

Current wheat crop production estimated

The hard red winter wheat being harvested from the fields around Spearman and vicinity will be tallied as part of the indicated production of a billion plus bushels of 1977 crop winter wheat.

The Crop Reporting Board has released the June 1 indicated production for the 1977 crop winter wheat at 1,525,800,000 bushels compared to 1,566,074,000 bushels in 1976, according to information released by the Texas Farm Bureau, Research and Education Service. Government figures indicate a 1977 total wheat production, winter, spring and dur-

um, of 2,050,000,000 bushels, assuming relatively unfavorable spring and summer weather.

The wheat situation as released in the U.S. Department of Agriculture May 1977 wheat situation reveals that if the weather is favorable producers can expect an ending stock of 1,414 million bushels (May 31, 1978) compared to a beginning stock of 1,105 million bushels (June 1, 1977). If the unfavorable spring and summer weather develops, the estimated ending stock as of May 31,

1978, will be 860 million bushels which would be considerably less than the beginning stocks of 1,105 million bushels.

If United States stocks of wheat increase from June 1, 1977, to May 31, 1978, it will be due to decreased exports. Exports for the marketing year ending on May 31, 1977, is only 83.6 per cent of the average exported during the three years 1973-74, 1974-75 and 1975-76. Estimated exports for the 1977-78 marketing year is 105.6 per cent of the previous three year

period. The U.S. government is expecting to send some wheat to China and a few other countries. Russia has reported a favorable wheat crop but it is considered unlikely to develop.

The U.S. government has established a target price of \$2.47 a bushel, national average, for the 1977 wheat crop which is considerably above current Texas farm price of \$1.80 to \$2 per bushel. The national average loan rate of \$2.25 per bushel will establish a payment rate of 22

cents per bushel for the 1977 crop if the September and October of 1977 (\$2.47 minus \$2.25). The payment rate will not be more than 22 cents per bushel regardless of how low the farm price goes, but it may be less than 22 cents per bushel if the national average producer price as computed by USDA during the first five months of the marketing year (June, July, August, September and October) is above \$2.25.

Legislation approved by the U.S. Senate (S 275) on May 24, 1977, provides for a

1977 wheat crop target price of \$2.90 per bushel. The plan provides for a loan and purchase program for the 1977 wheat crop of \$2.25 per bushel (same as the current program) with no deductions for storage costs. Producers are now required to pre-pay the loan period storage costs. Storage is expected to be tight in some areas where equipment to move grain is not available. Primary rail-road cars. Storage fees are expected to increase from the current average of about 18 cents to 24 cents per bushel

per year. Maximum Commodity Credit Corporation farm grain storage and drying facility loans have been increased from \$25,000 to \$50,000 per farm. Maximum loans are to be based on a 2-year storage production instead of the current one year. The down payment requirement has been lowered from the present 30 per cent to total cost to 15 per cent. Interest rates on these loans have been lowered to 7 per cent compared to the current 7 1/2 per cent rate.

Loans under this program can now be used for concrete, electrical cost as well as the normal bins, dryers and other grain conditioning equipment. Anyone interested in a farm storage loan may secure details from local county Agricultural Stabilization and Conservation Service office.

CCC has loaned \$675,136, 504 to producers for the purchase of farm storage facilities during the 10-year program 1967-1976. These loans have provided 1,468, 097,068 bushels of storage for all grains.

VOLUME 8, NO. 35 THE HANSFORD PLAINSMAN, SPEARMAN, TEXAS 79081 SUNDAY, JUNE 26, 1977

Shown above are: Lucy Pittman, Francis Loftin, Eulalia Mires, and Ginger Pittman. Francis Loftin, representing the Chamber of Commerce, presented the owners of the Lady Fair with their first dollar in a frame, Friday morning.

Spearman, Gruver get tax rebate

Checks totaling \$39.3 million have been mailed out to 865 Texas cities for their June share of the one per cent city sales tax, including a check for \$2,119,700 to Gruver and one for \$13,001,48 to Spearman, Comptroller Bob Bullock has announced. The check to Spearman is less than the \$3,607,34 net payment for the same period last year.

The check to Spearman is less than the \$14,593,97 received by the city as net payment for the same period last year.

Payments to date in 1977 to Spearman are higher, \$47,279,23, than the \$46,428,51 received by the city for the same period of time last year.

Payments to date in Gruver, \$9,824,74, are less than the \$11,364,50 received by the city for the same period of time in 1976. In the mailing last week by Bullock's office, the City of Houston again received the fattest check -- \$7.5 million respectively.

Smallest check, for \$15,779 went to Roanoke. Bullock also reminded Texas taxpayers of the following bills approved by the 1977 Legislature which will affect sales tax collections:

- SB 110 exempts from the sales tax syringes and hypodermic needles used for medical purposes. The bill is effective Aug. 29.
- HB 694 exempts newspa-

pers and subscription sales of magazines from state and local sales taxes effective Aug. 29.

