SPEARMAN, HANSFORD COUNTY, TEXAS, 79081

SUNDAY , AUGUST 14, 1966

Population Estimated At 4,858

Population in Spearman is now estimated at 4,858 people according to city officials and this number will soon be plac-

ed on the city limit signs.

Chili Smith, Texas Highway Engineer for the Panhandle, said the new population figures would be put on the signs as soon as the city officially notified his department.

Based on latest reports the city now has 1313 utility con-

city now has 1313 utility connections. Based on a national average of 3.7 persons per utility connection, officials estimated the population at 4,858.

Rev. Taylor Resigns as **Local Pastor**

The Rev. T.J. Taylor, pastor of the Assembly of God Church here, has resigned his position to enter fulltime

evangelistic work for the Assembley of God Churches.
His resignation is effective Sept. 1. He has served in the local church for 17 months.

local church for 17 months.

The pastor said he would be conducting revival meetings in churches in Texas, Colora-do, and New Mexico, His wife and child will travel with

Officials of the local church have selected the Rev. Ro-ger Rounsville of Holly, Colo., as the new pastor. He will be in Spearman to begin his work on Sept. 1.

The Rev. Rounsville is mar-

ried and the couple have two children. He is 26 years old and has been a minister for four years.

Miss Delk Gets Masters Degree

Miss Marva S. Delk of Spearman received her Masters of Library Science Degree from the University of Oklahoma in

the University of Oklahoma in commencement ceremonies at the University Aug. 7.

The University Conferred degrees upon 829 graduates in the ceremonies. Dr. George L. Cross, presidnet, conferred the degrees.

Miss Delk is the daughter of Mr. and Mrs. Irvin Delk of Spearman and a graduate of Spearman High School.

DONKEY BASKETBALL GAME MONDAY, AUGUST 15 JAYCEE PARK 8:00 P.M.

SMALL ONE -- Coach Larry Anthony weighs letterman guard Ronnie Gray as over 50 prospective football players took their physical examinations Saturday. The guard weighed in at 145.

Lynx Players Take Physicals; Workouts Begin Monday at 7

Approximately 55 boys had reported for football physicals at 10:30 a.m. Saturday morning in preparation for grid drills which open at 7 a.m.

Monday. Several boys who had indicated last Spring they would be out for football this fall

Coach George Wright said his freshman class had been the hardest hit by those who

Spearman Gets **More Moisture**

The cool, damp weather continued through this week as Spearman registered a to-tal of 1.09 inches of mois-

tal of 1,09 inches of moisture and the week's highest temperature was 94.

Monday Mrs. Pat Cates, official weather observer, measured .15. Tuesday .09, Wednesday .60 and Saturday .25 inches of rain.

Temperatures have been on the cool side for August with only one day this week going over 90 degrees. Sunday the temperature was 84-60, Monday 85-59, Tuesday 94-60, Wednesday 87-62, Thursday 82-62, and Friday 90-64.

changed their minds. Last Spring some 30 boys signed up to participate in freshman football. Sautrday morning 17 had reported.

Coach Eddie Clemmons

the freshman mentor, said a large number of the freshman had changed their minds since last spring and some have moved away. Three good freshmen have moved and a fourth one decided he will

fourth one decided he will
not play.

All the varsity regulars returning from last season
were there for physicals, but
some of the younger players
were still missing.
Some of the players said
there were some boys working today and a few still away
on vacations.

Although not a beefy team,
the Lynx prospects were checking in with more weight than
in past years. Sophomore Roy
Russell checked in at 219
pounds for the largest boy.

There were eight boys who
checked in at 180 pounds or
more, and several who were
just under the 180 pound mark.

