A few "quit tips"

Hide all ashtrays, matches, etc.
Lay in a supply of sugarless gum, carrot sticks, etc.
Drink lots of liquids, but pass up coffee & alcohol.
Tell everyone you're quitting for the day.
When the urge to smoke hits, take a deep breath, hold it for 10 seconds, & release it slowly.
Exercise to relieve the tension. Try the "buddy system," and ask a friend to quit too.

10th ANNIVERSARY

TAKE A DAY OFF...

... from smoking. Join the 10th Annual Great American Smokeout on Thursday, November 20. Millions of Americans across the country will make a fresh start and try not to smoke for 24 hours. How about you? Or, if you don't smoke, adopt a smoker for the day and promise to help that friend get through the 24 hours without a cigarette!

Among The Neighbors

Mr. and Mrs. William Brown are happy that Tracy John has arrived. He came on October 11 by way of Northwest Texas Hospital, weighing 7 lb, 13 oz.

Waiting to show him the ways of their world is sister, 6 year old Ashley and brother Travis, two.

Bernice Brown is his paternal grandmother, and his other grand parents are Mrs. Marge DeVliet and Ed Goris, both of Dallas.

This past week-end was very special in the life of Mr. and Mrs. Jerry Don Davis as it marked his ordination into the ministry at the First Baptist Church. Here to share the happy occasion were his parents Mr. and Mrs. Don Davis, his sister, Sondra and Donald Hill, their daughter Betsy; parents of Mrs. Davis-Rita and R.L. Stone, her grandmother, Mrs. T. Adamson, all of Canadian, and from

Pampa, Mrs. Davis' brother, Danny and June Stone, with Jeremy and Jason.

Mr. and Mrs. Major Lackey enjoyed having their daughter, Bobbie Jean and A.L. Wilson over the week-end. The Wilsons lives in Lubbock.

Mr. and Mrs. Woodrow Peters of Garden City, Kansas were week-end guests of Mr. and Mrs. Owen Pendergraft. They were enroute to Waco.

Mark and Cathy Glade and children of Lubbock visited in the home of her parents, Mr. and Mrs. Ed Dear during the week-end.

Betty and Paul Hazlewood were Tuesday guest on her cousin in Canadian. Another cousin from California was also there.

Mr. and Mrs. Craig Vinson week-end guests were Doug and Terri Burke with Jacob and Leslie of Perryton; also Royce and Donna Seibman of Canadian. Sunday morning they all attended the Davis Ordination Service at the First Baptist Church.

Jerry Gibner is here visiting his parents, Mr. and Mrs. Pope Gibner. Jerry lives in Albuquerque.

THE Monday edition of the Amarillo News had a picture of the adorable Neely Hicks who is to model in a fashion show. Neely is the nearly three year old niece of Jeanette Allen and the daughter of James and Candy Thoreson Hicks.

The brilliantly colored Ash trees this year brings out the reminder that most of them were planted as part of the State of Texas Memorial program soon after the end of World War II. The State sponsored a program whereby each county selected a shrub or tree to be planted at every home and public place as a living memorial to the Soldier Martyrs. Hansford County selected the Ash, and one was planted in a ceremony with a marker with the names on the lawn at what is now the elementary school. Unfortunately many of the trees died, and of course many of the ash now were planted long after.

The consensus of opinion in the neighborhood about the coming of the World Series is that there should be some way that both teams could be whipped...

Spearman residents will be welcoming back some former citizens who intend to make this their retirement home. Don Wanda Smith are remodeling the home of her parents, the late Claude and Cora Smith at 620 Barkley street. He is now on medical leave from the Permian company and is anticipating retirement soon. They left Spearman in 1968 and have been living in Dumas.

Their daughter Catherine Edwards, her husband and two sons live in Wheaton, Illinois.

Their son, Don, is here with them now with his small submarine that has been in the news. He is a deep sea diver and lives in Orlando, Florida. The other son, David and his wife Marilyn and two small sons live in Dumas. He is a lineman.

Wanda's brother, Worley Smith, is a retired teacher here.

A hardworking woman needs a hardworking investment plan.

the Great American SMOKEOUT

Last week was the end of the six weeks. After the six weeks exams Anna Pacheco was heard to say, "I have a headache this big!"

Dear Teen Center Volunteers:

The Teen Center is about ready to open and we need your help. We need volunteers to supervise the Center when it is open. We are planning to enlist as many volunteers as possible for each shift. The volunteers for each shift will then rotate so that no one person has to spend a great amount of time at the Center (unless, of course, he or she wants to).

If you would be willing to serve, please indicate below the shift you would like to supervise:

Name _____

Monday, 3:30 p.m. to 5:30 p.m. _____

Tuesday, 3:30 p.m. to 5:30 p.m. _____

Wednesday, 3:30 p.m. to 5:30 p.m. _____

Thursday, 3:30 p.m. to 5:30 p.m. _____

Friday, 3:30 p.m. to 5:30 p.m. _____

5:30 p.m. to 8:00 p.m. _____

8:00 p.m. to midnight _____

Saturday, 4:00 p.m. to 8:00 p.m. _____

8:00 p.m. to midnight _____

We will try to have more than one volunteer, if possible, for each shift, especially on Friday and Saturday nights. This will, of course, depend on the number of volunteers willing to serve. In addition, if we have enough volunteers, it might be possible to increase the number of hours the Center is open. Everything is somewhat tentative now until we see how things go.

The kids have indicated they would like to officially open the Center with a dance on Saturday, October 25th. The supervisory shifts would then begin on Monday, October 27th.

Please return this form as soon as possible, preferably by Monday, October 20th, to Scott Beedy, Box 522. We will have a meeting at the Teen Center on Thursday, October 23rd, at 7:00 p.m. to discuss your responsibilities, Teen Center rules, etc. Please attend this meeting if at all possible.

Thank you in advance for your willingness to serve. Let's get behind our youth and show them they have our support.

August Vargas and Ann Sheets discuss Homecoming activities.

HUNTING News & Notes

Taking the chill out of the thrill of the hunt: dressing right for the fall hunting season can make the sporting life more enjoyable and comfortable as well.

New high tech insulations in hunting apparel include a new thin insulation. Compared with other insulating materials, it provides equal warmth for less weight. Without the bulk, it offers the ease of movement important for a sure shot. The insulation, Du-Pont certified "Thermolite," keeps its insulating value when wet four times better than thin insulations made with microfibers. It dries faster than down, too.

Bob Allen, Des Moines, Iowa, has incorporated this thin insulation into its Ducks Unlimited Edition hunting jacket. The camouflage coat has a zip-in "Thermolite" liner to help you adjust your clothing system to the day's changing temperatures, as well as a waterproof Gore-Tex outer shell. A matching hat is also available. For nearby stores that carry these items, you can call, toll-free, 1-800-247-8048.
