# 1982 Miss Texas will be speaker

Gloria Gilbert will be the speaker for the Spearman Chamber of Commerce Banquet on Saturday, February 23, 1985.

Gloria Gilbert Barron was brought up on a ranch in Millsap, Texas with her three older sisters. Her father worked for a local oil refinery and raised Hereford cattle. It was a small town with a population of 500.

Gloria first was introduced to the art of ventriloquism at the age of six when she watched Shari Lewis with her little friend Lamb Chops on TV. She was attracted to this and thought it would be lots of fun to do. The next Christmas she found that Santa Claus had brought her Mortimer Snerd, Edgar Bergen's country bumpkin friend along with a record album all about ventriloquism. And that's how Gloria learned the art.

Gloria's mother recognized her sincere desire and love for the art and entered her into talent contests and Little Miss pageants. It was in these events where Gloria's talent shown above the others because they all were doing the ordinary singing and dancing.

Gloria was heavily involved in athletics while in school and played on three different varsity

teams in basketball, tennis, and track and was a cheerleader. Since high school she has attended Weatherford College, North Texas State University, and is currently majoring in Public Relations and Advertising and minoring in radio-TV-film at Texas Christian University in Fort Worth, Texas.

Gloria entered the Miss Texas pageant in hopes of getting the fine scholarship it provides the winner and that she did. In 1981 she won the Miss Mineral Wells contest and came in first runner-up in the State meet. For 1982 Gloria won the Miss Palo Pinto County pageant and the big one, Miss Texas 1982. Her 15 years of practicing the art of ventriloquism paid off handsomely.

Gloria, age 21, has been working with her sidekick Homer for the last nine years. Together they entertain for concerts, churches, banquets, fairs, festivals, and many other events. She is also involved in many beauty pageants. Gloria is married now and makes her home with her husband Greg Barron in Fort Worth, Texas.

Tickets go on sale, February 8, for \$10.00 each. You may purchase yours at the Chamber of Commerce Office.

### Gloria Gilbert

Blood donations may be given to partially pay processing charges incurred by any member of a blood club or anyone designated by the chairman of the blood donor club. Each donation or credit to the blood donor club is valued at \$10.

Continued on Page 4

### Services held Friday

Hubert Sloan, 59, died in Austin, Texas, Tuesday afternoon.

Sloan was born Sept. 24, 1925 at Forestburg, Texas. He had been associated with Guymon Motor Parts since 1978, when the Sloan family moved to Guymon from Perryton.

He was a member of the First Baptist Church of Perryton.

Besides his wife, Rosa, of the home, he is survived by one daughter, Mrs. Jerry (Karen) Riddle of Austin; two sons, Starr Sloan of Guymon, Steve Sloan of San Diego, Calif.; one sister, Reba

Colley of Midland, Texas; four brothers, H.A. Sloan of Pampa, Texas, H.L. Sloan of Midland, H.C. Sloan of San Angelo, and Troy Sloan of Spearman, and three grandchildren.

Funeral services for Mr. Sloan were conducted from the Henson Funeral Home Chapel in Guymon, at 2:00 pm with the Rev. Jack Pierce, pastor of the First Baptist Church of Perryton, officiating.

Interment was in the Hansford Cemetery in Spearman under the direction of the Henson Funeral Home.

Jr. High students are looking over a display of the items containing the proof of purchase symbols

needed for the 'Computer-rific' program.

### Students need help

Debbie Clement called from the school Friday morning to let us in on the news, both good and bad.

The Bad News is that the students have only 3,438 proof of purchase UPC Symbols towards their computer and they need 7,500. The Good News is that you can still help. The deadline has been extended to February 28, 1985. Let's start saving right now.

The reason is that students at Spearman Elementary and Jr. High are currently conducting a collection drive that will earn their school an IBM PC Jr. computer system. As part of a program called 'COMPUTER-RIFIC', IBM and Proctor and Gamble are offering free computers to schools in exchange for Proctor and Gam-

ble participating brands. We know we have people in our community who will want to help our school. They can do so by saving the UPC Symbols from the list of products below and giving them to our students or depositing them at collection boxes located at CUTRATE and IDEAL. The brand names are: Bounty, Citrus Hill juice, Coast soap, Crest, Crush (16 oz., 10 oz., and 1 liter bottles), Encaprin, Luvs diapers, Prell concentrate and liquid Prell, Puffs tissues, Sure deodorant, Tide, Jif peanut butter, Scope, and Pert.