Coach Wright and his staff
will issue equipment early
Monday morning and begin
two-a-day workouts Monday
morning. The squad will
workout at 7 a.m. each morning and from 5 p.m. until
7 p.m. each day.

ning and from 5 p.m. until 7 p.m. each day.
The varsity and B-team will workout on the new field ber

hind the high school. They will dress at the high school. The freshmen will dress at the gym and workout on the area just south of the varsity field.

field.
Competition for the teams begin Sept. 9 when the varsity plays host to Sunray of class 1-A.
This year's edition of the Lynx have been picked for fifth and third place in the district, but the coaches of the district say Wright could take his team all the way, if things break right.

Schedule Set For Registration

A schedule for registration of new students in grades five through eight was announced this week by Principal James Pendergraft.

All new students will register on Thursday, Aug. 25.
Fifth grade students will register at 9 a.m., sixth grade at 10 a.m., seventh grade at 11 a.m. and eighth grade at 11 a.m. and eighth grade at 1 p.m. Students who attended school here last year in grades twe through eight will register from 9 a.m. until 12 a.m. on Friday, Aug. 26.

day, Aug. 26.

Sacred Heart Women Make Large Tapestry for Church

An idea conceived in Portland, Ore., at a meeting has been translated into a beautiful tapestry in the Sacred Heart Catholic Church in

Spearman.
The Rev. James C. Gurzynski got his idea for the tapattending a meeting. He transmitted his idea in words to artist Albert Melendez of Lub-

CRUCIFIX -- This steel Crucifix was presented to the Sa-cred Heart Catholic Church by Dr. R. L. Kleeberger. Plainsman Photo

ture.
With a drawing and a pat-tern to work from, the Rev. Gurzynski had to convince

the women of his parish that they could make the tapestry.

Mrs. Hugh Banks, one of the workers, said the women were not convinced they could make the 9 by 12 foot tapestry.

"It was a trial and error pro-

ject and before it was finished we had put in about 200 hours," she commented. Working on the project were Mmes. Banks, Donald Allen, Ralph Bynum, James King, C.A. Kleeberger, Jack Moran, Jerry Morris and N. F. Renner. Each color in the tapestry is a different piece of material and it is put together like stained glass. Each piece of material is outlined in black wool yarn.

material is outlined in black wool yarn.

Mrs. Banks said there were many problems to be solved, like puckers in the materials caused by machine stitching, fastening the material to the burlap background and how to put the yarn between each piece of material.

John Hickey let the women have a room in his home to work on the project. Since he lives alone and was gone all day teaching, the women could leave the tapestry spread on two large tables and work on it anytime

during the day when they had

a free moment.
Mrs. Banks said the women were doubful about starting the project, but once it was started, it became so interesting the women spent hours on

"If we had not had some understanding husbands and families who would eat sand-wiches for supper, we might

never have finished," she said.
When it was finished, it had to be cleaned and we all were scared, including Oscar Donnell, who cleaned it, Mrs. Banks said.
We did not know what it would look like after it was cleaned, but it had to be done. Mrs. Banks said Donnell called her when the cleaning was about half finished and wanted me to come look at it. It was beautiful and the colors were brighter than ever, she said.
The men of the church hung

she said.

The men of the church hung the tapestry on the east wall of the church.

The title of the work is "Cosmic Word of God." The tapestry has a large figure of Christ sitting on a Rainbow. In one hand he has the Word of God and in the other, the earth. He is surrounded by the stars and planets of the universe.

Hanging in front of the tap-

Cates Elected Head Of Lynx Booster Club

Approximately 100 parents and athletes were introduced to the new coaching staff of Spearman High School and organized a patents' booster club.

The parents elected Slim
Cates as President of the organization, Richard Holton as vice-presidnet and Lawrence Brown as secretary and trea-

surer.

Dr. Bill Reeves, Superintendent, talked to the parents and told them their support of the team, coaches and school was the key to develop ing a winning attitude among the players.

The protective equipment worn by each player was mo-

deled by members of the team.
After the meeting in the auditorium, refreshments were served by the coaches' wives in the cafeteria.

