SPS to carry power for 2 future plants

By PHILLIP FIORINI
Clobe-News Staff Writer

Southwestern Public Service and Valley View Energy Corp. have inked an agreement allowing electricity generated by Valley View's two planned manure plants in the Texas Panhandle to be transmitted on SPS lines.

Valley View of Dallas plans to construct 50,000 kilowatt, manure-fueled power plants at Hereford and Gruver to generate power that will be used by the city of Austin. Both units will be built near cattle feedlots.

"This is the first of several agreements we need to sign to deliver power to Austin," B.R. Farris, Valley View spokesman, said Wednesday.

Construction is expected to begin in Hereford "possibly in February and no later than April," he said.

Initially, the Hereford plant was scheduled to be operating by October 1986, but Farris said that has been pushed back to late 1987.

The Gruver plant is expected to be completed four to six months after the Hereford plant, he said.

The agreement, the first of its kind by SPS for transmitting and wheeling power owned by another generator, was hailed Wednesday by SPS President Bill Esler as "another milestone in Southwestern's ongoing support of alternative-energy generation projects."

It is also the first wheeling contract signed by Valley View, which is spending an estimated \$100 million to build the two plants in the Texas Panhandle.

Under the agreement, SPS will transfer Valley View's power to facilities owned by Public Service of Oklahoma near Vernon. In turn, the energy will be transmitted to Austin through a direct-current interconnection and a string of other utility company lines.

Esler said Valley View is paying a "fair wheeling rate" for use of SPS transmission lines, an accord that took several months to reach.

The Thrift Shop volunteers and the Hansford County Library Board wish to extend thanks to everyone in the community who supports the Thrift Shop with donated items and with purchases.

The Thrift Shop was begun in 1967 by the Spearman Twentieth Century Club as a project to help reduce the debt on the newly-purchased library building. Today, eighteen years later, the Thrift Shop is still going strong, thanks to dedicated volunteer help and wonderful community support. The Thrift Shop is run entirely by volunteers, and all proceeds from sales go directly to the Hansford County Library.

Anyone wishing to donate items to the Thrift Shop may do so during library hours, which are 10-12, 2-6, Monday through Friday, and 9-1 on Saturday. You may obtain the key from the librarian to put donated articles in the Thrift Shop, which is located in back of the library building on Hancock Street. Items must be placed inside, not left on the sidewalk outside.

James Cunningham has offered to pick up items for the Thrift Shop for anyone who is unable to deliver them. If you need this pick-up service, call the library at 659-2231 and leave your name, phone number, and location for pick-up. Please give James at least 24 hours advance notice for pick-up service.

The Thrift Shop is open for business on Saturday afternoons from 2:00 - 4:00.

Among The Neighbors

Mrs. Ida Shubring of Pampa is in the home of her daughter, Mrs. Myrna Biggers. Mrs. Shubring is recovering from by-pass surgery and is looking forward to being able to return to her own home soon.

Robert Novak is hoping not to have to have a repeat of last week. He attended the funerals of two of his relatives. Tuesday he was in Yukon, Oklahoma for the service for his aunt, then went on to El Reno, Oklahoma for the funeral of his uncle.

Relatives of Elaine, Mrs. Roger, Odogaard report with relief that at long last her condition is improving. She has been in Northwest Texas Hospital with an unusually severe bout of pneumonia. Her mother, Mrs. Carter Crawford, has been with her most of the time.

Among all the neighbors is a prevailing sense of pleasure on learning that Editor Faye Lynch is back at home. She has been in St. Anthony's hospital for an extended stay after serious leg surgery. At this writing, it is expected that she will be at home for Christmas.

To those who have lived in Hansford County for a long period Elinor Fay has been an example of indomitable courage and spirit. So many remember the beautiful, vivacious, radiant teen-ager she was when the dreadful illness struck. For all these many years, she has served as a model of cheerfulness, independence, perseverance, facing and handling personal heartaches, and building a career in spite of all obstacles.

So all the readers of this column salute you, Faye, Welcome Home and a Merry Christmas!!

Hansford Hospital Auxilairy

The Hansford Hospital Auxilairy met for their annual Christmas luncheon at 11:30 at the Hotel Royale on Dec. 9th. After a meal of brisket, potatoes, green beans, and salad was enjoyed; Pres. Virginia Trindle called a short business meeting to order. Secretary, Dorothy Haner resigned from her duties because of her health and Hazel Stumpf accepted the duties for the remainder of her term. After the meeting the group adjourned and went to the hospital and manor to decorate the tree's and halls for

Christmas.