If you have any questions, call one of these members of the PTA. Jolinda Hutchinson 9-2285, Debbie Clement 9-2191, and Karen Schnell 9-3620. The symbols the

### Coffee Memorial Blood Bank will be in Spearman Feb. 4

ganza will be held. It is sponsored by the First National Bank of Perryton.

## Museum

Mrs. Harley Alexander of Gruver gave Stationmaster's Museum a "shot in the arm" recently when she presented an old oil lamp and a sizeable donation. The Alexanders are old-timers, known well in this area.

Museum Auxiliary workers are making some head-way in furnishing the bedroom and parlor. A few more pieces of furniture have been moved in this week: a table from the E.J. Callaways; a book case and a secretary-all from the "golden oak" period which dates

before the turn of the century. The book case belonged to the late Jess and Lula Womble and the secretary to the late Caleb and Mary Pettitt family. Other items of interest are being brought in. Progress is slow, but people are beginning to respond.

A museum such as the one at Canyon, this will never be! However, with the help of interested individuals, this little museum could house much area history and memorabilia of bye-gone days—preserved for others to enjoy.

Pictures needed for the wall include the one of wolves howling at the moon, and the tired horse and rider called "end of the trail".

## 1984-Crop Wheat

"Wheat producers with maturing 1984-crop regular loans may place their crop in the farmer-owned reserve," Secretary of Agriculture John R. Block said today. "Current provisions—a storage rate of \$.265 per bushel and no reserve minimum—will apply."

USDA had said it would review the size of the reserve before the regular 1984-crop loans matured. "Because these loans will begin to mature on February 28, an announcement on reserve availability must be made now," Block said.

"With this action, it is not likely that the reserve will reach 700 million bushels before 1984 regular loans begin to mature," Block said. "Nor is it likely that the statutory minimum will be exceeded with entries of 1984-crop wheat."

Farmers will not be permitted to convert existing and maturing wheat reserve loans into the current Wheat Reserve VI. The trigger release level will be \$4.45

per bushel, the same as for the 1983 crop. Interest is charged on reserve loans during the first year in the reserve. No interest is charged after the first year, except during certain release periods.

Producers should contact their county ASCS offices for further details.

Early 19th century French looms were controlled by punched cards that were the forerunners of those used in modern data storage systems.

In ancient India, it was believed that a prince who had lost his kingdom would have it restored if he ate food cooked on a fire made with wood grown out of the vicinity of a tree that had been cut down.

## Lynxettes lose to Elks

The Varsity Lynxettes played Stratford here Tuesday night.

Scores by quarters was: (1st) Spearman 7 - Stratford 10; (2nd) Spearman 9 - Stratford 22; (3rd) Spearman 19 - Stratford 33; (Final) Spearman 38 - Stratford 55. Individual scoring included

(F.G., F.T., F., T.P.): Shannon Jenkins (5-3-2-13); Tiki Jackson (3-0-3-6); Jill McLain (3-0-5-6); Carrie Guthrie (2-2-2-6); Cayla Eaton (0-5-1-5); Michelle Savage (1-0-0-2); Ceria Vela (0-0-0-0); and Julie Jones (0-0-2-0).

## Farm Operator Changes

ASCS Official Keith Martin reminds Hansford County farmers not to delay reporting any changes in their farm operations for the 1985 program year.

For full program benefits, Keith says farm records must be up-to-date.

Farmers who wish to establish proven yields for 1985 feed grains or wheat must prove productions of all crop acreage. The production evidence should be kept separate for each year and for each farm.

Questions concerning farm operator changes and proven

yields can be answered at the local ASCS office.

## Weather Bureau Issues Winter Storm Watch

A cold front arrived in the area at 9 a.m. Wednesday morning. At 9:56 a.m. Wednesday morning, temperatures plunged to 15 degrees, with a -13 degree chill factor. The barometer was 29.90 and rising, wind was from the ENE at 11 miles per hour. Light snow accompanied the cold front and weathermen are predicting a high of 17 degrees for

Thursday and a high of 14 degrees for Friday. The weather bureau is predicting up to 4 inches of snow in the Panhandle area. This is an arctic cold front and the weather bureau has

issued a winter storm watch. Stockmen and pet owners are warned to take extreme caution in protecting their animals.

