlette, Okla., M.B. Hall of Lindsey, Okla., and D.L. Hall of Spearman and 11 grandchildren.

Mothers To March Sunday Afternoon

Beta Sigma Phi would like to announce that the Mother's March of Dimes will be conducted Sunday, Jan. 24 in connection with the local radio auction, which is also slated for that date.

The Mothers March was postponed last Sunday due to the untimely death of John Berry, Spearman businessman.

Club members will be stopping at your door that afternoon to ask for contributions, which will be used not only for polio victims, but also for re-

search and treatment of birth defects.

The drive will begin at 1 p.m. and members hope you will be ready to make any contribution that you can.

This drive is conducted annually, and for many years Beta Sigma Phi has helped with this portion of the activity.

Powell Rites In Amarillo

Funeral services for Don Michael Powell, 29, of Amarillo, were held Tuesday afternoon in Amarillo. He was the grandson of Mrs. R.W. Morton of Spearman.

Services were held in Boxwell's Ivy Chapel with the Rev. Barrett T. Moore of the First Christian Church officiating.

Burial was in North Lawn Memorial Gardens in Dumas.

Mr. Powell died Sunday night in St. Anthony's Hospital. He had been in ill health since Thanksgiving.

Mr. Powell was born in Spearman and was graduated from White Deer High School, Amarillo College and West Texas State University. He received his master's degree in physical education at WTSU in August.

He was a coach and teacher at Ropesville High School.

Survivors are his mother, Mrs. Lorene Powell of Amarillo; his father, John R. Powell of Dumas and his grandmothers, Mrs. Lula B. Powell of Dumas and Mrs. Morton of Spearman.

Mr. and Mrs. J.L. Brock visited last week in Lubbock with Kenneth Wilson and with Mr. and Mrs. Mike Garnett.

Gruver HD Begins Year

The Gruver Home Demonstration Club met for their first meeting for the year January 15 in the home of Mrs. Esther Dahl.

The meeting was called to order by President Nell Chockley. Vice president Nell Finney gave the devotion.

The club decided to sponsor a fun night for Spanish Americans at a future date.

Agent Linda Webb showed colored slides and spoke on color schemes in home decorating.

Refreshments were served to two guests, Mmes. Glen Harris and Ben Harris and members, Mmes. Mary Te Beest, Jennie Te Beest, Nell Finney, Margaret Ralston, Nell Chockley, Gwen Walker, Agent Linda Webb by the hostess.

The next meeting will be Friday, Feb. 5 in the home of Mrs. Mary TeBeest.

Gale winds range in speed from 39 to 46 miles per hour.

The Wabash River was named for the Indian word "ouabache" meaning white.

Alarm Schedule

Spearman is going to have a noon whistle beginning Monday.

Beginning Monday the fire alarm will be sounded at noon each day. The alarm will give one blast to signal the noon hour and also drills for the fire department.

The schedule of signals is one blast for noon and drills, two blasts for fire outside the city limits, three or more blasts for a fire in town.

Blackhawks Overpower Lynx

Larry Lewis poured in 33 points as the Phillips Blackhawks toyed with the Spearman Lynx 80-54 here Tuesday night.

Using the fast break, great shooting by Lewis, and a pressing, pushing defense, the Hawks dominated the game after the first quarter.

Spearman started off with the Hawks and mid-way of the first quarter the Lynx were leading 12-8.

Phillips turned on the pressure, Lewis went to shooting and Spearman was not in the game the rest of the way.

The quarter scores were 21-14, 41-26, and 58-40.

Ken Shufeldt led the Lynx scoring with 16 points and Jim Kirkland was right behind him with 14 points.

Sunday the Mothers' March was held in Gruver and women collected \$706.45 with more pledged.

Locally a birthday ball for D'dee Collard raised \$30 and the Rainbow Girls Kidnap Coffee made \$20.

The merchandise donated by merchants may be seen in the old Chambers Dry Goods building on Main Street. More merchandise is being given by Gruver merchants and a large number of pies and cakes have been promised by local cooks.

This year the March of Dimes has helped two children born with birth defects. The organization helped finance the open heart surgery for Bethany Day and it is now helping with the expenses for the Erickson baby from Gruver.