HB 1831, now in effect, exempts from the sales tax the sale and rental of motion picture film to or by movie theaters and television stations.

Bullock said that the exemptions will have only a minor effect on overall sales and its tax collections.

County youth to attend seminar

More than 150 Texas 4-H members, including Alma and Anita Walker and Carol Spears from Hansford County will be among the almost 6,000 teenage 4-H'ers from 44 states participating in Citizenship '77 leadership and citizenship programs at the National 4-H Center in Washington, D.C. from June 5-August 27. The programs are a week in duration, with Texas groups attending June 19-25 and July 10-16.

This weeklong living experience in the nation's capital is designed to help young people from 14 to 19 years of age to understand the structure and function of our system of government, the heritage of our country's development and the individual roles that citizens of all ages will play in our nation's future and the dynamic process of change.

Using the Nation's capital as a "classroom," the program each week includes a day on Capitol Hill to meet with members of Congress and see government in action. The youth will also take part in field trips to historical and cultural sites, including the Kennedy Center, Arlington Cemetery, the Nation Cathedral, the Beltsville Agricultural Research Station, the Mall area, the White House, Mr. Vernon and Alexandria, Virginia.

Ruth Caldwell services held

Mrs. Ruth E. Caldwell, 94, died Wednesday in an Amarillo hospital. She has been a patient in Hansford Hospital before being transferred to Amarillo.

Services were held at 3 p.m. Saturday in the First Christian Church here with cleric T. J. Pittman of the Primitive Baptist Church in Pervian officiating. Burial was in Hansford Cemetery by Boswell Brothers Funeral Directors.

Mrs. Caldwell, born in Stephens County, moved to the Spearman area in 1901. She married Verne Caldwell in 1909 in the Leib community. She was a member of Primitive Baptist Church in Borger.

Survivors include three sons, Delbert of Christoval, George of Phoenix, Ariz.; three daughters, Mrs. Pearl Sparks of Cazenovia, Wis., Mrs. Gladiola Wright of San Angelo and Mrs. Garland Hopper of Spearman, 14 grandchildren; 22 great-grandchildren and two great-great-grandchildren.

Those present were Ronnie Gibson, Bill Porter, Bill Goodrich, Don Maize, Dean Leib and Jim Beeson.

County No. 10 in cattle feeding

Hansford County operators stand in the top ten in the state in the total number of cattle on feed, with latest statistics numbering the county figure at some 70,000 head, Agriculture Commissioner Reagan V. Brown has announced.

"Operators in the county are major contributors in making Texas the leading cattle feeding state in the nation," Brown explained.

"The hard work and dedication of the county's feedlot

operators, despite marketing problems and production cost increases, go a long way toward helping us reach our goal as Number One in agricultural productivity and profitability," Brown explained.

Statistics recently released by the Texas Crop and Livestock Reporting Service show that the total number of cattle feedlots in Texas decreased by 11 to 1,089 between 1975 and 1976.

June 1 estimates of cattle

on feed in Texas, at 1,480, 000 head, are six per cent below a year ago but three per cent above the first of May.

Texas cattle feeders placed 380,000 head into their lots during May, 24 per cent above May, 1976, and ten per cent above a month earlier. There were 324,000 head of fat cattle marketed in Texas during May, one per cent above a year ago but 12 per cent below April's marketing.

42,000 Texas cattlemen register

Registration figures in the nation's first Beef Referendum are in and it appears that over 42,000 producers have registered. These figures were released today by the Texas Beef Development Taskforce (BDT).

"We're extremely pleased with the interest and turnout," says J.D. Sartwell, a rancher from Sealy and chairman of the Texas BDT. "More than 1,000 cattlemen on the Texas BDT have worked to inform cattlemen about the merits of the program and pushed for a high registration," says the rancher. "This dedicated work and wide-spread news coverage by the Texas media are responsible for the large registration turnout," he adds.

Only cattlemen who registered during the June 6-17 sign-up at their local ASCS office are qualified to vote July 5-15.

The passage of the Beef Referendum, if approved by two-thirds of the producers voting next month, would raise an esti-

mated \$30 million to \$40 million annually. This money would be used for beef research, education, promotion and foreign market development.

Cattle producers would assess themselves 3/10 of 1% (30 cents per \$100 value) for each animal they sell. The money would be "passed through" at the point of each sale, but money would be remitted only at the time the animal is slaughtered. The funds would be sent to a national Beef Board, administered by 68 cattle producers from the major cattle producing states.

"The 68 producers will be nominated by cattle organizations in each state. The nominees will be selected from these associations either by a membership election or through appointment by the directors of each group," Sartwell points out. The Secretary of Agriculture will confirm the appointees and assure that the funds are properly invested in accordance with the law, he adds.

"In order for the Referen-

dum to be valid at least 50% of those who registered must return to their ASCS office and vote. Then, at least two-thirds of those voting must vote 'Yes' before the program will be put into effect," the BDT chairman says.