The temperature dropped to -1 degrees in Hansford County Thursday morning, Jan. 31. Light snow fell Wednesday and Thursday in Spearman. Weathermen are predicting a 40 percent chance of snow for Hansford County Saturday and Sunday, with a low of 2 degrees above zero Saturday morning. Most of the snow fell in the Wichita Falls to Amarillo area.

## Lynx travel to Stinnett Tuesday nite

The Spearman Lynx and Lynxettes and the JV Lynx will play at Stinnett Tuesday night, Feb. 5th. Games will begin at 5:00 p.m. with the Varsity Lynxette game at 6:30. The Lynx currently are in a race for the district playoff with the Sanford-Fritch Eagles. The Gruver JV and Varsity boys and girls will travel to Follett Tuesday night with their games beginning at 5:30 p.m. On February 8, Darrouzett will play at Gruver. Only the Varsity boys and girls will

play, with games beginning at 7:00 p.m. On Friday, Feb. 8, the Lynx will host the Sunray Bobcats, with the first game beginning at 5:00 p.m. There will be four games. Fans are reminded that the bi-district girls game will be played Feb. 16, Area Game Feb. 19, and Regional game Feb. 22-23. The boys bi-district game will be played Feb. 23, Area game Feb. 26, and the regional game will be played March 1 and 2. All regional games will be played at Lubbock.

## Coffee Memorial

(From Page 1)

Donors may also request personal credit, which will be kept on record and may be used at the donor's discretion any time during the next 12 months, to be transferred to a specific donor club or used as a replacement credit.

This year the Blood Center faces a greater challenge because of the new school regulations concerning participation of high school students in extra-curricular activities. The new rules do not allow flexibility for continuation of high school blood drives during school hours, but having the local drive at the high school location will make it possible for some students to donate blood immediately after school hours.

High school blood drives ordinarily account for 10.8% of the blood donations or 2,000 to 2,500 units annually.

The United States continues to import over 300,000 units of blood from Europe annually to meet the blood needs due to the annual shortage and the inability of Americans to keep abreast of our own blood usage. The state of Texas has not yet been the recipient of this "Euro" blood. Donations in Spearman Feb. 4 will help to keep this record intact.

## E.M.T. Course

An Emergency Medical Technician Course will be offered in Spearman beginning Feb. 28, 1985.

The purpose of the course is to teach Basic Life Saving Techniques to those who wish to serve their community with their local ambulance service, or for those who would just like to know what to do in an emergency situation before the ambulance does arrive.

Upon successful completion of the course, participants will receive accreditation from Frank Phillips College, as well as being registered with the Texas Department of Health as an Emergency Medical Technician.

Cost will be \$30 registration fee plus approximately \$18 for text. All interested persons must pre-register by no later than Feb. 19, 1985. Class space is limited, so please register as soon as possible.

For information, contact Ed Williamson at 659-5108, or call the Spearman Police Department at 659-3707 and leave your name and phone number, and your call will be returned.

## CYO Meets

The Catholic Youth met for their regular monthly meeting on January 27th, 1985, in the parish hall. The meeting was called to order by President, Ted Vela, who then proceeded with the opening prayer. The minutes of the last meeting were read by secretary Mary Lou Baker. The group discussed and decided on a project they can do. The project decided on is to repaint the fence around the church. The group also decided that during Lent they will attend the Lenton Services as a group. Plans were made to have a Valentine Party to be held at the next meeting. The closing prayer was given by Mary Lou Baker. A devotional was given by Bob Farr, with a short film about the Right to Life. The meeting was adjourned.

The group then enjoyed playing Bible Trivia. Refreshments were then served.

The annual Report of the U.S. Commissioner of Pensions for 1874 notes that "With the death of Daniel T. Bakeman, of Freedom, Catauga County, New York, April 6, 1869, the last of the pensioned soldiers of the Revolution passed away."

Synthetic fertilizer was first developed in the 1800s by Sir John Lawes.