The small baby was taken to the children's hospital in Galveston and now it is helping to get it into a home at Bangs, Texas.

Does Whip Lynxettes

Years of frustration for the White Deer Does were re-vengeed Monday night as they soundly whipped the Spearman Lynxettes 51-31 in White Deer.

For several years the Does have had strong teams contending for the district title, only to see the dream destroyed by the Lynxettes.

This year White Deer is back in Class A, but the victory was nonetheless sought by the Carson County girls.

Cindy Hubbard led the Does to victory with a sizzling 27 point production.

Spearman could not hit the bucket from the field or the free throw line. At the half Spearman was trailing only four points. The Lynxettes missed five straight ones and one free shot just before the half.

At the end of the third quarter White Deer had added three more points to the lead and were ahead 30-23. In the final quarter White Deer rolled in 21 points and Spearman got eight.

None of the Lynxettes were in foul trouble and only 11 infractions were called on Spearman. White Deer committed 17 miscues.

Phyllis Patterson was the only Lynxette to get into the double figures on the scoreboard. She hit 17 points on four field goals and nine free shots.

Mrs. Jack Crowl was hostess to the Morse HD Club Thursday afternoon. Business consisted of filling out the new yearbooks.

Miss Linda Webb, HD agent, presented the program "Color Schemes in Home Decorating."

DEMONSTRATION

The state winning 4-H electric demonstration team, Sylvia Parks and Suzanne Dixon of Morse, presented their demonstration at the area sales meeting of Southwestern Public Service held in Amarillo Thursday.

The girls were guests of the company during their stay in the city.

While attending the meeting, the girls met a former home demonstration agent of Hansford County, the former Vivian Vance who now works as a home economist for Southwestern Public Service in Lubbock.

CONTESTS

Leaders, parents and 4-H club members of this community are actively engaged in preparing for the annual demonstration contests. The county eliminations will be held in March and the district contest is scheduled for April

3 in Canyon.

Those signing up for contests in the Morse Clubs include in the junior division, Derrel Hext, individual soil and water conservation; Steve and Rex McCloy, team soil and water conservation; Mark and Nancy McCloy, field crops; Wade Parks and Carolyn Henderson, safety; Johnny Scribner, Monte McCloy and Jimmy Womble, rifle team. There are several other junior members who are undecided as yet about the contests.

Every member of the Morse Junior Leaders is participating on a team, either demonstration or judging. Included are David Johnson, Alan Dixon, Delbert McCloy and Gerald Ray Scribner, soil judging; Mike Johnson, Bob Womble, Alva Henderson, Philip Fleming, rifle team; Susan Graves and Patricia Henderson, safety; Suzanne Dixon and Sylvia Parks, cooperative; Bill and Allen McCloy, beef cattle business; Doug McCloy and Roy Scribner, farm and ranch management; Evelyn Kelly, money management; Elaine Kelly, public speaking.

Mrs. D.M. Womble, Mrs. Ella Parks and Mrs. Mack Dortch went to Amarillo Monday to visit with Mrs. Womble's mother, Mrs. H.I. Gay.

Mr. and Mrs. Thane McCloy and family went to Friona Sunday to attend the funeral of Jack Shirley who was killed in an auto accident. Thane and Jack were friends when both served in the armed forces.

Mmes. Earl Henderson and Besse Henderson were Amarillo visitors Monday.

Allen McCloy and O.E. Hext went to LaJunta, Colo. Sunday on business.

A number of Lions and their wives attended the mid-winter conference activities held at Borger last weekend. Among them were Don and Barbara Dees, Linda and Grant Miner, Margaret and L.M. Womble, Paul and Juanita Preall, Bobbie and Charles Reid, Ray and Gretchen Alexander, H.B. and LaVerne Parks, Lloyd Poole, Perry Dixon, the Dan Ruttmans, Willard McCloy.

A farewell social honoring the Earl Jasper family was held at the Community Building Sunday night following church services. A large number of

THE WAY I SEE IT

Robert Cordes, Pastor

Oslo and Faith Lutheran

Here's a riddle: What is beautiful and ugly, happy and sad, angry and calm, friendly and hateful, kind and selfish? Give up? It's a mirror.

When we look into a mirror, we can see all sorts of expressions--from one face! We would often be surprised at what we see if someone held a mirror in front of us all day. It's foolish to forget what we look like when we are angry or cross.