"This may be the last opportunity that producers have to vote on a self-help program," concludes Sartwell. "So we urge every producer who registered to return and vote 'Yes' for a more profitable beef industry."

Thursday shower

Thursday, June 23, threatening skies prevailed all about but the official rainfall measurement for Spearman was .04 after all the shower activity.

GIVE WISELY—TO GIVE LIFE.

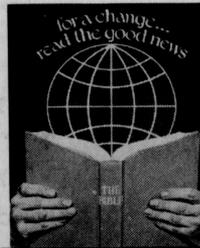

Cystic Fibrosis Foundation
Fighting Children's Lung Diseases

Man has a hunger for knowledge. It first shows itself in childhood and prompts incessant questions and exasperating experiments.

But it continues all through life. Recently, on discovering something you didn't know, you murmured to yourself, "Gotta look that up . . ."

Upon this basic hunger for knowledge, the Church's program of religious education is planned. That's why we urge parents to foster a Christian atmosphere in the home. It is also why the Church provides religious instruction long before secular education begins. And it accounts for continuing emphasis on youth and young adult activities in most congregations.

We adults haven't outgrown the hunger for knowledge. Most of us recognize that our scientific and material progress points up the crucial need for spiritual standards to believe in. God has vital truth to impart to men. The place to look it up is your church.

Card of

YOU NAME IT FROM THE DEN OF POISON PEN

Remember the Lions Club ladies night is Tuesday night, 8 p. m. at the Methodist Church, in Spearman. All lady Lions are supposed to bring enough groceries for their Lions, and a little extra for the Boy Scouts who will be our guests at the ladies night!

Billy Giles, a new prospective business man for Spearman, is working frantically on his new building on main street, and plans to open in the near future. He is a Spearman high school graduate, and will have his announcement advertisement in the paper in the near future.

The weather is pulling tricks on us as usual; that is it always turns off wet during harvest. And, sure enough it started raining in the area Thursday evening, and was trying to rain as we were going to press Friday evening. The wheat crop is over 1/2 done, and it will be a big boost for us to get all of the wheat in storage.

The hospital had a record 16 or so patients this week-end, so maybe it is on the move, even better than any of us hoped for. I am real proud of Dr. Kleeberger and the doctors who are using our hospital. And, by the way I visited some two hours with Max Banks last week, and he still puts the hospital as the Number 1 priority on the list for his Baker and Taylor concerns. Of course, the runway is a close No. 2 and we sure hope that we can get this runway deal worked out in the near future.

Mrs. W. L. Mackie has one of the best gardens in town, according to reliable information. This charming lady keeps the weeds out of the garden, and is already enjoying some of the fruits of her work. So, go by Mrs. Mackie's today and look at her garden. Also, stop by Mr. Longley's garden and look at it. Clyde and Mr. Longley may have the best garden in town! My wife has four tomato vines, and already they have cost me \$50 in water bills. And, she is quite capable of eating every tomato on the vines in one afternoon.

The "miracle workers" are about to finish the harvest. The "miracle workers" are the modern day farmers, who can produce enough wheat to make enough bread for an entire family, in 60 seconds. That is a combine running for 60 seconds can cut enough wheat to feed an entire family for 1 year! That is a miracle.

James Cunningham is taking his boy, Mark to the air force academy this week-end. Mark has to have a pair of shoes, and a pair of boots already "broke-in" and ready to walk in, by the time they arrive at the Colorado Springs academy. Mark has been walking a mile and a half each day, getting in shape and breaking in the new shoes. I am anxiously awaiting the results of his last month at the academy!

Also, I understand that Terry Latham is enrolling at Amarillo College to study the new computer course offered there.

Wedding Is Planned

Mr. and Mrs. Clint Evans of Miami, Texas, announce the engagement and approaching marriage of their daughter, Teresa, to Clويد Helton, son of Mrs. Jim Helton and the late Jim Helton of Briscoe, formerly of Gruver.

Western Ag Sales Co.

Elects Director

Western Ag Sales Co., Inc., a Lubbock based irrigation system and grain handling system supplier for a five state area, recently elected Mr. W.W. Cantwell of Plainview, Texas and Mr. Donald Webb of Grand Island, Nebraska to its Board of Directors.

Their election to the Board, according to N.C. Vance, president of Western Ag Sales Co., Inc., gives the overall management of the company a new dimension because of the extensive experience Messrs. Cantwell and Webb have in the irrigation field. Mr. Cantwell serves Western Ag Sales Co., Inc. as District Manager at the Plainview, Texas operation and Mr. Webb is District Manager at the Grand Island, Nebraska

operation. Western Ag Sales Co., Inc. is comprised of the former retail outlets owned by Gifford-Hill & Co., Inc.

