

# Ad valorem tax rate set at 72-cents

An articulate crowd of citizens, considerable in size and concern, turned out Thursday night for the special meeting of the Spearman city council for a second and final hearing on a tax rate increase as required by law.

At the close of the session, ordinance 496 was passed without dissent, placing the ad valorem tax rate at 72-cents for the coming fiscal year.

This is an actual increase from 65-cents.

All the burden for this increase was created by the legal requirement that the city replace a 30-year old fire truck or suffer a raise in the key insurance rate for property owners.

All the misunderstanding of the tax rate increase was created by legal ad -- dictated by law as to content and even type size -- which contained a spurious formula by which the city was required to say the tax rate was being raised from 39-plus cents to 72 cents -- an increase of some 85 percent.

At the first publication of the required legal ad, the city did just what the school district did: published another ad of equal size and adjacent to the required legal ad, saying the legal ad had no actual basis in fact so far as city taxes and rates were concerned.

--Which was true!  
The rate was proposed as an increase from 65 cents to 72 cents -- not from 39-plus cents to 72 cents.

Now, this disclaimer ad was not run with the second and final required publication of the legal ad. This led to confusion among taxpayers which the city council thought might have been cleared up during the first tax hearing.

Discussed at length was the fire truck situation. Members of the council and City Manager Jim Murray explained in detail that, if the unit was not purchased, the key insurance rate would go up and taxpayers would, in essence, be paying for the fire truck EVERY YEAR instead of a one-time purchase this year.

It was also noted that this insurance rate increase would be valid because the 1952 firefighting unit could not be made safe and dependable for a reasonable cost outlay. (The state will only certify a fire truck for 30 years.)

The council was asked about financing the purchase of the truck. It was pointed out this would reduce the city's credit potential if there was another crisis such as massive failure of the ancient sewer system.

The council was asked about raising utility rates to pay for the cost of the fire truck. It was explained that all income from utilities above operating expenses was committed to retire the revenue bonds that financed them.

THE SPEARMAN REPORTER, reared its head:

The Vote.  
After the term "hearing" was used considerably, it was challenged by the audience which maintained the newspaper said vote, not hearing.

It was explained this referred to the vote of the individual members of the council on the tax rate. How they vote must be published -- even to the consensus of the mayor who cannot vote except to break a tie.

When it seemed the due process of discussion had run its gamut, a vote was taken on the 72-cent per hundred dollars of taxable valuation ad valorem tax rate. All councilmen voted "aye" and Mayor Ralph Blodgett stipulated he would have voted "aye" if his vote had been required.

All through the hearing, members of the audience pressed again and again for a commitment from the council that, following purchase of the fire truck this year, taxes would go down again.

The council could not make this commitment absolutely. There is always the potential expense of sewer repair or replacement; there is the fact that the purchase of a new police car and other needed equipment throughout city operation (which had been deleted from the forthcoming budget to lighten the burden of the fire truck purchase) and the ever-present specter of inflation.

The hearing did serve a worthwhile purpose. In informal discussions following adjournment, taxpayers present said they understood the role of the councilmen better and certainly did not envy them their jobs.

Members of the audience even admitted that they were trying to get an education in city affairs -- some dating back several years -- all in one evening. They generally admitted what they should do was attend every council meeting, but . . . they also confessed this was not likely to happen.

Prior to the public hearing and subsequent action on a tax rate, the council had admitted, by oath, Jim Nicholson to its ranks. A former council member, Nicholson agreed to accept the appointment to fill out the unexpired term of Ray Ingle who resigned.

So, while the ad valorem tax RATE goes from 65 to 72 cents, the greater part of the increase to taxpayers within the city is due to revaluation which was mandated by state law. The city granted a 30 percent tax exemption to homeowners for a period also specified by law which should cushion the burden of the increase gradually.

--But it certainly is NOT a boon to the operation of the city!

# Lynx drop thriller 27-7

Spearman's fantastic Lynx held the Rangers from Perryton at bay for nearly 3 quarters last night at Perryton, but finally dropped the decision 27-7. The half-time score was 7-7, and actually the Lynx were still in the ball game in the third quarter, trailing 20-7, and a first down and goal to go, but the Rangers intercepted a pass in the end zone and killed the Lynx rally.