## Two Bit Sermons

By James D. Jones, Pastor Fellowship Baptist Church

The Atonement for Sin

There is not a more preached subject among Baptists than salvation by grace. The grace of Christ that brings Salvation to man is the capstone of our doctrine. We believe that man is incapable of securing his own salvation. We do not even believe that we can help in any way with our salvation. In Genesis, Chapter 3, we find that man fell from his position with God because of sin. Throughout scripture I find that man is born with a sin nature, Romans 5:12. Therefore we teach that man cannot secure his own salvation, but must totally trust in Jesus for it.

In scripture there are several things that Christ did for us that we are unable to do on our own. Since man could in no way pay for his own sins, Jesus did that for us. We find that Peter tells of this in Peter 2:24. Jesus then became our sin substitute. We also find that Jesus completely satisfied all of the demands of God the Father in relation to righteousness. Isaiah 53:11 and Hebrews 12:2 both show

Australia had more than 10 times as many sheep (145 million) as humans (13 million).

that only Jesus could ever satisfy the demands that salvation has.

Salvation demands that a man be found acceptable in the sight of God the Father. In order for this to occur that man must have no sin. Only Jesus could satisfy that demand. For anyone to trust in anything other than the finished work of Christ to bring salvation would prove to be a folly.

## Rho Rho

### Chapter Meets

Rho Rho Chapter of Beta Sigma Phi held its 488th meeting on Thursday, January 24th in the home of Sheila Watley.

Singing Valentines are now on sale. If you want to purchase these contact any Rho Rho Chapter Member. The Valentine Ball will be held Saturday, February 9th in Perryton.

Chrissy Brock gave an informative program on aerobic exercise.

Members present were: Frances Pipkin, Linda Winegarner, Tami Janzen, Joyce Vanderburg, Molly Holton, Denise Harbour, Holly Simpson, Kitty Edwards, Sheila Watley, Peggy Winegarner, Sue Woolley, Terry Womble, Tammy Benton, Chrissy Brock, Michelle Mahaney, and Judith Schaefer. New Spring Pledges present were Leann Gillespie and Donna Murray.

## Donahue hits shot at buzzer to defeat Elks

The Varsity Lynx played Stratford here Tuesday evening. The Lynx led 8 to 7 at the end of the first quarter, but trailed at half time 20 to 23. The Lynx scored 12 points to the Elks 11 points during the third quarter to trail 32 to 34. During the fourth quarter, the Lynx tied the score with a little over a minute to go in the game. The Lynx worked the ball until the final two seconds of the game, when Ross Donahue put up a long shot to win the game 44 to 42 as

the final buzzer sounded. Individual scoring (F.G., F.T., F., T.P.): Ross Donahue (10-7-2-27); Tim Willis (2-0-1-4); Steve Burke (1-1-5-3); Thad Reid (0-3-4-3); Bob Cook (1-0-1-2); Jeff Graves (1-0-1-2); Allen Mires (1-0-0-2); Damon Goodheart (0-1-5-1); Mack McLain (0-0-2-0); and Jerry Garcia (0-0-0-0). Varsity Lynx, Mark Pearson missed Tuesday night's game due to his being in the hospital with the flu.

## Immunization Clinic

Immunization clinics offering vaccines that give protection against several childhood diseases are scheduled for February. Protection is against Polio, Diphtheria, Lock Jaw (Tetanus), Whooping Cough (Pertussis),

Measles, Rubella, and Mumps. There will be no charge. The clinic will be at the Spearman Elementary School, 511 S. Townsend, Spearman, Texas on February 4th, from 2:00 to 4:00 pm.

## H & H CREDIT UNION

The H&H Credit Union held their annual meeting in Spearman last week. It was a very enjoyable affair and prizes were given to those in attendance. Also coffee and donuts were served. Winners of the prizes included Jan VinZant of Gruver who won \$300; Doyle Fogle of Stinnett won \$100; Reid Schmitz of Borger won \$100; Margie Alford of Spearman won \$100; Nell Hayes of Borger won \$50; James Shuttlesworth of Borger won \$50; Jimmie McWilliams of Gruver won

\$50; Jan Morgan of Spearman won \$50; Joan Collinworth of Spearman won \$50; Travis Hysmith of Borger won \$50; Malnor Arthur of Borger won \$50; Maxine Reisinger of Morse won \$50; Terry Maxwell of Borger won \$50; Bill Duncan of Gruver won \$50; Freda Shuttlesworth of Borger won \$50; and A.F. Holland of Spearman won \$50. Frank Louise is the president of the H&H Credit Union. The Credit Union is made up of the school employees in the area.