Social Security Rep Schedule

A field representative of the Social Security Administration will be at the Hansford County Courthouse here on Thursday, July 14, 21 August 11, 25 and September 8 and 22 from 10 to 11:30 a.m.

He will help you on any matters relating to social security, supplemental security income or Medicare.

You may also obtain serving by going to the Social Security Office at 1541 North Hobart Street, Pampa, or by telephoning 806-669-3381 between the hours of 9 a.m. and 4:45 p.m. Monday, thru Friday (except on national holidays).

A representative is available to explain the provisions

To attend Odessa college

JOHN HOLMAN

of the Social Security Act and answer questions at meetings of farm groups, unions, and other interested organizations. There are no charges for any of these services of the Social Security Administration.

AC SVA registration June 27

Registration is set for June 27 for students entering mid-term programs at Amarillo College School of Vocational Arts (SVA).

Registration begins at 8 a.m. at the AC West campus, 6222 W. 9th.

The programs, all 30 hours per week in length, include air conditioning/refrigeration, auto mechanics, commercial electronics, diesel mechanics and welding.

Nat. Neal, dean of SVA, said the programs are 18 months in length and students who satisfactorily complete the requirements will receive both an associate in applied science degree and certificate of completion.

Persons interested may receive more information at the West campus Administration Building.

Registration will continue through 10 p.m. June 27.

Plants will thrive in poorer soil and in colder climates than other grains.

Darrouzett Deutsches fest Melodrama

The local Temperance group led by Miss Pandora Crutchwaffle raided Miss Belle's Saloon last Saturday night. This group of "sweet little ole ladies" showed their way into the saloon smashing bottles and shouting, "Destroy the works of the devil!" They were finally evicted from the premises by Miss Belle and free drinks were enjoyed by all patrons.

BUT the temperance ladies have "declared war" and claim they will return. To see what excitement and troubles will next arise, be sure to see "A Bad Day at Gopher's Breath" at the Darrouzett Deutsches at Fest Melodrama. Performances will be July 1 at 8 p.m. and July 2 at 2 p.m. and 8 p.m.

A berry that grows in West Africa is 3,000 times sweeter than sugar.

Reception following at Benton Hall

The Women's Division of the Chamber of Commerce and friends of Dr. Bob Phillips invite you to a Get-Acquainted Coffee Sunday, June 26, 1977 between 2 and 4 p.m. in the Hospitality Room of First State Bank 32-2tc

Home food preservation clinic set

Homemakers from across Hansford County will be gathering Thursday, June 30, 1977 at 1:30 p.m. in the Spearman Home Demonstration Clubroom for a training session on Home Food Preservation and Pressure Canner Testing Clinic, according to County Extension Agent Peggy Marrs.
Presentation on Canning, Freezing, Drying and Food Safety will be presented by the agent. All homemakers intending to put their pressure canners to use in the near future are encouraged bring them in and have the steam gage or indicator weight tested for accuracy. "If the steam gage of indicator weight differs from the master testing gage more than two pounds, it should be replaced as it is no longer reliable," says Miss Marrs.
Participants in the clinic are encouraged to bring samples of home preserved products including fruits, vegetables, jellies, pickles and preserves along with their special recipes for a "show and tell" session and sharing of ideas.
Door prizes will be given so make plans now to attend. Extension programs are open to all persons interested regardless of socio-economic levels, race, color, sex, religion or national origin.

Masonic installation slated

A joint installation of officers of Hansford Masonic Lodge No. 1040 and Gruver Masonic Lodge No. 1326 will be held at the Masonic Building in Spearman July 9 beginning at 7:30 p.m., it has been announced.
Past Grand Master of Masons in Texas John R. Colard, Jr. of Spearman will be the installing Master for the open installation ceremony.
Phil Jenkins will be installing Marshal.
A social hour will follow.

Fireworks Stand Open June 27

Members of the Rho Rho Sorority will be selling fireworks Monday, June 27 thru Monday, July 4. Hours on June 27 thru 29 will be 11 a.m. to 8 p.m. Hours from June 30th on will be 11 a.m. to 11 p.m.
Their fireworks stand will be set up in front of Horizon Oil and Gas Company on the Berger Highway.
Rho Rho would appreciate your business and encourage people to come out and patronize. Proceeds go toward the various community activities that Rho Rho Sorority supports.

Going away party held

A "Going Away" Party was held Thursday morning, June 23 at 10 o'clock at the home of Mrs. Gayle Brown in honor of Mrs. L. W. Rosenbaum. She is moving to Marshall, Texas. Mrs. L. W. Rosenbaum, a member of the club for 22 years, is president of the Old Hansford Home Demonstration Club and she was presented with a gift from the club members.
Refreshments were served by Mrs. Gayle Brown and co-hostess Mrs. Irvin Dells to one guest Miss Peggy Marrs, Home Demonstration Agent, the honored guest, Mrs. Rosenbaum, and to members, Mesdames: B. A. Byers, H. M. Shedeck, Vonda Keim, Virgil Floyd, Roscoe Nelson, Ellzey Vandenberg, James Strawn, Harold Howerter, Glen Mackie and Gordon Parrish.
Pictures were taken and also a lot of visiting.