Ross Donahue Spearman's nifty Sophomore quarterback scored the lone Lynx TD, and Mark Guthrie added the extra point to tie the score at halftime 7-7.

The game was well played by both squads, and the fans enjoyed the classic. The Rangers won't be making the trip to the state playoffs because River Road shocked Dalhart 8-7, which put both River Road and Dalhart in the playoffs. Riverroad won the district championship and is the No. 1 team in district I-AAA.

As usual the Lynx band was great.

The game was played under ideal conditions and a cold but faithful crowd from Spearman was on hand with their Lynx.

### Faye's Daze

I've been listening to a commercial on an Amarillo radio station advertising a trip to the Rose Bowl, reserved seats for the Rose Bowl parade, and other goodies such as a night at Las Vegas and then this one that threw me, dinner in Juarez. The first time I heard it, I thought I must have misunderstood. So, the next time I listened they repeated the dinner in Juarez bit, and are still repeating it. I'm sure they mean Tijuano, since a trip from California to Juarez would be a bit far even for the jet set. The moral of this story is that I am glad someone else makes mistakes besides me.

I hope you read the story of Annie Arnold Beck in the Amarillo paper feature "Ladies of Legend", this past week. The story was written by one of her daughters, Elizabeth McClellan. Some of these articles have been quite interesting about the ladies and their accomplishments, although some of them I certainly would not consider pioneers.

I thought about the editorial of Harold Hudson in the Perryton Herald, when I went to vote, not urging everyone to get out and vote. The theory behind this came from a survey the Herald had made earlier, and some of those queried did not even know the name of Perryton's mayor or the county judge. He said that he did not think these people were qualified to vote in a general election if they were that unaware of local politics. I try to find out a little bit about the candidates and amendments, so I won't vote for someone that I wouldn't want in office or an amendment that I didn't like. Of course, all of those I voted for were not winners, but a good percentage were. I guess we'll find out in the next two years if they make good officers.

If you have ever had a computer mix up with any of your accounts you can well understand the following: A computer expert reveals that it would take a hundred clerks working for a hundred years to make a mistake as monumental as a single computer can in one one-thousandth of a second.

### New C of C Directors

The newly elected directors for the Spearman Chamber of Commerce are: Mike Cudd, Hansford Implement; Bob Pearson, Pearson Oil & Gas Exp. & Lease Service; and Anthony Wilkerson, A & L Printing. They will serve a three year term beginning January 1.

The elected directors whose terms expire this year are Jr. Lusby, Butch Baker, and Ray Ingle. The appointed director is Robert Queener. These gentlemen have done an excellent job in representing the membership of the Chamber and in working for the betterment of our community.

The hold over directors are: Judy Nelson, Monty Blackman, Robert Elliott, Mike Schnell, Jim McLain, Frances Loftin, Dick Albert, Doug Steger, Elbre Hickerson, and Janet Tropper. The manager is Mary Lou Wysong and secretary is Lori Franklin.

The Chamber of Commerce office is located at 211 Main and you are invited to come by and visit anytime. The board of directors meet every second Thursday of each month, at the Home Extension Clubroom.

We welcome these new directors to the board and will look forward to working with them for the next three years.

### Veteran's Day

A Veteran's Day program will be held Nov. 11 at 10 a.m. in the high school gym.

County Extension Homemakers are sponsoring the program. There will be patriotic music by the high school, junior high and 4th grade choir and the high school band.

Ed Garner, executive at Baker & Taylor and city councilman will be the speaker for the program. Ed was a prisoner of war in World War II. Everyone is urged to come out and honor the veteran's of our wars Thursday.

Post Office  
Closed Thursday

The Spearman Post Office will be closed Thursday, November 11, in observance of Veterans Day.

No deliveries will be made on City or Rural Routes. Post Office rental box and special delivery service will be provided.

Due to the 8:00 a.m. arrival of Holiday Mail, processing of rental box mail will not be completed until 10:00 a.m.

Dismissed were Paul Archer, Terri Burke and son, Vinnie Close, Lealand Cook and Sherry Stafford.

### Servitors meeting Cook, Vernon receive degrees

The Servitors met Oct. 21 in the home of Stephanie Brock at 7:30 p.m.