The booster club will meet on Monday evening during the football season. The first meeting will be held on Sept. 12, following the first game. Sept. 9.

Mr. and Mrs. Don Denham, Randy and Robin have spent the past 3 weeks at South Fork Collo. where they fished, picnicked and rested at his father's cabin at Masonic Park. The Denhams returned home Thursday and report they had good luck fishing.

Circle Meets At Church

The Pheleo Circle of the First Christian Church met Wednesday morning at 9:30 at the church for the regular

monthly meeting.

Dorothy Buzzard presided in the absence of the president and the devotional was brought by Gwen Smith.

Betty Jean Davis was lesson

leader and continued the study course on Canada,

Attending were Rose Kunsel-man, Dorothy Longley, Doro-thy Buzzard, Betty Jean Davis, Mildred Schnelle and Gwen

Texas Has Received \$63 Billion In Oil Sales

The economic bounty Texas has gained during the past cen-tury includes \$63 billion from the sale of crude oil, Texas Mid-Continent Oil & Gas Association reports in its "66 Facts" leaflet released Satur-

day.
The annual compilation of industry statistics calls attention to the 100th anniversary of the first oil well drilled in Texas, the 1866 venture of Lyne T. Barret near Nacogdoches. The leaflets are distri-buted free through the Associa-tion's Oil Information Com-

mittee program.
In keeping with the theme.
"Texas & Oil...100 Years
of Growth," the publication
says Texas has produced 28.7
billion barrels of Oil, 36.3.

per cent of U.S. total, since
Barret's well.

Another significant milestone in Texas oil history is
noted: In the 100th year the
total oil and gas money in
the Permanent School Fund
and the University of Texas
Permanent Fund passed the
one billion dollar mark.

"In war and peace the nation and its allies have depended on Texas oil," the leaflet noted. "Texas wells provide a large share of the energy demanded by our highly mechanized civilization...
contemporary and future incontemporary and future in-dustrialization patterns for Texas show a continued reliance on oil and gas...The usupply depends on today's Bar-rets--the wildcatters, the ex-

plorers, the innovators who abound throughout the modern, progressive petroleum industry."

Included among the "66 Facts" were these items: Texas became nation's No. 1 oil producing state in 1928...ff markets existed Texas could produce 4.5 million barrels a markets existed Texas could produce 4,5 million barrels a day—about 1.75 million barrels a day—about 1.75 million barrels a day more than present demand...The value of Texas curde oil, natural gas and gas liquids in 1965 was \$4.2 billion...Dil is produced in 204 Texas counties...Texas has 45.6 per cent of all U.S. oil reserves...Texas drilling in 1965 totaled about 60.4 million feet of hole...Texas roy—alty owners received \$479 million from oil and gas production in 1965...Texas motorists are served by 15, 969 service stations...Texas petroleum industry employssome 199,800 persons (about 1 out of every 14 Texas workers) with wages of \$1.3 billion.

Oil Demands Increase Research on Soybeans

Interest in soybeans, as an additional cash crop, has inadditional cash crop, has increased tremendously throughout Texas in 1966. In response to urgent requests from the cotton seed oil industry and others, the High Plains Research Foundation has expanded its soybean Farm Centered Research program throughout Texas.

Four varieties and eight experimental strains of soybeans have been planted by farmers in cooperation with Foundation staff in this new State-wide

staff in this new State-wide program. The released varieties planted are the Hinn and Patterson, bred by the Foundation,

Steers Make

Leaner Meat

The amount of lean meat on steers has increased three

percent in the last four years.
At the same time, fat
thickness decreased, according to a study made by Frank
Orts, Extension meats specialist at Texas A&M Univer-

Orts collected carcass in-

formation from the major livestock shows in Texas for four years. He says the ribeye size has increased by threetenths of an inch and fat thickness has decreased some

thickness has decreased some two-tenths an inch.

The trend toward the "meat type" steer, with less fat, began with the consumer, says Orts. The housewife de-

manded more lean meat, and the trend worked its way

through the packer to the feedlot and breeder.