But how much more foolish it is to forget that we are God's children and need to live according to God's commandments. The Bible says, "If anyone is a hearer of the Word and not a doer, he is like a man who observes his natural face in a mirror . . . and goes away and forgets what he sees." (James 1:23-24)

One of the purposes of God's commandments is to act as a mirror for us. We often forget what we look like to God. He gave us His Law to show us how ugly we look when we don't do His Will.

Of course, the mirror can't change the looks on our face. And God's commandments won't change us, either. But the Lord Jesus changes all who believe in Him--not all at

once, but the more we hear of Jesus' love for us, the more the Holy Spirit helps us be like Him.

When that happens, we start being "doers of the Word." We begin to live lives that really look like the lives of God's children.

Does God's Word, His mirror of the Law, reveal beautiful and ugly, happy and sad etc. on your face?

Dear God, for Christ's sake who died on the cross, remove my ugly sins. Help me to live more and more like Jesus.

Food Group

Makes Desserts

The third year foods group from the 4H Clovers met with the fourth year foods group of the Lively Lassies for a lesson on Frozen Desserts.

One group made "French Vanilla Ice Cream" and the other made "Whipping Cream Ice Cream".

The nutrition and ways of serving ice cream were studied.

Present were Lynna Mackie, Cindy Hutchison, Cathy Mackie and Rebecca Hutchison.

The moon's path around the sun is a sinuous curve.

Group Visits

Local Gin

The Town and Country Business Group of the Lively Lassies 4-H Club visited the local North Plains Cotton Gin Friday Jan. 15. Mr. R.V. Arrington, the ginner, explained the various processes from the removing of the hulls and seeds from the cotton bolls to the final completion of the bales. The group learned that this is a cooperation business owned by the local farmers. This was a new experience as none of the group had ever been in a cotton gin before.

One inch of rain on one acre amounts to 27,143 gallons.

600,000 Bales Added to Cotton Surplus

Cotton growers of Texas and the nation will add an estimated 600,000 bales to the carryover on August 1, 1965. This, points out John G. McHaney, Extension economist, Texas A&M University, will bring the national carryover to an estimated 13 million bales, the largest since the record carryover of 14.5 million bales in 1956.

And, continues the economist, the large 1964 crop will likely offset the high disappearance expected during the period from August 1964 to July 1, 1965.

Lower net costs of upland cotton to domestic users, resulting from legislation enacted last April, were cited as contributors to the expected domestic use of 9.7 million bales during the present crop year of 1964-65. This is 1.1 million more bales than were used in 1963-64 and the largest domestic usage since 1950.

Per capital mill consumption of cotton for 1964 was up about 8 percent from 1963. But, points out McHaney, cotton's share of the total fiber consumption showed a slight decline to a low of 55 percent.

U.S. exports of upland cotton for the 1964-65 season are expected to total 5.2 million bales, compared with 5.7 million for the 1963-64 season but above the average for the past four years. McHaney believes exports will hold at the high level due to the continued upswing in foreign free world consumption. But, he adds, foreign free world cotton production for 1964-65 set a new record and thus, will make more competition for U.S. producers.

Farm prices for cotton in recent months have been trending downward to reflect the 2.4 cents per pound reduction in the 1964 support price. For the 1965 crop, the basic support price for middling 1-inch cotton, gross weight, at average location is 29 cents per pound.

Officials Expect Good Screwworm Eradication Again

Screwworm eradication officials are looking forward to another successful year for the program, although many stockmen feel last year's results leave little room for improvement.

Only 65 Texas counties were reported to be infested by the livestock pest in 1964, and only 223 cases were discovered. In contrast, during 1963, a total of 4,916 infestations was detected in 182 counties, while 49,484 cases occurred in 242 counties in 1962.

New Mexico had only 14 outbreaks last year compared to nearly 1,500 the previous year. Oklahoma, Arkansas and Louisiana had no infestations during 1964.

Eradication program pilots flew nearly 2.7 million miles in dispersing approximately 4.7 billion sterile screwworm flies in Texas, New Mexico, southeastern Arizona and along the border in Mexico. Sterile flies, reared in a huge plant near Mission, mate with native flies and prevent production of offspring.