Beckee Baker called the meeting to order.

The prayer was given by Janie Kunselman.

Members recited the collect. Roll call was answered by "Country I would most like to visit".

Thank you notes from kindergarten classes for \$50 donation and from the library for \$30 for children's books were read.

Members discussed the upcoming Mini-Fest and annual volleyball tournament in the spring. Dates cannot be determined until the school activity calendar is completed.

Hansford County Extension Council asked for donation to help buy flags for the Veteran's Day program. The club voted to buy one gross of flags. The fall board meeting on Oct. 23 was discussed, and the decoration committee suggested they buy small candles and holders to be used as decorations and may be used at upcoming events.

Michele Davis gave "Vial of Life" material to those present. "Vial of Life" contains personal family medical history to be kept in the home to aide medical personnel in case of an emergency. These are distributed and paid for by the First Christian Church of Spearman.

The raffle was made by Linda Winegarner and won by Stephanie Brock.

Virginia Fowler gave the program on "International Christian Crusade."

Hostesses were Mary Harbour and Denise Donnell.

Three guests were present, Linda Sanderson, Pam McMullan and Jeannie Laughlin.

LUBBOCK--More than 840 students at Texas Tech University received degrees in commencement exercises at the

conclusion of the 1982 summer session.

Degree recipients included Michael Cook and also Jimmy Vernon, both of Spearman.

**WTSU Jazz Ensemble in concert**

The excitement of twelve different kinds of jazz music will be in the air this month in Perryton as the First Christian Church hosts the West Texas State University Quintessence Jazz Ensemble in concert. The concert is set for November 14th, and will begin at 2:30 that Sunday afternoon.  
The combo, under the guidance of faculty advisor Dr. George Eason, will demonstrate all types of jazz, from dixieland and blues to ragtime and gospel. The program should be both entertaining and educational, and might be of special interest to area band students. The entire program will last about an hour.

Members of combo include Ray Dillard from Dalhart on percussion, Mike Porter from Dallas on bass, Marvin Perry from Canyon on trombone, and Carlos Casso from Canyon playing the saxophone.  
This is the first event to be sponsored in part by the newly organized Chamber of Commerce Committee for Tourism and the Arts. Cost for admission has been set at \$2.50 for adults and \$1.00 for students, proceeds from which will be used to cover expenses. The First Christian Church in Perryton is located at 9th and Jefferson and the public is encouraged and invited to come and hear this exciting Quintessence Jazz combo from WTSU.

# JV Lynx Get 'Shot' by Deputies

The Spearman Jr. Varsity Lynx played their final 1982 football game on Lynx turf. The game was against one of the toughest, if not the toughest teams in the District, the Perryton JV Deputies. The JV Lynx were called for lots of penalties, probably 1 per every 2 minutes of every quarter. It seemed like "laundry day" for the Refs. as automatically after every other play, there was a flag, 11 out of every 12 flags, were against the JV Lynx. Everyone knew that this was an important game for both, everyone figured it would and should be a hard hitting game. For example, after the beginning kickoff, helmets were "crackling" like "popcorn" does!! It was a hard-hitting game. There were lots of JV Lynx fans at the game, all doing a great job yelling for their home-team!! The final score was 37 to 0, the JV Lynx could not get on the board. By the way, the SHS Cheerleaders, had a little pep rally for the JV Lynx. I'm sure that made them feel good but stunned at the same time.

At the half, the score was 21 to 0, JV Deputies ahead. Coach John Roller has done a great job with the JV Lynx. All of the guys played an excellent game, although could not get on the board. With all the hard-hitting going on, the teams would lose the ball on a fumble plenty of times. Some of these guys will be on the Varsity squad next year, some will be fighting to keep their positions on the Junior Varsity also.

Although the score indicates that Perryton scored 5 touchdowns--which they did, it does not indicate that they had an "easy" romp--which they did not!! The JV Lynx were playing great!! There were great Defensive plays, that if you were not at the game, would never know about because of the score. There were a few great

runs on the Offense, there was some good blocking. The game was played great by the JV Lynx, no points, made it seem that it was a romp, but the JV Lynx were playing the Deputies as close as any team could.