Now we can invite you to be in "good hands."

Zack B. Fisher Agency proudly announces the addition of Allstate, famous for "good hands" insurance and financial services, to the other fine companies we represent.

You know us, here in town. You know that we've always tried to provide you with the fullest available selection of top-quality insurance and the best possible service, through the companies we represent.

The folks at Allstate are our kind of people. Allstate and its parent company, Sears, have a national reputation for reliability and value.

So it just made sense, in your behalf and ours, to add Allstate to the list of companies we represent.

Now we can offer you Allstate's full line of quality coverages for your life, your health, your home, your car—business, too.

Allstate's famous, coast-to-coast claim service, and Allstate Enterprises, Motor Club and Auto Finance Plan are only a few of the services now available.

So we invite you to call or come in, and compare. Now you, too, can be "in good hands."

Allstate 20% deviation on Homeowners and 10% deviation on Autos could quite possibly save you hard cool cash this next year on your insurance premiums. If interested call Burl Buchanan in Spearman, 659-3914 or 659-3367 or call Zack B. Fisher in Memphis at (806) 259-3430.

Area Baptist men plan outing

Directors of region one Texas Men's Organization announced plans today for their upcoming "Feeding of the Five Thousand" Supper which is to be held on Friday, July 8, at the High Plains Baptist Assembly Campgrounds located north of the City of Canyon. In making the announcement, directors Tom Coffee of Pampa, Roscoe Nelson of Spearman, Glen White of Stratford, Harrell Stevens of Amarillo, and R. B. Phillips of Memphis, said that the supper will feature fish, hushpuppies and "all the trimmings." The food will be catered by Zebbie Land, and supper will be followed by a special program given by the Royal Ambassadors Auxiliary group including a presentation of flags from the 87 nations in the world where Southern Baptists currently have more than 2,650 missionaries serving. In addition, Bob Dixon, Executive Director of Texas Baptist Men, will present a short program entitled, "The Miracle of St. Cloud, Minn."

Resignations Accepted

At a special session of the Gruver School Board of Trustees held Tuesday morning, June 21st, the resignations of Athletic Director and Head Football Coach Stocky Lam-

erson, Assistant Coach Bill Persinger and Gruver High School Faculty member Rose Persinger were presented and accepted. Both Coach Lamberson and Coach Persinger have accepted positions in Memphis. Steve Barleson was hired as Head Football Coach for the Gruver Greyhounds at this meeting. Other business included the announcement of the meeting of the Board of Equalization set for 10:00 A.M., Saturday, June 25.

PSU Cheerleader camp set

The 8th annual National Cheerleaders Association Camp to start June 26 at Panhandle State University is "sold out". The record number of 49 high schools representing 284 cheerleaders will come from Kansas,

Colorado, Texas, Oklahoma and New Mexico. No further applications are being taken for the camp.

The NCA office headquarters in Dallas has assigned 11 instructors to direct the camp. The staff will be teaching the very latest in cheerleading methods, Pom Pom, and tumbling.

Schools from COLORADO are: Cheyenne Wells, Springfield, Vilas, and Walsh. Those from KANSAS are: Ulysses, Johnson, Liberal, Elkhart, Moscow, Fowler, Syracuse, Hugoton High, and Hugoton Middle School. High Schools from NEW MEXICO are: Amistad, OKLAHOMA high schools are: Lone Wolf, Boise City, Turpin, Shattuck, Keyes, Guymon High, Guyman Jr. High, Balko, Buffalo, Goodwell, Hardesty, Texhoma, Vici, Beaver, Yarbrough, and Hobart. Schools from TEXAS are: Palo Duro (Amarillo), Gruver, Sunray, Sinnamon, Phillips, Stratford, McLean, Claude, Darrouzett, White Deer, Borger, Dalhart, Channing, Lefors, Hartley, Groom, Texline, Spearman, and Boy's Ranch.

The arctic term winters in the Antarctic and summers in Greenland and Alaska.

4-H'ers to vie for Horsemanship honors

Ten 4-H'ers from Hansford County will be among 250 youngsters competing for a berth on the top 20 list of winners at the District I 4-H Horse Show Tuesday, and Wednesday, June 28 and 29, according to County Extension Agent Jim Kuykendall. Winners of that district event will compete in the State 4-H Horse Show in Houston July 27-30.

The 4-H'ers are: Halee Reed, Spearman; Hadley Reed, Spearman; Andrea Archer, Spearman; Roger Buchanan, Spearman; Scott Henderson, Gruver; Todd Williams, Gruver; Jon Garnett, Spearman; Jennifer McLain, Spearman; Melanie Kenney, Spearman; Ty Williams, Gruver. Already winners of county competition, the youths will be competing in halter, showmanship and performance classes against representatives of 20 other Panhandle High Plains counties. Site of this year's horse show is the Bill Cody Arena in Amarillo.