Eradication activities have reduced annual losses to Southwestern livestockmen from \$100 million to less than \$1 million since the program began in February 1962.

Officials think they can reduce losses even more in 1965 by strengthening the barrier zone between the United States and Mexico where screwworms

Farmers who plant within their domestic allotment will be eligible to receive an additional payment of 4.35 cents per pound on their farm's normal cotton yield, as determined by

the county ASCS committee. The national acreage allotment for the 1965 crop of upland cotton has been set at the statutory minimum of 16 million acres.

News From The

County Agent

By Robert Adamson

Men work at it but finally reach the conclusion it's impossible to be healthy, wealthy and wise all in one lifetime.

WINDBREAK TREES

The deadline for ordering trees for windbreaks from the Texas Forest Service is Friday, February 12. The forms for ordering trees are available in my office.

DEMONSTRATION

Farmers and ranchers having trouble with prairie dogs, gophers and coyotes should keep in mind the date of Wednesday, Feb. 17. A field demonstration

will be given that date, weather permitting, on the proper way to use poison baits in controlling these pest. The place has not been set yet but you will receive more information on this at a later date.

LEADERS' LABORATORY

May 3 thru 8 will be important days--The Southwestern Recreation Leaders' Laboratory will be holding its 15th Annual Meeting. These dates are coming to your attention now, in order that you may reserve these days on your new 1965 calendar. As a leader for youth or adults, this can be the most stimulating and informative session of the year.

Opportunities for expert training in the direction of recreational activities are rare, so the Southwestern Recreation Leaders' Laboratory was organized for this specific purpose. You will receive experience in leadership, group singing, crafts, games, folk and square dancing, camping techniques, party and ceremonial planning, and the discussion of the philosophy and problems of recreation; as well as inspiration and relaxation.

Any adult will receive invaluable help in all phases of recreation--especially as a leader in Campfire Girls, Boy Scouts, Girl Scouts, Parks and Recreation Groups, 4-H, Church Groups, Summer Camp Staff or Community Center Work and "Y's."

The Laboratory will be held at Arrowhead Lodge Assembly, Glorieta, N.M., approximately 25 miles from Santa Fe on paved road. The facilities are exceptional--with comfortable craft rooms; a beautiful assembly hall for folk and square dancing, parties, and other recreational activities; and numerous rooms for discussions and committee meetings. All cabins are completely modern, with gas heaters. A fishing stream is just four miles distance.

The entire cost of the "Lab" is \$35.00! This fee includes meals, lodging, insurance, all instructions, as well as a notebook containing material on all activities during the sessions and instructions for all the crafts and the dances. This notebook will be an endless source of reference.

For further information, check with Mrs. Jackie McLeroy, 611 W. Andrews, Dimmitt, Texas.

Neither man was injured when their late model car failed to make the S corner on Collard and broke the telephone pole.

The car spun around and, according to Police Chief Wayne Pierce, skidded 133 feet after hitting the pole.

General Telephone repairman Lawrence Fryer said the break did not disrupt telephone service even though the lines were broke. The circuits are on microwave now. Three months ago the break would have knocked out all long distance service for Spearman and Perryton, Fryer said.

The accident happened about 5 a.m. Tuesday.

Homemaking Notes

by Linda Webb
Home Demonstration Agent

The County Home Demonstration Council meets Tuesday, Jan. 26, for its first meeting of 1965. The meeting will be in the Home Demonstration Club Room at 2 p.m. Visitors are always welcome to visit the council meetings.

What is Home Demonstration Council? The council is made up of representatives of each Home Demonstration Club in the county, who bring their ideas for furthering and coordinating Home Demonstration work in the county.

The H.D. Council acts as a means of communication between the six Home Demonstration clubs in Hansford County; between the clubs and the agent, and between the clubs and various other groups and individuals interested in the objectives of the Extension Service. Council is an advisory committee to the club on matters concerning the Home Demonstration clubs.

Officers for the 1965 County Home Demonstration Council are Mrs. Claude Jackson, chairman; Mrs. L.W. Rosenbaum, Secretary; and Mrs. W.B. Barnes, treasurer. Advisor for the County Council is the Home Demonstration Agent, who is responsible for technical training relating to all areas of homemaking for all interested homemakers in the county.