There were some great Defensive plays by Bob Cook, Teddy Vela, Kevin Slaten, Damon Herndon, Mack McLain, Karl Bynum, Brian Paul, Roy Vasquez, Larry Hagerman, Ross Bulls. Good punting by Damon Goodheart and Jeff Vanlandingham. On the Offense, great running by Luis Nava, Paul "Rabbit" Lopez, Mack McLain, Monte "Speedy" Morris, Karl "Driving" Bynum, Brian Paul. So, as you can see, the JV Lynx did a great job, although no points were scored.

Those on the JV Lynx 1982 football Roster include, Juniors Paul "Rabbit" Lopez, Luis Nava, Israel "Kimo" De La Rosa, Larry "Hank" Hagerman, Ross Bulls and Johnny Rodgers. The Sophomores include Roy Vasquez, Brian Paul, Mack "Speedy" McLain, Karl "The Train" Bynum, Damon Herndon, Ernie Bowen, Teddy "Hard-Hitting" Vela, Danny Close, Kevin "The Bull" Slaten, Jerry "Speedster" Garcia, Jeff "Killer" Graves, Bob "Stick-Em" Cook, Edward "Can-do" Cantu and Brian Davis. The Freshmen include Gary "Burn-Em" Blackburn, Monte "Speedy" Morris, Dean "Mean Machine" Greene, Michael "Slippery" Lopez, Jeff "The Boot" Vanlandingham, Willie Vera, Timmy Willis, Carl Kizziar, Robbie Taylor, Jesse Moore, Charlie Godfrey, James "Hitting" Davis, Damon "The Boot" Goodheart. All of these guys did a GREAT job this year defeating the likes of the JV Dalhart Lobos and so forth. Coach John Roller should be proud of the job he has done with the JV Lynx. Some of the

guys that were moved up to the Varsity from his JV Lynx include Pat Tucker, Quarterback--Junior, Karl Bynum, Fullback--Sophomore; Israel "Kimo" De La Rosa, Center--Junior; Joe Gomez, Tackle--Junior; Kevin Slaten, Tackle--Sophomore; Steve Burke, Tackle--Sophomore--making six of this year's JV team for this year's Varsity. Coach Roller is gonna have at least 9 more on that Varsity at the beginning of next year. We extend our congratulations to all the JV Lynx players and also to Coach John Roller for doing a fantastic job with his JV Lynx!!

**NOTE FROM SPORTS DESK:** Rudy Saldivar, #21, a Sophomore, was excluded from the JV Lynx Roster. He has been playing with the JV Lynx and he mainly played place-kicker and kick-off man. We congratulate Rudy, also.

## 7th Lynx Lose Final Game

The Spearman 7th grade Lynx, coached by Coach Ken Rutherford, played their final football game of the season at Perryton. It was a 22-0 loss to the Perryton 7th grade Raiders.

The 7th Lynx played a fine game of football, all year long as a matter of fact, it's just that Perryton had an edge--"home-field" advantage. There were plenty of 7th Lynx fans that showed up and did a whale of a job cheering for the 7th Lynx.

Although the final score of the final game was 22-0, the 7th Lynx played a fine game. They were shut out, but not completely defeated, as the 7th Lynx played right up there with them, hitting hard and good.

The 1982 7th grade football

Lynx members include Justin Ooley, Brett Davis, Tony and Jesse Herndon, Chris Lopez, Will Black, Carl Urban, Junior Ochoa, Steve Moore, Larry Dunn, Oscar Anaya, Ray Dunaway, Lester Sullivan, Norman Scroggs, Vernon Tindell, Scott Swan, Kevin Nelson, Tim Woolley, Calvin Garrard, Kirby Taylor, Alan Beeson and Jeff Williamson. Their coaches are Coach Dan Shaver, Coach Rutherford and Coach Trantham. All of these football players have some kind of potential to being really great players.

Congratulations for those two games, and congratulations on having a GREAT season!!