James Heird, of Shallowater, Texas, will serve as official judge for the 1977 contest. Superintendent will be Gaines Franks, Potter County Extension Agent. The quota of entries is based on the number of active 4-H members with horse projects in each county, Kuykendall said. The 4-H program in the state is administered by the Texas Agricultural Extension Service, Texas A&M University System.

Insurance Corner

Grease Gun Hazard

Garage mechanics and those employed in jobs where it is necessary to use high-pressure grease on paint guns should be on the alert. According to a recent report in the Journal of the American Medical Association, these high-pressure guns emit a fine spray at 600-7,000 pounds per square inch as powerful as a rifle shot which can drive internal grease through the skin, where it spreads internally along the limbs. In 30 cases of grease-gun injuries, 12 resulted in amputation, and of 23 paint-gun accidents, 10 required amputation. The initial wound is often painless because it happens so fast. The result is that people continue to work, although within a few hours the pain becomes intense.

and the affected limb becomes severely swollen, numb, and the affected skin takes on a mottled appearance. This is a surgical emergency. All grease and paint must be removed. There should be no delay. Immediate medical treatment is necessary to get the offending substance out of the body as quickly as possible.

This information has been brought to you as a public service by John R. Colvard, Jr., your one stop answer to complete business and personal insurance protection. Life, home, auto, group insurance, and profit-sharing plans. See John R. Colvard, Jr., 405 Davis St., telephone 659-2501.

Gruverite, West Point Graduate

Cadet Dustin C. Frazier

So proudly we hail Gruverite-1977 West Point graduate-Cadet Dustin C. Frazier who was commissioned 2nd Lt. United States Military Academy at West Point during graduation held June 8, 1977.

Dustin, who is the son of Mr. and Mrs. H. M. Frazier of Gruver, graduated 165th out of 696 cadets remaining from a class of 1,426 cadets starting four years ago. At the June 8th exercises, Dustin received his BS Degree. He will be stationed at Fort

Benning, Georgia, from August 7, 1977 to February 10, 1978 for Infantry Officers Basic Course and Ranger School and then go to Fort Ord in California for assignment for three years.

Dustin, who is a 1973 Gruver High School graduate, was involved in various forms of athletics while at the Academy including Rugby, Intramural Boxing, and Intramural Basketball. His extra-curricular activities included serving as a Sunday School teacher; a member of

Amarillo; and his parents from Gruver. The Gruver Statesman joins all area residents in offering congratulations to this new officer in our United States Army—we proudly hail him and say "well done, Lt. Dustin Frazier!"

William Porter on dean's list

During July 1975 Dustin attended the Airborne School at Fort Benning and became Airborne Qualified. He received troop leader training at Ft. Lewis, Washington in August of the same year.

During the summer of 1976 he was part of the first class cadre giving the new fourth classmen their introductory orientation and training at West Point. Consistently Dustin has stood in the top 25% of his class in academic and military proficiency—quite an accomplishment at the Academy.

Dean's list honors are earned by students who carry 12 or more hours and average 3.4 grade points (4 is perfect) per quarter. Wheaton College is a co-educational Christian liberal arts college located 25 miles west of Chicago.

Lions Club ladies night site changed

The Lions Club Ladies Night scheduled for June 28 at 8 p.m. will be held at the First United Methodist Church Fellowship Hall instead of the First Baptist Church as previously announced.

Golden Spread Circle meeting held

Games of Pitch, Dominoes and "42", visiting and Fellowship was the order of the day Tuesday evening, June 21st, when the Golden Spread Circle in their regular meeting met at the H.D. Clark Rooms. Thirty four people registered and a real nice table was laid by our host, for June, The Gladiola Flower Club, consisting of a variety of sandwiches, pies, cake and cookies, tea and coffee.

Refreshed acquaintances and making new friends was a delight to those who had not lived here before or who had once been a resident of Spearman and now moved back. A warm feeling exis-

Baptist Women Meet

Baptist Women Study Group met Wednesday, June 15 at the home of Mrs. L. L. Anthony for Bible Study which was given by Mrs. Fred Holt.

Members present were Mesdames: Arthur Adkison, J. L. Denman, F. J. Hoskins, Ed Hutton, Roscoe Nelson, Russell Pogue, Mable Edwards, Fred Holt, Carl Kizziar, A. F. Loftin and Miss Altha Groves.

The next meeting will be June 22 for a round table at the home of Miss Altha Groves.

Meeting Wednesday, June 22 in the home of Miss Altha Groves was the Baptist Women Study Group. The program was on the book, "Emergency", written by Evelyn Greer given by Mrs. Evelyn Hiller.

Mrs. L. L. Anthony, president, presided over the business meeting. The minutes of the previous meeting were read and approved.