Of course, the invitation is always out to anyone who is interested in joining a home demonstration club to contact the agent or any member of the H.D. Clubs.

We have been discussing duties and responsibilities of club officers this month. This week, I will talk to club reporters.

Reporting is work; but, it will pass if the reporter will be sure to get in the MUST-the 5 "W's"—Who, What, Where, When, Why.

The local newspaper editor wants to print items about local people, what they are doing and planning to do. He depends on you for news about your club.

Every meeting of your club is material for a news story, but not everything done at the meeting is news. Pick out the things that were different about the particular meeting: Who were the speakers? What did they say? Has anything important happened since the last meeting? What important things did the club decide to do? Who were new officers elected? New members?

Don't confine your stories to

meetings. If any member of your club has done something outstanding, interesting or unusual, write a story about that. Variety is the spice needed for news stories.

Here are some points to keep in mind in writing up your story: Write in the third person. Don't express personal opinion. Local names add interest. Life and reality to the story. Write simply—don't ramble. Many times extra words can be left out, or one word used in place of several.

For example, use only the word "January" instead of "In the month of ---". Another example: the following phrases mean as much, have more force when the words in the parentheses are omitted: all the (different), first (of all), in (the year) 1949, for (a period of), (in the) meantime.

Write the story legibly or type it, using double spacing and plenty of margin room.

Give full names of people, and get to your item as soon as possible. Keep it news, don't make it history.

Good reporting takes practice, but it can get to be a habit if practiced correctly.

One last thought: The successful housewife is one who makes no mistakes she can't either pour mushroom soup on or slipcover.

Club Meets At Pioneer Manor;

Alaskan Missionary Is Guest

Both Spearman Good News Bible Clubs met Friday Jan. 15 in Pioneer Manor with 21 children, 6 teachers and hostesses, and 11 senior citizens present. Mrs. Winene Nimmo of

Alaska conducted the singing service. Mrs. L. Venia Thompson of Morse reviewed the children with visualized Bible verses. Mrs. Beth Dortch brought the visualized flannography of Esau and Jacob.

Mrs. W.D. Coates and Mrs. L.M. Womble were recognized as hostesses for the clubs. The classes meet each Friday from 4 to 5 p.m. Anyone interested is urged to attend.

Mr. and Mrs. Fred Nimmo, missionaries in Alaska, are visiting her parents, Rev. and Mrs. W.S. Herring.

B&PW To Hear Mrs. R. E. Lee

The Business & Professional Women's Club will meet Thursday, Jan. 21 at 7:30 p.m. in the hospitality room of the First State Bank.

Mrs. R.E. Lee will give the program on her trip to the Holy Land.

All members are urged to attend and bring guests.

Parrises Host

Couples Bridge

Bob and Mary Kathryn Parris were hosts Wednesday night, Jan. 13 to the Couples Bridge Club.

Bobby and Kay Nollner won high and Tommy and Nelva White won the traveling prize.

Attending were Bobby and Kay Nollner, Tommy and Nelva White, Lawton and Deloris Guthrie, Zack and Textie Fisher, Bill and Verna Strawn and the hosts.

Social Committee Hosts

Xi Zeta Upsilon Luncheon

Members of Xi Zeta Upsilon, Beta Sigma Phi, met Monday, Jan. 18 in the Farm Bureau building at 9:30 a.m. for a quail luncheon. Hostesses for the event were members of the social committee, including Elvonna Davis, Betty Brown, Helen Etter, Mona Beth Windom, Pat Donnell and Elsie Mathews.

Elsie Mathews, president, conducted the business meeting during which time plans were made to conduct the Mother's March of Dimes Sunday, January 24. Club members are to meet at the principals office at the high school at 1 p.m. on that date to begin their march.

Following the business meeting, a program on tole painting was presented by Elsie Mathews and Ruth Bryan. Elsie showed members how to prepare wood

and tin for tole painting with Ruth demonstrating the actual painting. Members were given brushes and participated in painting leaves and fruits.

At noon a delicious luncheon of quail, wild rice, tossed salad, deviled eggs and hot bread were served to Helen Watson, Barbara McClellan, Ruth Skinner, Gertrude Jones, Joyce Lackey, Elsie Mathews, Elvonna Davis, Betty Brown, Elaine Floyd, Ruby Lair, Dorcas Collard, Elizabeth Holton Helen Etter, Pat Donnell, Nelda Sheets; honorary members: Maude Mathews and Christine Rossion.