## Mary Lou Baker is highscorer with 13 points

The Junior Varsity Lynxettes were hosts to Stratford Tuesday night. The Lynxettes led 12 to 5 at the end of the first quarter and at half time, the Lynxettes were ahead 25 to 11. The Lynxettes scored only 8 points during the third quarter to Stratford's 18 points. Third quarter score was Spearman 33 - Stratford 29. The score was tied up in the fourth quarter, but the Stratford

team added a fast 8 points in the final minutes of the game to win 40 to 48. Individual scoring included (F.G., F.T., F., T.P.): Mary Lou Baker (3-7-3-13); Jennifer Yarbrough (3-0-3-6); Donda Pool (3-0-3-6); Amy Runyan (2-0-2-4); Tammy Nollner (2-0-4-4); Cindy Womble (1-2-1-4); Shari Vernon (1-0-3-2); Lynnette Dial (0-1-0-1); and Crista Urban (0-0-0-0).

## A.S.C.S. Signup

In an effort to control excess crop supplies and maintain a better balance between supply and demand, the Agricultural Stabilization and Conservation Service, on October 15th, began accepting applications for the 1985 feed grain, wheat, cotton and rice acreage reduction programs. The sign up period ends March 1st. Farmers who meet the acreage reduction requirements will be eligible to receive price support loans and target price protection, in addition to land diversion payments for wheat, upland cotton and rice, according to county ASCS official Keith Martin.

"By reducing planted acreage and production, farmers minimize the possibility of a return to excess supply situations and low prices, and also maintain a level of stocks in line with market demand," Keith said.

The 1985 commodity programs call for a 35 percent reduction in rice, a 30 percent reduction in wheat and upland cotton, and a 10 percent reduction in feed grain and extra long staple cotton acres. As a part of that reduction,

program participants will receive payments for diverting 10 percent of their wheat and upland cotton acres, or for diverting 15 percent of their rice acres. Keith said farmers may request at signup, one half of the land diversion payment and one half of the projected 1985 deficiency payment for upland cotton, feed grains, wheat and rice. Cropland idled by the programs is placed in an acreage conservation reserve and planted to certain grasses, legumes, small grains or maintained in other cover to prevent soil and water erosion. "The contract also requires that farmers maintain these acres through normal control measures for insects, weeds and rodents." The ASCS official said harvesting ACR land is prohibited, and grazing is prohibited during the five principal growing months of June thru October. To apply for the 1985 acreage reduction programs, or obtain further program details, farmers may contact the Hansford County ASCS office between 8 am, and 5 pm, Monday through Friday.

The okapi, a relative of the giraffe, looks almost the same today as it did 30 million years ago.

## Our Heritage of Faith

How Much Water? For some people this is a problem. Again, we need to keep in mind that the power of Baptism is in God's Word and Jesus' command, not in the age of the person or the amount of water used. Baptism would be impossible at times if the amount of water were the most important element in Baptism. Instruction books from the early Church indicate that the amount of water used depended on what was available, nothing else.

When my fellow chaplains refuse to baptize an infant. When an infant is dying how does a pastor say no to the parents? People always love to play God.

Next Topic: More About Baptism and Immersion.

Bill Schardin, Pastor  
Faith Lutheran Church  
Spearman, Texas

While I was a chaplain at Northwest Texas Hospital I baptized infants because that is my call as a Lutheran Pastor/Chaplain. I can recall baptizing a 2 pound 4 ounce infant with an eye-dropper. Three drops for the Holy Trinity. Who would step in and play God's role of judging and saying to the parents that unless that child was immersed that child would go to heaven? I have had the unfortunate experience(s)

## Wawaka Talk By Mary-Ann Hooper

At times I feel just like "The Thinker". You remember that statue of the gentleman with his chin in his hand. An appropriate title would be "Sometimes I sits and thinks, sometimes I just sits". It seems for the past couple of weeks the days have gone by so fast I haven't had time to sit, let alone think.

With all the flue going around it reminds me of a book I'm reading called *THE STAND* by Stephen King. It is about the powers that be accidentally releasing a virus and most everyone catching it. The first signs are headaches and runny noses. His books are always "Far Out", but have you noticed the amount of people that are sick.