Today, ranchers are selecting and breeding for leaner, meatier type animals, says Orts.

The three percent increase in lean meat came from the

loin, rib, round and chuck cuts. The bulk of the steers graded medium choice in-stead of the former high choice says the A&M specialist. When lean meat cut-out

When lean meat cut-out increases one percent, it's worth about \$6 on the retail market. This makes the three percent increase worth about \$18 on the retail market. Part of this should be passed along to the rancher and feeder, he says.

Orts says although size of the ribeye is 67 percent heritable, it doesn't affect lean meat yield too much. Fat thickness is 30 percent heritable—but greatly affects yield. Breeding in a lower fat thickness is where the most

thickness is where the most rapid progress is being made toward the meat-type animal.

Gift Box Memo:

It sure was a hot summer at the different markets but we found many new items. We think you will like what we bouth. We hope you do, for we sure cannot use all of it.

Some of the first items to arrive are some new Spanish decorator pieces. These are pretty and go so well with the popular Spanish furniture. We also have the Mary Chess line of soaps. colones. and

we also have the Mary Che line of soaps, colognes, and cream body massage.

Also, we have many new small gift items that will be so good for the many prizes you will need for the new

season.

Farewell Party HonorsDonna And Pat Walls

Members of Mrs. Pete Fish-er's and Miss Sue Bradford's 12 year old girls sunday school class met at the Fisher home on Tuesday at 6:30 of last week for a farawell party for Pat and Donna Walls who were leaving to make 'their home in Odessa.

The group first went swim-ming at the pool in Gruver then came back to the Fisher home for entertainment and refreshments. Various games were played and all enjoyed grilled hamburgers, chips, dips, cokes and ice cream.

Attending were Patty Mathis, Mary Sue Hazelwood, Rita Simmons, Cindy Dear, Rose Mary Burkhart, Karen Waggoner, Candy Vaughn, Robin Walls, guests Mrs. Mary Morrison, Patsy Kingsley, and teachers Fisher and Bradford ford.

Hutchinson FB Queen Contest Set

The Hutchinson County Farm Bureau will have its annual Queen's contest in the Stinnett High School Auditorium Thurs-

day night.

Eight girls will be competing for the title and the opportunity of competing for the district title in Amarillo on August 20.

Master of Ceremonies for the

contest will be Burl McClellan, editor of The Plainsman.
Contestants in the contest are
Sylvia Parks, Glenna Walker,
Kathy Jenkins, Patricia Henderson, Kathy Cox and Sue Cox,
Pamela Kirk and Barbara Hiller.

Batson-Burks Vows Read

Mr. and Mrs. J.E. Batson wish to announce the marriage of their daughter, Lynda Annette to Melvin Ray Burks, son of Mr. and Mrs. Jim Burks of Gainesville, Texas.

The wedding ceremony was solemnized by the Rev. Dayle Schnelle, on the 9th of Aug.

The young couple will make their home in Spearman.

Sacred. . .

(Continued from page 1.)

estry, overthealtar, is a steel crucifix done by Melendez and given to the church by Dr. R.L. Kleeberger in memory of his father.

The Rev. Gurzynski said the church is endebted to the women for donating so much work and effort into making the work of art for the church.

Mr. and Mrs. Odis Roles left Saturday to take their son Bruce and Blaine Simmons to Las Vegas, New Mexico where they will spend a week at Blue Haven, Church of Christ Camp.

Mr. H.A. Sloan was admitted to Northwest Texas Hospital in Amarillo Thursday for obse vation and treatment.
Mrs. Sloan went down Priday morning to stay with him.

Mr. and Mrs. Jim Davis
visited Friday evening in
Amarillo with his father.
Dr. W.C. Davis who is recovering from surgery in Northwest Texas Hospital. Mrs.
Burl McClellan returned home
Friday after staying several
days with her father.