Those present were mem-

Peggy's Pointers

Have you had problem of spoilage of home canned goods?

Take a look at the jars and lids you have been using. Do the jars have chips or nicks at the top? If they do this can cause a poor seal thus spoilage. Do not use these jars for canning.

Do you tighten the two piece lid as tight as you can get it before and after processing. If you do, this can cause the sealing material to be broken - and again spoilage.

What can you do? Run your finger around the tops of jars and inspect them visibly to make sure they are smooth and free from nicks and cracks.

If two-piece, self-seal lids are used, follow the manufacturer's instructions in adjusting the lid and tightening the metal ring. After processing, when the canned product is thoroughly cool, take off the metal ring, if possible without forcing. If the ring sticks, cover it with a hot, damp cloth for a minute or two to loosen. Then wash then to prevent rust and they may be used again. However, the lid may be used only once.

FOOD SAFETY
The storage life of fresh meats is cut in half for every 10 degrees F. rise above the normal refrigerator temperature range of 32-40 degrees F.

Thaw meat and poultry in the refrigerator-or, if you must thaw them outside the refrigerator, put them in a sealed plastic bag under cold running water, or put them in a closed double paper bag without use of water. The trick is to allow the products to get just warm enough to thaw-yet stay cool enough to slow down germ growth, particularly on meat surfaces.

Turn grilled steaks and chops only once to prevent loss of natural juices.

STORAGE OF CANNED FOOD - What is the best way to store canned foods? They should be stored in a clean, cool, dark, dry place. Canned food kept in a warm damp place may change in color and flavor.

How long should home canned food be stored? It is wise to use all of it within a year.

4-H group learns self improvement

Pictured above are just a few of those present for a day long course in self improvement at the Home Demonstration Clubroom, Tuesday. Teresa Hargis began the activities by demonstrating instructions on personal poise and modeling techniques.

The Home Demonstration Clubroom in Spearman is the gathering place for twenty-eight 4-H clothing project members, leaders and instructors, on Tuesday, June 21, 1977.

Teresa Hargis of Teresa's Dance Studio led off the day long activities with demonstration and instruction of personal poise and modeling techniques. It was a sight to behold as all got into the act of parading on stage in preparation for the County 4-H Dress Revue.

Personal grooming was the highlight of the afternoon session as Helen Whitaker of the Cinderella Beauty Salon discussed with the group hints for personal beauty from the inside out. Many took advantage of her expertise in nail care by receiving a free manicure.

County Extension Agent, Peggy Marrs directed the workshop and led discus-

sions on Wise Clothes Buys and Care of Clothes, highlighted by slide presentations on these topics.

The following group enjoyed a picnic lunch at the Swimming Pool Park along with the learning activities:

- Mylna Groves, Mary Ann Kenney, Stephanie Friemel, Teresa Tindell, Donna Martin, Kelly Groves, Pam Porter, Karen Kenney, Shelley Friemel, Julie Farr and Tonja McBride of Spearman; Pamela Doby, Melinda Gammon, Karen McAbren, Paige Holt, Elisa Brandvik and Denise Doby of Gruver; Virginia Poole, Stacy Poole, Susan Davis, Linda Lewis, Martha Davis, Glenda Pierot, Marie Brooks, and DeeDee Forston of Morse.

NEW Case 2870 300 HP!*

4-way selective steering
12-speed range power shift

Raw horsepower isn't new to modern farmers, but it took Case to harness that power with the technology to make it work with you. A new 674 cubic inch turbocharged diesel provides the 2870 with the power you need to pull big implements, and handle heavy forage work. And, that power is transmitted through a 12-speed range power shift with 3 on-the-go speed selec-

tions in each of four ranges. You keep that power moving, non-stop. Plus, you control the 2870 with 4-way selective steering. Four steering selections to match the job; you're in command of this powerhouse.

But you have to feel it to believe it. So stop in today and see the new 2870 from Case.

Hansford Plant Reunion July 3

Present and former residents at the Panhandle Eastern Plant, south of Hansford, Oklahoma are invited to the Hansford Plant reunion scheduled July 3.

Children, grandchildren and other relatives are invited, says Mrs. Ray Collins of Spearman.

Persons attending the reunion are asked to bring a basket lunch and plan to stay all day.

Arrest clear cases

The arrest June 21 of four juveniles from Spearman, who have since been released to the supervision of their parents, has cleared up two incidents of vandalism and the theft of a purse containing \$84.40, Hansford County Sheriff R.L. McFarlin has announced.

About 2 p.m. Tuesday, the sheriff's department was notified of the theft of the purse and within an hour the juvenile had been arrested and the purse and contents recovered intact and subsequently returned to the owner.