I've been hearing about all of this snow that's probably coming and school closing's because of the flu. It just seems that the whole country is cold and sick this year.

It could be worse, I could be cold and sick, too.

### Gossip or News?

Eldon Gurley popped in and out of the hospital for quick tests.

Larry Wright was also hospitalized but said yesterday he was doing better.

### Dates to Remember

Birthdays Feb. 2 to Feb. 9-----  
2-2 Billy Conner  
2-4 Nathalie Turner  
2-5 Dixie Barnes, David Boese, Rudolpho Gallardo  
2-6 C.J. Frantz, Larry Irlbeck  
2-9 Jack Gramstorf

### Think About This

Last year our Waka PTA sponsored a "Fingerprinting Session" for our Waka youth and anyone interested.

It was well received, but we now have a lot of newer children that have not had the opportunity to be printed. If you would like to have copies of your child's fingerprints, or even your own, call 435-2349 and you can arrange to have prints made. In addition to fingerprinting I would like to remind parents about the ways to keep your children safe as published by the Nueces County (Texas) Sheriff's Department Missing Persons Ofc.

This was developed by Detectives Guy Genovese and Scott Mandell.

### 20 POINT GUIDE WAYS OF KEEPING YOUR CHILDREN SAFE & ALIVE

1. Know what your child is wearing at all times. Know where he plays, who his friends are and the names, addresses and phone numbers of the parents of your children's friends. Update this information often.

2. Take photos of your children every three months. Note any special features, scars or other information that may be vital for identification.

3. Make sure your child carries some kind of identification, such as a card with name, address and phone number in a pouch or wallet. Sew identification labels into his clothing.

4. Teach your children to scream if they are approached by someone who tries to take them away. Tell them to be cautious and not to let anyone get close enough to grab them.

5. Tell them not to assist strangers in anything, from taking pictures, to looking for something.

In one case, children were kidnapped by a man who asked them to help find his dog.

6. Teachers should never let a child be picked up at school by anyone other than a parent, unless the parent informs authorities of other arrangements in person or through a note delivered by the child.

Schools should not accept phone calls stating that a child will be picked up by someone other than a parent.

7. Teach your children to be cautious of everyone, even friends of parents. Just because you are friends with someone, it doesn't mean you know everything they might be capable of.

8. Impress upon your child never to accept a ride with a stranger.

9. If someone tries to pick up your child instruct the youngster to scream and run up to a house and ring the bell, or run into a store and scream for help.

10. Many schools and police agencies are fingerprinting children and giving the prints to parents to keep on file. If authorities in your area are not doing this, approach them with the idea.

11. If your child is missing and you know where he was last, search the area. If you find anything belonging to him--clothing, a shoe, a toy--don't move it. Watch where you walk and make sure you don't disturb the area and destroy evidence. Call police immediately.

12. Teach your child to dial local and long-distance calls, both by dialing directly to you and by dialing "0" for operator. Be sure he knows your area code and the local emergency number.

13. Never leave your child home alone.

14. Do not leave your child unattended or alone in a car or store. Keep them close to you when you are in a store or any public place.

15. Never let your child go into anyone's home without your permission. Teach children that this behavior is absolutely forbidden. Be sure you know the people who

live in any home your child wants to go to.

16. Teach your children to tell you any time anyone asks them to keep a secret, offers them gifts or money, or asks to take their picture. Teach them to never accept anything from anyone outside the family.

17. If your child does not want to be with someone or does not like a person, find out why. Do not disregard their fears about people.

18. If the police do not begin an immediate search, call the FBI and have the missing-child report put into the National Crime Information Center (NCIC) computer. Then go to the media. If the media uses the story, the police are going to help. Enlist the help of friends, neighbors, church groups, and local community organizations.

19. See if there is a Neighborhood Watch or Block Parents Group in your area. These groups designate certain houses in each area as "safe houses," where a child can go or call if they are in need of assistance. Such houses are distinguished by signs clearly visible outside. Be sure you and your child know these houses. If there isn't a group, start one.

20. Know the routes your child travels to school, playgrounds, parks, stores and friends homes. If a route includes a desolate or unsafe area such as a field, change

the route and walk with your child to be sure he knows it.

SOME PERSONAL NOTES: It might be advisable to have a KEY WORD only you and your child know.