Those members present were: Sharon Barkey, Adalyn Barnes, Ora Lee Backburn, Myrt Bohanan, Rosa Lee Butt, Ethel Byers, Ruth Crawford, Betty Davis, Jettie Davis, Dorothy Haner, Virginia Trindle, June Jackson, Lorene Kunselman, Jo Larson, Barbara McClellan, Maylyn Schubert, Gwen Smity, Frances Cudd, Eddie Largent, Dolly McWhirter, Hazel Stumpf and Beth Philips.

Open House a success

Adela's Flower, Gifts and Ceramics held her open house, December 8, 1985. The place was beautifully decorated with Poinsettias, garlands, satin red and gold bows, lots of Christmas wreaths, and Christmas ceramics. Refreshments were served which consisted of spiced cinnamon tea and decorated Christmas

cookies. She had door prize registration as you walked in. The winners for the door prize were: Tiffany Rex, who won the ceramic door prize and Carla Beesly, who won the floral door prize.

Adela would like to thank everyone who helped make her open house such a success.

Chamber chatter by com
As most of you have noticed, this month's newsletter is slightly late. I will put the blame on the month of December!

ALREADY IN PROGRESS:
43 of Spearman's Retail merchants are participating in this years Christmas Promotion. All it takes is a \$25.00 check for advertising and a \$50.00 gift certificate from your business to participate. So call your chamber (9-5555), or stop by the office if you want to participate. It's not too late to join in the Christmas Spirit. As of right now we have 7 winners each day. On December 3, the Retail Merchants sponsored lighting the live Christmas tree on the Court House lawn. Our thanks to the METHODIST CHILDREN'S CHOIRS (Directors, LINDA BUTT and VERNA STRAWN) for a job well done. Santa arrived with the help of the SPEARMAN VOLUNTEER FIRE DEPARTMENT and the CITY POLICE DEPARTMENT. Over 100 people (All ages) came out to enjoy the festivities. Thank you JACKIE PEARSON for all the work you put into this! Thanks also go to the CITY OF SPEARMAN, SPEARMAN CABLE TV, and TEXAS-NEW MEXICO POWER for putting up all the decorations that we "Spearmanites" enjoy so much. Decorations are up all over our town and are so very pretty (have you noticed I like Christmas Light?) Thanks to all citizens and merchants for "lighting up" our hometown.

President elect MIKE CUDD is in the process of contacting Chamber members to serve as chairmen of the Chamber committees. Once this selection has been made, the chairmen will select their committee members to carry out the Chamber's goals for the coming years. Beginning this

month, our members will get calls from the President requesting that they serve as chairmen and then many members will get calls requesting that they serve on a committee. We are planning a meeting for all committee chairmen and directors in January to decide our goals and ways to achieve them for our city. The Chamber's main objective is to PROMOTE SPEARMAN and to accomplish this we need you to be willing to serve when called upon.

The chamber office is now open from 12:00-1:00 p.m. each day. Hopefully this will be more convenient for the folks in Spearman.

As the 1985 year draws to a close, your chamber is planning for 1986. Our annual banquet is scheduled for February 15, 1986. Make plans now to attend.

My thanks to President BOB PEARSON for helping the Chamber make the transition of a new manager. I appreciate all the help I've received from Chamber members during my 1st six months as your Chamber exec.

We at the Chamber wish each of you the Merriest Christmas ever and prosperity with the coming new year.

Old-timers used to rely on this mill. This mill used to depend on the right wind.

Despite man's most valiant efforts the wheel was frequently at a standstill. What then? Waiting, waiting, waiting! What patience they must have learned—only faith sustained them. The wind will blow again.

The patient life also requires a foundation of faith. It can come early or late, slowly or fast.

If you lack the necessary faith to fulfill your life's needs, turn to the Church. The wind will blow again.

Jarvis attended 4-H National

The past week in Chicago, Illinois National 4-H Congress was held. About 1600 4-H members from 14 to 19 years of age attended representing every state of the United States and Puerto Rico. The trip to Chicago for National 4-H Congress is one of the top youth events in the nation. The honor of being a delegate is awarded to the first place record book winners in every state. Second place winners are also awarded the trip if participation in that division reaches a certain level.

Fifty-six Texas delegates attended congress one of whom was Anne Marie Jarvis, 17 yr. old daughter of Mr. & Mrs. Britt Jarvis of Spearman.