The arrest led to the apprehension of the other three juveniles involved in the vandalism which occurred in two houses in Spearman during the last month.

to be here for BMA Service

E.K. Snider, a Spearman resident from 1924 until 1941, and a committer to Spearman from Lubbock and Canyon, during the week for many years to service his BMA policyowners, will be in Spearman for a few days for his usual EKS-BMA Insurance Service. He will be here beginning Tuesday, June 28 at 9 a.m. at the Baker Hotel. For further information you may call the Baker Hotel.

The first European known to have seen the Pacific Ocean was Antonio de Abreu, a Portuguese, who in 1511 (two years before Balboa) sailed into it from the other direction, by way of the Indian Ocean.

If You're Not Slim Now . . . HOW ABOUT THE REST OF YOUR LIFE?

Loss: 34 pounds, 52 inches
Donna Massey of Midland, formerly of Houston, lost 34 pounds, 52 inches and went from size 18 to 8 at Pat Walker's. She writes: "I had tried diet pills, spas and strenuous dieting without success. I seemed doomed to be obese, doughy and an undesirable housewife. I read the Pat Walker ad for months and threw it away, because it seemed to good to be true. Finally I saved it and called. That was the day my new life began."

Lose Weight and Lose it Like a Lady

The exclusive Pat Walker figure program has been effective for millions of women of all ages. Safe passive exercise tones your tissue, improves your circulation and removes unwanted pounds and inches ... without crash dieting. You enjoy complete privacy in elegant surroundings and you do not have to diet anytime, because you don't need special clothing and you won't even muss your hair. Call today for a figure analysis and a complimentary treatment ... there is no cost and no obligation. We will plan your personalized program and tell you the total cost of your figure correction before you even begin. (Based on \$3.00 per half-hour treatment).

PLEASE LIST PARTNER IN EACH DOUBLES EVENT.

The Second Annual Spearman Fire cracker Open Tennis Tournament will be held July 1-3 in Spearman and deadline for entry is no later than 7 p.m. Thursday, June 30.

All matches will be played at the Spearman lighted courts at Spearman High School. There will be an

entry limit of three events. Trophies will be awarded first and second place winners. All entries are to be sent to Teresa Barkley, P.O. Box 714, Gruver, Texas 79040, accompanied by checks for each event. Fees are \$5 for singles and \$10 for doubles.

Entry blanks can be obtained at Cates Men and Boys Wear in Spearman, the Dairy Queen in Gruver or Spearman or use the entry blank printed in this paper. Teen-age events will begin at 8 a.m. July 1.

Adult events will begin at 9 a.m. July 2. Mixed doubles and husband and wife doubles will begin at 5 p.m. Saturday.

All matches will be two out of three sets with nine points tie break at 6-all. The Vass no-add system will be used through the semi-finals. A 30-minute default will be in effect with players held responsible for checking times of their events. Teresa Barkley, Sheila Watley and Chuck Steele are the tournament directors this year.

A concession stand will be open all during the tournament for the convenience of patrons and players.

In announcing the tournament, it was stressed that the partner in each doubles event must be listed.

Cochran named

Robert J. Cochran of Spearman has earned "Distinguished Student" ranking at Texas A&M University, announced Registrar Robert A. Lacey.

The undergraduate honor is awarded students who have excelled academically. Recipients must earn at least a 3.5 grade point ratio (out of a possible 4.0) during the most recent grading period. "Distinguished Student" ranking is limited to 10 percent of Texas A&M's undergraduate enrollment. Cochran, son of Mr. and Mrs. Robert O. Cochran of 705 E. Second Ave., majors in electrical engineering.

Golf Scramble!

The Hansford Golf Club has begun a scramble open for all golfers every Tuesday evening, beginning at 6:00. There was a new pot started Tuesday allowing participants a chance for offered prizes. These prizes are presented in the form of gift certificates to be redeemed at the golf pro shop. They vary in sizes which are computed on the number of participants in the scramble. Teams are formed with three to four members on a team, also depending on the turn-

also having a Ladies' Day. Ladies' Day will be held every Monday morning at 9:00 a.m. There is a small entry fee of 25 cents. Non-

A slight fee of \$1.00 is charged to club members for entry into the scramble. Non-members also participate, paying \$1.00 entry fee, plus a nominal green fee of \$1.00. Tiny Gressett invites you golfers and offers to come out. You don't have to be a pro to enjoy these scrambles. At these prices, anyone can learn to play golf. The Hansford Golf Club is

members are invited for an additional green fee of \$1.00. Carolyn Gressett invites everyone of you ladies out to join in some golfing fun.

SVFD picks officers

New officers for the Spearman Volunteer Fire Department were announced Thursday, June 23, after votes were polled and Steve Slater was elected first assistant chief. Other new officers include Bill Jackson as second assistant chief and Denise Hutton as treasurer, it was announced.

An election is being conducted this week to elect captains to fill two vacancies within the department, Fire Chief Chuck Rigdon reported, and results will be announced upon completion of the vote tally. In other activities Thursday, members of the department performed routine drill procedures.