## 8th Lynx Score Twice

It has been a long, hard, winless 8th grade year for the 8th grade Lynx. They played their best, but when the going got rough, it just got too rough. The 8th Lynx played fine this year, this was their final game of football in representing the Spearman Junior High School. They played against one of the toughest teams in the District, Perryton 8th Raiders. The final score was 48 to 12--the 8th Lynx weren't going to say "Good-bye" to SJHS with 0 points in their final game, no sir, they scored 12 big points, against a Perryton team, even!!

Although the Junior High career is over for the 8th grade football players, they feel that their final game was really one of their best games, because it was against Perryton, and because it was the final game (period).

Coach Shaver and Coach Rutherford with help from Coach Trantham, all did a tremendous job with the 8th graders. They went to Spearman, really without a quarterback--Allen Mires, the first 8th grade quarterback, got hurt

awful badly and was not able to complete his 8th grade year as a football player, so Mark "Galoping" Garnett took over. Mark got hurt and he was out too--so the 8th Lynx really didn't have an experienced quarterback to take over, but there was one person that took over and that was the "Pink Panther" himself, Mike Pearson. Mike scored both touchdowns on runs. There was excellent blocking from the line and Mike did a tremendous job running with the ball. That was one of the brighter notes in the 8th grade football this year.

The 8th Lynx played their "hearts out" sort of speak, not literally, but they gave it their "ALL".

We extend our congratulations to all those that played football as 8th graders, to Wayne Stubblefield--he was a new comer but moved this past week, but especially to those that "stuck with it" for the whole season.

These are the 8th grade football Lynx members at the beginning of the season: Allen Mires, Mike Pearson, Mark

Garnett, Kevin Kenney, Dusty Hill, Monte Beck, Ray Saldivar, Wade Burgess, J.W. Hardy, Darwin Hanson, Tommy Flores, Jesse Lozano, Allen Garder, Ricky White, Trevor English, William Volden, Mark Allen, Norman Hill, Daniel "Dela" De La Rosa, Scott Taylor and Wayne Stubblefield. Congratulations is also extended to Coaches Shaver, Rutherford and Trantham for doing a fine job with the 8th Lynx this season.

Roundball Season 'Around The Weekend'

Ralph Newton

Well, Basketball Season is just "Around The Weekend". On Tuesday, November 9, the Jr. Varsity and Varsity Lady Lynx will travel to Sunray to have a scrimmage--the first one for the season.

The Lynxette Head Coach will be Coach Ralph Newton. "Mr. Experience", "Mr. Cool", "Mr. #1". Coach Newton has quite a few coming back from last year's basketball team.

and Jan Davis, Cindy Young, Lana Paul, Lea Ann Gibner and Janet Reed; Juniors are Robbie Heinrich, Andrea Mires, Nita Baker. Sophomore Tiki Jackson. So Coach Newton has a pretty good experienced group on his hands this year.

So Coach Newton has a lot to choose from this year. All these girls have done an excellent job in the past, they can play in front of Coach Newton and show him how good they are.

Coach Roller will be coaching the JV, 8th and Freshman Lynxettes--unofficially, Coach Trantham to coach the 7th grade Lynxettes--unofficially.

Basketball Season To Begin

F. G. Crofford

Most of the football boys will be getting ready for basketball this season. The Varsity Lynx Coach for basketball will be F.G. Crofford.

Coach Crofford did a great job last year with his Lynx. Off that successful Lynx team, Coach Crofford has Jay Pack, Darren Goodheart, Buddy Pool and Scott Dunlap. Coach Crofford will be looking for other guys to fill up the spaces for the Seniors that graduated this past year.

heart, Julio Garcia, Ruben Gomez, Michael Lopez, John Sullivan, James Smith.

Unofficially, the Coaches for the 7th grade will be Coach Dan Shaver, for the 8th grade, Coach Ken Rutherford, for the Freshmen, Coach Rickey Smith, for the Jr. Varsity Coach Gary Rambo.

The Lynx are all going to be ready for this season. They have experience and are tough. There are plenty of guys that can fill each other's shoes, so Coach Crofford won't have any trouble trying to find replacements when injuries occur.

The Lynx--all 5 teams--are getting over their football injuries, if any, and are getting ready for roundball season. The first game is scheduled against the Phillips Blackhawks and Blackhawkettes at Phillips with the Jr. Varsity Lynx playing after the JV girls game which would be about 5 or 5:30 p.m.