Anne Marie and the fifty-five other delegated participated in workshops, went on tour, listened to keynote addresses, and attended banquets. National donors held banquets to recognize state and national winners. Two of the keynote speakers were Rifer Lewis Johnson, former Olympic Gold Medalist, and Tom Sullivan, former "Good Morning America" host and author of "If You Could See What I Hear."

4-H is the nations largest youth organization. The size and scope of 4-H is shown through the figures which were released for the 1985 Congress which showed that for every delegate 3,000 members were represented. Ford Motor Company, who sponsor the Achievement Program in which Anne Marie submitted her record book, and over 33 other national sponsors made this week possible. With out their support as well as the support of 4-H leaders and extension agents 4-H would not be the organization it is today.

Merry Christmas

from Spearman Volunteer Fire Department

TWAS THE NIGHT BEFORE CHRISTMAS IN EDGECLIFF TOWN

This version of the famous poem was submitted by Fire Chief Ron Antelak, by Jerry Podesta - Edgediff Village Fire Department

Twas the night before Christmas, And all through the house Not a creature was stirring, Not even a spouse.

The night is all quiet On the Edgediff front, While Benbrook and Crowley Have fires we don't want.

In the mid of the night, Our sleeping ears hear, The sounds of our tones, Screaming, "Trouble is near!"

We leap from snug beds And scurry all round, With one eye still sleeping The address we write down.

We jump in warm clothes and bound out the door. Oh...what in H... Do we volunteer for?

We race to the station And jump in the truck, We're trying to hasten Without any luck.

Out of the station We speed through the town, The dips!! The dips!!

We must slow down.

We arrive at the scene And search for the harm. But all the serene - 'Twas a false alarm.

We've nothing to do But cuss and moan, And wait for our orders So we can go home.

To take off our gear, O'er the firehouse we tread, Hoping soon to return To a warm waiting bed.

With paperwork done, We let out a sigh, Approval is granted, And all say goodbye.

We get in our car And slam the door, Shouting, "See you Tuesday,if not before".

Through shrieks of delight, Adding insult to pain, From a car driving past, Did the driver exclaim.

"To all in the firehouse, 'Fore dawn's cherry light, Merry Christmas to all, And to all, a good night."

Have a Merry & Safe Christmas from The Spearman Volunteer Fire Department.

Mail box vandalism

Postmaster Robertson advised today that mail box vandalism is a federal crime and the penalty for this crime is imprisonment in a federal prison up to three years and a fine of up to \$1,000.00. The postmaster said juveniles are most often involved in these offenses. Usually, these youngsters do not understand the seriousness of their actions, but once the penalties are called to their attention, these ordinary "good" kids rarely do it again. The postmaster is asking all parents in our community to stress the seriousness of tampering with mail and mail box vandalism to their children.

Open House held

Norma Jean Mackie held her Christmas Open House on December 8, 1985. Her place was very nicely decorated.

Refreshments were served. There was a very nice turn out.

The Mary Kay Cosmetics are 10, 20 or 50% off until Christmas, so be sure and stock up now or give as gifts to your friends.

She would like to thank everyone who made her open house a success.

HANSFORD MANOR ADDITION

TO: The Voters of Hansford County

We, the Board of Directors of Hansford Hospital District, would like to personally explain our position concerning the upcoming Bond election for the expansion of Hansford Manor.

First: There is an established need for the expansion as demonstrated by the 37 names on our active waiting list.

Second: We expect the facility will generate enough revenue to retire the bonds without increasing taxes, but if some unforeseen happening should occur, it would require only an additional 4¢ per hundred valuation to retire the bond issue.

Third: The expansion will increase the capacity of the Manor by 45 beds. In addition, this expansion will provide sufficient support area to give our senior citizens the highest quality of care. We will continue to insist that the quality of care be maintained at its maximum level.

Fourth: We feel it will be a much needed addition to our community and will provide approximately 30 new jobs.

We would like to encourage all the voters of Hansford County to vote on December 17, 1985 and give us your support on this much needed expansion project.

Respectfully,

Alton Ellsworth

Mayor Blodgett Speaks to 3rd Graders

Mayor Ralph Blodgett

The 3rd grade elementary school children were honored with the presence of Mayor Ralph Blodgett. Mayor Blodgett came to the school for the sole purpose of answering some of the questions the children had submitted to him at an earlier date. The Mayor answered some questions as to how the City was run. His job and purpose as Mayor? and various other questions.

The Mayor then opened the floor to questions to the students and several students responded. We thank the Mayor for taking

time out of his busy schedule to come to the school and talk to these youngsters.

The Mayor spoke at the school on Friday afternoon.