That way if someone approaches them and doesn't use that word the child will know not to go. Another newly discovered ploy for gaining information about children are questionnaires in magazines or papers, requiring their hair color, eye color, age, sex, etc. That is really no one else's business and it has been discovered that several children kidnapped and sold in the "Black Market" recently had sent off for free items advertised with such questionnaires. Unfortunately the main thing for parents today is to be suspicious. It is better to be safe than sorry. "I should have done" or "I wish I had" are phrases that just won't replace your most precious possession, your child.

### Prenatal care can prevent problems

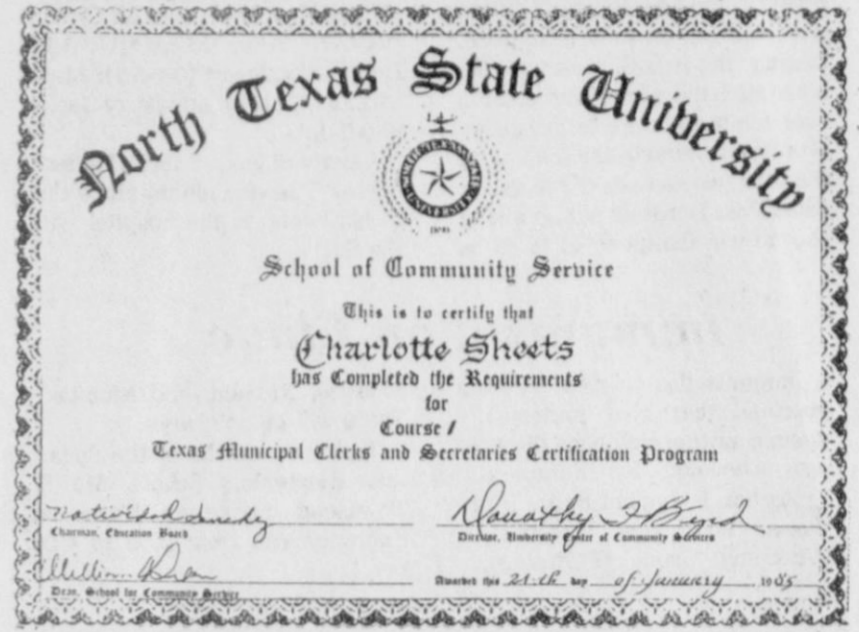

Early Prenatal care can prevent problems in your pregnancy for both you and your baby. If you know you are pregnant, start prenatal care now. Call your doctor or your local health department for more information.

## Charlotte Sheets Receives Diploma

Charlotte Sheets received her "diploma" last week in San Antonio. Having completed the requirements for the first part of a Texas Municipal Clerks and Secretaries Certification Program from North Texas State University, Charlotte walked across the stage with other graduates.

Charlotte will be taking more advanced work in the future. She is Secretary for the City of Spearman; also, she is Clerk of the Municipal Court.

While in San Antonio, Charlotte also attended and Election Law Seminar which taught her how to hold an election for City Officials.

### Interested in Learning Crochet

If you are interested in learning to crochet a rag vest or jacket, please contact Claudine Clark at 9-3419, Susan Daniel at 9-5006 or the Spearman High School at 9-2584.

Enrollment is limited to 15 people and the fee is \$15.00. Classes will begin soon at the High School in the home economics department. Dorothy Hale from Stratford will be teaching the classes.

# STRATEGIES

A financial game plan for retirement.

## DEVELOPING A PLAN

There is an important way you can help your financial strategy now and at retirement time.

It's with an IRA. Individual Retirement Account from First National Bank in Perryton.

You can help now because it's the biggest tax break ever. Every wage earner can subtract up to \$2,000 yearly from your gross annual income with an IRA. Married couples with a non-working spouse may deduct up to \$2,250 or when both work up to \$4,000.

## PROTECT YOUR INVESTMENT

Of course, at the First National Bank in Perryton your IRA is protected up to \$100,000 by the FDIC. And, we charge no maintenance fee.

## REACH YOUR GOAL

Then an IRA helps you later because your money draws interest at the highest rates available until you start making withdrawals at retirement. It is remarkable how much momentum an IRA can gather as you head towards retirement. If you start before 30 it can accumulate more than a million dollars.