Mrs. Dick Doyle from Gruver and Mrs. Larry Porter and Pam from Amarillo visited here Saturday with Mr. and Mrs. Ray Moore.

The trip to Boys Ranch for the basketball games last weekend was well worth the time and effort. I'd heard of Boys Ranch for years, but this was my first visit.

Cal Farley's dream for homeless boys and those who need help is beautifully situated down in a little valley, once the site of Tascosa, then the only town on the west side of the Panhandle.

The old Tascosa courthouse is still a part of Boys Ranch but that's about the only thing old we saw on the premises. The basketball games were played in a new and very beautiful gymnasium in a building that also houses an indoor swimming pool and a wrestling arena. There were numerous new and remodeled dorms scattered around and a very modern school.

The appearance of Boys Ranch is not its most impressive quality though. It is the well mannered behavior and eager friendliness of the boys who call the ranch home.

Maybe they're on their best behavior for visitors, but I was very impressed by a little boy who looked like he might be a first grader who stopped dead still in front of us, smiled, looked up at Burl and said "Hello, Sir".

You just don't hear that from many first graders anywhere anymore.

I found the funniest grocery list last Saturday at the grocery store. It was written on the back of a check, just like mine was, so when I saw it I reached down automatically, thinking I had dropped my list. On it were written all the usual things you might imagine, flour, milk, h.b. and h.d. buns, cereal and bread. At the bottom of the list, in a different and obviously much younger hand, was "candy".

It probably didn't fool whoever was doing the shopping, but I hope it worked. I can remember doing that a few times myself and the trick is to make the writing look so much the same that your mother doesn't even notice it wasn't her own reminder.

Every year about this time, as we clear away the Christmas cards, we're left with six or eight albums of cards to throw away.

They are beautifully bound and hold all kinds of pretty cards. If you know of any use for these I'd welcome the chance to get rid of them without burning them this year.

If you've noticed, all we've read the past few weeks on the society pages has been what everyone important was planning to wear to all the inauguration activities.

I thought "Senator Soaper" had the cleverest comment about the parties involved with the inauguration. He said "The women's pages frequently feature ideas for original parties. What we would like to have would be a few ideas for entertaining about ten couples of Republicans on inauguration day."

Karen Rhea Honored At Surprise Shower

A surprise lingerie shower honoring Karen Rhea, bride elect, was given Jan. 17 in the home of Mrs. Billy Apple. Hostesses were Miss Winnie Boy, and Mmes. Leon Wilson, Jim Beeson and Roy Boyd.

Attending were Mmes. David Turner, Richard Nicholson, Gene Rex, Jim Beeson, Billie Rhea, D. ve Hand, Jr., Roy Boyd, Leon Wilson, Billy Apple and Winnie Boyd.

Mr. and Mrs. L.S. McLain returned home Monday after traveling extensively through the South and visiting in Nassav. The McLains' had been gone since December 19.

Mr. and Mrs. Johnny Barrier and family visited relatives in Vernon over the weekend.

Dorcas Class Meeting Held

The Dorcas Sunday School Class held a class meeting Tuesday morning in the home of Edith Ann Cage.

Donna Helms presented the devotional and Martha Straw gave the monthly report.

Refreshments of cake, coffee and tea were served to Wanda McIver, Wanda Widener, Martha Straw, Kitty Cook, Donna Helms, Ann Frye, Edith Cage, Pat Denham and the hostess.

Several Spearmanites attended the theatre production of "Oliver" last week in the Municipal Auditorium in Amarillo. Among those attending were Mrs. Willis Sheets and Steve, Mrs. J.L. Brock and Debra, Mrs. Louis Schnell, Mrs. Don Floyd, Mrs. Richard Holton, Mrs. Sam Watson and Mrs. George Collard.

HONORED AT TEA--Mrs. Blanche Fuller and her husband Guy Fuller are looking at the log cabin which she painted that is part of the January exhibit at Perry Memorial Library in Perryton. The log cabin was the home of Billy Dixon, a half mile from Adobe Walls.