# Lions Pancake Super Awards are Presented

The Lions Pancake Supper Awards were presented at the Lions meeting on Tuesday, January 29, 1985 at Cattlemen's. These awards were given to individuals who went beyond the call of duty in serving their beloved Lions Club. These Lions displayed raw courage with good and bad humor in the face of a long long line. These Lions kept everyone going when the batter had turned sour, these Lions sacrificed the souls from the boots when we ran out of sausage, and yet they were of good cheer. The awards were made of plaster of paris to resemble pancakes and they were painted with acrylic paints to resemble the color of baked or burned pancakes, along with painted surup. The

following awards were given plus to those who had lost something at the pancake supper:

Jack Oakes received the "flying pancake award." Last year Jack had flipped a pancake that went across the kitchen. When it finally came down. His award was a model of the F-16 that was embodied in a pancake. The wing were plaster of paris.

Al LaRoche had lost something at the dinner. His award was a pancake with his mustache glued to the pancake. Apparently Al lost his mustache while licking a pancake with the sticky surup.

Alton Ellsworth had lost something at the dinner. His award was ...well your better talk to him about that!

Robert Queener had won the

by Lion Bill Schardin

"most pancakes flipped." His award was a spatula embodied into a pancake.

Chairman of the dinner Martin Foster received a pile of pancakes (plaster) with a jar of mustard with a knife.

The First Annual Frosty Hickerson Award went to Craig Vinson which consisted of a pancake mandelion that was about 7 inches in diameter with a 3 foot chain. In the center was a picture of Lion Boss Frosty Hickerson and Lion sweetheart Kellie McWhirter.

One last award will be presented next week at Lions to Lion Stan Cobb, that is if we can get him away from serving corn at Cattlemen's.

That is it. Turn in next year for the next awards!

# Services Held For Father Of Local Man

Funeral services were held for Elzie D. Campbell at 2 p.m. Thursday, January 31 at Calvary Christian Fellowship Church at Shamrock, with Rev. Joe Jernigan, pastor, officiating. Burial was in Shamrock Cemetery by Richerson Funeral Home.

Mr. Campbell died Tuesday in Amarillo.

Mr. Campbell was born in Holdenville, Okla. He moved to Shamrock in 1928. He worked for Rock Island Railroad and served in the Army during World War II.

Survivors include his wife Bessie; three daughters, Rema Jo Boss of Parsons, Kan., Becky Pingleton of Amarillo and Kathy Cooper of Shamrock; four sons, Dale of Amarillo, Homer of Wilcox, Ariz., John of Shamrock and Jimmy Harbour of Spearman; four brothers, Edd of Shamrock, Jerry

of Ninnekah, Okla., Bobby of Wichita Falls and Billy of Amarillo; four sisters, Alice Wood and Jane Long, both of Odessa, Mary Terry of McClean and Carroll Kidd of Shamrock; 21 grandchildren; and five great-grandchildren.

# POLICE REPORT

On January 25, 1985 the Spearman Police Department investigated one (1) report of Criminal Mischief and one (1) Burglary.

On January 29, 1985 the Spearman Police Department investigated one (1) report of Criminal Mischief.

On January 31, 1985 the Spearman Police Department investigated one (1) Assault by threat.

The Spearman Police Department received 227 calls for assistance.

D.J. Alberts  
Chief of Police

# New Arrival

Andy and Sheila Watley are happy to announce the arrival of a new baby daughter, Amy Anne, born on January 25, 1985. She weighed 7 pounds and 14 ounces and joins older sister, Jamae at home. Amy's grandparents are Elsie Watley of Spearman and Glenn Watley of Dalhart, along with the late Sam and Barbara Patterson of Spearman.

# MARKETS

WHEAT	\$3.18

Intercessory Prayer Line 659-2911

Now we are four. Our family has assumed a new dimension. Molly has a brother, and we have a son.

There is new richness and happiness in our lives, but there is also new responsibility. Sure, we'll need to keep that "roof over the head," but there's much more to being a parent than that. Sometimes, when you look at the headlines in the paper, you get scared. As these kids grow up, can you face "the new moralities," the endless changes?

No — not alone. But you have the strongest ally in history to help you: the Church. In case you haven't noticed, the Church has been keeping pace with change.

Why not start next Sunday—and bring yourself up to date?
